CHRIS BERGERON

MIAMI HEAD HOCKEY COACH

Dear Miami Hockey Family:

It is hard to put into words how excited my family and I are to return home to Oxford, Ohio! While there are many things to love about Miami University, there is nothing more special than the people that make this community great. Our hockey program will pride itself on representing you with great character and a relentless work ethic. We will work every day to make you proud both on and off of the ice.

Make no mistake that **YOU** are a part of our family. Since its inception in 1977, the Blue Line Club has been an integral part of our program's success. The club directly supports our program's needs and offers unique access to Miami Hockey.

I look forward to seeing you around campus, at the rink, and at Blue Line Club sponsored events this season. Thank you for your love, passion, and support!

Chris Bergeron '93
Head Hockey Coach
