THE COACHES

Jeff Breeden
26 years as Head Coach
3rd year at MT
ETSU, 1989
Overall Record: 17-92

After a national search, Middle Tennessee Director of Athletics Chris Massaro announced the hiring of Jeff Breeden as the next Blue Raider head softball coach last July. Breeden, who became the program's fifth head coach, spent the last nine years at Murfreesboro's Riverdale High School and enters his second season at Middle Tennessee.

"Jeff has proven at Coffee County and Riverdale he can coach winning softball," Massaro said. "He will bring toughness and direction to our softball program, and I am eager to see the results under his leadership. I have watched his teams the past few years from afar and I have been impressed with his success."

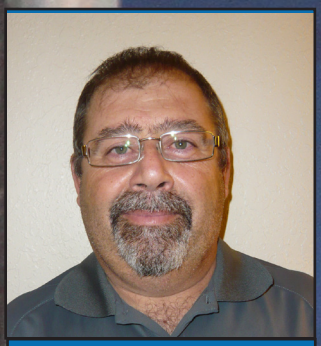

Breeden has been a proven leader as evidenced by his 423-67-3 record with the Warriors during his tenure, guiding the school to the 2009 state championship and as high as No. 4 in the national rankings, which came during the 2011 campaign. His Riverdale squads have captured the District 7-3A title each of his seasons on the bench and three Region 4-3A crowns on their way to four state tournament appearances.

The Warriors own a National Federation of High School Sports (NFHSS) softball national record, for most team shutouts in a season (38 in 2007), topping the previous standard established by the school a year earlier by one.

He coached one of the all-time great pitchers on the national level, Cathleen Hosfield, who holds the NFHSS mark for single-season strikeouts with 659 in 2007. Hosfield also moved into third and fourth place for single-season wins and shutouts with 44 and 31, respectively, during the same year.

In 2011-12, Breeden served as the Director of the Middle Tennessee Softball Coaches Association and was the organization's Assistant Director in 2009-10. He coached in the Tennessee/Kentucky All-Star Series in 2007 and was a part of the coaching staff at the Middle Tennessee North/South All-Star Game in 2003.

The Daily News Journal selected him as its Coach of the Year all nine years (2004-12) he was at Riverdale and at least one of his players in each of his nine years has earned a Division I scholarship to continue her playing career. He supervised plans and building of a new press box, concessions, field, dugouts and indoor facility at Riverdale with a total fundraising budget of approximately $92,000 annually.

Tony Foti
Assistant Coach
2nd year at MT
International College

Middle Tennessee head softball coach Jeff Breeden announced the addition of pitching coach Tony Foti to his staff in Aug. 2013.

"We are lucky to get a coach with his background and experiences," said Breeden. "He will do great things for our program and pitchers." Foti brings a lengthy softball background to MT. Wherever he goes, success seems to follow. He has established himself internationally with experience in the Italian Professional Softball League (IPSL) and Canadian Junior Women's National Teams.

In 2007 and 2008, Foti helped lead Forli in the IPSL to Italian Championships and European Cup Championships.

For eight years, he served on the Canadians Junior Women's National Softball Team which finished second in the 1995 Pan American Games and placed 5th in the 1996 Olympic Games. Foti also served as the Head Coach for the Canadian Junior Women's National Team from 2008 to 2012.

Also, Foti has served as an assistant coach at UC Santa Barbara for seven years, and a volunteer assistant at UNLV.

In the spring of 2001, Foti accepted the opportunity to be the head softball coach at Mercer University. Two years later, he was selected Atlantic Sun Coach of the Year after leading Mercer to a 35-23 record, advancing the Bears to their first Atlantic Sun tournament berth since 1997.

Foti played for the 1981 Canadian Junior Men's National Team before starting his coaching career as an assistant at Valley City College in 1985. He earned his first head coaching position at Red River College in 1986.

Foti holds a BA in Education Administration from the International College in Los Angeles. He has a daughter Devyn who graduated in May from Wesleyan College and a son Dayne who is attending Georgia College and State University.

FACILITIES

BLUE RAIDERS SOFTBALL FIELD

Referred to as Observatory Park by many in the athletic department due to the location of the astrology department's observation tower behind the first base bleachers, the Blue Raider softball field was built in 1994.

Middle Tennessee unveiled its newly renovated softball complex on April 18, 2006. The $500,000 enhancement project includes a concession stand, public restrooms, two camera decks, new dugouts and a landscaped entrance area.

Bleacher style seating stretches from along the first base side of the field all the way around to the third base side, with the ability to comfortably seat over one thousand spectators. The outfield wall measures 190 feet in both corners while straight away center field is 220 feet.

Strength and Conditioning

The Middle Tennessee weight room, which is located adjacent to the north end zone of Floyd Stadium, serves all MT student-athletes. The 10,000-plus square foot facility recently invested in a $150,000 renovation to the equipment. The various equipment and workout stations feature the newest and safest equipment, which include nine full power racks, nine elevated platforms, nine half-racks, five ground-base jammers, deadlift stations, leg press machines, leg curl machines, bench press, military press, rowing machines, treadmills, stationary bikes, cable television.

Sports Medicine

The Sports Medicine facility contains a complete injury rehabilitation center, new rehab equipment, two full-size whirlpools, a dressing area for athletes, and a private office for the team physicians. In the summer of 2008, the facility added new Mondo Ramflex flooring to provide a safe and healthy environment for the student-athletes and added new treatment tables in 2009.

There is no waiting in the Sports Medicine facility since there are nine taping stations, multiple state-of-the-art modalities, and a new rehabilitation area. All of the equipment in the facility is top of the line. Athletes can use a full-stride treadmill, a stairmaster, and an exercise bike during their rehabilitation. One of the most recent additions to the equipment in the Sports Medicine facility is a $15,000 K-Laser which helps speed up the healing process, enabling student-athletes to return to competition at a faster rate.
