Graduation
a Top Priority

Under Rick Stockstill, academics and graduating student-athletes is the number one priority. Stockstill also encourages his players to take full advantage of the University's life skills, career, and social and personal development programs.

At Middle Tennessee we are building tomorrow's leaders, and it all starts in the classroom.

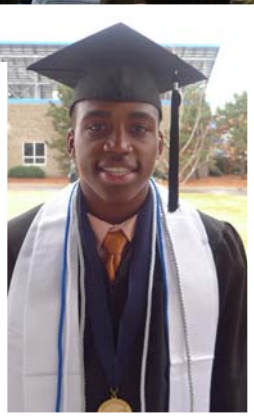

Under Rick Stockstill, 82 of 87 student-athletes have earned their degrees (94.3%).

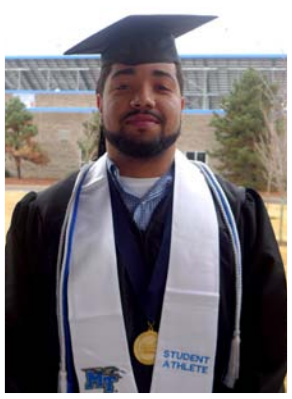

NCAANEWS

APR now a household acronym in Division I

By Michelle Brutlag Hosick

When the first Academic Progress Rates were released publicly in spring 2005, Middle Tennessee's football team ranked dead last in the sport, more than 100 points below the benchmark for immediate penalties. President Sidney McPhee immediately took responsibility.

Middle Tennessee football student-athletes made a commitment to improve their team's APR under head coach Rick Stockstill (right).

12 CHAMPION

■ Middle Tennessee was featured in the NCAA Champion magazine for its impressive APR score and turnaround. The Blue Raiders turned in a 990 out of a possible 1,000.

In 2011, Stockstill was ranked 10th nationally among FBS coaches in APR performance.

■ Alan Gendreau was presented the prestigious Terry Whiteside Award at the 2011 spring game. The award recognizes excellence in academics, athletics, strength training, and community and campus activities.

MT was one of just 14 FBS football programs recognized by the NCAA during the association's 2011 Public Recognition Awards for APR score.

■ Jeremy Kellem was named to the 2010 ESPN Academic All-America Football Second Team as selected by the College Sports Information Directors of America. Kellem became just the fourth Academic All-American in school history and the first since 1991. The Organizational Communication major was the first player in school history to be an Academic All-American and a first team all-conference performer.

MT tied for 4th nationally among FBS teams with an APR score of 988 for the 2009-10 year.

We are Tennessee's Best

Having the largest undergraduate enrollment in the state and one of the top 100 public institutions in the nation doesn't happen by accident. It's the result of Middle Tennessee's wide range of degree programs and the University's commitment to provide students with the best possible educational value.

The numbers prove that students are choosing to build their future at Middle Tennessee State University. Nearly 75% of entering freshmen list Middle Tennessee as their first choice.

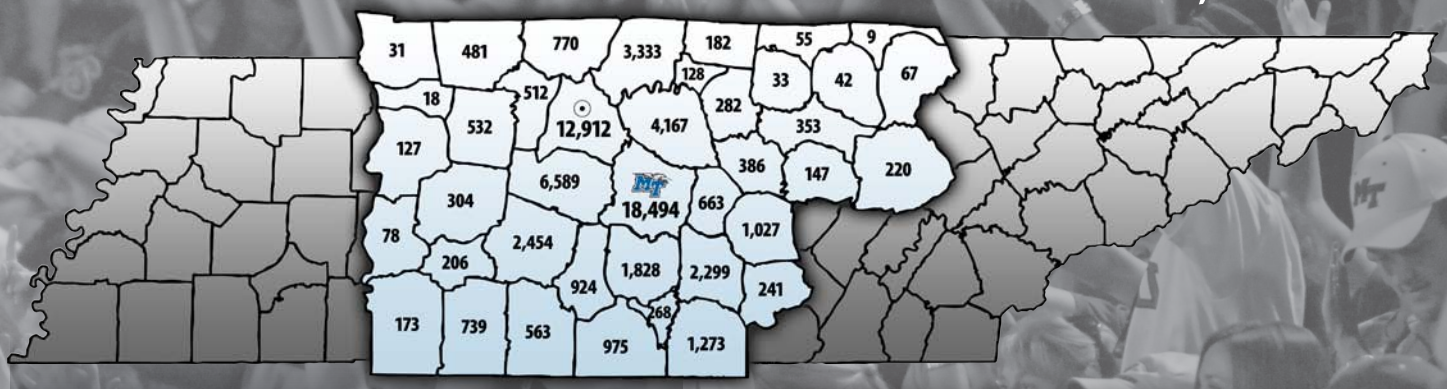

The most recent *Forbes* ranking lists Middle Tennessee as the leading public institution in the state and a top 50 "Best Buy."

Gameday Excitement

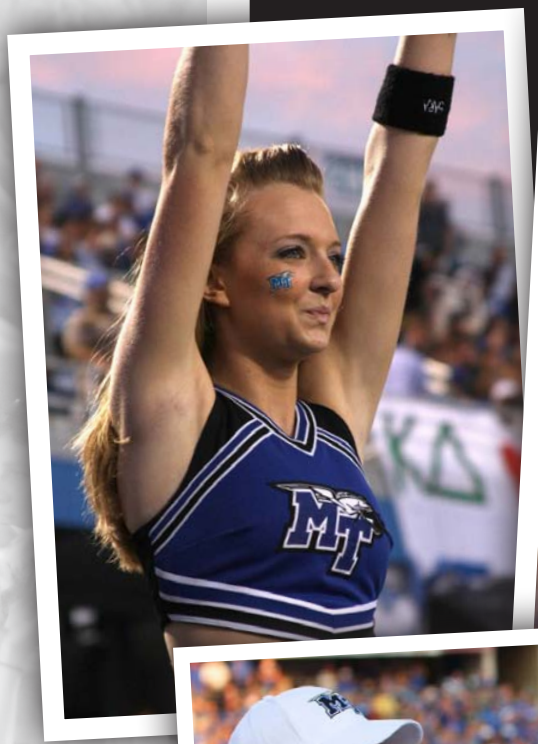

On gameday in Murfreesboro there's not a better place to be than Floyd Stadium. From tailgating in the Grove and on Greenland Drive to Raider Walk to all the family-fun activities surrounding the stadium, enjoying Blue Raider football has become the thing to do in the midstate region.

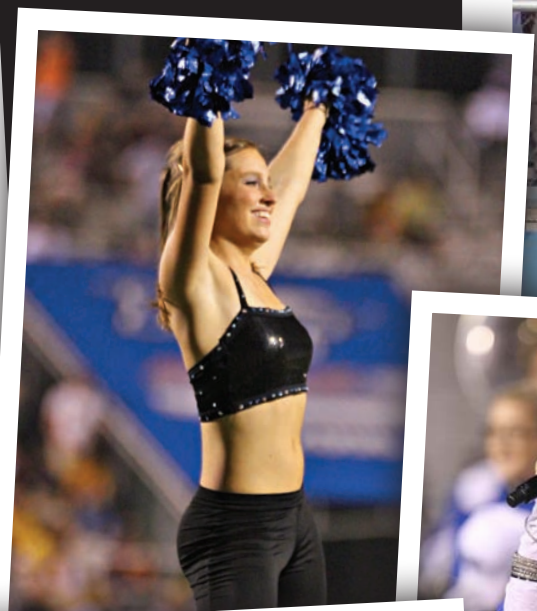

Fans, alums, and students all come early, dressed in Raider blue to enjoy the many activities available during pregame before heading to the stadium and giving the Blue Raiders that homefield edge.

It's a full 60 minutes of hard-hitting action and fans will not want to miss a single play. Under Rick Stockstill, seven games have been decided by a field goal or less, and who can forget the 2008 win over FAU on the game's final play with a "Hail Mary"?

It's a special experience for the entire family.

MIDDLE TENNESSEE FOOTBALL

Strength and **Conditioning**

Under the direction of head football strength and conditioning coach Russell Patterson (below right) and assistant Jason Spray, the Middle Tennessee strength and conditioning program is committed to maximizing the on-field performance of every student-athlete. The program designed by Patterson combines weight training, plyometrics, mobility and flexibility exercises, running, and proper nutrition to enhance each student-athlete's ability to compete. The football players work year-round in these areas and also train for better coordination and endurance.

It is a blueprint that helped make Patterson the *American Football Monthly* NCAA Division I-AA National Strength Coach of the Year in 2005. Patterson, who played a key role in Appalachian State's 2005 National Championship, has developed numerous athletes who have gone on to the next level.

"Training with Coach Patterson allowed me to put myself in a position to be successful on and off the field. I learned that he is someone that is passionate about his family and his work. When you have a head strength coach that takes pride in his work like Coach Patterson, then it is not surprising the amount of success that the Blue Raiders have enjoyed the past five years. He is also surrounded by an unbelievable staff that is always there when you need them."

- Erik Walden, Green Bay Packers

Blue Raider
Pro Day

Over 40 professional football scouts have been on hand at Middle Tennessee's Pro Day the past two years. In 2010, the program had the largest gathering of scouts in Blue Raider history, then followed it up in 2011 with another highly attended event.

"We have good players scouts want to come and evaluate, and that shows the growth and maturity of our program," said Rick Stockstill. "Each year we have progressed more. The scouts know when they come here that our players are going to be first class, fun to work out and deal with, and our coaches will cooperate and give them everything they need. They know this is a first-class program they are coming to."

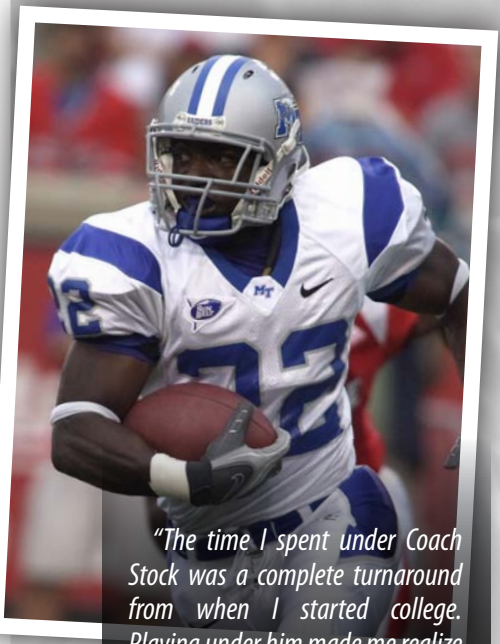

The Blue Raider
Stock Market

Under sixth-year coach Rick Stockstill, the Blue Raider market is on a steady, uphill climb

People always talk about impact recruits, and the biggest one at Middle Tennessee signed on in late 2005 when Director of Athletics Chris Massaro made Rick Stockstill the program's 15th head coach.

In five years, Stockstill has taken the program's academics to an all-time high, captured a league title, won the 2009 New Orleans Bowl, made three bowl games, appeared on national television a record and SBC best 14 times, and produced six of the top 10 crowds in Floyd Stadium history. More important, he has brought discipline to the program, instilled family values, and taught his players as much about life as about football.

With Stockstill at the helm, everything is done with class and character, so buy in now because Blue Raider football is a can't-miss stock.

"The time I spent under Coach Stock was a complete turnaround from when I started college. Playing under him made me realize that hard work pays off. He does everything first-class. If you listen and do what Coach Stock says, then you will graduate and win championships."

- former Blue Raider DeMarco McNair

"Everything was done first-class with Coach Stock. He is honest and treats you like his own son. He expects his players to graduate and be successful when football is over. The guy is genuine and knows how to connect with today's athlete."

- former Blue Raider Erik Walden

ACT LIKE A CHAMPION, PRACTICE LIKE A CHAMPION, PLAY LIKE A CHAMPION, AND MAKE CHOICES LIKE A CHAMPION.

"The best time of my college football career came under Coach Stockstill. We really felt like a family, and I learned things I will keep with me the rest of my life. Everyone was treated equally, and he taught us not only to go hard on the field but also in the classroom."

- former Blue Raider Bradley Robinson

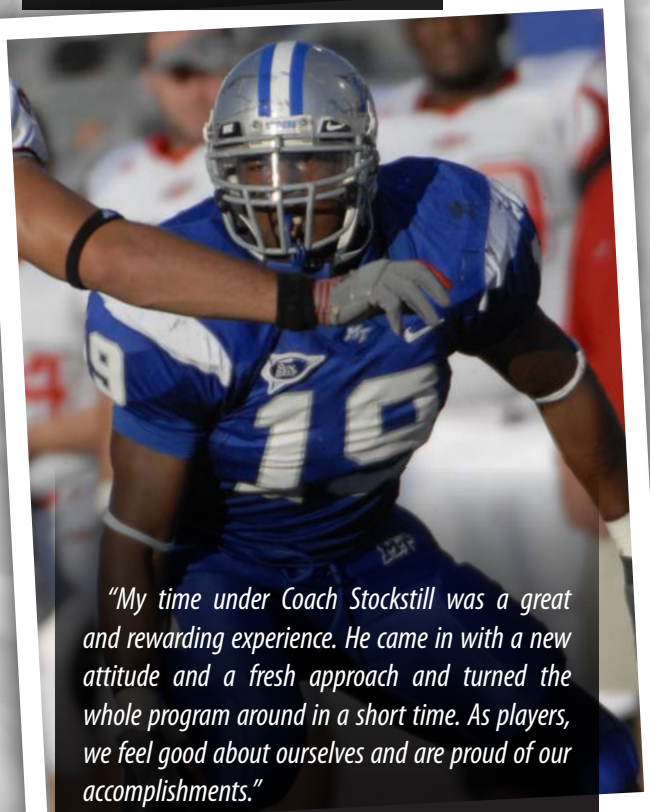

"Coach Stock is more than a coach to us. He talks to us about life and after football rather than just coaching. He's like a father to us. I had a great experience here with him, and he taught me a lot about being a better man."

- former Blue Raider Danny Carmichael

"My time under Coach Stock was a real wake-up call on the field and off. We grew into a big-time football program, and I was fortunate to have been a part of that. Coach Stock brought discipline to the program and was a real influence on my life."

- former Blue Raider Franklin Dunbar

"My time under Coach Stockstill was a great and rewarding experience. He came in with a new attitude and a fresh approach and turned the whole program around in a short time. As players, we feel good about ourselves and are proud of our accomplishments."

- former Blue Raider Tavares Jones

"The experience I had under Coach Stock will be a time I will never forget. Coach Stock turned this program into a winner, both on the field and in the classroom. I will take what I have learned and my experiences with me for the rest of my life."

- former Blue Raider Damon Nickson

"Coach Stock teaches his players the importance of character and doing things first-class, which prepares us for the real world when we graduate. I loved my time under Coach Stock as he truly made me the man I am today."

- former Blue Raider Wes Hofacker

In the Spotlight

- Prior to Rick Stockstill's arrival, the Blue Raiders had just two nationally televised games, but during the Stockstill era Middle Tennessee has been showcased nationwide a record 14 times.
- The Blue Raiders have averaged 8.2 televised games a season over the past five years.
- Under Rick Stockstill, 65 percent of Blue Raider games have been televised either nationally or regionally.

MTSU reaps ESPN rewards

100,000-plus local viewers see bowl win

BY ADAM SPARKS

The biggest win in MTSU football history was viewed by more than 100,000 people in the Greater Nashville area on ESPN, according to Nashville Nielsen overnight ratings.

MTSU's 42-32 win over Southern Mississippi in Sunday night's New Orleans Bowl on ESPN drew a local rating of 4.1 in the Greater Nashville market, which includes Davidson County and the surrounding six counties.

That equals approximately 41,779 households and 100,270 local viewers, per a general guideline of one household equaling 2.4 viewers.

"Playing in a bowl just gives you that bonus of national TV exposure," MTSU athletic director Chris Massaro said. "The New Orleans Bowl was our third national broadcast this year, and the value of that exposure is immeasurable."

The New Orleans Bowl was the seventh-most watched sports event of the last week in the Nashville market, ranking behind six NFL games. The Titans' win over the Dolphins Sunday on CBS drew a 32.2 rating, followed by Vikings-Panthers (13.7), Packers-Steelers (13.4), Cardinals-49ers (13.3), Cowboys-Saints (7.4) and Colts-Jaguars (6.1).

Middle Tennessee has been on national television 14 times the past five seasons, the most by any team in the Sun Belt Conference, and is scheduled for at least three more in 2011.

Monumental **Moments**

- Under Rick Stockstill, seven games have been decided in the final 45 seconds, including three with no time remaining. The Blue Raiders are also **5-1** under Stockstill in one-point games.

- Completing a "Hail Mary" is rare, but the Blue Raiders accomplished the feat twice in three games on final plays in 2008 against Kentucky and Florida Atlantic.

- The Blue Raiders have not only won games under Stockstill with "Hail Marys" but they have also done it another improbable way - by a kickoff return. In 2007, Bradley Robinson returned a kickoff 89 yards for a touchdown with 45 seconds left to give MT a 43-40 win over Louisiana-Monroe on the road.

Freshmen Make a **Major Impact**

Middle Tennessee has had a true freshman earn national recognition three of five years under Rick Stockstill. In fact, freshmen have played an integral part in the resurgence of the Blue Raiders the past five years.

During the Stockstill era, a total of 87 freshmen have seen action, with 37 being first-year players.

In 2006, Desmond Gee was a first-team all-conference player, leading the team in touchdown receptions and punt returns and finishing second in total receptions. QB Dwight Dasher was the next true freshman to shine, earning honorable mention freshman All-American honors after leading the Blue Raiders in rushing in 2007. In 2008, seven players made the All-Freshman team, and WR Malcolm Beyah led the team in touchdown catches and yards per catch, and Alan Gendreau finished second in scoring. In 2009, Kenneth Gilstrap, Justin Jones, Harold Turner, and Benjamin Cunningham all earned All-SBC freshman recognition, while Josh Davis was second team All-SBC in 2010.

Who will be the next great freshman?

Making a Difference in the Community

Coaches' Wives in the Community

- Collected and donated items for the Women's Domestic Abuse Shelter.
- Helped organize a golf tournament to benefit Area 16 Special Olympics.
- Donated books and worked with students at Black Fox Elementary School.
- Adopted a family at Christmas through the Angel Tree program.

The Blue Raider football team is involved in numerous community activities during the course of the academic year. The athletes participate in the Reading Raiders program, work with the Special Olympics, attend Career Day at various schools, help make up the B.R.A.S.S. program, and work with the Boys and Girls Club of Rutherford County. They also assisted in tornado damage cleanup in 2006 (Gallatin) and 2009 (Murfreesboro).

Reading Raiders began in 1993 and is designed to allow MTSU athletes the opportunity to give back to the community by getting involved in the lives of children. Within this program, MTSU athletes serve as role models and motivators in encouraging reading and proper study skills among students in the Murfreesboro City Extended Schools Program. The football program also mentors students at Black Fox Elementary.

The B.R.A.S.S. program is another vehicle that encourages student-athletes to become involved in service activities. Through the program, MTSU hosts the Special Olympics each April. The athletes also visit area schools during the course of the year and read to the students. The Reading Raiders and B.R.A.S.S. programs are directed by Wynnifred Counts.

During the summer of 2007, the football program helped build a house for Habitat for Humanity.

In April of 2006, a group of 60 student-athletes made up mostly of football and volleyball players traveled to Gallatin, Tenn., to volunteer their time to assist in cleanup efforts following a devastating tornado on April 7. The group worked for nearly three hours picking up debris and trying to salvage what was left near a farmhouse in Gallatin.

Academic Enhancement

■ Todd Wyant, Director

The Student-Athlete Enhancement Center at MTSU houses the academic support system and the Blue Raider Athlete Skills for Success (B.R.A.S.S.) Life Skills Program for all 17 Division I-A sports. The center is located at Johnny "Red" Floyd Stadium.

The facility opened in 1999 to the delight of student-athletes, coaches and administrators.

Blue Raider student-athletes can take advantage of the library-like atmosphere as they report for study hall under the watchful eyes of director Todd Wyant and associate director Wynnifred Counts.

The center consists of administrative offices, fully equipped individual and group tutoring rooms, a computer center, and spacious study carrels equipped with task lighting. Services provided by the center include help with registration and preregistration, help with study skills, and updates on NCAA legislation.

The center uses an innovative goal based study table, which includes daily mentoring and constant tutoring. Tutors in various subjects are scheduled in the tutoring rooms throughout all hours of operation, and all tutoring takes place at the center and library. The SAEC staff is responsible for daily monitoring of the student-athletes progress, providing daily reports and meeting with each coaching staff weekly.

The mission of the center is to help student-athletes take skills learned on the field and turn them into positive preparation for life after college. The center is also committed to meeting the changing needs of student-athletes. It continues to promote partnerships between the University, the NCAA, and the Murfreesboro community to help achieve its goals.

In addition to providing the academic support needed to be successful in the classroom, the center is committed to meeting the needs of student-athletes in life skills development through the B.R.A.S.S. program.

As B.R.A.S.S. coordinator, Ms. Counts is dedicated to helping prepare student-athletes for life after college. Blue Raiders volunteer, when possible, to help teachers and students at elementary and middle schools throughout Rutherford County during the academic year. In 2006, the athletic department began a mentoring program with the city schools in which student-athletes and coaches help tutor kids.

In the spring of each year, Special Olympics at Middle Tennessee uses Blue Raider student-athletes to run each event. Career night and substance and alcohol abuse seminars are yearly, well-attended events.

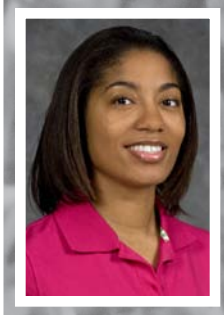

The Student-Athlete Enhancement Center is just one way that Middle Tennessee is helping to prepare our student-athletes to be successful at MT and beyond.

Health care is one of the most important aspects of a student-athlete's life, and no university is more committed to keeping athletes healthy than Middle Tennessee. The Sports Medicine facility provides MTSU student-athletes with one of the finest athletic training facilities in the nation.

Head Athletic Trainer Drew Shea and the Sports Medicine staff have set liberal hours to make sure each student-athlete has his or her needs met. The Sports Medicine facility opens early each morning and doesn't close until all student-athletes have been treated.

The Sports Medicine facility contains a complete injury rehabilitation center, new rehab equipment, two full-size whirlpools, a dressing area for athletes, and a private office for the team physicians. In the summer of 2008, the facility added new Mondo Ramflex flooring to provide a safe and healthy environment for the student-athletes and added new treatment tables in 2009.

There is no waiting in the Sports Medicine facility since there are nine taping stations, multiple state-of-the-art modalities, and a new rehabilitation area. All of the equipment in the facility is top of the line. Athletes can use a full-stride treadmill, a stairmaster, and an exercise bike during their rehabilitation. One of the most recent additions to the equipment in the Sports Medicine facility is a $15,000 K-Laser which helps speed up the healing process, enabling student-athletes to return to competition at a faster rate.

The latest piece of equipment that aids the Sports Medicine staff is a new state-of-the-art computer system that tracks injuries, rehab protocols, medications, and surgeries. The new computer system allows each athletic trainer to keep student-athlete rehabilitation programs moving forward at as rapid a pace as possible.

The facility also contains a fully stocked physician's examination room for the resolution of any minor issues that a student-athlete may encounter without having to take more time-consuming measures. There is also a C-Arm portable X-Ray machine on site.

Shea and his assistants each have an office in the Sports Medicine facility, and there is work space for the nine graduate assistants. Each office is self-contained, allowing private consultations with injured student-athletes.

Where the Raiders **Live and Dine**

Scarlett Commons

Scarlett Commons, named for former MTSU president M. G. Scarlett, is one of the premier living arrangements at any university in the region. Opened to students in the fall of 1999, the facility provides apartment-style living with the convenience of staying on campus.

Nine three-story buildings with 12 apartments each and a clubhouse make up the Scarlett complex. Each apartment contains four private bedrooms connected by two private bathrooms, a full kitchen, and a comfortable living room.

Each apartment is fully furnished, and window mini-blinds are provided. The kitchen includes a table and four chairs, microwave, refrigerator, stove, and oven. The living area includes a sofa, lounge chair, and television stand. Each bedroom has a closet and is furnished with a bed, dresser, nightstand, and desk with a hutch. Each apartment also includes cable and phone lines in the living room and data lines with access to the Internet for personal computers in each bedroom.

The Scarlett Commons clubhouse creates a real sense of community with its recreation/meeting rooms, fireplace, big-screen TV, and laundry room. Any maintenance issues cna be resolved by calling the 24-hour reception and service desk located in the clubhouse.

Students living in Scarlett Commons have their own restricted parking lot, so it's easy to find parking in front of their buildings 24 hours a day.

Dining

MTSU offers five different on-campus dining areas, with the most popular being Keathley University Center (KUC) Grill and Cyber Café.

The KUC is located in the center of campus and is a major intersection for student activities. The Grill is located on the second floor and features Pizza Hut, Quizno's Subs, Asian Express, Chick-Fil-A, Burger Studio, Einstein Bros. Bagels and Home Zone. Check online at www.mtdining.com for restaurant hours.

The Cyber Café is the first of its kind in the Tennessee Board of Regents system, offering a futuristic and efficient way for students to dine. Students can eat while e-mailing or searching the Web at the same time on eight computers with access to the World Wide Web.

Topio's Pizza and Subway serve students until 2:00 a.m. Monday–Thursday and 7 p.m. on Fridays. Six 32-inch televisions suspended from the ceiling also catch students up on events around the world. Sofas and armchairs make Cyber Café a great place to relax between classes with coffee or Ben and Jerry's ice cream.

Student-athletes can start the day with biscuits and gravy and an omelet from McCallie Dining in Corlew Hall. This is a favorite spot because of the fun atmosphere and all-you-can-eat dining selections. Student-athletes get a chance to relax and socialize with each other while feasting on subs, pizza, grill works, carved meats, fresh deli food, fresh-made pasta, and a salad bar. Thursday nights in McCallie are theme nights featuring, for example, tastes of the bayou on Cajun night or a feast of egg rolls and fried rice on Far East night.

A great spot for lunch is the RaiderZone at James Union Building, a new sports theme restaurant. Students can enjoy all-you-can-eat buffet-style foods, pizza and pasta, carved meats, fresh deli food, and freshly made salads.

Playtime doesn't have to be over when the game is.

The new Embassy Suites Murfreesboro – Hotel & Conference Center is the perfect place to play away from the field.

Our spacious and luxurious all-suite hotel features complimentary cooked-to-order breakfast, nightly manager's receptions, indoor pool, sun terrace, high-speed internet and top of the line amenities in each suite. And our inviting 10-story atrium, the fun yet elegant Gateway Grille and Caffeina's Internet Café are just a few more reasons that our guests tend to kick off their shoes and stay for a while.

THE 2011 SEASON OUTLOOK

Coach Stockstill on the 2011 season

"We had a good spring and made improvements every day. I liked the leadership we had from Logan Kilgore, Jeff Murphy, Benny Cunningham, Mike Williams, Arness Ikner, Derrick Crumpton, Darin Davis, and Omar McLendon. I think we have to continue to mature but I like our attitude and believe we are a closer team now than at the same point a year ago.

"Offensively, we have some guys at skill positions that can create and make plays in space. We really need to have those linemen who missed spring practice back and ready to go in August. I also like our quarterbacks a lot. They are winners and I have confidence in both guys.

"Defensively, we will be as athletic as we have ever been. We have depth and I thought Arness Ikner and Derrick Crumpton had really good spring practices while Sammy Seamster, Eric Russell, and Kenneth Gilstrap made a lot of improvement. Up front we have some question marks. Omar McLendon had a good spring and plays with a high motor but some of the younger guys will have to step up. Our linebackers are athletic and can really run."

Coach Ellis on the defense

"This is such a fun group to coach which has me excited about the upcoming season. They are very fast and athletic. The guys are hungry and the seniors here want to set the standard of excellence for the future. I am looking for Omar McLendon, Darin Davis, and Derrick Crumpton to come on strong and fill the void left by last year's leaders. We want to be an overachieving, tough, hard-nosed defense that plays with a nasty attitude. We are all excited about the challenges ahead."

Coach Simmons on the offense

"Coming out of the spring, we are definitely headed in the right direction. The emphasis in the spring was to have a faster tempo and cut down on turnovers. We got better in both areas but still are not where we want to be. I believe we improved at every position and I am very pleased with our quarterback play as both guys made good decisions and moved the team. The running back and receivers all made plays and the offensive line just needs to get healthy. Overall, I am very pleased with our progress and can't wait to see where we are when August arrives."

OFFENSIVE LINE

Brandon McLeroy

Players

Left Tackle

MIKE WILLIAMS (r-Senior) – Team leader with 36 career starts ... Is the most athletic lineman and has a good punch ... Very explosive and smart ... Size is his only drawback.

JORDAN JOHNSON (r-Sophomore) – An athletic lineman with good height, excellent feet, and long arms ... Has a chance to be a really good player in the future ... Just needs to add weight.

Left Guard

BRANDON MCLEROY (Senior) – A three-year starter who has played in 37 games ... Is very aggressive and one of the leaders on offense ... Equally adept at run and pass blocking ... Rates as one of the team's top players.

ISAIAH ANDERSON (r-Freshman) – A hard working, conscientious, and aggressive player ... Most improved lineman during the spring ... Very versatile ... Once he gains weight and strength he has a chance to shine.

Center

ALEX STUART (r-Junior) – Redshirted last year with a knee injury and played sparingly in the spring ... A very explosive player who has a lot of pop ... Plays with good leverage, has great feet, and is smart ... Just needs to stay healthy.

COLIN BOSS (r-Senior) – Has played in 34 career games and was the starter last year at center ... Is coming off hip surgery ... Very consistent last year ... A mentally tough player who never quits on a play ... Needs to improve quickness and conditioning ... Can play guard or center.

JESSE GRISHAM (r-Sophomore) – Played seven games last year ... Solid player with bright future ... Young player who needs to develop more strength and aggressiveness.

Right Guard

PRESTON BAILEY (r-Junior) – Started 12 games last year and is penciled in to start in 2011 ... Good at pass protection but needs to improve run blocking ... Played all last year on an injured knee which hampered his leg drive.

JOSH WALKER (r-Sophomore) – Has great size and aggressiveness ... Needs to develop flexibility and play with lower pad leverage.

JASON REXROAD (Freshman) – A strong, hard working player with a bright future ... Needs to gain more knowledge of the offense.

Right Tackle

JADAREIUS HAMLIN (r-Sophomore) – A very athletic player who got valuable game experience last year ... Needs to keep improving knowledge of offense.

JUDD HUNT (r-Freshman) – An athletic player who is still learning ... Must develop better strength and understanding of the offense.

Mike Williams

Headlines

Key Losses: RT Mark Fisher

Key Returnees: LT Mike Williams, LG Brandon McLeroy, C Alex Stuart, C Colin Boss, RG Preston Bailey

Battle to Watch: The center and right tackle positions appear to be the closest race when camp opens in August. At center, both Alex Stuart and Colin Boss were injured in the spring and Jesse Grisham came out as the starter. Jadareius Hamlin earned the starting nod at right tackle but Stephens has a number of options with possibly Preston Bailey, Stuart, Isaiah Anderson, Judd Hunt or Jason Rexroad trying to make a move.

Spring Standout: Mike Williams was the only starter at every spring practice and was clearly the best player. However, Isaiah Anderson was the groups most improved so keep an eye on this up-and-coming star from nearby Franklin, Tenn.

Coach Stephens on the offensive line

"If we can stay healthy, I think this group will be the deepest offensive line that I have had here at Middle Tennessee. We lost some experience with the graduation of Mark Fisher, but it is a very athletic and versatile group. We were without three starters in the spring but the young guys received a lot of quality reps which will only strengthen our depth. This is a smart, tough bunch of guys who I am very excited about in 2011.

Headlines

Key Losses: Garrett Andrews

Key Returnees: Malcolm Beyah, Tavarres Jefferson, Sancho McDonald

Battle to Watch: The one to keep an eye on will be for the "Z" starting spot between Malcolm Beyah and Andrew Banks. Both had strong springs and showed improvement in all areas. Beyah provides big play capability and Banks is a player who can play all four positions.

Spring Standout: Sophomore Richard Drake is a guy who clearly stepped up his play in the spring. Coaches saw a dramatic change in his work ethic and the fact he competed on a daily basis. Drake caught the ball well and became more accountable in the run game. He was presented the award for most improved among the receivers following spring drills.

Coach Watts on the wide receivers

"There is a good mix of experience and youth and I like the fact we came out of spring raising our level of play. We have guys battling at all four positions and I feel real comfortable with our two-deep. All of the guys grasped the new changes to our offense and I am very excited to see them peform this fall. We had four guys miss all of spring practice with injuries and three more who did not finish so getting healthy is critical for the entire group."

Malcolm Beyah

RUNNING BACKS & QBS

Jeff Murphy

Logan Kilgore

Players

Quarterbacks

LOGAN KILGORE (r-Sophomore) – Possesses a big arm, can make any throw, and has great pocket saavy ... Can find throwing lanes and is a capable runner ... Game just needs to slow down for him.

JEFF MURPHY (r-Junior) – A smart player who makes quick decisions which helps his lack of arm strength ... Deceptively fast and can make called runs ... Throws well on the move ... Needs better arm strength to extend field.

Running Backs

BENNY CUNNINGHAM (Junior) – Has an unbelievable work ethic and comes to play every day ... Good speed, strength, agility, and just wants to out-work everybody ... Ready to take it to the next level.

D. D. KYLES (r-Senior) – Was hurt the last week of spring drills and did not compete in the spring game ... As good as anyone with the ball in his hands but still needs to improve his game without the ball ... Has the ability to be one of the top backs in the Sun Belt ... Just needs to be consistent.

WILLIAM PRATCHER (r-Sophomore) – Was the most improved back in the spring ... Has really grasped the position and could help in the fall ... Possesses strength and explosiveness ... Needs to continue to grow mentally and fine tune his skills.

DRAYTON CALHOUN (r-Sophomore) – Explosive ... Runs very smooth and change of direction is natural ... Has great pad level and is a home run threat ... Needs to keep learning position.

Headlines

Key Losses: QB Dwight Dasher, RB Phillip Tanner

Key Returnees: QB Logan Kilgore, QB Jeff Murphy, RB Benny Cunningham, RB D.D. Kyles. Kilgore and Murphy have both played in just three FBS games with each grabbing a win. Cunningham and Kyles have played in 24 and 27 games, respectively.

Battle to Watch: There's not a better battle on the field than at quarterback between Logan Kilgore and Jeff Murphy. The final decision will not be made until fall camp so stay tuned but another good battle could be in the fall between the two freshmen to see who can get in the mix. At running back, Benny Cunningham and D.D. Kyles will be hotly contested because both bring things to the table that helps the team win. No matter the outcome both will play a lot as the system requires at least three.

Spring Standout: Benny Cunningham might be the best player on the team so outside of him Drayton Calhoun really turned some heads. He brings speed and talent, and really picked up the system fast. He is a real threat with the ball in his hands. At quarterback, Jeff Murphy was very productive and his teammates really rallied around him. He was a very pleasant surprise but it will be a battle to the very end with Kilgore.

Coach Faulkner on the quarterbacks

"I am very excited to coach two guys like Logan Kilgore and Jeff Murphy who are natural passers. Both players can make all the throws and did a good job in the spring of making good decisions. They are also highly competitive, understand defenses, and spend a lot of time in the film room. It will be exciting to see their progression."

Coach Simmons on the running backs

"This is a fun group to be around and coach. They push each other every day to get better and are big time competitors. They all want to be the best group in the Sun Belt Conference and have the work ethic to grab that distinction. They have speed, versatility, strength, and leadership but just need to play with a chip on their shoulder every down."

DEFENSIVE LINE

Omar McLendon

Players

Left End

OMAR MCLENDON (Junior) – The best defensive end on the team ... Rates as a very good run defender and solid pass rusher ... Very physical and smart ... Needs to be more consistent overall in his pass rush.

JIAJUAN FENNELL (r-Freshman) – Young, talented player who must continue to improve from a physical stand point ... Has the ability to be a steady backup and even compete for a starting job.

Left Tackle

PATRICK MCNEIL (r-Freshman) – A very talented young player who saw action early last year before season ended with an injury ... Has tremendous ability and football intelligence ... Needs to be more focused and condition himself better.

SACOBY CARTER (r-Senior) – Coming off shoulder surgery ... A physical player who will be counted on for leadership .... Needs to be more polished from a technique standpoint.

KENDALL DANGERFIELD (r-Junior) – Did not play last year while sitting out due to academics ... Has tremendous upside and a chance to be a good player ... Can compete for a starting job ... Very strong.

Right Tackle

JIMMY STATEN (r-Sophomore) – Has taken all the right steps to improve and will play a big role this season ... Tough, hard working player who needs to improve conditioning and consistency.

MORRIS MOORE (r-Freshman) – A good young player who is making strides but still has a ways to go before competing for time ... Needs to improve technique and get stronger.

Right End

DEARCO NOLAN (r-Sophomore) – Has made tremendous strides in the classroom and on the field ... Very dependable ... Can play inside and outside.

GORBY LOREUS (Senior) – Made the move from linebacker to end during the spring ... Coaches were pleased with his progress ... Is a natural at the position ... Still learning but adds speed and tenacity to the position.

MAX UGBOAJA (r-Freshman) – A player with tremendous upside who works extremely hard ... Has a chance to contribute as a situational player in the fall ... Good student.

Headlines

Key Losses: DE Jamari Lattimore, DE Emmanuel Perez, DT Dwight Smith, DT Gary Tucker, DT Jarrett Crittenton

Key Returnees: Omar McLendon, Jimmy Staten, DE Dearco Nolan, and DT Pat McNeil. All four have combined for 0 starts.

Battle to Watch: With four starters lost from a year ago, the battles are numerous along the defensive line. SaCoby Carter and Patrick McNeil will be heated for the left tackle spot and Jimmy Staten will be trying to stave off newcomer Paramore Tapa. Omar McLendon is the only one with a starting job secured.

Spring Standout: Jimmy Staten and Omar McLendon stood out as far as being dependable, athletic football players during the spring. They both showed improvement from the first practice all the way to the 15th and final practice. We had some other guys do some good things but they were not as consistent as Staten and McLendon.

Coach Palermo on the defensive line

"As a group, we made a tremendous amount of improvement in the spring and got a lot of questions answered. We have some guys who can be very successful and others who can be solid in our league if they keep showing improvement. Our depth is better than a year ago and we have bigger bodies inside."

Dearco Nolan

LINEBACKERS

Darin Davis

Players

Sam

DARIN DAVIS (Senior) – A leader who guys look to and he relishes that role ... Is the grandfather of the linebackers ... Has added weight, is fast, and is the most experienced of the group ... Needs to improve conditioning level.

DAVID JONES (r-Sophomore) – Plays with a high motor and is coming off a very productive spring ... Really enjoys the game ... Needs to improve on controlling his body position.

Justin Jones

JONATHAN BROOKS (r-Freshman) – Young and inexperienced but very athletic ... Needs to improve his football intelligence ... Best football is ahead of him.

Mike

STEPHEN ROBERTS (r-Sophomore) – Has yet to see the field after being redshirted then missing last year with an injury ... Limited during the spring but has the body you want at the position.

COREY CARMICHAEL (Sophomore) – Saw a lot of action as a true freshman last year ... Solid, hard-nosed, tough competitor ... Needs to work on consistency.

CHRISTIAN HENRY (r-Freshman) – Has the desire to be a very good football player ... Athletic and can run ... Best football is ahead of him ... Needs to continue improving his knowledge of the defense.

NORMAN WASHINGTON (r-Senior) – Steady player who has played in 34 career games ... Will see time on special teams as well.

Will

CRAIG ALLEN (r-Sophomore) – A very athletic player who loves to play the game ... Saw action in all 13 games last year ... Needs to play with better pad level.

JUSTIN JONES (Junior) – Can run and likes to hit ... Was fourth on the team in tackles a year ago ... A solid linebacker who will push for the starting job ... Needs to be more consistent.

LEIGHTON GASQUE (r-Freshman) – Young, athletic, and loves to play the game ... Runs well and is very smart ... Needs to improve his knowledge of the defense.

Headlines

Key Losses: Antwan Davis

Key Returner: Darin Davis is the senior leader of a unit expected to be much improved and a lot faster in 2011. Davis is coming off a career year where he was second on the team in tackles while also coming up with three interceptions for 139 yards.

Battle to Watch: No one has really locked down a spot but the most interesting to observe in the fall will be the Mike position. Stephen Roberts, Corey Carmichael, and Christian Henry will be fighting for time in the fall. Roberts is the odds-on favorite but is unproven due to injuries.

Spring Standout: Sophomore David Jones finally looks comfortable after making the transition from running back to linebacker a year ago. Jones, who played mainly on special teams last year, is ready to contribute. He plays extremely hard and was voted the most improved player in the spring among the linebackers. Jones' willingness to be coached was evident in the spring so look for a breakout year from this talented Blue Raider.

Coach Cauthen on the linebackers

"The core of this group is young but very athletic. They have good size and their best weapon might be speed. I have about 10 guys I am comfortable with so we are getting the depth we have to have to compete at this level. Overall, it is a very inexperienced unit with only two seniors but the future looks very bright at Middle Tennessee at linebacker. I am really excited about coaching all of them this season and watching their progression."

DENZELL GUERRA (r-Junior) – Is fighting for a starting job ... Was steady in the spring but will need to dedicate himself over the summer ... Is strongly in the mix.

Left Cornerback

T.L. EDWARDS (Senior) – A big, athletic, and physical corner ... Has great ball skills and has benefitted from his first offseason at MT ... Coming off a strong spring ... Needs to continue to redefine his technique.

KENNETH GILSTRAP (r-Sophomore) – Brings a lot of speed to the game, is competitive, and just loves to play ... Can play corner, in the nickel or dime package or as a kick returner ... Good overall athlete ... Just needs to regain his confidence after his injury.

CHRIS SHARPE (r-Freshman) – Can play a number or roles but is a natural corner ... Understands the game and is a tackling machine ... Knows angles and leverages ... Needs to continue building his strength.

Right Cornerback

ARNESS IKNER (Senior) – Pleasant surprise in the spring ... Plays with a chip on his shoulder, high intensity, and has a good understanding of the game ... Very fluid and compact ... Showed improvement from practice one of spring drills to practice 15 ... Needs to adjust to speed of the game at this level.

KHARI BURKE (r-Freshman) – Has great football pedigree and loves to play the game ... Possesses great transition and body movements for the position ... Needs to learn the entire defensive scheme.

MARQUISE DIXON (r-Sophomore) – A utility player who can play all four spots in the secondary ... Tough, physical, and likes to mix it up ... Needs to keep developing his lower body strength.

Headlines

Key Losses: S Jeremy Kellem, S Kevin Brown, and CB Rod Issac. The threesome combined for 117 career starts.

Key Returnees: CB Arness Ikner, FS Derrick Crumpton, SS Eric Russell

Battle to Watch (corner): The starting left corner job will be fun to watch in the fall between T.L. Edwards and Kenneth Gilstrap. Edwards had his first offseason at MT which has made him better and has him playing faster. Gilstrap is back to 100 percent and has unbelievable speed. Both are competitors and will battle to the very end.

Battle to Watch (safety): Derrick Crumpton and Eric Russell earned starting spots coming out of the spring but Denzell Guerra and Sammy Seamster are knocking on the door. It could end up with any of the four starting so the competition in the fall will be fierce.

Spring Standout: The standout among the corners was Chris Sharpe. The redshirt freshman played with a lot of confidence in the spring and will be exciting to watch. Coaches expect him to be in the mix. For the safeties, Eric Russell and Derrick Crumpton get the nod. Russell just loves to play the game and Crumpton took advantage of the opportunity. Both were consistent and took charge of the position.

Coach Bibee on the safeties

"I have guys who don't have a lot of experience but they have been in the program a long time. (Derrick) Crumpton has played in 38 games and (Denzell) Guerra has competed in 26 games. We have a lot of competition which should promote hard work and an intense summer because they all see playing time and will fight for it. We are not starting from scratch."

Coach Ellis on the cornerbacks

"I thought everyone got better fundamentally and improved their knowledge of the game. They pushed each other and played with a purpose. This is a playmaking group and will be more technical than last year's unit. All are very versatile."

Eric Russell

SPECIAL TEAMS

Josh Davis

Players

Placekicker

ALAN GENDREAU (Senior) – A very consistent kicker who is a two-time first team all-conference player ... Has made some big kicks for MT the past three years and coaches expect another stellar season from the senior.

ZACHARY LOPEZ (r-Freshman) – A walk-on who has not kicked in a game ... Needs to continue improving his consistency.

Punter

JOSH DAVIS (r-Sophomore) – A second team all-conference pick as a freshman ... Is very consistent and does an excellent job of placing punts inside the 10 and 20-yard lines ... Coaches expect another strong season from Davis.

NATHANIEL TOULSON (r-Senior) – Has a very powerful leg and gets his kicks off fast ... Needs work on his consistency.

Snapper

ZEKE ANDERSON (r-Sophomore) – Was solid in his first year last season ... Has a great work ethic and snaps are consistent ... Needs to improve blocking.

Alan Gendreau

Headlines

Key Losses: None

Key Returner: PK Alan Gendreau is a Lou Groza Award candidate and a two-time first team all-conference selection.

Battle to Watch: The battles to stay tuned to on special teams will be in the return game. Eric Russell is back as the punt returner but he will get serious push from veteran Tyler Mason and redshirt speedster Reggie Whatley. Kick returner will be another competitive battle between Benny Cunningham, Malcolm Beyah, Eric Russell, and Reggie Whatley.

Spring Standout: Alan Gendreau was very consistent all spring. The coaches stretched him on a number of kicks to see how far he could go in the spring and he responded well. Expect another strong season from the conference's top kicker.

Coach Stockstill on the special teams

"We did not do a lot of kicking in the spring but I feel good about our kicking game with two all-conference guys in (Alan) Gendreau and (Josh) Davis. Our long snapper and holder are back and I think we have a lot of athletic guys to choose from for our coverage teams. The return game could be special with some very dynamic guys in the lineup."

Holder

JOSH DAVIS (r-Sophomore) – Was the team's holder all last year and was very consistent ... Works well with Alan Gendreau.

JEFF MURPHY (r-Junior) – A sure-handed player who adds another dimension for the Blue Raiders.

Returners

ERIC RUSSELL (Senior) – Starting punt returner in 2010 and leading kickoff returner.

Others in the mix: Malcolm Beyah, Benny Cunningham, Tyler Mason, Reggie Whatley

TWO-TIME SUN BELT CONFERENCE COACH OF THE YEAR

Rick Stockstill

HEAD COACH | 6TH SEASON | 33-30 RECORD AT MT

In five seasons at the helm of the Middle Tennessee program, Rick Stockstill has elevated the Blue Raiders to an unprecedented level. During his short tenure, the Blue Raiders have captured a league title, won the 2009 New Orleans Bowl, made three bowl games in five years, appeared on national television a record and Sun Belt Conference-best 14 times, and produced six of the top ten crowds in Floyd Stadium history.

In 2010, Stockstill's team battled back from a tough start and came up with clutch plays down the stretch to make back-to-back bowl games for the first time in school history. The coach also had an Academic All-American in Jeremy Kellem, the SBC Defensive Player of the Year in Jamari Lattimore, and a total of nine players who were recognized on the All-Conference team. Cornerback Rod Issac was also taken in the fifth round of the NFL Draft by the Jacksonville Jaguars.

The 2009 season was one for the record books as that squad accomplished what few believed possible with an FBS-record 10 wins, a final ranking of 33rd nationally in the ESPN/USA Today Coaches poll, a bowl victory, a seven-game winning streak, the most Sun Belt victories in school history, five road victories, and a second straight undefeated month of November. It all resulted in Stockstill being named Sun Belt Conference Co-Coach of the Year and 11 players earning All-Conference honors, including co-Defensive Player of the Year Chris McCoy, who was taken in the 7th round of the NFL Draft by the Miami Dolphins. To top things off, quarterback Dwight Dasher earned New Orleans Bowl MVP honors and became just the fourth player in NCAA history to pass for more than 2,500 yards and rush for 1,000 yards in the same season.

Stockstill has also shown a commitment to academics during his tenure. The Blue Raiders have gone from an APR score of 892 to a very impressive 990, the biggest increase of any program in the country. The Blue Raiders have also been crowned with the Sun Belt Conference Academic Award on two occasions (2006-07, 2007-08). For his efforts, Stockstill was inducted as an honorary member into Phi Kappa Phi Honor Society in April 2010.

After 24 years as an assistant, Stockstill was given the chance to run his own program, and all he did was lead the Blue Raiders to a 2006 Sun Belt Conference championship, help set a new single-season attendance record, and take the program to its first postseason bowl game in the I-A era. Taking a Middle Tennessee team predicted to finish sixth in the Sun Belt during the preseason to a league title, Stockstill ended up as the 2006 Sun Belt Conference Coach of the Year and the Tennessee Sports Writers Association Coach of the Year while also garnering that honor from ESPN.com.

Stockstill's teams have amassed the top four tackles for loss and quarterback sack totals in school history and have produced the Sun Belt's top touchdown scorer twice. Individual players have 37 All-Conference honors and two Player of the Year Awards, and there have been three different National Player of the Week winners.

The Blue Raiders have won 25 of 37 conference games since 2006 and pulled upsets of ACC member Maryland in 2008 and 2009. In 2008, defensive end Erik Walden was taken in the sixth round of the NFL Draft by the Dallas Cowboys, and offensive lineman Franklin Dunbar and defensive lineman Trevor Jenkins signed as free agents with the Philadelphia Eagles.

During the 2006 championship run, Stockstill and his staff developed an All-American, 11 All-Conference players, 11 SBC Player of the Week winners, a consensus National Defensive Player of the Week (Damon Nickson won the Walter Camp and the Bronco Nagurski awards), and the school's all-time sacks leader (Erik Walden). Much of the team's success was attributed to their play on the road that year; the Blue Raiders won four conference road games. Only 10 other teams nationally could stake that claim.

It is said you are only as good as the people you surround yourself with, and Stockstill assembled a championship staff well before he coached his first game. Stockstill's current staff sports four national championships, 87

bowl rings, and 211 years of coaching experience.

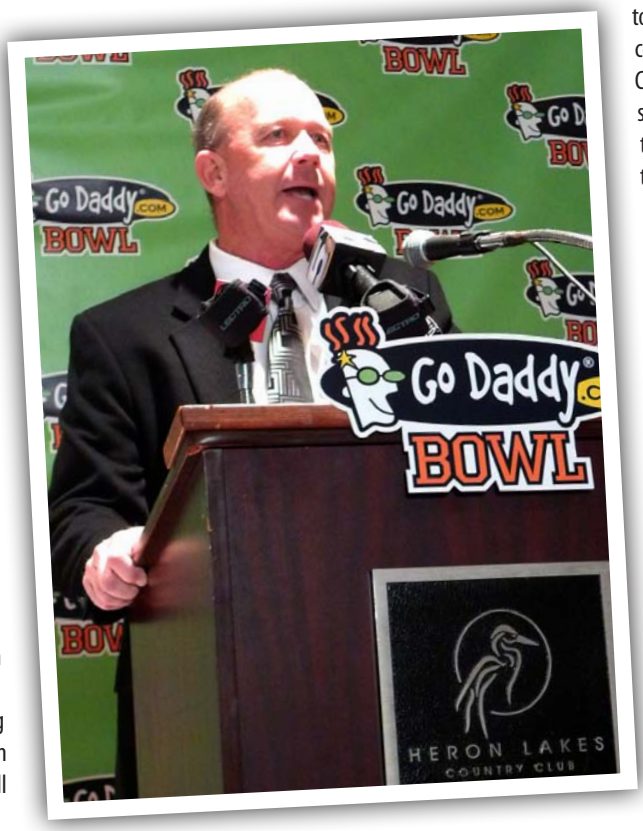

Along with his extensive background in collegiate coaching circles, the driven and determined Stockstill has had the advantage of working alongside some of the greatest minds in college football history.

Stockstill, who made his way to Murfreesboro after spending the previous two years at South Carolina, has worked with legendary coaches Lou Holtz, Steve Spurrier, Danny Ford, Tommy Bowden, Ken Hatfield, and Tommy West.

Stockstill demonstrated the ability to develop and coach big-time players throughout his career as an assistant. He joined the Gamecock staff in December 2003 and immediately made an impact in recruiting. Stockstill coached the Gamecock tight ends and served as recruiting coordinator in 2005 and was the wide receivers coach in 2004.

Before joining Holtz's staff at South Carolina, Stockstill was the offensive coordinator at East Carolina in 2003.

In his first year at South Carolina, Stockstill coached Troy Williamson to one of the best seasons ever for a Gamecock receiver. Williamson made 43 receptions for 835 yards (75.9 per game average) and seven touchdowns. Williamson's 835 receiving yards put him among the single-season leaders at USC, along with his seven touchdowns. Williamson was taken as the seventh pick in the 2005 NFL Draft by the Minnesota Vikings.

In addition to his on-field coaching at Carolina, Stockstill coordinated the signing of a top-20 recruiting class for the Gamecocks in his first season and was recognized as one of the top 25 recruiters in the nation by Rivals.com.

From 1989 to 2002, Stockstill was on the coaching staff at Clemson, where he helped lead the Tigers to some of

He served in a variety of capacities during his tenure with Clemson, working as recruiting coordinator, wide receivers coach, co-offensive coordinator, passing game coordinator, and quarterbacks coach. One of his prize pupils was All-America wide receiver Rod Gardner, who was the number 15 pick of the 2001 NFL Draft. Stockstill played an integral role in Clemson's offense, which set more than 100 school records from 1998 to 2002.

Stockstill is credited with recruiting Clemson's all-time leading rusher (Raymond Priester), second all-time leading passer (Woodrow Dantzler), and second all-time leading receivers (Derrick Hamilton and Rod Gardner). As a coach, Stockstill has been a part of 15 bowl games, including three as a head coach.

Stockstill also has coaching experience at the University of Central Florida (1985-88), where he tutored wide receiver Shawn Jefferson, who went on to a 13-year career in the NFL, and at Bethune-Cookman College (1983-84).

Born Dec. 23, 1957 in Sidney, Ohio, Stockstill grew up in Georgetown, Ky., and then moved to Fernandina Beach, Fla., where he was inducted into the Fernandina Beach Hall of Fame in 2006. He was a three-year letterman at Florida State as a quarterback, where he was team captain and earned Honorable Mention All-America honors in 1981 under Coach Bobby Bowden. During his career at FSU, the Seminoles had two top-10 final Associated Press rankings and had wins over powers Notre Dame, Pittsburgh, Ohio State, and Nebraska. Stockstill, who received his bachelor's degree from FSU in 1982, made three bowl trips with the Seminoles.

STOCK'S PHILOSOPHY

MISSION STATEMENT: My goal at MTSU is to create an environment and atmosphere for everyone to be able to succeed. Our players will be more successful in life because they went through our program.

PROCESS: There is a process that every program has to go through in building it if you want to build it to last, and that is what I am doing. We are a program that stresses academics before everything else. My goal is to have a 100 percent graduation rate. We will be a program that is disciplined both on and off the field and will be represented by people of high character. We will chase perfection with the goal of catching excellence in everything we do. We will be a program that is passionate and enthusiastic and loves to play football. We will never quit, never give up, and always represent MTSU in a first-class manner.

CHARACTER: I want our players to be successful in life because they went through our program. The values that we are able to develop and instill in them will create a positive attitude and allow them the success they have as student-athletes at MTSU. Our players must conduct themselves in a first-class manner and with high character. Nothing else will be accepted.

ACADEMICS: We want players to be successful as students. I have always told players in recruiting there are two things that you will do here; one off the field and one on the field. The one off the field means you will graduate and represent this University in a positive light. That is the one that is going to have the greatest impact on your life. I want our players to succeed academically. Our goal is to win championships with quality young men who are graduating. We may be in the entertainment business on the weekend, but we are in the education business during the week.

DISCIPLINE: Discipline is what you do for someone not what you do to someone. Self-discipline is the greatest asset an individual can possess. Discipline is being on time every time. It is doing what you say and doing what you are told to do every time. It is knowing your assignments and playing them out to perfection. There is only one kind of discipline and that is **PERFECT DISCIPLINE**. Make good grades, exercise consistently, eat healthy, and do what is right. Discipline will determine the amount of your success.

ATHLETIC: I want our players to be the best football players they can be. My goal is for every player to reach and play past their full potential. They will play together as a team, know and understand how important it is to be part of a team, and understand their role within the team. Personal sacrifice over personal gratification is expected. We live, work, play, study, win, and lose as a team. We will not be infected by the "disease of me." The team will always be first.

PASSION-ENTHUSIASM: I think we have created a tremendous amount of excitement and enthusiasm in the state of Tennessee and in the country. I think everyone is holding on and catching the excitement. I think they know that it is a dawn of a new day and a fresh beginning at MTSU. We are working extremely hard to do the right thing and be passionate and enthusiastic in how we coach, how we practice, how we play the game, and how everyone in our program goes about their business.

ATTITUDE: I think everybody should have a positive attitude in everything we do and take the attitude that we are working to be a champion. We want to be a champion in everything we do. **ACT LIKE A CHAMPION, PRACTICE LIKE A CHAMPION, PLAY LIKE A CHAMPION, AND MAKE CHOICES LIKE A CHAMPION. BECOME A CHAMPION!**

CAREER: We are committed to using every resource this University has to help our players be successful. When they leave MTSU they can be more successful in their careers because of their association with MTSU and the people that have made this University great. I always tell our players, "Use MTSU, don't let it use you!" Get involved and take advantage of everything we have to offer you.

SAFETIES

DAVID BIBEE

TENNESSEE, 1977

David Bibee is in his second stint at Middle Tennessee, having joined Rick Stockstill's staff in 2008 after two years at Chattanooga. Bibee is in charge of the Blue Raider safeties.

Bibee's 2010 unit was once again very solid behind the play of All-Conference pick Jeremy Kellem, Kevin Brown, and Derrick Crumpton. The threesome combined for 15 pass breakups and helped the Blue Raiders have the nation's 30th ranked pass defense.

In 2009, his safeties had eight interceptions, nine tackles for loss, 12 breakups, three sacks, and three fumble recoveries in helping the Blue Raiders finish second in the Sun Belt in pass defense. Kellem and Brown were 4th and 6th on the team in tackles, and Kellem earned First Team All-Conference honors.

Bibee, who has 30 years of coaching experience including 24 on the collegiate level, has served as an assistant coach at Ole Miss, North Alabama, Middle Tennessee, Austin Peay State, Appalachian State, South Carolina, Tennessee Tech, Clemson, East Tennessee State, and Chattanooga.

He has coached a Super Bowl Most Valuable Player in former Dallas Cowboys cornerback Larry Brown, five All-Americans including the Blue Raiders' all-time tackles for loss leader Dennis Mix, and nine NFL draft picks. His list of draft picks coached includes former Blue Raider great James Griffin; Clemson safety Antwan Edwards, a first-round selection by the Green Bay Packers; and former Baylor High School and Virginia kicker Kurt Smith of the San Diego Chargers.

Prior to his stint at Chattanooga, Bibee worked in the local high school ranks as head football coach at Baylor School in Chattanooga from 2000 to 2005. He guided the Red Raiders to the Division II state semifinals in 2000 and 2005. After the 2005 season, Baylor defensive lineman Jacques McClendon was elected Division II Class AAA Mr. Football Lineman of the Year and was later drafted by the Indianapolis Colts in the fourth round.

McClendon received a scholarship to play football at the University of Tennessee, and 24 other players went on to sign scholarship agreements.

Bibee's coaching career began at Tennessee, where he served as a student assistant for Coach Bill Battle. He moved on to the staff at Ole Miss in 1978, where he was placed in charge of the defensive scout teams on Steve Sloan's first Rebels' staff.

He left Ole Miss to coach the defensive secondary and work as recruiting coordinator at North Alabama for one year and held the same positions for one year at Middle Tennessee (1980).

Sparky Woods hired Bibee at Appalachian State in 1984 to be his assistant head coach, recruiting coordinator and secondary coach. Bibee helped the Mountaineers compile a 38-19 overall record during that span, with back-to-back Southern Conference titles in 1986 and 1987. The Mountaineers ranked first, third, and fifth nationally in scoring defense during his tenure.

Bibee joined Woods at South Carolina in 1989 to work as assistant head coach, co-defensive coordinator, and secondary coach.

He was part of Mike Hennigan's first coaching staff at Tennessee Tech in 1996, holding the posts of defensive backs coach and recruiting coordinator for the Golden Eagles for one season. He coached alongside current Atlanta Falcon Head Coach Mike Smith.

Prior to heading to the Baylor School, Bibee coached the secondary and outside linebackers at Clemson from 1997 to 1999, where he was on staff with Stockstill and Les Herrin. Working for head coach Tommy West, Bibee helped the Tigers to a Peach Bowl berth in 1997.

Bibee is a 1977 graduate of the University of Tennessee, where he earned a bachelor's degree in health education. He played football for the Volunteers from 1973 to 1976 and was a member of the 1973 Gator Bowl team and the 1974 Liberty Bowl squad.

Bibee is married to the former Lisa Carter of Savannah, Tenn. The couple has three daughters, twins Ashlee and Allison, and Lindsay.

INSIDE RECEIVERS

BRENT BROCK

FLORIDA STATE, 1982

Brent Brock, a head coach in the Georgia high school ranks for 14 years and a former teammate of head coach Rick Stockstill, will be beginning his sixth season at Middle Tennessee with the 2011 campaign. Brock coached the tight ends his first three years and has coached inside receivers since 2009.

Brock's receivers were part of a fast-paced offense in 2009 that rang up a school record 3,064 yards of passing along with a record setting 25 touchdowns. In all, 17 receivers caught a total of 238 passes, which is the fourth most in Blue Raider history.

Under Brock's leadership in 2006, the tight ends were a key ingredient for the Sun Belt Conference's top scoring offense and the league's number two-rated team in passing efficiency. The group came up with 17 receptions on the season and two of the team's nine touchdown receptions. The unit followed that up with 23 receptions and two scores in 2007.

Brock came to Middle Tennessee after serving the previous four years as head coach and athletic director at Jackson County High School in Jefferson, Ga. Brock had the privilege of coaching in the GHSA North/South All-Star game (1995) and the Georgia/Florida High School All-Star game (1997). He also has 14 years of experience as an athletic director on the high school level.

Brock got his start in coaching as a volunteer assistant at Godby High School in Tallahassee in 1981 and then left the following season to join Jim Hughes' staff at Thomasville High School in 1982.

Brock followed Hughes to Colquitt High School in 1983, where he helped coach the Packers in the 1991 1-AAAA state championship game. During his nine seasons at Colquitt, the Packers made the region playoffs eight times, were region runner-up three times, and received the region's all-sports trophy on three occasions. Brock served as assistant head coach, offensive coordinator, offensive line coach, and strength coordinator during his time at Colquitt.

He earned his first head coaching job in 1992, when he took over the Worth County High School program in Sylvester, Ga. He took a struggling program that went 1-9 his first year to an 8-3 mark and back-to-back playoff appearances in his third and fourth seasons.

In 1996, Brock took over head coaching and athletic director duties at Fitzgerald High School in Fitzgerald, Ga., where he had the challenge of rebuilding a program that had just 40 players his first season. With hard work and determination, Brock fielded 70 players and helped turn the program around during his short tenure. Under his reign, FHS took home the sportsmanship trophy for 2-AAA in 1996 and 1997.

Before taking over at Jackson County, Brock spent two years as offensive coordinator/strength coach at Westside High School under Robert Davis. Westside, only four years old at the time, made it to the semifinals of the state at the Georgia Dome in 2002 and finished with a no. 4 state ranking. In 2001, Westside advanced to the quarterfinals of the state playoffs.

The Albany, Ga., native received his B.S. degree in health/physical education at Florida State in 1982, his master's degree at Albany State, and his Ed.S. degree from FSU.

As a player, Brock played four years for Coach Bobby Bowden at Florida State as an offensive lineman. He was a member of the 1977 Tangerine Bowl team and the 1980 and 1981 Orange Bowl teams.

Brock is married to the former Missie Milton of Albany, Ga.

LINEBACKERS/SPECIAL TEAMS COORDINATOR

JOE CAUTHEN

STEPHEN F. AUSTIN, 1990

Joe Cauthen is in his first season as linebackers coach and special teams coordinator as a member of Rick Stockstill's staff.

Cauthen, 47, comes to Middle Tennessee after spending the past four seasons at Valdosta State as the Blazers defensive coordinator.

In 2010, Cauthen helped lead Valdosta State to a Gulf South Conference Championship after his defense finished ranked 23rd nationally in total defense and 18th in scoring defense. His unit was led by All-American (both coaches and SIDs) and National Defensive Player of the Year Larry Dean. Dean, who had 122 tackles, became the first player in school history to earn the player of the year award.

Cauthen molded a solid group in 2009 despite losing seven starters off the 2008 squad and seeing two more suffer season-ending injuries over the course of the first three games. Under his direction, the Blazers still managed to register 68 TFLs, 18 sacks, and force 19 turnovers while giving up just 112.9 yards per game on the ground.

Cauthen's defense was dominant during the 2008 season as it finished 31st nationally in total defense and 24th in scoring defense. The Blazers allowed opponents just 304.6 yards per game during his second season with the school while surrendering just 18.6 points per outing. On the rushing side, the Blazers only allowed 108.3 yards per game to rank 31st in the nation while opponents found throwing the ball even tougher as they were held to a 104.91 efficiency rating, a number that ranked VSU 20th nationally.

In 2007, Cauthen directed a unit that finished 14th in the nation in scoring defense at 17.6 points per game as VSU won its second national title. Cauthen's knowledge of the defensive side of the ball was no more evident than in the 2007 NCAA Championship game, where his scheme held Northwest Missouri State running back Xavier Omon, who had averaged 236 yards a game in three previous playoff contests, to just 63 yards on 27 carries.

Cauthen's aggressive, ball-hawking defensive approach helped VSU lead the nation in passes intercepted with 27 in 2007 while finishing second in turnovers gained with 40.

Cauthen's ability to teach the game of football helped several Blazers earn individual honors during his tenure. He had two players earn three All-America honors, five named All-Region, and 13 make All-Conference. Cauthen's tutelage also helped Sherard Reynolds earn GSC All-Decade Team honors after the 2009 season, the only VSU defensive player on the first unit.

Cauthen joined the Blazers after eight seasons with Texas A&M-Commerce, during which the Lions consistently ranked among the top defenses in the nation. A&M-Commerce led the Lone Star Conference and was ranked 23rd nationally in total defense in 2006. Cauthen's defense surrendered just 258.3 yards per game, including 95.3 on the ground and 163.0 through the air. The Lions allowed just 15.1 points per game, 19th-best nationally, and were 24th in rushing defense.

The Lions were equally as impressive in 2005 as they again led the Lone Star Conference in total defense (318.9 yards a game), rushing defense (127.4 yards per game) and scoring defense (18.3 points an outing). Additionally, under Cauthen's leadership, Lion linebacker J.D. Hearn led the nation in tackles in 2005 and earned eight national post-season awards.

During his eight seasons with the Lions, Cauthen coached six All-Americans, four Lone Star Conference linebackers of the year, three defensive lineman of the year, a defensive back of the year and 34 defensive players that earned All-Lone Star Conference at least once during their career.

Cauthen spent little time in establishing his mark on the Texas A&M-Commerce defense as in just his third year he directed a defense that ranked second in the league in total defense, first against the run, second against the pass and third in scoring defense. Two years later, his 2003 defense was fourth in the 15-team league and 41st nationally in total defense.

Cauthen joined the Lion staff in 1999 after two seasons at I-AA Stephen F. Austin. He began his tenure with SFA as a restricted earnings coach in 1997 before becoming full-time in 1998. He worked with the defensive line during his two seasons and aided the Lumberjacks to an 11-11 overall record. Cauthen's line was instrumental in Stephen F. Austin finishing the 1997 season ranked 21st in the nation in the final national poll.

Prior to Stephen F. Austin, Cauthen spent a season as defensive line coach at Trinity Valley Community College in Athens, Texas. He also worked with the special teams unit at TVCC and served as the school's strength and conditioning coach. He began his coaching career at Sherman High School in Sherman, Texas during the 1990 season and worked with the school for six seasons.

Cauthen earned his Bachelor's in Health and Kinesiology with a minor in Biology from Stephen F. Austin in 1990. He also obtained a Master's in Sports Administration from the University of Texas-Tyler in 1997.

Cauthen is married to the former Karen Belson of Houston, Texas. The couple has three children, Brooklyn, Dakota, and Jackson.

DEFENSIVE COORDINATOR/CORNERBACKS

STEVE ELLIS

NICHOLLS STATE, 2003

Steve Ellis, who spent his first two years as cornerbacks coach and special teams coordinator for the Blue Raiders, was elevated to defensive coordinator in January 2011. Ellis will also remain as the cornerbacks coach for the defense.

For the second straight year, Ellis produced a First Team All-Conference selection in Rod Issac and helped the defense lead the league in pass defense for a second consecutive season. Starters Issac and Arness Ikner accounted for four interceptions and 10 pass breakups, and Issac scored twice. Issac was also taken in the fifth round of the 2011 NFL Draft by the Jacksonville Jaguars.

Ellis' special teams were solid once again (with six blocked kicks) and produced First Team All-Conference picks in placekicker Alan Gendreau and punter Josh Davis.

In 2009, Ellis' cornerbacks had 152 tackles, nine interceptions, 12 tackles for loss, 2.5 sacks, and 21 pass breakups on their way to leading the Sun Belt Conference in pass defense and interceptions. Seniors Marcus Udell and Alex Suber were tabbed First Team All-Conference as Udell led the league with seven interceptions and Suber had 12 pass breakups while ranking 28th nationally in passes defended.

His special teams blocked eight kicks, hit 18 of 22 field goal attempts, had 1,119 yards in kick returns, downed 22 punts inside the 20-yard line, and had seven punts of 50 yards or more. Sophomore placekicker Alan Gendreau earned First Team All-Conference honors.

Ellis made his way to Murfreesboro after serving the previous six seasons at Nicholls State, where he was the defensive coordinator his final three years. Ellis, who also served as the team's pro liaison and supervised academic progress, was the team's safeties coach in 2003 before taking over the linebackers in 2004 and 2005.

The Stringer, Miss., native became one of the youngest defensive coordinators in the country when he was named to the position prior to spring drills in 2006. He guided the Colonels to conference best marks in scoring defense and pass defense, and Nicholls finished the 2006 season ranked 19th nationally in total defense.

In 2007, Ellis' unit led the Southland Conference in total defense, pass defense, and interceptions and was second in scoring defense. Overall, NSU ranked 33rd nationally in total defense.

In six seasons at Nicholls State, Ellis' players won seven First Team All-Conference honors, four National Player of the Week awards, three All-American honors, and two conference Newcomer of the Year awards and garnered a defensive player of the year accolade.

During the summer of 2008, Ellis participated in the NFL Coaches Fellowship Program with the Pittsburgh Steelers under Head Coach Mike Tomlin. Ellis worked with the defensive backs under the guidance of legendary defensive coordinator Dick Lebeau. He participated in the same program with the Buffalo Bills in 2010.

He started for three seasons for the Colonels as a defensive back before sitting out his senior season after suffering a knee injury during the fourth game of the 2002 campaign against Southern University. While with the Colonels, Ellis was named to the All-Southland Conference team all three seasons he played and registered over 200 career tackles and five interceptions for the Colonels. Ellis, the team captain in 2001, was second in the Southland Conference with 104 tackles during the 2000 season.

The 31-year old was a four-year letterman as a quarterback and defensive back at Stringer High School before continuing his playing days at Nicholls State. Ellis earned his bachelor's degree in secondary education from Nicholls State in 2003.

QUARTERBACKS/PASSING GAME COORDINATOR

BUSTER FAULKNER

VALDOSTA STATE, 2005

Buster Faulkner begins his first season on Rick Stockstill's staff as quarterbacks coach and passing game coordinator.

Faulkner makes his way to Murfreesboro after serving the 2010 season as offensive coordinator and quarterbacks coach at Murray State.

In his lone season at MSU, Faulkner's offense broke 27 school records and finished first in the FCS in total plays, pass completions, and completion percentage. The Racer offense racked up nearly 5,000 yards and produced the first 500-yard passer, 200-yard rusher, and 200-yard receiver in the same game in FCS history. The Racers ranked fifth in total offense nationally in 2010 and the year prior to Faulkner's arrival MSU had a ranking of 115.

In 2010, the Racers offense ranked first in the OVC and fifth nationally with 36.09 points per game, while also leading the league in passing offense and ranking fourth nationally with 313.5 yards per contest. The MSU quarterbacks led the country in completions and completion percentage.

Under Faulkner's guidance, quarterback Casey Brockman had just six starts in 2010 but earned second team all-conference honors and was twice picked as the National Player of the Week. Brockman also garnered three OVC Player of the Week awards en route to finishing first in the OVC and eighth nationally in passing yards per game. Brockman accounted for 313 yards of total offense per game.

Prior to joining the Racers staff, Faulkner spent the 2009 season as the quarterbacks coach at Central Arkansas. UCA's offense averaged 26.2 points a game and 215.8 yards a game through the air and ranked in the Top 25 nationally in every offensive statistic.

Senior quarterback Robbie Park finished the year going 217-for-358 for 2,434 yards and 12 touchdowns. The yardage total was seventh on the school's all-time single-season list.

Faulkner's coaching career began at Valdosta State, where he served as a student assistant helping with the quarterbacks in 2005.

After one season with the Blazers, he served as an offensive graduate assistant at Georgia, working with the offensive line and quarterbacks.

Faulkner returned to Valdosta State in 2007 and served as the quarterbacks coach for two seasons.

In his first season, the Blazers went 13-1 and captured the Division II National Championship as quarterback Willie Copeland passed for 2,903 yards and 27 touchdowns.

Faulkner took over as the offensive coordinator for the Blazers in 2008. VSU averaged 380.8 yards a game in advancing to the quarterfinals as quarterback Chris Hart earned Freshman of the Year honors. Hart accounted for over 3,000 yards and 27 touchdowns.

As a player, Faulkner starred as a quarterback for Valdosta State from 2000 to 2003. In three years with the Blazers, he passed for 7,100 yards and 64 touchdowns while registering a 47-6 record.

As a sophomore, Faulkner earned first-team all-Gulf South Conference honors and honorable mention All-American accolades after going 327-for-503 for 3,941 yards and 44 touchdowns in leading the Blazers to a 14-1 record and a spot in the National Championship game.

He played his senior season at Texas A&M-Commerce, where he passed for 2,861 and 16 touchdowns, while setting 10 school records.

During his prep career, Faulkner started at quarterback as a sophomore and led Parkview High School to the 1997 Georgia state championship.

A native of Lilburn, Ga., Faulkner earned his bachelor's degree in history from Valdosta State in 2005.

Faulkner, and his wife, Tia, have one son, Harrison, and one daughter, Hadley.

In two years with the Redskins, Palermo's defensive line helped Washington rank fourth overall in yards allowed per game in 2008 and 10th in 2009. The unit was sixth in fewest points allowed in 2008 and ranked eighth overall in the league in sacks for 2009. Palermo coached Brian Orakpo in a dual role as linebacker and defensive end in 2009, and it led to a Pro Bowl appearance for the rookie.

Prior to joining the Redskins, Palermo was one of the most respected defensive line coaches in college football. He coached on 18 bowl teams, including Notre Dame's 1988 national championship club and three Wisconsin teams that won the Big Ten and the Rose Bowl (1993, 1998, and 1999).

Palermo's previous collegiate coaching position was a one-year stint as defensive coordinator/linebackers coach at Tennessee Tech. Prior to that, he was a defensive line coach for one season at the University of Miami, where he coached second-round pick Calais Campbell. The Hurricanes defense, anchored by Palermo's line, set a school record by limiting opponents to just 252.0 yards per game and 66.0 rushing yards per game. The defense ranked among national leaders in total defense and rush defense.

From 1991 to 2005, Palermo served as an assistant head coach at the University of Wisconsin. He directed the Badgers' outside linebackers from 1991 to 1995 and the defensive line from 1996 to 2005.

While at Wisconsin, Palermo produced four first-team All-Americans. His players were selected Big Ten Defensive Lineman of the Year four times - two were named Big Ten Defensive Player of the Year – and named first-team All-Big Ten nine times. Eight of Palermo's defensive linemen have been chosen in the first six rounds of the NFL Draft, including two - Wendell Bryant in 2002 and Erasmus James in 2005 – who were taken in the first round. Palermo's entire 2004 defensive line was selected in the NFL Draft the following spring. In 1990, Palermo spent one season as the head coach at Austin Peay University.

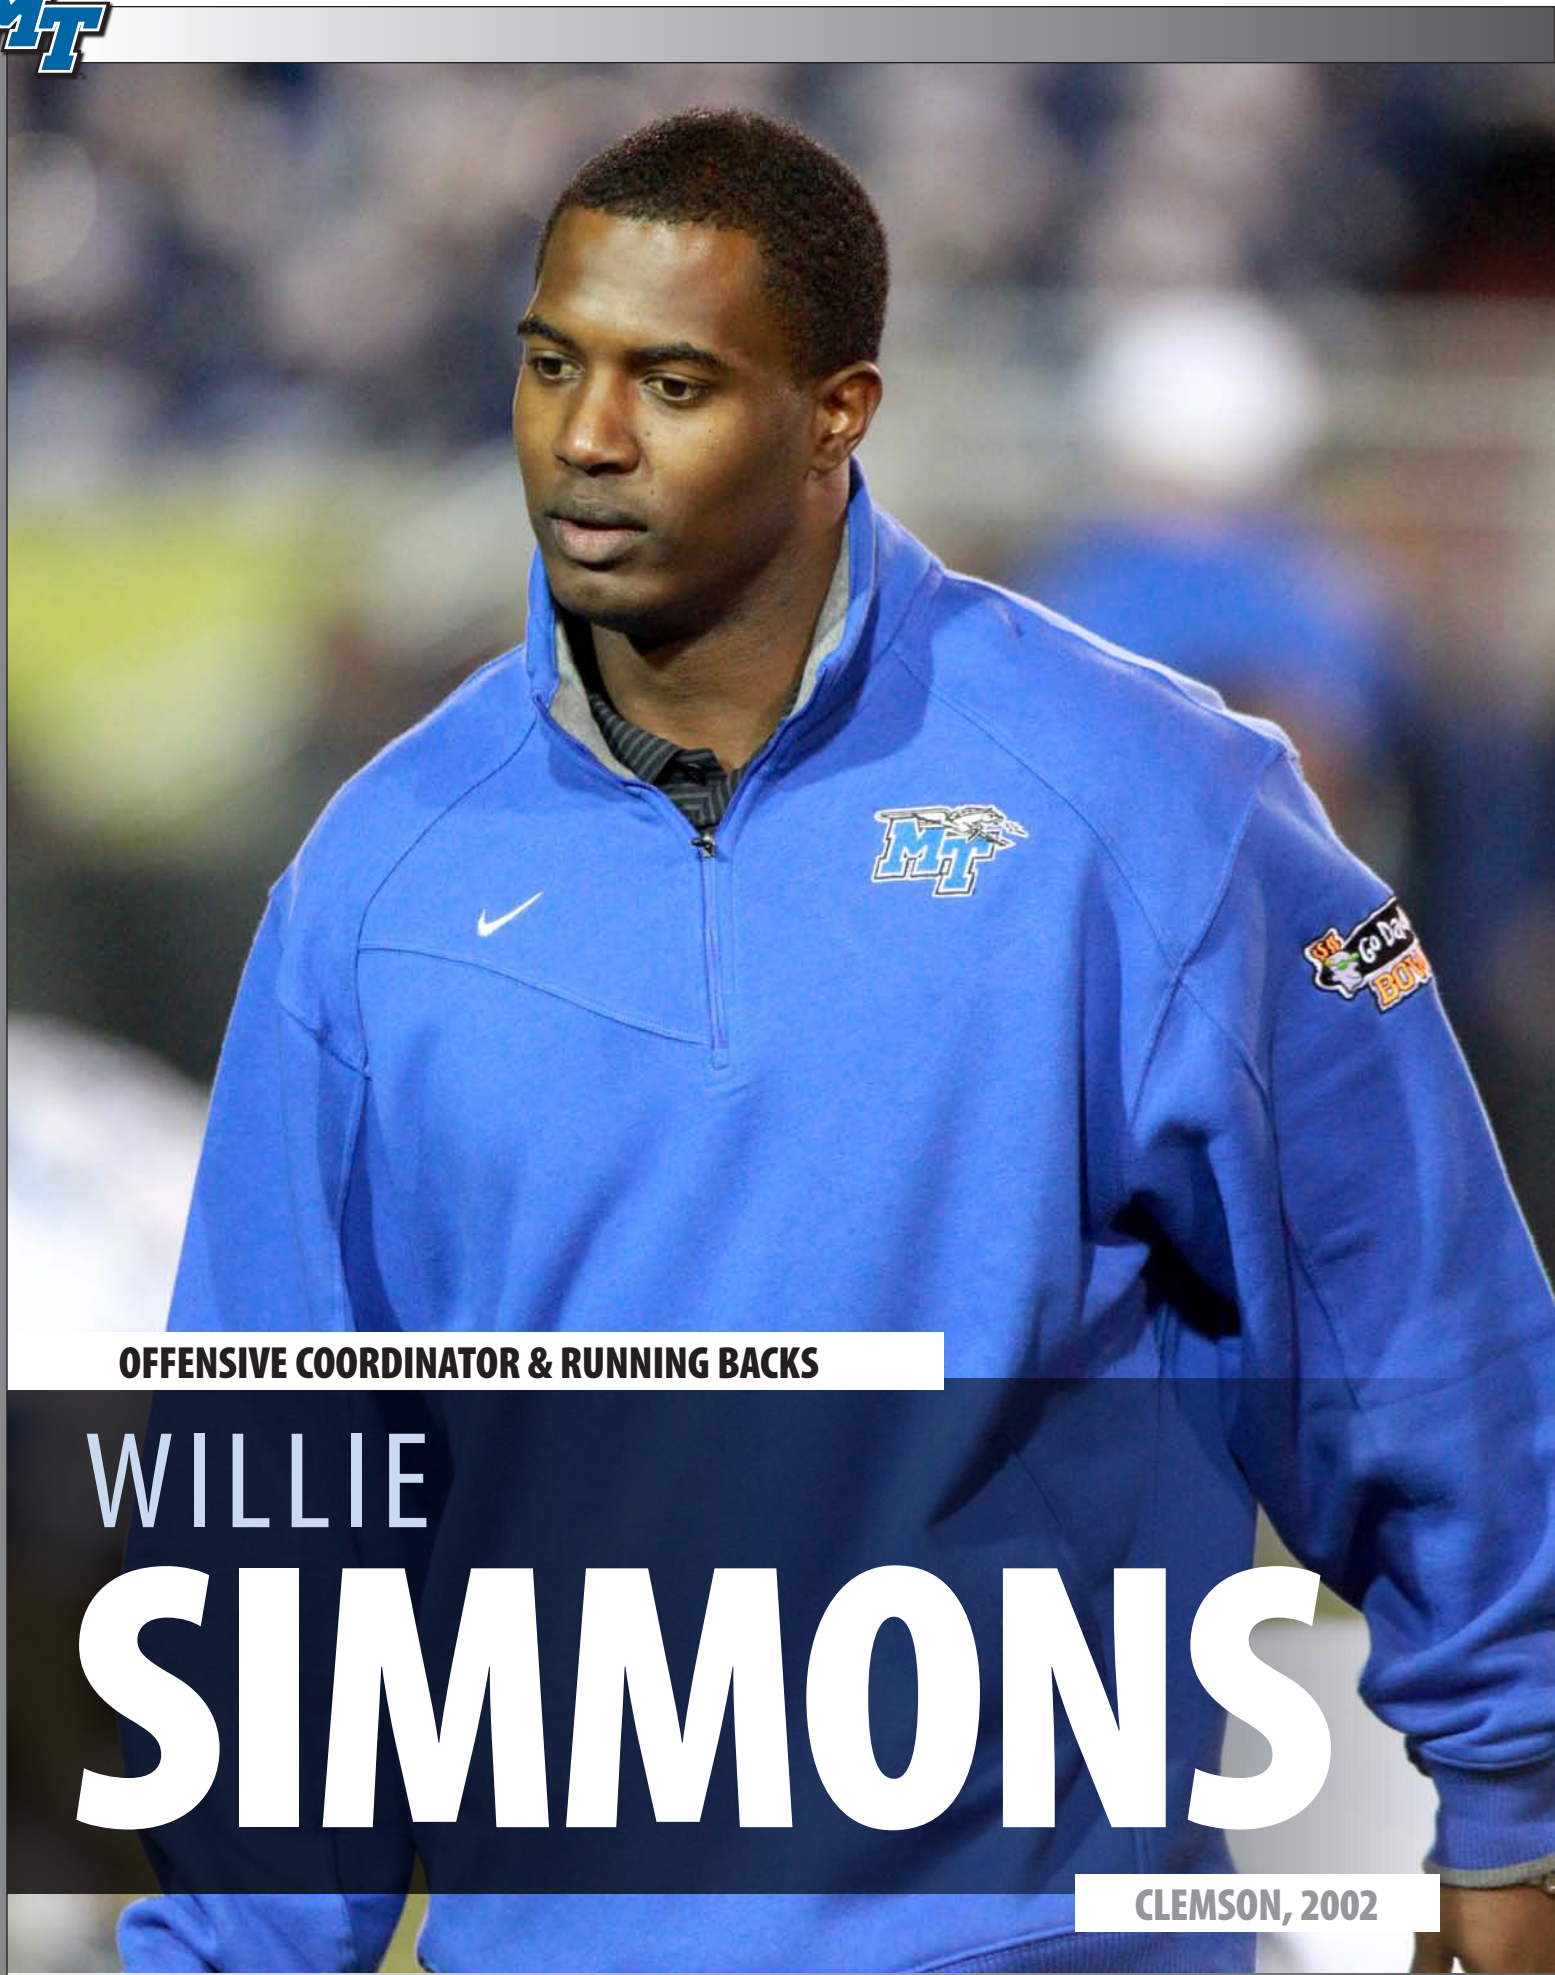

From 1988 to 1989, Palermo was the defensive line coach for Head Coach Lou Holtz at Notre Dame, helping the Fighting Irish win the national championship in his first year. He helped tutor Chris Zorich, a two-time consensus All-American and 1990 winner of the Lombardi Award, given annually to college football's best lineman or linebacker.

Palermo coached the defensive line at Minnesota from 1984 to 1987, served as assistant head coach-defensive line and linebackers coach at Appalachian State from 1983 to 1984 and coached the defensive line at Memphis State from 1980 to 1982. He had a first stint at Austin Peay in 1979 as a defensive line coach. Palermo began his collegiate coaching career as an assistant at North Carolina State from 1977 to 1978 after three years at Bainbridge High School in Georgia.

A native of Newburgh, N.Y., Palermo lettered at Florida State in 1972-73. He earned a degree in education from Florida State in 1974. He and his wife, Donna, have a son, Jason, who is tight ends coach and special teams coordinator at Southern University, and a daughter, Jessica, who received her master's degree at Georgetown University and works in the Big Ten Conference office as assistant director of championships.

Donna, John, daughter Jessica, and son Jason, and his wife Kaitlyn (back).

OFFENSIVE COORDINATOR & RUNNING BACKS

WILLIE SIMMONS

CLEMSON, 2002

Willie Simmons, who played at Clemson when Rick Stockstill was on staff, is in his fifth season at Middle Tennessee, where he was named offensive coordinator in January 2011. Simmons previously coached the running backs his first four years and will remain in that position.

Simmons, who was also the passing game coordinator in 2010, had his deepest group of backs in 2010 with Phillip Tanner, Benjamin Cunningham, and D.D. Kyles leading the way. The threesome helped the Blue Raiders produce one of the top rushing attacks in the country while combining for 21 touchdowns. All three averaged more than 4.5 yards a carry, and Tanner garnered All-Conference honors.

Simmons had a real challenge in 2009 when Tanner went down with an injury in the second game of the season, leaving the Blue Raiders without an experienced running back. Simmons guided D.D. Kyles to a career year as the sophomore posted 857 yards on 139 carries (6.2 ypg average), scored three touchdowns, and had 14 receptions. Kyles, the team's leading rusher down the stretch, had three straight 100-yard rushing games during the last half of the season.

In 2008, Tanner had personal bests at the time in rushing yards, receptions, and touchdowns. Also under Simmons' watch, Tanner earned National Player of the Week honors after setting a Sun Belt Conference and Blue Raider scoring record with six touchdowns in a win over North Texas.

Simmons, a native of Quincy, Fla., lettered three years as a quarterback at Clemson from 2000 to 2002 and passed for 2,530 yards and 16 touchdowns in 24 games. As a freshman, Simmons came off the bench for a hurt Woodrow Dantzler and threw for 228 yards and a record-tying four touchdowns in Clemson's 38-24 win at North Carolina to earn ACC Rookie of the Week honors. Simmons played two years as a backup to Dantzler before becoming the starter in 2002.

Following three years at Clemson, Simmons transferred to the Citadel in 2003 and earned First Team All-Southern Conference honors.

A prep star at Shanks High School, Simmons threw for over 6,000 yards and 96 touchdowns during his brilliant career while also earning a 3.8 grade point average.

Simmons, who was born on October 12, 1980, in Tallahassee, Fla., earned a degree in sports marketing from Clemson in 2002. He was the fastest football player to graduate at Clemson, accomplishing the milestone in three years.

Simmons has a daughter, Raven.

Under Simmons' leadership in 2007, DeMarco McNair led the conference in touchdowns scored, and Tanner registered his first 100-yard rushing game with 144 yards on national television against Louisville.

Simmons made his way to Murfreesboro in 2007 after one season on Tommy Bowden's staff at Clemson, where he was a graduate assistant. Simmons worked with the offense while handling various other duties with the program.

Before joining Bowden's staff, Simmons served as the quarterbacks coach and passing game coordinator at Lincoln (FL) High School in 2005.

OFFENSIVE LINE

JIMMY RAY STEPHENS

FLORIDA, 1977

A national championship winner, Jimmy Ray Stephens is in his sixth year as the offensive line coach on Rick Stockstill's staff at Middle Tennessee. Stephens made his way to the Blue Raiders after four years with the University of Tennessee.

Behind the play and leadership of All-Conference player Mark Fisher, Stephens' 2010 unit did a great job protecting the quarterback and opening up running lanes for one of the top rushing attacks in the country. The Blue Raiders averaged over 180 yards on the ground to rank 31st nationally and scored 32 rushing touchdowns to rank in the top 20 in the nation.

Finally blessed with some experience after three years of injuries and youth, Stephens molded an offensive line in 2009 that was equally adept at blocking for the run and protecting the passer. The result was the most total yards of offense since 2001 and the best rushing total since 2002, including a stretch of four straight games where the Blue Raiders topped the 200-yard rushing mark. For their efforts, the offensive line had two players in Mark Thompson and Mark Fisher who earned All-Conference honors.

In 2008, Stephens had four linemen who started every game, and all five starters were underclassmen. Two earned Sun Belt Conference All-Freshman honors. With another year filled with youth and inexperience, Stephens' unit helped Phillip Tanner to unleash a career season and Joe Craddock to pass for a senior record 2,677 yards.

In 2007, Stephens molded a starting unit that included two freshmen, a sophomore, a junior, and a senior. But despite the youth and inexperience, Stephens' group helped produce the league's top touchdown maker in DeMarco McNair and a top-10 rusher and passer in Dwight Dasher.

Stephens did one of his better coaching jobs in 2006 even though he went into the season with only five players who had seen meaningful snaps the year before. The unit produced two All-Conference players and the league's top scoring offense, making MT the only school in the SBC to have two players ranked in the top ten in rushing.

As offensive line coach of the Vols, Stephens helped develop one of the top lines in the SEC. During his tenure, Stephens tutored Michael Munoz to consensus All-American status in 2004, after guiding Scott Wells into a starting position with the Green Bay Packers in 2003. Stephens went to three bowls with the Vols and was part of the 2004 SEC Eastern Division Championship squad.

Prior to arriving at UT, Stephens spent nine seasons coaching the Florida offensive line -- part of a high-powered offense that led to five SEC championships for the Gators. At Florida, Stephens coached four Jacobs Blocking Trophy winners (Best Offensive Lineman in SEC) and eight players who were drafted by the NFL.

Stephens himself sparkled both on the offensive line and at tight end during his playing career at Florida. He was a second-team All-SEC performer at center under Gators head coach Doug Dickey before making the move to tight end and earning second-team all-league honors there as well. Stephens went on to be drafted in the 12th round of the NFL Draft by the Pittsburgh Steelers.

His most recent responsibility at Florida was as offensive line coach and run-game coordinator during the 2001 season. Prior to that, Stephens also coordinated the unit's pass protection.

The Eustis, Fla., native coached on the Gators' 1996 national championship team and helped Florida to nine January bowl games. During that span, Florida's offense was ranked among the nation's top 15 six times and its passing offense among the top 10 seven times.

Stephens rejoined the Gators staff in 1993 after a stellar high school coaching career that saw him compile a 63-7 head coaching mark. That record came during a pair of three-year coaching and athletics director stints from 1987 to 1992 at Williston and Fort Walton Beach.

All told, Stephens spent 13 years in the Florida high school coaching ranks as either a head or assistant coach. His recruiting ties to the Sunshine State are strong and serve as a huge asset for the Blue Raiders.

Stephens is married to the former Regina Gouge and has two sons, Chris -- who lettered two years in football at North Carolina -- and Timmy.

RECRUITING COORDINATOR & WIDE RECEIVERS

JUSTIN WATTS

CLEMSON, 2000

A former player under head coach Rick Stockstill, Justin Watts is coaching his sixth season at Middle Tennessee as the program's wide receivers coach and recruiting coordinator. Watts came to Murfreesboro after spending three years at Chattanooga.

Watts' 2010 group was young but balanced as 15 different players caught passes with nine having at least 15 receptions. Four of his top five pass catchers were underclassmen.

Taking advantage of the Blue Raiders fast-paced, wide open offense in 2009, Watts had nine different receivers catch at least 11 passes and 17 who caught at least one. The passing game was good for a school record 3,064 yards to go along with a record 25 touchdowns. The group also had six different players catch at least two touchdown passes.

In 2008, Watts' pass catchers had a breakout year as six players set personal highs in receptions while two topped the 50-catch mark for the first time since 2004. Newcomer Eldred King and Patrick Honeycutt both turned in an 11-catch game while freshman Malcolm Beyah turned in a number of highlight-reel receptions, including one that made ESPN's Plays of the Year. Beyah, in front of a nationally televised audience on ESPN2, pulled down a Hail Mary on the game's final play to give the Blue Raiders a 14-13 win over Florida Atlantic.

Watts inherited the youngest group of receivers in the I-A era in 2006, and for the first time since Middle Tennessee joined the Sun Belt Conference the pass-catching corps did not include an all-SBC player. Although Watts had his work cut out for him, the young coach proved his ability to develop talent by producing six receivers who turned in career years. Under Watts' guidance, the Blue Raiders had five different receivers with double-digit receptions.

Perhaps the best indicator of Watts' ability to harness talent and develop players was the emergence of heralded freshman Desmond Gee during the 2006 season. One of the top impact players in the Sun Belt Conference, Gee led the Blue Raiders with a 16.0 per catch average and three touchdowns, including a 73-yarder against South Carolina.

In 2005, Watts helped lead Chattanooga to its first winning season since 1997 by coaching the Southern Conference's leading receiver. Watts tutored Emanuel Hassell to first team All-Southern Conference honors after he paced the league with 52 receptions. In his first two seasons at UTC, Watts coached All-American and All-Southern Conference receiver Alonzo Nix. Nix set the school and Southern Conference single-season receptions record in 2003 with 90 catches and the single-game record of 18 receptions. He signed a free agent contract with the NFL's Tennessee Titans in 2005.

Prior to joining the staff at Chattanooga, Watts served two years as a graduate assistant at Clemson. During that time he was a part of Clemson's 2001 Humanitarian Bowl team and the 2002 Tangerine Bowl squad.

Watts, a former receiver at Clemson, has the rare distinction (one of only two players) of winning five football letters at the South Carolina school. He began his career in 1996, and saw action in three games as a sophomore before suffering a season-ending injury against Florida State. He was able to use a medical redshirt for that season.

He finished his career with 51 catches for 561 yards. He was a member of the 1999 Peach Bowl team that played Mississippi State and the 2000 Gator Bowl squad that faced Virginia Tech. He was also a member of the team when Clemson competed in the 1996 and 1997 Peach Bowls.

The Florence, S.C., native was honored as one of Clemson's scholar-athletes at the 1999 Peach Bowl Awards Luncheon and was selected as a BB&T Student-Athlete of the Week by the Clemson Sports Network.

An outstanding quarterback at South Florence High School, he was ranked as the 17th best quarterback in the nation by SuperPrep and the sixth-ranked player in the state. Watts completed 132 of 238 pass attempts for 1,746 yards his senior season. That year, he played in the North Carolina-South Carolina Shrine Bowl and was nominated for the state's Mr. Football Award. He finished his career with 7,979 total yards and 74 touchdowns.

Watts was born Oct. 1, 1977, in Florence, S.C. He earned a degree in sports management from Clemson in 2000.

Watts is married to the former Lauren Remillard of Southington, Conn., and they have a son, Chase.

DIRECTOR OF FOOTBALL OPERATIONS

9th Year/Middle Tennessee, 2002

Chris Matusek, a four-year letterman in football at Middle Tennessee, is in his ninth year as a full-time employee with the program. Matusek spent the first two years as the program's equipment manager before being elevated to administrative assistant in June 2005, a post he held for two years.

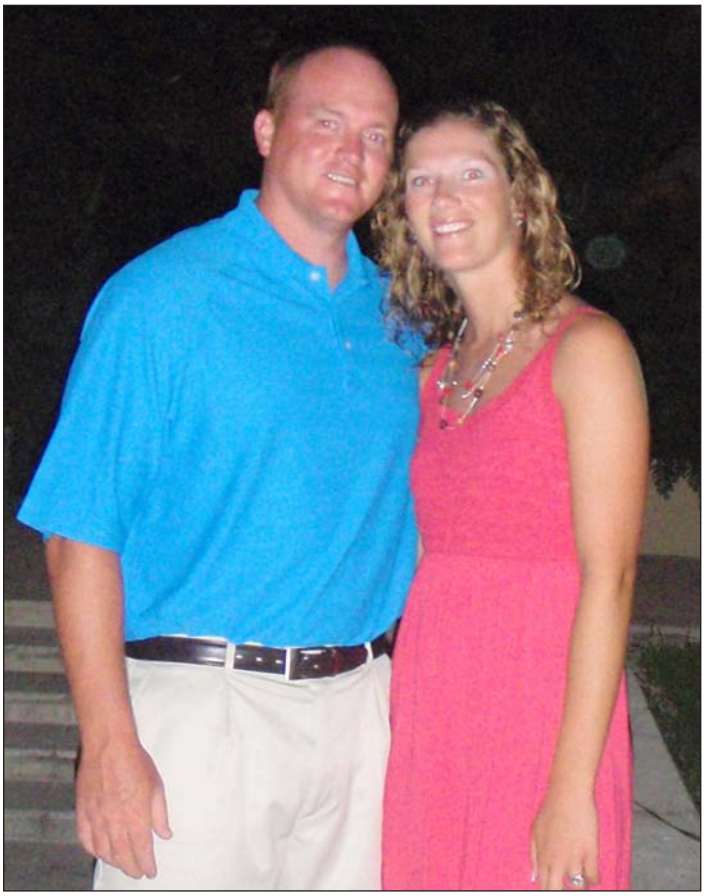

In 2007, Rick Stockstill named Matusek the director of football relations before moving him to his current role as director of football operations in April 2008.

Matusek oversees the daily internal operational functions of the football program while working closely with Coach Rick Stockstill. He is instrumental in team travel, recruiting weekends, the annual team banquet, the lettermen's golf event, the walk-on program, and the "Recruiting Roundup" event held each February. Matusek also serves as the team's liaison for pro scouts, on-campus housing, on-campus dining, academics during summer school, and oversees all football facilities.

Prior to his duties as director of football operations, Matusek oversaw the equipment operation and the team's practice facility while assisting with the football program's day-to-day operations. Some of those duties included ordering equipment and apparel for players and staff and overseeing the operation of Middle Tennessee's student equipment managers. He also assisted with team travel and various day-to-day responsibilities.

Matusek also acts as the program's former player contact, a responsibility Stockstill says carries great significance because of the importance of developing and maintaining relationships with former players and making sure they are informed of upcoming football-related events and feel welcomed back to campus.

One aspect of Matusek's personality that has earned him respect among coaches and players is the consistency in which he achieves multiple tasks. That trait was evident during his Blue Raider playing career.

A native of Shelbyville, Tennessee, Matusek played and started all 43 games as a deep snapper from 1998 to 2001. Matusek was a member of the 2001 team that went 8-3, won a share of the Sun Belt Conference Championship, and became the first team to ever win a game against a team from the SEC. He also carries the distinction of being on the last I-AA team at MT and on the first I-A team.

In 2001, Matusek served as captain for three games during the season.

Matusek, who went his entire career without a bad snap, was originally a walk-on before earning a scholarship for his final two years as a Blue Raider.

At Shelbyville, Matusek played quarterback for the Eagle football team. He earned four letters and tossed 10 touchdown passes as a senior. Matusek also lettered four years in baseball.

Matusek, who earned his degree from Middle Tennessee in industrial technology in 2002, is married to the former Katie Mellen of Green Bay, Wisconsin.

COORDINATOR OF PLAYER PERSONNEL

4th Year/North Greenville, 2003

Andy Vaughn is in his fourth year as an assistant on Rick Stockstill's staff and his second as the coordinator of player personnel.

Vaughn's duties include all NCAA compliance-related activities for the Blue Raider football program, assisting the recruiting coordinator in all phases of the day-to-day planning and execution, and overseeing all football camp activities.

Vaughn oversees the football program's high school relations, recruiting logistics and communications, and team practice facilities and assists with the day-to-day operations.

As part of his recruiting responsibilities, Vaughn oversees all of the football program's web content. This includes the newly launched CoachStockstill.com, which provides recruits and fans alike with an interactive, all-access look at the Blue Raider football program. As part of CoachStockstill.com, Vaughn handles the Twitter and Facebook accounts that allow Coach Stockstill to increase exposure of the entire program. Vaughn also oversees the football program's Stock Report Blog; which posts practice reports, pictures, video, and other content aimed at boosting visibility for the program.

The Seneca, S.C., native made his way to Murfreesboro from Reno, Nevada, where he helped start a Velocity Sports Performance franchise while serving as the center director, handling business and recruiting functions. Vaughn helped Velocity develop and promote a special high-altitude performance and skills training program for elite NBA players and NFL hopefuls that was the first of its kind in the U.S.

Vaughn has stepped back into the intercollegiate arena for the first time since 2005, when he was assistant for football operations at Clemson University. He served as an integral part of the Tiger staff, assisting in administrative operations, travel logistics, recruiting, and community relations. Vaughn also developed a high school relations program for the Tigers while serving as the team liaison for the 2005 Champs Sports Bowl.

Vaughn was also a member of the Clemson staff in 2003 as a recruiting assistant. He organized visits, assisted with game operations, set up team functions, managed the recruiting software, and helped set logistics for the team's trip to the 2003 Peach Bowl.

During both tenures at Clemson, Vaughn helped the Tigers land nationally ranked top-25 recruiting classes.

Prior to joining the Clemson staff, Vaughn was a letterwinner at North Greenville University, where he played on the first bowl team in school history. Vaughn earned a degree in sports management and business administration from North Greenville University in 2003. He also has a master's degree in physical education and sports administration from Florida State University (2005).

HEAD FOOTBALL STRENGTH COACH

6th Year/Presbyterian, 1992

Russell Patterson, the American Football Monthly 2005 NCAA Division I-AA National Strength and Conditioning Coach of the Year, is in his sixth year as the director of strength, speed, and conditioning for the Middle Tennessee football program.

Patterson, who spent the 2004 and 2005 seasons at Appalachian State, played a key role in the Mountaineers' run to the 2005 national championship. In addition to his efforts with the ASU football squad, Patterson worked directly with the men's and women's basketball and volleyball teams while overseeing the strength and conditioning program for all 20 of ASU's varsity sports.

A native of Easley, S.C., Patterson developed a five-year plan for an improved training facility at ASU, increased his staff from two to six through a graduate assistant program, and counseled student-athletes on the importance of nutrition.

Before his stint at ASU, Patterson spent four years as an assistant strength and conditioning coach at Clemson, where he had the opportunity to work with Rick Stockstill. At Clemson, Patterson served as the top assistant in the Tigers' football strength, speed, and conditioning program and director of performance nutrition. Before being promoted to a full-time capacity, he spent three years as a graduate assistant in the strength and conditioning department at CU.

During his time at Clemson, Patterson was an integral part of seven bowl teams while working closely with head coach Tommy Bowden on a daily basis. Patterson was responsible for the speed, strength, and conditioning of the Tiger linebackers, defensive linemen, and safeties while coordinating scout days and organizing the winter conditioning program.

A two-year letterwinner in football at Presbyterian College, Patterson earned a bachelor's degree from the school in 1992. Upon graduation, he spent five years as an assistant football coach and strength coach at North Augusta (S.C.) High School before joining the Clemson staff.

Patterson is a member of the National Strength and Conditioning Association, the Collegiate Strength and Conditioning Coaches Association, and the International Sports Sciences Association. He is also certified by USA Weightlifting as a sports performance coach specializing in Olympic lifts.

Patterson, a past speaker in the strength and training field, has delivered talks with titles such as "Strength Training for Speed," "Proper Warm-up Techniques," "Force Training and the Westside Principles," and "Techniques at Improving Change of Direction."

EQUIPMENT MANAGER

5th Year/Clemson, 2004

LaTroy Johnson is in his fifth season as equipment manager for the Middle Tennessee football program.

The Orangeburg, S.C., native made his way to Murfreesboro after spending the previous two years as head equipment manager at South Carolina State University.

Before arriving at S.C. State, Johnson spent one season as the wide receiver coach at Bethune-Bowman High School in Bowman, S.C. Johnson coached Chris Williams, who later signed with Carson-Newman, during the 2004 season.

Prior to his coaching debut, Johnson served as a student equipment manager for football at Clemson University, where he worked with the wide receivers for four years. Johnson worked all four years under Alphonso Smith, who promoted him to head student manager his senior year.

During his time at Clemson, Johnson went to four straight bowl games, worked with Rick Stockstill for three years, and was there when current Middle Tennessee coaches Justin Watts and Willie Simmons were players.

Johnson attended Orangeburg-Wilkinson High School, where he played wide receiver and helped lead the Bruins to four straight playoff appearances. Orangeburg-Wilkinson produced former Clemson great Woody Dantzler, a quarterback recruited by Stockstill. Johnson was a freshman when Dantzler was a senior, and that's when the relationship with Stockstill began.

GAME-BY-GAME RECAPS

Middle Tennessee 17, Minnesota 24

Game 1 ● Sept. 2, 2010 ● Floyd Stadium ● Murfreesboro, TN

MURFREESBORO, TN - Middle Tennessee rallied from losing its starting quarterback, but its comeback against Minnesota fell short in the season opener. The Blue Raiders lost 24-17 to the Golden Gophers, the first Big Ten Conference team to ever visit Floyd Stadium.

MT rallied from a 14-0 deficit with 17 unanswered points, but Minnesota put together a back-breaking 16-play, 77-yard scoring drive that used more than nine minutes in the fourth quarter. Fullback John Hoese's 1-yard touchdown run — his third score of the game — took back a 24-17 lead for Minnesota with just 3:09 remaining.

MT junior Malcolm Beyah then fumbled the ensuing kickoff, handing the ball back to Minnesota with 3:02 remaining. A replay showed Beyah was down but the call was not overturned.

Logan Kilgore, a junior college transfer, held his own in his Division I debut behind center. The sophomore finished 13-of-18 passing for 172 yards, one touchdown and one interception. The pick was a pass that ricocheted off a receiver's hands on an inside screen in the first quarter.

Beyah led MT with 65 receiving yards. Phillip Tanner rushed for 75 yards on eight carries.

Minnesota dominated time of possession 45:34 to 14:26.

Middle Tennessee 38, ULM 10

Game 7 ● Oct. 23, 2010 ● Floyd Stadium ● Murfreesboro, TN

MURFREESBORO, TN - Middle Tennessee played well on both sides of the ball, keying a 38-10 victory over ULM in front of a Homecoming crowd of 19,052 at Floyd Stadium. The Blue Raiders improved to 4-1 in Homecoming games under head coach Rick Stockstill.

Middle Tennessee used a balanced attack to pick up the win, registering 244 yards on the ground and 219 through the air, to outgain ULM 463-269 on the day. Dwight Dasher was 11-of-19 for 219 yards and a pair of touchdowns, while finishing with 66 rushing yards. Phillip Tanner paced the ground attack with 73 yards on 15 tries.

The Warhawks' signal-caller, redshirt freshman Kolton Browning, completed 25-of-43 for 232 yards, his sixth consecutive game with at least 200 yards.

His exploits countered a negative outing on the ground for the visitors, as they gained minus-four yards on 28 rushes, only the second time in school history a Blue Raider defense held a team to negative yards on the ground behind the minus-58 Austin Peay amassed exactly 39 yards ago in 1971.

The defense, led by Jamari Lattimore's three sacks, came up with 11 TFLs, six sacks, two interceptions, and a defensive touchdown when Rod Issac brought back an interception 70 yards.

MURFREESBORO, TN - Middle Tennessee fell behind 14-0 through the first quarter and could not mount enough offense to complete the comeback in dropping a 23-17 decision to North Texas in Sun Belt action before 14,227 at Floyd Stadium.

The loss broke a string of four straight wins for the Blue Raiders against the Mean Green.

Game 10 ● Nov. 20, 2010 ● L.T. Smith Stadium ● Bowling Green, KY

BOWLING GREEN, KY - Middle Tennessee spotted Western Kentucky an early lead less than five minutes into the game, saw the Hilltoppers build it to 26-13 in the second half, then rallied in the fourth quarter to take a thrilling 27-26 win in Bowling Green.

The win kept alive the Blue Raiders' hopes for a possible bowl bid if they can win their last two games against FAU and FIU. Huge defensive plays in the fourth quarter sparked the comeback. The first one came on a 99-yard fumble return by Rod Issac that kept Western from increasing its lead to three touchdowns, and instead put the Blue Raiders within six points.

The second big play came on Western's attempt to seal the victory with 2:29 to go on a Casey Tinius field goal attempt. Big Jarrett Crittenton, jumped up and blocked the attempt, and the Blue Raiders managed to hold on for the win after an impressive 10-play, 77-yard scoring drive that culminated on a 6-yard run by Benny Cunningham.

The 16-point comeback was the largest under Rick Stockstill and the fifth-year head coach improved to a perfect 4-0 in one-point games.

Middle Tennessee 28, FIU 27

Game 12 ● Dec. 4, 2010 ● FIU Stadium ● Miami, FL

MIAMI, FL - Middle Tennessee is going to back-to-back bowl games for the first time in its FBS history following a gutsy, 28-27, win over Sun Belt champion FIU Saturday night at FIU Stadium. A crowd of 16,628 was left stunned after a late review was upheld in favor of the visitors.

FIU was putting together an apparent game-winning drive before linebacker Corey Carmichael forced a fumble on a pass play and recovered his own force. The play went under a lengthy review but it was upheld and the Blue Raiders took over at the 27-yard line.

Middle Tennessee (6-6; 5-3) only had to run out the clock but that would not be easy. Two running plays netted just 3 yards and the Blue Raiders were faced with 3rd-and-7 from its 30-yard line. MT took a timeout with 1:35 to play and then Dwight Dasher sealed the victory with a clutch 47-yard run to send the Blue Raiders to the postseason.

Dasher led the Blue Raider offense by completing 14 of 23 passes for a season-high 244 yards and a touchdown to go with 57 rushing yards. Phillip Tanner scored two touchdowns and led the Raiders with 62 yards on 14 carries.

Defensively, the Blue Raiders came up with 11 tackles for loss, 3.0 sacks, and forced three fumbles. DE Jamari Lattimore had seven tackles, a sack, a TFL, and a forced fumble to lead the charge, while Jarrett Crittenton continued his strong play with five tackles and 2.5 TFLs.

Miami (Ohio) 35, Middle Tennessee 21

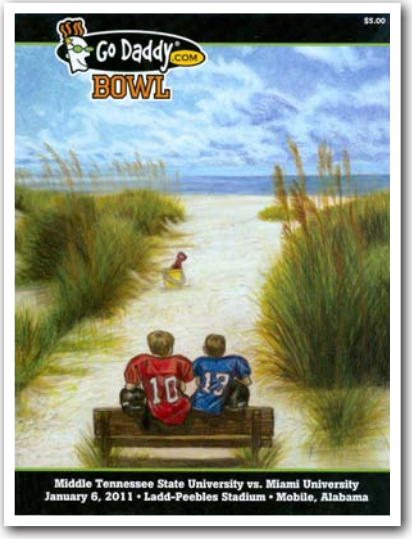

Jan. 6, 2011 ❑ Ladd-Peebles Stadium ❑ Mobile, AL

by Adam Sparks, Daily News Journal

MOBILE, AL - MTSU stuck to its season-long storyline, losing 35-21 to Miami (Ohio) in the GoDaddy.com Bowl because of some costly turnovers.

MTSU (6-7), which had the nation's worst turnover margin this season, committed four second-half turnovers — including four interceptions tossed by senior quarterback Dwight Dasher.

Miami (10-4), the Mid-American champion, became the first team in Division I history to post double-digit losses one season and double-digit wins the next year.

Typical of his two topsy-turvy season, Dasher showed his best and worst — mostly worst — in front of a crowd of 38,168 at Ladd-Peebles Stadium.

Dasher, the 2009 New Orleans Bowl MVP, had 158 total yards, one TD and no turnovers in the first half. But he tossed four interceptions in a second half in which MTSU was outscored 21-7. It was a season-high number of picks for Miami's defense.

Miami delivered a dagger with an 11-play, 71-yard scoring drive, capped by Austin Boucher's 5-yard TD pass to Nick Harwell with 5:25 remaining.

Dasher then tossed his third interception soon after to seal the outcome.

Miami took a 28-21 lead late in the third quarter on Boucher's 17-yard TD pass to Chris Givens.

Then Dasher tossed an interception to Miami's Evan Harris. After a defensive stand, MTSU's Jarrett Crittenton blocked Miami's 32-yard field goal attempt to keep the RedHawks off the scoreboard.

MTSU wasn't as fortunate after Dasher's first pick.

On MTSU's first possession of the second half, Dasher tossed an ill-advised pass up for grabs into heavy Miami coverage. Dayonne Nunley snagged the easy interception and skipped his way through traffic for a 52-yard return for a touchdown. It put Miami ahead 21-14 early in the third quarter for its first lead of the night.

But MTSU wasted little time tying the score. Caught in a pile-up, running back Phillip Tanner kept his feet, broke free and sprinted 54 yards for a score. It was the longest MTSU run in FBS bowl history.

MTSU squandered a couple of chances to take back the lead early in the third quarter. Kevin Brown intercepted Boucher's pass, but MTSU wideout Malcolm Beyah lost a fumble on the next play.

On MTSU's next possession, it drove to Miami's 42-yard line, but Tanner was stuffed for a 2-yard loss on fourth-and-1.

It was a stark contrast to the first half, when MTSU put up 197 yards and looked efficient on offense.

On their first scoring drive of the night, the Blue Raiders punched the accelerator. Their up-tempo attack marched 89 yards on eight plays in only 2:22.

Dasher connected on passes of 11, 15 and 27 yards, the last one going to Sancho McDonald to Miami's 18-yard line. On the next play, Tanner broke two tackles and galloped into the end zone for the opening score.

Miami answered quickly with a 70-yard pass from Boucher to Armand Robinson to MTSU's 3-yard line, the longest pass play in a bowl in RedHawks' history. Thomas Merriweather scored on a run on the next snap, tying the score 7-7.

Miami's first score took only 2:01 of game clock, but MTSU picked up its speed with a second score in only 1:41. Dasher completed three straight passes and took a quarterback draw for a 49-yard TD run on third-and-5 for a 14-7 lead through one quarter.

Miami countered with Boucher's 40-yard pass to Nick Harwell, which set up Merriweather's second TD run and tied the game 14-14.

Miami had two chances to take a halftime lead, but MTSU got a pair of timely plays from unexpected sources.

Redshirt freshman Dearco Nolan got his first career sack for a 14-yard loss that forced a Miami punt. On their next possession, the RedHawks had an 18-yard TD pass from Boucher to Robinson nullified by an illegal procedure penalty. On the ensuing play, they went to the end zone again, but MTSU cornerback T.L. Edwards picked off the pass at the goal line for his first career interception.

It was Miami's first turnover in four games and Boucher's second thrown interception in seven games this season.

2011 GoDaddy.com Bowl

Mobile, AL (Ladd-Peebles Stadium)
Miami (Ohio) 35, Middle Tennessee 21

by Adam Sparks, DNJ

MOBILE, AL - MTSU stuck to its season-long storyline, losing 35-21 to Miami (Ohio) in the GoDaddy.com Bowl because of some costly turnovers.

MTSU (6-7), which had the nation's worst turnover margin this season, committed four second-half turnovers — including four interceptions tossed by senior quarterback Dwight Dasher.

Miami (10-4), the Mid-American champion, became the first team in Division I history to post double-digit losses one season and double-digit wins the next year.

Typical of his two topsy-turvy season, Dasher showed his best and worst — mostly worst — in front of a crowd of 38,168 at Ladd-Peebles Stadium.

Dasher, the 2009 New Orleans Bowl MVP, had 158 total yards, one TD and no turnovers in the first half. But he tossed four interceptions in a second half in which MTSU was outscored 21-7. It was a season-high number of picks for Miami's defense.

Miami delivered a dagger with an 11-play, 71-yard scoring drive, capped by Austin Boucher's 5-yard TD pass to Nick Harwell with 5:25 remaining.

Dasher then tossed his third interception soon after to seal the outcome.

Miami took a 28-21 lead late in the third quarter on Boucher's 17-yard TD pass to Chris Givens.

Then Dasher tossed an interception to Miami's Evan Harris. After a defensive stand, MTSU's Jarrett Crittenton blocked Miami's 32-yard field goal attempt to keep the RedHawks off the scoreboard.

MTSU wasn't as fortunate after Dasher's first pick.

On MTSU's first possession of the second half, Dasher tossed an ill-advised pass up for grabs into heavy Miami coverage. Dayonne Nunley snagged the easy interception and skipped his way through traffic for a 52-yard return for a touchdown. It put Miami ahead 21-14 early in the third quarter for its first lead of the night.

But MTSU wasted little time tying the score. Caught in a pile-up, running back Phillip Tanner kept his feet, broke free and sprinted 54 yards for a score. It was the longest MTSU run in FBS bowl history.

MTSU squandered a couple of chances to take back the lead early in the third quarter. Kevin Brown intercepted Boucher's pass, but MTSU wideout Malcolm Beyah lost a fumble on the next play.

On MTSU's next possession, it drove to Miami's 42-yard line, but Tanner was stuffed for a 2-yard loss on fourth-and-1.

It was a stark contrast to the first half, when MTSU put up 197 yards and looked efficient on offense.

On their first scoring drive of the night, the Blue Raiders punched the accelerator. Their up-tempo attack marched 89 yards on eight plays in only 2:22.

Dasher connected on passes of 11, 15 and 27 yards, the last one going to Sancho McDonald to Miami's 18-yard line. On the next play, Tanner broke two tackles and galloped into the end zone for the opening score.

Miami answered quickly with a 70-yard pass from Boucher to Armand Robinson to MTSU's 3-yard line, the longest pass play in a bowl in RedHawks' history. Thomas Merriweather scored on a run on the next snap, tying the score 7-7.

Miami's first score took only 2:01 of game clock, but MTSU picked up its speed with a second score in only 1:41. Dasher completed three straight passes and took a quarterback draw for a 49-yard TD run on third-and-5 for a 14-7 lead through one quarter.

Miami countered with Boucher's 40-yard pass to Nick Harwell, which set up Merriweather's second TD run and tied the game 14-14.

Miami had two chances to take a halftime lead, but MTSU got a pair of timely plays from unexpected sources.

Redshirt freshman Dearco Nolan got his first career sack for a 14-yard loss that forced a Miami punt. On their next possession, the RedHawks had an 18-yard TD pass from Boucher to Robinson nullified by an illegal procedure penalty. On the ensuing play, they went to the end zone again, but MTSU cornerback T.L. Edwards picked off the pass at the goal line for his first career interception.

It was Miami's first turnover in four games and Boucher's second thrown interception in seven games this season.

2009 New Orleans Bowl

New Orleans, LA (Superdome)
Middle Tennessee 42, Southern Miss 32

by Adam Sparks, DNJ

NEW ORLEANS, LA - The Blue Raiders achieved bowl brilliance.

MTSU beat Southern Mississippi 42-32 in the R+L Carriers New Orleans Bowl.

It was only MTSU's second bowl appearance in its Football Bowl Subdivision era, but the Blue Raiders' seventh straight win snapped the Golden Eagles' dominance in the New Orleans Bowl. Southern Miss had won three of the last five New Orleans Bowls.

MTSU finished arguably its best season in school history with a 10-3 record after a momentous victory amid a New Orleans Bowl record crowd of 30,228 at the Louisiana Superdome. Southern Miss fell to 7-6.

"It just feels great to win a huge game," said MTSU junior safety Jeremy Kellem. "We're champions tonight. We might not be the Sun Belt champion, but we're the New Orleans Bowl champion."

MTSU quarterback Dwight Dasher earned MVP honors, breaking the New Orleans Bowl rushing record with 201 yards on 26 carries and two touchdowns. He was also 15-of-25 passing for 162 yards, two TDs and no interceptions.

Freshman Ben Cunningham, a former Goodpasture High standout, had a 1-yard TD in the fourth quarter to cap an 80-yard drive to put the stake through the Golden Eagles' heart.

Then MTSU senior linebacker Carmichael picked off a Southern Miss pass with less then three minutes remaining, and Dasher scored on a 1-yard run for the final margin.

"We were down early, but we fought hard," Carmichael said. "We always fight back. You think this is the biggest win in school history? You're darn right it is."

MTSU fell behind 14-0 in the first quarter, but held Southern Miss to only two field goals in the second and third quarters to take its first lead in an FBS bowl by the third quarter.

After the sluggish start, the Blue Raiders, who had only five active players with bowl experience, eventually settled into the national spotlight.

Dasher put on a courageous performance while suffering three separate leg injuries — all of which were awkward turns of his left ankle and knee without contact from a Southern Miss defender.

The injured Dasher was briefly replaced twice by redshirt freshman Brent Burnette, but the junior starter returned to the game both times.

During Dasher's final absence, Burnette came in and tossed a 22-yard bullet to Wes Caldwell. He then connected with Chris McClover on a wide-receiver screen for a 23-yard TD to put MTSU ahead 28-20 through three quarters.

Dasher had a 35-yard TD run earlier in the third quarter for the second-longest run in New Orleans Bowl history.

MTSU trailed 14-0 less than nine minutes into the game, but came back with a pair of second-quarter touchdowns.

Dasher returned from his first leg injury suffered late in the first quarter to lead the Blue Raiders on a 12-play, 70-yard scoring drive early in the second. He hit Garrett Andrews on an 11-yard TD toss on third down to cut the Southern Miss lead to 14-7.

On its next possession, MTSU drove to the 14-yard line, but Alan Gendreau's 31-yard field goal was blocked.

But on the next snap, MTSU cornerback Alex Suber made the play of the night.

Southern Miss set up a wide-receiver screen pass, but Suber eluded a blocking wideout and dove in front of the ball for the interception. It was Southern Miss quarterback Martevious Young's first interception thrown in 166 pass attempts and only his second this season.

Suber's pick gave MTSU the ball at Southern Miss' 12-yard line. Dasher connected with former Oakland High standout Shane Blissard for a 12-yard TD on another third-down play to tie the score 14-14.

Southern Miss made a 20-yard field goal on the final play of the first half to lead 17-14 at halftime.

Southern Miss started strong, scoring on its first two possessions.

The Golden Eagles marched 61 yards in nine plays and 4:18 en route to their first touchdown to open the night.

The key play came when DeAndre Brown caught a 19-yard pass and fumbled as he went to the turf. MTSU defensive back Derrick Crumpton recovered it, but Brown was ruled down at the 19-yard line before the ball popped out.

Tory Harrison capped the drive with a 2-yard run for the score. Harrison's run for the two-point conversion failed, and Southern Miss led 6-0. The Golden Eagles went for two throughout the game because of inconsistencies on its PAT kicking team this season.

After MTSU's second straight three-and-out series, Southern Miss' Brown caught a 24-yard TD pass and a two-point conversion to put the Golden Eagles ahead 14-0 with 6:35 remaining in the first quarter.

2006 Motor City Bowl

Detroit, MI (Ford Field)

Central Michigan 31, Middle Tennessee 14

by Adam Sparks, DNJ

DETROIT, Mich. - MTSU's season-long spell wore off at Ford Field.

The Blue Raiders' first Division I-A bowl trip was spoiled in a 31-14 loss to Central Michigan in the 10th Annual Motor City Bowl.

A Motor City Bowl record crowd of 54,113 saw MTSU (7-6) stage a late rally, but it couldn't compensate for the early wounds inflicted by the fast-paced CMU (10-4) offense.

"I thought (a comeback) was realistic with five minutes left, and I thought it was realistic with three minutes left," first-year MTSU coach Rick Stockstill said. "They fought to the end, and that's all a coach can ask of his players. There's not a player in that locker room that thought we didn't have a chance."

MTSU recovered from an early 14-point deficit and a CMU offensive burst, but a second wave kept the Blue Raiders at bay.

The Chippewas used only 13 offensive snaps to score two quick touchdowns and three more plays to jump ahead 21-7 in the second quarter. Leading the charge was CMU quarterback Dan LeFevour, the Motor City Bowl most valuable player, who had 218 of his 231 total yards in the first half.

After CMU's starting surge, MTSU struggled to keep pace, as CMU won its first I-A bowl game in the program's third attempt.

Meanwhile, MTSU played its first overall I-A bowl in Stockstill's debut season.

"Our players walk out of here with their heads held high," Stockstill said. "What Middle Tennessee did (Tuesday), you can't put a price tag on. It will help short-term, and it will help this program long-term.

"For what these guys did this season, I will forever be indebted."

MTSU never caught up with CMU, and it took a large leap backward early in the third quarter when Clint Marks was picked off by CMU linebacker Doug Kress, who returned the interception 56 yards for a touchdown.

"Your defense scores in the second half — that really helped," CMU interim coach Jeff Quinn said. "Anytime your kids can step up in that role, you know you're going to have the outcome which we felt and did."

MTSU junior running back DeMarco McNair's 6-yard touchdown cut the Chippewas' advantage to 28-14, but the rest of the Blue Raiders' fourth-quarter possessions finished short of paydirt.

MTSU outgained CMU 320 yards to 311, but the Blue Raiders were stifled by 103 penalty yards.

Marks finished 25-of-37 for 251 yards and two interceptions. MTSU true freshman Desmond Gee had a career-high nine receptions for 63 yards and a key 39-yard punt return.

However, CMU made its mark early on. Each positive for MTSU was met two-fold by the Mid-American Conference champion Chippewas.

MTSU senior running back Eugene Gross scored on a 3-yard run in the second quarter to cut the CMU lead to 14-7. However, MTSU's ensuing onside kick failed, and CMU answered with a four-play, 51-yard drive capped by LeFevour's 9-yard touchdown run to stretch the Chippewas' lead to 21-7 at halftime.

Any other MTSU scoring threats were countered by a costly penalty, turnover, or loss of possession on downs.

CMU was methodic on its opening possession, driving 69 yards on nine plays to paydirt.

Running back Ontario Sneed scored on a 1-yard dive over right guard, but the Chippewas' march was highlighted by two key third-down conversions.

On third-and-seven, LeFevour tossed a 26-yard pass to Justin Gardner, who slipped behind the MTSU secondary. Then following an MTSU tackle for loss by Jonathan Harris, LeFevour scrambled for 12 yards to the 1-yard line. The Chippewas went ahead 7-0 on the next snap.

MTSU was equally impressive on its first drive, but back-to-back sacks by defensive ends Mike Ogle and Daniel Bazuin stalled the Blue Raiders' progress.

Marks connected on all four passes for 60 yards during the first drive. His 17-yard pass to Jonathan Grigsby on third-and-23 set up a 39-yard field goal attempt, but Colby Smith hooked the kick wide left.

It only took CMU 51 seconds to go ahead 14-0, as Sneed pulled down a 29-yard swing pass for a touchdown. It capped a four-play, 78-yard scoring drive to the 5:53 mark of the first quarter.

1956 Refrigerator Bowl

Sam Houston 27, MT 13
(December 1, 1956)

Evansville, IN - The Blue Raiders carried an OVC championship and a 7-2 record into the first bowl game in the school's history, but the occasion was ruined by a powerful Sam Houston team. Led by Little All-American fullback Terry Sweeney, the Blue Raiders amassed 290 yards of total offense but mistakes killed their hopes for a win. The Blue Raiders lost a total of four fumbles while Sam Houston had just one miscue in the hard-fought contest.

1960 Tangerine Bowl

MT 21, Presbyterian 12
(January 1, 1960)

Orlando, FL - Before the bewildering eyes of 12,500 (largest crowd ever at the time), and against a well-balanced Presbyterian team, the Blue Raiders galloped far and wide for a 21-12 win in the 14th annual Tangerine Bowl classic. Called by some as the best played bowl game on the New Year's schedule, the Blue Raiders almost made a rout of it in the first half, but some fancy manuvering by the Blue Hose kept them in the game. Bucky Pitts scored two touchdowns, one on a beautiful punt return, to pace the Blue Raiders to their first bowl win in school history. Pitts, the little speedster from Fayetteville, had 59 yards in nine rushes to lead a Blue Raider infantry attack that ground out 240 yards. MT built a 14-6 halftime lead then had to stave off a tremendous rally led by Presbyterian quarterback Bob Waters, later of the San Francisco 49ers.

1961 Tangerine Bowl

Lamar Tech 21, MT 14
(December 29, 1961)

Orlando, FL - Making their second Tangerine Bowl appearance in three seasons, the Blue Raiders fell to another bunch of tough Texans. It was an even battle for nearly the entire game then a freak play decided the issue. A Lamar field goal attempt fell short of the mark but was inadvertently touched by a Blue Raider and a Tech player fell on it in the end zone for a touchdown.

1964 Grantland Rice Bowl

MT 20, Muskingum 0
(December 12, 1964)
NCAA Mideast College Division Championship

Murfreesboro, TN - A rugged defense paced the OVC champion Blue Raiders to a 20-0 win in the first Grantland Rice Bowl ever played. The site was MT's own Horace Jones Field. The Blue Raider defense held Muskingum to only 72 yards in total offense and scored a touchdown on a 99-yard fumble return by end Ray Neal with only 44 seconds left in the game. It also marked the final collegiate game as a player for longtime Blue Raider coach Boots Donnelly. Middle Tennessee opened the scoring in the first quarter when David Petty scored on a 1-yard run to make it 7-0. The teams both went scoreless in the second and third quarters before the Blue Raiders broke it open in the fourth. Teddy Morris ran five yards for a touchdown to make it 14-0 before Neal put up the final points with his intercepted fumble return. Morris finished 10 for 18 in the passing department for 142 yards, while Bob Hlodan paced the ground attack with 110 yards on 19 carries. Hlodan went on to be named the game's Most Valuable Player.

RETIRED NUMBER

Teddy Morris was something special from the moment he came to Middle Tennessee as a young freshman in the fall of 1962.

By the time he graduated, his stellar play had helped bring the Blue Raiders 32 wins (against only eight losses and a tie), a record which yielded three Ohio Valley Conference championships.

When his playing days were complete, Morris held a number of Middle Tennessee career records: touchdown passes (41), yards per completion (14.7), and points scored by passing (252). Morris still ranks sixth in passing yards with 4,799 while also standing seventh in pass completions with 326.

He was the OVC's Offensive Player of the Year in 1965 after leading the Blue Raiders to an unblemished 10-0 season. In 1970, he was named the OVC Offensive Player of the Decade by the *Nashville Banner*.

No player has worn number 14 since Morris finished his career in 1965. No player will ever wear that number again. It's a significant tribute to one of the finest athletes in Middle Tennessee football history.

Morris, who was later an assistant coach for Middle Tennessee from 1970 to 1973, joined Horace Jones and Charles Murphy as the first three to be inducted into the Blue Raider Hall of Fame in 1976.

Floyd Stadium is home of the Blue Raiders

Officially named Johnny "Red" Floyd Stadium/Horace Jones Field in 1968, Floyd Stadium will host its 76th season of Blue Raider football with the 2011 campaign. Set on the northwest end of campus, Johnny "Red" Floyd Stadium has undergone a multimillion dollar renovation over the past few years to make it one of the premier facilities in the region and the Sun Belt Conference.

The Blue Raiders are **265-106-13** all-time at Floyd Stadium, including a mark of **25-11** in Sun Belt Conference games.

The stadium opened its doors on October 14, 1933, with a scoreless tie against Jacksonville State.

Originally built as two sideline grandstands on either side of an outdoor track, it was enlarged in 1940, 1960, 1968, and most recently in 1998 to bring it to its current configuration as an octagonal bowl.

The move to NCAA Division I-A (FBS) football was the catalyst for the 1998 renovation to Floyd Stadium. On August 24, 1995, the University announced plans for a $25 million renovation, which was approved by the State Building Commission. After a lengthy bid process, ground was officially broken for the stadium in January of 1997 with Turner Construction handling the project.

Upon completion, the stadium featured 30,788 seats with only the east side grandstands remaining from the original structure. The old press box gave way to a five-story tower including luxury suites on the third level, a large press area and suites on the fourth level, and a camera deck on the fifth level. The renovation also included the addition of more chair-back seats as well as a club level.

The stadium is also equipped with 16 indoor suites and 38 outdoor boxes.

In addition to the spectator facilities, the stadium complex includes a team meeting room, position meeting rooms, a 10,000 square foot weight room for all Middle Tennessee teams, an academic center for Blue Raider student-athletes, and access to Murphy Athletic Center from the stadium via a walkway. The stadium also allows for further expansion that would provide an increase of approximately 40,000 seats, putting capacity over the 70,000 mark.

The first game in the renovated stadium took place on Sept. 5, 1998. The game, in which Middle Tennessee hosted local rival Tennessee State, drew a school record at the time 27,568 fans. The attendance helped push Middle Tennessee over the top for its I-A qualifying attendance of 17,000 per game.

The Blue Raiders recently set a new stadium attendance record with 28,105 seeing the home team defeat Memphis on Sept. 12, 2009.

The most recent upgrade came during the summer of 2007 when a new state-of-the-art video board was installed. The 18'x32' Daktronics display board enhances the overall atmosphere and bring fans even closer to the action.

During the summer of 2006, a new synthetic surface was installed to replace the outdated artificial turf. The surface is by Sportexe and the brand used is PowerBlade, which is a special monofilament polyethylene infilled system designed to maximize player speed and performance and provide superior shock absorbency. Middle Tennessee was the first school in the country to use this top-of-the-line surface.

The following is a rundown of the other facelifts that have been added during the 75-year history of Floyd Stadium:

1948: Permanent concrete stands added to Horace Jones Field to bring capacity to 6,200.

1960: Horace Jones Field expanded to 10,000 seats and a press area was added.

1968: Facility officially becomes Johnny "Red" Floyd

Stadium/Horace Jones Field.

1968: Seating capacity expanded to 14,000. In addition, a larger press box was added.

1971: Artificial turf was installed and natural grass became a thing of the past. First game on the new turf was Oct. 2, 1971, against Chattanooga.

1979: On Nov. 3, stadium is officially dedicated and press box sign unveiled.

1998: $25 million renovation expands seating capacity to 30,788 and the old press box gave way to a five-story facility with a club level, suites, press floor, and a camera deck.

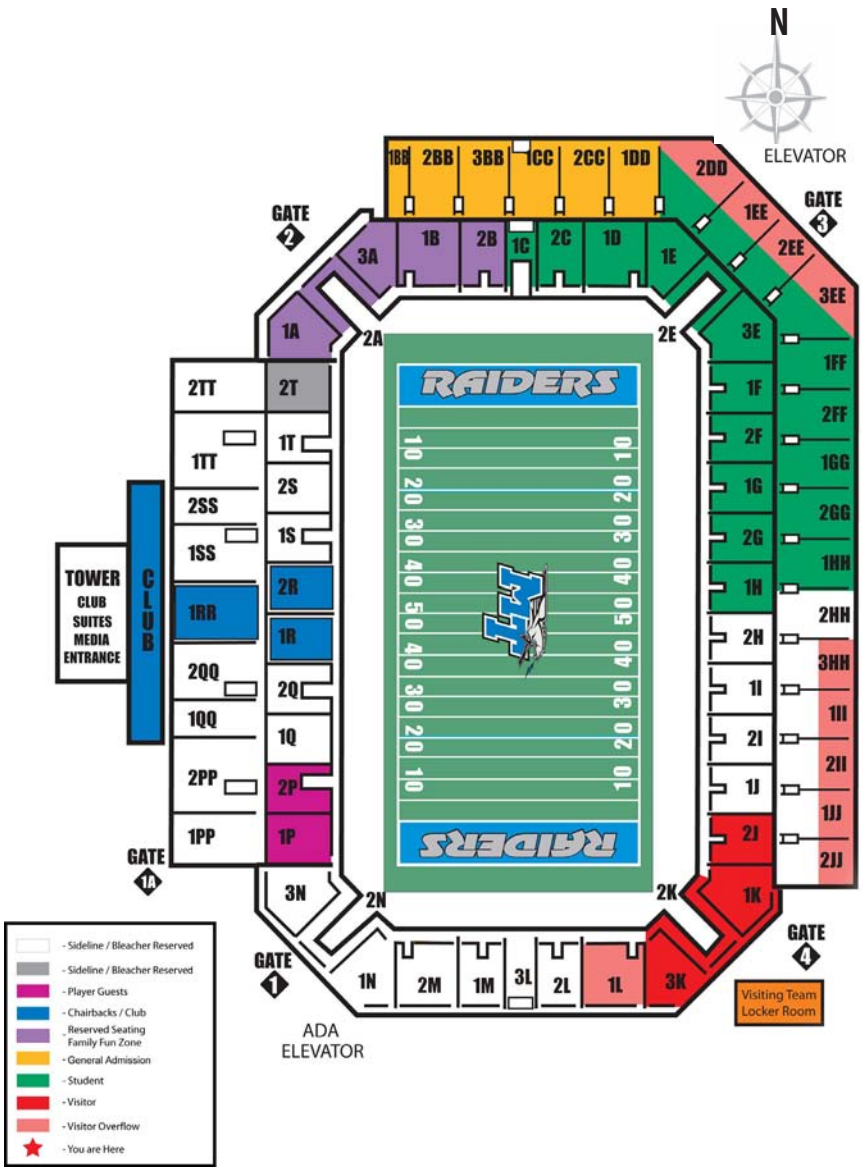

2006: A new synthetic surface was installed to give the Blue Raiders one of the top surfaces in the country.

2007: A new state-of-the-art video board with an 18'x32' display was installed.

2011: A new fence was installed around the perimeter of the stadium.

■ Floyd Stadium is equipped with 16 indoor suites and 38 outdoor boxes. Each suite has its own restroom, refrigerator, bar, lockable wood cabinets, and plush seating areas.

THE MASCOT

In Greek mythology, the winged horse possessed superior cunning and speed. The thundering horse of the gods was entrusted to carry awesome lightning bolts and could only be harnessed by a noble being with a pure heart. Character, talent, and strength were required to mount and ride the fabled winged horse.

Today, this winged horse is a fitting symbol of a university that has earned its wings and excels in many academic arenas, including historic preservation, teacher training, aerospace, political science, horse science, and recording industry. But the winged horse is more than a symbol of physical accomplishment; it's also a symbol of character and the responsible wielding of power.

The challenge of all great universities and university athletic departments is to help student-athletes build character as well as strength. This winged horse, Lightning, is a symbol to Middle Tennessee students, athletes, and alumni of the soaring school spirit they experience at sporting events.

For its nobility and character, the winged horse was immortalized in the stars. Now, with breathtaking speed and thundering, unbridled power, Lightning strikes, forevermore, fear in the hearts of Blue Raider opponents and leads Middle Tennessee to victory!

BLUE RAIDERS

In the early days of athletics at Middle Tennessee State University, the teams were known by several nicknames. Among these were Teachers, Normalites, and Pedagogues.

In 1934, it was decided that the school needed a specific nickname. During football season that year, the Murfreesboro *Daily News Journal* held a contest to name the team.

The late Charles Sarver, then a Middle Tennessee football player and later principal at White County High School in Sparta, Tenn., won the $5 prize for his entry of "Blue Raiders." Sarver later indicated he had "borrowed" the nickname of the Colgate Red Raiders but substituted MTSU Blue for Colgate Red. Ever since then, Middle Tennessee athletic teams have been known as the Blue Raiders.

For a time, the "unofficial" mascot for the Blue Raiders was a costumed, cartoon-like dog that debuted in the 1980s. A reasonable facsimile of a bluetick hound, the affable character was dubbed "Ole Blue."

On January 17, 1998, the current mascot, "Lightning," was born. The mascot was unveiled at a basketball game in Murphy Center. The introduction of Lightning gave a new identity to the nickname Blue Raiders.

THE LOGO

The first official athletic logo was unveiled on January 17, 1998 after a committee worked nearly two years on the project. The logo that debuted was a picture of a winged horse which snorts lightning bolts between the nickname Blue Raiders and MTSU.

In time, Chris Brady of the Publications and Graphics Department continued to work on the logo to offer some variations. It was Brady who came up with the concept of the current logo that is recognized as the athletic department's primary logo today - a flying horse with a lightning bolt on top of a blue MT.

THE COLORS

During the early spring of 1912, President Jones appointed two faculty members and a student leader to bring to the faculty recommendations for school colors. The two faculty members were Jeannette Moore King and Tommie Reynolds, and the student leader was Q.M. Smith. They met in the east corner first floor room of the women's dormitory and after considerable discussion reached consensus on the two colors, blue and white. The committee pointed out in its report to the president that blue and white more nearly approximated the wearing apparel colors of the early Normal students and "school affiliation and spirit could be displayed in a more economical and practical manner." The committee further stated that school colors embodied in everyday apparel could be purchased across the counter in any general merchandise store. The 1913 football team carried the first blue and white motif.

RAIDER WALK

One of the newest traditions at MTSU is Raider Walk, which began in 2000. The team walks through Walnut Grove two hours before kickoff as fans, cheerleaders, and members of the band wish the Blue Raiders luck in their upcoming game. Head Coach Rick Stockstill also takes time to show his appreciation to the fans by saying a few words. The Raider Walk is designated by lightning bolts painted on the sidewalk where the players greet the fans.

PRESIDENT SIDNEY A. MCPHEE

Dr. Sidney A. McPhee was appointed in 2001 as the tenth president of Middle Tennessee State University and, in 2011, he will preside over the observance of the centennial of its founding. Prior to his arrival at MTSU, McPhee was executive vice chancellor for the Tennessee Board of Regents system (TBR) in Nashville. In addition, he served as the TBR's chief academic officer and interim chancellor. Before his appointment at TBR, McPhee served in various senior-level administrative capacities at several major universities, including Oklahoma State University, University of Louisville and University of Memphis.

During McPhee's presidency, MTSU has witnessed considerable growth and progress. Student enrollment increased significantly during his tenure and, as a result, MTSU is the No. 1 choice for undergraduates in Tennessee. In the last 10 years, the University has added 23 undergraduate and graduate degree programs, five of which were new Ph.D. degrees (Public History, Literacy Studies, Computational Sciences; Mathematics and Science Education; and Molecular Biosciences). Since McPhee's arrival, two new colleges (Behavioral and Health Sciences and University College) were added, along with 10 new institutes and centers. In 2011, the Carnegie Corp., one of the nation's oldest, largest and most influential foundations, elevated MTSU to Comprehensive/Doctoral status and recognized the University for Community Engagement. Since McPhee's arrival, MTSU has been successful in raising admission standards, resulting in an increase in high-ability students. MTSU has been the institution of choice for midstate valedictorians and salutatorians in recent years and has enrolled a significant number of National Merit scholars and Achievement scholars.

McPhee's presidency also coincided with several major improvements in University facilities. During the past six years, the University has been engaged in capital projects, either proposed, under construction or competed, totaling more than $400 million. A ten-year, $70 million renovation of all student residential housing will be completed by fall 2011. The College of Education moved into its new $31.7 million building in the summer of 2011 and the $70 million Student Union building is scheduled to be completed by the fall of 2012. The University secured private gifts in support of a $6 million baseball stadium, which was completed in 2008. A $19-million expansion of the Health, Wellness and Recreation Center was also completed in 2008.

In 2007, an addition to the Cason-Kennedy Nursing Building was opened and dedicated, bringing the facility to 28,000 square feet, and a new $3 million track and soccer complex was opened in 2007. The University in 2006 received $15 million in state support for the planning and infrastructure development for a proposed $126 million science building. More than $9 million was spent in 2005 to renovate Andrew L. Todd Hall, which now houses the Department of Art and has state-of-the-art equipment for its students and faculty. In addition, the University acquired the 500-acre Guy James property in 2005 to consolidate its highly regarded programs in the School of Agribusiness and Agriscience. The Paul W. Martin Sr. Honors Building, dedicated in 2004, was built with private funding.

McPhee earned his bachelor's degree (with highest honors, summa cum laude) from Prairie View A&M University in Texas; a master's degree from the University of Miami, Coral Gables, Fla.; and a doctorate in applied behavioral studies in education from Oklahoma State University. He is also a graduate of the Harvard University Management Development Program and has completed professional development programs at St. Mary's University of San Antonio, Texas, and Colorado College in Colorado Springs.

McPhee was named Outstanding American University President of 2002 by the American Football Foundation. In 2003, he was listed by Nashville Post business magazine as one of Tennessee's 100 Most Powerful Individuals, and in 2004, he was ranked by Business Tennessee magazine as one of the Top 50 Most Powerful African Americans in the State of Tennessee. In 2006, McPhee was listed by the Chronicle of Higher Education as one of seven university presidents in the U.S. who is shaping intercollegiate athletics on a national scale. In the spring of 2009, McPhee was the keynote speaker for Prairie View A&M Founder's Day celebrations, and in June of that year, he was an invited participant at the International Agricultural University Presidential Forum held in Beijing and sponsored by the Bill and Melinda Gates Foundation.

China Agricultural University in Beijing, one of the country's top universities, awarded McPhee its highest academic award (Honorary Professor) in May 2007. In May 2010, he presented a photo exhibition and lecture series, "China: A Decade Through the Eyes of an American University President," in four Chinese cities, Beijing, Hangzhou, Lanzhou, and Changsha. McPhee was appointed in October 2010 as senior advisor to the Chief Executive of Hanban-Confucius Institute Headquarters in Beijing. McPhee delivered a speech, "The American University," in five cities in China in May 2011.

As an academician, McPhee's scholarly publications and presentations are extensive. His publications have appeared in local, national and international professional journals. In addition, he is the senior author of a book, Understanding the Campus Culture: An Introduction to College, and has co-authored a chapter for a major college textbook on academic advising. McPhee's scholarly pursuits include several international visits and presentations in locations such as Beijing, Shanghai, Hangzhou, Lanzhou, Changsha, and Dunhuang, China; Mekelle, Ethiopia; Penang, Malaysia; Hong Kong; Moscow and St. Petersburg, Russia; Tokyo and Osaka, Japan; Seoul, South Korea; Jerusalem and Tel Aviv, Israel; Antwerp, Belgium; Montreal, Canada; Oxford, England; Rio de Janeiro, Brazil; and Nassau, Bahamas.

McPhee also served a four-year term on the NCAA Division I Board of Directors (2003 to 2007) and was re-appointed to the board in 2010. He also served a three-year term on the NCAA Executive Committee, two terms as president of the Sun Belt Conference athletic league and was chairman of the SBC's CEO Executive Committee. In May 2005, he was appointed to the NCAA Presidential Commission on the Future of Intercollegiate Athletics. In 2002, President George W. Bush appointed, and the U.S. Senate confirmed, McPhee to the National Council for the Humanities. A past member of the Rutherford County Chamber of Commerce Board of Directors, McPhee chaired its membership council. He is a member of the Murfreesboro Noon Rotary Club and the SunTrust Bank Board of Directors (Nashville) and SunTrust Regional Bank Advisory Board (Murfreesboro). He also served on the Nashville Adventure Science Center Board; the Middle Tennessee Medical Center Board; and the Executive Board of the Boy Scouts of America's Middle Tennessee Council. He co-chaired the Tennessee Legislative Retreat Task Force on Higher Education and was recently reelected to a second three-year term as a commission member of the Southern Association of Colleges and Schools.

President McPhee is married to Elizabeth McPhee, and they have two adult children, Seneca and Sidney-Anthony.

DIRECTOR OF ATHLETICS CHRIS MASSARO

The landscape of college athletics has changed drastically over the past decade and that renovation also has been demonstrated at Middle Tennessee, particularly during the six-plus years since Chris Massaro was named director of athletics on April 8, 2005.

Proving to be a true visionary, Massaro has helped revolutionize the Blue Raiders' athletic department while helping pave the way for even greater success in future years.

Along with growing the Middle Tennessee athletic program, Massaro has been instrumental on numerous national boards and committees. He was appointed to the NCAA Football Issues Committee in March 2008 and served as a member of the prestigious NCAA Division I Women's Basketball Committee for the 2010-11 season.

Massaro, who spent 20 years at South Carolina prior to arriving at Middle Tennessee, has seen record numbers in fundraising during his tenure. Under his leadership, the athletic program raised $6 million dollars in private monies for the new baseball stadium; saw the largest unrestricted gift in athletic history of $1 million, while also gaining a $500,000 gift from Ken Shipp for the new women's basketball office suite. The Shipp gift is the largest in school history for women's sports. Along with a 129 percent increase in the BRAA's annual giving, Massaro has seen corporate sponsorships more than triple since his arrival.

Since his arrival, Massaro has enhanced the Blue Raiders' broad-based, 17-sport program. Among the accomplishments included in the last six years:

- The Athletic Department has captured four Sun Belt Conference All-Sports Trophy's.
- The Blue Raiders were 76th in the 2008-09 NACDA Cup, the highest finish in school history, with a 78th place showing in 2009-10.
- The athletic program has had a record 26 nationally televised events during his tenure.
- Middle Tennessee's football program has appeared in three bowl games in five years: the 2006 Motor City Bowl, the 2009 New Orleans Bowl, and the 2011 GoDaddy.com Bowl. The Blue Raiders won the New Orleans Bowl and finished with a 10-3 record and a No. 33 national ranking.
- The women's volleyball team reached the Sweet 16 for the first time in 2007 and has made five straight NCAA appearances.
- The men's golf team has made four straight NCAA Regional appearances, including a trip to the NCAA Championships in 2008 to finish 15th nationally.
- The women's basketball team has made the NCAA Tournament four times while also winning four Sun Belt Conference tournament titles. The program has also produced the nation's leading scorer three of the last four seasons.
- The Middle Tennessee tennis doubles team of Marco Born and Andreas Siljestrom won the National Championship in 2007 – the first NCAA doubles title in Athletic Department history.
- The Middle Tennessee track teams have combined for four conference titles. The 2007 men's outdoor squad finished No. 21 in the nation, and the 2009 women's indoor team ranked tied for 30th.
- The Blue Raider baseball team captured the regular season and tournament championship in 2009 and advanced to the NCAAs.
- The women's soccer program won the 2010 SBC Championship and advanced to their first NCAA Tournament.

Massaro's success at Middle Tennessee doesn't stop with the athletic teams. There has been a tremendous track record for hiring quality coaches with head football coach Rick Stockstill, women's head basketball coach Rick Insell, men's golf coach Whit Turnbow, and men's tennis coach Jimmy Borendame – all Massaro hires – each earning Sun Belt Coach of the Year in their first seasons. In all, Massaro's guidance has provided coaches with the resources to produce 29 conference titles, 27 NCAA postseason appearances, two Sun Belt Conference Athletes of the Year, and 17 Coach of the Year awards.

Academic enhancement has also skyrocketed under Massaro's leadership. Massaro, who was appointed to a panel on APR Improvement Plans for the 2007 NCAA Convention, inherited a football program with a national-low score of 812 and saw it increase to 990 (on a 1,000-point scale) in 2009. As a whole, the Athletic Department has improved from a 908 score when Massaro was hired to an impressive cumulative (five years) score of 976 in 2009-10. All 17 Middle Tennessee sports teams achieved passing marks of 925 or higher in 2009-10 with seven teams turning in a perfect mark of 1,000.

Facility upgrades also have been at the top of Massaro's impressive list of accomplishments. He completed a $6 million capital campaign for the new baseball stadium and initiated a series of major renovations to existing athletic facilities during the previous five years, including a state-of-the-art soccer and track complex, and a state-of-the-art golf performance center was completed in December 2008. Most recently, construction began on the new Ken Shipp Women's Basketball Office suite.

In the midst of numerous upgrades, Massaro also has initiated generous contributions that made it possible to install a new synthetic surface in Floyd Stadium for the 2006 season. Additionally, new videoboards – one for football and two inside Murphy Center – were installed in 2007 and a new fence around the entire stadium was put in place in 2011.

Massaro has also made a significant upgrade in the Blue Raider football schedule since his arrival. He brought Virginia out of the ACC to Floyd Stadium in 2007 and then inked Maryland to play in Murfreesboro in 2008. In 2009, Massaro had Mississippi State come to Floyd Stadium to make them the first SEC program to play in a Sun Belt stadium. Future schedules will see the Blue Raiders playing home games against Georgia Tech (2011) and Vanderbilt (2015, 2017).

On his 100th day on the job, Massaro made one of his biggest announcements: a five-year contract with the University of Memphis to play football that started in 2007. The Tigers became the first in-state Division I-A (FBS) football team to play the Blue Raiders in Murfreesboro.

In March 2008, Massaro made another big move when he announced a four-game series with neighboring rival Vanderbilt of the SEC. The series begins in 2015 and the teams will play twice in Murfreesboro and twice in Nashville.

The Glenwood Springs, Colo., native joined the South Carolina staff under the Ohio University sport administration program in 1985.

Massaro earned his bachelor's degree in business administration from the University of Northern Colorado in 1983 and his master's degree in sport administration from Ohio University in 1986. At UNC, Massaro was a five-year football team member.

Massaro is also heavily involved in community service projects and organizations. He is a member of the Red Cross Board, the City Golf Commission and the Rutherford County Sports Council Executive Committee, and he served on the search committee for the Rutherford County Chamber of Commerce president. He is also a member of the Tennessee Sports Hall of Fame Executive Board.

Massaro and his wife, Cindy, have four children: Hank, Lainey, Rachel, and Ben.

Student publications will be limited to one working credential and one sideline photo pass. Other credential requests will be fulfilled on a space-available basis.

2011 BROADCAST TEAM

CHIP WALTERS

Play-by-Play

Chip Walters begins his 20th season in the booth for Middle Tennessee and his third as the "Voice of the BlueRaiders." Walters, who spent the previous six years as a color analyst for football, took over the play-by-play duties for football and men's basketball in April 2009.

Walters holds the third-longest tenure for Middle Tennessee broadcasters behind only the late Monte Hale and current women's basketball and baseball broadcaster Dick Palmer.

In addition to these duties, Walters hosts the Rick Stockstill and Kermit Davis radio-shows, emcees various Blue Raider events, and is the host of numerous segments on GoBlueRaiders.tv. Walters also sells corporate sponsorships for Nelligan Sports Marketing.

Walters, who held the position of director of Public and Media Relations for the Tennessee Walking Horse National Celebration for six years, served as the marketing and promotions director at Middle Tennessee from 1993 to 2003. The Columbia, Tenn., native worked to expand Middle Tennessee's overall corporate sponsorship program while overseeing the entire Blue Raider Network, coaches television shows, and gameday publications.

Prior to working for Middle Tennessee, Walters worked several jobs in sports broadcasting including serving as sports director of the Tennessee Radio Network from 1986 to 1991. Walters has called play-by-play for minor league baseball affiliate theNashville Sounds and has done freelance television work for WNAB, WSMV, CSS, and the TSSAA Network.

KELLY HOLCOMB

Color Analyst

Kelly Holcomb, a 1994 graduate of MT, is beginning his fourth season as a member of the Blue RaiderNetwork. A 15-year veteran of the NFL, Holcomb will serve as the color analyst for the Blue Raider Network during football season.

Holcomb, a 2008 inductee to the Blue Raider Hall of Fame, was a member of the television announce team for the TSSAA Network, the Music City Bowl Preview Show, Thursday Night Lights High School football telecast, and college football analyst on the SportsZone on Fox-17 and 104.5 The Zone.

Holcomb attended Lincoln County High School in Fayetteville, Tenn., before signing with the Blue Raiders in 1991. A four-year starter for the Blue Raiders, Holcomb set nearly every passing record at MT before heading to the NFL.

In his career, Holcomb played for the Colts, Browns, Bills, Eagles, and Vikings. Holcomb owns one of the most memorable passing performances in NFL history when he threw for a record 429 yards in a Wild Card game against Pittsburgh.

PRE-GAME AND POST-GAME TEAM

Dick Palmer, Duane Hickey, and Thom Abraham will be back to handle pre-game and post-game programming, including the Countdown to Kickoff prior to each game-and the popular Raider Wrap-Up Show where fans can call in with their questions and comments.

Palmer and Hickey, both MT alums, are veterans of Blue Raider broadcasts with Palmer having nearly 30 years behind the microphone while Hickey is in his ninth season of work. Abraham, host of his own show on WNSR, is in his third season as part of the network crew.

The duo of Palmer and Hickey work together during basketball season as they bring the exciting action of Lady Raider basketball to fans across the midstate. Palmer also handles play-by-play for Blue Raider baseball. The veteran broadcaster has handled numerous assignments throughout the years, including MT football and men's basketball, minor league baseball with the Memphis Blues, ABA basketball with the Memphis Tams, and WFL football with the Memphis Southmen.

BLUE RAIDER FOOTBALL ON THE AIR

Blue Raider football is on the air! The 2011 football season marks the sixth year of the Blue Raider Network under the umbrella of a joint venture between Middle Tennessee athletics and Nelligan Sports Marketing. Nelligan started managing the exclusive athletics marketing rights in January 2007.

The Blue Raider Network, which actually debuted in the early 1960s, is blessed with two flagship stations for football and men's basketball, including Sports Radio 560 WNSR in Nashville and WGNS AM-FM in Murfreesboro.

Middle Tennessee fans throughout the southeast region also can follow their favorite teams on WMOT FM 89.5, which reaches a three-state coverage area.

The combination of these three stations provides coverage to Middle Tennessee sports fans in a 100-mile radius of Murfreesboro.

WGNS and WNSR will carry all Blue Raider football and men's basketball games along with the Rick Stockstill and Kermit Davis radio shows.

WGNS, which made its return to carrying Blue Raider athletics in 2005, blankets the local area by reaching to McMinnville to the east, Columbia to the west, and Gallatin to the north.

Campus station WMOT 89.5 FM will also broadcast football and men's and women's basketball games for Middle Tennessee in 2011-12. WMOT, a 100,000-watt station, reaches beyond Bowling Green, Ky., to the north, Cookeville, Tenn., to the east, and Huntsville, Ala. to the south.

All Blue Raider football, men's and women's basketball, and baseball broadcasts can also be heard on the Internet at GoBlueRaiders.com.

RICK STOCKSTILL RADIO SHOW

The Blue Raider Network carries Rick Stockstill LIVE on WMOT, WNSR, and WGNS AM-FM each Monday night from 7:00 to 8:00 PM. The show originates from Coaches Grill in Murfreesboro during the season and is open to the public.
