HEAD COACH

Brian Smith

Beginning his career as Missouri's seventh Head Wrestling Coach, Brian Smith sat down with his team and made a list of goals that he hoped would help the 1998 squad and future Tiger teams. Over the past 16 years, Smith and the many men that have come through the varsity program have slowly but surely checked items off that original list. Individual Big 12 and MAC Conference Champions, improved grade-point averages, record-setting attendances, a No. 1 national ranking and MU's first-ever National Champion in wrestling were all on Smith's "to-do" list. His unique "Tiger Style" training program has molded today's team into a national powerhouse that looks to contend for the program's first team NCAA title.

Since being introduced as Missouri's Head Wrestling Coach May 5, 1998, Smith has demanded nothing but the best from himself, his coaches and his wrestlers. Owning 13 consecutive seasons with a dual record at or above .500, beginning with 2001-02, Smith has coached 20 All-Americans to 33 top-eight performances and four Tigers to five national titles.

Additionally, Smith aided in two-time National Champion Ben Askren's run through the 2008 Olympics in Beijing, China. During Askren's Tiger career, Smith guided the 174-pound grappler Askren to the program's first back-to-back National Championship titles (2006 and 2007). On March 21, 2009, Mark Ellis became the second MU wrestler in program history to collect top honors. At heavyweight, Ellis bested his opponent, 3-2, in overtime with Smith coaching from the corner. In March 2010, Max Askren became the third Tiger Style national champion in the history of the program, as he dominated the No. 1 seed in the 184-pound weight class by a 10-3 score. Finally, true freshman J'den Cox claimed the program's fifth national title in 2013-14 after defeating Ohio State's Nick Heflin, 2-1.

The past 2014-15 Mizzou wrestling campaign will arguably go down as the best season in program history. Under Smith's guidance, the Tigers finished with a perfect 24-0 regular season, marking only the second undefeated season in program history (joining 1967-68 Tiger squad). Dating back to the 2013-14 season, the Tigers have reeled off 28 straight dual wins, marking the longest winning streak in program history.

As the only unbeaten program in Division I wrestling this past season, the Tigers also racked up national accolades with a title at the 2015 National Duals Finals, and 2014-15 MAC Regular Season and Postseason Championships. The 8-0 record and first place honors during the MAC regular season was the first ever regular season title in Mizzou wrestling history.

After the team's fourth consecutive conference championship and new all-time MAC Championships team points record of 139.5, all 10 Tiger Style grapplers earned automatic bids to the 2015 NCAA Championships. Led by five All-Americans (Alan Waters, Lavion Mayes, Drake Houdashelt, Willie Miklus and J'den Cox) and the program's sixth all-time individual National Champion, the Tigers finished in fourth place overall. The team trophy finish gave Mizzou their fourth top-10 NCAA finish in the past nine years, and their sixth top-10 NCAA finish in program history.

During the 2014 season, Smith helped the Tigers claim their third consecutive conference championship, while also earning back-to-back MAC Coach of the Year honors. Mizzou sent eight wrestlers to 2014 NAAs, and came away two more All-Americans in Drake Houdashelt and J'den Cox. With the two excellent individual performances in Oklahoma City, Okla., Tiger Style now holds 55 all-time All-Americans.

In 2013, after Mizzou departed from the Big 12 Conference, Smith would do it all again. In the new Mid-American Conference (MAC), he led the Tigers as an affiliate member, and took the conference crown by storm, ending an 11-year dominant reign by the Chippewas from Central Michigan. His squad posted a total of 136.0 team points, which shattered the MAC Championship record for team points. And again, all 10 of his wrestlers qualified for the NAAs. He was named Mid-American Conference Coach of the Year for his accomplishments.

At least one Tiger grappler has been selected to compete at the NCAA Championship event in each of Smith's 16 seasons at Missouri and his squads have finished among the top-20 programs at the NCAA Championships in 12 of the last 13 years. The Florida native graduated from Michigan State with a degree in education and married the former Denise Dean in 1993. Brian and Denise, have three children, Quinn, Kylie and Braden.
