Coaches

Head Coach Ryan Beard

Missouri State University officially presented Ryan Beard as its new head football coach on Dec. 19, 2022 during a news conference in Great Southern Bank Arena on the Springfield campus.

At 34, Beard is the program's youngest head coach on record and is the 22nd person to hold the football Bears' top coaching position. His elevation to head coach came on the heels of three seasons as defensive coordinator (2020-22) at Missouri State under former head coach Bobby Petrino.

Beard has played a significant role in Missouri State's resurgence on the gridiron, managing a defensive unit that has boasted 18 all-conference selections, four All-Americans and three professional players in his tenure at Mo-State.

In his first campaign in Springfield in 2020-21, Beard and his defensive unit broke the program record for sacks with 27, created 15 turnovers, and held every Missouri Valley Football Conference foe under 30 points for the first time since 1989. His inaugural season at MSU culminated in five all-conference selections, while the Bears captured a share of the Valley championship and earned an NCAA playoff berth for the first time in 30 years.

As an encore effort in 2021, Beard's second year with the program saw the Bears top the club sack record again (30) while racking up 25 takeaways and securing 15 interceptions. In addition to making a second straight NCAA playoff appearance in 2021, MSU finished in sole possession of second place in the rugged Missouri Valley Football Conference, ranked ninth nationally in turnovers gained and finished 14th in interceptions per game. The 2021 Bears also boasted five all-conference players on the defensive side of the ball, including safeties Kyriq McDonald and Titus Wall. Wall went on to immediate success with the Calgary Stampeders of the Canadian Football League, while Bears' defensive lineman Eric Johnson was drafted by the Indianapolis Colts in the fifth round of the 2022 NFL Draft.

The 2022 Bears defense gave up just 15.8 points per game over their last four games with defensive end Kevin Ellis leading the nation in fumble recoveries, and four MSU defenders earning all-conference laurels, including McDonald, three-time captain Kevin Ellis and five-time All-MVFC pick Montrae Braswell who signed a free agent deal with the Kansas City Chiefs.

Before coming to Missouri State, Beard spent the 2019 season at Central Michigan University as the special teams and safeties coach for head coach Jim McElwain. He joined the Central Michigan staff in February of 2019 and helped lead the Chippewas to an 8-6 campaign on a defensive secondary that created 13 interceptions.

Beard served as an assistant at Louisville during the 2017 and 2018 seasons, starting as the defensive backs coach and in quality control before moving on to become the Cardinals' linebackers coach and their co-special teams coordinator. Among those who Beard coached at Louisville are Jaire Alexander, who was selected by the Green Bay Packers in the first round of the NFL draft; 2014 Jim Thorpe Award winner Gerod Holliman; and James Sample, a former member of the Jacksonville Jaguars.

As the defensive backs coach at Western Kentucky in 2016, Beard helped lead the Hilltoppers to the Conference USA championship and a win in the Boca Raton Bowl.

Beard was a standout defensive back at Western Kentucky himself from 2007-11. He was a two-time All-Sun Belt Conference selection and was named to the league's All-Freshman squad and its All-Academic team. In 2011, he earned the Western Kentucky Iron Man Award.

A native of Bowling Green, Ky., Beard was a four-year letterwinner at Bowling Green High for coach Kevin Wallace, where his efforts helped the Purples advance to the state 3A championship contest in each of his last two years.

Beard holds two degrees from Western Kentucky: a bachelor of science in Business Management (2012), and a master of science in Recreation and Sport Administration (2014).

He is married to the former Katie Petrino. The couple have four children with son Beau and daughter Lainey, in addition to twins Jacob and Kailey born in the spring of 2022.

Nick Petrino

Offensive Coordinator
4th Season

Nick Petrino joined the Bears coaching staff in early 2020 as the team's offensive coordinator under his father and former Bears head coach, Bobby Petrino.

In 2022, Petrino's offense eclipsed 4,000 total yards and scored better than 27 points per game. The unit also boasted a pair of All-MVFC selections in wide receiver Ty Scott and offensive lineman Landon Bebee. Scott would go on to sign an NFL free agent deal with the Kansas City Chiefs. The Bears also got a boost in Petrino's third season from running back Jacardia Wright who earned a spot on the MVFC All-Newcomer Team after racking up 711 yards and 9 touchdowns in his first season in Springfield.

In 2021, the Bears returned to the FCS Playoffs, racking up 436.5 yards per game (16th) and 34.2 points per game (12th), both of which ranked in the top 20 among all FCS programs. He also boasted the MVFC Offensive Player of the Year and MVFC Newcomer of the Year in QB Jason Shelley who passed for a school-record 3,347 yards and finished 10th in the Walter Payton Award voting.

In his first season at MSU, Petrino's offense yielded three All-Missouri Valley Football Conference selections and one MVFC All-Newcomer Team pick. His offense averaged 310 yards per game in MVFC games in 2020-21 and helped the Bears finish 5-1 in conference play to earn a share of the Missouri Valley title with an NCAA Playoff appearance.

Petrino spent the 2019 season as co-offensive coordinator and quarterbacks coach at UT Martin where he mentored the Skyhawks' second OVC Freshman of the Year in quarterback John Bachus III. A finalist for the Jerry Rice Award, given to the nation's top freshman, Bachus ranked nationally in passing yards (2,549), passing yards per completion (13.56), passing touchdowns (18) and total offense (218.1 ypg). He also was tabbed to the OVC All-Newcomer squad while notching four OVC Newcomer of the Week and a pair of OVC Player of the Week honors. UTM ranked second in the OVC in pass efficiency (144.7).

Before his tenure at UT Martin, Petrino served on the coaching staff at the University of Louisville under his father, Bobby Petrino. During his tenure at Louisville from 2015-18, the Cardinals offense exploded to set several program records behind the dynamic play of Heisman Trophy winner Lamar Jackson. Jackson totaled a school-record eight 100-yard rushing games, while setting a school record with 1,571 yards on the ground and 21 touchdowns. He nearly duplicated his award-winning performance in 2017 by totaling 45 touchdowns and accounting for 5,261 yards of total offense. The third-year coach saw Jackson improve as a passer — completing a career-high 59.1 percent of his passes and throwing for 3,660 yards and 27 scores. Jackson was later drafted 32nd overall in the 2018 NFL Draft by the Ravens.

He spent the 2014-15 seasons as a grad assistant at Louisville, where he aided in the development of quarterbacks and wide receivers. He was also a student assistant at Western Kentucky for the 2013 season, where he assisted the quarterbacks coach and the offensive staff.

Petrino began his collegiate coaching career as a student coach at Arkansas in 2010-11, assisting with the development of the QBs as the Razorbacks finished 11-2, including a win in the 2011 Cotton Bowl.

A high school star, Petrino played quarterback at Trinity High School in St. Matthews, Ky. and helped the Shamrocks win back-to-back state titles in 2005 and 2006. He spent a semester at Georgetown (Ky.) College and eventually joined his father at Arkansas as a walk-on.

He graduated from WKU in 2014.

LD Scott

Defensive Coordinator
4th Season

LD Scott joined the Missouri State staff in 2020 after building a reputation of one of the country's top recruiters and defensive line specialists. He was promoted to defensive coordinator in 2023 under new head coach Ryan Beard while retaining his guidance of the Bears defensive line.

The 2022 MSU defensive front was led by All-MVFC performer and team captain Kevin Ellis who ranked second nationally and led The Valley in fumble recoveries (3). He also led the Bears in tackles for loss (9.0), QB hurries (7) and fumble recoveries (3) while finishing the season with 51 total stops, 18 solos, and 2.5 sacks. Under Scott's guidance, Ellis finished No. 4 all-time in Missouri State history in tackles for loss (36.5) and No. 10 in career sacks (20.0) .

In 2021, the Bears broke their season sack record again (30), while Eric Johnson was drafted by the Indianapolis Colts in the fifth round. Four of Scott's linemen earned postseason honors with Ellis (first team) and Johnson (second team) earning All-MVFC distinction. Allen Love and Siale Suliafu were also named to the MVFC All-Newcomer Team.

In 2020-21, Scott engineered a defensive front that helped set a school record for sacks (27), while racking up 65 tackles for loss. He also boasted a pair of all-conference selections in second-team picks Kevin Ellis and Eric Johnson. The tandem combined for 58 total stops, 14.0 tackles for loss and 7.5 sacks on the year.

Scott spent the 2014-18 seasons at Louisville, coaching the defensive line at his alma mater and developing five NFL players in his tenure. His 2014 and 2015 defensive lines both finished in the top 20 nationally against the run.

Scott was influential in the development of All-ACC performer Sheldon Rankins, who ranked in the school's top 10 for career tackles for loss and sacks and was the No. 12 overall pick by the New Orleans Saints. Louisville finished sixth in the country against the run in 2014 and 10th in total defense en route to a 9-4 mark and an appearance in the Belk Bowl.

Scott served one season as Western Kentucky's defensive ends coach for head coach Bobby Petrino in 2013-14. He worked with defensive line coach Don Dunn to craft together a lineup that saw much of its unit depart due to graduation. The new lineup held its final four conference opponents to just 105 yards per game on the ground.

Scott spent 2011 as an intern with Arkansas under Petrino working with the defensive tackles, before moving to a grad assistant role in 2012.

As a player at Louisville, Scott was a four-year letterman, putting together a 41-tackle season in his senior year of 2009. He had at least 20 tackles in each of his final three seasons and played a key role in Louisville's 2006 season, when the Cardinals went 12-1 and won the Orange Bowl.

Scott played the 2010 season in the CFL with Winnipeg before starting his coaching career as the D-line coach at Seneca High in Louisville.

Scott graduated with a degree in Communications from Louisville in 2009.

He is married to the former Kelsey Petrino and the couple has four children, Brianna, Braylon, Emmett, and Anissa.

Petrino was 18-15 (.545) during his tenure at Missouri State, including a 10-5 ledger at Plaster Stadium and 8-10 road record. As Bears head coach, Petrino was 14-8 in MVFC games (8-3 at home) and led the Bears to back-to-back FCS playoff appearances in 2020 (spring 2021) and 2021.

♦ Quarterback Jason Shelley completed his two-year stint with the Bears 439-for-734 (.598) passing for 5,990 yards and 40 touchdowns in 23 starts. He also rushed for 14 touchdowns and racked up 6,594 yards of total offense while earning 2021 MVFC Player of the Year and Newcomer of the Year honors.

♦ The near-upset at Arkansas saw the Razorbacks score 21 unanswered points in the final 11 minutes, 38 seconds to overcome a double-figure lead by MSU. The Bears led 17-0 out of the gates before Arkansas tied it up, 17-17, late in the third. However, the Bears stood tall, reeling off 10 straight points from there and led 27-17 after a 31-yard field goal by Jose Pizano with 12:04 remaining.

Jason Shelley's record-breaking stint at Missouri State included the top two single-season total offense totals in program history, including 2,805 yards in 2022. Shelley's 61.1 completion percentage in 2022 also ranked No. 7 on MSU's single-season list.

♦ All-American kicker Jose Pizano finished third on MSU's career scoring list (235) and converted 69 straight PAT's to end his three-year run with the Bears. His 45 career field goals (on 54 attempts) ranks second in program history.

♦ Punter Grant Burkett was named to the Associated Press FCS All-America Team, as a third-team selection. He posted a 43.2 punting average, which ranked 12th nationally and No. 1 in the MVFC for the second year in a row. He finished the 2022 season with 14 punts downed inside 20 as well as 11 punts of 50 yards or more.

♦ Defensive end Kevin Ellis finished his 52-game stint at MoState with 20.5 career sacks and became the 10th MSU player overall -- and first since 1995 -- to reach 20 career sacks. Ellis' 37.0 career tackles for loss places him 4th all-time in Bears history.

♦ The Bears ranked 12th nationally in turnovers lost (11), which was supported by losing just 5 fumbles (22nd) and being intercepted just 6 times (13th) over the course of the season. MSU's +0.36 turnover margin also ranked 31st nationally.

♦ Behind Burkett's league-leading punting average, the Bears ranked 16th nationally in net punting (38.68).

♦ Pizano was named MVFC Special Teams Player of the Week on Oct. 30 for his role in MSU's 64-14 homecoming win over Western Illinois. Pizano broke a Bears single-game record for points by a kicker (16) by going a perfect 3-for-3 on field goal attempts and 7-of-7 on extra points.

♦ Shelley threw for 297 yards and 5 touchdowns in MSU's win over UT Martin on Sept. 8 to earn MVFC Offensive Player of the Week and CFPA National FCS Performer of the Week honors. He was 19-for-24 overall, while his 5 TD passes tied a Bears single-game record. Shelley's 14th straight 200-yard passing game included two clutch fourth-quarter TD passes to Ty Scott.

♦ Co-captain Landon Bebee (OL) ended his Bears career with a team-best 31 consecutive starts.

♦ Even though he did not have enough attempts to rank nationally, Montrae Braswell's 30.3 kickoff return average was second in the MVFC, including a season-long 98-yarder.

♦ The Bears went 3-1 over their last four games to end the season, including a 126-63 scoring margin in that span.

Jose Pizano's 235 points in his three seasons with the Bears rank third in program history, while his 69 straight extra-point conversions set a new Missouri State high-water mark for kickers.

GAME RECAP

Jordan Pachot passed for 199 yards and a pair of touchdowns, while Jacardia Wright added 53 yards on the ground to help the Maroon squad to a 37-17 win. The game was delayed over an hour due to hail and lightning, but when the weather cleared, both sides showed impressive drives with individual standout plays on both sides to set a blistering tone.

In the first half, Jacob Clark's 15-yard touchdown pass to Hunter Wood put the White squad ahead 10-2 midway through the second quarter before the Maroon side reeled off 14 unanswered points to lead 16-10 at the half. A 16-yard TD rush from Wright and a 74-yard fumble return from Caleb Blake was enough to give Maroon the narrow lead at the midway point.

Maroon added to its advantage in the third with Pachot connecting on a 42-yard pass to J'mariyae Robinson, then pulled away early in the fourth with Pachot's 7-yard strike to Stetson Moore.

Connor Lair ended the 28-point run from the Maroon side midway through the final quarter, finding paydirt on a four-yard touchdown run to get the White side within 30-17.

But Ahmias Hart's 47-yard TD pass to Liam O'Reilly on the final play of the game added to Maroon's margin and put the game on ice.

Clark finished 26-of-36 for 314 yards for White with Wood hauling in 12 passes for 141 yards, and D'Vontae Key snagging 7 passes for 122 yards. Celdon Manning also contributed 47 rushing yards.

Defensively, Von Young and Dwight Jacobs Jr. each tallied 6 tackles for White with Jacobs breaking up three passes in his return to the squad.

Robinson had 4 receptions for 85 yards to lead the victorious Maroon team. Defensively, Maroon was paced by J.J. O'Neal's 9 stops with Donovan Clark adding 8 tackles, and Tahj Chambers adding 7 with three break-ups.

Bears Postseason History

Mo-Kan Bowl
December 4, 1948, Kansas City, Mo.

Coach Tommy O'Boyle's Bears shared the MIAA title with a 4-1 conference record and then took a 9-1 season mark into the Mo-Kan Bowl game, a contest matching Missouri and Kansas small college conference champions. The Bears came away on the short end of a 34-20 score with Emporia State. Ray Haley scored twice for MSU after Emporia State grabbed a 21-0 lead but the Hornets put the game away late.

NCAA FCS First Round
November 25, 1989, Springfield, Mo.

The Missouri State Bears hosted their first NCAA FCS football playoff game ever and earned the first postseason grid win in MSU history as K Chris Potthast hit a 33-yard field goal with eight seconds left in the game to beat Maine, 38-35 before a packed home crowd on an overcast but warm afternoon on the Bears' home field. QB DeAndre Smith brought the Bears back from an early 17-7 deficit with three TD runs, and QB Paul Carney ran for the Bears' final two scores after Smith went out with an injury. Both MSU passers fired with pin-point accuracy, hitting 11-of-14 aerials for the contest. Carl Smith, the nation's top rusher, led Maine as he ran for a pair of touchdowns, but the Bears held on to tie the school mark for wins in a season with 10 and advance to the NCAA quarterfinals.

Mineral Water Bowl
November 30, 1963, Excelsior Springs, Mo.

Coach Orville Pottenger's 1963 squad had the first perfect Missouri State season in 23 years, going 5-0 in MIAA play. The Bears went to the Mineral Water Bowl to face the nation's top small college passer, George Bork of Northern Illinois. It was 7-7 after three periods but NIU got TD passes from Bork to Hugh Rohrschneider and Dave Broderick in just four minutes early in the final period. MSU RB Cornelius Perry got his second TD late in the period but the Bears couldn't pull even and NIU won, 21-14.

NCAA FCS Quarterfinals
December 2, 1989, Nacogdoches, Texas

The pass-happy Stephen F. Austin State Lumberjacks scored early and often on their home field behind QB Todd Hammel to oust Missouri State from the Bears' first appearance in the NCAA FCS playoffs, 55-25. Southland Conference champion SFA was on top 13-0 after just 3:29 of the game and MSU closed to within 26-18 late in third period, but SFA got rolling again to pull away and win the game handily. Missouri State QB DeAndre Smith amassed 307 yards in total offense and helped MSU to a new passing yardage record just six days after undergoing arthroscopic knee surgery, but SFA's 613 total yards matched the most ever given up by a Missouri State team in a game. The Bears wound up the campaign with a final 10-3 season record.

Mineral Water Bowl
November 26, 1966, Excelsior Springs, Mo.

Missouri State posted another 5-0 MIAA championship season in 1966 under coach Jim Mentis to earn a repeat invitation to the Mineral Water Bowl. The Bears took a 7-3 record against Adams (Colo.) State. Adams State got a scoring pass from QB Jim Attaway to HB Don Alley just before halftime and added another TD on a 19-yard run by FB Hugh Wright with seven minutes left in the last quarter. A pass from QB Tom Young to end Bill Douglass set up a one-yard plunge by FB Mike Howell for the Bears' only score late in the game as Missouri State lost, 14-8.

NCAA FCS First Round
November 24, 1990, Springfield, Mo.

The Missouri State Bears couldn't handle the one-two offensive punch of the nation's top FCS rusher, TB Devon Pearce, and the leading receiver in the nation, WR Kasey Dunn, in dropping a 41-35 shootout to the Idaho Vandals in the NCAA playoffs first round. Big Sky Conference champ Idaho jumped out to a quick 14-3 lead but RB Rodney McConico scored a pair of touchdowns and helped draw closer in the game before a field goal by Richard Grote made it 35-35 on the first play of the fourth quarter. The Vandals added two more field goals in the closing minutes and finally stopped Missouri State on downs on the Idaho 45 with half a minute remaining in the game to prevail.

Statistical Notes

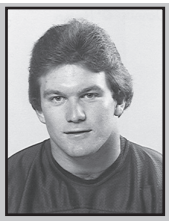

Springfield's Evangel University (NAIA) used Plaster Field for most home games from 1988 to 2000 and is the only other collegiate tenant of the Bears' facility included in stadium records.

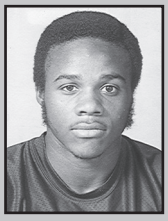

The NCAA didn't require kickoff and punt return stats until 1970, making return records incomplete on many former players, notably Bears TB Cornelius Perry (1963-65) who returned five kickoffs for TDs and had several other long runbacks in three seasons. Defensive statistics on tackles were first maintained in 1972.

Complete Missouri State season stats are only available from 1956 to the present, and complete single game stats are available only from 1972 to the present.

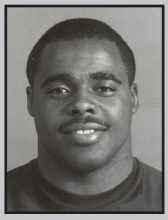

Prior to 2002, postseason stats were listed as playoff/bowl game records, but were not included in regular season NCAA stats. From an MSU standpoint, this affects the NCAA season and career stats of people who played in the Bears' three NCAA FCS playoff games in 1989 and 1990, notably DeAndre Smith, Chris Potthast, Richard Grote, Rodney McConico, Phillip Collins, Anthony Pegues, Chuck Calhoun and Brett VonWiller. Their career stats in all categories listed include stats compiled in FCS playoff games in MSU records, but in NCAA and Valley records, stats compiled in NCAA playoffs are deleted. That method of charting records was changed in 2002, and all individual and team stats compiled in FCS playoff games are now incorporated into regular season stat categories, for purposes of noting Valley and FCS game, season and career record performances.

Arthur Briggs
Head Coach, 1912-33

Arthur W. Briggs was one of the pioneers of MSU intercollegiate athletics, a man who looked past the obstacles to the formation of the program at a young institution to establish a balanced and competitive program in all areas.

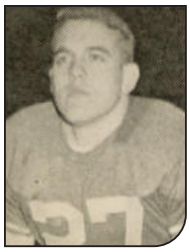

He was the first man to serve MSU as its athletic director and held that position form 1912 until 1938. He set the tone for years to come with his belief that the athletic program should be a first-class, quality endeavor. It was under his leadership that MSU came into the reorganized Missouri Intercollegiate Athletic Association in 1924 and won MIAA all-sports honors six times in the next decade.

Briggs was also the head of the physical education department from 1913 until his death on Dec. 20, 1949.

At one time during his career at MSU, he coached every sport the school had. He guided the football Bears for more years and won more games than any other grid coach in MSU history. Briggs piloted the Bruins from 1912 through the 1933 season and had on overall record of 76 victories, 58 losses, and 11 ties in his 20 seasons at the football helm.

Coach Briggs had unbeaten seasons in football in 1914 and 1922. The school's football facility was renamed Briggs Stadium in his honor by the MSU Board of Regents in 1970.

Ray Haley
Running Back, 1947-51

The standout backfield teammate of John Batten on the MIAA champion football Bears in 1951, "Wrecker" Ray Haley was then on his second conference title team for MSU.

The Springfield Senior High Product started his Bruin career in 1947 and was promptly selected to the all-conference second team at fullback. He was picked to the all-league team in 1948 and was selected the league's most valuable back as he rushed for 716 yards on 111 carries for an average of 6.45 yards a game. He scored eight touchdowns and was a mainstay on Coach Tommy O'Boyle's powerful 9-2 delegation which outscored its opposition 233-75.

The Bears and Maryville tied for the league title and MSU was selected to go on to Mo-Kan Bowl game against Emporia State. Haley scored two touchdowns in that contest as the Bears lost to the Hornets, 34-20.

The popular gridder signed a conference ban on pro baseball players but he returned in 1951 when the ban was lifted. With just a week of preparation before his first action, he teamed with Batten to help the Bears to an uphill battle for a league title tie. He finished the year with five touchdowns and two extra points and was the club's top rusher in a season finale loss to Missouri Valley. He was selected to the All-MIAA second team.

Rich Johanningmeier
Tackle, 1960-63, Coach 1976-85

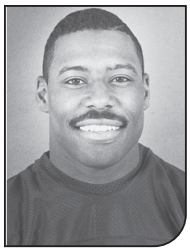

Rich Johanningmeier had a highly-successful MSU athletic career as both a player and coach, gaining All-American honors as a football lineman in his playing days and winding up with the second highest victory total on record in his years as the Bears' grid coach.

He came to MSU in 1960 and was a three-year starter for the Bears at both offensive and defensive tackle, gaining MIAA all-conference recognition as a junior and senior.

The St. Louis native was a first team Little All-American selection as a senior and was given the Virgil Cheek Athletic Achievement Award when he graduated in 1964. He was a standout on the unbeaten MSU team of 1963 as the Bears went through the regular campaign at 9-0 to capture the MIAA title and go on to the Mineral Water Bowl game. He briefly played professional football and then began a career of more than 10 years as a college assistant at American International, Vermont and UConn.

Johanningmeier returned to take over as the Bears' head coach in 1976, and, in a 10-year career, posted a mark of 58-44-5 to trail only Briggs in all-time victories among Bears' head coaches. Johanningmeier's Bears had seven winning seasons in his 10-year tenure, including the 1978 and 1979 teams were two of the most potent offensive machines in Bear grid history.

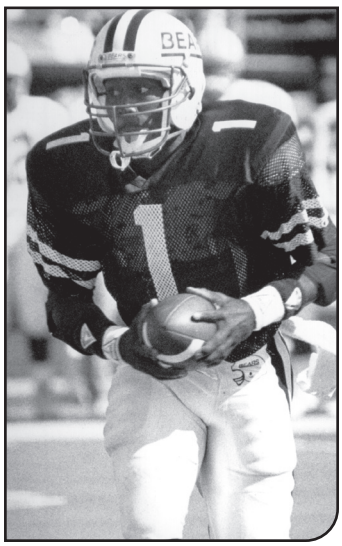

1

DeAndre Smith
Quarterback, 1987-90

DeAndre Smith was the triggerman of a very potent triple-option offense for the best two MSU football teams of the Bears' Division I FCS era. He led the Bears to Gateway Football Conference championships and NCAA Division I-AA playoff bids 1989 and 1990 under coach Jesse Branch.

The St. Louis native quarterbacked the Bears four years, with his top exploits coming in his final two seasons. MSU finished 10-3 when Smith was a junior and got to the second round of the FCS playoffs. MSU won the league crown outright, turned back Maine in the playoff first round and lost at Stephen F. Austin in the quarterfinals. When Smith was a senior, MSU finished 9-3, losing in the playoff first round to Idaho.

He was a two-time all-league first team quarterback, was the Gateway Offensive Player of the Year as both a junior and senior, and was the Gateway Offensive Player of the Decade for the league's first 10 years of existence. Smith was a consensus I-AA All-America as a senior and started 34 of the 45 MSU games he played. He completed 281 of 493 passes for 4,080 yards and 18 touchdowns with a .570 completion mark. His 405 passing yards in 1990 at Tulsa set an MSU single-game record. He was also a prolific runner, carrying the ball 613 times for 2,276 yards and 40 more touchdowns.

Robert W. Plaster Stadium

With a major facelift in 2014, Robert W. Plaster Stadium once again ranks among the top FCS facilities in the country as the historic stadium enters its 83rdd year as an MSU landmark in 2023.

After unveiling the stadium's new look and pregame tailgating area -- BearFest Village -- for the 2014 season, the Bears attracted a record crowd of 18,386 for its season-opening win over North Dakota on Sept. 13. The Bill O'Neill Gateway, grass berm and bronze bear on the north end of the stadium were also installed as part of the renovation.

The most obvious addition to the facility is the imense new structure on the east side of the stadium. The concrete and steel seating area offers accommodations for more than 5,000 in an area that has traditionally been the student side of the stadium. The east side addition also includes game-day locker rooms for the Bears and visiting team, concessions, restrooms, and a party deck that accommodates more than 400 students.

Aesthetics were another key part of the 2014 expansion project that pushed the playing surface to the west and closer to the main side of the stadium and press box. Likewise, the new surface installed over the summer of 2014 -- Sporturf Powerhouse 3C52H -- is a two-and-a-half inch artificial turf that is attractive, functional and state-of-the-art for practice and game use by the football Bears.

Once home to multiple Missouri State athletics teams, Plaster is now used exclusively for football after years of sharing the facility.

A new scoreboard was installed during the summer of 2023, marking a significant digital upgrade from the previous board which dated back to 2008.

In recent years, the stadium has also seen installation of a brand new Musco lighting system, which was brought in for the 2010 season.

The multi-million dollar scoreboard system features a high-quality video system, enhanced graphics package and live scoring and timing capabilities. The Football ProStar LED Video Display has a 4.4 trillion color-capable display; 23mm pixel spacing and 153,600 total red/green/blue LED's. The top of the scoreboard is more than three stories from the surface and extends 40 feet in width.

Between 1987 and 1991, a four-phase expansion of the facility was further enhanced with an August 1991 gift from the Robert W. Plaster Foundation. The expanded facility, formerly known as Briggs Stadium, was known as Robert W. Plaster Sports Complex from 1991 until 2014.

The late Mr. Plaster was chairman of the board of Evergreen Investments LLC, of Lebanon, Mo. The Plaster Foundation has made numerous gifts to support higher education in the Ozarks.

The completion of the renovation, which nearly doubled the seating capacity of the stadium (to 16,300) coincided with the 50th anniversary of the first use of the original stadium.

Renovation was completed and inaugurated on Sept. 14, 1991. The stadium explansion included its first artificial turf in 1987, a new running track in 1988, and student bleacher seating in 1990.

Plaster now has nearly 8,500 seats in the upper deck, 24 skyboxes of 10 seats each and a 40-seat University box. A climate-controlled press box with elevator access sits at the top of the upper deck.

The ground level includes 12 racquetball and handball courts as well as recreational locker rooms and offices. On the second level, behind the skyboxes, one end of the facility includes large locker room space and classrooms, while the other end contains the Plaster Strength Center, a 7,200-square foot intercollegiate athletics weight room. An elevator at the west entrance connects all three levels with the stadium press box level. Postgame press conferences are held in the classrooms on the suite level.

The current version of the stadium's artificial surface is the fourth carpet used at the facility but first dedicated directly to football. The first "BearTurf" was added in 1987, and was replaced in 2000, 2006 and most recently in 2014.

As part of the 1988 upgrade, the east bleachers were moved back, and the north and south walls of the stadium were relocated to accommodate the enlarged track. At the time, the east bleacher upgrades of 1990 brought an additional 2,000 seats, along with additional concession stands, restrooms, ticket booths, and a new student entrance.

Plaster Sports Complex received many enhancements in the 1970s and 1980s, including additions and improvements to seating, press box, concession and restroom facilities. A lighting system, scoreboard and electronic message center were also added for the first time during this era.

Built originally for $60,000 as a WPA project at the corner of Grand and Kings, Plaster has served as the home to many other MSU teams over the years -- including soccer and track. Plaster Stadium has hosted numerous interscholastic and club events, including the 2016 and 2017 MSHSAA Show-Me Bowl championships, as well as MSU and Greenwood classes.

A new state-of-the-art strength and conditioning center was added to the stadium's second floor prior to the 2016 season. The 7,200-square foot facility was funded exclusively through private donations.

Arthur Briggs

The MSU football facility was known as Briggs Stadium from 1970 until 1991 in honor of MSU athletics pioneer Arthur W. Briggs. When the Missouri State Board of Governors renamed the stadium Plaster Field in 1991, the Board voted to perpetuate the memory of Briggs by changing the name of Belmont Street, just west of the stadium, to Briggs Street; by installing a bust of Briggs at the stadium entrance; by establishing an endowed scholarship fund in his name; and by establishing the Arthur Briggs Award, to be given annually to the top scholar-athlete on the MSU football team.

The first Missouri State athletics director, Briggs held that post from 1912 to 1938 and was physical education department head until he died in 1949. Briggs is the winningest coach in MSU football history, posting a 76-58-11 mark as field boss of the grid Bears from 1912 to 1933. Briggs guided the Bears to unbeaten state title years in 1914 at 6-0 and in 1922 at 7-0. At various times, he coached every sport MSU had, including posting a 105-32 basketball record from 1913 to 1923 in the years when the Bears dominated the "old MIAA." Mr. Briggs went into the MSU Athletics Hall of Fame in 1978 and was one of the charter inductees into the MSU Wall of Fame in 2002.

Robert W. Plaster Stadium has been the home of Missouri State football since 1941. The 2022 campaign is the Bears' 80th season in Plaster as MSU didn't field a football team for two seasons during World War II.

MSU football moved to its present site in 1930, ten years before the current stadium was constructed prior to World War II. Before then, the Bears practiced and played games in an area on the northwest corner of the existing campus where Freudenberger House now stands. MSU has a 222-179-12 record for 413 games in Plaster. The Bears have been perfect at home six times, and the club's longest home win streak is 20 games, compiled between 1938 and 1941.

Indianapolis Colts

MSU's history of producing pro football talent dates back to 1945 and extends to today with three NFL Draft selections in the last dozen years -- Clay Harbor to the Philadelphia Eagles in 2010, David Arkin to the Cowboys in 2011 and Eric Johnson to the Colts in 2022.

Harbor played seven seasons in the NFL with 114 career receptions in stints with the Eagles, Jaguars, Patriots, Lions and Saints. Meanwhile, Arkin played six seasons in the NFL with the Cowboys, Dolphins and Rams.

In 2022, Johnson was drafted as the sixth pick of the fifth round by the Colts, going as the 159th overall draft selection.

Nine additional Bears have earned undrafted free agent contracts over the last 13 seasons with Malik Earl signing with the Dallas Cowboys in 2018, Dylan Cole signing with the Houston Texans immediately after the 2017 Draft and Gannon Sinclair signing with the Arizona Cardinals in 2015. Other recent free agent signees include Anthony Grady (Jets) in 2014; 2013 addition Randy Richards (Chargers); 2011 professionals Jermaine Saffold (Browns) and Chris Douglas (Bills); and 2010 rookies Kolby Hurt (Saints) and Jake Duron (Jets).

Cole played 37 games with the Houston Texans from 2017-20, racking up 67 total tackles in that span before spending the 2021 season with the Tennessee Titans and seeing action in seven contests.

Likewise, many Bears in recent years have enjoyed extended careers in the Arena Football League and Indoor Football League (IFL), including Jake Duron, Cody Kirby and Tevan Ferguson. Steve Watson appeared in Arena Bowl XXII in 2008 for the San Jose SaberCats. A two-time All-MVFC standout (2003-04), Watson posted 238 tackles at MSU and played for the Columbus Destroyers and Tulsa Talons.

Brad St. Louis played 10 seasons with the Cincinnati Bengals from 2000-09. He starred for MSU at tight end from 1996-99 and played in both the East-West Shrine Game and Hula Bowl after his senior season prior to being drafted by the Bengals. He operated as the Bengals' regular long snapper seven seasons with additional work at tight end.

Former Bear Jason Whittle played 11 NFL seasons from 1998-2008. He signed a free agent contract in the 2003 off-season with then-Super Bowl champion Tampa Bay after five years with the New York Giants. He returned to the Giants in 2004 and moved to the Minnesota Vikings for the 2006 campaign before joining the Bills in 2007. A standout lineman at MSU from 1994-97, Whittle signed a free agent contract with the Giants in 1998. He became the first MSU Bear to appear in the NFL title game when he saw action in the 2001 Super Bowl with the Giants.

Cornerback Darren Barnett, an all-conference performer as a junior at Missouri State in 2004, was among the Valley and NCAA leaders in interceptions, rejoined the New York Giants for a second year in 2008 after working on the Giants' developmental squad during 2007.

Adrion Smith played 12 seasons in the CFL with his last 10 seasons in Toronto. He was a four-time CFL all-star, posted 51 career interceptions and helped the Argonauts to CFL Grey Cup Championships in 1997 and 2004. He was a four-year starter at MSU from 1990-93 and the MVFC all-time leader in interceptions with 24.
