

Spartan Public Ticket Transfer FAQ

What is Ticket Transfer?

Ticket Transfer allows Spartan season ticket holders to transfer their tickets to another MSU fan **PRIOR TO THE GAME**. This process will void the barcode on the original ticket and a new ticket will be emailed as a print at home ticket or printed and left at will call.

What is the deadline to transfer Spartan Ticket(s)?

Three transfer steps must be completed by the start of the game.

1. Invitation to transfer must be **SENT** to potential recipient
2. Invitation must be **ACCEPTED** by recipient
