ANTHONY NOREEN

Miami Hockey Head Coach

As the 2025-2026 Miami Hockey season begins, our players and staff are excited to tackle the work that lies ahead. Representing this program and its supporters is a privilege for all of us, and it is not something we take lightly.

We are grateful for your efforts and staunch support, and we look forward to making you proud in the future.

LETTER FROM THE BOARD PRESIDENT

Since 1977, the Blue Line Club has been an integral part of the Miami Hockey family and its success. The club directly supports the players and program needs by helping to fund player performance initiatives, including daily nutrition, advanced technology for performance analysis, and a life and culture coach to help student-athletes excel on and off the ice. In addition, funds will support supplemental scholarships for both the winter and summer terms.

As a member, you will gain access to the Miami Hockey program through special members-only events, where you will have the unique opportunity to interact with the players and coaching staff. Your membership will have a significant impact on the success of the program. Thank you for your unwavering support of Miami Hockey.

Ann Boggs Bader '81
