STORY LINES

- Coming off a dominant 63-14 win over HCU, UNT plays in its first American Conference under first-year head coach **Neal Brown** Thursday night on the road against Tulsa.
- Brown took over after spending the 2025 season as the special assistant to the head coach under Steve Sarkisian at Texas. A veteran head coach, Brown comes to North Texas with 10 seasons of head coaching experience after spending the 2019-24 seasons at West Virginia and the 2015-18 seasons at Troy.
- In his head coaching career, Brown has compiled a 74-53 overall record and has led his team to bowl appearances in seven of his 10 seasons as a head coach.
- UNT ranks seventh in FBS in passing offense (342.0 YPG), ninth in total offense (516.0 YPG) and 25th in scoring (39.5 PPG).
- QB **Tayven Jackson**, a transfer from UCF, currently ranks ninth in FBS in completion percentage (74.2%), 12th in completions per game (23.8), 12th in passing yards per game (296.8), and 13th in total offense (310.5). Jackson threw for 492 yards against Texas State, the most yards by any FBS quarterback in a game this season.
- Running back **Jahiem White** has been a focal point of the offense with nine total touchdowns on the year, trailing only Florida's Jadan Baugh for the second-most TDs in the country. White has 506 total scrimmage yards (363 rushing yards, 143 receiving yards) this season, the most in the American.
- The Mean Green have been efficient on offense ranking 16th in the nation in average time of possession (33:16) and eighth in 3rd down conversion percentage (54.9%).
- North Texas has two of the top-five players in receiving yards in the American in **Justin Stevenson** (4th, 281 yards) and **Corri Milliner** (5th, 276 yards). UNT is one of just nine FBS schools with two players with at least 275 receiving yards.
- Since 2021, UNT has been one of the most explosive offenses in college football regardless of head coach. In that span, North Texas has had the sixth-most 10+ yard plays in all of FBS and the most in the G6. The Mean Green are tied for fourth in the country with 77 plays of 10+ yards this season.
- Matt Powledge** was hired as defensive coordinator in the offseason after spending the 2023-25 seasons in the same role at Baylor. Powledge has been in a coordinator position every year since 2014.
- UNT added former American Conference Second Team honoree LB **Zakye Barker** to the defense in the offseason. The lone player to be a team captain every game in 2026, Barker has 160 tackles and 16.0 TFLs in his career.
- As has been the case each of the last three offseasons, North Texas underwent a complete roster overhaul as they added 70 new players to the roster including 52 transfer prospects.
- Despite the large amount of new players on the roster, UNT has a large contingent of players with significant playing experience. In total, 35 players on the roster have played in 20+ games in their career, 17 have appeared in 30+ games and two, DL **Davion Rhodes** (48) and LB **Aaron Alexander** (44), have seen action in 40+ games in their careers.
- Per Rotowire, UNT's average age of player on the roster of 21.01 makes it the second-oldest roster in FBS in 2026.

QUICK HITTERS

- In the last three offseasons North Texas has added at least 68 new players on its roster every year. In total, UNT added 70 new players in 2026, 68 in 2025 and 77 in 2024 for a total of 215 new players, the most of any FBS program in the nation in that span.
- Against UNLV, UNT was the first team to hold the Rebels to less than 20 points since Iowa St. held them to 3 points on Sept. 18, 2021. It snapped a streak of 36 straight games with 20+ points for UNLV, previously the longest streak in the country.
- Neal Brown takes over for former UNT head coach Eric Morris who left in December of 2025 to take the head coaching job at Oklahoma State. In addition, 20 former UNT players transferred to OSU including American Offensive Player of the Year Drew Mestemaker and Newcomer of the Year Caleb Hawkins.
- The Mean Green closed the 2025 season ranked as the No. 24 team in the nation in the final AP poll. It was the first time in program history the Mean Green ended the season as a ranked team.
- UNT scored 50+ points seven times in 2025, the most 50+ point games in FBS since Alabama in 2020.
- North Texas currently has a streak of four straight seasons with a player with at least 10+ receiving TDs joining Ohio State as one of only two FBS programs with that distinction.
- Since 2023, UNT has ranked inside the top six in FBS in total offense (2023-6th, 2024-3rd, 2025-1st), top 12 in passing (2023-12th, 2024-4th, 2025-2nd) and top 25 in scoring (2023-21st, 2024-23rd, 2025-1st).

TULSA SERIES HISTORY

- Tulsa leads the all-time series between the two programs 17-9, but the Mean Green have won each of the last three meetings including two since joining the American in 2023.
- After joining the league, UNT defeated Tulsa 52-20 at home in 2024 and 35-28 on the road in 2023.
- The Golden Hurricane created their edge in the series with 10 straight victories and winning 15 of 18 in the series from 1962-2011.
- In the last matchup in 2024, Chandler Morris threw for 439 yards and five touchdowns as UNT scored 45 straight points across the second and third quarters in a dominant 32-point win. WRs **Baron Tipton** and **Dalton Carnes** are the only two players still at UNT who appeared in the contest in 2024 against Tulsa.
- The last time the two teams played in Tulsa the Mean Green had a pair of 100-yard rushers in Oscar Adaway III (126 yards) and Ayo Adeyi (121 yards) to earn the seven-point victory.

ACTION JACKSON

- UCF transfer **Tayven Jackson** has had a strong start to his UNT career going 95 for 128 for 1,187 yards and six touchdowns through three games.
- Against Texas State, Jackson had a career game going 42 of 56 for 492 yards and three TDs. The 492 passing yards is the most by any QB in an FBS game this season and is the fourth-most in UNT history.
- Since 1995, Jackson became just the seventh QB in FBS history to have above a 75% completion percentage when throwing 55 or more passes and eclipsing 490 passing yards in a single game.
- Jackson currently ranks ninth in FBS in completion percentage (74.2%), 12th in completions per game (23.8), 12th in passing yards per game (296.8), and 13th in total offense (310.5).
- Jackson now has 31 games played and 20 starts in games at UNT, UCF, Indiana and Tennessee.
- In his career, Jackson is 399 of 612 (65.2%) for 4,638 yards, 22 TDs and 16 INTs. He has also rushed for 202 yards and nine touchdowns and has caught a receiving TD.
- Jackson comes from a line of athletes as his brother, Trayce Jackson-Davis, was a second round pick in the NBA Draft in 2023 and is currently a member of the Toronto Raptors. His father, Ray Jackson, meanwhile, played cornerback for Washington State and was a member of the 1998 Pac-10 champion and Rose Bowl team. He also played for four years in the NFL with the Panthers, Rams, and Chiefs.

“WHITE” LIGHTNING IN A BOTTLE

- Arguably the most notable add in the offseason was former Freshman All-American RB **Jahiem White** who spent three seasons as a productive back at West Virginia.
- In his career across 31 games, White amassed 2,182 yards and 21 touchdowns on the ground while also catching 46 passes for 405 yards and five scores through the air.
- White's impact has been immediately with 52 carries for 363 yards and seven touchdowns on the ground and also has 19 receptions for 143 yards and two TDs through the air. His nine total touchdowns trails only Florida's Jadan Baugh for the second-most in all of FBS.
- White is a proven big-play threat averaging 6.55 yards per carry in his career. Among active FBS RBs with 300+ carries, White ranks third in yards per rush attempt trailing only Isaac Brown (Louisville, 7.18 ypc) and Wayne Knight (UCLA, 6.67).
- In addition, White's 2,182 career rushing yards ranks 17th among active FBS running backs.
- White started the first two games of 2025 with the Mountaineers but was sidelined with a knee injury for the remainder of the season.
- The 2026 season sees White reunite with his former head coach Neal Brown as well as running backs coach Chad Scott. In two years together (2023-24) at WVU, the trio helped the Mountaineers rushing offense rank 27th in the nation in 2024 and third in the nation in 2023.

HEAD COACH NEAL BROWN

- Neal Brown is his first season at the helm of UNT football after spending the 2025 season as Special Assistant to Head Coach Steve Sarkisian at Texas.
- Prior to his time at Texas, Brown was the head coach for West Virginia from 2019-24 and held the same role at Troy from 2015-18.
- Brown holds a 74-53 overall record and has led his team to bowl appearances in seven of his first 10 seasons as a head coach and is 5-1 when coaching bowl games.
- In his head coaching career, Brown has coached seven NFL Draft Picks and 24 total players in the NFL.
- From 2015-18 at Troy, Brown coached the Trojans to a 35-16 overall record including a remarkable 31-8 mark from 2016-18. In that span, Brown's .794 winning percentage was the third highest in FBS, trailing only Alabama's Nick Saban and Clemson's Dabo Swinney.
- Brown, who will also call plays for the offense, has also served as the OC at Troy, Texas Tech and Kentucky.

EXPLOSIVE PLAYS HERE TO STAY

- North Texas has been one of the most explosive offenses in college football in the last five years under head coaches Neal Brown, Eric Morris and Seth Littrell.
- Since 2021, UNT trails only Ole Miss, USC, Georgia, Oregon and Ohio State with the sixth-most 10+ yard plays among all FBS programs in explosive plays in that span.
- Through three games, UNT has 77 plays of 10+ yards which is tied for the fourth-most in FBS. Of those 77 plays, 55 have come in the passing game which is the fifth-most in the country.
- Explosive plays have been a staple of Brown's offense as well. His WVU teams finished t-11th in 2024 and fourth in 2023 in 10+ yard rushing plays thanks in large part to White in the backfield who finished the 2023 season with nine 30+ yard rushes, tied for 16th-most in the nation.

	TEAM	10+ YARD PLAYS

VETERAN OFFENSIVE LINE

- Along the OL, UNT has five players who have played in 20+ career games led by starting C **Chandler Strong**.
- Strong, a former Freshman All-American, transferred to UNT after spending the 2022-25 seasons at Georgia Southern. He is the most experienced player on the OL for UNT with 36 career starts.
- Along with Strong, returning senior player **Keon Johnson** (29 GP), Texas transfer **Neto Umeozulu** (30 GP) and Missouri transfer **Johnny Williams IV** (25 GP) and have all played in at least 20 games in their careers.
- Along with those four, senior letterwinner **Dylan Shaw** along with junior **Willie Goodacre** have split time at left guard and neither has allowed a sack thus far this season.
- The veteran offensive line has been strong through three games, allowing just three sacks in four games.

CONTROL THE GAME

- UNT has a average time of possession of 33:16 through three weeks which ranks 16th in FBS.
- One of the main reasons for the strong start in the TOP battle has been UNT's offensive success on third down. The Mean Green are converting 54.9% of third downs, good for the eighth-best rate in the nation and the highest in the American.
- Against Texas State, UNT went 10 for 15 on third downs. It was the first time since Sept. 16, 2023 against LA Tech that North Texas converted on 10+ third downs in a game.
- UNT dominated time of possession in the season opener against Indiana, holding the ball for 37:22 while the Hoosiers had it for just 22:38.
- It was the first time in Head Coach Curt Cignetti's tenure at Indiana he has lost the time possession battle by 14+ minutes. In fact, Indiana was 10th in FBS in time of possession in 2025.
- The only other time a team has had 35+ minutes of time of possession against IU under Cignetti was Notre Dame with 35:43 of possession in the 2024 College Football Playoff.

SPREAD THE WEALTH

- The UNT passing attack is one of the most balanced attacks in college football. The Mean Green are one of just seven FBS teams that have nine players with five or more receptions this season.
- WRs **Justin Stevenson** (281) and **Corri Milliner** (276) rank fourth and fifth, respectively in the American in total receiving yards. Milliner has at least 65 receiving yards in every game this season while Stevenson has combined for 15 catches for 191 yards and a touchdown in his last two games.
- Against Texas State, three players (Stevenson, Milliner and White) all had at least seven receptions. It was the first time since 10/20/07 vs. Louisiana that UNT had 3+ players with 7+ catches (Casey Fitzgerald, Brock Sticker and Brandon Jackson). It is also the only time an FBS team has accomplished that feat this season.
- White has been a factor in the passing game as well, leading all FBS running backs in receptions (19) while ranking sixth in receiving yards (143) and tied for fourth in receiving touchdowns (2).
- TE **Max Reese** is also second among American tight ends in receiving yards (110) and receptions (9).
- In total, the UNT passing attack is one of the best in FBS ranking seventh nationally averaging 342.0 YPG.

POWLEDGE EFFECT

- **Matt Powledge** was hired as the Defensive Coordinator for the Mean Green after the 2023-25 seasons in the same role at Baylor.
- The impact of Powledge has been felt immediately as UNT ranks inside the top-20 in turnovers gained (17th, 7), red zone defense (18th, 71.4%), fumbles recovered (7th, 4), and defensive touchdowns (18th, 1).
- Powledge has been in a coordinator position every year since 2015, working as the Defensive Coordinator at Baylor and Oregon while also spending time as the Special Teams Coordinator from 2014-21 at Baylor, Louisiana, ULM and Sam Houston.
- In 2025, Powledge helped lead the Bears to the No. 33 ranked passing defense in FBS and was tied for 30th in the nation in defensive touchdowns.

LINEBACKER CORE

- The Mean Green brought in a wealth of talent in the LB room adding multiple players who have played in 20+ FBS games to the room in **Aaron Alexander**, **Zakye Barker** and **Cedric Roberts**.
- Alexander arrived at UNT after a productive 2025 season at Arkansas State that saw him rack up 91 tackles, 3.0 TFLs and an INT. He has played in 43 career games across time at UMass, Michigan State and Arkansas State and has 18 tackles and a force fumble through three games.
- Barker returned to the American after spending the 2025 season at SMU. Prior to playing for the Mustangs, Barker had a standout season at East Carolina in 2024 where he was a Second Team All-Conference player. Barker is the active career leader in tackles on the team with 160 across four seasons.
- Roberts also had a productive 2025 season at Alcorn State where he produced 72 tackles and 9.0 TFLs. He has made 25 appearances in his first three collegiate seasons with the Braves and Mean Green.
- In addition to the key transfers, returning sophomore **Brenden Reese** has seen an uptick in both playing time in production in his second season with the program. Reese had by-far his most impactful game of his career against UNLV with five tackles, 1.5 TFLs, a sack and a fumble recovery.

ROSTER TURNOVER

- In the last three offseasons North Texas has added at least 68 new players on its roster every year. In total, UNT added 70 new players in 2026, 68 in 2025 and 77 in 2024 for a total of 216 new players, the most of any FBS program in the nation in that span.
- North Texas' 70 new players and 52 transfer prospects both rank inside the top-five for most in FBS.
- Despite the turnover, UNT has a large contingent of players with significant playing experience. In total, 35 players on the roster have played in 20+ games in their career, 17 have appeared in 30+ games and two, DL **Davion Rhodes** (48) and LB **Aaron Alexander** (44), have seen action in 40+ games in their careers.
- Contrastingly, the roster features just two fourth-year players who have spent their entire careers at UNT in CB **Taylor Starling** and OL **Keon Johnson**.

RAN OVER THE REBELS

- UNT's first win of the year came in dominant 44-6 fashion over UNLV. The Mean Green won the turnover battle 4-0 and outgained the Rebels 444-301 in the win.
- UNT became the first team to hold UNLV to less than 20 points since Iowa State held them to 3 points on Sept. 18, 2021. It snapped a streak of 36 straight games with 20+ points for the Rebels, which was the longest active streak in the country.
- The Mean Green handed UNLV their worst regular season road loss by point margin since Week 1 of 2014, when they lost 58-13 at Arizona.
- It was also the first time UNT did not give up a touchdown against an FBS opponent since Sept. 21, 2019 in a 45-3 route of UTSA.
- The win was just the fifth time since 2000 where North Texas gave up less than seven points while forcing four or more turnovers. It also happened: 9/21/2019 vs. UTSA; 9/6/2014 vs. SMU; 10/30/2003 vs. Troy; and 10/28/2000 at Louisiana.

OLD HEADS

- UNT's average player age of 21.01 is the second-oldest roster in FBS in 2026 per Rotowire.
- The American Conference was heavily represented on the list with four of the top five teams on the list coming from the league, including UTSA who is listed as the "oldest" team in the country with an average age of 21.02.
- Across all teams, the American had an average age of 20.59, the oldest of every FBS league.
- The data from Rotowire assigns every player on each 2026 roster an age from their listed eligibility class on a redshirt-aware scale, using published ages where available.
- Just over half (53 of 105) of the UNT roster is listed as either a senior or a 5th year.

RUN THE DAMN BALL

- In his head coaching career Neal Brown has found success in the win/loss column when his teams run the ball effectively.
- Across 10 seasons as a head coach, Brown coached teams are 29-2 when rushing for over 200 yards and are 50-11 when rushing for 150+ yards. UNT rushed for 183 yards in the win over UNLV and 248 in the win over HCU. Conversely, when held to under 150 yards Brown teams hold a 23-42 record.
- In a similar fashion, in 2025 North Texas was 10-0 when running for 150+ yards and 2-2 when rushing for less than 150.

RELOAD, NOT REBUILD

- The 2026 season in its first year under head coach Neal Brown is an opportunity for the Mean Green to reload after a historic 2025 season.
- In 2025, UNT posted a school-best 12-2 overall record, advance to the American Conference Championship game and won the Isleta New Mexico Bowl for the program's first bowl win since 2013.
- The Mean Green closed 2025 as the No. 1 overall and No. 1 scoring offense in FBS while QB Drew Mestemaker led the nation in passing and RB Caleb Hawkins led the country in rushing touchdowns.
- UNT will have an opportunity to finish back-to-back seasons above .500 for the first time since 2017-18.

DEEP AT WIDE RECEIVER

- North Texas will have a myriad of players vying for playing time at the wide receiver position including returners **Dalton Carnes**, **Kyle Koch**, **Baron Tipton** and along with standout transfers **TJ Chukwurah**, **Josiah Martin**, **Corri Milliner**, **Grayson O'Bara**, **Justin Stevenson** and **James Tyre**.
- Stevenson has been the most productive WR for UNT so far this season with 19 receptions for 281 yards. The Utah transfer had a career day against Texas State with 10 catches for 122 yards to become one of just three players in the American to have a game with double-digit receptions this year.
- Milliner was the leading WR at UAB in 2025 through three games before injury. He has 17 catches for 276 yards and a TD through four games on the year.
- A transfer from Oklahoma, Martin has 11 catches for 161 yards this season.
- O'Bara had an extremely productive seasons at the FCS level with 44 receptions for 590 yards and a pair of scores at Dartmouth. He caught his first two passes of the season in the win over HCU.

NARROW MARGINS IN THE AMERICAN

- In the first 24 league games in the American for North Texas, nearly half (11) have been decided by one score (8 points or fewer).
- UNT 5-6 in those games after going 1-0 in one-score games in 2025, 2-2 in 2024 and 2-4 in 2023.

DOM THE BOMB

- Starting kicker **Dominic De Freitas** has had a solid start to his first season with the Mean Green going 6 for 9 on FGs and a perfect 20 for 20 on extra points.
- A transfer from App State, De Freitas has made 19 of his last 25 field goals dating back to Oct. 10, 2025 against Coastal Carolina.
- Through four games, De Freitas is tied for 25th in FBS with six made field goals.
- De Freitas was selected as a Third Team All-Sun Belt kicker at App State in 2025 after connecting on 21 of 27 field goals a season ago.

IN THE SECONDARY

- The North Texas secondary hit the transfer portal hard in the offseason bringing in A4 transfers **Cameren Jenkins** (Baylor), **Keshawn Davila** (Arkansas) and **Jaden Allen** (Arkansas).
- The Mean Green also added talent at other levels as well including **Peyton Taylor** (Emporia State), **Brandon Jones** (McNeese), **CJ Coombes** (Wofford).
- Coombes was a standout in the secondary at Wofford in both 2024 and 2025 where he started 17 total games. Coombes racked up 119 tackles, 6.0 TFLs, five PBUs and two INTs in his time with the Terriers. He leads the team and is second among American Conference safeties with 34 tackles this season.
- Jones is a staple at the safety position for UNT with 24 tackles and 3.0 TFLs in the first four games of the year. At Summer Creek High School, Jones was a pick-six machine in 2024 returning seven of his 10 INTs for touchdowns which set a national single-season pick-six record and was tabbed as "Mr. Pick-Six".
- Taylor was one of the most productive DII CBs in the nation in 2025 ranking 13th with 12 PBUs. He has eight tackles, a TFL and leads the team with a pair of PBUs through four games.
- Davila, who played all 12 games for Arkansas a season ago primarily on special teams, was the No. 2 ranked Juco player in the class of 2024 by On3 after two productive seasons at Northwest Mississippi CC. He registered his first FBS interception in the win over HCU.
- Playing alongside his brother, **BJ Allen Jr.**, Jaden Allen has been one of the most positive surprises for the UNT defense with 12 tackles this season. Allen also had a pick-six against HCU, the first pick six by a UNT player since Ridge Texada in 2022.

APP STATE SPECIALISTS

- In the offseason, UNT hired Special Teams Coordinator **Jeff Crosby** from App State and he brought along with him three special teams player who all figure to play a big role for the Mean Green.
- K **Dominic De Freitas**, P **Ian Ratliff** and LS **Jacob Poff** all transferred to UNT from App State with Crosby in the offseason and are all set to start at their respective positions.
- De Freitas, more affectionately known as "Dom the Bomb", was a Third Team All-Sun Belt selection as a freshman for the Mountaineers. He connected on 21 of 27 field goals and hit all 33 of his extra points in 2025 and has started hot for the Mean Green hitting six of his first nine field goals this season.
- Ratliff, meanwhile, averaged 43.8 yards per punt a season ago and had 50 punts downed inside the opponents' 20 yard line and seven punts of 50+ yards. He is averaging 40.1 yards per punt and has had two of his seven punts on the year downed inside the 20.

DEFENSIVE LINE BUILT WITH SIZE

- The 2026 UNT defensive line, much like the rest of the roster, is set to be dominated by transfer portal prospects including Cal transfer **Curlee Thomas IV**, Georgia Southern transfer **Davion Rhodes**, ECU transfer **Justin Benton**, Central Oklahoma transfer **Wesley Hudson**, UMass transfer **David Onuoha** and UTEP transfer **Udoka Ezeani**.
- Rhodes has been the most productive player in the group with 105 tackles, 21.0 TFLs and 6.0 sacks in his career with 36 starts. Rhodes was dominant in the win over HCU with two sacks and a forced fumble.
- Onuoha has had a strong start in a UNT jersey with 13 tackles, 2.5 TFL and 1.5 sacks through four games. The UMass transfer had 42 tackles, 4.5 TFL and 2.5 sacks in 2025 with the Minutemen.
- Ezeani is coming off a productive season in 2025 at UTEP that saw him rack up 46 tackles and was second on the team with 11.0 TFLs while starting 12 games along the defensive line.
- Benton is a space eater inside with 10 tackles and a fumble recovery so far this season.

FORMER FRESHMAN ALL-AMERICANS

- The North Texas roster features three players who earned Freshman All-American honors in their respective careers. RB **Jahiem White**, OL **Chandler Strong**, and CB **Caden Jenkins** all were recognized for stellar seasons in 2023.
- White, while playing at WVU, picked up honors from The Athletic, PFF and On3 after rushing for 842 yards and averaging 7.7 yards per carry in his first season in Morgantown.
- Strong also earned Second Team accolades from College Football News after starting all 13 games at center as a redshirt freshman at Georgia Southern and helped lead them to a bowl appearance.
- Jenkins, meanwhile, was named a Second Team honoree by The Athletic after producing 37 tackles, three interceptions, three PBUs and a fumble recovery in his first year at Baylor. He unfortunately was lost for the entire 2026 season due to injury in training camp.

GETTING IT DONE IN THE CLASSROOM

- The Mean Green excelled in the classroom in the Spring semester under Brown with a 3.345 team GPA, the highest spring semester GPA in program history.
- In total, five players on the roster were named to the President's List (4.0 GPA), 30 earned Dean's List honors (3.5-3.99) and 44 landed on the Honor Roll (3.0-3.49).
- The Spring marked the sixth consecutive semester with a team GPA over 3.0.
- Additionally, 15 players on the roster have already received their college degrees who are listed in the column on the left.

GONE BOWLING

- After making just seven bowl appearances from 1914-2012, UNT has now appeared in nine bowl games since 2013 and made eight appearances in the last 10 seasons.
- Since 2016, North Texas is one of just nine non-A4 programs to appear in at least eight bowls in the last 10 years and just one of two teams in the American (Memphis) with that claim.
- In that span, the Mean Green had previously lost each of their last seven bowl games but snapped the streak in 2025 with a 49-47 win over San Diego State in the Isleta New Mexico Bowl.

BROTHERLY LOVE

- The UNT secondary features a pair of brothers in S **BJ Allen Jr.** and CB **Jaden Allen** along with S **Cameron Jenkins** and CB **Caden Jenkins**.
- The Allen brothers both have arrived at UNT through different paths as BJ is set for his third season with the Mean Green after transferring from Texas in 2023 while Jaden joined the roster after spending the 2025 season at Arkansas.
- The Jenkins brothers, meanwhile, joined the Mean Green roster alongside DC Matt Powledge as the twin brothers both played at Baylor in 2024 and 2025.

UTILIZE THE TIGHT END

- UNT has a pair of effective tight ends in the passing and running game in **Max Reese** and **Brec Long**, both of whom rank inside the top six among American Conference TEs in receptions and receiving yards.
- Reese, a transfer from Mississippi State, has caught nine passes for 110 yards and a touchdown this season. He is coming off a career-best game with three catches for 70 yards against HCU and ranks second among American TEs in both receptions and receiving yards.
- Long, meanwhile, arrived at North Texas after spending 2025 at South Alabama. The senior has six catches for 60 yards and has multiple catches in three of four games for the Mean Green.
- In Reese and Long, UNT is one of just 17 FBS programs that has two TEs with 6+ receptions this year.

OH, CANADA

- Prior to the season running back **Nick Osho**, a product of Burnaby, British Columbia, Canada, was named the No. 3 rated CFL prospect in the 2027 prospect rankings from the CFL Scouting Bureau.
- Osho joined UNT in the offseason after spending the 2024 and 2025 season at Indiana State. Last season, Osho produced over 700 yards of total offense and nine touchdowns. He had five carries for 15 yards against Indiana to open the year.
- Osho joins former UNT LB Jaylen Smith who was ranked 20th in 2025 as one of two UNT players to be ranked in the top-20 in the last three years. Smith was later drafted 15th overall in the CFL Draft by the Winnipeg Blue Bombers where he has seen action in over 25 games in his first two seasons in the CFL.
- Much like Smith, Osho prepped at St. Thomas More in Canada prior to entering college.

MEAN GREEN FROM ALL OVER

- While the majority of the 2026 roster is from the state of Texas, the 2026 roster for UNT features players from a large contingent of states throughout the country.
- Of the 105 players on the roster, 65 hail from Texas while the remaining 40 arrived from outside the state. The 40 non-Texan players is the largest contingent of players from outside the state in program history. Despite this, UNT still has the 14th-largest percentage of players from its home state in the country.
- The largest portion of players from outside of the state come from Florida and Georgia who both have seven players on the 2026 roster. In addition, the Mean Green will also feature multiple players from Illinois (2), Indiana (2), New Jersey (2), Oklahoma (2) and Pennsylvania (3).
- The home-grown talent does originate from local places around UNT, however, with 40 of the 65 players from Texas coming from the Dallas-Fort Worth area.

ON THE NATIONAL STAGE

- The 2025 season put UNT on the national stage in a way never seen before in program history.
- After setting a new program best with seven games on linear TV in 2024, the Mean Green bested that in one year with 10 linear contests in 2025.
- The final home game of the 2025 season against Temple was the first regular season contest for North Texas on ESPN in program history. North Texas has played on ESPN 11 times in history and all 10 of the other contests were either bowl games or conference championship contests.
- UNT has played four home games on ESPN2 (Tulane and Army, 2024 | USF and Navy, 2025) in the last two seasons. The Mean Green had not had a Saturday home game on ESPN2 prior to the 2024 season.
- North Texas looks to continue the trend in 2026 as six of the seven announced TV broadcasts for the season are set to be on linear networks, including North Texas first ever appearance on Big Noon Kickoff against Indiana in week one.

STONE COLD CELEBRATION

- Starting in 2023, when the defense creates a turnover a “Stone Cold” celebration begins on the sidelines.
- In honor of WWE Superstar Steve Austin, who played linebacker and defensive end at North Texas in the 1980s, players bang together two bottles of water while holding a wrestling belt to mimic the famous celebration of “Stone Cold” Steve Austin.
- In the 2025 win over Army, a video of Keviyen Huddleston’s fumble recovery celebration generated over 10 million views on social media over the first 24 hours after posting. “And that’s the bottom line.”

SCORIGAMIS THIS SEASON

North Texas has already had three games end with a unique final score this season. Including 2025's results, UNT has done so in 10 of its last 18 games.

What is Scorigami?

Scorigami is the art of building final scores that have never happened before. Jon Bois developed the concept to find unique scored in NFL history. This chart was inspired by UCF, the first known FBS program to implement Scorigami to track the most common scores in program history.

How do I read this chart?

The winning team's score is along the top (horizontal axis) and the losing team's score is along the left (vertical axis). Scores marked in light green have happened, scores in white have not yet happened, scores in dark green are impossible. The bottom half is all dark green because the losing team can not score more points than the winning team. The number in the green square represents the amount of UNT games with that final score. Scores bordered in black are results from the 2025 season.

UNT at #6 INDIANA

Memorial Stadium • Bloomington, Ind.
Sept. 5, 2026 • Attendance: 54,493

POSTGAME NOTES

- The Mean Green loss gives the Hoosiers a series advantage of 2-1 all-time over UNT. The teams had split their previous two meetings, with UNT winning the first game at DATCU Stadium (then Apogee Stadium) in 2011, and the Hoosiers getting revenge in Bloomington in 2014.
- Prior to Saturday, UNT had faced the defending national champions four times but just one other time to open the season (at Texas in 2006). UNT is now 0-5 in those matchups, with the closest loss being a 37-10 defeat at the hands of Oklahoma in 2001.
- The Neal Brown era at North Texas began on Saturday against Indiana and head coach Curt Cignetti, and it marked the second time in Brown's career he's opened his tenure with a program with a game against a Cignetti-led squad. In 2019, Brown opened his tenure at West Virginia against then-FCS powerhouse James Madison and Cignetti, with Brown's squad scoring a 20-13 win over JMU.
- UNT's captains for the game were Zakye Barker and Chandler Strong.
- The Mean Green entered the season with 70 newcomers, which puts UNT at 215 new players over the past three seasons – good for the most in FBS in that time.
- UNT is one of two FBS teams in the country to return zero starters from 2025 – the other is Iowa State.
- The Mean Green have an average age of 21.01, which is the second-oldest roster in FBS behind American Conference foe UTSA.

POSTGAME NOTES

- The Mean Green win cuts the Mean Green deficit in the series with UNLV to 5-2. The only other win in the series for UNT was in the 2014 Heart of Dallas Bowl at the end of the 2013 season.
- UNT is now 8-2 mark in its last 10 home openers, and first-year head coach Neal Brown became the first UNT coach to win his home debut with the Mean Green since Darrell Dickey beat Nevada, 27-21, at Fouts Field in 1998.
- The 38-point margin of victory was the largest for UNT since another 38-point win when the Mean Green beat UTSA 55-17 on Oct. 18, 2025.
- It marked the first time since Sept. 21, 2019, when UNT beat UTSA 45-3, that the Mean Green didn't allow a touchdown to an FBS opponent.
- It was the first time since Sept. 6, 2014, that UNT didn't allow a touchdown to a non-conference FBS opponent when the Mean Green won 43-6 over SMU.
- The official temperature at kickoff was 100 degrees, which is the third hottest UNT home game in history.
- This game marked the second time Neal Brown and Dan Mullen have matched up as head coaches. The first was in Brown's first season at Troy (2015), on October 10, 2015, against Mullen's Mississippi State team. The Bulldogs won the game 45-17, in Starkville.
- UNT's captains for the game were Zakye Barker and Tayven Jackson.
