

## Camp Hold Harmless Agreement

### Policy:

The following hold harmless agreement needs to be included on every camp brochure operated by a member of the Western coaching staff. Our institutional attorney made the following suggestion:

In consideration of participation of my child in this program, I agree, on behalf of myself, my assigns, executors, and heirs, to release and hold harmless the Missouri Western State University administration and their trustees, officers, employees, and agents from any and all liability, damage, or claim of any nature whatsoever arising out of my child's participation.

By signing this application, the undersigned understands and agrees that they are responsible for any medical expenses or damages and that the University has no liability for injuries to the participant.
