A New Facility to Call Home

June 29, 2009 is a day that will forever be remembered in Missouri Western and the City of St. Joseph's history as ground broke on a new \$10.3 million indoor practice facility that will serve as the new summer training camp home of the Kansas City Chiefs and house new office space, locker room, training room, weight room and meeting rooms for Griffon Athletics as well as many recreational opportunities for the St. Joseph community.

The facility floor plan as shown above includes a full size artificial football surface, 13 coaches offices, meeting rooms, a theater-style lecture hall, new locker room for the Griffon football team, weight room, training room and equipment storage space. The field will run north/south with the support building located on the north end of the facility.

These views show the exterior of the facility from the east and south side. Construction on the 118,000 square-foot facility is set for completion on July 5, 2010. To keep up with the latest on all construction news including a live webcam, visit the official website of Griffon Athletics at www.gogriffons.com/construction.asp.

Missouri Western student-athletes get involved with the community in many way. During the 2008-09 academic year, Griffon softball players were involved in many endeavors including the following: United Way Day at Spratt Stadium, Griffs Giving Gifts, The Mayor's Thanksgiving Dinner and Night Out on the Griffs.

Members of the women's softball team are also email buddies with various students around the area. As a mentorship program, this allows the student athletes a chance to bond with young girls who need a positive role model to look up to.

The softball team also partnered up with the YWCA Healthy Choices program, a group for area middle school students where they learn about making the right choices on every-

thing in life. The softball team spent a day with the group discussing life lessons they have learned, and also helped raise funds to support the program through the Walk for Women's Athletics.

The Griffon Student-Athlete Advisory Committee also gets involved in the community as they take part in several service projects through the

year including "Griffs Giving Gifts" and "Night Out on the Griffs."

The Mid-America Intercollegiate Athletics Association (MIAA), an 11-member conference of NCAA Division II institutions in Missouri, Kansas and Nebraska, was first organized in 1912 as the Missouri Intercollegiate Athletic Association.

Over the past 96 years, the MIAA has gained the reputation of being one of the top NCAA Division II conferences in the nation. MIAA student-athletes have won 12 NCAA team championships and, since 1964, 153 individual national titles. The MIAA currently conducts championships in eight sports for men and eight for women.

For the men, champions are crowned in football, cross country, basketball, indoor and outdoor track & field, baseball, tennis and golf. The women compete for titles in volleyball, cross country, soccer, basketball, indoor and outdoor track & field, softball, golf and tennis.

The MIAA turned a new page on July 1, 1992, when the NCAA Division II conference changed its name from the Missouri Intercollegiate Athletic Association to the Mid-America Intercollegiate Athletics Association.

The decision to make the change originated in 1989, when Pittsburg State University and Washburn University became the first schools outside the state of Missouri to gain membership in the MIAA.

The conference was first organized in 1912 with 14 member institutions. Of those original members, the University of Central Missouri, Truman State University, and Northwest Missouri State University still remain a part of the MIAA.

The first change in membership came in 1924, when the MIAA reorganized to include only the five regional Missouri state colleges: Central, Truman (at the time known as Northeast Missouri State), Northwest, Southeast Missouri State University and Southwest Missouri State University (now Missouri State).

Over the next 56 years, three schools joined the membership: the Missouri School of Mines (later the University of Missouri-Rolla) in 1935, Lincoln University in 1970, and the University of Missouri-St. Louis in 1980.

The 1980s brought the biggest changes in the conference. In 1981, Southwest Missouri State University opted to move to NCAA Division I and the MIAA appointed its first full-time commissioner, Ken Jones, in July.

He would be in the position for 16 years, retiring in 1997. Former Gulf South and Metro commissioner Ralph McFillen succeeded Jones, serving 10 years before his retirement in 2007. Jim Johnson succeeded McFillen in July of that year.

Southwest Baptist University brought membership back to eight schools in 1986, before the major expansion of the conference in 1989. Pittsburg State, Washburn, Missouri Southern State College (now University) and Missouri Western State College (now University) formerly members of the Central States Intercollegiate Conference began competition in the 1989-90 season.

Southeast Missouri State left the MIAA following the 1990-91 season to move on to NCAA Division I, and was replaced by Emporia State University in the 1991-92 season.

In August 1991, Judy Willson was hired as the MIAA's first full-time sports information director. She left in 1994, and was succeeded by Matt Newbery, who worked in that role until this past summer when the MIAA's newest staff member Kellen Coleman was hired as Assistant to the Commissioner for Media Relations. A third full-time staff member was added in 2005, as former Emporia State track and field athlete Natasha Oakes was hired as the assistant to the commissioner for compliance. Larry House joined the staff in August 2007 as coordinator of external affairs.

The current membership of the MIAA is at 11 schools, with the departure of Missouri-St. Louis in 1996 and Missouri-Rolla in 2005, the forfeiture of membership by Lincoln in 1999 and the addition of Fort Hays State University in 2006 and the University of Nebraska-Omaha in 2008. Lincoln will rejoin the league next season.

President Vartabedian and AD Dave Williams

President Dr. Robert A. Vartabedian

Dr. Robert Vartabedian became the fourth president since 1969 beginning his tenure on July 1, 2008. Dr. Vartabedian succeeded Dr. James Scanlon, who officially retired June 30, 2008, after serving as president for seven years.

Dr. Vartabedian served as vice president for academic affairs at Eastern New Mexico University (ENMU) in Portales, N.M., since 2005. In that role, he was chief academic officer for a university with a total enrollment of about 9,500. He oversaw re-accreditation efforts in six departments. The university's 2007 evaluation by the Higher Learning Commission/North Central Association was accepted without any deficiencies and was showcased as a model application.

Dr. Vartabedian was dean of the College of Arts and Sciences at Western Carolina University in Cullowhee, N.C. from 1999 to 2005, serving eight months as interim vice chancellor for academic affairs in 2004. As dean, he oversaw 14 academic departments and four centers. As interim vice chancellor, he was the chief administrator for all academic programs for the 8,400 students enrolled.

Both ENMU and Western Carolina created several new academic programs under Dr. Vartabedian's leadership. He has overseen building renovation projects at ENMU for science, technology and music and five major building projects at Western Carolina totaling \$60 million, including a \$30 million Fine and Performing Arts Center.

Dr. Vartabedian graduated magna cum laude with a bachelor of arts in speech communication from California State University, Fresno, Calif. in 1974. He received a master of arts in speech communication from Wichita State University, and a doctorate in communication from the University of Oklahoma. He and his wife, Dr. Laurel Vartabedian, have two children: Rob, and daughter-in-law, Audrey, of Amarillo, Texas and Sarah, of Austin, Texas.

Since coming to Western, Dr. Vartabedian has taken on a campus outdoor project, including three new pond fountains and building and entrance signage. He was also one of the campus team members to secure the Kansas City Chiefs training camp at Western beginning in summer 2010 and a new indoor sports and recreation facility that is currently under construction.

Athletics Director David Williams

Dave Williams became MWSU's fifth Athletics Director in March 2008. He is a graduate of Augustana College in Rock Island, Ill., with a degree in Education. He earned a master's degree in Educational Administration from North Dakota State University. Williams was an assistant basketball coach at North Dakota State and later served as the top assistant basketball coach at University of Wisconsin-Parkside. In addition, Williams was the head men's golf coach at Parkside prior to accepting the Athletics Director position at Parkside in January of 2001.

In August of 2006, Williams was elected as president of the Division II Athletics Directors Association (DII ADA) for 2006-07.

Williams has hit the ground running at Missouri Western, with many facility improvements on the horizon including improvements to the visitor side of Spratt Stadium, an indoor training facility, and a new spring sports complex which will include new baseball and softball fields. Williams was part of the leadership team that secured the Kansas City Chiefs summer training camp at Western.

During his tenure at Parkside, Ranger athletics enjoyed a plethora of successes. Under Williams' administration, 12 of 15 Ranger sports qualified for NCAA post-season appearances. Parkside teams won 10 Great Lakes Valley Conference (14 institutions) championships in six different sports. Numerous All-Americans and Academic All-Americans emerged.

In fact, the grade point average of the Parkside student-athletes has been consistently higher than the student body at large. Parkside student-athletes routinely exceeded the 3.0 GPA mark each semester.

Williams lured a number of high-profile events to the Parkside campus including the NCAA Division I fencing national championship and the NCAA Division II national wrestling championship. The NAIA national cross country championship is a staple on Parkside's cross country course as is the Footlocker Regional Championships. In addition, Parkside has hosted a multitude of conference and regional championships in several sports.

Williams and his wife, Suzanne, live in St. Joseph with their children Cooper, Carter, and Caden.
