Bobcat Career (1998-2003)

-Four-Time All-American
 -Three-Time Big Sky Champion

Lyle Weese – a former Bobcat standout that garnered four All-America honors, three Big Sky Conference individual championships and was named the Big Sky Male Outstanding Track Athlete of the Year as a senior – was appointed as Montana State's Director of Track and Field and Cross Country on Thursday, Aug. 16, 2018

Weese served as the Bobcats' head coach of the cross country program, and an assistant track coach specializing in distance events, since the fall of 2014. Weese, who made his start as a coach on the Bobcat staff as a volunteer assistant in 2009, took over the reins from longtime coach Dale Kennedy who announced his retirement in June of 2018.

Weese had a highly successful collegiate career as a Bobcat from 1998-2003. He was an All-American in the indoor 3,000m (twice), steeplechase and in cross country, earning four total All-America awards. He was a captain on the 2002 Big Sky Cross Country Championship and led MSU to a 19th-place finish at the NCAA meet.

Weese returned to MSU as a volunteer assistant in 2008 and since he took over the distance program full-time in 2014, it has continued to develop and has become a focal point for the MSU track and field teams.

In his first year as the head distance coach, Weese's athletes won 10 of the possible 20 Big Sky Conference titles in the distance/mid-distance track events. Heather Demorest and Cristian Soratos became Weese's first All-Americans in 2015, which included Soratos's runner-up finish at the NCAA Indoor Championships.

His distance group has continued to thrive. Christie Schiel became the school record holder in the 800 indoors and outdoors in 2017, while Alyssa Snyder finished fourth in the NCAA outdoor meet in the 10,000 to earn All-America honors. The 2017-18 season was a memorable one for Weese. His women's cross country team achieved its best finish at the Big Sky Championships since 1999 by finishing runner-up as a team. In indoor and outdoor track and field, Weese's pupils combined for seven all-conference performances, including a conference title in the 5,000 for Kelsi Lasota.

After graduating from MSU, Weese continued his distance running career training with Team USA Minnesota in Minneapolis and Big Sur Distance Project in Monterey, Calif. He competed in the steeplechase at the 2004, 2008 and 2012 U.S. Olympic Track and Field Trials. Prior to Montana State, Weese served as an assistant coach at Hartnell Community College in Salinas, Calif., from 2007-09.

Weese received his bachelor's degree in business in 2003 and earned a Master's in Coaching and Athletic Administration from Concordia (CA) in 2010. He is also a United States Track and Field Level One certified coach. Weese was inducted in the MSU Athletics Hall of Fame in 2014. Weese resides in Bozeman with his wife, Sierra and their two sons, Rowan and Caz.

JENNIFER ALLEN

Assistant Coach
Men's & Women's Track & Field
Throws
3rd Season

Jen Allen, a 2004 Montana State graduate, begins her second year as the Bobcats' full-time throws coach during the 2018-19 season and third overall with the program.

Allen returned to MSU in the fall of 2016 after six years of coaching throwers at Manhattan High School. She assisted long-time throws coach Mike Carignan throughout the 2016-17 campaign, then took over the coaching duties when Carignan announced his retirement in October of 2017.

The Bobcat throwers broke out under Allen's guidance during the 2017-18 season. All three men's throwers that competed at the 2018 Big Sky Indoor Championships earned all-conference accolades. Kyle Douglass (shot put) and Calvin Root (weight throw) each earned silver medals, while Alec Nehring picked up a bronze medal in the shot put.

Her student-athletes continued their success during the outdoor campaign. Douglass became Allen's first NCAA Championship qualifier when he advanced to Eugene and finished as an honorable mention All-American in the men's discus. Prior to his visit to the NCAA meet, Douglass claimed gold in the discus and silver in the shot put at the Big Sky Championships. Calvin Root earned his first gold medal of his collegiate career when he placed first in the men's hammer throw. On the women's side, Tiffany Shearman earned her first all-conference recognition when she finished second in the javelin. Overall, four Bobcats (Douglass, Root, Shearman, Carley VonHeeder) advanced to the NCAA West Preliminary Round.

TOM EITEL

Assistant Coach
Men's & Women's Track & Field
Jumps/Multis
25th Season

Tom Eitel originally served as a member of the Montana State coaching staff from 1989-91 and has been full-time in his current tenure with the Bobcats since 1996. He has more than two decades of experience coaching jumps and multi events in the Big Sky Conference.

While at MSU, Eitel has coached 20 student-athletes to 50 individual conference titles. Eitel has had student-athletes accumulate a combined 143 All-Big Sky Conference selections. At a national level, he has had 21 qualifiers for the NCAA Championships, with 13 earning All-America honors. The women's team's best performance ever came under Eitel's guidance as Ellie Rudy earned back-to-back national championships in the pole vault in 2007 and 2008.

Eitel was behind two benchmark pole vaulters in the Big Sky that cleared 18 feet for the men and 14 for the women, which were firsts for the conference at the time.

Currently, student-athletes under his tutelage hold 16 out of 20 indoor and outdoor school records in the jumps and multis.

Eitel began his collegiate athletic career at Iowa State before finishing his eligibility with Montana State. As a Bobcat, he was the 1982 Big Sky Conference Champion in the pole vault and held the school record of 16-09.00 for eight years. He earned his degree from Montana in 1983. He is married to MSU Associate Athletic Director Camie Bechtold and has a son, Morgan, and daughter, Pipi.

JAY TURNER

Assistant Coach
Men's & Women's Track & Field
Sprints/Hurdles
1st Season

Jay Turner joined the Bobcat track and field program as an assistant coach in October of 2018. His coaching duties focus on the sprint, hurdle and relay events.

Turner spent the previous three seasons assisting the University of Akron's track and field program as a volunteer assistant coach. His primary responsibilities included helping coach the sprint, hurdle and relay events and serve as the men's and women's Recruiting Coordinator for sprint, hurdle, and jumping events.

Turner played a role in helping the Zips' men's squad capture Mid-American Conference championships during both the 2016 and 2017 indoor and outdoor campaigns.

Turner spent time as the head boys track coach at Lorain High School from 2012 to 2015, and girls coach at Saint Joseph Academy from 2002 to 2011. Turner was also coach of sprints and relays for Ohio Flyers Track Club from 2005 to 2011.

During his time coaching high school and club, Turner helped guide the development of 47 AAU and USATF Junior Olympic All-Americans, 170 Ohio high school regional qualifiers, 39 Ohio state qualifiers, and nine Ohio state place winners. That included the 2016 Division 1 state champion in the 100 meter dash, who as a freshman became the first and only freshman male in Ohio Division 1 high school history to score in the state final of the 100 meter dash.

A native of Cleveland, Ohio, Turner earned a bachelor's degree in exercise science/fitness management from Akron in 2016. In 2017, he completed his master's degree in exercise physiology/adult fitness from Akron.

Turner is currently USATF Level 2 certified in sprints/hurdles/relays, as well as a USA Weightlifting Level 1 Sport Performance Coach.

Turner and his wife, LeTisha, live in Bozeman with their three daughters, Jasmine, Alexis, and Brooklynn.

WHITNEY HENDERSON

Assistant Coach
Men's & Women's Track & Field
Distance
1st Season

Whitney Henderson joined the Bobcat program in October 2018 as an assistant distance coach.

Henderson previously worked as an assistant coach and director of operations for Wyoming for three seasons. Her duties included management of the day-to-day operations of the program as well as coaching the women's middle-distance runners.

Henderson moved to Laramie after a solid running career under current Wyoming head coach Bryan Berryhill at Colorado State University.

Henderson was an all-Mountain West performer twice in cross country, including an eighth-place finish at the conference meet in 2012. She went on to earn all-Mountain Region honors that season as well. On the track, she was all-conference in 2013 after a runner-up finish in the 1,500 meters. She qualified for the NCAA West Preliminary that season in the 1,500 meters. She owned personal bests of 4:24 in the 1,500 meters and 16:38 in the 5,000 meters.

A native of Hamilton, Mont., Henderson earned bachelors degrees in political science and journalism from CSU in 2014. She was a five-time academic all-Mountain West honoree, while serving as CSU's SAAC vice president as a junior and president as a senior.

Head Coach Dale Kennedy Announces Retirement From Track & Field Program

Dale Kennedy, who was part of the Montana State track and field program for almost four decades and held the reins of both the men's and women's teams since 2000, announced his retirement as the Bobcats' head coach on June 18

Dale Kennedy, who was part of the Montana State track and field program for almost four decades and held the reins of both the men's and women's teams since 2000, announced his retirement as the Bobcats' head coach on June 18. Kennedy's last day as head of the program was Oct. 1, 2018.

Kennedy began his tenure with Montana State on July 27, 1981, and has been a key to MSU's consistent

presence in the Big Sky Conference for a total of 37 years.

Kennedy originally started his career with the Bobcats as the cross country and women's track and field head coach. He held the top post for the cross country team until former student-athlete and current coach Lyle Weese took over in 2014, while he is the MSU women's program's only coach during its NCAA Division I era.

Hired originally by legendary MSU Women's Athletic Director Dr. Ginny Hunt, Kennedy built a squad that contended on an annual basis at Big Sky meets. Before his arrival in Bozeman, Kennedy led the Spokane Community College women's track and field squad to three straight conference titles and its cross-country team to four consecutive conference championships.

Kennedy's first championship team came in the form of the women's 1983 indoor track team that captured the Mountain West Conference crown. He'd eventually win nine conference championships between cross country and track and field, with most coming in the Big Sky Conference as the league began to sponsor the sports.

It was following his first championship as a head coach that Dale and his wife, Terry, decided to make Bozeman their permanent home. Coach Kennedy's career has been one that will be remembered in Montana State Athletics history.

Kennedy oversaw 115 champions during the outdoor season claim gold medals and another 92 finish atop the Big Sky during the indoor season under his direction. That success was just as consistent of late.

Since the turn of the century, over 20 Bobcat men have appeared at an NCAA Championship meet, including two this past year with Diego Leon qualifying during the indoor campaign and Kyle Douglass recently representing Montana State at Hayward Field. Ten women have also made it to the national stage during that time, including two-time national champion pole vaulter Ellie Rudy who competed for the Bobcats while Kennedy was in charge of the program.

The teams that Kennedy helped produce kept Montana State competitive year-in and year-out in conversation at the conference level.

Combining his 37 indoor and outdoor seasons in charge of the Montana State women's track and field program, Kennedy's teams completed top-three showings at the Big Sky meet on 22 occasions.

His men's teams have been equally impressive. Leading the men's team for 18 years and a combined 36 indoor and outdoor seasons, Kennedy's squads placed among the top three in the standings 14 times.

Kennedy said he believes MSU's sustained team success in Big Sky competition can be attributed to the culture and family approach the Bobcats possess.

MSU's track and field and cross country programs are well-regarded within the department for their work in the classroom and the community. The Bobcats' track and field teams have achieved at least 3.0 GPAs on a regular basis. Multiple student-athletes have been named USTFCCA All-Academic Team selections for both the men's and women's squads each year over the past decade.

Kennedy said the growing support for the Montana State track and field teams over the years has been a benefit for continued success for he and his coaching staff. He pointed out past and current administration that positively affected the teams he led, as well as the Bobcat Track and Field Association's impact on the program.

Kennedy leaves a tremendous legacy of success that features athletic and academic feats under his direction. The longtime Bobcat coach mainly hopes he's left a positive impression on the student-athletes that have made their way through the program he's led.

NATIONAL CHAMPIONS

MEN'S NCAA CHAMPION

Shannon Butler

10,000m (Outdoor) - 1990

5,000m (Indoor) - 1991

Shannon Butler burst onto the Montana State track and field scene like a comet, and nearly three decades later, his Bobcat career still burns brightly as one of the brightest stars in the constellation.

A Eureka native, Butler spent the early portion of his collegiate career at Auburn. After transferring to Montana State, he made the Big Sky Conference his personal playground, capturing the imagination of the nation. Butler won three Big Sky Championships and never lost a race at a conference meet. The two-time cross country All-American narrowly missed a national championship as a senior.

He made MSU history late in the spring of 1990 by winning the NCAA 10,000-meter championship in Durham, N.C., then cemented his place as a college track and field legend a year later by winning the 5,000 meter run in Eugene, Ore. He was wildly celebrated on that day in Tracktown USA, but the zenith of his Bobcat career may have come two weeks earlier in Bozeman, when he accomplished the unthinkable. Butler won an unprecedented Big Sky distance triple - the 1,500m, the 5,000m and the 10,000m - at the league championships, nearly leading MSU to a conference title.

NATIONAL CHAMPIONS

WOMEN'S NCAA CHAMPION

Ellie Rudy

Pole Vault (Indoor) - 2007

Pole Vault (Indoor) - 2008

The Montana State women's track and field team had its biggest feat on the national stage when Ellie Rudy made her debut for the Bobcats.

Never relinquishing her domination over the Big Sky Conference during her career in the pole vault, Rudy brought home two national championships to Bozeman. Rudy won the indoor pole vault title back-to-back years,

Her first NCAA Championship came in the form of a jump off. Rudy prevailed in 2007 behind a then Big Sky record vault of 14-01.25 on five vaults without a miss, then topped Florida's Natalie Moser for gold. She continued her success by defending her championship in 2008 in Fayetteville, Ark. She reached the same height in the Randal Tyson Track Center, but defeated Arizona State's April Kubishta behind less misses.

Rudy still holds both of the Bobcats' pole vault records along with Brick Breeden Fieldhouse and Big Sky Conference top marks. She was named Big Sky Athlete of the Week an astonishing 21 times over her collegiate career.

*Before 2011, only top eight placing Americans were awarded All-American designation. Since 2011, all top-eight finishers are designated as First Team All-Americans and 9-16 finishers are designated as Second Team All-Americans. Remaining participants at NCAA meet named honorable mentions. Top six per event were All-Americans from 1982-87 during indoor season. Top 12 per event during outdoor season were All-Americans from 1982-84.
