BASEBALL RECORD BOOK

TEAM HISTORY

Baseball was first played as an intercollegiate sport at Monmouth in the fall of 1868 and is the oldest varsity sport at the College. Monmouth did not field a baseball team during the 1917 season due to World War I and suspended play again during the World War II years of 1939-1946. The Midwest Collegiate Athletic Conference (MCAC) added baseball as a championship sport in 1954 and the league has sponsored a postseason conference tournament since 1966. The conference adopted a divisional system of competition in 1956 and Monmouth has been a member of the Illinois, West and South Divisions. The MCAC (men) and MACW (women) conferences merged to form the current Midwest Athletic Conference (MWC) in 1994. Monmouth has utilized several on-campus and off-campus fields for its home games and moved to Glasgow Field at Peacock Memorial Athletic Park in the spring of 2000.

The 2020 season was halted after 10 games due to the coronavirus COVID-19 pandemic.

Peterson & LeClere Awards

(Presented by the Midwest Conference)

The Peterson/LeClere Awards are presented to the Midwest Conference female and male student-athletes who posted the highest grade point averages during their junior years, while lettering in at least two league sports.

Ruth Peterson is the former Commissioner of the Midwest Athletic Conference for Women, who went on to serve as the Co-Commissioner of the MWC. Peterson, who was a Beloit College alum and employee, passed away in October of 2006. Roy W. LeClere was a collegiate sports enthusiast whose passion for the MWC led friends and co-workers to originally sponsor the award as a memorial in his honor.
