LEADING OFF

In what could shape up to be one of the key Missouri Valley Conference series of the 2017 series, the **Missouri State Bears** will square off with the defending Valley champion and preseason favorite **Dallas Baptist Patriots** in a three-game set this weekend at Hammons Field. The Bears and Patriots will open the series with a 6:30 p.m. game Friday (April 7), before meeting again Saturday (2 p.m.) and Sunday (1 p.m.) to conclude the series.

Missouri State (18-10, 3-0 MVC) secured its fifth consecutive home regular-season series sweep of Bradley to open Valley play last weekend. Additionally, the Bears' series win marked their ninth in the last 12 Valley-opening series. After dropping a 4-2 Tuesday contest to Kansas, the Bears are 3-2 on their current nine-game home stand.

Dallas Baptist (18-10, 3-0 MVC) also locked up an opening-weekend sweep to start its MVC season, taking three straight from Illinois State in Dallas. Camden Duzenack's three-run homer helped lift 10th-year head coach Dan Heefner's club to a come-from-behind win over the Redbirds in the opener, before DBU put up 21 combined runs over the final two games to complete the sweep.

SERIES HISTORY

Dallas Baptist brings a 15-9 edge in the all-time series with MSU into this weekend's action. Since the beginning of the 2014 season, the Bears and Patriots have engaged in 12 contests decided by two runs or less. Last year, two of the four games played in the series were either one-run or two-run affairs, as have been 17 of the 24 games overall in the series.

DBU claimed two of the clubs' three regular-season meetings in Dallas last spring, before walking off with a 4-3 victory over the Bears in a 12-inning title game at the MVC Championship in Terre Haute. The Bears limited the Patriots to a .240 batting mark in the season series, including a pair of strong outings from **Jake Fromson**, who fanned nine and allowed just one run over 8 1/3 combined innings. But DBU used some timely hitting to earn its three wins, as the Patriots hit .306 with runners in scoring position and cashed in on 13 of 16 scoring chances with runners on third and less than two out.

QUALITY AND QUANTITY

The Bears' starting rotation has put together an impressive stretch over the last two weeks with seven quality starts in MSU's last 11 games. Midweek starter **Austin Knight** and each member of the Bears' weekend rotation consisting of **Jordan Knutson**, **Dylan Coleman** and **Doug Still** completed at least six innings without allowing more than three earned runs the week of March 27-April 2. After posting just 16 quality starts as a staff in 2016, the Bears have already logged 14 through the first half of the regular season this spring.

Missouri State's pitching staff has played an integral role in the Bears' non-conference success this spring. The Bears' bullpen has been nearly untouchable through the first 28 games of the season, combining to allow just 16 earned runs (1.59 ERA) while striking out 108 batters and holding the opposition to a .175 batting mark in 90.2 innings. In all, nine different relievers have teamed up to lock down the late innings, as MSU has outscored the opposition by a whopping 82-27 margin from the sixth inning on this season.

MSU's rotation has been strong as well, combining to fashion a 3.30 ERA and a .237 opponent batting average. **Jordan Knutson** leads the staff with four wins and has logged five quality starts and five different outings of at least 7.0 innings in his seven starts. MSU completed the first string of three consecutive shutouts in school history, Feb. 26-March 3, when the Bears blanked Middle Tennessee (5-0), Arkansas State (13-0) and Central Arkansas (5-0) as part of their eight-game win streak. A total of four different MSU starters and five relievers have combined on shutouts so far this season.

FAST STARTS FREQUENT IN VALLEY PLAY

With their three-game sweep of Bradley to open MVC play, the Bears have now won 11 of their last 12 Valley openers and claimed nine of their last 12 MVC-opening series. Additionally, MSU is a combined 24-9 in its opening conference series since 2006. This year marks the 10th time the Bears have started a Valley season with three straight wins. They have gone on to finish first or second in the league race in seven of the previous nine seasons in which they have started 3-0 in MVC play.

Missouri State also continued its recent string of success against Bradley with its three-game sweep. The Bears have recorded sweeps of the Braves in each of their last five regular-season series at Hammons Field dating back to 2009. MSU has won 17 of the last 20 meetings overall in the series since 2012.

BURGER, KNIGHT SWEEP MVC HONORS

After playing key roles in a pair of Missouri State victories, **Jake Burger** and **Austin Knight** earned a clean sweep of the Missouri Valley Conference weekly honors for the period of March 20-26.

Burger heated up at the plate to help the Bears to a split of their four games on the week, hitting .588 (10-for-17) with five RBIs overall. He logged multi-hit games in all four contests and drove in two runs in both of Missouri State's victories. In Friday's series opener with Central Michigan, Burger went 3-for-5 with a pair of RBIs, before gashing the Chippewas for three more hits in the nightcap of the doubleheader. In the series finale, he added two more hits to extend his career-best hit streak to 14 games.

Knight turned in seven shutout innings to help Missouri State snap a two-game losing streak with a 7-2 non-conference victory over New Orleans. The junior right-hander scattered five hits over his 7.0 innings and worked his way out of trouble in three consecutive innings after the Privateers put their first two hitters aboard. Knight kept the visitors at bay by inducing three double-play balls en route to picking up his second victory of the season.

SIXTH SENSE

The Bears continued a recent trend of sixth-inning dominance last week, posting sixth-inning tallies in two of their three wins over Bradley. For the season, the Bears have outscored their opponents by a combined 32-3 margin in the sixth, finally allowing their first sixth-inning runs of the season in a March 19 setback to Memphis.

MSU has tallied at least one sixth-inning run in 14 of its 28 games to date, going 10-4 in those contests. **Jake Burger** has been particularly lethal in the sixth this season, going 8-for-13 with five of his 11 homers and 11 RBIs.

POWERING UP AGAIN

After the MSU duo of Spencer Johnson and **Jake Burger** teamed up to post the top combined home run total in Division I baseball last spring, the Bears can boast the top 1-2 power punch in the nation again this season. Burger is once again a key component in the middle of the MSU order with a Valley-best 11 long balls to date, while sophomore shortstop **Jeremy Eierman** is right on his heels with 10 round-trippers after belting three homers in MSU's sweep of Bradley last weekend. Burger's game-winning, two-run blast last Friday moved the junior into the Bears' career top 10 for homers and his sixth-inning homer in Saturday's win — the 36th of his career — vaulted him into a tie with Matt Gardner for the No. 9 position on the chart. Additionally, he reached double figures for home runs in his 25th game of the season, which ranked as the sixth-quickest for any Bear. Eierman accomplished the feat in 26 games, good for the No. 7 spot on the list.

YOUNG TOPS MSU SAVES LIST

Missouri State closer **Bryan Young** was one of 60 players named to the National Collegiate Baseball Writers Association's initial watch list for its 2017 Stopper of the Year Award, given annually to the top relief pitchers in NCAA Division I baseball.

A 2017 preseason All-Missouri Valley Conference selection, Young is coming off one of the more dominant two-year stretches ever produced by a Bears reliever. He became Missouri State's 10th first-team All-American after setting a school record with 16 saves in 2015. The right-hander led the MVC and ranked third nationally in saves, while logging a perfect 7-0 record and a 1.30 earned run average. The MSU closer earned first-team All-America recognition from the NCBWA, as well as third-team honors from both *Perfect Game* and *Collegiate Baseball* at the conclusion of the season.

Young, who was one of five finalists for the 2015 NCBWA Stopper of the Year Award, picked up right where he left off as a sophomore, logging a 1.31 earned run average, while saving 11 games in his 24 mound appearances last season. The Kansas City, Mo., native owns the MSU career saves record with 30, ranks fourth among all active Division I pitchers for both career saves and ERA (1.64).

EIERMAN HONORED AGAIN

Sophomore shortstop **Jeremy Eierman** was chosen by *Collegiate Baseball Newspaper* as one of its national players of the week on March 6, after the Bears' shortstop homered in three straight games to help the Bears sweep Central Arkansas and extend their season-best win streak to eight games.

Eierman, who was also named Missouri Valley Conference Player of the Week for the second time in 2017, powered the Missouri State offense as part of a perfect 4-0 week, upping his season home run total to six, while hitting .400 in MSU's three-game series with UCA. The Warsaw, Mo., product slugged 1.000, scored eight runs and drove home six more in the Bears' four games. Eierman scored three times and drove in a pair of runs in a 13-0 win at Arkansas State (March 1) before opening the scoring with homers in each of the Bears' first two games of their sweep of Central Arkansas.

CARDIAC CUBS

The Bears rallied for comeback wins in each of their three victories over Bradley last weekend. Missouri State's win Sunday marked its 49th comeback victory since the start of the 2015 season. Last year, the Bears posted 17 comeback wins, on the heels of a 2015 season that saw them claim victory in 24 such contests.

MSU rallied from its biggest deficit in nearly six years last March vs. Arkansas State, coming all the way back from a 5-0 hole to defeat the Red Wolves by a 15-11 final tally. The Bears' last come-from-behind win after trailing by five runs occurred on May 26, 2010, when MSU overcame a 7-2 deficit against Southern Illinois at the MVC Championship in Wichita. MSU was particularly resilient in MVC play in 2015, capturing eight of their 18 conference victories in comeback fashion.

LIFTING THE LID

With its 12-1 win over Rhode Island, Missouri State is now 23-12 in season openers under head coach **Keith Guttin** and 35-19 overall in such affairs. The Bears' big win over the preseason Atlantic 10 Conference favorite marked their fifth-consecutive opening day victory. Additionally, MSU's 12 runs matched their 2016 opening day offensive output as its best since the 2004 season opener (13 runs vs. Little Rock). The Bears have employed a potent offensive attack in recent years, totaling 41 runs in their last four season debuts.

MMM...THIS IS A TASTY BURGER!

The preseason conversation surrounding the Bears has centered on the man at the hot corner with the chance to become the latest in Missouri State's long line of premium professional prospects as the 2017 MLB Draft moves into focus. Adding to an already impressive list of accolades, junior third baseman **Jake Burger** was one of 15 players selected by *Baseball America* for 2017 first-team preseason All-America honors, which are selected by big league scouting directors based on performance, talent and professional potential.

Burger, a consensus All-America choice in 2016, was named to USA Baseball's Golden Spikes Award watch list prior to the start of the season. He led the Bears in batting (.349) and RBIs (72) last spring and ranked second nationally in home runs (21) to earn a spot on USA Baseball's Collegiate National Team over the summer. The Chesterfield, Mo., native was also named the top defensive third baseman in the country last year as one of nine NCAA Division I standouts selected for the ABCA/Rawlings NCAA Division I Gold Glove Team. The Bears' Big Kahuna checked in at No. 27 on BA's College Top 100 Prospects list prior to the start of the season and claimed 2017 preseason All-America recognition from *Collegiate Baseball*, the National Collegiate Baseball Writers Association, *Perfect Game USA* and *D1Baseball* as well.

BEARS IN THE PRO RANKS

Former Missouri State baseball standout **Buddy Baumann** became the 17th Bear to receive a call up to big leagues last July, when the San Diego Padres made the move official by promoting the Rogersville, Mo., product to their 25-man Major League roster.

Prior to being selected by Kansas City in the seventh round of the 2009 MLB Draft, Baumann went 18-8 with a 4.09 ERA over his three-year Missouri State career, striking out 215 batters innings to rank among the school's all-time leaders. He earned second-team All-America honors from the ABCA and *Collegiate Baseball* after going 11-1 with a 3.23 ERA as a junior in 2009. Baumann is one of four former Bears currently in big league spring training camps, joining **Ross Detwiler** (A's), **Pierce Johnson** (Cubs) and **Brad Ziegler** (Marlins), while eight additional former MSU standouts remain active in the minor league ranks.

Last summer, two MSU seniors — **Spencer Johnson** and **Sam Perez** — were among those taken in the 2016 Major League Baseball First-Year Player Draft. Perez was the first Missouri Valley Conference player to be chosen in the draft, as the Miami Marlins selected the right-hander in the fifth round with the 143rd overall pick on the second day of the 40-round amateur draft. The following day, Johnson heard his name called by the Houston Astros in the 16th round with the 487th overall pick.

With the selections of Johnson and Perez, Missouri State extended an impressive string of talent production that has resulted in at least one Bear being picked in 30 of the last 31 MLB Drafts dating back to 1986. Overall, the Bears have produced 136 players who have gone on to sign professional contracts over their 53 years as a varsity program, including 116 during **Keith Guttin's** 34-year tenure as head coach.

WHAT'S ON TAP

The Bears' 2017 schedule will feature a total of 54 games, including 23 home dates and match-ups against six different 2016 NCAA Tournament teams. In all, the Bears are slated to play 29 games against 13 different opponents that rated among the top 125 RPI-finishers a year ago, including 13 contests against NCAA Regional qualifiers.

Highlighting the home portion of the schedule will be three-game non-conference series against Central Arkansas (March 3-5) and Memphis (March 17-19), as well as midweek games regional rivals Oral Roberts (March 28), Kansas (April 4), Arkansas (April 11) and Missouri (April 25). The Bears will host four Missouri Valley Conference weekend series, beginning with a three-game league-opening set against Bradley (March 31-April 2) and continuing with match-ups against Dallas Baptist (April 7-9), Wichita State (April 21-23) and Indiana State (May 12-14).

The 2017 MVC Baseball Championship returns to Hammons Field for the first time in five years and the fourth time overall, May 24-27, with the champion earning the league's automatic NCAA Tournament bid.

BEARS ON THE AIR

Once again in 2017, Meyer Communications is slated to provide live radio coverage of all 54 Missouri State regular-season games, plus all Bears' games in the Missouri Valley Conference Tournament and any 2017 postseason play. The broadcasts can be heard primarily on **KBFL 1060 AM** and **96.9 FM** in Springfield with Art Hains, Rob Evans and Corey Riggs describing the action. An online audio stream is available through KBFL's website via RadioSpringfield.com.

Additionally, fans can keep tabs on the Bears through **The Valley on ESPN3**, under the MVC's media rights agreement that will provide increased coverage of conference events across ESPN platforms through the 2023-24 academic year. This spring, nine different MSU home baseball games will be broadcast on ESPN3, including each of the first two games of this weekend's series with DBU.

RETIRED NUMBERS

Bill Rowe

On Saturday, May 8, 2004, former head baseball coach and director of athletics **Bill Rowe** became the first person in the 48-year history of the MSU baseball program to have his number retired.

Rowe guided the baseball Bears as head coach for 19 years from the start of the program in 1964 through its final season in NCAA Division II in 1982. He led the Bears to a 394-230-1 record and four Division II College World Series appearances. Under Rowe, the Bears finished as national runners-up in 1969 and finished third nationally in 1970 (just the sixth and seventh years of the program). As athletic director, Rowe guided the Bears from

Division II to Division I and saw the Bears change leagues from the MIAA and Mid-Continent Conferences to a current membership in the Missouri Valley Conference.

The retirement ceremony for Rowe's jersey was held prior to the Bears' doubleheader against Illinois State.

The indoor practice facility at Hammons Field also bears Rowe's name as of January 30, 2010.

Ryan Howard

On Dec. 18, 2010, Missouri State retired the No. 6 jersey of former Bear and 2006 National League Most Valuable Player **Ryan Howard** at JQH Arena.

A St. Louis native who played at Missouri State from 1999-2001, Howard finished his collegiate career with 50 home runs, 183 RBIs and a .335 career average in 172 games. He was the 1999 Missouri Valley Conference Freshman of the Year and MSU's A.E. "Ted" Willis Most Valuable Player in 2000.

Since being drafted by Philadelphia in the fifth round of the 2001 draft, Howard has enjoyed a standout professional career. His long list of accomplishments as a member of

the Phillies includes 2005 National League Rookie of the Year, 2006 NL MVP, 2006 Home Run Derby champion, 2008 World Series champion, 2009 NLCS MVP and three All-Star selections.

Howard debuted with the Phillies in 2004, accumulating a career batting average of .258 with 382 homers and 1,194 RBIs in 1,572 MLB games over 13 seasons.

KEITH GUTTIN

Head Coach

35th Season
Alma mater: UMSL (1978)

One of the most successful baseball coaches in Missouri Valley Conference history, Keith Guttin began his MSU head coaching career in 1983, and has spent the past 34 seasons building the Bears into one of the top programs in the country. Under Guttin, the Bears have won 61 percent of their games, averaging 35 victories a year and racking up nine 40-win seasons.

Guttin, who entered the 2017 season seventh among active Division I head coaches in career victories, has been a part of the MSU baseball program as a player, assistant coach and head coach for 40 of the program's 54 years. He took the helm of Bears baseball at the start of the 1983 season, coinciding with the move of Missouri State athletics to Division I status. He inherited the reins of the program from its only previous head baseball coach, former Missouri State Director of Athletics Bill Rowe. Guttin ultimately helped stretch MSU's string of consecutive winning seasons to 32 in a row, easily the longest of any Missouri State athletics team. His 1,194 career wins are the most recorded by any head coach in the 110-year history of Missouri State athletics, and the Bears have finished in the top half of the conference race in all but four of his 34 seasons.

During Guttin's tenure, 116 Bears have signed professional contracts, including five first-round draft picks and 15 players who have advanced to the Major Leagues. Additionally, MSU has won 13 regular-season or conference tournament championships and made nine Division I NCAA Tournament appearances, including eight in the last two decades.

In 2003, Guttin led the Bears to the NCAA Division I College World Series for the first time in school history, marking the only trip to Omaha by a Division I team from the state of Missouri since 1965. He has been a conference coach of the year 10 times and was selected the American Baseball Coaches Association Division I Midwest Region Coach of the Year in 1997 and again in 2003.

Guttin's pupils have produced results off the diamond as well. Missouri State baseball players have been recognized on the Valley's all-academic team 60 times since the inception of the honor in 1992. Additionally, seven Bears have garnered academic All-America honors on 12 different occasions under Guttin, including three-time selection Brian Mahaffey.

The 2015 season will go down as one of the more memorable campaigns for Guttin, who was inducted into both the Missouri Sports Hall of Fame and Springfield Area Sports Hall of Fame this past year. He also surpassed the 1,100 career victory mark early in MSU's record-setting season en route to earning his fifth MVC Coach of the Year nod. Under Guttin's guidance, the 2015 Bears set a program record with 49 victories and were ranked as high as No. 6

(Baseball America) in the nation while sweeping the Valley's regular-season and postseason tournament titles. MSU went on to earn its ninth NCAA Division I postseason berth, sweeping the Springfield Regional at Hammons Field to advance to its second Super Regional appearance, where the Bears came up just one win shy of punching their ticket to the College World Series.

While the accomplishments of Guttin's teams on the field speak volumes about the success of his program, another dream came true in April 2004 when the Bears opened a sparkling 8,000-seat stadium just four blocks north of the Missouri State campus. The Bears finished the year ninth among NCAA Division I teams in attendance, playing only a portion of their home schedule at Hammons Field.

It was merely a coincidence that the crown jewel of the Missouri State baseball program came one year after the Bears exploded onto the national college baseball radar in the College World Series. But both events show the growth of college baseball in the Ozarks and the amount of community and administrative support the program had received in the last several years.

With the continued support of the MSU community, Guttin has led the Bears' efforts in numerous charitable endeavors, including the program's annual Price Cutter Celebrity Golf Classic, proceeds from which have been committed to Champion Athletes of the Ozarks in each of the last 20 years. MSU's popular First Pitch and Reunion Night has also been a positive force for both the Bears and a variety of local charitable organizations. The annual preseason kickoff event has benefitted entities such as the Miracle League Ball Field, Care to Learn, Boys and Girls Clubs and the Wounded Warrior Project.

The Bears have finished lower than third in the league standings just nine times since Guttin took over. Guttin directed Missouri State to six straight league titles in Mid-Continent play from 1984 through 1989. He gave MSU its first two Valley postseason tournament championships in 1996 and 1997. He was voted the MVC Coach of the Year in 1993, 2001, 2003 and 2008 and was selected the American Baseball Coaches Association Division I Midwest Region Coach of the Year in 1997 and again in 2003.

Guttin had two notable seasons as the Missouri State second baseman, coming from Mineral Area College. He earned MIAA all-conference honorable mention in 1977 as the Bears made their first NCAA Division II tournament appearance in seven years.

A University City native, Guttin finished his undergraduate degree at the University of Missouri-St. Louis in 1978, and earned his master's degree in 1984 from Truman State.

Guttin was a Missouri State assistant under Rowe from 1979 to 1981, as Missouri State won its last MIAA title and made two NCAA appearances. Guttin returned to Missouri State in 1982 after a year at Rend Lake College where he served as assistant coach to former Bear Kirk Champion as RLC claimed an Illinois JUCO sectional crown.

Guttin and his wife, Marianne, have three daughters; Lauren, Lindsey and Samantha.
