

Dear Mizzou Softball Fans & Alumni:

We have a vision - a vision for what Mizzou Softball is and can be. Our student-athletes and staff pride ourselves on our dedication to "the little things" and strive for excellence on the field, in the classroom, and in the community. In doing so, we create a culture that welcomes challenges, encourages growth, and prepares student-athletes to achieve at the highest level during their time at Mizzou and beyond. Though we fiercely compete on the field, our greatest goal is to have our student-athletes represent the University of Missouri proudly and go on to be successful in their future endeavors. That being said, you have a unique opportunity to be part of our softball family and that vision through financial backing of our program. We are so humbled and sincerely grateful for your support of Mizzou Softball and hope that you'll support us in our efforts to take our program to new heights by joining our Diamond Club. We look forward to building long-lasting relationships with you now and for years to come.

MIZ!
