Recap of Bowl Games

Refrigerator Bowl, December 1, 1956 MTSU-13, Sam Houston-27

The Raiders carried an OVC championship and a 7-2 record into their first bowl game in the school's history, but the occasion was ruined by a powerful Bearcat team from Sam Houston.

Led by Little All-American fullback Terry Sweeney, the Raiders ground out 290 yards of total offense, but mistakes killed them. MTSU lost three fumbles and had three passes intercepted by the alert Bearcat defense.

Tangerine Bowl, January 1, 1960 MTSU-21, Presbyterian-12

Bucky Pitts scored two touchdowns, one on a beautiful punt return, to pace MTSU to their first bowl win in history. Pitts had 59 yards rushing in nine carries to lead a Raider infantry attack that ground out 240 yards.

MTSU built a 14-6 halftime lead, then had to hold off a tremendous rally led by Presbyterian's Bobby Waters. Waters passed for 197 yards and two touchdowns, but the Raider defense was tough when it had to be.

Tangerine Bowl, December 29, 1961 MTSU-14, Lamar Tech-21

Making their second Tangerine Bowl appearance in two seasons, the Raiders fell to another bunch of tough Texans. It was an even battle for the entire game until a freak play decided the issue.

A Lamar field goal attempt fell short of the mark, but was inadvertently touched by a Blue Raider, and a Tech player fell on it in the end zone for a touchdown. Once again, mistakes hurt as the Raiders lost three fumbles and had two passes intercepted.

Grantland Rice Bowl, December 12, 1964 MTSU-20, Muskingum-0

A rugged defense paced the OVC champion Blue Raiders to a 20-0 win in the first Grantland Rice Bowl ever played, with the site being MTSU's Horace Jones Field.

The Raider defense held Muskingum to only 72 yards in total offense and scored a touchdown themselves on a 99-yard fumble return by end Ray Neal with 44 seconds left in the game.

MTSU's other scores came on a one-yard dive by fullback David Petty in the first quarter and a five-yard run by quarterback Teddy Morris in the last period.

Blue Raiders in the NCAA Division I-AA Playoffs

1984

First Round: MTSU 27, Eastern Kentucky 10

MTSU entered the national championship playoffs as an at-large entry after finishing with a 9-2 overall record and trailing only champion Eastern Kentucky in the final OVC standings. The first-round game sent the Blue Raiders to Richmond, Ky., for the second time in the season, where they had taken a 22-10 win from the Colonels in early October.

This time, MTSU prevailed over the league titlists 27-10, as tailbacks Vince Hall and Gerald Anderson teamed up for three TDs (two for Anderson and one for Hall) and 325 yards in rushing (202 for Hall and 123 for Anderson). MTSU kept the ball for nearly 40 minutes as Hall and Anderson combined for 55 carries.

The defense was paced by tackles Kenny McDaniel and Greg Casteel with 11 stops each and end John Garrett with 10.

Quarter-Finals: MTSU 42, Indiana State 41 (Overtime)

The Blue Raiders again hit the road to take on highly-regarded Indiana State at Terre Haute. In one of the most memorable games in Division I-AA playoff history, MTSU broke on top 21-0, in the first quarter. Mickey Corwin hit Tony Burse for a six-yard TD pass, then Vince Hall scored from 80 yards out and Mike Clark snagged a 25-yard scoring pass from Corwin. The latter two scores came in a breathless 18-second time span sandwiched around an ISU fumble.

The Sycamores fought back to tie the game at 21-all and send it into overtime, where each team scored on its first three possessions. However, after Indiana State tallied its third overtime touchdown to make the score 42-41 for MTSU, the Sycamores went for a two-point conversion off a fake kick. The play was smothered by the right side of the Blue Raider line to send MTSU into the semifinals.

Semifinals: Louisiana Tech 21, MTSU 13

Back home for the first time in the playoffs, the Blue Raiders found themselves involved in a struggle between two very well-coached and

gutsy football teams. Tech took an early 7-0 lead on a blocked punt, but MTSU battled back on a 33-yard field goal by Kelly Potter and a two-yard plunge by Gerald Anderson to forge a 10-7 lead in the third quarter.

Tech came right back six minutes later to go ahead, 14-10, on an 11-yard pass play from Kyle Gandy to Todd Breske. MTSU chalked up another field goal by Potter, this one a 35-yarder, to cut the lead to 13-14, only to see David Green ramble 80 yards on Tech's very next play for a 21-13 lead.

The Raiders began to move the ball steadily on their next possession, but a fumble well inside Tech territory ended their title hopes, 21-13.

Hall rushed for 553 yards in the three post-season games to shatter all existing NCAA Playoff records. Corwin's 27-for-41 passing performance gave him a .659 percentage for the playoffs, a record that still stands.

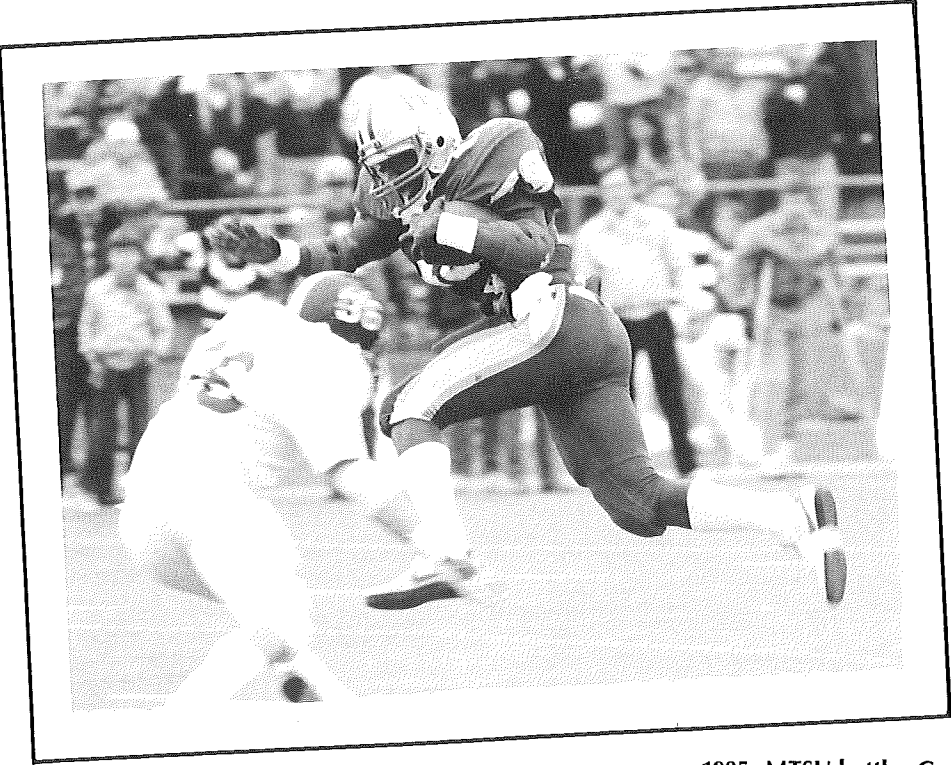

1985

Quarter-Finals: Georgia Southern 28, MTSU 21

MTSU entered the playoffs as Ohio Valley Conference champions and the top seed after a perfect 11-0 regular season and being ranked No. 1 in the nation over the final half of the season. That earned the Raiders a first-round bye and allowed them to host Georgia Southern, a team MTSU had beaten, 35-10, early in the season.

The Raiders found themselves trailing the eventual national champions, 21-0, after less than 16 minutes of play, but they clawed their way back into contention twice. Dwight Stone ran for a five-yard TD early in the third quarter and Ray Palhegyi grabbed a 21-yard scoring pass from Marvin Collier to cut the deficit to 14-21 with 4:27 left in the third period.

Southern tallied again in the middle of the fourth quarter for a 28-14 lead, before Stone ran 14 yards to make it a 28-21 game with just under five minutes to play. The Eagles powered their way to three first downs on their ensuing possession to run out the clock and send them on their way to the national title two weeks later.

Memo to the Media from Ed Given, S.I.D.

Here is your copy of the 1988 Blue Raider Football Media Guide which we trust will be helpful to you in your coverage of the MTSU football program this year. Please direct all requests for credentials, scouting passes, information or photographs concerning MTSU football to: **Ed Given, Sports Information Director, Box 20-MTSU, Murfreesboro, Tennessee 37132.**

Credentials

All credentials, including scouting passes, should be requested well in advance from Sports Information Director Ed Given. No credentials will be mailed. You can pick them up at the "Will Call" window as you come to the stadium on game days. Access to the press box will be granted only to authorized persons with press box tickets for that specific game. Each ticket will carry a seat or booth assignment and will entitle the authorized bearer to the full courtesies and complete services of the press box. **Spouses, dates, children, and other non-workers are not permitted in the working media areas.**

Photographers

Photographers wishing admittance to the press box will need a press box ticket. Sideline passes will be issued to authorized personnel representing news media on the field and must be displayed at all times. No free-lance photographers will be admitted to the sidelines.

Radio

Radio broadcast permission must be obtained, in advance, from Sports Information Director Ed Given, along with press box reservations. Arrangements for installation of broadcast loops should be made well in advance with South Central Bell Telephone Company.

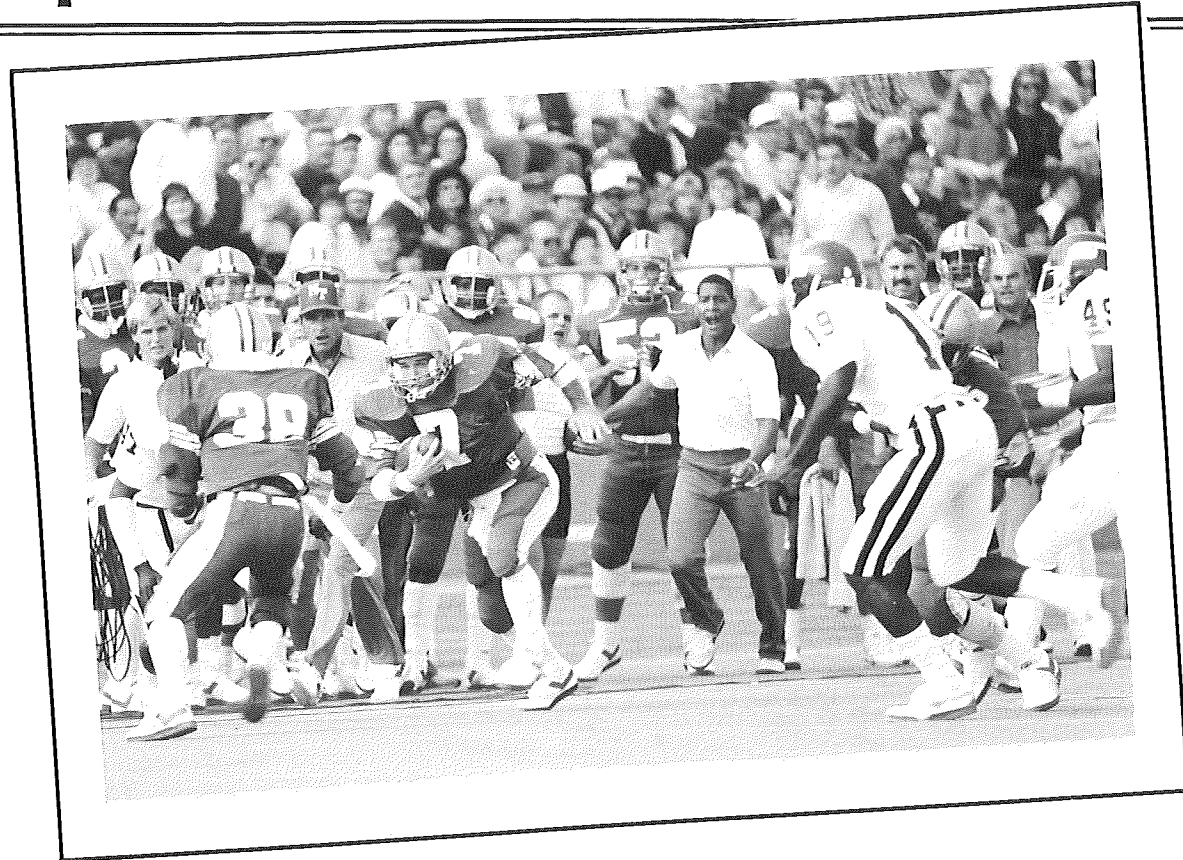

Telecopier/Telephones

The University will have one telecopier and several telephones available in the press box for your convenience. However, if you plan to file copy on the telecopier, it will be necessary to notify the Sports Information Office in advance to ensure its being available. It will be available to visiting media personnel on a first-come, first-served basis.

Press Box Services

The Sports Information Office will furnish programs, pre-game notes, updated season statistics, and other information prior to the game. Game service will include play-by-play, halftime and final statistics for both teams and individuals. Coffee, soft drinks, and other refreshments will be available for working media personnel.

—Blue Raider Season Outlook Inexperienced Offense Poses Questions

Trying to put Middle Tennessee State University's 1988 football chances into a brief statement is not easy—many questions cannot even be speculated upon with any degree of accuracy until fall practice gets under way, if then.

The uncertainties, on paper at least, center primarily around the Blue Raider offense, which will be young and inexperienced for the most part.

While the Blue Raiders return 34 of 48 lettermen from 1987's 6-5-0 squad, Head Coach **Boots Donnelly** and his staff have only five of twelve starters (counting a kicker) coming back on the offensive unit.

"That means, of course, that we're going to be very short on experience on that side of the ball," says Donnelly, "and we weren't able to settle a lot of things in spring practice. We're so young that we had to keep things simple, as far as blocking schemes are concerned. So there are a lot of things about some of our people we won't find out until we subject them to more of our offensive wrinkles in the fall."

A great deal of the experience that IS to be found on the offensive squad centers in quarterback **Marvin Collier** (5-11/160).

A senior who is returning for his fourth straight season as a starter, he will have to carry a huge portion of leadership responsibility in addition to his physical contributions.

Only five of twelve starters are coming back on the offensive unit.

He was the Ohio Valley Conference Offensive Player of the Year as a freshman in 1985, setting an all-time league record for rushing by quarterbacks at 594 yards. He was injured much of the time as a sophomore but still picked up 1,397 yards in total offense.

Collier enters his final season with 4,555 yards in total offense, needing just 1,012 to surpass the MTSU career record of Teddy Morris, set in 1962-65.

Gone is stellar tailback **Gerald Anderson**, who ran for 980 yards last year and 2,862 in his career, despite losing much of the 1986 season to injury. The presence of sophomore **Ricky Martin**, who came on strong late last year to gain 224 yards in only 44 carries (5.1 average), should help ease the pain of Anderson's departure. The Raiders also have at least a couple of outstanding rushing prospects among the incoming freshman class.

There are two other vital areas, though, where the loss of personnel may be even more heavily felt: in the offensive line and at the receiver positions.

The receiver corps was virtually wiped out by graduation. Gone are wide-outs **Robert Alford** (17 catches for 423 yards last season) and **Mike Pittman** (10-316), flanker **Garrett Self** (15-169), as well as the top two reserves, **Vic Esposito** and **Joey Holley**. **Anderson** also accounted for 18 catches last season, good for 96 yards.

Top prospects to take up the slack are wide receivers **Kenny Donaldson** (So./6-0/175), **Billy Marsh** (Fr./5-11/162) and **Orlando Crenshaw** (Fr./5-5/174), along with tight end **Melvin James** (Jr./6-2/220),

who was a starter a year ago. **Donaldson, Green,** and **James** caught a total of eight passes last year for 110 yards.

Up front, MTSU lost starters **Doug Hintemeyer** at center, **Steve Heard** and **Bob Malia** at guards, and **Steve Spurling** at tackle, leaving four of five interior line spots to be refilled. The lone returning starter is sophomore tackle **John Tate** (6-1/238). Leading candidates include sophomore **Mitch Carson** (5-11/240) at center, sophomore **Leroy Gifford** (6-3/235) and freshman **Mike Nihill** (6-3/235) at guards, and sophomore **Ernest Henderson** (6-3/265) and **Ricky Mitchell** (6-4/274) at tackles.

Collier enters his final season with 4,555 yards in total offense, needing just 1,012 to surpass the MTSU career record set in 1962-65.

Defensively, the picture is much less cloudy for the Blue Raiders.

MTSU lost only two defensive starters, cornerback **Darrien Thomas** and guard **Todd Jackson**. **Jackson** had another year of eligibility, but the second-team Academic All-American elected to graduate and leave the squad.

An All-Ohio Valley Conference end last year, senior **Kenny Tippins** (6-2/230), should lead the way, along with linebackers **Don Thomas** (Sr./6-1/225) and **Andre Dyer** (Jr./6-1/230) and backs **Tommy Barnes** (Sr./6-1/193) and **Chuck Swafford** (Jr./5-10/170).

Other all-star candidates will be senior **Jack Pittman** (6-2/250), coming back from shoulder surgery to correct a condition that hampered him most of last season, and senior **Dejuan Buford** (5-11/195), an All-OVC pick two years ago at safety. He missed last season for disciplinary reasons.

"We hope the added experience on defense will help us correct a situation we suffered with last year," says **Donnelly**. "While we didn't give up a lot of points, we often gave up huge chunks of yardage in the middle of the field before we could get things slowed down, usually inside our own 20-yard line. That often gave our offense poor field position.

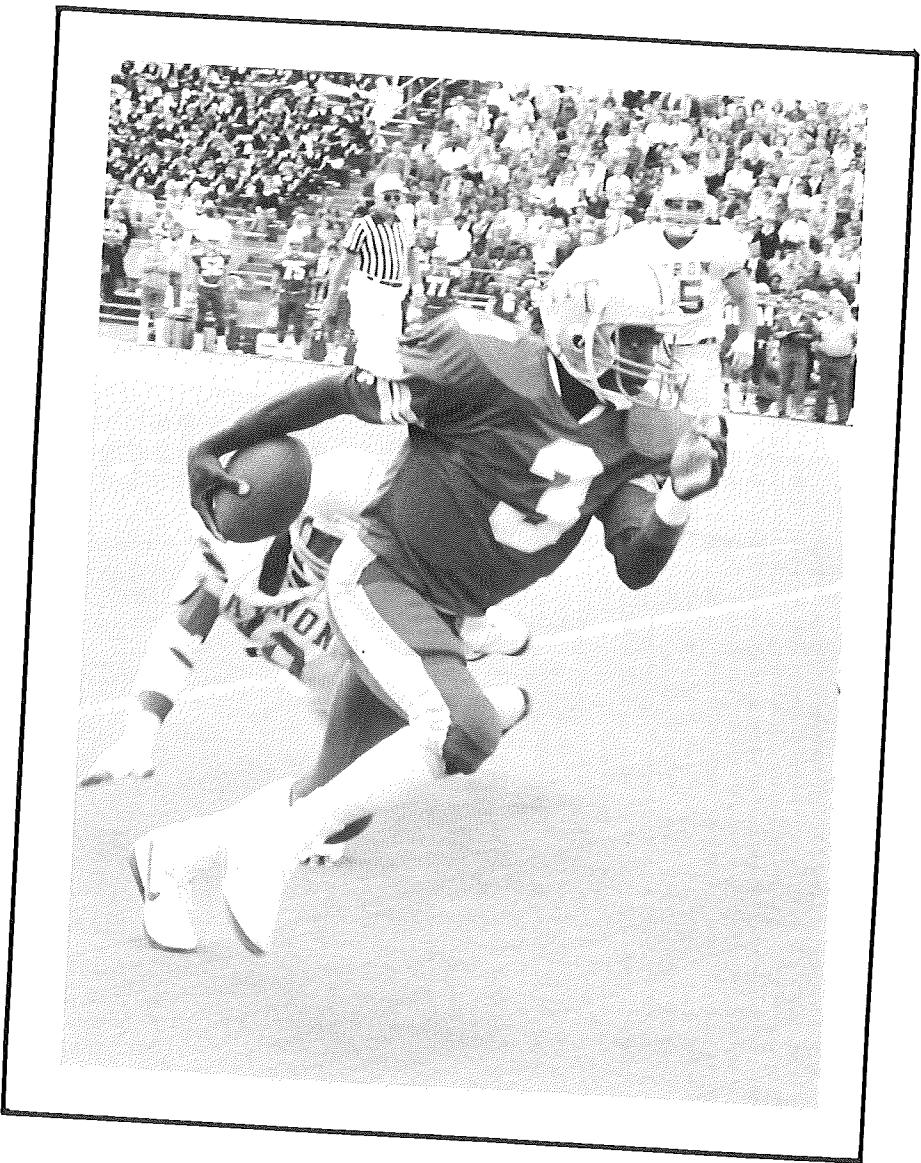

"We couldn't afford that last year," he continued, "and my guess is that we can afford it even less this year."

The kicking game appears reasonably sound, with junior **Joe Lisle** (5-10/174) returning for place-kicking duty and sophomore **Chuck Daniel** (6-0/178) back for punting chores. Freshman **Matt Crews** (5-9/164) was pressing **Lisle** near the end of spring practice, and **Daniel**, also trying

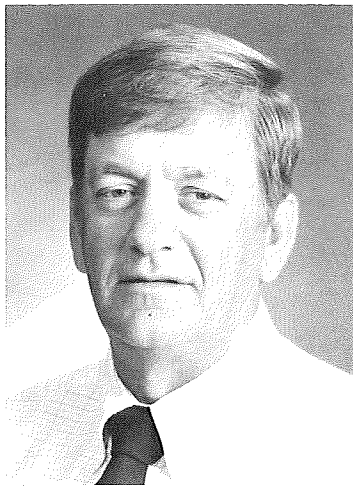

for a quarterback slot, was not able to work on his kicking as much as the coaching staff would have liked.

After finishing third in the OVC race last year behind co-champions Eastern Kentucky and Youngstown State (which has since left the league), perhaps only the opening of the '88 season will begin to unravel the picture as to whether the Raiders can contend for the conference title.

It shouldn't take long for evidence to emerge, what with MTSU facing powerhouses like OVC rival Tennessee State, Northern Illinois, Western Kentucky, perennial national contender Georgia Southern, and Alcorn State, all in the first 30 days of the campaign.

Athletic Director John Stanford

When John Stanford became Middle Tennessee State University's Athletic Director in July, 1987, he brought with him an impressive talent for getting things done. That sometimes surprises people who are familiar only with Stanford's low-key, relaxed manner of going about his business.

But his record as baseball coach of the Blue Raiders for the 14 seasons between 1974 and 1987 is anything but low-key. He is one of only a handful of collegiate

baseball coaches who have compiled more than 400 career victories, showing an overall record of 402 wins against only 272 losses and 4 ties, a winning percentage of .596.

He led the Blue Raiders to Ohio Valley Conference championships four times and won the league's Southern Division title on five other occasions. He took MTSU to the NCAA Tournament Tournament four times, making it to the championship round of the Midwest Regional in 1982, only one victory away from a coveted berth in the College World Series.

By vote of his coaching peers in the OVC, he was selected the league's Coach of the Year in 1976 and the co-winner of that honor in 1981, 1982, 1983, and 1987. He was also selected South Region Coach of the Year in 1982 by the American Association of College Baseball Coaches.

A native of Opelousas, La., Stanford coached at Shelbyville (Tenn.) Central High School and at Motlow State Community College in Tullahoma, Tenn., before joining the MTSU staff in 1974.

He won Tennessee Junior College Coach of the Year honors for each of his three seasons at Motlow State, 1971-73. At

Shelbyville, he was known not only for his outstanding high school squads, but he also put together four divisional champion American Legion teams.

Stanford played two years in the Washington Senators' farm system following his graduation from MTSU in 1962. He received his Master's degree from MTSU in 1964. As a member of the Blue Raider squad during his undergraduate days, he was one of the OVC's winningest pitchers for each of his four seasons.

Stanford was the spearhead of a building and fund-raising program that has given the Blue Raiders one of the finest baseball facilities to be found on a college campus anywhere in the nation. MTSU's Reese Smith Field is fully lighted, completely enclosed, has outstanding press box and grandstand facilities, and an immaculate natural grass playing surface.

Stanford has built a reputation as a top-flight recruiter and developer of talent. Many of his players have been drafted into the professional ranks, including Kenny Gerhart, current outfielder for the Baltimore Orioles.

He and his wife, Nancy, have one daughter, Maureen.

—A Consistent Winner

Head Coach Boots Donnelly

James (Boots) Donnelly has become a name synonymous with winning football, for he has developed a winning program everywhere he has served as head coach.

The 1988 season will mark his tenth as head coach at Middle Tennessee State University, where he was an outstanding player himself in the mid-1960s. When the '65 MTSU graduate returned to his *alma mater* in December 1978, he took over the reins of a once-proud football tradition that had fallen on hard times. The Blue Raiders had not had a winning season since 1972.

Donnelly warned Blue Raider alumni and supporters that the job wouldn't be done overnight, but it **WOULD** be done. He proved a highly accurate prognosticator on both counts.

In 1979, his first season, MTSU posted only a 1-9 record, but the Raiders did cap the season with a win over arch-rival Tennessee Tech. In 1980, Donnelly's team advanced to 2-8, with wins over Akron and Tech before turning the corner with a winning season—6-5—in 1981. The highlight of that first winning season was the upset of Murray State, ranked the nation's top Division I-AA team at the time.

In 1982, the Blue Raiders continued their climb toward the excellence that has always typified Donnelly's teams by putting together a sparkling 8-3 record and tying for third place in the Ohio Valley

Conference.

The following year, 1983, the Blue Raiders went 8-2 and tied for second place in the OVC. Then, in 1984, the Raiders very nearly hit the jackpot. Despite being nosed out for the OVC title because of a pair of mid-season losses, MTSU won an at-large bid to the NCAA Division I-AA national playoffs with a regular season record of 9-2.

The Blue Raiders played all the way to the national semifinal game before being eliminated by Louisiana Tech, after earlier playoff wins over OVC champion Eastern Kentucky and fourth-seeded Indiana State. All told, MTSU had 11 wins against 3 losses, the most victories ever for a Blue Raider team. Donnelly was named Kodak Coach of the Year for NCAA Region 3 by vote of the members of the American Football Coaches Association.

Things were even better in 1985. The Blue Raiders posted a perfect 11-0 record, won their first OVC title since 1965 and were ranked No. 1 in the national I-AA poll over the final five weeks of the season. Even though they were knocked from the playoffs by Georgia Southern, a team MTSU had beaten soundly earlier in the season, honors came to the Raiders in bunches.

Donnelly was named OVC Coach of the Year for the third time in his career. His freshman quarterback, Marvin Collier,

was voted the league's Offensive Player of the Year and senior safety Don Griffin was named Defensive Player of the Year. Donnelly was again voted the Coach of the Year for NCAA Region 3 by his coaching peers across the nation.

In 1986, the Raiders shook off a rash of early-season injuries to overcome a four-game losing streak and bounce back to wind up at 6-5-0, the sixth straight winning season for Donnelly. At the same time, MTSU tied for third place in the OVC standings behind co-champs Murray State and Eastern Kentucky in one of the league's best balanced races ever.

Four of the five teams that held wins over the Raiders (Murray State, Eastern Kentucky, Tennessee State, and Georgia Southern) were chosen to the 16-team field for the NCAA Division I-AA playoffs.

The Blue Raiders of '87 duplicated both the 6-5 record and the third-place finish of the '86 team.

Prior to his return to MTSU, Donnelly was head coach at Austin Peay State University in 1977 and 1978, leading the Governors to their first-ever OVC title in '77 and being named the league's Coach of the Year. His two-year record at Austin Peay was 14-7.

Before moving to Austin Peay, Donnelly was an assistant coach at Vanderbilt for two years, where he first began to gain a solid reputation as an outstanding recruiter.

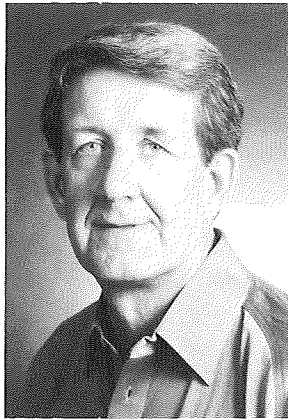

His coaching career began at Nashville's Father Ryan High School, where he had been a top-flight all-around athlete. He was an assistant there for eight years before becoming head coach in 1974, leading Ryan to a 21-2 record over two seasons, a perfect 13-0 mark and the Tennessee State Class AAA title in '74.

Donnelly had been the Nashville Interscholastic League's Player of the Year in 1960 before enrolling at MTSU, where he played as a defensive back for three seasons. He passed up his final year of eligibility with the Blue Raiders in 1965 to complete his degree. He added the master's degree from MTSU in 1966.

He is married to the former Carole Holzapfel of Nashville and they have three daughters, Bunny, Helen, and Lauren.

Raider Assistant Coaches

Charlie Butler Offensive Coordinator

CHARLIE (WILDCAT) BUTLER rejoined the coaching staff at his alma mater in the spring of 1987. Butler played at MTSU as a lineman and linebacker, graduating in 1961. He then coached at Hendersonville High School for three seasons before returning to MTSU as first a graduate assistant and then a full-time staff member in 1971.

Other collegiate coaching posts have included Colorado State (1972), Michigan State (1973-76), Bowling Green State (1977-79), Memphis State (1980-81), and LSU (1982-83).

He has also been offensive line coach and offensive coordinator, respectively, with the Oklahoma Outlaws (1984) and San Antonio Gunslingers (1985) of the United States Football League.

He and his wife, Mary, have two sons and a daughter.

Ed Bunio Defensive Coordinator

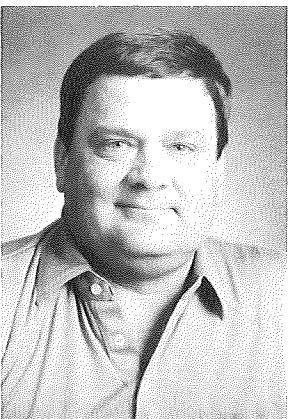

ED BUNIO followed Boots Donnelly to MTSU from Austin Peay in 1978. He had served as the defensive coordinator there and handles the same duty here, in addition to coaching the linebackers.

While at APSU, he had the Ohio Valley Conference's best defense when the Governors won the league championship in 1977. In 1977, 1978, and 1985, members of Bunio's defensive unit were named the OVC's Defensive Player of the Year.

Before joining the APSU staff in 1973, Bunio coached at Clarksville High School, where he joined the staff following graduation from APSU in 1965.

He is married to the former Constance Beryeso, and they have two children, Cindy and Mike.

Tom Fiveash Defensive Line

TOM FIVEASH returned to the Blue Raider staff in 1983 for his second hitch at coaching for his alma mater. He was an original member of Donnelly's staff in 1979, making the move with Boots from Austin Peay, where Fiveash coached in 1978.

He and Donnelly were teammates at MTSU in the early '60s on some of the Raiders' finest teams. Then Fiveash spent 12 years in Georgia's high school coaching ranks before joining Donnelly at Austin Peay.

He left the MTSU staff following the 1980 season and returned to Georgia, where he headed the program at Social Circle High School before rejoining the Raiders.

He is married to the former Betsy Buchanan and they have two children, Beth 18, and Paul, 14.

Randy Pippin Defensive Ends

RANDY PIPPIN joined the MTSU coaching staff in time for 1988 spring practice. He came after three seasons of coaching at his alma mater, Tennessee Tech, where he had handled running backs in 1985, defensive ends in 1986, and outside linebackers in 1987.

Pippin is a native of Mesquite, Texas, where he was an honorable mention All-State footballer at North Mesquite High School. After two brilliant seasons at Cisco Junior College (gaining 945 yards as a sophomore) and honorable mention All-America honors, he transferred to Tennessee Tech.

He was selected Tech's best conditioned player and won Player of the Week honors five times in his two-year career with the Eagles. He received his B.S. degree in 1985 and his M.A. in 1987, both at Tech.

Active in the Fellowship of Christian Athletes, Randy is married to the former Sally Horton of Cookeville.

The 1988 Blue Raiders

(listed alphabetically)

29-TERRELL ALLGOOD
FB, 6-0, 215, Fr., Lafayette, Ga.

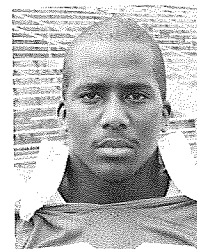

Comes from same high school as fine Blue Raider fullback of two years ago, Tony Burse (now with Seattle Seahawks)...has the size needed for his position...can catch the ball well, is adequate rusher...has potential to be as sound a blocker as was Burse...experience should bring him along in a hurry. **Personal Data:** Parents - Mr. and Mrs. Tommy Allgood, Sr.; Born 1/26/68; High School - LaFayette (Coach Tim Marchman); Major - Undecided; 40-Yd. Time - 4.78

4-TOMMY BARNES
FS, 6-1, 193, Sr., Fayetteville, Tenn.

Has been shifted back and forth from cornerback to free safety throughout MTSU career, has delivered well in both positions...was starting safety last season, when he was team's third leading tackler...had three interceptions and broke up three passes...also came on to return punts after Robert Alford was sidelined by an early season injury. **Personal Data:** Parents - Mr. and Mrs. Tommy Barnes; Born 6/3/67; High School - Lincoln County (Coach John Meadows); Major - Physical Education; 40-Yd. Time - 4.63

3-MARVIN COLLIER
QB, 5-11, 160, Sr., Cordele, Ga.

As a red-shirt freshman in 1985, Marvin was the OVC's Offensive Player of the Year, setting an all-time league rushing record for quarterbacks of 594 yards ...was slowed by shoulder separation as a sophomore, still had 1,397 yards in total offense for what was an "off" season...enters senior season with 4,555 yards in career total offense, only 1,012 yards short of Teddy Morris' MTSU record that has stood since 1965...has great arm strength and accuracy...excellent quickness makes him a highly-effective scrambler and menacing threat on the option...has supreme self-confidence, plenty of intelligence and leadership ability...is brother of Willie Collier, wide receiver for now-defunct Philadelphia Stars of the USFL...if he stays healthy, should be one of the top Division I-AA field generals in the nation. **Personal Data:** Parents - Mr. and Mrs. John F. Collier, Sr.; Born 2/16/66; High School - Crisp Co. (Coach Buddy Cox); Major - Accounting; 40-Yd. Time - 4.70

Horace Jones Field/ Johnny (Red) Floyd Stadium

Middle Tennessee's Blue Raiders play their home games on Horace Jones Field in Johnny "Red" Floyd Stadium, on the University campus.

The stadium was first constructed in 1933 and was enlarged first in 1950 and again in 1968. It presently seats 15,000 and is lighted for night games.

On November 3, 1979, the stadium was named in honor of the late Raider head football coach Johnny "Red" Floyd, one of the University's most notable leaders.

The actual playing field is named for the late Horace Jones, an individual who led Middle Tennessee through the early years of athletic competition. Jones was the head of the math department in the 1920's and became interested in the athletic program. He, in fact, was a one-man athletic committee for years, until a faculty athletic committee was formed. He was then named chairman of that committee.

The field was named Jones Field in the 1930's but was renamed Horace Jones Field in the 1960's to clarify for whom it was named. The playing surface is AstroTurf.

Horace Jones Field is circled by the Blue Raiders' 440-yard Pro Turf/Chevron 400 track.

The "Blue Raider" Nickname

In the early days of MTSU football, the teams were known by several nicknames. Among these were Teachers, Normalites, and Pedagogues.

In 1934, it was decided that the school needed a specific nickname, and during the football season of that year the Murfreesboro *Daily News Journal* held a contest to name the team.

Charles Sarver, then a football player and later principal at White County High School in Sparta, Tennessee, won the \$5 prize for his entry of "Blue Raiders." Sarver borrowed the nickname of the Colgate Red Raiders, substituting the MTSU color Blue. Since that contest, the MTSU athletic teams have been known as the Blue Raiders.

The symbol of General Nathan Bedford Forrest on a horse was first used about 1945 when school president Q.M. Smith instructed Public Relations Director Gene Sloan to begin using the symbol in conjunction with the nickname.

In 1965, the student government association established strict specifications as to what size the student must be who would emulate Forrest. This was done, it is believed, because there was only one uniform available and a "good fit" was desired.

A Chance to Play:
“Walk-Ons” CAN Make It!

Every season there is a special group of athletes who make up a very vital part of Middle Tennessee State University's foot-ball team. They're the "walk-ons"—those players who "walked-on" to the practice field without benefit of a grant-in-aid and played their way into a spot in the Blue Raider lineup.

The "open-door" policy of Head Coach Boots Donnelly and his staff, the determina-tion to give every youngster who's willing to pay the price a chance to play, has paid off handsomely for MTSU.

"There is absolutely no way that any coaching staff can sign—or even contact, for that matter—every player with the capabilities of playing college football," says Donnelly. "We'd be kidding ourselves if we thought that we could. And we'd be missing out on a lot of fine football players."

This year's Blue Raider team is typical. At least five players who were originally "walk-ons" were slated for starting assignments when fall practice opened, offensive tackle Ricky Mitchell, split end Kenny Donaldson,

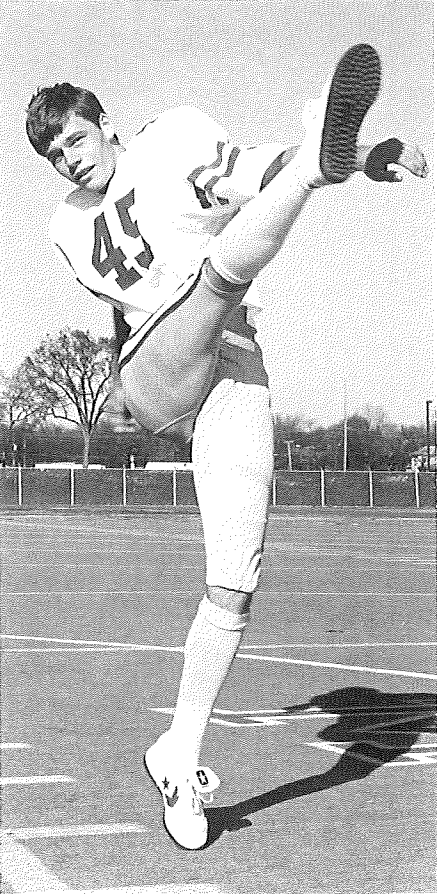

flanker Orlando Crenshaw, place-kicker Joe Lisle, and defensive end Killy Bins.

Six other "walk-ons" were listed on the pre-season depth chart as the No. 2 per-formers at their respective positions: offen-sive guard John Tate, center Mitch Carson, quarterback Phil Ironside, place-kicker Matt Crews, linebacker Randy Horn, and cornerback Troy Horton.

One of the most recent MTSU All-Americans was a "walk-on." Franklin's Kelly Potter graduated after making the Kodak/American Football Coaches Associ-ation All-American team in 1984.

All told, more than one-fourth of the players on the Blue Raiders' 1988 roster came to the Blue Raider campus on their own, wanting no more than an opportunity to make the team and play collegiate foot-ball. They obviously found what they were looking for.

"We can't afford to miss out on an out-standing prospect just because he wasn't already on a scholarship when he came into our program," Donnelly reflected.

Kelly Potter
All-American "Walk-On"

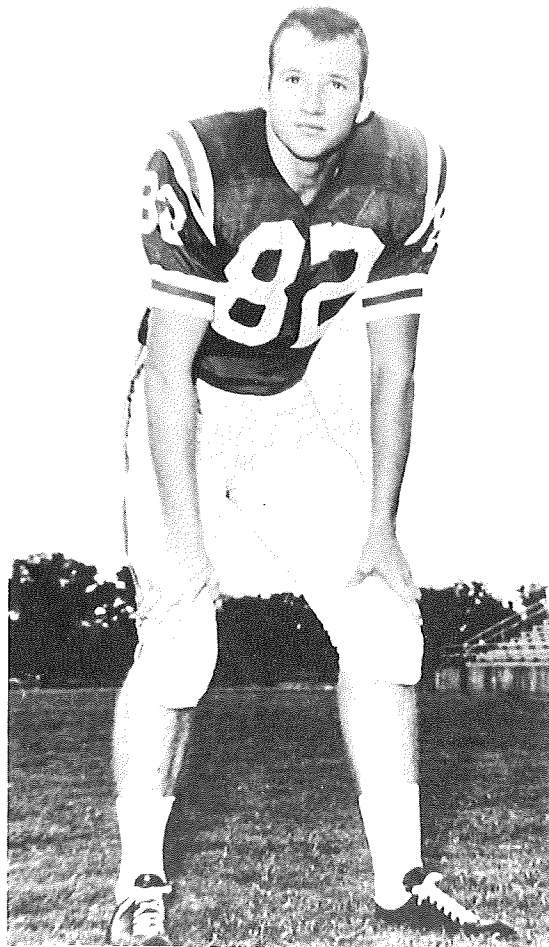

MTSU offensive lineman John Tate (62), originally a "walk-on," teams up with Ricky Mitchell (79) to provide protection for a Blue Raider field goal attempt.

"For example, linebacker Robbie Rid-ings, one of our leading tacklers the first four years we coached here at MTSU, was a 'walk-on.' If we had assumed that some-body would already have signed him if he could really play, we would have lost one of the finest defensive players the Ohio Valley Conference has seen in years."

Donnelly takes his philosophy one step further: "I think maybe there is something really special about the athlete who comes out for the team even though a lot of folks think he's been passed over. He has to have a special kind of mental toughness and discipline."

Those are two characteristics that played key roles in Donnelly's own development as both a player and a coach. They will continue to be a major part of his football program at MTSU, as will those special people, the "walk-ons."

Ray Neal Award

The Ray Neal Memorial Trophy is awarded each year to the senior football player who, in the opinion of the coaches, shows the most improvement over his four years at Middle Tennessee State University.

Ray Neal was a defensive end for the 1964 MTSU team that defeated Muskingham 20-0 in the initial Grantland Rice Bowl. Neal recovered a fumble in mid-air and raced 99 yards for the final touchdown of the game, establishing a record that still stands.

Less than two weeks later, he was killed by a shotgun blast in a tragic accident that

put a damper on what had been a great season. The trophy in his name was donated by his parents and the award began the next season.
