MVC ALL-CENTENNIAL TEAM

In 2006-07, the Missouri Valley Conference celebrated a century of excellence as the nation's second-oldest NCAA Division I conference. As a part of the Centennial Celebration, The Valley named all-centennial teams for each of its sponsored sports, including cross country and track and field. Track and Field holds the ultimate Centennial Celebration distinction as the very first athletic event ever contested in the Missouri Valley Conference, holding the first league championship in May of 1907.

A total of 18 former Bears were honored on the MVC Cross Country and Track and Field All-Centennial Teams, while head coach Ronald Boyce was one of 11 Valley coaches recognized as the conference's greatest track and field coaches.

The squad was determined through an on-line fan vote and by a centennial committee.
