                          Title IX  
                          ➤ Compliance units are often relied on for Title IX related tasks and can overlap with student conduct, EADA reporting requirements and other areas. In this session, learn everything you need to know about the application of Title IX to help inform policy decisions.
- 11:00-11:50 am      NAADD General Session:  
                          ➤ State of Intercollegiate Athletics from a Development Perspective
- 1:30-2:15 pm      NAAC Breakout Sessions:  
                          House Settlement Topic: Mitigating Reality  
                          ➤ Will the proposed House settlement change student-athlete dynamics? Hear practitioner perspectives
- 2:20-3:05 pm      NAAC Breakout Sessions:  
                          House Settlement Topic: Enforcement  
                          ➤ Key information related to the new enforcement entity  
                          Unlocking Opportunity: The Rise of NIL Agents in College Sports  
                          ➤ As the Name, Image, and Likeness (NIL) landscape continues to evolve, the role of agents in college sports has become increasingly complex and competitive. This session aims to provide attendees with valuable insights into the current state of NIL and the saturation of agents within the industry. Participants will hear from a diverse panel of experts who will share their experiences and recommended practices for effectively navigating this dynamic environment. The discussion will cover institutional procedures, ethical considerations, and best practices for managing agent activities, all illustrated through relevant case studies. Join us for an engaging session that equips attendees with the

knowledge and tools to thrive in the ever-changing world of NIL, fostering a better understanding of the implications for athletes, institutions, and agents alike.

3:10-3:55 pm

**NAAC Breakout Sessions:**

**Show Me the Money: Revenue Sharing**

- Join us for an engaging session on Name, Image, and Likeness (NIL) revenue sharing, where we delve into the evolving landscape of college sports and athlete compensation. This session will provide a comprehensive overview of NIL regulations, best practices compliance administrators, and potential financial opportunities available within this new framework. Panelists will discuss the implications of NIL agreements, including branding strategies, NIL activations, and the impact on athletic programs. Whether your program is fully prepared or still in the planning stage, this session will equip you with the knowledge needed to navigate the complexities of NIL revenue sharing and leverage its potential for success in the competitive world of collegiate sports. Join us for a thought-provoking discussion and a chance to network with key players in the industry!

**International Student-Athletes: Transition and Integration (Part 2)**

- Learn effective strategies for supporting ISA's in their transition to new academic, athletic, and cultural environments to foster a smooth and rewarding experience both on and off the field. Gain valuable insights into cultivating a welcoming, inclusive environment to help international student-athletes thrive in their new surroundings.

4:00 – 5:00 pm

**NACDA & Affiliates Featured Session – Charlie Baker**

**WEDNESDAY, JUNE 11**

---

10:00 – 10:50 am

**NAAC Breakout Sessions:**

**The Evolving Role of General Managers in College Sports**

- This session will explore the critical and evolving role of General Managers (GMs) in college sports. As the landscape of collegiate athletics continues to change with new regulations, revenue models, and athlete empowerment, GMs are tasked with navigating these complexities to create successful programs. Panelists will delve into the responsibilities of GMs, including roster management, compliance with NCAA regulations, budgeting, and fostering relationships with coaches, student-athletes, and compliance administrators. Attendees will gain insights from industry experts, participate in case studies, and engage in Q&A sessions to discuss best practices and innovative strategies. Join us to understand how effective management with GMs and compliance administrators can significantly influence the success and sustainability of college athletic programs in today's competitive landscape.

10:00 – 10:50 am

**CEFMA Breakout Sessions:**

**House Settlement - Impacts on You & Your Athletic Facilities**
