MIAMI UNIVERSITY, PLEASE

When referring to Miami, please use Miami University, Miami University (Ohio) or Miami (Ohio). Please do not use Miami of Ohio, University of Miami of Ohio, etc. The latter are not the proper names for our institution. Also, in 1997, the University began using its new nickname, the RedHawks. It is one word with a capital H. Thank you.

UNIQUE MATCHUP: Learn more about freshman forward/center Alan Horton in this Front Row Feature that details his basketball journey and how his family has helped him reach his goal of taking the floor at the highest level of college basketball. Alan is set to welcome his brother Logan Horton to Millett Hall this Wednesday, as Logan is a 6-foot-11 sophomore that plays center at Defiance College. Click here to read about his story!

IPSARO'S COMEBACK: Senior guard Evan Ipsaro sat down with MiamiRedHawks.com to discuss how he recovered from a season-ending injury last year and how he is ready to make a difference for the Red and White this season. Click here to listen to his story!

CAPTAINS: Senior forward Almar Atlason, senior guard Evan Ipsaro and junior guard Luke Skaljac will be the team's captains for the 2026-27 season.

In his first season with the Red and White, Atlason played in 34 games where he averaged 9.9 points, 2.5 rebounds and 1.1 assists. He scored a season-high 26 points after knocking down five triples at Ball State.

Ipsaro returns to the court this season after missing the final 22 games of the 2025-26 season due to injury. Prior to the injury, Ipsaro (a Lou Henson Award Early Season Watch list nominee) averaged 13.9 points, 3.2 assists, 2.4 rebounds and 1.3 steals.

Skaljac earned All-MAC Third Team honors after appearing in 32 games and starting in 21 games for the RedHawks in 2025-26. He produced a career-high 24 points versus Bowling Green and added a double-double (18 points and 10 assists) against Buffalo. Skaljac also recorded the most assists per game (4.7) for the RedHawks and finished the season ranking 64th in the country in assist/turnover ratio (2.57).

2025-26 REDHAWKS: Last season, Miami put together one of the most exceptional seasons in program history, as the RedHawks became just the fifth program this century (NCAA Division I) to go undefeated during regular-season play. The Red and White went on to set a program record with 32 wins (tying the MAC record for most wins in a single season), breaking the previous mark of 25 set a year earlier. Miami propelled into the Top 25 rankings for the first time since Feb. 15, 1999 and climbed as high as No. 19 as its winning streak grew, the team's highest ranking since March 13, 1978. The Red and White were also the first team since Indiana State (1978-79) to enter its conference tournament unbeaten after being unranked in the preseason AP poll.

The Red and White won the outright MAC regular-season championship for the program's first MAC title since 2005, became the first MAC team to earn an at-large bid to the NCAA Tournament since 1999 and defeated SMU in the First Four for the program's first NCAA Tournament win since 1999. The RedHawks set program records for the most consecutive home wins overall (31) and road wins overall (15). Miami secured the best start for a program in MAC history, the most consecutive conference wins in MAC history, and the longest win streak in MAC history. The RedHawks ended the year with a program-record 1,049 made field goals and scored a program-record 3,047 points while also setting new records for field goal percentage (51.7%) and most made free throws in a season (592).

Travis Steele was selected as the NABC Division I East District Coach of the Year, was named a Werner Ladder Naismith Men's College Coach of the Year Semifinalist, was a unanimous selection as MAC Coach of the Year and earned the title of John McLendon National Coach of the Year for his efforts during the 2025-26 season. Under his guidance, senior guard Peter Suder was named to the NABC Division I East District First Team, and redshirt sophomore wing Brant Byers was selected to the Second Team. Suder earned MAC Player of the Year and earned First-Team honors as well, while Byers received a spot on the All-MAC Second Team, Eian Elmer was selected to the All-MAC Second Team, Luke Skaljac was placed on the All-MAC Third Team and Antwone Woolfolk was recognized as All-MAC Honorable Mention. In March, Collegeinsider.com announced that Suder was a finalist for the 2025-26 Lou Henson Award, which is presented annually to the top mid-major player in college basketball.

2026-27 ROSTER: Miami returns 10 players and welcomes six newcomers this season. The RedHawks boast three freshmen, one redshirt freshman, five sophomores, one junior, four seniors, a redshirt senior and a fifth year.

During the offseason, Head Coach Travis Steele promoted Khristian Smith to Associate Head Coach and welcomed Andrew Dakich as an Assistant Coach. Smith joined Steele's program in May of 2022 as an assistant coach and has spent the past four years with the program. Dakich joins the RedHawks after spending the last four seasons on the coaching staff at Illinois State University.

Head Coach Travis Steele

Travis Steele enters his fifth season as head men's basketball coach at Miami University.

Last season, he put together one of the most exceptional seasons in program history, as the RedHawks became just the fifth program this century (NCAA Division I) to go undefeated during regular-season play. Miami went on to set a program record with 32 wins (tying the MAC record for most wins in a single season), breaking the previous mark of 25 set a year earlier. He propelled Miami into the Top 25 rankings for the first time since Feb. 15, 1999. Miami climbed as high as No. 19 as its winning streak grew, the team's highest ranking since March 13, 1978. By March, Miami was ranked No. 1 in the College Insider preseason Mid-Major Top 25®.

The Red and White won the outright MAC regular-season championship for the program's first MAC title since 2005, became the first MAC team to earn an at-large bid to the NCAA Tournament since 1999 and defeated SMU in the First Four for the program's first NCAA Tournament win since 1999. The RedHawks set program records for the most consecutive home wins overall (31) and road wins overall (15). Miami secured the best start for a program in MAC history, the most consecutive conference wins in MAC history, and the longest win streak in MAC history. The RedHawks ended the year with a program-record 1,049 made field goals and scored a program-record 3,047 points while also setting new records for field goal percentage (51.7%) and most made free throws in a season (592).

Steele was selected as the NABC Division I East District Coach of the Year, was named a Werner Ladder Naismith Men's College Coach of the Year Semifinalist, was a unanimous selection as MAC Coach of the Year and earned the title of John McLendon National Coach of the Year for his efforts during the 2025-26 season. Under his guidance, senior guard Peter Suder was named to the NABC Division I East District First Team and redshirt sophomore wing Brant Byers was selected to the Second Team. Suder earned MAC Player of the Year and earned First-Team honors as well, while Byers received a spot on the All-MAC Second Team, Eian Elmer was selected to the All-MAC Second Team, Luke Skaljac was placed on the All-MAC Third Team and Antwone Woolfolk was recognized as All-MAC Honorable Mention. In March, Collegeinsider.com announced that Suder was a finalist for the 2025-26 Lou Henson Award, which is presented annually to the top mid-major player in college basketball.

In Steele's third year, he led the Red and White to a new school record of 25 wins and finished the regular season with the program's most MAC wins (14-4) since 2005-06. As the No. 2 seed, the RedHawks reached their first MAC Tournament championship game since 2006-07. Miami increased its win total by 10 from the previous year, the largest single-season turnaround since 1983-84. Steele saw three of his players earn All-MAC honors, including Peter Suder, who received First-Team All-MAC honors (first RedHawk since 2012), and Brant Byers, who earned MAC Freshman of the Year (first since 2018).

In year two, Steele returned to the MAC Tournament for the second consecutive season as the RedHawks claimed the seventh seed. Miami won 15 games overall, its most since 2018-19, including nine conference victories (most since 2020-21). The RedHawks defeated two NCAA Tournament teams in the 2023-24 season and saw three players receive all-conference recognition (two All-MAC, one All-Freshman).

In his debut campaign, Steele led the RedHawks to a 12-20 season and a berth in the MAC Tournament quarterfinals as the No. 8 seed. The Red and White won four consecutive games in February to qualify for the postseason after being picked 11th in the preseason poll and produced three all-conference players (two All-MAC, one All-Freshman).

Steele became the 28th men's basketball head coach in Miami history on March 31, 2022 after completing a four-year stint as the head coach at rival Xavier University. He posted a 70-50 mark with Xavier and led the Musketeers to two postseason berths. In addition to recruiting two nationally-ranked classes among the top 20 as head coach, each of Steele's student-athletes graduated during his time at Xavier. As an assistant at XU, he also helped secure two top-10 nationally-ranked recruiting classes, made four NCAA Tournament appearances—twice advancing to the Sweet Sixteen—and won a conference championship.

Steele has coached at the high school, AAU, junior college and Division I levels. He has held nearly every role on a staff – from volunteer, to graduate assistant, to assistant coach, to video coordinator, to director of operations to head coach.

He was hired as the director of basketball operations at Xavier in 2008 before being elevated to assistant coach in 2009 and then associate head coach in 2015, and ultimately, head coach in 2018. Prior to Xavier, Steele worked on the staff at Indiana University. He joined the Hoosiers in August of 2006, taking on the duties of video coordinator. He also served as an assistant men's basketball coach at Wabash Valley College (2005-06) and spent a year with the Ohio State basketball program as a graduate manager (2004-05) under Thad Matta. He earned his undergraduate degree in business from Butler, where he graduated cum laude in marketing in 2004.

Steele, the brother of current College of Charleston head coach John Groce, was born Nov. 12, 1981 in Danville, Indiana. He and his wife Amanda reside in Cincinnati with their children, Aspen, Winston and Anderson.
