Over the course of its existence, the facility has been known as the Mankato Civic Center, Midwest Wireless Civic Center (1999), Alltel Center (2007), Verizon Wireless Center (2009) and Verizon Center (2017). It reverted to Mankato Civic Center in 2019 after the naming rights contract with Verizon lapsed, but was branded Mayo Clinic Health Service Event Center midway through the 2019-20 season.

Prior to moving into the Civic Center in 1994-95, All Seasons Arena (originally known as the Ice Palace) served as home of the Mavericks beginning in 1974-75. The Mavericks, which became a varsity program in 1969-70, played on an outdoor rink located off Glenwood Avenue adjacent to the Health and Physical Education building (no longer exists) in downtown Mankato until All Seasons Arena was constructed and opened prior the start of the 1974-75 season.

MINNESOTA STATE AT HOME

The Mayo Clinic Health System Event Center has served as the home of Minnesota State men's hockey since 1994-95. MSU went 20-1-0 in home games in 2021-22 and in 30 seasons in downtown Mankato have had 24 winning years.

Minnesota State enjoyed an 11-year run as members of the Northern Collegiate Hockey Association from 1981-1992.

The Northern Collegiate Hockey Association was created in the early 1980's from a combination of NCAA Division II and III college programs belonging to the defunct International College Hockey Association (ICHA) and the Western Intercollegiate Hockey Association (WIHA).

The league officially formed on June 1 of 1980, when formal approval came from the administrators of the six charter members: Bemidji State, Mankato State, St. Cloud State, Wisconsin-Eau Claire, Wisconsin-River Falls and Wisconsin- Superior.

League play began on an unofficial basis in 1980-81 with six teams playing an unbalanced schedule. The 1981-82 season marked the first formal campaign of NCHA play with each tea playing 20 league games with the exception of Mankato State and UW-Superior, which played 18.

St. Scholastica entered the league in 1983-84 to bring the team total to seven. St. Cloud State dropped out after the 1986-87 season as the Huskies reaffiliated to NCAA Division I, but with the addition of Wisconsin-Stevens Point at the same time, the number of league teams stayed at seven.

The schedule remained unbalanced for the first six years of the league with some teams playing each other four times and the other teams two times. That changed in 1987-88 when league administrators decided to implement balanced 24-game schedule. A league post-season tournament was instituted in 1985-86 with the top four teams playing a best of three series on two consecutive weekends.

Mankato State, which captured co-regular season titles in 1985-86, 1986-87 and 1990-91, left the league following the 1991-92 season, eventually joining the Divison I ranks in 1996-97.

Bemidji State dropped out following the 1999 season, and not unlike St. Cloud State and Mankato State, also re-affiliated to NCAA Division I.

In the summer of 2012, the five schools in the University of Wisconsin System announced that they would leave the conference to begin playing hockey in their all-sports conference, the Wisconsin Intercollegiate Athletic Conference. The move would have left only two men's teams in the NCHA, leading St. Norbert and St. Scholastica to join the Midwest Collegiate Hockey Association (MCHA). In April 2013, the NCHA and MCHA announced a merger, where the NCHA would absorb the MCHA's teams (of the MCHA's 10 schools, all seven who also sponsored women's hockey played in the NCHA).
