COFFEE WITH AN AD

VIRTUAL PROGRAM

**4-5 SESSIONS
EACH SEMESTER**

Established in 2021, NACDA's Coffee with an AD Virtual Programming Series is a professional development opportunity for athletics administrators at all levels to participate in open dialogue with sitting athletics directors in a small group setting.

This series features 4-5 virtual sessions hosted in both the fall and spring semesters. NACDA member athletics directors facilitate individual Zoom breakout rooms for 20-25 administrators to discuss career journeys, the state of the industry, best practices and emerging trends from the lens of the AD. Registration typically opens one week prior to the live session.
