MIAA/MWSU SCHOOL INFORMATION

The Mid-America Intercollegiate Athletics Association, an 11-member conference of NCAA Division II institutions in Missouri, Kansas and Nebraska, was first organized in 1912 as the Missouri Intercollegiate Athletic Association.

Over the past 95 years, the MIAA has gained the reputation of being one of the top NCAA Division II conferences in the nation. MIAA student-athletes have won 12 NCAA team championships and, since 1964, 153 individual national titles. The MIAA currently conducts championships in eight sports for men and eight for women.

For the men, champions are crowned in football, cross country, basketball, indoor and outdoor track & field, baseball, tennis and golf. The women compete for titles in volleyball, cross country, soccer, basketball, indoor and outdoor track & field, softball, golf and tennis.

The current membership of the MIAA is at 11 schools, with the departure of Missouri-St. Louis in 1996 and Missouri-Rolla in 2005, the forfeiture of membership by Lincoln in 1999 and the addition of Fort Hays State University in 2006 and the University of Nebraska-Omaha in 2008.

Your advisor will put you in the best position to graduate as well as line up valuable applied learning and research opportunities. In addition, the Western Athletics Department has its own compliance and academic coordinator who serves as a direct liaison between the student-athlete and academic faculty to ensure each athlete has the resources they need to succeed.

In addition to these services, students have access to online assistance, Supplemental Instruction (SI), and workshops sponsored by the center.

President Vartabedian and AD Dave Williams

President Dr. Robert A. Vartabedian

Dr. Robert Vartabedian became the fourth president since 1969 beginning his tenure on July 1, 2008. Dr. Vartabedian succeeded Dr. James Scanlon, who officially retired June 30, 2008, after serving as president for seven years.

Dr. Vartabedian served as vice president for academic affairs at Eastern New Mexico University (ENMU) in Portales, N.M., since 2005. In that role, he was chief academic officer for a university with a total enrollment of about 9,500. He oversaw re-accreditation efforts in six departments. The university's 2007 evaluation by the Higher Learning Commission/North Central Association was accepted without any deficiencies and was showcased as a model application.

Dr. Vartabedian was dean of the College of Arts and Sciences at Western Carolina University in Cullowhee, N.C. from 1999 to 2005, serving eight months as interim vice chancellor for academic affairs in 2004. As dean, he oversaw 14 academic departments and four centers. As interim vice chancellor, he was the chief administrator for all academic programs for the 8,400 students enrolled.

Both ENMU and Western Carolina created several new academic programs under Dr. Vartabedian's leadership. He has overseen building renovation projects at ENMU for science, technology and music and five major building projects at Western Carolina totaling \$60 million, including a \$30 million Fine and Performing Arts Center.

Dr. Vartabedian graduated magna cum laude with a bachelor of arts in speech communication from California State University, Fresno, Calif. in 1974. He received a master of arts in speech communication from Wichita State University, and a doctorate in communication from the University of Oklahoma. He and his wife, Dr. Laurel Vartabedian, have two children: Rob, and daughter-in-law, Audrey, of Amarillo, Texas and Sarah, of Austin, Texas.

Since coming to Western, Dr. Vartabedian has taken on a campus outdoor project, including three new pond fountains and building and entrance signage. He was also one of the campus team members to secure the Kansas City Chiefs training camp at Western beginning in summer 2010 and a new indoor sports and recreation facility that is currently under construction.

Athletics Director David Williams

Dave Williams became MWSU's fifth Athletics Director in March 2008. He is a graduate of Augustana College in Rock Island, Ill., with a degree in Education. He earned a master's degree in Educational Administration from North Dakota State University. Williams was an assistant basketball coach at North Dakota State and later served as the top assistant basketball coach at University of Wisconsin-Parkside. In addition, Williams was the head men's golf coach at Parkside prior to accepting the Athletics Director position at Parkside in January of 2001.

In August of 2006, Williams was elected as president of the Division II Athletics Directors Association (DII ADA) for 2006-07.

Williams has hit the ground running at Missouri Western, with many facility improvements on the horizon including improvements to the visitor side of Spratt Stadium, an indoor training facility, and a new spring sports complex which will include new baseball and softball fields. Williams was part of the leadership team that secured the Kansas City Chiefs summer training camp at Western.

During his tenure at Parkside, Ranger athletics enjoyed a plethora of successes. Under Williams' administration, 12 of 15 Ranger sports qualified for NCAA post-season appearances. Parkside teams won 10 Great Lakes Valley Conference (14 institutions) championships in six different sports. Numerous All-Americans and Academic All-Americans emerged.

In fact, the grade point average of the Parkside student-athletes has been consistently higher than the student body at large. Parkside student-athletes routinely exceeded the 3.0 GPA mark each semester.

Williams lured a number of high-profile events to the Parkside campus including the NCAA Division I fencing national championship and the NCAA Division II national wrestling championship. The NAIA national cross country championship is a staple on Parkside's cross country course as is the Footlocker Regional Championships. In addition, Parkside has hosted a multitude of conference and regional championships in several sports.
