### SERIES NOTES

With the 92nd meeting today, Western State is Mines' oldest continuous opponent, having played every season (save the World War II years) since 1925. WSCU leads the series 51-38-2, but Mines has won eight of the last nine.

### WHAT'S IN A NAME?

Founded in 1874, Colorado School of Mines is Colorado's oldest public institution of higher education. If you'd like to call us simply Mines, that's fine with us (but not CSM, Colorado Mines, or School of Mines, please). Our teams are the Orediggers, and our mascots are Marvin the Miner and Blaster the Burro.

## After a double-overtime loss last week, #23 Mines looks to rebound on the road against Western State in the next chapter of Colorado's longest continuous football rivalry.

### WATCH US

Every remaining Mines game this season will be seen live online on the RMAC Network at [MinesAthletics.com/tv](http://MinesAthletics.com/tv). Archived games are available on demand any time as well.

### MINES CAPTAINS

Mines has named four captains for 2016: quarterback Justin Dvorak, left guard Hasan Shaar, defensive end Tommy Hoskins, and nose tackle Dallas Fields.

### WEEK 3 REWIND

#23 Colorado Mesa held off a furious comeback by #10 Colorado School of Mines, winning on a blocked extra point in double-overtime 41-40. Mesa's Dustin Rivas blocked what would've been the game-tying extra point in double overtime after Justin Dvorak scored on a diving scramble to the pylon. Dvorak engineered a two-touchdown comeback to send the game to overtime, compiling 485 yards and four touchdowns on 47-of-67 passing. Down 27-13 entering the fourth quarter, Mines used tough defense and big offensive plays to bridge the gap. Ty Young rose up for a superb one-handed touchdown catch to start the rally, and Brody Oliver finished off a drive with his second score of the game to tie it at 27-27. Mines missed a field goal from

42 that ended regulation; in overtime, Young caught a 19-yard touchdown to start things before David Tann's 14-yarder forced a second extra period. Mesa started off with Virnel Moon's 19-yard catch, and on Mines' turn, Dvorak scrambled out of a 4th-and-12 situation to hit the left pylon and scored. Rivas, however, blocked the extra point to win.

### IN THE POLLS

After the loss to Colorado Mesa, Mines fell to #23 in both the AFCA and D2football.com polls this week. Mines was #10 in the AFCA and #8 in the D2football.com poll last week.

### AIR VS. GROUND

Saturday's game will pit two of the nation's best offensive units, but in very different ways. Mines owns NCAA Division II's most potent passing attack, averaging 450.0 yards per game with 15 passing touchdowns, while Western State has D-II's 7th-ranked rushing offense at 284.3 yards per game. The good news for Mines? They have D-II's 10th-ranked rushing defense, allowing only 66.7 yards per game.

### DVORAK MAKES HARLON HILL TROPHY CASE

Mines quarterback Justin Dvorak has put up videogame numbers through the first quarter of the season, cementing himself as one of the top early Harlon Hill Trophy candidates for NCAA Division II's best player. Dvorak leads the nation in virtually every passing stat, including yards (1,311), touchdowns (15), completions per game (32.3), points responsible for (96), and total offense per game (452.3). Coincidentally, this weekend's game features two men who are arguably the favorites to be Super Region 4's Harlon Hill finalists in Dvorak and Western running back Austin Ekeler; Ekeler has rushed for 172 yards per

game and six touchdowns this season.

### LEADING THE WAY

Mines' impressive numbers to start the year have them at or near the top of the NCAA Division II statistical rankings. Mines leads the nation in passing offense at 450.0 yards per game and are fourth in scoring (50.3), fourth in total offense (565.7), eighth in tackles for loss allowed (3.0 per game), and third in sacks (5.0).

### DVORAK BREAKS RECORDS

Three games, three career records broken for Justin Dvorak. After breaking the Mines passing touchdowns record in week 1 and the completions record in week 2, Dvorak surpassed former Harlon Hill Trophy winner Chad Frieheauf as Mines' all-time passing yards leader last week, and now has 10,193 for his career. Dvorak is now four touchdowns away from the 100 milestone, and 13 passing attempts away from that Mines record.

### OLIVER LEADS D-II

Brody Oliver leads NCAA Division II with seven receiving touchdowns this season, having caught multiple TDs in each of the last two games. Oliver has had at least 100 yards receiving and a touchdown in all three games this season, including 119 yards and two scores last week and 164 yards and four TDs at New Mexico Highlands. His yardage total of 385 ranks ninth in D-II.

### YOUNG CROSSES 2K

Senior wide receiver Ty Young surpassed 2,000 career yards in last week's game at NMHU, and is Mines' active leader in every receiving category with 147 catches, 2,148 yards, and 18 touchdowns. Young has at least four catches and 90+ yards in each of the first three games this season, including two TDs last week against Mesa on a season-high 12 receptions.

### PRECIOUS CARGO

Mines' offensive line, which has four returning all-RMAC starters from 2015, has been outstanding this season as expected. The Mines starters have allowed three sacks in three games, and the Orediggers have given up only 19 sacks in 14 games dating back to the start of last season. Already this season, Mines has allowed the eighth-fewest tackles for loss in NCAA Division II with only nine across three games.

### BOTTLED LIGHTNING

25. 35. 28. 59. 31. 16. 9. 45. Don't worry, it isn't a math riddle. That's the length, in seconds, of eight different Mines scoring drives this season that have lasted less than a minute. The Orediggers have been lightning fast on offense, averaging an incredible 1:46 per scoring drive this season (19 drives). That includes seven of less than a minute and only seven over two minutes in length.

### SACK HAPPY

Mines' defense has produced 15 sacks in three games, ranking third in the nation in that category. Matthew King (3.5), Michael Kelso (3.0), and Chris Brockman (2.5) lead the team with nine different Orediggers getting hits on opposing QBs this season.

### MAKING THE MOST OF IT

If you're looking for efficiency on defense, you could do worse than Mines' Matthew King. The lineman has five tackles this season, and what he's done with them has been spectacular: four of the five are for a loss, and he recorded 3.5 sacks last week against Colorado Mesa. That's the second-most sacks ever in a game for Mines and only a half-sack off the program single-game record.

### GOOD POINT

### MINES WINS IN THE CLASSROOM

### SCOUTING WESTERN STATE

Western State is 2-1, led by reigning RMAC Offensive Player of the Week Austin Ekeler, who ran for 283 yards a week ago against Chadron State. Quarterback has been a question mark for Western State with starter Brett Arrivey hurt earlier this season and backups Spencer Shook and Cameron Shumway combining for 7-of-15 passing with three interceptions and no touchdowns. The Western offense relies heavily on the ground game, averaging 284.3 yards rushing to only 129 yards passing per game. Defensively, Western State has been very solid, allowing 24.6 points and 366.3 yards of offense per game. Cade Wasser and Carter Wasser lead the team with 27 and 23 tackles, respectively.

### NEXT TIME

The Orediggers visit Fort Lewis next Saturday for a noon kickoff.

 @greggbrandon1

Full Bio: [minesathletics.com/greggbrandon](http://minesathletics.com/greggbrandon)

Gregg Brandon was introduced as the Colorado School of Mines head football coach on Dec. 30, 2014, and completed his first season in 2015. Last year, Mines went 8-3 and earned its highest national ranking since 2014, entering the top 10 early in the season. Brandon came from New Mexico State (OC/QB) with more than 30 years of coaching experience under his belt. A six-year stay as head coach at Bowling Green included three bowl appearances, the 2003 Motor City and 2004 GMAC Bowl titles, and a top-25 BCS ranking. Brandon coached under Urban Meyer as BGU's assistant head coach and offensive coordinator prior to that. He has helped lead nine teams to bowl appearances in his career, including an appearance in the 1995 Rose Bowl with Northwestern. A native of Colorado Springs, Brandon played at Mesa State in 1974 before transferring to Northern Colorado as a defensive back and wide receiver.

## ABOUT MARV KAY

Marv Kay's dedication to Mines is unparalleled. As a student-athlete, graduate, coach, administrator - heck, he was even mayor of Golden - you would be hard-pressed to find someone who has made such an impact on the Mines campus and the Golden community as Marv Kay. A Mines and RMAC Hall of Famer, Kay was head football coach from 1969 to 1994 and director of athletics from 1995 to 2004. He continues to work as a fundraiser for the Mines Foundation. He wrestled and played football at Mines, and his father was an all-American football player for Mines as well.
