Jayne Stadium

Historic Jayne Stadium is the home to the Eagle football and soccer programs and in 2009 MSU will be playing its home games on newly installed artificial turf. General Sports Venue of Rochester, Mich., installed new Astroturf GameDay Grass during the summer, replacing the aging surface. The facility also features refurbished locker rooms for soccer and houses the football coaching staff offices.

The facility, constructed in 1964, also features a state-of-the-art electronic scoreboard in the

South end zone. The field is named after donors Terry and Susan Jacobs who supplied the funds for the artificial surface and scoreboard.

The press box structure can seat up to 20 media members including radio booths for the home and visiting teams. The second level houses the President's Suite.

In the Northwest corner of the facility is the Phil Simms Weight Training Room, a state-of-the-art strength and conditioning center funded by former Eagle and New York Giant star quarterback Phil Simms.

MOREHEAD STATE

Eagle Coaches and Staff

Head Coach *Matt Ballard*

Morehead State University's all-time winningest football coach, Matt Ballard is now in his 16th season in charge of the Eagle football program.

A finalist for the Liberty Mutual Coach of the Year Award for the past two seasons, he is a four-time Pioneer Football League South Division Coach of the Year, having led the Eagles to four consecutive division crowns from 2002 through the end of divisional play in 2005.

Ballard is a former head football coach at Union College and assistant head coach and defensive coordinator at MSU.

In his 15 seasons, he has taken an MSU program in transition and ravaged by transfers following the departure of the previous coaching staff and led the Eagles to the four championships and to a school-record nine wins on two occasions. His 20-year career record is 122-101-1 and his MSU record is 87-76.

In addition to his PFL South Division Coach of the Year honors, he has been a National Coach of the Year (1998) for NCAA Division I-AA (FCS) Mid-Major schools and Coach of the Year among NCAA Division I-AA Independents. The 1998 Eagle squad was ranked number one among Division I-AA Mid-Majors by The Football Gazette.

He has directed MSU to NCAA national statistical championships in rushing defense (2007), scoring offense (1997 and 2000), total offense (2000) and punt returns (1997). In 2003, defensive back Charlie Byrd led the nation in passes defended. In 2005, then freshman Nick Feldman led the nation in punt returns. In 2007, defensive back David Hyland led the nation in interceptions per game. Ballard has coached national players-of-the-year among NCAA Mid-Major schools. They include David Dinkins (Offensive Back and National Player-of-the-Year), Doug Turner (Offensive Back), Bubba Combs (Offensive Lineman) and Toby Moeves (Specialist).

PFL-Pioneer Football League South Division Champions

A 51-year old native of Davidson, N.C., Ballard compiled a 35-25-1 record in his six seasons (1988-93) directing the Union football program. He led Union to its best single season record and to the institution's first Mid-South Football Conference championship. He was named Mid-South and NAIA District 32 Coach of the Year in 1992.

He was on the MSU football staff for four seasons (1984-87) before accepting the head coaching position at Union.

Ballard was a four-year (1980-83) offensive/defensive coordinator at Georgetown College and spent one season (1979) as an assistant at Gardner-Webb.

A graduate of North Mecklenburg High School in Charlotte, he earned a bachelor's degree from Gardner-Webb in 1979 and a master's degree from Georgetown in 1980.

He is active in many community service projects, especially in the area of child abuse prevention.

Ballard and his wife, the former Brenda Harwood, actively support two scholarship funds named in honor of their son, Matthew, one at Rowan County Senior High School and one at Morehead State University.

Matthew was an MSU student and a student coach on the Eagle football staff when he was tragically killed in a motorcycle accident on July 12, 2005.

John Gilliam

Associate Head Coach/Defensive Coordinator/Linebackers

John Gilliam, a former standout Eagle linebacker, is in his 16th season on the staff at Morehead State University.

The native of Prestonsburg, Ky., currently serves as associate head coach, defensive coordinator and linebackers coach and makes all the defensive calls. In the last several years, his defensive units have been recognized as some of the

most ferocious and feared in all of the Division I championship subdivision (FCS).

His 2007 Eagle defensive unit led the FCS in rushing defense, and defensive back David Hyland, a two-time mid-major All-American, led the nation in interceptions per game. The 2008 unit finished sixth nationally among all FCS schools in rushing defense and eighth nationally in total defense.

Gilliam was a four-year Eagle letterman (1983-86) during current Eagle Head Coach Matt Ballard's tenure as defensive coordinator on the MSU staff. After serving as a student assistant coach for the Eagles in 1987, he joined Ballard at Union College. He spent six seasons under Ballard at Union and returned to MSU with Ballard in 1994.

Gilliam has coached a number of defensive standouts during his tenure at MSU. Earning All-America honors under Gilliam have been linebacker Zac Prewitt, defensive back Charles Byrd, defensive lineman Chris Parker, linebacker Craig Unger and defensive back Kwesi Williams. Twenty-five Eagles have been named to the All-Pioneer Football League teams over the past six seasons.

Unger (2001-04) also earned Academic First-Team All-America honors in 2003 and Second-Team Academic All-America honors in 2004. He was the PFL South Division Co-Defensive Player of the Year in 2003.

Statistically, Byrd led all of NCAA Division

I-AA in passes defended in 2003. Current senior linebacker Wes McDermott led the PFL in tackles and tackles-for-loss in 2008 and set the MSU single season record for tackles behind the line of scrimmage.

Gilliam earned a bachelor's degree from MSU in 1987. He added a master's degree from Union in 1990.

He is married to the former Melissa Childs of Fairfield, Ohio. They have a daughter, Caitlin Nicole, and two sons, Austin William and Mason Clark.

Gary Dunn

Offensive Coordinator/Offensive Line

Gary Dunn is in his 13th season as an assistant coach at Morehead State University and is now in his 10th campaign as offensive coordinator.

In addition to his coordinator duties, he is in charge of the Eagle offensive linemen and assists with special teams.

The Eagle offense under Dunn won national statistical championships in scoring offense and total offense in 2000, and the Eagles have consistently ranked among the nation's leaders in those categories throughout Dunn's tenure. The 2005 Eagles ranked 12th in total offense among all NCAA Division I-AA schools (116 teams ranked), averaging 432.9 yards per game. MSU was seventh nationally rushing, averaging 256.5 yards per game. The Eagles averaged 33.9 points per game, 18th best in Division I-AA.

Ballard on Dunn

Gary attacks both his offensive and academic responsibility with our young men with the same vigor and commitment. He has instilled a toughness and flexibility within our offensive unit and line play.

In his years as offensive coordinator, quarterback David Dinkins and offensive linemen Jason Fights and Grant Jennings have earned All-America honors. Twenty-one Eagle offensive standouts have been named to the All-Pioneer Football League First Team. Quarterbacks David Caudill and Brian Yost have been named South Division Offensive Player of the Year.

Dunn was a four-year starter and an all-con-

ference performer as an offensive lineman at California University of Pennsylvania and joined the MSU staff after serving as an assistant coach at that school. He earned a bachelor's degree in 1995 and a master's degree in 1997, both from California (Pa.).

Dunn is married to the former Melissa Durka, MSU's senior associate athletic director and senior woman administrator for Eagle athletics. The Dunns have one daughter, Sydney (1).

Rob Tenyer

Halfbacks/Fullbacks/Recruiting Coordinator

Rob Tenyer is in his ninth season as an assistant coach at Morehead State University. In 2009, he will again work with Eagle halfbacks and fullbacks. He is also in his fourth season as MSU's recruiting coordinator.

In past seasons working with MSU running-

backs, Tenyer has mentored David White who earned All-Pioneer Football League South Division honors, Jabari McGee who has been named All-PFL South, All-PFL Second Team and NCAA Division I-AA Mid-Major All-America, and Eli Parkes who earned All-PFL South Division and Second-Team Mid-Major All-America honors. Last season, Erick Fitzpatrick was named All-PFL.

A native of Marine City, Mich., he joined the Eagle staff after serving as an assistant football coach at Centre College in Danville, Ky.

Prior to going to Centre, he was a graduate assistant coach at California University (Pa.). He also worked as a player/coach with the Landsberg, Germany, Professional Football Team. He led Landsberg to a 15-1 record, passing for 2,576 yards and 33 touchdowns and rushing for 239 yards and eight scores.

Tenyer is a graduate of Marine City High School. As a prepster, he was a three-sport standout, earning all-league honors in football, basketball and baseball.

He holds a Bachelor of Arts degree from Olivet (Mich.) College. At Olivet, he was a four-year letterwinner at quarterback. He served as team

captain as a senior. In 2007, he earned a master's degree at MSU.

Tenyer is married to the former Jane Kelly, a graduate of MSU and director of the University's Wellness Center. Their daughter, Brooke Martharose, is two.

Chris Garner

Defensive Line/Strength and Conditioning Coordinator

Chris Garner is in his sixth season as an assistant football coach at Morehead State University.

Garner, a former assistant coach at Cumberland College and at the University of Findlay, will again coach the Eagle defensive line and serve as strength and conditioning coordinator.

Garner's defensive line unit has been one of the toughest in the PFL. In 2008, Derik Steiner and Andrew Doan earned all-conference honors and the Eagles ranked sixth in the nation in the Division I Football Championship Subdivision in rushing defense.

Garner played at Aiken High School in Cincinnati, Ohio, where he earned all-city honors as an offensive and defensive lineman.

He was a four-year letterwinner and a three-year starter at Findlay, where he earned all-conference honors.

During Garner's collegiate playing career, Findlay posted a four-year record of 36-9-2 and advanced to the NAIA playoffs each season. The 1995 squad finished 10-1-2 and won the NAIA National Championship. During his senior season in 1996, Findlay won its first 12 games before losing in the national semifinals.

Following his playing career, Garner spent four years on the Findlay coaching staff, assisting one season with the defensive line and three seasons with the tight ends and tackles.

From Findlay, he joined the staff at Cumberland College (now University of the Cumberlands) and

spent two years coaching the defensive line.

He holds a bachelor's degree from Findlay and has completed most requirements for a master's degree.

Garner is married to the former Stephanie Menifee. They have two daughters, Ryan and Casey Nicole.

Paul Humphries

Defensive Backs

Paul Humphries is now in his third season as an assistant football coach at Morehead State University. The native of Chesnee, S.C., will again direct the Eagle defensive backs.

Among his secondary standouts is two-time

All-American David Hyland who led the nation in interceptions per game in 2007.

Prior to joining the Morehead State staff, Humphries was a collegiate assistant at several schools. In 1999 and 2000, he was on the East Tennessee staff. In 2001, he served at Cumberland, and in 2002 he was an assistant coach at Coastal Carolina.

He was the defensive coordinator at Belhaven College in 2005 and at Bacone College in 2006.

He was an assistant coach at Sumter (S.C.) High School in 2003 when the school finished as state runners-up. He was on the staff of state champion Byrnes (S.C.) High School in 2004.

Humphries is a graduate of Wofford College (1997) with a bachelor's degree in sociology/education. As a player at Wofford, Humphries earned NCAA Division I-AA All-American honors in 1994. After college, he was signed by both British Columbia (1997) and Toronto (1999) of the Canadian Football League.

An outstanding prepster in Chesnee, he once

held the South Carolina state high school record with 31 career interceptions.

Humphries has a daughter, Whitney Mackenzie Jacks, of Bridgeton, N.C.

Ballard on Humphries

Paul has a tireless work ethic to go along with outstanding teaching skills that have enabled our secondary to soar to a new level. His impact has also been felt in our special teams play as well as the classroom.

Marc Bacote

Wide Receivers Assistant

Marc Bacote is in his second season on the Morehead State University football staff. The native of Hampton, Va., will continue to assist with the Eagle wide receivers.

After a standout prep career at Hampton High School and at Fork Union Military Academy, Bacote lettered four seasons at James Madison University. After his collegiate career, he played professional football in the Arena2 League from 2003-07.

Bacote completed his bachelor's degree in kinesiology at James Madison in 2008 and was a volunteer coach with the JMU football program in 2007.

Ballard on Bacote

Marc is a very bright young coach whose passion and energy has really raised the level of play by our receivers.

Patrick St. Louis

Graduate Assistant

Patrick St. Louis is in his first season as a graduate assistant at Morehead State University Football. He will work with the offensive line. St. Louis, a native of Belton, Mo., attended Missouri Western State University where he played football and earned a bachelor's degree in physical education in 2008. Last year, he was a student assistant at MWSU where he worked with the offensive line.

Ballard on St. Louis

Patrick joins our staff as a young man with a very solid understanding of the game. He will be a big asset for our young men.

Ryan Meenach

Graduate Assistant

After finishing his four-year career as an Eagle linebacker, Ryan Meenach is now in his first year on the Eagle coaching staff. A native of nearby Catlettsburg, Ky., Meenach was named three times to the Pioneer Football League Academic Honor Roll. In 2008, he had 19 total tackles. Meenach began his career in 2004 as a red-shirt. He will work with the Eagle secondary this year.

Ballard on Meenach

Ryan made a tremendous difference here at MSU as a student-athlete and we are fortunate that he has decided to start a bright future in coaching as a member of our staff.

Don Adams

Videographer

The "man behind the camera" for Morehead State football is Don Adams. He handles the MSU coaches' video for all games. Adams is now in his fourth season with the Eagle football program.

He retired in 2002 after 30 years in emergency medical services, the last 10 years as director of the Morehead/Rowan County EMS. A native of Bowling Green, Ky., he also worked for the Bowling Green ambulance service and in the safety department for that

city's Corvette plant.

He holds an associate degree in emergency medical services from Eastern Kentucky University and is married to the former Darlene Pinkerton of Merrill, Wis.

Eagle Analysts

Former Eagle Quarterbacks Make Their Marks in Network Television

Two former Morehead State University quarterbacks transformed playing and coaching careers into positions in television sports and are among some of the best known analysts in the industry. Phil Simms (left) had a long and distinguished career with the New York Giants and was named Most Valuable Player of Super Bowl XXI. He is currently the lead game analyst for the NFL on CBS. After his playing career at MSU, Mike Gottfried (right) became a college coach. He served as head coach at Murray State, Cincinnati, Kansas and Pittsburgh before becoming a college football analyst for ESPN.

*Denotes Pioneer League Game

The Pioneer Football League

The 2009 season marks the 17th year for the Pioneer Football League – the nation's only non-scholarship NCAA Football Championship Subdivision conference.

The league will expand to 10 members in 2009 as Marist College begins conference play. In addition, the Pioneer Football League will participate for the third consecutive year in the Gridiron Classic, a postseason championship game which pits the PFL champion against the Northeast Conference champion.

The PFL is one of only two conferences that sponsor football as its only sport (the Missouri Valley Football Conference being the other). However, the PFL is a truly national conference with members on each coast and throughout the nation's heartland. The league still retains four of its charter members – Butler University, the University of Dayton, Drake University and

Valparaiso University, plus the University of San Diego (joining in 1992) – which were joined in 2001 by Davidson College, Jacksonville University and Morehead State University. Campbell University joined the PFL in 2008, its first season of intercollegiate football.

In January 1991, the NCAA passed legislation to require Division I institutions to sponsor all intercollegiate sports at the Division I level. The five charter members (Evansville the fifth before dropping football in 1997), each dedicated to the enhancement and sound management of intercollegiate football as an integral part of the student-athletes' collegiate experience, joined together to form the Pioneer Football League. From the league's inception, it has been a proponent of the creation of a non-scholarship football classification within Division I and adopted the moniker of Pioneer based on the intent to become the first league in that new division. The PFL is comprised of NCAA Division I universities that previously sponsored intercollegiate football at other levels with the exception of Jacksonville, which started a non-scholarship program in 1998. All are currently committed to the non-scholarship football model.

The PFL began play in 1993 with Dayton winning the league's first crown. The league spent

its first season in 1993 under the administrative guidance of the Midwestern Collegiate Conference, and the office moved to St. Louis in 1994 when current commissioner Patty Viverito was named the PFL commissioner, a leadership position she continues to fill.

The Gridiron Classic

Entering its fourth season, the Gridiron Classic matches the champions of the Pioneer Football League and Northeast Conference in an exempted postseason football contest. The inaugural Gridiron Classic took place Dec. 2, 2006 with PFL Champion San Diego traveling to NEC Champion Monmouth, San Diego posting a 27-7 victory in front of a national television audience.

Morehead State Eagles

Welcome To Morehead State

Meeting the educational needs of East Kentucky while striving to constantly improve the quality of its public service, economic development and applied research programs are the primary objectives of Morehead State University.

The Little Bell Tower

Historically, the University traces its lineage to the Morehead Normal School, which opened its doors in 1887. The private school closed in the spring of 1922 when the Kentucky General Assembly established Morehead State Normal School. The state institution accepted its first students in the fall of 1923 and graduated its first class in 1927. Name changes occurred in 1926 when “and Teachers College” was added, again in 1930 when it was shortened to Morehead State Teachers College, again in 1948 when “Teachers” was dropped and, finally, to university status in 1966. Thirteen men, starting with Frank C. Button, have served as president. Dr. Wayne D. Andrews assumed office as the 13th president on Jan. 1, 2005.

Academically, the University offers 78 undergraduate degree programs, including 8 associate level degrees and 12 pre-professional programs in four colleges, Business and Public Affairs, Education, Caudill College of Arts, Humanities and Social Sciences and Science

Button Auditorium

and Technology, and 20 academic departments. There are 51 graduate degree programs plus 42 graduate level non-degree programs designed especially for professional educators. The education specialist in five specialty areas also is offered. A master's degree for physician assistants, social workers and a cooperative doctoral program, all with the University of Kentucky, are available on the MSU campus.

Classes are conducted in Ashland, Jackson, Maysville, Mt. Sterling, Pikeville, Prestonsburg, West Liberty and other locations. Regional campuses located in Ashland, Jackson, Mt. Sterling, Prestonsburg and West Liberty are staffed with full-time directors. Additionally, the University offers a number of distance learning courses throughout the region via the Internet and interactive compressed video. Sixty-five percent of MSU's 384 full-time faculty members hold doctoral degrees.

Adron Doran University Center

Physically, the University is located in the foothills of the Daniel Boone National Forest in Rowan County. The nearly 500-acre main campus within the city limits of Morehead includes more than 50 major structures with a total replacement value of more than \$144 million. Beyond the city, the University's real estate holdings include the 320-acre Derrickson Agricultural Complex and the par 72, 6,902-yard Eagle Trace Golf Course. The instructional plant includes 120 classrooms and 112 laboratories. Housing facilities include space for approximately 2,600 students in a variety of housing styles including traditional residence halls, suites and apartments.

Fiscally, the University currently operates on an annual budget of \$122.5 million with

about \$46.6 million provided by the state and \$52.8 million coming from tuition and fees. Additionally, grants and contracts from external sources for research, service and academic/student support projects generate more than \$15 million each year. Annual private donations to the University, through the MSU Foundation, Inc., average \$3 million annually.

Statistically, the University has awarded more than 50,000 degrees and currently has more than 1,100 full-time employees. Enrollment for fall 2007 was 9,066, with the student body representing 100 Kentucky counties, 45 states and 36 foreign countries. The University attracts more than 50,000 visitors annually and its economic impact, directly and indirectly, on the Morehead area is estimated at more than \$80 million yearly.

Administratively, an 11-member Board of Regents governs the University with eight citizens appointed by the governor and three seats held by elected faculty, staff and student representatives. Management of the institution is vested primarily in six divisions Academic Affairs, Administration and Fiscal Services, Development, Planning, Budgets and Technology, Student Life, and University Relations with each headed by a vice president.

Athletically, the University sponsors 16 intercollegiate sports for men and women in accordance with the regulations of the Ohio Valley Conference, the Pioneer Football League and Division I of the National Collegiate Athletic Association. MSU also supports an intramural program involving more than 25 team and individual sports.

A new state-of-the-art computer center and resource center, which was also recently updated in 2008, are available in the Academic-Athletic Center.

Academic Athletic Coordinator Valerie Ousley and her staff of students and volunteers also provide academic monitoring, tutoring and counseling in the new Academic Center.

On a year-by-year basis, Morehead State student-athletes continually rank among the best in the Ohio Valley Conference, and the athletic department won the OVC's Institutional Academic Achievement Award, four straight years. In all, MSU has now claimed an OVC-record 10 Academic Achievement Banners.

In addition, the Morehead State volleyball, women's basketball, women's tennis, baseball, men's tennis, softball and men's track teams have each won the OVC individual sport Academic Achievement

Student-Athlete Computer Lab

Award for having the highest percentage of student-athletes named to the OVC Commissioner's Honor Roll in the last four years. Individual teams have also shown success in the classroom while excelling in the field of play. The rifle team was named an All-Academic Team by the National Collegiate Rifle Coaches Association, and the volleyball team has won a Team Academic Award by the American Volleyball Coaches Association.

The MSU athletic department also has had a large number of student-athletes awarded an Ohio Valley Conference Medal of Honor, including 14 for 2008-09.

Sports Medicine

The Sports Medicine Program at Morehead State offers student-athletes the most up-to-date professional services available. Led by head trainer for men's sports Jamey Carver and head trainer for women's sports Sara Larson, the Sports Medicine Department allows athletes a wide ange of options for prevention, treatment and rehabilitation of injuries.

One of the major support services offered is the main athletic training room located adjacent to Jayne Stadium. The facility contains four whirlpools, four electric stimulators, four ultrasound units and nine treatment tables, along with a variety of other services and equipment. Each athletic team has a full-time or graduate assistant athletic trainer assigned to them, and each of MSU's trainers are fully trained and accredited to perform life-saving and injury treatments. The training staff also utilizes two remote facilities in the Academic-Athletic Center and Wetherby Gym.

Both facilities have state-of-the-art equipment. The training staff also works closely with the Caudill Health Clinic on campus in Allie Young Hall and with St. Claire Regional Medical Center.

MSU Sports Medicine and St. Claire Regional Medical Center work together.

Head Men's Trainer

Jamey Carver is now in his eighth year on the staff of the athletic department at MSU and was recently promoted to Head Men's Trainer. Carver was a former intern with the Eagle athletic training department before joining the staff full time. Carver's main responsibility has shifted to football after serving as the men's basketball trainer for several seasons.

A former graduate assistant athletic trainer at

University of Kentucky, he earned his master's degree in kinesiology from UK. Carver earned a bachelor's degree in exercise science from Northwestern State University in Natchitoches, La.

He is married to the former Brandy Morris, a teacher in the Rowan County school system and a former soccer star at MSU. They have two daughters, Mia, 2, and Ava, who was born June 1 of this year.

Sara Larson, A.T.C.

Head Women's Trainer

Sara Larson is in her eighth year on the MSU staff and now in her second full year as the Head Trainer for Women's Sports. Larson's tenure at Morehead State started in the fall of 2002 as a graduate assistant and then she was promoted to Assistant Athletic Trainer in January of 2005.

Her main responsibility includes coverage of women's basketball. Larson also serves as an adjunct professor in MSU's Health, Physical

Education and Sport Sciences Program. She earned her master's degree in Health, Physical Education and Sports Sciences with an emphasis in Sports Management from MSU in 2004 and earned a bachelor's degree in Nutritional Sciences from University of Missouri in 2002. She is currently pursuing her doctorate from the United States Sport Academy in Sports Medicine Administration.

Strength and Conditioning

The strength and conditioning program at Morehead State provides student-athletes with the best possible physical and mental training to help them perform at their peak potential.

Under the direction of head coach Kevin Deweese, the individual sport programs focus on physical and mental training and nutrition for that particular sport as well as particular athletes. Deweese and his staff develop programs that will help athletes reach their maximum potential and prevent injuries. Athletes have several options for weight training with the centerpiece of the

program being the Phil Simms Weight Training Center. Funded by former Morehead State and NFL star quarterback Phil Simms, the center houses weight machines and free weights and is located adjacent to Jayne Stadium. The center has ample space for several teams to train at the same time. Athletes also utilize the weight center in the Academic-Athletic Center. Free weights, as well as state-of-art machines, are located in the facility.

Stressing the whole body, the strength and conditioning program at Morehead State also helps athletes reach their potential in the fields of

agility and speed. Deweese and his staff make sure athletes are ready for game action with speed drills and agility training tailored to each sport. The staff also oversees off-season workouts and nutrition programs to make sure Eagle student-athletes are in shape when the season begins.

MSU student-athletes have been honored for their work in the weight room. In 2008-09, women's basketball senior and baseball senior Josh Barnes were named All-American Strength and Conditioning Athletes by the National Strength and Conditioning Coaches Association.

The Phil Simms Weight Training Center is the centerpiece of the MSU Strength and Conditioning Program.

Kevin DeWeese

Head Strength and Conditioning Coach

Kevin DeWeese is in his fifth year as head strength and conditioning coach at Morehead State. He is in charge of all aspects of physical training and conditioning for all of MSU's

16-sport athletic department. In just a short span, DeWeese's programs have already begun to show results as Morehead State athletes have benefited from his knowledge of weight training, physical training and nutrition counseling.

DeWeese came to Morehead after serving as an assistant strength and conditioning coach at the University of Tennessee-Chattanooga. With the Mocs' athletic program, he was in charge of several aspects of the overall program for all sports. He was also instrumental in nutrition counseling for UTC's athletic teams.

Prior to UTC, DeWeese served as a part-time assistant in the University of Kentucky strength and conditioning program for football from 2003-05. In addition, he served as a strength and conditioning intern at UK from 2001-03, where he directed all aspects of the baseball strength program.

DeWeese has his "Club Coach Certification" from USA Weightlifting. Two MSU student-athletes who were mentored by DeWeese were

named All-American Strength and Conditioning Student-Athletes in 2008-09.

A member of the National Strength and Conditioning Association (CSCS), DeWeese graduated from the University of Kentucky in 2004 with a bachelor's degree in kinesiology/exercise science.

Athletic Facilities

Johnson Arena

Located inside the Academic-Athletic Center is the home to the Eagle basketball programs. Johnson Arena seats 6,500 and recently received a new facelift on the arena floor with the new Eagle logos. The arena also houses both locker rooms, visiting locker rooms and a remote training facility as well as many of the athletic department offices.

Wetherby Gym

It serves as the exclusive home to the Eagle volleyball program. The former home of the men's and women's basketball teams, Wetherby houses the coaching staff offices as well as refurbished locker rooms and a new video room for the Eagle volleyball team.

Eagle Trace Golf Course

Located in rural Rowan County and completed in 1995, Eagle Trace is the newest official athletic facility as it was acquired by the University in 2007. It is now the home course for the MSU golf programs, including the new women's program starting in Fall 2008. A beautiful and challenging 18-hole course, Eagle Trace has hosted a Kentucky State men's and women's amateur championship and has also hosted the Kentucky State High School Tournament.

Jayne Stadium

Jayne Stadium houses the Eagle football and soccer programs and serves a practice facility for many of the other outdoor teams. During the summer of 2009, the field, named in honor of donors Terry and Susan Jacobs, had new state-of-the-art Astroturf Game-Day Grass installed.

Allen Field

Named for former Eagle great Sonny Allen, the field is home to the Eagle baseball program. The concrete grandstand houses home and visitor locker rooms, umpires' dressing room and the Eagle coaching staff offices.

University Field

Serving as the home for Eagle softball, University Field is located behind Allen Field on campus. Recently, additional seating was added as well as a new backstop and public address system. Major improvements have also been made to the field in the last three years.

George A. Sadler Courts

The courts are the home to the Eagle tennis program. Named for former Eagle standout coach George A. Sadler, there are six lighted courts for daytime and nighttime competition.

Button Rifle Range

Located inside historic Button Auditorium on campus, the range houses the Eagle Rifle program and hosted the 2007-08 Ohio Valley Conference rifle championships.

Compliance Letter

Dear Friends:

Morehead State University is committed to upholding the highest integrity within all procedures and practices of the athletic department. We are pleased to publish this note as a reference to understanding often confusing NCAA regulations.

The NCAA defines "representatives of athletic interests" as alumni, friends and boosters of the University. All member institutions are held accountable for their representatives' actions. One violation could jeopardize the eligibility of any or all Eagle athletic programs.

As a general rule, anyone who has financially supported Eagle Athletics, been a member of any booster organization, or who has supported Eagle Athletics is considered a "representative" of Eagle Athletics.

Prospective student-athletes can be defined as a student who has started classes in the ninth grade or any younger student-athlete who has received a benefit from the institution. These individuals may only be recruited by MSU coaches who have passed the NCAA Recruiting Rules Examination. While "representatives" of Eagle Athletics may speak to any of these individuals via telephone or in person, a recruiting effort must not be made. Also, no student-athlete or prospective student-athlete may receive any extra benefit outside of the support provided by the institution. For any questions regarding this description, please contact me at 606-783-5136.

These are certainly not all the regulations any "representative" of Eagle Athletics must remember. However, they provide a good outline of the types of things that could endanger the eligibility of any MSU Athletics program. Again, feel free to contact us if you have any questions. Thanks again for your support of Morehead State Athletics.

Sincerely,

Richard Fletcher

Associate Director of Athletics/Compliance

These artist renderings represent many of the major proposed improvements, additions and new facilities outlined in the Morehead State Athletic Facilities Master Plan.

New Administration Building

The new administration building will be located on the south end of Jayne Stadium and will house all administrative offices, most coach's offices and football team facilities. The building will also house soccer and cross country locker rooms and serve as the site to strength and conditioning activities and the sports medicine operation.

Jayne Stadium

Jayne Stadium will be completely renovated with new grandstand seating on the home sideline as well as a new press/luxury box tower atop the home sideline grandstand. The new press tower will house a spacious press work area, the President's Box as well as space for luxury boxes and a club seating area. Visitor locker rooms will be renovated, and the visitor sideline grandstands will be completely renovated. The road leading into Jayne Stadium will be re-routed and will serve as an entrance to the new athletic complex. The current track will be removed, and the home sideline grandstands will also be moved closer to the field, giving fans excellent sightlines and a feel of being closer to the action.

Academic Center

The first phase of the plan, already underway, is the expansion of the current Wellness Center to become the new Academic Center. Once completed, it will house computer labs, offices and study halls and will be a valuable asset to the academic success of Morehead State's student-athletes.

Indoor Practice Facility

The indoor practice facility will be located on the present site of University Softball Field and will serve as a valuable practice facility for all of MSU's teams.

Softball Facilities

A new softball stadium will be built on the Northwest side of the current Academic-Athletic Center. The facility will have home and visiting locker rooms and a spacious press box. Also planned is a softball team locker room facility as well as an artificial turf infield practice area for use by all outdoor teams. Behind the new stadium, a golf chipping and putting green is also in the plan to be constructed.

Baseball Facilities

The Allen Field grandstand will be reconstructed and modernized, and plans are to extend the current right field "short porch" area to a more-spacious field area. A new press box will be built atop the grandstand.

Tennis Facilities

The current Sadler Courts will be renovated. The new facility will have 12 lighted courts and ample stadium seating for spectators. Team facilities as well as ample storage and restroom facilities will be located in the expanded Academic Center adjacent to the courts.

Morehead State Nondiscrimination Statement

Morehead State University is committed to providing equal educational opportunities to all persons regardless of race, color, national origin, age, religion, sex, sexual orientation, disabled veterans, recently separated veterans, other protected veterans, and armed forces service medal veterans, or disability in its educational programs, services, activities, employment policies, and admission of students to any program of study. In this regard the University conforms to all the laws, statutes, and regulations concerning equal employment opportunities and affirmative action. Morehead and the Gateway Region

Morehead, Ky., is a community of nearly 10,000, nestled in the foothills of the Appalachian Mountains in the Daniel Boone National Forest. It serves as the educational, medical, recreational and cultural center of rural northeast Kentucky and is located in the state's Gateway Area. Morehead also is known as the "Hardwood Capital of the World." Situated on the state's major east-west highway, Interstate 64, Morehead is 58 miles west of Ashland, Ky., and the border of West Virginia, and 66 miles east of Kentucky's second-most populated city, Lexington.

Its centralized location allows many parts of the Eastern and Midwestern United States to be readily accessible. Among the major cities within a day's drive are Washington, D.C.; Baltimore; Charlotte; Raleigh, N.C.; Atlanta; Knoxville, Tenn.; Nashville; Cincinnati; Dayton, Ohio; Columbus, Ohio; Cleveland; Pittsburgh; Indianapolis; Detroit; Chicago; St. Louis; Memphis; Birmingham, Ala.; and Louisville, Ky.
