## BUCK BOULDIN TENNIS CENTER

Middle Tennessee's Buck Bouldin Tennis Center consists of 14 courts, with six newly renovated varsity courts finished during the fall of 2001 and a scoreboard provided by the Mark Tulloch family.

The addition of the Tulloch Family scoreboard helps bring an upgraded feel to an already outstanding facility. Mark Tulloch and his family have been extremely generous to the MT tennis program and helping the Blue Raiders remain competitive with the facility upgrades.

The eight courts closest to Murphy Center were resurfaced with three inches of asphalt during the summer of 2012. These eight courts were converted to just six courts and are used as the varsity courts for both the men's and women's tennis teams at Middle Tennessee.

The new varsity courts are outfitted with divider fencing between each and are painted blue with gray outlines. New blue windscreens with the MT logo line the fences around the complex, and there is a walkway between the varsity courts and the remaining eight. Also, bleacher seating with canopies was built in the middle for fans at the varsity courts.

The \$150,000 project was completed at the beginning of September 2001, just in time for the 15th Annual Pro-Am.

The Tennis Center also includes offices, team rooms, restrooms, an equipment storage facility, and a patio/reception area for viewing and the posting of events. The remaining eight courts are for University and public use and are lighted.

In addition to hosting Middle Tennessee matches, the complex has played host to numerous Ohio Valley Conference championships, Sun Belt Conference Shootouts and various state and regional USTA events.

# ADAMS TENNIS COMPLEX

The 70,000-square-foot complex sports eight indoor tennis courts, two electronic scoreboards, pro shop, and lounge area with a mezzanine for spectator viewing. The Adams Indoor Tennis Complex, a joint partnership between the City, MTSU and the Christy-Houston Foundation, becomes the official home of the Blue Raider tennis program.

The tennis project was part of the university's \$80 million Centennial Campaign announced in April 2012.

"We are stepping up our game in all of our 17 sports as we make our presence known in Conference USA," Middle Tennessee President Sidney A. McPhee said at the groundbreaking ceremony. "This facility will make the Murfreesboro area a tennis destination. It will allow us to bid to be host of major competitions, including the C-USA championships, which in turn will create economic opportunities for the city and county."

The tennis project, which was funded by a combination of university, city and private funds, received an additional boost from the nonprofit Christy-Houston Foundation, whose president Bob Mifflin presented a \$500,000 check to the City of Murfreesboro toward the effort.

The Murfreesboro Parks and Recreation Department operate the facility, allowing Blue Raider tennis practices and matches to take place from November until March while also providing opportunities for the city to host other tournaments throughout the year.

The new facility also will give the Murfreesboro community more opportunities to watch the Blue Raiders in action without traveling to Nashville.

The ATC was home to the 2016 Conference USA Women's Tennis Championship, 2016 ITA Women's Ohio Valley Regional, 2017 C-USA Men's Tennis Championship, 2017 ITA Summer Circuit, and 2017 ITA Women's Ohio Valley Regional.

MT will play all home matches in 2017 and 2018 on the indoor and outdoor courts at the ATC, and admission is always free to the Blue Raiders' matches.

## Jimmy Borendame

### Head Coach

### 8th Season

### Butler, 2002

After seven successful campaigns, Jimmy Borendame continues to help Middle Tennessee men's tennis ascend to the top. Borendame has amassed the third most wins in program history. He has wasted no time making an impact on the MT program, rightfully earning back-to-back Sun Belt Coach of the Year honors after leading the Blue Raiders to a pair of conference tournament titles and NCAA tournament berths in his first two seasons at the helm. Since taking over the team with 7-20 record in 2010 and ranked No. 165 in the ITA national rankings, the team has been ranked as high as No. 32 in the nation in 2013.

Borendame came to Murfreesboro after serving a one-year stint as the head men's tennis coach at Drake in Des Moines, Iowa. He led the Bulldogs to a 15-9 record, which included seven wins in an eight-match stretch from late February to mid-March.

While at Drake, he tutored Mauricio Ballvian to Missouri Valley Conference Player of the Year accolades and his third-consecutive All-MVC First Team honor. Ballvian paired with freshman James McKie as the All-MVC First Team doubles tandem.

Borendame arrived at Drake after a successful five-year tenure as the assistant men's tennis coach at Virginia Tech, including the 2008-09 campaign as the program's associate head coach. The Hokies posted a 70-56 (.556) mark, including three NCAA tournament appearances, during his stay in Blacksburg.

He also has spent one year each as an assistant coach at West Virginia (2002-03) and William & Mary (2003-04). While with the Tribe, he helped W&M to a No. 38 national ranking and victories over nationally-ranked VCU and Tennessee. In 2016, Borendame added a certification from Etcheberry Experience for tennis specific strength and conditioning to his résumé.

He is a USPTA certified instructor and was picked to coach the 2006 and 2007 Mid-Atlantic National Junior teams which participated in the national championships in Champaign, Illinois.

The Chicago, Illinois, native has led his Blue Raider programs to multiple ITA All-Academic Team and Raiders Choice Awards honors for academic excellence.

Borendame received his bachelor's degree with honors in finance from Butler in 2002 and a master's degree in sport management from West Virginia in 2003. His concentration was collegiate athletic administration/sport marketing. He is married to the former Genevieve McNeill, who was a standout swimmer at the University of Arkansas.
