Priority for issuance of credentials will be given to daily newspapers and television stations which regularly cover the hockey program. All credentials for print media are issued on basis of circulation. Upon acceptance of application, appropriate credentials are held for pickup at the media will-call window at the media entrance (east entrance of Munn).

Credentials are non-transferrable and must be displayed at all times. A credential is issued only to an accredited agency's employee who has a legitimate working function in connection with the event. Children under 12 or of NCAA prospect age are not permitted in the MSU press facilities.

WEEKLY PRESS CONFERENCE

MICHIGAN STATE UNIVERSITY ADMINISTRATION

SAMUEL L. STANLEY JR., M.D.

UNIVERSITY PRESIDENT

Samuel L. Stanley Jr., M.D., was selected by the Michigan State University Board of Trustees as MSU's 21st president, effective Aug. 1, 2019. Since his arrival at MSU, Dr. Stanley has moved decisively to ensure the university is a safe, respectful and welcoming place for all. Student success and well-being and continuing to grow MSU's extraordinary regional and global impact are his top priorities.

His infectious disease research background has informed MSU's response to the COVID-19 pandemic as he leads the university's work to safely advance its mission of education, research and outreach.

Stanley launched a comprehensive strategic planning process for the university, created a diversity, equity and inclusion planning committee and appointed two relationship violence and sexual misconduct expert advisers. He has overseen several changes in the institution's administration, organization and programs to improve services, operations and accountability.

Continuing to expand the university's research enterprise is another priority. MSU's research portfolio totaled \$725 million in 2019 expenditures. MSU's \$730 million Facility for Rare Isotope Beams is planned to begin scientific user operations ahead of schedule and on budget in 2022. Operating at the frontiers of nuclear science, it will yield insights into the nature of the universe as well as practical discoveries to enhance everyday life. FRIB reached a milestone in 2020 when the U.S. Department of Energy designated it a DOE Office of Science user facility.

A researcher, patent holder and former technology transfer executive, Stanley supports academic and industry collaborations to leverage both their economic impact and the potentially enormous contributions they can make to society.

Stanley also reorganized oversight of the university's three medical colleges and its clinical services into a health sciences entity. And, in January 2021, MSU signed a 30-year agreement with the Henry Ford Health System in Detroit to foster groundbreaking research, best-in-class cancer care and health care professional diversity while improving access in traditionally underserved communities. In another collaborative relationship, MSU and Apple Inc. agreed to partner on a Developer Academy in Detroit, the company's first such skills development facility in the United States.

Active in higher education organizations, Stanley sits on the boards of the Association of Public and Land-grant Universities, the University Innovation Alliance and the Michigan Association of State Universities. He is an engaged member of Michigan's University Research Corridor, Business Leaders for Michigan and the Association of American Universities, having served previously on the AAU board. Stanley holds appointments to the Michigan Employment Relations Commission's Health Care Advisory Committee and the McKinsey & Company Taskforce on Higher Education and Opportunity. He also is a past member of the NCAA Board of Directors and NCAA Board of Governors.

Born in Seattle, Stanley earned a Bachelor of Arts in biological sciences (Phi Beta Kappa) from the University of Chicago. After earning his medical degree from Harvard Medical School, he completed resident-physician training at Massachusetts General Hospital and then went to Washington University in St. Louis for a School of Medicine fellowship in infectious diseases. There, he became a professor in

the departments of medicine and molecular microbiology, recognizing the collaborative nature of his research.

A distinguished biomedical researcher, Stanley was one of the nation's top recipients of support from the National Institutes of Health for his research focusing on enhanced defense against emerging infectious diseases. He is an expert in the biological mechanisms that cells employ when responding to infectious agents.

Stanley has served as chair of the National Science Advisory Board for Biosecurity, which advises the U.S. government on issues related to the communication, dissemination and performance of sensitive biological research. He was a member of the National Advisory Allergy and Infectious Diseases Council at the NIH and a member of the NIH director's Blue Ribbon Panel on the National Emerging Infectious Diseases Laboratories. He also served as an ambassador for the Paul G. Rogers Society for Global Health Research and has received an honorary doctorate in science from Konkuk University in South Korea.

Prior to becoming MSU's president, Stanley served as president of Stony Brook University on Long Island in New York. At Stony Brook, he focused on improving campus diversity and student success and elevated the university's research profile by supporting a new institute for artificial intelligence. He chaired the board of Brookhaven Science Associates, which manages Brookhaven National Laboratory on behalf of the U.S. Department of Energy.

President Stanley's wife, Ellen Li, M.D., Ph.D., is a distinguished biomedical researcher and gastroenterologist. In addition to her roles as a clinician and scientist, Dr. Li has tutored students in chemistry and mentored many students interested in biomedical research. Dr. Stanley and Dr. Li have four adult children.

ALAN HALLER

DIRECTOR OF ATHLETICS

A professional administrator with more than 20 years of experience in athletics, law enforcement and higher education, Alan Haller was appointed Vice President and Director of Intercollegiate Athletics on Sept. 1, 2021, by Michigan State University President Samuel L. Stanley Jr., M.D.

A former MSU football player and member of the track and field team as well as a former cornerback in the NFL, Haller joined MSU Athletics in 2010, following a 13-year career with the MSU Department of Police and Public Safety. He is credited with being part of the successful efforts to recruit MSU's all-time winningest coach Mark Dantonio and current MSU head football coach Mel Tucker. He also championed the addition of the department's inaugural chief diversity, equity and inclusion officer, Dr. Ashley Baker.

In his first year as athletic director in 2021-22, Michigan State finished 41st in the Learfield Directors' Cup standings, the highest finish for the department since 2014-15. Led by Big Ten Coach of the Year Mel Tucker, the football team won 11 games for just the sixth time in school history and finished in the top 10 of the national polls (No. 8 Coaches, No. 9 AP) after beating No. 12 Pitt.

in the Chick-fil-A Peach Bowl, marking MSU's second New Year's Six bowl win. Six teams earned team NCAA postseason bids, including men's and women's cross country, men's basketball, gymnastics, and men's and women's golf. The men's basketball team extended its Big Ten record with its 24th consecutive appearance in the NCAA Tournament, while the gymnastics team posted a team-record score and a program-best final ranking of No. 9 in the nation.

The Spartans also continued their excellence in the classroom over the past year, extending the department's run of compiling over a 3.0 cumulative grade-point average for the 23rd straight semester. In the spring of 2022, the department compiled a cumulative 3.2831 GPA, the second-highest in school history. Eighteen

teams delivered a 3.0 semester GPA and 19 teams are maintaining a 3.0 cumulative GPA, including five programs (women's golf, women's soccer, softball, baseball, women's basketball) that posted their highest cumulative GPA in team history. In addition, 371 studentathletes were recognized on the Academic All-Big Ten

team, including a conference-best 11 honorees with perfect 4.0 GPAs in the fall, and 126 earned Big Ten Distinguished Scholar honors.

Now in his 12th year overall with MSU Athletics, Haller was promoted to Deputy Athletic Director in 2019 after serving as the Chief of Staff and Senior Associate Athletic Director the previous three years.

As a member of the department's senior executive staff, Haller's career in athletics placed him in numerous leadership positions. His role as Assistant Vice President and Deputy Athletic Director had him responsible for coordination of external relations, capital projects, athletics facilities, and event management. He assisted

with the department financial planning and management of the budget, led the facilities planning team, oversaw coordination and completion of a facility master plan, and supervised all athletics construction projects in addition to being a senior advisor to the Athletic Director.

Haller has extensive experience working directly with teams as a sport administrator, including football. He also has led coaching search committees, including playing a prominent role in the hiring of football head coach Mel Tucker in February 2020. Haller previously led the senior staff/sport administrator group responsible for administration of all varsity sports and provided leadership, direction, and supervision to sport supervisors.

As the head administrator of the external relations team, Haller worked closely with athletic communications, marketing and the Spartan Fund to coordinate all aspects of planning, implementation, execution and measurement of the goals and objectives of the department's external units.

Haller also works directly with campus leadership in providing guidance to the department on a wide

range of issues, including serving as a liaison to the General Counsel's Office, Office of Institutional Equity, Residential and Hospitality Services, Student Affairs, and student governing organizations. He led the reopening/return to campus planning for Athletics Department in 2020 and is currently on committees for the Reopening Campus Taskforce; Community Relations Committee; Race, Diversity and Inclusion Group; and the Clery Compliance Committee.

A former Spartan football letterwinner, Haller's relationships with current and former student-athletes continues to be an important asset for the athletic department and the overall well-being of the student-athletes. He also helps manage student-athlete conduct and accountability.

Haller joined the athletic department as an Associate Athletic Director in 2010. In 2015, he was promoted to Senior Associate Athletic Director, and added Chief of Staff to his title in 2017.

Haller led the transition of the Varsity 'S' Club into being a fully integrated part of the MSU Athletics Department when was named the executive director in January 2013. The Varsity 'S' Club previously was run entirely by volunteer Spartan letterwinners. With the utilization of the resources of the athletics department, the collaboration has enhanced the club's ability to gather and engage all Spartan letterwinners through more involved interaction.

Prior to his appointment in athletics, Haller was a 1st Lt. for the MSU Police Department and served on the force for 13 years. While serving as a 1st Lt. for the MSU Police Department, Haller was in charge of the Uniform Division, which is the largest component of the department.

A four-year letterman as a cornerback for Coach George Perles from 1988-91, Haller earned honorable mention All-Big Ten honors as both a junior and senior and made three postseason bowl appearances with the Spartans (1989 Gator, 1989 Aloha and 1990 John Hancock). The former Lansing (Mich.) Sexton star, who also lettered in track at MSU, was selected by the Pittsburgh Steelers in the fifth round of the 1992 National Football League Draft. Haller spent three seasons in the NFL, playing for Cleveland (1992), Pittsburgh (1992-93) and Carolina (1995).

Haller holds a bachelor's degree in criminal justice from Michigan State and a master's degree in human resources from Central Michigan.

Clarence L. "Biggie" Munn Ice Arena has been the site of countless memorable games and the home of some of the greatest teams in Michigan State history. Now, the home of Spartan hockey has re-established itself as one of the top arenas in the country with a \$26.2 million expansion project that was completed in the fall of 2022. Munn Ice Arena regularly welcomes one of the best home crowds in the collegiate game and provides an undeniable advantage as Spartan teams have posted an all-time winning percentage of .669 in the building. Michigan State has ranked in the top 10 of attendance nationally in eight of the last nine years (excluding 2020-21). MSU's average home attendance of 5,432 in 2021-22 ranked ninth in the nation.

Munn, which was dedicated Nov. 1, 1974, has received its largest and most extensive expansion to date, as the addition which was completed in the fall of 2022 provides not only a new team dressing room, but also a video theatre, a state-of-the-art weight room, an athletic training room with its own cutting edge treatment availability, a player lounge, and brand new (and expanded) office space for the hockey staff. In addition, the facility finally has a "front door" - a main entrance with the Spartan "Hall of Hockey" - a showplace for the program's rich history. With continual improvements since the 2013, the facility also boasts high-definition video boards, LED ribbon boards, increased chairback seating, a recent replacement of all bleacher seating, increased ADA compliant seating sections. In 2013, Munn became one of the first college hockey arenas to install an LED lighting system, and the building's ice plant and HVAC systems were completely replaced, along with adding new boards and glass at the cost of more than \$6 million in 2015. The building has boasted luxury boxes and club seating since the 1999-2000 season.

When Munn Ice Arena, named in honor of late Spartan football coach and athletic director Biggie Munn, was built, it was a smashing attendance success. With the Spartans playing exciting and winning hockey, Munn Ice Arena drew 118,875 during its first year of operation in 1974-75 and 154,880 in 1975-76, a mark that still stands for total home attendance in one season. The Spartans sold out their game against Northern Michigan on Dec. 19, 1985, and Munn Ice Arena has routinely featured raucous home crowds since. Munn had a sellout streak which lasted more than 17 full seasons and 323 consecutive regular-season games from 1985-2004. MSU drew at least 100,000 fans for 25 consecutive seasons and set a single-season record with an average of 6,722 fans in 1986-87.

Designed by Daverman Associates of Grand Rapids as a hockey-only facility, Munn Ice Arena avoids the scheduling conflicts found in other buildings.

With nearly 3,000 chairback seats and several ADA platforms installed in 2015, the official capacity of Munn Arena is 6,114.

Adam Nightingale, a Spartan alumnus with hockey experience at the international, professional, collegiate and youth levels, was named the eighth head coach in Michigan State hockey history on May 3, 2022.

Nightingale's coaching trajectory includes stops at every level of competitive hockey. Whether at the top high school for developing young talent (Shattuck-St. Mary's), the United States National Team Development Program (USNTDP), collegiately at Michigan State, and with experience as both a video and bench coach in the NHL, the Spartan mentor has built a reputation of exceptional player development. Throughout his career, Nightingale has developed strong recruiting ties and professional relationships through all levels of hockey, helping him identify, coach, and develop young talent to reach their goals both on the ice and for life beyond hockey.

Prior to joining the Michigan State staff, Nightingale served as head coach at the US National Team Development Program in Plymouth, Mich. Guiding the top talent in the age group, he led his team to a silver medal at the U.S. Under-18 Men's World Championships in 2022. His U-18 squad played 15 games against Division I competition throughout the 2021-22 campaign, going 8-7 and recorded an additional three wins over Division III schools. His roster boasted 22 Division I commitments.

Nightingale has supported seven U.S. teams on the international stage, which includes his head coaching duties with the U18's in 2022 and as a coach for the bronze medal-winning 2021 U.S. Men's World Championship Team. Previously, he was video coach for the U.S. Men's National Team three consecutive years (2017-19), including for the bronze medal-winning 2018 squad. He was also the video coach for the 2015 U.S. National Junior Team.

Prior to his time with the USNTDP, the Cheboygan, Michigan, native spent four seasons on NHL staffs. From 2017-20, he was a member of the Detroit Red Wings organization. As an assistant coach in 2019-20, he was responsible for player development, pre-scouting opponents and running the penalty kill. He worked as the video coach for his first two years in Detroit, a role he also held for the Buffalo Sabres in 2016-17.

Before joining the pro ranks, Nightingale served as head coach of the Shattuck-St. Mary's 14U (Bantam) Team in Faribault, Minnesota, for two seasons (2014-16), leading the team to a national championship in 2016 as well as two years (2008-10) as the head coach of the Shattuck midget AA squad.

Between his stints at Shattuck, Nightingale was the director of hockey operations at Michigan State, serving at his alma mater overseeing all team video as well as team travel.

While he began his collegiate career at Lake Superior State, (2000-02), the final two seasons of Nightingale's collegiate playing career came at Michigan State (2003-05). Over a combined 118 games, he totaled 37 points (18g-19a). At MSU, he served as alternate captain for both of his playing seasons, and won the Spartan Fitness Award in 2004. Nightingale then went on to play parts of four seasons in the ECHL with the Gwinnett Gladiators, Greenville Grrrowl and Charlotte Checkers.

Nightingale's family includes his wife, Kristin, and three children, Trevor, Emerson and Keeton. His older brother, Jason, is the Assistant Director of Amateur Scouting for the Buffalo Sabres, while his younger brother, Jared, is also a Spartan alumnus and is currently the assistant coach for the Rockford Ice Hogs of the AHL.

Jared DeMichiel joined the Michigan State hockey staff as the first hire by head coach Adam Nightingale.

Since 2016, DeMichiel was been on staff at Massachusetts, first as an assistant coach and, since 2019, the associate head coach. One of the bright rising assistants in the collegiate game, he has spent the last six seasons at UMass with head coach Greg Carvel and helped lead the Minutemen to their first-ever NCAA Division I Men's Ice Hockey Championship in 2021, first-ever Frozen Four in 2019, and capturing Hockey East tournament titles in 2021 and 2022. Over his six seasons at UMass, DeMichiel was instrumental in turning a team which went 5-29-2 in 2016-17 when the staff arrived in Amherst to making the Frozen Four in year three (2018-19) and winning a national championship in year five (2020-21). Over his final four seasons at UMass (2018-22), the Minutemen compiled a record of 94-39-7 (.696).

In his six years, UMass had five All-America selections, two Hobey Baker finalists (and one winner), two Hockey East Players of the Year, one Hockey East Rookie of the Year, one Hockey East scoring champion, 18 All-Hockey East selections, and 103 Academic All-Hockey East selections.

During the national championship season, the Minutemen finished second in the nation in scoring defense at 1.66 goals per-game and ranked in the top-10 in the country in that category for a third straight season.

Eleven Minutemen were drafted in DeMichiel's time at UMass: Cale Makar (Colorado) and Mario Ferraro (San Jose) in 2017, John Leonard (San Jose) in 2018, Zac Jones (New York Rangers), Marc Del Gaizo (Nashville) and Lindberg (Minnesota) in 2019, Matthew Kessel (St. Louis) and Lucas Mercuri (Carolina) in 2020 and Scott Morrow (Carolina), Josh Lopina (Anaheim), Ryan Ufko (Nashville) and Taylor Makar (Colorado) in 2021.

DeMichiel first joined forces with Carvel at St. Lawrence (2014-16), where DeMichiel was the Saints' primary recruiter and he played a pivotal role as the Saints put together 20- and 19-win seasons with second- and fourth-place ECAC finishes, respectively, during his time in Canton.

DeMichiel got his start in coaching working under George Roll, starting the hockey program at Nazareth College (2011-14). In

three seasons of recruiting for Nazareth, his recruits collected one second team All-America honor, one ECAC West Rookie of the Year, five all-conference and four all-rookie honors for the Golden Flyers.

Since the summer of 2012, DeMichiel has worked the USA Hockey National Select Festival, as well.

A former Rochester Institute of Technology (RIT) goaltender, DeMichiel won three Atlantic Hockey Association regular season titles and one postseason AHA Championship in his four-year career. In his senior season he led all of Division I with 27 victories, was second in shutouts (six), seventh in goals against average and eighth in save percentage. He paced RIT to the 2010 Frozen Four and holds RIT's Division I record for career victories and wins in a season by a goaltender. In 2010, DeMichiel led the AHA in every major statistical category and was a first-team AHA all-star selection. He also was named Goaltender of the Year and made the AHA all-tournament team. DeMichiel was tabbed the Most Outstanding Player at the 2010 East Regional and was honored as the Rochester Press-Radio Club's 2010 Paychex Male College Athlete of the Year.

Following graduation, DeMichiel signed with the American Hockey League's Hershey Bears. He attended NHL training camps with the Washington Capitals and Boston Bruins. In addition to Hershey, DeMichiel played with Providence in the AHL as well as South Carolina Stingrays, Elmira Jackals, Kalamazoo Wings and Chicago Express of the East Coast Hockey League.

DeMichiel graduated from RIT in 2010 with a bachelor's degree in business management and he received his master's degree in management from Nazareth in 2014. A native of Harwinton, Connecticut, DeMichiel and his wife Kara have a daughter, Paige, and son, Jordan.

Mike Towns joined the Spartan hockey program as a part of Adam Nightingale's first staff in the summer of 2022.

Towns came to Michigan State after three years as an assistant coach at Clarkson University, where he helped guide his charges to three top-three finishes in the ECAC and an overall record of 55-25-13 in those seasons (.672). He also was a part of an American International (AIC) staff that recruited the players who jump-started the program's recent run of four straight regular-season and three consecutive tournament titles.

In the 2021 he helped guide the Golden Knights to a 21-10-6 overall record, a third-place finish in the ECAC (14-4-4) and a spot in the ECAC Semifinals at season's end. Clarkson was just outside the NCAA Tournament field, finishing with an NCAA Pairwise ranking of 16. The covid-impacted 2020-21 season yielded an 11-7-4 overall record, as only four schools in the ECAC had teams competing, and each played an abbreviated schedule.

In his first season with the Knights (2019-20), Clarkson skated to a 23-8-3 overall record and a second place 16-5-1 ECAC Hockey mark. The Knights were rated ninth in the final PWR before the COVID-19 pandemic forced an abrupt end to the college hockey season in early March.

Towns came to Clarkson after serving five years on the staff at American International College, including the 2018-19 campaign as the Yellow Jackets associate head coach. From his arrival at AIC in August 2014, Towns helped recruit and lay the groundwork for the most successful Yellow Jacket seasons in the program's history.

Elevated to AIC's recruiting coordinator with the hiring of Head Coach Eric Lang in 2016-17, Towns was instrumental in recruiting efforts that helped build the Yellow Jackets program under Lang, attracting quality players to Springfield which has resulted in four consecutive Atlantic Hockey regular-season championships (2019-22). Towns helped recruit head coach Eric Lang's first recruiting class for the 2016-2017 season, which was regarded as one of the best in the conference. The 2017-2018 season saw more

impressive recruiting efforts. The team set program records for wins in a season (15) and was able to host and win its first Atlantic Hockey Championship Tournament series. The Yellow Jackets continued improving and enjoyed unprecedented success in 2018-2019, once again setting a program record for victories (23), and winning both the Atlantic Hockey regular season and playoff championships. AIC excelled at the NCAA tournament as well, upsetting No. 1 St. Cloud State to advance to the West Regional Championship.

A native of Surrey, British Columbia, Towns spent four seasons in the BCHL playing with the Penticton Vees before attending Adrian College. At Adrian (2007-11), Towns was an alternate captain his first two seasons, and the team's captain in his junior and senior years. During his senior season, Towns captained the Bulldogs to the NCAA Division III Frozen Four, eventually losing in the national championship game.

Towns graduated from Adrian with a degree in Business Administration in Management, and completed his Masters of Business Administration at AIC in May 2016. Following his successful collegiate career, Towns embarked on a three-year professional career, making stops with the Denver Cutthroats of the CHL, the Idaho Steelheads and Ontario Reign in the ECHL.

Towns and his wife Dianna have a daughter, Avery.

BRAD FAST
DIRECTOR OF
PLAYER DEVELOPMENT

Former Michigan State hockey captain Brad Fast serves the Spartan Hockey program as the Director of Player Development.

Fast has a considerable background in player development in addition to his own experience as a high-level collegiate player and professional athlete. Previously the Director of Hockey Operations at MSU (2015-19), Fast comes back to his alma mater after a year and a half at Honeybaked Hockey Club in Detroit. There, he was the club's Director of Athlete Development where he worked alongside specialized professionals and coaches to create, implement, and oversee player development plans and best-practice teaching protocols.

The former Spartan defenseman has been involved in hockey skill development and coaching at every level, from youth hockey through working with professional athletes. He founded the East Lansing-based Elevation Hockey in 2011, a training organization that mentored players of all ages to enhance their skills and performance. He owned and was the head skills coach at Elevation while also serving as the hockey director of the Lansing Hockey Club. In that role, Fast oversaw the selection and education of coaches as well as planning the development of individual and team advancement.

A standout blueliner at Michigan State from 1999-2003, Fast compiled 114 career points in 164 career games and helped lead MSU to the Frozen Four in 2001. As a senior and team captain, he garnered both All-America and Academic All-America honors that season and was also named the CCHA's Best Defensive Defenseman. Fast's team-leading 35 assists in 2002-03 ranks as the seventh-highest single-season total by a defenseman in school history. Additionally, he was selected as the winner of the Dr. James Feurig Achievement and Service Award, honoring an MSU senior student-athlete who carries a minimum 3.0 GPA and is active in community service initiatives.

Fast was drafted by the Carolina Hurricanes in the third round of the 1999 NHL Draft, played one game for the club and a total of three seasons in the organization. In 2006, he moved overseas and played in Switzerland, Austria, Germany and South Korea until his retirement in 2011.

Fast, a native of Fort St. John, British Columbia, earned his Bachelor of Arts degree in general management and psychology from MSU in 2003. Fast and his wife, Lindsay reside in East Lansing with their three sons, Riley, Beckett and Gavin.

JOHN H. KOBBS

1925-30 (six seasons)
8-18-1 (.315)

Although popularly known for his longtime duties in the dugout for Michigan State's baseball team, John Kobs also served six seasons behind the bench as MSU's first hockey coach. Compiling an 8-18-1 record, Kobs's best year came in 1928 when the Spartans went 3-3-0. At one time, he had coaching duties in four sports: baseball, basketball, hockey and freshmen football. Kobs died in 1968 at age 69. He was inducted into the MSU Athletics Hall of Fame in 1993.

1950-51 (two seasons)

Harold Paulsen took the reigns of the hockey program after a 19-year layoff without a varsity team. His first of two seasons sported a 0-14-0 record, giving up 157 goals while only scoring 27. But his second season, the final season State was without a conference, showed vast improvement, finishing with a 6-11-0 record and a difference of only minus-30 in goal differential. Remembered as one of the greatest players in college hockey, Paulsen was an All-American at Minnesota from 1939 through 1941.

AMO BESSONE

1951-79 (28 seasons)
367-427-20 (.463)

Amo Bessone still ranks as the longest running hockey coach in Michigan State history, guiding the Spartans for 28 seasons. During his first tenure in 1951-52, his team tallied a win in his very first contest, defeating Ontario Agricultural College, 8-2, and also participated in conference play for the first time (MCHL). The 1957-58 season began to set the stage for the program in becoming one of the top schools in the nation. En route to completing its first winning season at 12-11, MSU tallied a school-record 18 goals against Ohio State. A year later, the Spartans would advance to their first NCAA tournament, bowing out to North Dakota, 4-3 in overtime, of the championship game. Seven years later, Bessone led Michigan State to its first national title with a 6-1 win over Clarkson, March 19, 1966, and was named Coach of the Year. In his final game with MSU, Bessone captured his 367th win of his career with a 5-3 victory over Michigan. Three former Olympians, Weldon Olson, Gene Grazia and Doug Volmar, were tutored by Bessone.

RON MASON

1979-2002 (23 seasons)
635-270-69 (.687)

The second-winningest college hockey coach in history, Ron Mason closed his career with a 924-380-83 career record, including a 635-270-69 mark with MSU and reached the NCAA tournament 19 times with the Spartans. In his first two seasons (1979-81), the Spartans belonged to the WCHA. As the CCHA developed in 1981-82, so did Mason's players. Michigan State won its first CCHA playoff championship in 1982, a run that would span four years, and also qualify for the NCAA tournament nine years in a row. It was not until the 1985-86 season where Mason claimed his first NCAA championship with a 6-5 victory over Harvard. MSU would also advance to the finals the following year, only to fall to North Dakota, 5-3. He would be honored April 26, 1992, with the Spencer Prose Award as the Coach of the Year. The 1992-93 season would become one of the most memorable for Mason. In November, he surpassed Amo Bessone to become Michigan State's winningest coach with win No. 368. With a 6-5 victory over Kent, March 12, 1993, Mason's career win total of 674 ranked him first on the U.S. all-time list. He won his 900th career game, a 2-0 victory over Ferris State on Oct. 20, 2001. The program's two Hobey Baker Award winners, Kip Miller and Ryan Miller, both played under Mason, who coached a total of 15 finalists for the award. He also mentored NHL players such as Bob Essensa, Craig Simpson, Rod Brind'Amour, Bryan Smolinski, Rem Murray, Anson Carter, Mike York and Shawn Horcoff. Mason passed away in June 2016 at the age of 76.

RICK COMLEY

2002-11 (nine seasons)
 186-140-39 (.563)

Rick Comley became the fifth head coach in Spartan hockey history on April 25, 2002. Comley is one of the top five winningest coaches of all time, and retired with an overall career record of 783-615-110. He led the Spartans to the 2007 NCAA title, the 2006 CCHA Championship, and a pair of Great Lakes Invitational titles (2004, 2006). He is one of just three coaches in college hockey history to lead two programs to NCAA Championships -- he captured the 1991 title, while at Northern Michigan.

Six Spartans earned All-America honors under Comley (Brad Fast and John-Michael Liles in 2003, and Jim Slater and AJ Thelen in 2004, Jeff Lerg in 2008, and Jeff Petry in 2010). Additionally, Slater was a Hobey Baker Finalist in 2005, and Lerg in 2008.

TOM ANASTOS

2011-17 (six seasons)
 78-122-24 (.402)

Tom Anastos was announced as the sixth head coach in program history on March 23, 2011, replacing Rick Comley, who retired following the 2010-11 season.

It was an out-of-the box hire by athletic director Mark Hollis - Anastos spent the previous 13 seasons as the commissioner of the Central Collegiate Hockey Association. Anastos guided his first Spartan team to a berth in the NCAA Tournament in his first season. He coached two All-Americans in Torey Krug (2012) and Jake Hildebrand (2015).

GREAT LAKES INVITATIONAL

1973 GLI Champions

The 55th Great Lakes Invitational was played Dec. 30-31, 2019 and continues to be the top holiday tournament in the country. Many have challenged the GLI's stature, but none have matched its continued success.

In 2013, the GLI was played at Comerica Park as part of the Hockeytown Winterfestival in conjunction with the NHL Winter Classic.

The tournament was born out of a conversation between then-general manager of Olympia Stadium, Lincoln Cavalieri, legendary Michigan Tech head coach John MacInnes and Detroit Red Wings scout Jack Paterson. The three men were discussing the lack of American-born players in the National Hockey League and concluded that a prestigious collegiate hockey tournament could make a difference by promoting interest in hockey among young athletes as well as the general public. American Airlines vice president Jack Tompkins, a former University of Michigan goalie and a member of the Detroit Red Wings organization, championed the trio's vision as well and together in 1965, they founded the Great Lakes Invitational Hockey Tournament.

Michigan Tech has hosted the GLI since its inception with Michigan joining as co-host in 1976. The event moved from Olympia Stadium to Joe Louis Arena in 1979 and shifted to its third home - Little Caesars Arena - in 2017. The Covid-19 pandemic wiped out the 2020 GLI, and the 2021 edition was played on the campuses of Michigan State and Michigan as a "Showcase" event.

Michigan State has made 46 GLI appearances prior to this season and has been a regular part of the tournament field since 1979. The Spartans have won 12 titles, including four in a row from 1982-85 and 1997-2000. In 2009, Michigan State took home its first tournament title since 2006, downing Michigan Tech (10-1) and Rensselaer (6-1) in offensive outbursts.

From 1959-81, Big Ten standings were determined by regular season WCHA games between Michigan, Michigan State, Minnesota and Wisconsin. Ohio State, a non-WCHA member, played two games against Wisconsin in 1968, two against Michigan State in 1971 and two against Minnesota in 1981.

SPARTAN HOCKEY IN THE CCHA

2012-13 marked the 40th season of the original Central Collegiate Hockey Association, which came back in 2021-22.

The CCHA sent at least four teams to the NCAA Tournament in four of its last five seasons, and regularly has several teams not only contending for the NCAA Championship, but also ranked among the nation's Top 10.

The CCHA began in the 1971-72 season with four teams (Ohio State, St. Louis, Bowling Green, and Ohio University). A period followed which saw both growth and attrition; In 1981-82, Michigan State, Michigan Tech, Michigan and Notre Dame jumped from the Western Collegiate Hockey Association to the CCHA. Also that year, the league welcomed Illinois-Chicago into the fold. The league expanded to 12 teams in 1999-2000 as Nebraska-Omaha was welcomed to the CCHA in the first expansion for the conference since Northern Michigan joined in 1997-98.

Michigan State led all schools with a total of 586 CCHA victories. MSU captured regular-season titles in 1985, 1986, 1989, 1990, 1998, 1999 and 2001 along with playoff championships in a league-record 11 of its 32 seasons as a CCHA member. Michigan State also holds the best winning percentage in league play of any CCHA member past or present.

Michigan State enjoyed unprecedented success in the CCHA's post-season event, capturing 11 titles, two more than any other team.

The Spartans won the tournament title in their first four seasons in the league, and its tradition of success extended into 2006, where the Green and White hung it's 11th banner in the Joe Louis Arena rafters. The Spartans appeared in 15 of the league's

32 championship games after joining the league for the 1981-82 season, nearly 50 percent.

The CCHA's prestige was highlighted by its eight national champions from 1984-2013 — Bowling Green (1984), Michigan State (1986 and 2007), Lake Superior (1988, 1992 and 1994) and Michigan (1996 and 1998).

The return of the CCHA came in 2021-22, with former CCHA members Bowling Green, Ferris State, Lake Superior State, and Northern Michigan joined by Bemidji State, Michigan Tech, Minnesota State-Mankato, and Division I newcomer St. Thomas.

THE MASON CUP

By a unanimous vote of head coaches and league athletic directors on Oct. 3, 2000, the CCHA Playoff Championship trophy was renamed the Mason Cup in honor of longtime coach Ron Mason.

Mason stepped down from behind the bench – and into the athletics director position – at Michigan State University at the conclusion of the 2001-02 season. He retired as college hockey's all-time winningest coach, (924 victories), won 13 CCHA titles (10 at MSU, and three during his time at Bowling Green) as well as a National Championship with his 1986 Spartan squad.

SPARTAN HOCKEY IN THE WCHA

Michigan State joined the Central Collegiate Hockey Association (CCHA) prior to the 1981-82 season. Before then, the Spartans were among the first members of the Midwest Intercollegiate Hockey League (MIHL) in 1951-52 – that group became the Western Intercollegiate Hockey League (WIHL) in 1953-54. Those schools then formed the Western Collegiate Hockey Association (WCHA), which began play in 1959-60. Michigan State remained in the WCHA until joining the CCHA. Meanwhile, Michigan State also competed in the Big Ten from 1958-59 until formal Big Ten play ceased in 1980-81.

NCAA TOURNAMENT GAMES

1958-59 (NCAA FINALS, 17-5-1)

In a campaign in which MSU had no league affiliations other than with the Big Ten Conference, the Spartans enjoyed one of their finest seasons in history. MSU went into the NCAA Tournament at Troy, N.Y., as the Big Ten champion (5-2-1) and met Boston College in the semifinals. A 4-3 victory over the Eagles put the Spartans into the finals against a strong North Dakota club where head coach Amo Bessone's icers bowed, 4-3 in overtime, in the championship game. Goalie Joe Selinger and wing Bill MacKenzie were first-team NCAA all-star choices, while Ed Pollesel and Tom Mustonen were second-team selections.

1965-66 (NCAA CHAMPIONS, 16-13-0)

Probably the most colorful of all MSU hockey units was the 1965-66 Spartan team. The club lost three weeks of preseason practice when its home facility, Demonstration Hall, was under repair. Midway through the campaign, the Spartans had a 4-9 record but rallied to win 12 of their last 16 games. During that stretch, the Spartans dumped arch rival Michigan four times and then topped defending champ Michigan Tech, 4-3, to reach the NCAA semifinals. MSU won its first national hockey crown by dropping Boston University, 2-1, in the semis and Clarkson, 6-1, in the finals at Minnesota's Williams Arena. Goaltender Gaye Cooley was named the tournament's Most Valuable Player and Don Heaphy, Mike Coppo and Brian McAndrew were first-team all-tournament selections. Bob Brawley and Tom Mikkola were second-team picks. Though the team finished in sixth place in the WCHA (9-11), MSU's Amo Bessone won the Spencer Penrose Award as national coach of the year.

1966-67 (THIRD PLACE, 15-15-1)

Michigan State wound up in fifth place in the WCHA standings with an 8-11-1 league record but again was a postseason surprise. In the conference playoffs, the Spartans disposed of Michigan, 4-2, and Michigan Tech, 2-1 in overtime, to advance to the NCAA semifinals in Syracuse, N.Y. Boston University shattered MSU's hopes for a second straight national title in the semis by downing the Spartans, 4-2. The Spartans routed league foe North Dakota, 6-1, in the consolation game to claim third place. Tom Mikkola was the only MSU skater named to the all-tournament team.

Despite capturing its second consecutive CCHA postseason championship and posting 30 wins, the NCAA selection committee seeded the Spartans No. 4 in the West and sent them on the road to face Harvard. In the opening game of the series, MSU twice had two-goal advantages, but was unable to hold them as Harvard skated to a 6-5 triumph. In the final game, Harvard raced out to a 2-0 advantage only to see the Spartans knot the game and keep their hopes alive. Both teams went on to score one more goal to give the Crimson a 9-8 edge in the total-goals series.

The sweep of the Eagles gave the Spartans a nine-game winning streak and a No. 1 seed in the Frozen Four in Lake Placid, N.Y. The Spartans, the CCHA playoff champions, faced rival Bowling Green, the CCHA regular-season champion, in the opening round of play. MSU dropped a hard-fought contest to BGSU, 2-1, which went on to defeat Minnesota-Duluth for the national championship. The Spartans were edged in the consolation game by North Dakota in overtime. 1984-85 (NCAA REGIONALS, 38-6-0)

MSU entered the NCAA tournament as the No. 1 seed in the West and the favorite to win the national championship. However, Providence College, led by eventual tournament MVP Chris Terreri, dashed MSU's title hopes by outscoring the Spartans, 6-5, in the two-game series at Munn Arena. Terreri stopped a total of 83 shots vs. MSU, which ended the season with a then-NCAA record 38 wins against just six defeats.

1985-86 (NCAA CHAMPIONS, 34-9-2)

After losing a number of stars from 1984-85's banner season, MSU just hoped to qualify for a home-ice bid in the league playoffs. What ensued, however, was more than anyone could have imagined. The Spartans came from behind all season to win the CCHA's regular-season title, took their fourth straight Great Lakes Invitational and finished second to Western Michigan in the CCHA playoffs. The Green and White gained the home ice advantage against Boston College in the first round of the NCAA Tournament and – after defeating the Eagles, 10-6, in the two-game, total-goals series – advanced to the NCAA semifinals in Providence, R.I. MSU beat Minnesota, 6-4, in the semis, where Spartan goaltender Norm Foster kicked out 42 shots. In typical fashion, MSU came back from a 4-3 deficit in the second intermission of the title game to dispose of the Harvard, 6-5, on Mike Donnelly's game-winning goal with 2:51 remaining.

1986-87 (NCAA FINALS, 33-10-2)

The defending national champions hadn't envisioned themselves a championship contender after losing the NCAA record-holder for goals scored and the NHL entry draft's first pick Joe Murphy, but surprised everyone by advancing to the NCAA championship game. MSU came into the NCAA Tournament as the No. 2 seed in the West and battled Maine in the first round. The Spartans disposed of the Black Bears, 6-2 and 5-3, to advance to the Frozen Four at Joe Louis Arena. For the second straight season MSU met Minnesota in the semifinals and knocked off the Gophers, 5-3, with the key goal coming from Dave Arkeilpane, who took a strange carom off the backboards and buried it past Minnesota's John Blue. North Dakota shattered MSU's hopes for a second-straight NCAA title in the final by downing the Spartans, 5-3, after taking a 3-0 first-period lead.

1987-88 (NCAA QUARTERFINALS, 27-16-3)

A consolation game victory over Western Michigan in the CCHA play-offs helped the Spartans gain their seventh straight NCAA Tournament appearance. MSU traveled to Harvard for a first-round, total-goals series and handed the Crimson their first-ever home NCAA Tournament losses, 6-5 and 5-3, with Kevin Miller picking up the winning tally in each game. MSU then moved on to quarterfinal action against Minnesota, a foe the Spartans had knocked out of the postseason in two straight years. The Gophers won the first game, 4-2, but MSU came back in the second match to take a 3-0 lead in the first period, with all three markers coming from Kip Miller. Minnesota stormed back, however, notching four unanswered goals to eliminate MSU.

1988-89 (NCAA THIRD PLACE, 37-9-1)

A CCHA playoff title game victory over Lake Superior State secured a first-round bye in the NCAA Tournament for the Spartans, who were participating in the NCAA playoffs for the eighth straight year. MSU hosted Boston College in quarterfinal play and, after a stunning opening-game loss to the Eagles, came back to take the next two games to win the best-of-three series. The final game was won on an overtime goal by Mark Hirth. Michigan State advanced to the semifinals in St. Paul, Minn., against revenge-minded Harvard, which was defeated by the Spartans in the national title game three years before. The Crimson used a stellar goaltending performance, which included a miracle stop on leading goal scorer Bobby Reynolds to key a 6-3 victory that ended MSU's chances for a national championship. The Spartans finished third in the tournament after a 7-4 drubbing of Maine in the consolation game that saw sophomore Shawn Heaphy register his first career hat trick.

1989-90 (NCAA QUARTERFINALS, 35-7-3)

Michigan State earned its ninth straight NCAA Tournament bid after downing Michigan and Lake Superior State in the CCHA playoffs. MSU, recipients of a first-round bye, hosted Boston University in quarterfinal action at Munn Arena. BU held a 2-1 lead in game one midway through the opening period before the Spartans charged back to score the game's next five goals. The following evening, the Terriers scored the first three goals of the third period to break a 2-2 deadlock, tying the series. In the finale, MSU appeared it would be making a return trip to the Frozen Four after holding a 3-1 lead halfway through the second stanza. However, BU used a flurry of third-period goals to claim the series.

After defying predictions of a fifth-place regular-season CCHA finish, Michigan State continued to befuddle critics in the post-season, staging come-from-behind upsets to muscle its way into the Frozen Four. Receiving the fifth seed in the West, the Spartans journeyed to Providence, R.I., to face Boston University. Trailing 2-1 entering the final period, MSU scored three unanswered goals, sending the Terriers packing and giving Ron Mason his 650th career victory. Against top-ranked Maine, the Green and White gave up the opening goal then struck back with a three-goal blitz, led by Dwayne Norris' two goals and one assist. Mike Gilmore turned in a remarkable performance, making 20 of his 36 saves in the final stanza to secure the win. Making their second Frozen Four trip in four years, the Spartans met league rival Lake Superior State in a semifinal match. The two teams matched each other until midway through the third, when LSSU's Mark Astley poked a shot in from point-blank range. The Lakers added an insurance goal and held on to advance to the championship game, where they beat Wisconsin for the title.

After finishing third in the CCHA regular-season race and advancing to the conference semifinals, the Spartans were seeded sixth in the NCAA West Regional, held in the Spartans' own Munn Arena. MSU faced third-seeded Massachusetts-Lowell in the first round and occupied the visiting bench. A breakaway and two power-play goals gave Lowell a 3-1 first-period edge. Steve Suk and Anson Carter each scored to pull MSU within one, but the Spartans could get no closer. Despite holding an 8-3 edge in third-period shots, the Spartans could not score the equalizer, and the "host" Chiefs moved on to the quarterfinals.

Michigan State built a 3-1 lead on Anson Carter's 34th goal of the year early in the second stanza, but that was the last Spartan hurrah of the season. The Badgers cemented a tie before the end of the period on goals by Mike Strobel and Shawn Carter, and took the game in the final session on scores by Mike Strobel and Chris Tok.

Michigan State's third-place CCHA finish earned the Spartans a berth in the NCAA West Regional, and for the second time in three years they faced higher-seeded Massachusetts-Lowell while wearing dark jerseys in their own arena. Despite a first-period penalty-shot save by Chad Alban, the Spartans were trailing the River Hawks, 2-0, after 20 minutes and couldn't make up the difference. Lowell stretched its lead to 4-0 in the second period before Sean Berens found the net for MSU. Mark Loeding scored for the Spartans in the third period, a goal which was sandwiched by two Lowell tallies to make the final 6-2.

MSU's fourth consecutive trip to the NCAA Tournament paired the fifth-seeded Spartans against Minnesota in Grand Rapids' Van Andel Arena. The Gophers broke a 1-1 tie midway through the first period with a pair of goals and went on to win easily, thanks to two goals and two assists from Casey Hankinson. Michigan State received a strong effort from freshman center Shawn Horcoff, whose short-handed goal late in the third period produced the 6-3 final score.

(NCAA QUARTERFINALS, 33-6-5)**

Michigan State earned the No. 1 seed in the NCAA West Regional by virtue of its CCHA regular-season and playoff championships – the Spartans were the only team in the nation to capture both of their league titles. After fourth-seeded Ohio State beat fifth-seeded Yale, a rematch of the CCHA playoff championship was set up between the Spartans and the Buckeyes. Michigan State's potent power-play accounted for all three goals, as the Spartans held leads of 2-0 and 3-2. Ohio State kept responding, and evened the score early in the third. Stellar goaltending from MSU's Chad Alban and OSU's Jeff Maund kept the score tied at 3-3 through regulation. After going into double overtime a week earlier in the CCHA finals, this game was resolved in the first extra session. A sprawling Alban poked the puck away from Hugo Boisvert but right on to Andre Signoretti's stick. The seldom-scoring defenseman fired a perfect shot in the top left corner for his second goal of the game, sending Ohio State to the Frozen Four.

1998-99 (NCAA FROZEN FOUR, 29-6-7)

For the second straight year Michigan State earned a first-round NCAA Tournament bye, but a year to the day after the Spartans' 1998 disappointment they posted a win in dramatic fashion. MSU trailed Colorado College 3-2 in a back-and-forth game with two minutes remaining before freshmen Andrew Hutchinson and Adam Hall scored goals 32 seconds apart to deliver the improbable win. That gave the Spartans their first trip to the NCAA Frozen Four since 1992, where they met New Hampshire in Anaheim, Calif. The two teams traded goals into the third period, where MSU tied the score at 3-3 less than four minutes in. The Wildcats had the game's final two goals, however, to end MSU's hopes for the school's third national title. Senior center Mike York had two assists in his final collegiate game, giving him 201 career points.

Despite winning the CCHA postseason championship in convincing fashion, Michigan State was seeded fifth in the NCAA West Regional and earned a date against fourth-seeded Boston College. Jeff Farkas scored a power-play goal 11:53 into the first overtime – with just six seconds remaining on a five-minute major called on MSU – to earn a 6-5 victory. The Eagles scored five power-play goals and a shorthanded goal while the Spartans gave up a power-play goal with 50 seconds remaining in regulation to send the game into OT. MSU stormed out to a 2-0 lead in the first 8:33 of the game on goals by Adam Hall and John Nail. BC rallied to tie the game with two goals in the first 1:39 of the second. The two teams traded goals the rest of regulation with the Eagles' Mike Lephart forcing the extra session with a tally late in the third. The winner came late in the major, which had been called on Sean Patchell for hitting from behind. Mike Mottau's shot from the point was blocked by a defenseman, but Gionta, who had drawn the penalty, shoveled the puck over to Farkas whose shot eluded goalie Ryan Miller.

As the top seed in the NCAA Tournament, the Spartans were sent to the West Regional as the No. 1 seed and faced Wisconsin, an opening round winner over Providence, in a quarterfinal match. MSU easily defeated the Badgers, 5-1, getting goals from five different players and successfully converting on three of eight power-play opportunities. The win gave the Spartans a berth in the NCAA Frozen Four semifinals against defending national champion North Dakota in a contest that pitted one of the country's top offensive teams against the nation's best defensive unit. However, it was the Fighting Sioux that boasted the stifling defense as the Western Collegiate Hockey Association foe blanked MSU, 2-0, ending the Spartans' quest for a national championship. North Dakota netminder Karl Goehring made 30 saves on the day. The only scoring took place in the first period on goals by the Fighting Sioux's Kevin Spiewak and Ryan Bayda.

The teams turned in a defensive battle in the second period with MSU producing just nine shots and CC six. The Tigers' Alex Kim added an insurance goal at the 5:43 mark of the third period to give Colorado College the 2-0 win. Spartan netminder Ryan Miller turned aside 27 shots, including 14 in the first period, while his counterpart Jeff Sanger finished with 25 saves. The game also marked the end of an era for Spartan hockey as the legendary Ron Mason coached his final game for the Green and White.

Four second-period goals by UMD, including two by Hobey Baker winner Junior Lessard, gave the Bulldogs the 5-0 victory. The Spartans shook off an injury-riddled and sluggish start to the regular season to put together an impressive second-half run which saw them earn the #1 seed in the East Regional in Albany, N.Y. MSU got a 36-save performance from freshman netminder Jeff Lerg to post the first shutout in Spartan NCAA history, 1-0. First-year skater Tim Crowder scored the only goal MSU would need just 2:14 into the game, and the stalwart defense would hold on to send the Spartans into the second round against Maine. In the regional final, the Black Bears posted a 3-0 lead by the 16:38 mark of the first period, but the Spartans found their stride and fought back to twice come within a goal. Crowder scored twice while Jim McKenzie and Drew Miller also found the back of the net, but MSU fell just short and dropped a 5-4 decision. Crowder and defenseman Corey Potter were named to the All-Regional Team.

After a fourth-place finish in the CCHA regular-season and a dramatic overtime victory in the CCHA consolation game, the Spartans were hardly a favorite to reach the Frozen Four in St. Louis. Behind a stellar performance from regional MVP Jeff Lerg - who allowed just two goals in 120 minutes - Michigan State easily dispatched Boston University (5-1) before squaring off for a defensive battle with CCHA champion and national-No. 1 Notre Dame. The Spartans held on for a 2-1 victory over the Irish, and were off to St. Louis for the program's first Frozen Four since 2001.

A slow start against Maine - allowing a pair of goals before the game was four minutes old - could have spelled disaster, but a resilient MSU team cut the lead in half before the period was over and tacked on three more unanswered goals to post a 4-2 victory and send MSU to its first National Championship game since 1987. Facing off against the high-flying Eagles of Boston College, few gave MSU a chance in the contest - but a scoreless tie after one and a 1-0 deficit after two periods kept MSU right in the thick of things. The outstanding defensive effort paid dividends - Tim Kennedy got the equalizer just before the halfway point of the third period, then the winger set up linemate Justin Abdelkader for the game-winner with just 18.9 seconds remaining in regulation. It was truly a team effort by Michigan State, which had no All-League selections, no All-Americans, and no Hobey Baker finalists - just 26 determined, resilient hockey players who played for a common goal.

The Spartans had a formidable team with considerable experience coming back off of the National Championship team before, and the squad finished third in the CCHA regular season. The Spartans were sent to Colorado Springs to go up against the host Tigers on the big sheet of Olympic ice at the World Arena. MSU posted a 3-1 victory over their hosts, with Jeff Lerg making 41 saves as the Spartans exploded for three second-period goals for a victory over the WCHA regular-season champions.

MSU then had a meeting with CCHA foe Notre Dame, a rematch of the previous season's regional final in Grand Rapids. A pair of Irish goals scored just over a minute apart in the late stages of the third period - at 14:06 and 15:20 - broke open a 1-1 game and propelled Notre Dame to a 3-1 victory. Justin Abdelkader had the only score for Michigan State, which had advanced to a regional final for the third straight season.

1966 NATIONAL CHAMPIONS

CINDERELLA SPARTANS CLAIM NATIONAL CROWN

MINNEAPOLIS — The 1966 National Collegiate Athletic Association hockey championship rested in the West, and Michigan State had its first crown because it wouldn't give up.

"We had our troubles early in the season . . . a lot of injuries and some ice problems that hampered our practice," head coach Amo Bessone said after Michigan State beat Clarkson, 6-1, in the title game at the University of Minnesota.

"But I figured we had the potential all along, once we got straightened out," Bessone added. "I know one thing: our kids worked very hard for this, and they were deserving of the championship."

At mid-season, Michigan State was bogged down with a 4-9 record, including a 6-3 loss to Clarkson.

Then MSU began to find the combination. The Spartans still finished sixth in the Western Collegiate Hockey Association, but the team had jelled. The Spartans whipped Michigan and WCHA champion Michigan Tech in the Western hockey playoffs to gain a berth in the NCAA championships.

Once the title game was decided, Michigan State had won 12

of its final 16 games to wind up with a 16-13 season record.

The championship was no contest after Bob Brawley fired home a 35-foot slapshot to break a tie and give Michigan State a 2-1 lead in the second period.

The Spartans rammed in four more goals in the third period to turn it into a rout, and wound up peppering the Clarkson goal with 46 shots.

Mike Coppo got two Spartan goals and Bob Fallat, Doug Volmar and Bill Faunt had one each. Spartan goaltender Gaye Cooley earned tournament MVP honors.

Four Michigan State players were named to the all-tournament team, including Cooley. Coppo, Heaphy and McAndrew also earned first-team honors, while Brawley and Tom Mikkola were on the second team.

1986 NATIONAL CHAMPIONS

SPARTANS CLAIM SECOND NATIONAL CHAMPIONSHIP

PROVIDENCE, R.I. — When Michigan State left wing Mike Donnelly played against Harvard in NCAA Regional action in 1983, he had a broken wrist.

At the Providence Civic Center at the 1986 national championship, all he could break after the game was a big smile.

Led by a pair of goals by the senior left wing — the final one at 17:09 of the third period — MSU claimed the 1986 NCAA championship by downing the Crimson 6-5 before a crowd of 9,214.

It was MSU's second national title in the school's history, the other coming in 1966.

Donnelly's goals were his 58th and 59th of the season, padding his NCAA record for most goals in a season.

Also scoring for head coach Ron Mason's Spartans, who closed the year with a 34-9-2 record, including a 23-2-1 mark since December, were Mitch Messier, Jeff Parker, Brad Hamilton and Brian McReynolds. Bob Essensa finished with 15 saves in the Spartan nets.

"Tonight, we won the game in a way that was characteristic of our whole season — we came from behind and never gave up," Mason said.

Donnelly, Parker, Norm Foster and Don McSween were named to the all-tournament team. Donnelly was named the Most Valuable Player.

"I'm proud of our team — very proud," Mason added. "This team has a lot of character, and they gave it quite a gutsy effort tonight. They've made a believer out of me.

"Last year, it was doomsday around Michigan State after the loss to Providence," said Mason, referring to the disappointing NCAA quarterfinal loss that knocked perhaps the best MSU team of all time out of the tournament. "It takes more than a great team to win an NCAA championship. It takes the right chemistry."

2007 NATIONAL CHAMPIONS

RESILIENT SPARTANS DEFY THE ODDS

ST. LOUIS - Beating the odds again, Michigan State won its first NCAA hockey championship in 21 years.

Justin Abdelkader snapped a tie with 18.9 seconds to go, seconds after ringing a shot off the post in the Spartans' 3-1 victory over Boston College.

Jeff Lerg made 29 saves, and Chris Mueller added an empty-net goal with 1.2 seconds left to clinch it for the Spartans (26-13-3), a lightly regarded No. 3 seed in the Midwest Regional when the tournament began.

Tim Kennedy tied it midway through the third period, and set up the go-ahead goal from behind the net when he spun off his man and passed the puck in front. Abdelkader, the MVP of the tournament, beat Cory Schneider for his 15th goal and first in nine games.

Comley captured his first title at MSU and the second of his career - he also won it all with Northern Michigan in 1991. He and Boston College's Jerry York are among three coaches to win championships at two schools.

Boston College's success on the power play was a key to its drive to the final, with a 35.6 success rate and three goals in the semifinals against North Dakota. Michigan State held the Eagles to 1-for-4 with the man advantage and was 17-for-18 on the penalty kill in the tournament.

The 5-foot-6 Lerg made his biggest save of the game when he stopped Brian Boyle on a 2-on-1 short-handed break early in the third period, keeping it a one-goal game. He pumped his glove after the stop.

Trailing 1-0 after a second-period Boyle goal for BC, Kennedy tied it at 1 midway through the third period on a power play, breaking in alone after a faceoff just outside the zone and beating Schneider to the stick side. Kennedy has 18 goals, five in the last seven games.

Michigan State was the second No. 3 seed to make it to the championship game since the bracket was expanded to 16 teams in 2003. Boston College made it in 2006 as a No. 3 seed.

THE HOBEY BAKER MEMORIAL AWARD

Since 1981, Hobey Baker Memorial Award has been presented annually to the outstanding college hockey player in the United States by the Decathlon Athletic Club of Bloomington, Minn. Michigan State boasts 17 Hobey Baker Finalists, while two Spartans have won this prestigious honor - Kip Miller (1990) and Ryan Miller (2001). Taro Hirose was the most recent finalist in 2019.

The award is named after college hockey great Hobey Baker of Princeton, a member of both the United States Hockey Hall of Fame in Eveleth, Minn., and the Hockey Hall of Fame in Toronto. Also a standout in football, he is enshrined in the Pro Football Hall of Fame in Canton, Ohio, and the College Football Hall of Fame in Atlanta.

Hobart Amory Hare Baker was born in Philadelphia in 1892 and began his hockey career at age 14 at St. Paul's Prep School in Concord, N.H. Hobey took his athletic prowess to Princeton, where his brilliant skating and stickhandling abilities allowed him to dominate the college game and lead Princeton to the Intercollegiate League Championship in each of his three years of varsity hockey (1911-14). He added to his physical prowess the exemplary qualities of being a completely unselfish sportsman and an opponent of publicity. Facts about Baker's career often sound more like myths, such as the story of his playing every second of a 73-minute game against Harvard, or the claim that he was penalized just twice during his career, and both times the mere suggestion that he had violated a rule of the game nearly drove him to tears.

Baker worked in the business world following his graduation from Princeton but, believing U.S. involvement in the first World War was near, took up flying and was commissioned as a lieutenant in the Army in 1917. He was with the first group of American pilots sent to France and was honored with the Croix de Guerre after bringing down three enemy planes during the Great War. Following the armistice, Hobey decided he would take one last flight in his fighter before heading back to the States. It would be his last flight - Hobart Amory Hare Baker died after his plane crashed just a quarter mile after taking off. He was 26.

SPARTAN HOBEBY WINNERS

1990 RECIPIENT • KIP MILLER

Kip Miller was the recipient of the 10th Hobey Baker Memorial Award in 1990 after leading the nation in scoring for the second consecutive season with 101 points on 48 goals and 53 assists.

Miller was recognized as the CCHA's Player of the Year after leading the conference in scoring for the second straight season with 36 goals and 38 assists for 74 points. He was a two-time finalist for the Hobey (1989, 1990).

The two-time first-team All-America selection finished his career with 116 goals, 145 assist, and 261 points. In addition to leading the country in scoring as a senior, he shared NCAA scoring honors during his junior campaign with teammate and 1989 Hobey Baker finalist Bobby Reynolds.

Over the course of his four seasons, the Spartans won three CCHA regular-season titles and the same number of league postseason crowns and amassed an impressive 132-45-9 record. The 1989-90 Hockey News/Bauer College Hockey Player of the Year also helped MSU to four NCAA Tournament appearances, including a second-place finish to North Dakota in the 1987 championship game and a trip to the 1989 NCAA Frozen Four in St. Paul.

2001 RECIPIENT • RYAN MILLER

Goaltender Ryan Miller followed in the footsteps of his cousin Kip, winning the 2001 Hobey Baker Award 11 seasons after his cousin accomplished the feat. The Millers joined Harvard's Fusco brothers (Mark in 1983, Scott in 1986) as the only relatives to win the Hobey.

Ryan Miller became the second netminder to win Hobey honors, joining Minnesota's Robb Stauber (1988), after putting together arguably the most impressive single-season effort in college hockey history. The East Lansing native posted a 31-5-4 record, a 1.32 goals against average, a .950 saves percentage and 10 shutouts. He led the nation in five statistical categories and broke the NCAA all-time record for shutouts with his 17th career blanking vs. Alaska-Fairbanks in February 2001.

The Hobey Baker Award capped off a season in which Miller earned All-America First Team honors, was named CCHA Player of the Year and CCHA Tournament MVP and helped the Spartans to the 2001 league regular-season and postseason titles as well as a berth in the NCAA Frozen Four and a fourth straight Great Lakes Invitational championship.

SPARTAN OLYMPIANS

Nineteen Spartans representing five different countries have had the honor of wearing their country’s colors in the Olympic Games, and eight have combined to win 10 medals in Olympic competition.

The 2018 Games in Pyeongchang featured two Spartans playing in their first Olympics as Jim Slater represented the U.S. while Brock Radunske played for South Korea.

The Winter Games of 2010 were groundbreaking for MSU, as the Spartans boasted double medal-winners for the first time since Weldon Olson and Gene Grazia were teammates in 1960. Duncan Keith won gold with Team Canada in a dramatic overtime victory over the US in the gold-medal game. Ryan Miller (top) backstopped the US in the tournament, and was the Olympic MVP for his performance in Vancouver.

Keith became the first Spartan to win two gold medals, claiming his second at the 2014 Olympic Games in Sochi, Russia.
