The top notes you need to know about Spartan hockey

• No. 1/1 Michigan State begins NCAA Tournament play on Thursday in the Toledo regional against No. 4 seed Cornell. The Spartans are making their second consecutive and 29th NCAA Tournament appearance overall. MSU earned the Big Ten automatic bid after capturing the tournament title, but also shared the regular-season crown. This will be MSU's first meeting all-time against Cornell in the NCAA Tournament, but the 11th game all-time between the schools. MSU owns a 6-4-0 mark against the Big Red.

• At 26-6-4, MSU has tied its win total from a year ago. Michigan State became the first school in Big Ten history to win the league's regular-season and tournament championship in the same season in back-to-back years. It was MSU's ninth overall regular-season conference title in school history, and the third time MSU had done it in back-to-back years (1984-85 and 1985-86, and in 1988-89 and 1989-90 in the CCHA).

• With two scores in four chances on Saturday, MSU's power play is clicking at .245 on the season (23-94), which ranks 12th (second, B1G) nationally. The Spartans have limited opponents to 19 man-advantage goals in 109 chances against (.826), a penalty kill which is the best in the Big Ten and 18th nationally. The Spartans did not allow a power play goal in the Big Ten Tournament (5-for-5), and over their last 12 games, the Spartans have extinguished 32 of 37 power play chances against (.865), and since Jan. 1, the Spartan PK is at .842 (48-of-57).

• Hobey Baker Top 10, Big Ten Player of the Year and Most Outstanding Player of the Big Ten Tournament **Isaac Howard** not only scored the game-winning goal in double overtime against No. 9 Ohio State in the Big Ten Championship game, but had two goals and two primary assists in MSU's 4-3 victory, settled in the 96th minute of play. He has delivered 26 goals and 51 points in 36 games; he enters the NCAA tournament as the national leader in points per game (1.42), third in goals per game (0.72) and 24th in assists per game (0.69). He ranks third in goals and is tied for fourth in points among all Division I players.

• **Trey Augustine** is a finalist for the AAU Sullivan Award as the nation's top amateur athlete, as well as one of four finalists for the Mike Richter Award, the Big Ten Goaltender of the Year, and a First Team All-Big Ten selection. He made 38 saves in a double-overtime victory over Ohio State in the B1G finals, and posted a 1.16 GAA and .949 save percentage in the Big Ten Tournament to earn All-Tournament Team honors. Augustine leads the Big Ten in wins (19, eighth NCAA), save percentage (.927, 10th NCAA), goals against average (2.01, 12th NCAA), and minutes played (1790:37), and is third in games played (29) and saves (761).

• **Matt Basgall** earned a spot on the B1G All-Tournament Team and earned All-Big Ten honors (first team) for the first time in his career. With 26 points, the junior is third on the team in scoring and is second to Howard on the team with 20 assists. He has matched or surpassed his single-season bests in goals (6), assists, and points. He is tied for second on the team in power play points (11) and is second on the team in both power play goals (3) and in blocked shots (45).

NCAA TOURNAMENT NOTES

• The Spartans are making their second consecutive and 29th NCAA Tournament appearance overall. MSU ranks seventh all-time among Division I schools in NCAA Tournament appearances.

• MSU is 31-30-1 all-time in NCAA Tournament games dating back to its first-ever selection in 1959.

• MSU is a No. 1 seed for the second consecutive season, and will play in the Toledo regional. The Spartans are the overall No. 2 seed behind No. 1 Boston College and ahead of No. 3 Maine and No. 4 Western Michigan. Three of the top four seeds - MSU, Maine, and Western - all captured conference tournament titles last weekend.

• This is the third time in program history that the Spartans have earned a No. 1 seed in back to back seasons. The first was 1984 and 1985, and again in 1989 and 1990.

• MSU is one of four programs from the Big Ten Conference to qualify for this year's tournament. No. 13 seed Penn State is hosting the regional in Allentown, Minnesota is the overall No. 5 seed and playing in the Fargo regional, while Ohio State is overall No. 10 and joins MSU in Toledo. Hockey East leads the field with six selections.

• The Spartans are 7-3-4 against teams selected for the NCAA field. MSU is 2-0-2 against Minnesota, 4-1-0 against Ohio State and 1-1-2 against Penn State; in non-conference games, the Spartans split a pair of games against No. 1 and Hockey East regular-season champion Boston College in October, and defeated No. 4 seed and NCHC double champion Western Michigan (4-1) in the Great Lakes Invitational championship game.

• The Spartans are 7-9 in the NCAA Tournament as a No. 1 seed, and have never won a national championship as a No. 1. MSU has, however, advanced to the Frozen Four as a No. 1 seed in 1984, 1989, and 2001.

• Michigan State has compiled a 4-2-1 record all-time against ECAC schools in the NCAA Tournament. MSU's most frequent opponent has been Harvard (3-2-1), and has played single games against Clarkson (1-0-0) and most recently Union in 2012 (0-1-0).

• MSU is one of three schools in the field to earn both their league's regular-season and tournament titles this season: Minnesota State (CCHA) and Western Michigan (NCHC) are the other two.

• This will be MSU's first meeting all-time against Cornell in the NCAA Tournament, but the 11th game all-time between the schools. MSU owns a 6-4-0 mark against the Big Red all-time and is 1-1 at neutral sites - the first two games were at the Boston Invitational in 1966 (L, 2-3 OT) and in the 1994 Great Lakes Invitational (W, 9-4).

• MSU and Boston University could meet on Saturday in the regional final. The squads have met in the NCAA Tournament on seven previous occasions, and MSU owns a 4-3 mark in those games. The teams last met in back-to-back seasons in 2013 and 2014, but the last faceoff in an NCAA Tournament game came in 2007 in the first round in Grand Rapids. MSU is 9-9-0 against the Terriers in program history, and 4-2-0 in neutral-site contests.

• Should MSU and Ohio State meet on Saturday, it would be the sixth meeting of the teams this season and the second in two weeks. The Spartans outlasted OSU on Saturday in double overtime to claim the Big Ten title.

• The series between Ohio State and Michigan State stands in favor of the Spartans, 104-58-13. This would be the first-ever NCAA Tournament meeting between the schools. The two teams have met in seven Big Ten Tournaments all-time, with OSU taking the first five (all in quarterfinals) and MSU earning wins in last year's semifinal (2-1) and last Saturday in the Championship game.

TEAM NOTES

• At 26-6-4, MSU has tied its win total from a year ago. The 2006-07 squad won 26 games in the national championship season, and the 2001-02 squad recorded 27 victories.

• Michigan State became the first school in Big Ten history to win the league's regular-season and tournament championship in the same season in back-to-back years.

• Michigan State claimed a share of its second consecutive regular-season Big Ten Championship. The 2024-25 title was shared with Minnesota, as both teams finished with 50 points in league play. The Spartans were 15-5-4 in Big Ten play, Minnesota 15-6-3.

• MSU's Big Ten title is its second and the program's ninth conference championship overall. The Spartans captured back-to-back regular-season titles for the first time since 1996-97 and 1997-98, and also accomplished the feat in 1984-85 and 1985-86, and in 1988-89 and 1989-90 in the CCHA.

• The Spartans concluded the regular season at 24-6-4, the most regular-season wins for the program since 2000-01, when it won 28 in the regular season (and tied with the 24 it won the following year in 2001-02).

• The Spartans are fourth nationally in wins, behind Western Michigan (30), Denver (29), and Minnesota State (27). The Spartans boast the fewest losses in the country (6), which is tied for the second-fewest in a season in program history (1958-59, 1984-85, 1997-98, and 1998-99).

• The Big Ten has four of its seven teams with 20 victories or more (.571), and Hockey East has six of its 11 (.545). The NCHC has three of its nine (.333).

• The Spartans are particularly proud of their successes in the second game of a weekend over the last two years - which they contribute to their conditioning and strength training with performance coach **Will Morlock**. MSU is 10-5-2 in game ones this season and 14-1-2 in the second game twos. Over the last two years, MSU is 18-10-4 in the first game and 25-5-2 in the back end of the series.

• MSU owns a goal-scoring advantage over its opponent in every period this season. The Spartans are +11 in the first period (30-19), +14 in the second (47-33) and +25 in the third period (45-20). MSU has four OT wins and one loss.

- MSU has had one of the Big Ten's three stars of the Week 13 times in its 17 weekends of countable games this season. **Isaac Howard** has four weekly awards, **Charlie Stramel** and **Daniel Russell** two, and five players have one weekly award each: goaltenders **Trey Augustine** and **Luca Di Pasquo**, forwards **Tiernan Shoudy** and **Shane Vansaghi**, and defenseman **David Gucciardi**.

- **Howard** has earned Big Ten Star of the Week honors four times this season, including three First-Star designations. That ties **Trey Augustine** and former goaltenders **Jake Hildebrand** and **Dylan St. Cyr** for the most B1G weekly honors for an MSU player in one season.

- Seven members of the junior class have skated in their 100th career games at MSU since Jan. 1: **Matt Basgall**, **Karsen Dorwart**, **Isaac Howard**, **Joey Larson**, **Daniel Russell**, **Tiernan Shoudy**, and **Charlie Stramel**. Seniors **Tanner Kelly** (142 games), **David Gucciardi** (137), **Red Savage** (125) and **Nicklas Andrews** (164) have logged 125 college hockey games or more, a total of 10 Spartans to meet the threshold. **Andrews** ranks 22nd among active players and eighth among defensemen.

- The Nov. 9 win over Ohio State was **Adam Nightingale's** 50th as the head coach of the Spartans. He is the fastest to 50 head coaching victories in program history (85 games); **Rick Comley** won his 50th game in his 88th contest early in 2004-05. He reached his 100th game on Jan. 18 against Michigan, and owns a record of 68-34-9 (.653) in his third season behind the Spartan bench.

- Around the turn to the New Year, MSU had a stretch where it played 14 games in 42 days, from Dec. 29 to Feb. 8. In that stretch (9-3-2), Michigan State played just five home games and in seven different rinks/cities (Grand Rapids, Chicago, State College, Ann Arbor, Columbus, Detroit, and East Lansing).

Since that stretch (Feb. 9 to March 22), MSU has played just six games in 27 days.

- MSU sold out all 17 home dates this season, as well as the 10/18 exhibition game against Windsor. Munn has been sold out in 41 of MSU's last 42 games overall (including two exhibitions), and 33 consecutive home games against Big Ten opponents dating back to January 2023.

- The Spartans had the highest home attendance at Munn (111,434) since the 2003-04 season when it had 154,507 over 24 home dates. Michigan State has surpassed 100,000 total home attendance in back-to-back seasons for the first time since 2004-05 and 2005-06, which was the tail end of a 25-year streak of welcoming 100,000 or more. The average attendance (6,555) was the most since 2000-01, (6,632) which was before the seating capacity was reduced.

- With the second-fewest home games of any of the top attendance draws in college hockey (17), the Spartans rank sixth nationally in total attendance (111,434) and seventh in average attendance (6,555). MSU is one of five schools to average better than its seating capacity (6,117), at 107%.

- MSU's 6-1 victory over Michigan at Little Caesars Arena (Feb. 7) was the largest crowd to watch a college hockey game indoors this season. The Duel in the D drew 19,515 after a crowd of 18,400 a year ago.

MSU's outdoor game at Wrigley Field had a crowd of 24,788 on Jan. 4, ranked second behind the doubleheader (OSU-Michigan, Notre Dame-PSU) crowd of 25,709 the day prior.

PLAYER NOTES - FORWARDS

MSU has four two-time honorees (**Ron Scott** in 1982 and 1983, **Kip Miller** in 1989 and 1990, **Mike York** in 1998 and 1999, and **Ryan Miller** in 2001 and 2002.) In addition, **Scott** (1982), **Chad Alban** (1998) and **Mike York** (1999) were runners-up.

- **Howard** now boasts a 40-64-104 scoring line in three collegiate seasons, with 87 points while skating at Michigan State in 2023-24 and 2024-25. He recorded 53 points in his first two collegiate seasons combined (14g, 39a). He has more than tripled his single season best of eight goals that he posted as a sophomore, and his 100th career point came as the lone goal in MSU's B1G semifinal victory over Notre Dame (1-0).

- **Howard's** 26 goals matches Adam Hall's 26 in 1999-2000, which is the most goals for an MSU player since Sean Berens scored 36 in 1997-98; his 51 points (in 36 games) is the first 50-point season for a Spartan since Taro Hirose's in 2018-19 (50) and the most points for an MSU player since Shawn Horcoff had 65 (14g, 51a) in 1999-2000.

The trio has 76 points in their games together (35g, 41a), and combine for 101 points in 36 games overall (47g, 54a) The line has generated 12 game-winning goals, including both of Howard's in the Big Ten Tournament.

- **Stramel** was a beast in the faceoff circle in the Big Ten title game against OSU - he won 21 of 31 draws (68%), and was 30 of 44 in the B1G tourney overall (68.2%). He has won 370 faceoffs this season, the fourth-most of any centerman in the Big Ten. He has won 51.5% of his draws this year.
- Juniors **Karsen Dorwart** and **Joey Larson** have skated together for the last 23 games, adding winger **Gavin O'Connell** for the last 14 when the sophomore returned from a nine-game injury hiatus.
- **Dorwart** had a goal and an assist in the first period on Saturday vs. OSU, and now has a 12-17-29 scoring line. He ranks second on the team in both goals and points, and is third in assists.
- **Dorwart**, who missed the opening weekend of the season with injury, recorded 22 of his 26 regular-season points in Conference play. He shares the team lead in power play goals and points with **Isaac Howard** (5-8-13), with whom he combined for the first two goals of the game vs. OSU.
- **Dorwart** has points in each of his weekend series' this season, and has 2-3-5 in his last three games.
- Over the last 23 games, **Dorwart** has averaged nearly a point per game (10-12-22), with two game-winners. Since the start of December, he has not gone back-to-back games without a point.
- **Joey Larson** became a double-digit goal scorer against Michigan and had three assists in the weekend road series at Notre Dame. He enters the NCAA Tournament with a 10-13-23 line, sixth on the team in points. He is tied for second on the squad in power play goals (3) with defenseman **Matt Basgall**.
- **Larson** has just five of his 23 points in games played at Munn this season (eight of his 10 goals, and seven of 13 assists).
- The sophomore **O'Connell** missed nine games in the middle of the season with injury, and he seems to be hitting his stride. He has 5-6-11 scoring line on the season, with 2-4-6 since returning to the lineup.
- The line of **Tommi Männistö** - **Tiernan Shoudy-Tanner Kelly** accounted for seven shots on net in the title game vs. OSU led by Kelly's four (and one goal). The group has played the last 23 games together, and is frequently the line Nightingale puts out to start the game or after surrendering a goal. It is one of MSU's most versatile lines, generating energy and scoring chances and are extremely hard to play against. The trio was referred to as his "so-called fourth line" a year ago by **Adam Nightingale**. This line produced five goals and nine points over the final two Big Ten regular-season weekends.
- **Kelly** scored MSU's third goal in the first minute of the third period last Saturday, and has an 8-9-17 scoring line - one goal shy of his junior year total. One of the only two seniors to spend all four seasons at Michigan State, he recorded a goal in his final home game at Munn Ice Arena. He has a career scoring line of 24-34-58.
- **Shoudy** has played 26 games at center and 10 games on the wing this season. He owns a .550 winning percentage on faceoffs (253-of-460), which is the highest percentage for any Spartan centerman.
- **Shoudy** had a pair of goals in the series finale at Notre Dame (3/1), his first career two-goal game. He added an assist in the Friday tilt, and earned Big Ten Second Star of the Week honors on March 4.
- **Shoudy's** eight goals this season is his career high, bettering his six originally set as a freshman. He now has a 8-9-17 scoring line (+11), a point better than his 16 as a sophomore.
- **Männistö** has a career best in both goals (3) and points (11), and he is a +13 with 13 blocked shots (third among forwards).
- Both PK stalwarts, **Männistö** leads the Spartans in shorthanded shots on goal (7), while **Shoudy** has six.
- **Shane Vansaghi** had a pair of goals with two blocked shots and was a +2 in the final two-game series at Notre Dame. In fact, he finished as MSU's top scorer against the Irish this season with 3-3-6 in the five games.
- **Vansaghi** is MSU's top first-year scorer with a 6-10-16 (+11) scoring line, tied for 10th on the team in points.
- **Vansaghi** is MSU's youngest current player and the sixth-youngest player in Division I hockey. An October 2006 birthdate, Vansaghi is eligible for the 2025 NHL entry draft. He was ranked No. 36 among North American skaters in the NHL Central Scouting midterm rankings.
- **Mikey DeAngelo** scored his third goal of the season at LCA against Michigan, and has three scores and six assists (+5) in 32 games - and he has centered the fourth line in all of them.
- **Gavin Jurecki** has played in 23 games this season and has a pair of assists to his credit. The sophomore had a goal and an assist in seven games as a freshman, and consistently brings an assertive energy to his shifts to aid in the Spartan depth.
- **Nathan Mackie** played in both games in the regular-season finale at Notre Dame, and earned his first assist of the season on the Saturday goal scored by Vansaghi. He has played nine games this season.

The junior was also a finalist for Big Ten Defenseman of the Year honors. With 26 points, the junior is third on the team in scoring and is second to **Isaac Howard** on the team with 20 assists. He had a helper on Howard's goal against Notre Dame in the B1G semis.

The 2025 edition was Štrbák's fourth tournament and fifth selection to a World Junior Team - he was also selected for the tournament that was canceled during Covid. He was one of two alternate captains, and Slovakia advanced to the medal round before falling to eventual silver medalist Finland.

• **Štrbák** has two of his three goals on the year in the last two regular-season series against Penn State and Notre Dame. He tallied a goal and an assist against the Irish to boost his line to 3-15-18 in the scoring column. He is second among defensemen in points, and is a +5 with 30 blocks in 32 games.

• **Štrbák** has doubled his scoring output between his first and second varsity seasons. He had a 2-7-9 scoring line as a freshman, and has doubled his points and has more than doubled his assists (15).

• **Geary** has a 1-6-7 scoring line in 36 games, most recently earning an assist on the road at Notre Dame. While the most penalized of the Spartans (20-43), only one of his penalties was more than a two-minute major, with no misconducts or DQ's. **Geary** has 26 blocked shots.

• Grad transfer **Nicklas Andrews** assisted on Karsen Dorwart's opening goal last Saturday, and on the season owns a 2-16-18 scoring line, which is tied for 12th in the Big Ten among blueliners. On the team, he ranks in a tie for eighth overall (and third among defensemen) in points. He had a pair of assists in the game vs. Michigan at LCA, which was the Canton native's first-ever game played at the home of the Detroit Red Wings.

• **Andrews** leads the Spartans with a +28 rating, which ranks second in the Big Ten and tied for sixth nationally (and second among Division I blueliners overall).

• **Andrews** has established a new career highs in assists (16) and points (18), which he had a year ago while a senior at Colorado College. With a team-best 50 blocked shots, he has his career best in that category as well.

• **Andrews** has appeared in 165 career college games, which ranks in a tie for 21st among all active players and eighth among active defensemen.

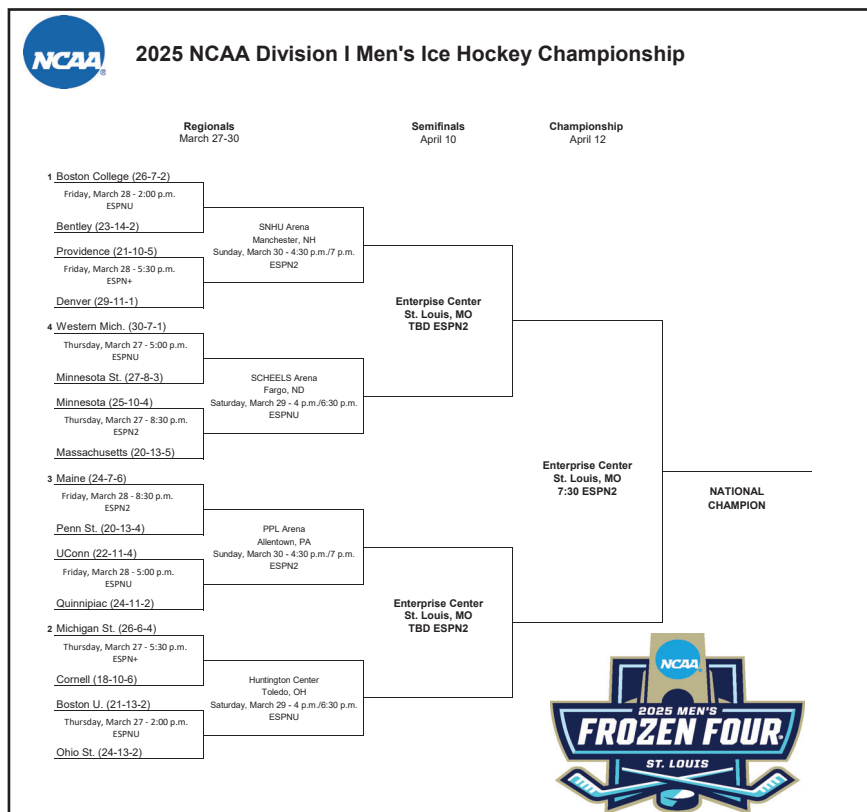

• **Gucciardi**, one of MSU's two four-year seniors, assisted on classmate Tanner Kelly's goal last Saturday, making sure that each had a point in their last games played at Munn Ice Arena.

• **Gucciardi** is among the Spartan players enjoying career-best offensive numbers. He has secured career bests in goals (6), assists (10) and points (16), and also owns a career-best +20 rating, good for second on the team. He ranks third on the squad with 37 blocked shots.

• Freshman **Vladislav Lukashevich** has appeared in 30 games. He had an assist in each game in the final series at Notre Dame, and scored his first collegiate goal in the first period of the outdoor game at Wrigley. His scoring line sits at 1-6-7 (+11) on the season.

• **Owen West** has skated in 33 MSU games and earned his third assist of the season on a Tiernan Shoudy goal vs. Michigan at LCA. West is a +12 and has 15 blocked shots.

• Sophomore **Austin Oravetz** has three assists in 12 games. He is a +4 with four blocks.

PLAYER NOTES - GOALTENDERS

• **Trey Augustine** is a finalist for the AAU Sullivan Award as the nation's top amateur athlete, as well as one of four finalists for the Mike Richter Award as the top goaltender in Division I hockey. Last week, he added Big Ten Goaltender of the Year honors, a First Team All-Big Ten nod.

• As one of six finalists for the prestigious AAU Sullivan Award, Augustine is also one of just four hockey-playing finalists in 94-year history of the award, and two of those finalists played at Michigan State (**Jeff Lerg** was a finalist in 2007).

• **Augustine** made the Big Ten All-Tournament team for the second consecutive season, making 38 saves in a double-overtime victory over Ohio State in the finals. Augustine also contributed an 18-save shutout in the semifinals vs. Notre Dame, combining for a 1.16 GAA and .949 save percentage in more than 155 minutes over two games.

• In his two seasons at Michigan State, Augustine has helped the resurgence of the program. En route to two straight regular-season and tournament titles, he has been a part of more than 50 victories (52-16-7, .740). The Spartans have earned a second consecutive No. 1 seed in the NCAA Tournament in 2025; last season, MSU returned to NCAA's for the first time since 2012 and picked up its first NCAA win since 2008.

• **Augustine** is MSU's second Goaltender of the Year selection, following **Jake Hildebrand** in 2015. Augustine was a finalist for the award for the second straight season. A Second Team All-Big Ten pick a year ago, Augustine earned First Team honors this spring.

• **Augustine** leads the Big Ten in wins (19, eighth NCAA), save percentage (.927, 10th NCAA), goals against average (2.01, 12th NCAA), and minutes played (1790:37). He also ranks third in games played (29), and saves (761). Augustine and the Spartans have not lost back-to-back games in 2024-25; he has completed every one of his starts and has no penalty minutes.

• **Augustine** is one of just 32 full-time starting goaltenders in the nation (75% of his team minutes or more). He has played in 29 of MSU's 36 games, missing four while at the World Junior Championships. Augustine is also the youngest full-time starting goaltender in Division I for the second consecutive season.

• Of the Richter finalists, **Augustine** has the fewest losses (6), and only one of those losses is to a team outside of the NCAA Tournament field (No. 28 Wisconsin). He has won 72.4% of his starts, third among the finalists.

• **Augustine** current season statistics would be the best for an MSU goaltender over the last 20 seasons. Augustine's .927 save percentage is the highest since **Jake Hildebrand's** .930 in 2014-15, the year he was the Big Ten Goaltender of the Year. His 2.01 is the lowest goals against average since **Jeff Lerg** posted a 1.94 in his freshman season, (2005-06).

• **Augustine** owns a 3-1-2 record against teams ranked in the top five in the national poll and 8-4-3 against teams ranked in the top 20 at the time of the game.

• **Augustine** has three assists on the year, and four in his career - his first came in the 2024 NCAA Tournament vs. Western Michigan.

• **Augustine's** impressive numbers between the pipes have come against some of the most lethal scorers in the country. The goalie has faced 13 of the nation's point-per-game scorers in a combined 25 games this season (of Augustine's 28 played) and has allowed 15 goals (and 33 points) to those players.

• Two-thirds (18 of 29) of Augustine's starts this season have come against offenses that average 3.0 goals per game or better. In those 18 games, Augustine has a .920 save percentage and 2.29 GAA. Four of those squads hail from the Big Ten, accounting for 16 of those contests (43 of his total of 60 goals allowed on the season.)

• **Augustine** has had an impressive MSU career, putting him among the career statistical leaders among active Division I goalies. He ranks third in win percentage (.710), eighth in save percentage (.920) and 15th in career victories (41).

• **Augustine** missed the GLI (12/29-30) and early-January Wisconsin series as he won his second straight gold medal at the IIHF World Junior Championships. He compiled a .917 save percentage and 2.52 goals against average in this year's tournament, appearing in five of Team USA's seven games. In fact, his participation in WJC gave him (literally) no holiday break - he reported to Team USA camp the day after MSU completed its series at Minnesota on Dec. 14, and returned to MSU practice 36 hours after winning a gold medal in Ottawa on Jan. 5.

• **Augustine** is one of 19 goaltenders all-time to make three WJC squads in their career, also an IIHF record for the position. He became Team USA's winningest goaltender at this event with his 11th and 12th all-time victories, moving past Jack Campbell's 10 (2010-12).

• **Augustine** is a five-time medalist at youth international events. Augustine won back-to-back U20 gold medals in 2024 and 2025 and also on a bronze in 2023. Augustine won a silver (2022) and gold (2023) at the U18 World Championships. Last spring, he made his first men's Team USA senior World Championship squad, playing four games with a roster primarily made up of NHL players.

• **Augustine** is the youngest starting goaltender in the country for the second consecutive season. Only two goalies younger than Augustine have played in even 10 games this season - Hampton Slukynsky (WMU, 17) and Nicholas Kempf (Notre Dame, 13).

• **Luca Di Pasquo** made 29 saves in his last outing at Penn State (1/10), a 6-4 win. It was his fifth consecutive game played and seventh consecutive win overall on the season.

• In seven starts/complete games this season, **Di Pasquo** has a 1.70 GAA and a .933 save percentage. Three of his 12 goals allowed this season came on the power play.

• **Di Pasquo's** 16-save shutout of Northern Michigan (Dec. 29) was his second consecutive whitewash, previously shutting out Lindenwood on Dec. 1. He is tied for second in the Big Ten and ninth nationally with two shutouts this season.

• **Di Pasquo** has now played 11 games for the Spartans over two years, with a 1.94 GAA and .925 save percentage (9-1-1).

• Junior **Dolan Gilbert** joined the team during holiday break last December, and is now on the active roster for the full season. A native of South Bend, Indiana, he began his collegiate career at Division III Concordia (Wisconsin).

HEAD COACH ADAM NIGHTINGALE

It's difficult to overstate the impact that Adam Nightingale has had on the Michigan State hockey program since his hiring in May 2022. The Spartan head coach and his staff have rekindled the program's "Commitment to Excellence" as preached by Ron Mason, which in turn has not only has reinvigorated the local community's support of the program, but also returned Michigan State to its place among college hockey's elite with eyes set on sustained Big Ten and national success.

The hallmarks of the Nightingale regime include consistent player development and improvement and a keen attention to fostering strong relationships within the campus and surrounding community.

Inheriting a team that won just 12 games in the season before he returned to East Lansing, Nightingale earned the program's first post-season victories in a decade in his first campaign and improved the team by six wins. In 2023-24, he guided the Spartans to the NCAA Tournament for the first time in a dozen years and captured both the regular season and Big Ten Tournament titles, earning more victories than in any season since 2008. In his first two seasons, he owns a 43-28-5 overall record (.583), second-best among all MSU coaches through two seasons - only Nightingale's college coach, Rick Comley, (46-31-4) has more wins in his first two Spartan campaigns.

Nightingale's coaching trajectory includes quality experience at every level of competitive hockey - international, professional, collegiate and youth. Whether at the top high school for developing young talent (Shattuck-St. Mary's), the United States National Team Development Program (USNTDP), collegiately at Michigan State, and with experience as both a video and bench coach in the NHL, the Spartan mentor has built a reputation of exceptional player development. At every step of his career, Nightingale has developed strong recruiting ties and professional relationships through all levels of hockey, helping him identify, coach, and develop young talent to reach their goals both on the ice and for life beyond hockey.

The 2024 Big Ten Coach of the Year and Spencer Penrose National Coach of the Year finalist guided the Spartans to Big Ten regular-season and tournament titles, the first for the program on both fronts. His squad finished the 2023-24 campaign with a 25-10-3 record (16-6-2 B1G), the most victories since 2007-08. Michigan State captured its first regular-season league title in 23 seasons and its first postseason tournament trophy since 2006, and advanced to the NCAA regional final. A total of six Spartans earned All-Big Ten postseason awards, and Artyom Levshunov was named an All-American, Big Ten Defensive Player of the Year, and Big Ten Freshman of the Year.

Levshunov ranked second among North American skaters in advance of the 2024 draft and was one of two MSU regulars who were the youngest at their position in the country - freshman netminder Trey Augustine

backstopped the Spartans with a .915 save pct. and led the nation with 1113 saves, earning a spot as a finalist for the Mike Richter Award as the nation's top goaltender and also picking up Second Team All-Big Ten honors.

Nightingale served as head coach at the US National Team Development Program in Plymouth, Michigan from 2020-22. Guiding some of the top talent in world in the age group, he led his team to a silver medal at the U.S. Under-18 Men's World Championships in 2022. His roster boasted 22 Division I commitments and seven players selected in the first round of the 2022 or 2023 NHL Drafts.

Nightingale has supported seven U.S. teams on the international stage, which includes his head coaching duties with the U18's in 2022 and as a coach for the U.S. Men's National Team three consecutive years (2017-19), including for the bronze medal-winning 2018 squad. He was also the video coach for the 2015 U.S. National Junior Team.

Prior to his time with the USNTDP, the Cheboygan, Michigan, native spent four seasons on NHL staffs. From 2017-20, he was a member of the Detroit Red Wings organization. As an assistant coach in 2019-20, he was responsible for player development, pre-scouting opponents and running the penalty kill. He worked as the video coach for his first two years in Detroit, a role he also held for the Buffalo Sabres in 2016-17.

Before joining the pro ranks, Nightingale served as head coach of the Shattuck-St. Mary's 14U (Bantam) Team in Faribault, Minnesota for two seasons (2014-16), leading the team to a national championship in 2016 as well as two years (2008-10) as the head coach of the Shattuck midjet AA squad.

Between his stints at Shattuck, Nightingale was the director of hockey operations at Michigan State, serving at his alma mater overseeing all team video and travel.

While he began his collegiate career at Lake Superior State, (2000-02), the final two seasons of Nightingale's collegiate playing career came at Michigan State (2003-05). Over a combined 118 games, he totaled 37 points (18g-19a). At MSU, he served as alternate captain for both of his playing seasons, and won the Spartan Fitness Award in 2004. Nightingale then went on to play parts of four seasons in the ECHL with the Gwinnett Gladiators, Greenville Grrrowl and Charlotte Checkers.

Nightingale's family includes his wife, Kristin, and three children: Trevor, Emmerson and Keeton. His older brother, Jason, is the Assistant Director of Amateur Scouting for the Buffalo Sabres, while his younger brother, Jared, is also a Spartan alumnus and is the head coach of the South Carolina Stingrays (ECHL).
