

McNEESE VOLLEYBALL RECORD BOOK

LEGACY CENTER

The Legacy Center has been the home for McNeese Volleyball since the 2019 season. The arena consists of a 4,242 seat arena for basketball and a volleyball gymnasium (500 capacity) plus basketball practice courts. Another component of the arena includes approximately 21,500 square feet of classrooms and laboratories for McNeese's Health & Human Performance Program. State of the art training and operations facilities for basketball and volleyball are also housed in the complex.

Due to Hurricanes Laura and Delta damages to the facility in August and September of 2020, the 2020 volleyball season was played at SP Arnett Middle School (Westlake, La.) in the spring of 2021. The 2021 fall season was played at the Ralph O. Ward Rec Complex on campus while the arena was being repaired.

Sports Imports/AVCA PLAYER OF THE WEEK Week of Sept. 27, 2004

Nicole James (left) set a school and Southland Conference match record with 44 kills against Texas-Arlington in 2004. The 44 kills is the sixth best single-match output for a four-game match in NCAA history since the introduction of the all-rally scoring system began in 2001. For this, she was named the Sports Imports/AVCA National "Player of the Week". She is the first McNeese player and the second player from a Southland Conference University to receive this honor.
