MEDIA INFORMATION

MEDIA RELATIONS OFFICE

The media relations office is located on the east concourse of the Walkup Skydome. The phone number is (928) 523-6792 while the fax number is 523-6793.

WEEKLY MEDIA OPPORTUNITY

Head coach Jerome Souers holds a media opportunity Tuesdays at noon in the VIP Room on the east side of the Skydome. If class schedules permit, requested players may be made available.

INTERVIEW POLICY

All player interviews must be coordinated through the media relations office at least one day in advance. No interviews or photo shoots will be conducted on Friday. Out-of-town media should contact the media relations office to make arrangements for phone interviews. Players are also available for interviews after practice, and, if prior arrangements have been made, before practice. The NAU locker room and training room are closed.

COACH SOUERS INTERVIEWS

Jerome Souers and his staff are generally available for interviews after each practice. Contact Steve Shaff in the media relations office to coordinate all interviews with head coach Jerome Souers.

PRACTICE

Daily workouts are open to both the public and the media unless otherwise noted. Media planning to attend practice should notify the media relations office in advance to confirm start times and to arrange interviews. The Lumberjacks are tentatively planning to practice at 3 p.m. on Tuesday, Wednesday and Thursday of each game week.

CREDENTIALS

The football press box, located on the west side of the Skydome, has a limited capacity. Credentials will be issued only to working media on a first-come, first-serve basis, with priority given to daily newspapers and originating radio and tel-

evision crews. The press box is closed to those not involved in game coverage.

Credentials may be requested for the season or on a per-game basis. All requests should be submitted to the media relations office no later than Thursday at noon for each home game. Requests on official letterhead may be faxed to (928) 523-6793. Credentials may be picked up at Will Call. No credentials will be mailed unless the request is made at least two weeks in advance.

PHOTOGRAPHERS

Photographers and videographers are not permitted between the 25-yard lines. All media on the sidelines must wear their credentials at all times. Due to space limits, credentials will be issued only to photographers on assignment.

Packets including game notes, flip cards and game programs will be issued before each game. Late roster changes will also be available.

PRESS BOX SERVICES

Regular services on game day include play-by-play, quarterly and final statistics, as well as defensive statistics. A light pregame meal will be available one hour prior to kickoff.

The NAU locker room is closed to all media. At home, postgame interviews will be held in a room at field level on the west side of the Skydome. NAU head coach Jerome Souers will begin the session followed by requested Lumberjack players. Interview requests will be collected midway through the fourth quarter by a member of the media relations staff. Visiting coaches and players will be invited to the interview room as deadlines allow.

TELEPHONES-FAX

Two courtesy phone lines are available for the originating station of each visiting team at no charge. The visiting radio booth is located on the north end of the press box. An outside line may be reached by dialing 8. A credit card must be used for long-distance calls.

A limited number of telephones are available in the press box. Dial 8 to reach an outside line. A credit card is required for long-distance calls. Media relations office personnel will provide fax services

if requested in advance.

MOUNTAIN STANDARD TIME

Arizona does not move its clock ahead in the spring or back in the fall. As a result, Flagstaff time coincides with the Pacific time zone through Nov. 4. The rest of the season, NAU is compatible with the Mountain time zone.

LUMBERJACKS ONLINE

Releases, statistics, rosters and breaking news are available at the athletics web site, located at www.nauathletics.com. All information is available for immediate use, including photos. The Big Sky Conference web site is located at www.bigskyconf.com. Big Sky TV will webcast all NAU home games and all conference games during the season.

THE SCORE

The Score is a bi-weekly show produced by NAU Television Services that highlights Lumberjack athletics and recreational activities on the Mountain campus. It airs weekly on FSN Arizona, Fox College Sports, The Dish Network on the Universityhouse station (Channel 9411) and Flagstaff cable channels 4 and 59.

TELEVISION SERVICES

NAU TV Services covers Lumberjack sports on Flagstaff cable channels 4 & 59 and Universityhouse (ch. 9411) on the Dish Network, while distributing to regional outlet FSN Arizona and national digital cable channel Fox College Sports. In 2008-09, they produced 30 plus events.

The Lumberjack student-athletes conduct daily interviews with members of the media during the season.

Former quarterback Jason Murrietta filmed a commercial for the Big Sky Conference at the annual Big Sky Media Days.

Alex Watson was interviewed following the Arizona State game by Fox Sports Arizona's Kevin McCabe, a NAU alum.

MITCH STROHMAN

Broadcaster

Veteran announcer Mitch Strohmman returns for his fifth season as the "Voice of the Lumberjacks" for football and men's basketball broadcasts on the Sodexo Lumberjack Radio Network.

Strohmman will also handle play-by-play duties for selected women's basketball games and volleyball games.

More than 30 games during the season are simulcast with the broadcasts by NAU Television Services, who distributes the games to FSN Arizona and Fox College Sports. The games are also shown on the Universityhouse station, NAU's own station on the DISH Network (Channel 9411).

Strohmman also handles the host duties for the bi-weekly show produced by NAU Television Services, *The Score*. It airs on FSN Arizona and Fox College Sports, as well as stations produced by NAU Television Services in Flagstaff (4/59) and Universityhouse.

Strohmman handled the play-by-play duties for NAU from 1994-98, calling the Lumberjacks' first ever NCAA Tournament basketball appearance against Cincinnati, the first I-AA football playoff game against Furman and the NIT

appearance against Arkansas.

Strohmman has been honored with dozens of broadcasting awards, including two Governor Cups from the Arizona Associated Press. In 1992, he was named Arizona Broadcast Journalist of the Year by the Arizona Associated Press Broadcasters Association.

Strohmman has been contracted by NAU through MAS Communications, which provides voice talent, talk shows and news and sports anchoring.

Strohmman is an active member of the Arizona Daily Sun's Publisher's Advisory Group along with serving on the Board of Directors for the Lumberjack Athletic Association and Citizens Against Substance Abuse (CASA). Strohmman has also been an on-air fundraiser for 15 years on KAET Channel Eight (PBS) in Phoenix.

Strohmman is married to the former Ana Morales. They have two children: son Zach (16) and daughter Cali (10).

KEVIN STEPHENS

Color Commentator

Kevin Stephens begins his second season in his second stint as the color commentator for the Sodexo Lumberjack Radio Network after serving in the role for the 2004-06 seasons. He returned to the network in the 2008 season.

Stephens played quarterback at Northern Arizona in 1995-96 after a standout prep career at Cactus High School and one season at Ricks Junior College. He helped the Vikings to a second-place national finish in the NJCAA in 1992.

Stephens has been a resident of Flagstaff for 13 years. He is a certified public accountant and partner in the firm of Frost, Stephens & Company, PC.

He is married to the former Carol King, a NAU graduate. They have four children: Tanner (10), Emma (8), Sara (5), Dallin (3).

SODEXO LUMBERJACK RADIO NETWORK

Entering its 12th year of existence, the Sodexo Lumberjack Radio Network broadcasts all NAU football and men's basketball games. The network is distributed to KAFF 930 AM in Flagstaff and KRDE 94.1 in Globe.

BIG SKY TV

The Big Sky Conference has signed a multiyear contract with B2 Networks to serve as the new distributor of Big Sky TV.

Big Sky TV, the league's comprehensive video streaming package, is entering its fourth season of operation. Big Sky TV (www.bigskytv.org) video streams all football, volleyball and men's and women's basketball games played in Big Sky venues. For the second straight season, the service will be free to viewers.

B2 Networks (www.b2TV.com) was established in 2003, and has proven to be a worldwide leader in the emerging media of broadband broadcasting. The company video streamed more than 12,000 events in 2008 and averages more than 800 hours of live sporting events per week.

PRESEASON PREVIEW

The Northern Arizona football team secured a winning season for the third consecutive year, finishing with a 6-5 overall mark and 4-4 record in Big Sky play to finish fifth overall in 2008. NAU won six consecutive games overall after starting with a loss at Arizona State, accomplishing the feat for the first time since 1996. The Lumberjacks also started 4-0 in Big Sky play for the third time in school history (1996, 2003). Four consecutive losses to finish the season has provided extra motivation entering 2009.

"It was important in leaving last season that we had an accurate understanding of what happened and why it happened, the reasons we were not able to pull ourselves out of that slump," said Head Coach Jerome Souers. "There were some external parts that contributed to it. It was a tough part of our schedule against some talented team where we did not compete well in games we should have bounced back and didn't."

The coaching staff made a priority in the offseason to put their finger on a solution.

"There is a lot we learned about our team psychology and the things we think from our coaches to our players and all the relationships in that setting," said Souers. "We had to take a step back and see how we could better respond to the adversity and a tougher matchup."

The tough matchups will start right off the bat in 2009, providing extra motivation for a strong start. NAU is one of 16 Football Championship Subdivision teams to play two Football Bowl Championship Subdivision games this season starting with Arizona. The Lumberjacks travel to Ole Miss in November to face a Rebel team that is ranked in the Top 10 nationally and could be contending for a national championship three months into the season.

The Lumberjacks bring back talented returnees on both sides of the

ball with 14 returning starters that have been major contributors in the past.

Senior running back Alex Henderson returns from a 2008 season that was sidelined by injury. After a strong offseason, he enters the fall in the best shape of his career with the opportunity to have a memorable senior season.

"We are really proud of Alex's offseason," said Souers. "He has done a tremendous job of really buying into the things we are doing. I believe he is highly motivated. It is happening for him. He has not always had good luck

Senior Alex Henderson ranks fourth in school history in career rushing yards entering the season.

with injury in his career. When he has been healthy he has been a tremendous performing running back. I'd love to see that story have an ending with a great senior year and top off his career with a benchmark year."

Henderson ranks fourth in school history with 2,294 career rushing yards after three seasons. He is one of eight players in school history to reach 2,000 yards rushing in a career. After missing five games last season, Henderson, the 2006 Big Sky Newcomer of the Year, looks to lead the Lumberjacks in 2009 with the school rushing title in sight.

Henderson will be backed up by Arizona State transfer Gionvannie Dixon, who had a strong fall camp.

Junior Michael Herrick returns as

the starter at quarterback. He shared the quarterback duties with Lance Kriesien last season, seeing action in 10 games. But a strong finish to the campaign statistically and a good offseason has improved his confidence entering the season.

"Having a year experience in the system and having that time with a quality position coach and a chance to solidify relationships have all been a benefit to Mike," said Souers. "He is a very accurate thrower and has a better understanding of where the ball is going to go in certain situations. He is managing our offense a lot better. He has a lot of things to work on, but I am encouraged by the strides of improvement so far."

Herrick, who threw for more than 1,000 yards in 10 games while completing nearly 65 percent of his passes, will be backed up by another Arizona State transfer in Chase Stangel and redshirt freshman Cary Grossart.

While Henderson and Herrick represent marquee returnees, the true success of the offense this season lies in the play of the offensive line.

"Coach Eric Reid has done a nice job of recruiting quality depth and numbers at that position," said Souers. "We have more offensive linemen that have the capability of playing than we ever had before. I think this group needs to develop the chemistry that a great offensive line needs to with leadership and camaraderie. There is some tremendous potential there. For the offense to be successful this year, our offensive line has to have a great year."

The line returns senior Ryne Holstrom at right tackle with three juniors in Jeff Hines (right guard), Kris Poinsdexter (center) and Anthony Williams (left tackle). Sophomore Vinnie Paciulli, who started as a red-shirt freshman last season, will start at left guard.

The tight end position is bolstered

this season by the return of senior Shaun Fitzpatrick, whose senior season was cut short after three games. After receiving a medical redshirt, the 2008 Preseason All-American is back for a second senior season. Sophomore Brian Riley filled in for Fitzpatrick over the final eight games, gaining valuable experience.

"Shaun is in better shape than he has been and probably feels as good as he has in a long time" said Souers. "Having his play-making ability and his leadership will be an asset. The fact that Brian Riley had to play a lot last year brought him further along as a player had Shaun played last year. We bring back two experienced tight ends that bring a lot to the team."

Herrick will also have an experienced group at wide receiver that features seven returnees who caught a combined 140 balls last season and had 10 of the 13 touchdowns for the receiving group. NAU has three players back who caught at least 40 balls last fall in Ed Berry, Curt Sweeney and Conrad Meadows.

NAU led the FCS and ranked second in Division I overall in rushing defense allowing just 59.8 yards per game last season. NAU held four opponents to negative yards rushing and a fifth to just 21 for the game. For the season, NAU allowed 658 yards on 307 carries (2.1 yards per carry) with 99 plays for zero or negative yardage, including 72 for a loss. It reset the NAU and Big Sky Conference records for rushing defense and yards allowed in a season.

For the Lumberjacks to replicate those numbers, they will have to replace the productivity of All-Big Sky first team selection Stephen Nwogbe, who graduated in May, and Kyle Rath, who will be sidelined to start the season after suffering an injury in spring practice.

In 2008, defensive end Michael Battisti recorded 7.5 tackles for loss, the second best total on the team, with six quarterback sacks last season. He will be joined by senior Kainoa Pe'a and sophomore Dan Pela at tackle with

sophomores Issac Bond and Blayne Anderson competing at the other end spot.

"It is hard replace a player like Kyle Rath," said Souers. "He was really ready to have that stellar year. It was unfortunate when he had that accident. So we are going to turn to some other guys in our program."

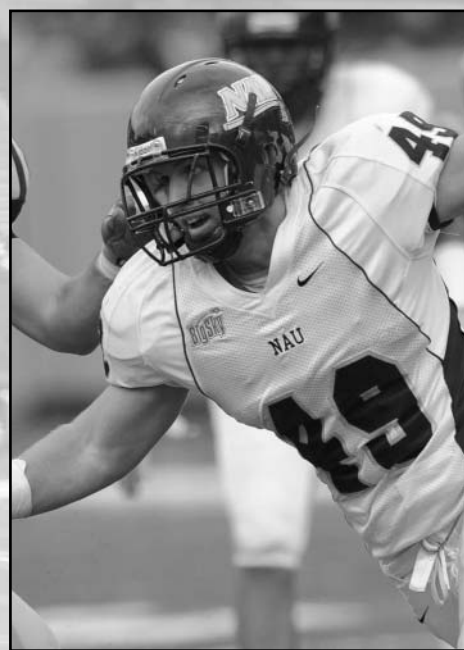

The linebackers will again play a focal point in the defensive efforts and highlight eight upperclassman on the depth chart. The top two returning tacklers on the team are both linebackers: Anthony Llanos (54 tackles) and Stevon Thomas (48). With senior Zac McNally (30 tackles) and junior Scott McKeever (11) both back this season along with All-Big Sky Preseason first-team selection Cody Dowd (32), the Lumberjacks have a group that played a combined 55 games last season and made more than 160 tackles.

"We have tremendous competitive tension in that group," said Souers. "We have guys pushing from all sides. As a coach, it is a great problem to have. We tend to highlight the linebacker position. They are the guys that are in on the tackles, pressures and the sacks. We continue to ask more of that group. If there is one unit that has to have that standout year for us it is that linebacker corp."

Five years ago cornerback K.J. Gerard started his first game as a true freshman and went on to record 19 career interceptions and earn consensus All-America honors as a senior. He is currently vying for a roster spot with the Baltimore Ravens.

"We lose K.J. Gerard, who was a tremendous athlete and playmaker for us," said Souers of the cornerback position. "He was the kind of player you could build an entire defensive game plan around. It is a loss and he will be difficult to replace."

The Lumberjacks recruited the position hard in the offseason, bringing in junior college transfers Taelor Worrell and Davion Dumas. They will compete with returnees Raphael Mack and Conrad Mack to form a group that will be deeper in 2009.

Senior Michael Battisti will anchor the defensive line in 2009.

The Lumberjacks also have experience returning at safety that will help solidify the secondary efforts. Senior Matt Steinbach is slated to start with juniors Brian Hunter and Matt Estrada. Sophomore Nick Ragland-Johnsen saw significant action as a true freshman and will compete for playing time with redshirt freshmen Taylor Julio and true freshmen Tanner Hansler and Taylor Malenfant.

The kicking game will feature a new face at every slot with the departure of Robbie Dehaze, who handled all the punting and kicking duties for the last two seasons. He finished his career among the NCAA leaders in field goals while breaking almost every school kicking record.

Ryan Rauschert is competing for the punting job in addition to his duties at wide receiver. New Mexico transfer Drew Zamora and true freshman Andy Wilder are also battling for punting duties. Zamora, Wilder and Washington State transfer Matt Myers have been deadlocked in fall camp for kicking duties with Myers holding the edge in field goals entering the season.

HEAD COACH

12TH SEASON

**2003 EDDIE ROBINSON
COACH OF THE YEAR
AWARD FINALIST**

Entering his 12th year as head coach of the Northern Arizona football program, Jerome Souers, the dean of the Big Sky Conference coaches, has taken the Lumberjack program to new heights.

Under Souers NAU made a record-breaking NCAA I-AA Quarterfinal appearance in 2003, won the first Big Sky Conference title since 1978, recorded two playoff berths and posted seven winning seasons. During his 11-year tenure, Souers has coached 90 student-athletes to all-conference honors a combined 142 times with 34 first-team selections and 36 All-Americans accolades.

Souers, who was named the 1999 Big Sky Conference Coach of the Year in a vote by his colleagues, also has the Lumberjacks posting impressive results in the classroom. The football program has produced the Golden Eagle Scholar Athlete of the Year six times in the last nine years (Blair Boynton, Eric Damko, Steve Gomez, Mark

Gould, Paul Ernster and Jeff Wheeler) and had seven student-athletes named to the 2008 Big Sky Fall All-Academic team. Overall, 50 student-athletes have earned 88 Big Sky academic honors over the last 11 seasons. There have also been five Academic All-Americans, as well.

But there is still work ahead. Souers, who has coached a national champion, strives everyday to get his Lumberjack program in position to play for the title not just a playoff appearance or high ranking. And the 2003 season was his best effort to date, earning him finalist honors for the 2003 Eddie Robinson Award, an award presented by The Sports Network to the top head coach in I-AA football.

Behind the play of true freshman Big Sky Offensive Player of the Year Jason Murrietta, the Lumberjacks upset top-seeded McNeese State on the road and played host to the first home playoff game since 1996 with a quarterfinal appearance

against Florida Atlantic. NAU finished ranked 10th in the national polls as Souers' players were honored on and off the field for their performances. Eighteen players were recognized with All-Big Sky honors highlighted by first-team All-America accolades for punter Mark Gould, who was recognized by five different organizations. Gould led the accolades off the field, too. He was a CoSIDA Academic All-America selection for the second consecutive season as NAU led the nation with five CoSIDA academic all-district selections.

In 2006, Murrietta led a reemergence that produced significant improvements in the offensive production, resulting in a winning season with six wins and ranking among the top turnarounds in the country. Murrietta had a stellar senior season highlighted by a runner-up finish for the Walter Payton Award, All-America honors and his second Big Sky Conference Offensive Player of the Year award. He threw for 2,827 yards with a 65.0 completion percentage and a school-record 34 touchdowns, leading the Big Sky in passing efficiency (168.2) and total offense (243.1), while ranking fifth and 11th nationally.

Souers arrived in Flagstaff after spending 12 years at Montana with a proven track record. His last eight seasons in Missoula he served as defensive coordinator. During his stay with the Grizzlies, Montana was transformed from a Big Sky also-ran into a perennial league and national title contender. Souers' tenure in Missoula produced 12 straight winning seasons, seven playoff berths, four appearances in the national semifinals, a national runner-up finish (1996) and a national title (1995). Montana won three Big Sky titles during that span.

Souers showed his winning touch from the start in January 1998 when he took over a program in limbo, becoming the first NAU coach since Dwain Painter in 1979 to begin his career with a winning record.

Despite dressing only 44 players for his first spring practice, including walk-ons, Souers led the Lumberjacks to a winning season. Highlights from Souers' first season at NAU included the Lumberjacks' first shutout of a Division I opponent (NAU 9, Cal Poly 0) in 31 games, two near road victories against league title contenders Eastern Washington and Montana State and a season-ending two-game winning streak.

In 2001, the Lumberjacks posted one of the nation's most improved records, recording an 8-4 mark to tie for second place in the Big Sky Conference. NAU earned a berth in the I-AA playoffs for the second time in school history before dropping a 34-31 decision at Sam Houston State in the first round.

The success of the NAU football team in 2001 was evident in the accolades bestowed on the program. Fifteen student-athletes were recognized with All-Big Sky Conference honors. All-Big Sky first-team selections linebacker Keith O'Neil signed as a free agent with the Dallas Cowboys and recently won a Super Bowl title with the Indianapolis Colts in his fourth year in the NFL. Senior tackle Eric Damko was

named to the Verizon Academic All-America squad for the second consecutive season.

Jerome Souers was born May 20, 1958, in Oregon. He attended North Eugene High School, along with another future coach, Danny Ainge of the Phoenix Suns.

He began his coaching career while still attending Oregon. Souers spent time on the staff at North Eugene High School and Williamette, working in the same area of the state where his father, Dwight, was a successful prep coach. Souers earned his degree in physical education in 1983 and upon graduation returned to the high-school ranks. He spent eight years coaching in Oregon high schools before making the move into college football.

In 1984 he made his foray into the collegiate ranks, joining the staff at Western Washington where he coordinated the defense and coached the defensive backs.

A year later, Souers joined Don Read's staff at then-Division II Portland State. After one year serving as the Viking's running backs coach, Souers followed Read to Montana.

With Souers coaching the secondary, the new staff in Missoula produced records of 6-4 and 6-5 during its first two years. A hint of things to come came in 1988 when the Grizzlies went 8-4 and led the Big Sky Conference in all defensive categories.

In 1989, Souers added defensive coordinator to his duties and the Grizzlies posted an 11-2 record with an appearance in the national semifinals. Montana also tied a national interception record in one game with 10 picks vs. Boise State. A year later, the Grizzlies opened the 1990 campaign

with a 22-15 road win at Oregon State.

During Souers' nine years as defensive coordinator at Montana, the Grizzlies twice ranked among the nation's top-10 in rushing defense, finishing third in the country in that category in 1992. His last unit in Missoula led the Big Sky Conference in scoring defense.

The peak years during Souers' stay at Montana came from 1993 to 1996. During that period, the Grizzlies made four straight playoff appearances, played in three semifinals and two national title games. The 1995 squad won the national

title and the 1996 team was the NCAA runner-up. The four-year record for Montana during that time was 48-8.

During the national title run, Souers' defense became the first in NCAA history to post consecutive playoff shutouts (Eastern Kentucky and Georgia Southern).

He coached six All-America defensive backs at Montana, including future NFL stars Tim Hauck of the Seattle Seahawks and Blaine McElmurry of the Green Bay Packers.

In 1996, when head coach Mick Dennehy was sidelined after undergoing

major surgery, Souers stepped in as head coach and led the Grizzlies to victories over Cal State Northridge and Portland State.

Souers and his wife, Paula, have two daughters, Anna (21) and Alaina (19). He will begin his second season on the AFCA FCS All-America Team Selection Committee in 2009.

ASSISTANT COACH BRIAN LINDGREN

**OFFENSIVE
COORDINATOR/
QUARTERBACKS
FOURTH SEASON**

Brian Lindgren begins his first season as the offensive coordinator and quarterbacks coach in his fourth overall on the offensive staff at Northern Arizona University.

He originally joined the program as a graduate assistant for the 2006 season and coached the wide receivers. He was promoted to the full-time staff in 2007 and coached the running backs before serving as passing game coordinator and quarterbacks coach in 2008.

NAU gained 772 yards of total offense against the New Mexico Highlands, shattering the school record of 674 set in 1989 against Nevada. It was the highest single-game total in the FCS and second overall in all Division I last season. The offensive unit produced the Big Sky Newcomer of the Year and eight All-Big Sky selections while ranking 23rd in the nation in total offense.

During the 2007 season the running backs were one of the most productive units in the Big Sky Conference, ranking 13th in the nation overall. NAU led the league in rushing by more than 50 yards per game while producing three players who ranked among the top 100 rushers in the Football Championship Subdivision, the only school to accomplish the feat. Both Alex Henderson (82.5 yards per game) and Lionel Scott (74.7) earned All-Big Sky honors.

Lindgren tutored the wide receiving corp into a productive group that helped NAU rank first in scoring offense (34.4 points per game) and total offense (405.1) in the Big Sky Conference, fifth and sixth respectively on the national charts. Junior Alex Watson was named a consensus first-team All-American by the Walter Camp Foundation, Sports Network, Associated Press and College Sporting News (Fabulous FCS 50). He recorded

a team-best and school-record 82 receptions for 1,017 yards and a school-record 15 touchdowns. Sophomore Skyler Moore and junior Kenny Mahone combined for another 79 receptions, 1,161 yards and 15 touchdowns, earning All-Big Sky Conference honorable mention honors.

Lindgren graduated in 2004 from the University of Idaho where he received his bachelor of science in business and marketing. Lindgren was a three-year letterwinner from 1999-03 and was voted as the team captain in 2002. He was first team All-Sun Belt Conference at quarterback in 2002. Lindgren also holds school records for passing touchdowns in a single game (6), most yards passing in a single game (637), and most completions in a single game (49). He also set the NCAA record for the most total offensive yards by a sophomore (657). Lindgren accumulated 6,451 yards passing and 44 touchdowns in his three-year career.

Lindgren was a part of the Integrated Business Curriculum Team of the Year from 2001 to 2002 at the University of Idaho. He also received academic All-Sun Belt Conference honors from 2001-2003. Lindgren was awarded the Kathy Clark Scholar Athlete Award which is given to the highest GPA out of the graduating sen-

ASSISTANT COACH ANDY THOMPSON

DEFENSIVE COORDINATOR/ LINEBACKERS

FIFTH SEASON

Andy Thompson begins his first season as the defensive coordinator and third overall as the linebackers coach at Northern Arizona University. He is entering his fifth season overall on the staff after spending his first two seasons across the line of scrimmage directing the running backs.

Thompson was promoted to defensive coordinator during the past offseason, replacing longtime coordinator Corey Batoon.

Thompson helped tutor a defense that led the FCS and ranked second in Division I overall in rushing defense allowing just 59.8 yards per game in 2008. NAU held four opponents to negative yards rushing and a fifth to just 21 on the game. For the season, NAU allowed 658 yards on 307 carries (2.1 yards per carry) with 99 plays for zero or negative yardage on the season, including 72 for a loss. It reset the NAU and Big Sky Conference records for rushing defense and yards allowed in a season.

Thompson's linebackers were among the tackle leaders on the squad, producing four of the top 10 tacklers led by Anthony Llanos. Cody Dowd earned All-Big Sky second team honors, while Stevon Thomas was an honorable mention selection.

He helped coach the special teams in 2007-08. The Lumberjacks ranked fourth in the nation in net punting and led the Big Sky Conference in kickoff coverage in 2007.

In his first season on the defensive staff, the linebackers were led by Joe Lyman's 55 tackles. Sophomore Cody Dowd earned All-Big Sky honorable mention accolades, recording four tackles for loss among 35 tackles.

Thompson led a solid backfield group in 2006 that played a vital role in the offensive success of the squad. The Lumberjacks ranked second in the Big Sky in rushing per game at 137.9 with a league-best 3.9 yards per carry. NAU ranked first in scoring offense (34.4 points per game) and total offense (405.1), listed fifth and sixth respec-

tively on the national charts.

Redshirt freshman Alex Henderson was a standout under Thompson's tutelage in 2006, earning Big Sky Conference Newcomer of the Year accolades. He was the first Lumberjack to capture the honor since former Payton Award winner Archie Amerson garnered the distinction in 1995.

Henderson, who became the first freshman in school history to rush for 1,000 yards in a season, led the team in rushing with 1,016 rushing yards on 189 carries with five touchdowns. He led the conference in all purpose yards with a 126.3 per game average, the 30th-best total in the nation, and posted four 100-yard rushing games on the season highlighted by his 265-yard, two-touchdown performance at Eastern Washington, ranking as the seventh-best single-game rushing total in school history.

Thompson joined the NAU staff in 2005 as a graduate assistant, assisting with the running backs and other program related duties before being promoted to full-time status in 2006.

In his first season, senior Philo Sanchez led the team in rushing with 579 yards and two touchdowns. Classmate Ryan Williams led the team with three rushing touchdowns.

He most recently coached at Eastern Oregon in 2004. He tutored Nick Hannaw, a linebacker who signed as a free agent with the Indianapolis Colts. His special team punt and kickoff return units both ranked among the NAIA top 10.

A native of Walla Walla, Wash., Thompson played for Montana for four seasons (1999, 2001-03). He helped the Grizzlies to five Big Sky Championships

and one national championship (2001) during his five-year career in Missoula. He played in 44 career games with 103 total tackles, including 8.5 tackles for loss.

ASSISTANT COACH DAVID REEVES

SAFETIES/ SPECIAL TEAMS FIRST SEASON

David Reeves begins his first season as the safeties and special teams coach after five seasons as the head coach at Rocky Mountain College in Billings, Mont., and 15 years of experience in the FCS and FBS levels.

During Reeves' tenure with the Bears he tutored a defense that steadily gotten better each season and produced numerous all-conference players each season. He compiled a 12-43 record at the school, including 4-7 marks the past two seasons.

RMC defeated Montana Tech for the first time since 1999 - ending a 16-game losing streak to the Orediggers - and wrapped up the season with back-to-back victories over Eastern Oregon and Montana Western. The Bears ranked No. 2 in the NAIA in passing offense (323.0 per game), No. 4 in sacks per game (3.5) and No. 9 in field goals made (.769).

Prior to coming to Rocky, Reeves spent 15 years coaching at the Division I level. He started his coaching career at his alma mater, the University of Montana, after he finished his playing career 1987 under then defensive coordinator Jerome Souers. As the linebacker coach for the Griz, Reeves

coached 10 All-Big Sky first-team performers, including 1996 Big Sky Defensive MVP Jason Crebo. He was also a member of the Grizzly coaching staff that guided the 1995 team to the 1-AA National Championship.

In 2000 Reeves followed Mick Dennehy to Utah State University, where he became the

assistant head coach and linebacker coach for the Aggies. While at USU, Reeves' linebackers earned All-Big West first-team honors three times. Two of his linebackers, Jesse Busta and Brent Passey, ended their careers as the schools' third and fourth all-time leading tacklers.

As a player at Montana, Reeves

was a four-year letterwinner and was two-year starter as a strong safety. He earned the team's Most Inspirational award as a senior in 1987. In 1991, Reeves earned a BA in history from Montana.

ASSISTANT COACH ERIC REID

RUNNING GAME COORDINATOR/ OFFENSIVE LINE THIRD SEASON

Eric Reid begins his third season as the offensive line coach while serving as the running game coordinator for the program after molding a unit that has performed among the best in the league.

In 2007, NAU led the league in rushing by more than 50 yards per game, producing a rushing attack that was one of the most productive units in the Big Sky Conference, ranking 13th in the nation overall. NAU had three players who ranked among the top 100 rushers in the Football Championship Subdivision, the only school to accomplish the feat. Both Alex Henderson (82.5 yards per game) and Lionel Scott (74.7) earned All-Big Sky honors.

Tackles Nick Posey and Ryne Holstrom, guard Tim Reader and center Jon Toailoa all earned All-Big Sky honorable mention honors. The Lumberjacks started the season by losing two returning starters on the line during the preseason.

In 2008, three players earned All-Big Sky honorable mention honors while helping the offense rank 23rd in the nation in total offense. The line helped produce the

Big Sky Newcomer of the Year in running back Deonte Williams, who rushed for 950 yards while scoring 12 times. He ranked second among freshmen in FCS in rushing yards per game (86.4) and fifth in Division I overall among freshmen. His 12 touchdowns rank tied for third on school single-season charts and were the most by a running back since 2000.

NAU gained 772 yards of total offense against the New Mexico Highlands, shattering the school record set in 1989 against Nevada of 674. It was the highest single-game total in the FCS and second overall in all Division I last season.

Reid joined the NAU staff after developing a reputation as one of the top line coaches in the league while serving in previous positions at Portland State and Eastern Washington. Overall, he has developed 18 all-conference players to 22 honors and a pair of All-Americans during his career.

Reid coached some of the most talented offensive lines in the Big Sky Conference prior to coming to Flagstaff. In 2004 and 2005, the Vikings led the Big Sky Conference in rushing yards and fewest sacks allowed, totaling an average of 200 yards per game on the ground and just 20 sacks over 22 games.

The Big Sky postseason award ledger confirmed Reid's influence at Portland State. In his five seasons, nine Vikings earned All-Big Sky honors a total of 13

times, highlighted by Brennan Carvalho, who was a first-team All-America selection by The Walter Camp Foundation and the Associated Press in 2006.

Reid, who was hired at PSU in 2002, had to build his line over the course of a few seasons. His first two years on the job, the Vikings' were beset with a multitude of injuries. In fact, in the only game in 2003 that PSU's preseason projected starting lineup was able to go as a unit - against Division I-A Fresno State - the Vikings ran for a season-high 257 yards, and gained 486 overall. It was a testament to the Vikings' talent and Reid's coaching ability.

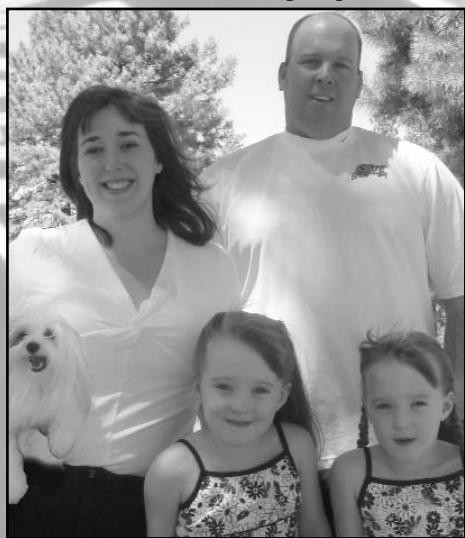

Reid was hired as the Vikings' offensive line coach in January of 2002. He joined the Vikings after spending the previous two seasons as offensive line coach at Eastern Washington University.

At Eastern Washington, Reid's 2001 offensive line had three first-team All-Big Sky performers and one All-American, Chris Polinder.

Reid is a 1996 graduate of the University of Oregon with a degree in sociology. A starter at offensive guard, Reid played for the Ducks from 1991 to 1995, starting in the 1995 Rose Bowl and 1996 Cotton Bowl.

A native of Poway, Calif., Reid returned to his home state following graduation. He coached the offensive line at San Diego Mesa Junior College and at San Diego's Bishop High School for one year each. Reid went back to Oregon to be a graduate assistant coach on the offensive line in both 1998 and 1999.

Reid, 36, and his wife Dyanne, have six-year old twin daughters, Allyson and Elizabeth.

He also coordinates the initial eligibility and enrollment efforts for the program and serves as the program's national recruiting liaison along with Utah junior colleges.

During his tenure, Smith has led a productive defensive line group that has been a key element in the success of the Lumberjack defense. NAU has ranked among the top two units in the conference and top 20 in the country against the run four times during his tenure. Ten players have earned All-Big Sky accolades under Smith while recording at least 44 tackles from the position leader nine times.

In 2008, the defensive line helped NAU lead the FCS and ranked second in Division I overall in rushing defense allowing just 59.8 yards per game. NAU held four opponents to negative yards rushing and a fifth to just 21 on the game. For the season, NAU allowed 658 yards on 307 carries (2.1 yards per carry) with 99 plays for zero or negative yardage on the season, including 72 for a loss. It reset the NAU and Big Sky Conference records for rushing defense and yards allowed in a season.

All three defensive linemen earned accolades led by College Sporting News All-America selection Stephen Nowgbe, who was the first All-Big Sky first team selection on the line since 1997. Kyle Rath and Michael Battisti both earned honorable

mention accolades. Blair Boynton had a team-best eight tackles for loss and 4.5 quarter-

back sacks in 2007, earning All-Big Sky honorable mention honors. He was also selected the Male Scholar-Athlete of the Year. Drew Hoffman led the unit in tackles while joining Boynton on the All-Big Sky honorable mention team.

John Perrigo led the line in tackles for three seasons from 2002-04, earning All-Big Sky honors twice. Overall, the unit combined for 111 tackles among the top six in the rotation in 2004, highlighted by Perrigo, who ranked second on the team with eight tackles for loss among 44 overall.

Perrigo and senior Doug Harding both earned All-Big Sky honors, totaling 7.5 sacks a piece and combining for 88 tackles and almost 20 tackles for loss in 2003. Smith tutored a line group that became a major factor in the success that produced a Big Sky Championship and NCAA I-AA quarterfinal appearance. The Lumberjack defense ranked first in the nation in interceptions (24) and fifth overall in total turnovers (36). NAU also ranked first in the conference in sacks, second in opponent third-down conversion rate, second against

the run (11th nationally) and second in pass efficiency defense.

Smith, a veteran of more than 38 seasons as a high school and collegiate coach, served as the linebackers coach at Granger High School in Salt Lake City for two seasons before joining the NAU staff.

Prior to Granger, Smith served eight seasons at the University of Utah as the linebackers coach (1990-96) and tight ends/tackles coach (1997). He also had stints at three Big Sky Conference schools, including Weber State (assistant head/defensive coordinator, 1989), Montana (defensive line/defensive coordinator, 1986-88) and Portland State (defensive line/defensive coordinator, 1980-85).

Smith served on the coaching staff with Souers at both Portland State (1985) and Montana (1986-88).

Before joining the staff at Portland State, Smith was the head coach at San Diego's Marian High School from 1978-79 and the defensive coordinator at Jesuit High School in Portland, Ore., from 1971-77. He started his collegiate coaching career as a graduate assistant at his alma mater, Oregon, in 1970 after two seasons at Capital High School in Boise, Idaho (1968-69).

Smith was drafted in the 16th round with the 402nd pick and played one season with the Pittsburgh Steelers in 1967 after his collegiate career at Oregon (1965-66) and Boise Junior College (1963-64). Smith is married to the former Janine Talley and they have two children, son Riley (33) and daughter Ashley (31).

ASSISTANT COACH JOHN TEUSCHER

LINEBACKERS

2ND SEASON

John Teuscher enters his second season as a member of the Northern Arizona coaching staff. He will be working with the linebackers as a defensive assistant.

Teuscher helped tutor a defense that led the FCS and ranked second in Division I overall in rushing defense allowing just 59.8 yards per game in 2008. NAU held four opponents to negative yards rushing and a fifth to just 21 on the game. For the season, NAU allowed 658 yards on 307 carries (2.1 yards per carry) with 99 plays for zero or negative yardage on the season, including 72 for a loss. It reset the NAU and Big Sky Conference records for rushing defense and yards allowed in a season. The linebackers were among the tackle leaders on the squad, producing four of the

top 10 tacklers led by Anthony Llanos. Cody Dowd earned All-Big Sky second team honors, while Stevon Thomas was an honorable mention selection.

Teuscher came to NAU after spending the 2007 season at the University of Utah as an administrative assistant. Teuscher assisted the coaching staff in numerous program related duties including film

break down, recruiting, and academic support. The Utes finished 9-4 and won the Poinsettia Bowl.

Teuscher began his coaching career at Snow College in Ephraim, Utah, where he coached defensive line. Snow finished the season 11-1, ranked No. 2 in the final NJCAA poll. The Badgers also were champions of the W.S.F.L. and the Top of the Mountains Bowl. Snow finished the year ranked No. 14 in the nation in total defense and No. 19 nationally against the run. Nine Badger defensive linemen would eventually move on to Division I schools.

Teuscher played football at Snow College in 2004-05 with the team posting an overall record of 17-6 over two seasons

and winning two bowl games. After accepting a scholarship to Benedictine College (Kan.), he suffered a knee injury in spring practice and led to the start of his coaching career.

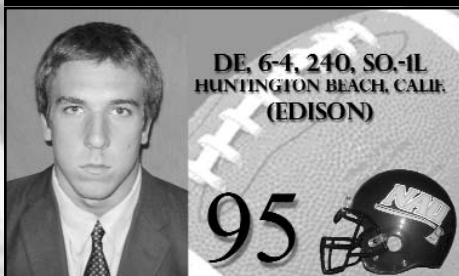

He also played football at Olympus High School (Utah) where he was a member of the 1998 4A State Championship team.

Teuscher is a 2008 graduate of Southern Utah University with a Bachelor of Science degree in history. He is currently pursuing a master's degree in educational leadership at NAU.

GAME DAY: *College football at its best*

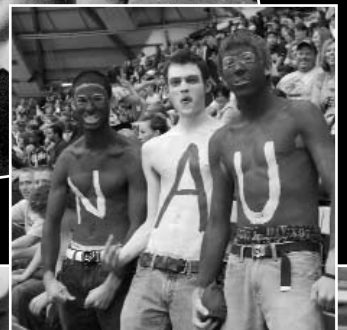

"Last week, scores of Northern Arizona University students, family members and alumnus attended a giant tailgate party celebrating the Lumberjacks football team. People brought their own grills and barbecued away. Some were even watching the World Series playoffs on portable TVs. It was really neat. I'd been to tailgate parties, but I've never seen anything like that."

Priscilla Nordyke Roden

ACADEMICS: *Putting the student in student-athlete*

Northern Arizona University is gaining quite a reputation for producing quality student-athletes, both on the competitive field and in the classroom. With resources such as the South Learning Assistance Center (LAC), tutors and study hall, the more than 300 student-athletes produced a cumulative grade-point average of 3.13 last spring, far above that of the general student body and the 20th time in the last 22 semesters that student-athlete GPAs were above a 3.00. Graduation rates have also steadily increased. Earning a degree is not just a goal at NAU, it is an expectation.

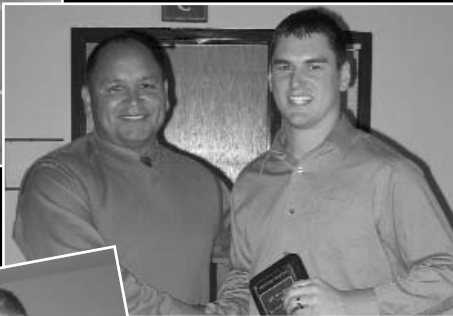

Jeff Wheeler was named the Male Scholar Athlete of the Year in 2007.

Jeff Singleton was named to the 2005 *ESPN the Magazine* Academic All-District 8 team as selected by CoSIDA. Singleton graduated with a 3.67 GPA with a major in sociology and a minor in criminal justice. He was also a 2005 Draddy Award semifinalist given by the National Football Foundation & College Hall of Fame.

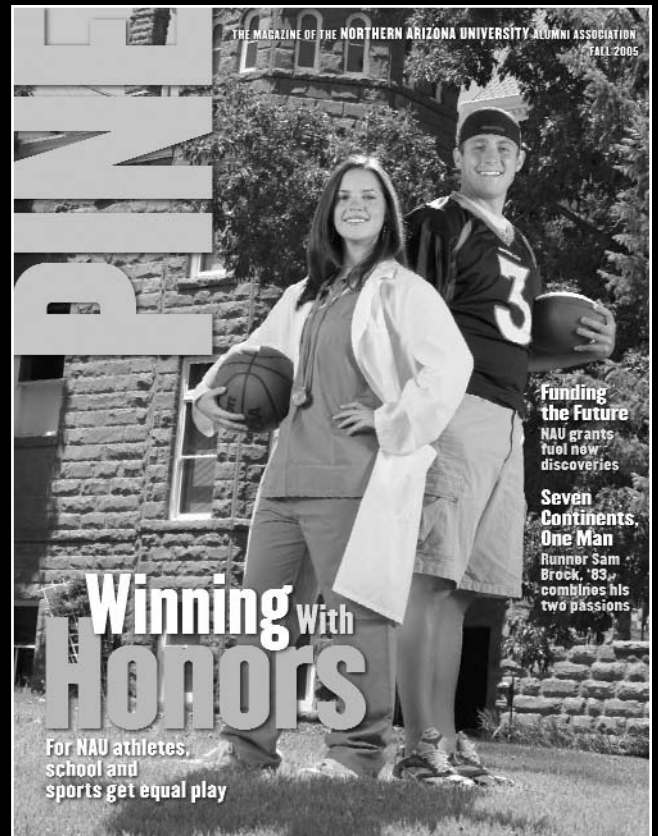

Paul Ernster was named the Male Scholar Athlete of the Year in 2006.

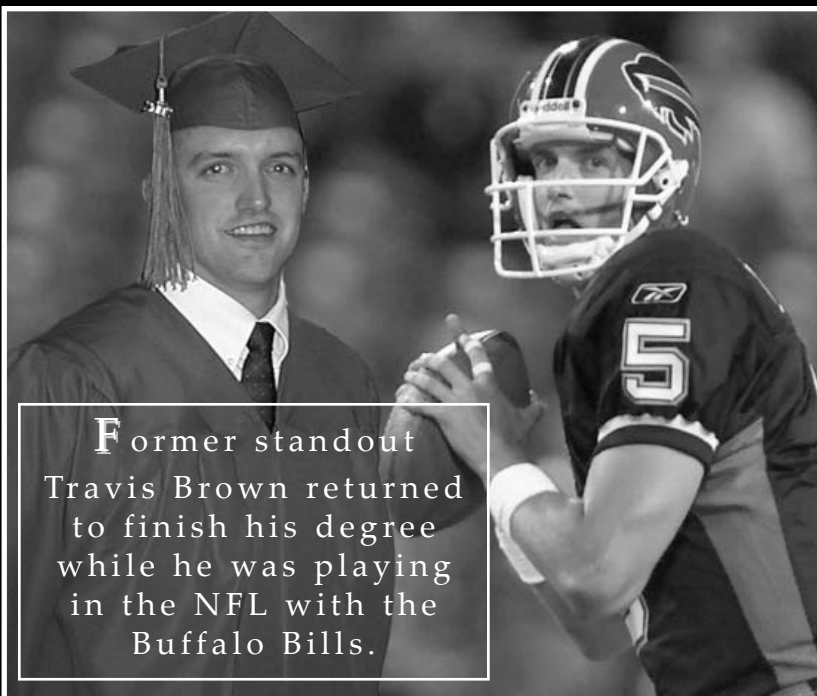

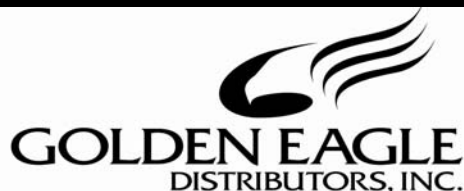

Mike Sands (above) celebrated his graduation with position coach, Greg Lees.

The football program has produced the Golden Eagle Scholar Athlete of the Year five of the last seven years (Eric Damko, Steve Gomez, Mark Gould, Paul Ernster and Jeff Wheeler).

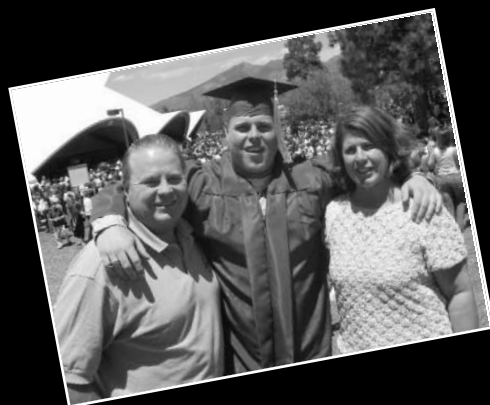

The football team had 30 student-athletes earn 2008 Golden Eagle Scholar-Athlete honors for having a 3.0 GPA or better.

Former standout Travis Brown returned to finish his degree while he was playing in the NFL with the Buffalo Bills.

With five selections in 2003-04, NAU had the most football ESPN the Magazine Academic All-District selections in the country followed by Brigham Young (4), Eastern Washington (4), California (3), Stanford (3) Utah (3) and Washington (3). Only NAU and Eastern Washington placed three student-athletes on the first team.

OUTREACH: *A sense of community*

The Northern Arizona University athletics department takes pride in the community service and outreach projects of its student-athletes. The most prominent department-wide service project is the annual Red Ribbon Week, in which student-athletes visit area schools to promote drug abuse prevention and awareness. The Lumberjack football program goes

steps beyond, putting on clinics for high-school coaches across Arizona as well as skills camps for youngsters. Student-athletes are always willing to take a moment for a fan. Also, student-athletes get involved with area youth with "Be a Student Athlete for a Day," when local youth spend

a day

"shadowing" an NAU student-athlete, experiencing a day in the life. There are a myriad of ways that Lumberjacks reach out to be a part of their community, and the NAU football program is active every step of the way.

THE BIG SKY CONFERENCE

The Big Sky Conference enters its 47th year of athletic competition in 2009-10. The Big Sky is an NCAA Division I member in all sports, with member institutions classified in the Football Championship Subdivision (formally I-AA). The Big Sky returned to a nine-team format in 2006 with the addition of Northern Colorado.

The current lineup includes Eastern Washington, Idaho State, Montana, Montana State, Northern Arizona, Northern Colorado, Portland State, Sacramento State and Weber State. The league has become one of the strongest Division I conferences in the West and is a national leader in the Football Championship Subdivision.

The Big Sky Conference was established in 1963 by six charter members - Idaho, Idaho State, Gonzaga, Montana, Montana State and Weber State. Those six schools formed the foundation of the Big Sky before the league expanded in 1970 by adding Boise State and Northern Arizona. Gonzaga left the Sky in 1979 and was replaced by Nevada, which gave the league eight members. The conference grew to nine schools in 1987 with the addition of Eastern Washington.

The 1990s saw change in the makeup of the league, beginning in 1992 when Nevada departed and put the Big Sky back

at eight teams. In 1996 Boise State and Idaho left and at the same time the conference added Portland State, Sacramento State and Cal State Northridge. The Big Sky maintained nine teams for five years before Cal State Northridge departed in the spring of 2001.

With the addition of Northern Colorado, the Big Sky spreads across eight states spanning from the Pacific Ocean to the Rocky Mountain Front. The Big Sky is represented along the entire west coast with schools in Washington, Oregon and California. League schools also range up and down the Rocky Mountains with institutions in Montana, Idaho, Utah, Arizona and now Colorado.

Of the eight western-most states in the contiguous United States only one, Nevada, is not represented in the Big Sky.

On Feb 25, 1963, the name Big Sky was adopted by the six presidents of the charter members as the name of the new conference. The name Big Sky originated in a novel written by the late A.B. (Bud) Guthrie of Great Falls, Mont., in 1947 entitled "The Big Sky." Jack Hollowell, a former Montana advertising director, promoted the Big Sky theme for the Treasure State. While on a track and field trip from Pocatello, Idaho, to Missoula, Mont., the legendary Dubby Holt of Idaho State saw a "Welcome to Big Sky Country" sign as his team entered Montana. Holt, and his athletes thought "Big Sky" would be a perfect name for the new conference. Harry Missildine of the Spokane Spokesman-Review called for the newly formed league to be named the Big Sky Conference in his column dated Feb. 20, 1963.

The Big Sky sponsors championships in 14 sports, including men's and women's cross country, indoor and outdoor track and field, basketball and tennis. In addition, there are also championships in football, and women's volleyball, golf and soccer.

The 2009-10 season will mark the 22th year that the Big Sky Conference will sponsor championships in women's sports. The former Mountain West Conference existed from 1982-88, sponsoring championships

for women's sports at the same institutions the Big Sky had men's programs. The Big Sky merged with the Mountain West in 1988, forming one league for both men and women.

Doug Fullerton, the fifth commissioner of the Big Sky Conference, will enter his 15th year at the helm. Fullerton took over the Big Sky on July 1, 1995, replacing long-time commissioner Ron Stephenson. Stephenson served the league for 14 years. Steve Belko was the commissioner from 1977-81 while John Roning held the post from 1971-77. The first league commissioner was Jack Friel, who served from 1963-71.

2008 SEASON IN REVIEW

* NAU secured a winning season for the third consecutive season, finishing with a 6-5 overall mark and 4-4 record in Big Sky play to finish fifth overall. NAU won six consecutive games overall after starting with a loss at Arizona State, accomplishing the feat for the first time since 1996. The Lumberjacks also started 4-0 in Big Sky play for the third time in school history (1996, 2003).

* NAU led the FCS and ranked second in Division I overall in rushing defense allowing just 59.8 yards per game. NAU held four opponents to negative yards rushing and a fifth to just 21 on the game. For the season, NAU allowed 658 yards on 307 carries (2.1 yards per carry) with 99 plays for zero or negative yardage on the season, including 72 for a loss. It reset the NAU and Big Sky Conference records for rushing defense and yards allowed in a season.

* NAU gained 772 yards of total offense against the New Mexico Highlands, shattering the school record set in 1989 against Nevada of 674. It was the highest single-game total in the FCS and second overall in all Division I.

* NAU earned a national ranking by the three Football Championship Subdivision polls for the first time in four seasons. The

Senior K.J. Gerard was a consensus All-America selection in 2008, finishing his career with 19 interceptions. He signed with Baltimore Ravens as a free agent.

Lumberjacks were ranked as high as No. 15 by The Sports Network and the FCS Coaches Polls.

* NAU played 15th-ranked ASU in its season opener, representing the highest-ranked FBS opponent played by NAU in school history.

* NAU played a ranked opponent at home as a ranked team for the first time since the 2003 I-AA playoff game against Florida Atlantic. Weber State represented the first

regular season game at home between two ranked teams since #15 Northern Arizona faced #10 Montana in 2003 on Nov. 1, 2003.

* Senior cornerback K.J. Gerard was named to the Buck Buchanan Award Finalist List for the best defensive player at the FCS level, finishing 14th overall. He earned All-America first-team honors from the Associated Press, College Sporting News, The Sports Network and the Walter Camp Foundation in 2008.

* Senior kicker Robbie Dehaze was named a first-team All-American by the AFCA at kicker and Walter Camp Foundation at punter. He ranked second in the nation in punting (45.1) and tied for fourth in field goals per game (1.45). He is the only player in the country to rank among the top 10 in both categories. Dehaze broke the career scoring mark against New Mexico Highlands. He surpassed former kicker Micky Penaflor (1986-89). Dehaze was named the Special Teams Player of the Week four times this season (9/1, 9/22, 10/6, 10/13).

* Eighteen student-athletes earned All-Big Sky honors and seven were named to the Big Sky All-Academic team.

2008 GAME RECAPS

NORTHERN ARIZONA 19, SOUTHERN UTAH 14 GAME 3 - SEPT. 20, 2008 - CEDAR CITY, UTAH ECCLES COLISEUM (8,018)

Senior K.J. Gerard made an interception in the end zone with 23 seconds remaining to preserve a 19-14 win at Southern Utah.

Senior Lance Kriesien led the Lumberjacks on the go-ahead drive, completing an 11-play drive with an eight-yard run in the end zone that was highlighted by the final push that bulldozed four Thunderbird players into the end zone. The two-point conversion failed, setting up the late-game opportunity for SUU with the Lumberjacks leading by five points.

After each team punted, SUU quarterback Cody Stone led the Thunderbirds to the NAU 2-yard line and the verge of the game-winning points with a 19-yard pass to Tysson Poots with under a minute to play. But NAU then stopped back-to-back rushing attempts, forcing SUU back to the six-yard line. Gerard then intercepted the Cody Stone pass that was intended for Poots in the right corner of the end zone on third down.

Kriesien originally entered the game at running back, gaining 75 yards on 12 carries to assist the running attack when Alex Henderson was taken out of the game with a knee injury. He then took over at quarterback in the fourth quarter, finishing 4-for-5 for 27 yards.

NORTHERN ARIZONA 25, N. COLORADO 22 GAME 4 - SEPT. 27, 2008 - GREELEY, COLO. NOTTINGHAM FIELD (3,019)

Josh Luck picked up a fumbled trick play on an extra-point attempt for a defensive PAT to secure the 25-22 win at Nottingham Field over Northern Colorado.

The Bears had pulled within 23-22 on a 21-yard pass from Bryan Waggener to Brandon Smith with 1:09 left in the game. Looking for their first win over the season, UNC went for two points out of a trick formation but the pitched ball ended up on the ground where Luck picked it up and ran it back the length of the field. NAU covered the on-side kick and ran out the clock.

True freshman Deonte Williams scored the go-ahead touchdown on a six-yard run in the third quarter, giving NAU a 23-16 advantage. It was the only score of the second half until the final UNC points, setting up the decisive play. Williams finished with 34 carries for 127 yards and two touchdowns.

Senior Lance Kriesien started at quarterback, competing 12-for-21 for 169 yards. He added 55 rushing yards. Junior Corey Slater added 64 yards on 4-of-9 passing. Waggener went 16-for-39 for 261 yards and a touchdown.

2008 GAME RECAPS

No. 17 NORTHERN ARIZONA 52, IDAHO ST. 30 GAME 7 - OCT. 18, 2008 - POCATELLO, IDAHO HOLT ARENA (6,697)

Deonte Williams rushed for 194 yards and three touchdowns en route to No. 17 Northern Arizona football's 52-30 win over Idaho State at Holt Arena. The true freshman posted career highs in all-purpose yards (209), rushing yards (194), and touchdowns (3).

The Lumberjacks rolled up 535 yards of total offense while moving to 6-1 overall and 4-0 in the Big Sky Conference. NAU had won six-consecutive games since falling to No. 15 Arizona State in the season opener.

NAU jumped out to an early 14-0 lead scoring on its first two drives. Just as the Lumberjacks appeared to be pulling away, Idaho State blocked a Robbie Dehaze punt and returned it for a touchdown late in the first quarter revitalizing the Bengal effort. Cyrus Igono blocked the point after attempt, and the 14-6 score marked the closest Idaho State would get. K.J. Gerard intercepted his fifth pass of the season, which led to a Williams' touchdown midway through the second quarter, his first of three on the day. Williams sealed the victory for NAU with a 58-yard touchdown run on the second play from scrimmage in the second half.

Weber State jumped out to a 21-0 lead in the first quarter and never looked back. The Wildcats scored on three of their first four possessions, aided by a pair of NAU turnovers including a fumble and an interception.

After forcing a punt on the first drive of the game, Weber State moved down the field and scored on a 14-yard pass from Cameron Higgins to Trevyn Smith for the quick lead. After the teams traded punts, WSU recovered a Curt Sweeney fumble, converting the drive with a 46-yard pass from Higgins to Cody Nakamura.

NAU quarterback Lance Kriesien was intercepted on the next drive by J.D. Folsom, who returned it 34 yards to the NAU 14-yard line. WSU scored two plays later on a 3-yard rush by Smith for a 21-0 lead.

Senior cornerback Cyrus Igono ignited the crowd of 9,007 with a 35-yard interception return for a touchdown to pull NAU within 21-7. But the Lumberjacks never got any closer in the contest.

Weber State led 28-14 at halftime after NAU put together its best drive of the day with a 10-play, 80-yard possession.

No. 6 MONTANA 45, No. 19 N. ARIZONA 10 GAME 9 - NOV. 1, 2008 - MISSOULA, MONT. WASHINGTON-GRIZZLY STADIUM (24,003)

Sixth-ranked Montana forced four first-half turnovers and scored the first 31 points in the game en route to a 45-10 victory over 19th-ranked Northern Arizona at Washington-Grizzly Stadium.

The Grizzlies scored on the opening drive, compiling a 13-play, 80-yard drive capped by a six-yard run by Chase Reynolds. UM went ahead 14-0 when Cole Bergquist hit Marc Mariani for an 11-yard score, converting the first of two interceptions by Colt Anderson.

Reynolds added a 37-yard run after a fumble by quarterback Lance Kriesien on the first play of the second quarter, pushing the lead to 21-0. Two plays later Deonte Williams fumbled on a play that left the freshman back on the field motionless for several minutes. He eventually left the field on his own and returned to the game in the second half. The third consecutive NAU turnover again led to a UM score on a nine-yard run by Mike Ferriter.

The NAU defense continued to fight in the contest. Senior defensive lineman Stephen Nwogbe forced a fumble by Bergquist with 6:46 left in the second quarter, but Michael Herrick then threw an interception on the next play. UM's Colt Anderson returned the ball 80 yards and UM converted the turnover into a field goal for 31-0 advantage.

MONTANA STATE 25, No. 23 N. ARIZONA 23 GAME 10 - NOV. 8, 2008 - FLAGSTAFF, ARIZ. WALKUP SKYDOME (5,777)

The 23rd-ranked Northern Arizona football team had its final playoff hopes slip away Saturday with a 25-23 loss to Montana State in the final regular season home game at the Walkup Skydome.

Montana State went ahead on a 28-yard field goal from Jason Cunningham with 1:24 on the clock. The Bobcats then sealed the game when Jordan Craney intercepted Michael Herrick's pass at the MSU 22 with just under a minute to play, erasing the chance at a game-winning field goal. NAU had crossed midfield on a 20-yard grab by Curt Sweeney, who finished with a team-high six catches.

NAU had taken a 23-22 lead on a 41-yard field goal by Robbie Dehaze five minutes earlier. But MSU backup quarterback Mark Desin led the game-winning drive with the help of a 44-yard pass to DeSean Thomas that put the Bobcats within range. After three consecutive rushing attempts, Cunningham nailed the game-winning kick.

POSTSEASON HISTORY

1958 NAIA Playoffs

Gustavus Adolphus 41, NAU 12
Tucson, Ariz.

Holiday Bowl.

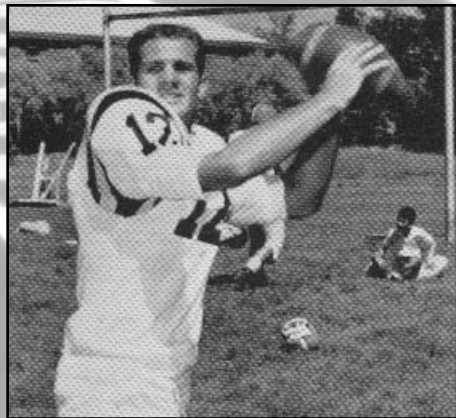

The Lumberjacks and Oakies battled it out all game up and down the field, but the most exciting play came in the fourth quarter when the Lumberjacks tried to mount a comeback in front of an 8,500-plus crowd and about 15 million more watching the game on CBS. With time running out and the Lumberjacks down 19-7, NAU drove downfield 92-yards powered by the arm of quarterback Ted Sorich to score a touchdown, but the extra point was missed. With only minutes left and the Jacks down six points, NAU's defense did everything in its power to get the ball back. But the Oakie offense was strong, and as time ran out, NAU had to settle for NAIA national runner-up.

1977 - NCAA Division II First Round

Jacksonville State 35, NAU 0
Flagstaff, Ariz.

In its first postseason game in 19 years the Lumberjacks were blanked at home 35-0 in front of a crowd of 7,584 by Jacksonville State. The Jacks, who never managed to get any points on the board, were beaten in almost every aspect of the game. Jacksonville St. more than doubled the rushing production of the Jacks and came up with 19 first downs while NAU only had 12.

After scoring two touchdowns in the last four minutes of the first quarter, Jacksonville St. hit the locker room at halftime with a 21-0 lead. After scoring two more touchdowns in the third, Jacksonville St. was finally quieted in the fourth quarter with the game ending at 35-0.

Ted Sorich, who led the Lumberjacks into the 1958 NAIA Championship game was inducted into the NAU Athletics Hall of Fame in 2002.

1958 - NAIA Championship

Northeastern Oklahoma 19, NAU 13
1958 NAIA Holiday Bowl
St. Petersburg, Fla.

After beating Gustavus Adolphus in the first round of postseason play, NAU met Northeastern Oklahoma in the NAIA championship

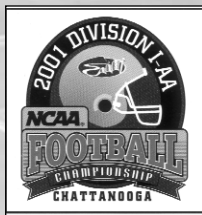

1996 - NCAA Division I-AA First Round

Furman 42, Northern Arizona 31
Flagstaff, Ariz.

The record-setting Lumberjack football team returned to the postseason for the first time in almost 20 years and the first time as a I-AA program, dropping a 42-31 game to Furman in the first round of the NCAA Division I-AA playoffs. Although the Jacks statistically outscored Furman in first downs, rushing yards, passing yards and possession time, they could not manage to put enough points on the board. Northern Arizona failed to advance as the Paladins scored 21 unanswered points in the last 6:19 of the game.

NAU started quickly, scoring 21 straight points to take a 21-7 halftime lead. Furman tied the game after three periods, but NAU assumed a 31-21 lead with 6:19 left. The Paladins rallied, taking the lead with 31 seconds left then sealing the win with an interception return for a TD.

In his final game as a Lumberjack, Archie Amerson rushed for 206 yards and a touchdown on 30 carries, while Travis Brown threw for 260 yards.

2001 - NCAA Division I-AA First Round

Sam Houston State 34, NAU 31
Huntsville, Texas

Alex St. Peter's 20-yard field goal as time expired ended Northern Arizona's season as Sam Houston State posted a 34-31 victory in the first round of the NCAA I-AA playoffs. Sam Houston State (10-2) advances to face top-seeded Montana, while the Lumberjacks complete the 2001 campaign at 8-4.

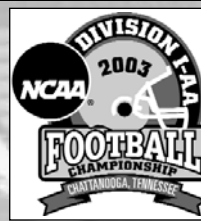

St. Peter's game-winning kick was setup by a 58-yard completion from Josh McCown to Matt Buss that put the Bearkats in scoring position. SHSU had taken possession of the ball on the 32-yard line with just 24 seconds on the clock after a NAU touchdown.

NAU had tied the game on a four-yard pass play from Preston Parsons to Clarence Moore. It completed a 12-play, 73-yard drive to tie the game.

Parsons finished with a career-high 338 yards and four touchdowns. Wide receivers Clarence Moore and Johnny Marshall both had career afternoons. Moore had eight catches for 153 yards with two touchdowns, while Marshall had 149 yards on six catches with a touchdown.

The Bearkats led 24-14 at the half behind three rushing touchdowns in the opening 20 minutes. Sam Houston scored the opening touchdown on a two-yard run by Joe Rauls. The extra-point attempt failed. NAU then rebounded two plays later when Parsons hit Marshall on a 75-yard bomb for a 7-6 lead.

The Bearkats then got a 42-field goal from Joey Price and a one-yard run by McCown to build a 17-7 lead. NAU responded with a 10-play drive to pull within three at 17-14 when Tom Winn caught a 12-yard pass from Parsons.

2003 - NCAA Division I-AA First Round

Northern Arizona 35, McNeese State 3
Lake Charles, La.

Northern Arizona (9-3) upset top-ranked and top-seeded McNeese State behind freshman quarterback Jason Murrietta's five touchdown passes and a strong defensive effort en route to a 35-3 win in Lake Charles.

Murrietta completed 24-for-35 passes for 285 yards and five touchdowns, hitting nine different receivers on the night. Four different receivers caught touchdowns, including two by senior Chris Nash, who had a game-high seven receptions.

Murrietta and Nash started the scoring with a nine-yard touchdown in the first quarter. The Lumberjacks added a second score on an 11-yard pass to Ramen Green for his first career touchdown and a 14-0 lead. McNeese managed its only points of the night on a 27-yard field goal from John Marino with 8:23 left in the second quarter. NAU built its lead to 21-3 on a 7-yard pass from Murrietta to Clarence Moore.

The Lumberjacks held McNeese State scoreless in the second half, adding touchdowns in each quarter to complete one of the biggest first-round upsets in NCAA I-AA playoff history. It was the worst loss at home for the Cowboys since 1990.

McNeese, which had been ranked No. 1 in the nation for most of the year and had appeared in last year's I-AA championship game, completed its season at 10-2.

2003 - NCAA Division I-AA Quarters

Florida Atlantic 48, Northern Arizona 25
Flagstaff, Ariz.

Jared Allen passed for 228 yards and three touchdowns and the Florida Atlantic defense - led by sophomore cornerback Willie Hughley's two big plays that led to 14 points - stymied the Northern Arizona offense through the first half as FAU, a third-year member of the Division I-AA football ranks, posted a 48-25 win over the host Lumberjacks in a quarterfinal matchup before 9,134 fans in the J. Lawrence Walkup Skydome.

The Owls' speed proved to be a daunting factor in the contest on the Walkup Skydome turf, both offensively and defensively. FAU forced three turnovers, including a 47-yard interception return for a touchdown by Hughley in the third quarter to make the score 27-3, then a 25-yard fumble return by Hughley that set up a three-yard TD pass from Allen to Doug Parker to make it 41-3.

In the first half, the Lumberjacks' offense had a difficult time getting any momentum on any drives, as NAU was held to 127 yards and just three points at halftime as the Owls vaulted to a 24-3 lead. The Lumberjacks got offense rolling in the second half, but it was too late. NAU rolled up 267 yards of offense after halftime and scored 22 points in the fourth quarter thanks to recovering an onside kick and a 57-yard pass from receiver Clarence Moore to fellow receiver Chris Nash - off a lateral from freshman QB Jason Murrietta - that closed the scoring.

The altitude, clean air and surrounding forest provide an unsurpassed climate year-round.

Flagstaff's most attractive quality may be its four distinctive seasons. In the summer, Flagstaff is warm and comfortable, boasting an average daytime high temperature of 80 degrees and an overnight low of 47. The winters offer sunny days and beautiful snow scenes. Flagstaff has an average of 288 days of sunshine each year as well as a mild, four-season climate that offers excellent conditions for study and recreation.

PHOENIX

It's been said time and again, but it continues to ring true: Phoenix is an amazing place. As the sixth-largest city in the United States with 1.2 million residents, Phoenix offers a multitude of cultural and recreational activities. Blending the rugged Old West with the urban new West, the city gives visitors the opportunity to enjoy a full range of dining experiences, outstanding museums, art galleries, performing arts, horseback riding, Western cookouts and cowboy shootouts.

J. LAWRENCE WALKUP SKYDOME

In 2009, the J. Lawrence Walkup Skydome, one of the most unique venues in all of college athletics, celebrates its 32nd year as the entertainment center for northern Arizona.

The Skydome has been the home of NAU football, basketball and indoor track and field since 1977. Construction began in the fall of 1975, and the facility was completed in September 1977. Seating capacity for football is 15,300 and 7,000 for basket-

ball. Once the largest wood-span structure of its kind in the world, the Skydome was built at a cost of more than \$8 million. It covers an area of 6.2 acres, with the roof spanning more than 500 feet and rising 142 feet above the playing surface.

The Skydome showcases the new REALGRASS™ surface installed in the spring of 2008 by the Hellas Construction firm of Austin, Texas. The carpet, the

Matrix version of the brand REALGRASS™ cost close to \$1 million. The REALGRASS™ Matrix system is comprised of a monofilament spinneret yarn in two different sizes and colors. It is the same one under consideration for the Dallas Cowboys' new stadium.

With the 2001 renovation to the Skydome floor, the 96,000-square foot surface was covered with Mondo. The track contains a six-lane, 300-meter non-banked loop (eight sprinting lanes) with the infield containing enough area for six NCAA-standard basketball and volleyball courts, as well as two regulation tennis courts. Track and field specific, the facility now has 12-month training capabilities. When covered for football with artificial turf, the Skydome supports a practice pole vault pit and a long/triple jump runway, as well as a lane for sprinting and hurdles. When the turf is up, the facility can be used for intramural and camp sports, and has enough room for a varsity soccer practice.

The roof was also resurfaced during the summer of 2000 and the astroturf was replaced in 2002 from a surface that was in the Tropicana Dome, the home of the Tampa Bay Devil Rays, in St. Petersburg, Fla.

The concourse contains offices, meeting rooms, restrooms and concession stands. Located on the dome's floor level are fully equipped locker rooms and state-of-the-art athletic training and weight rooms. During the summer of 1997, the dome underwent a \$1 million lighting renovation that further enhances the Skydome's lure for television cameras. Fresh air and heat come through 19 large ducts, maintaining a constant temperature of 72 degrees.

The first NAU sporting event held in the Skydome was a Lumberjack win over Montana in football on a last-second field goal, 25-24. The first NAU basketball game was a 101-76 triumph over Alaska Anchorage.

Special athletics events held in the Skydome include a Division II football playoff game in 1977, a Division I-AA football playoff games in 1996 and 2003, a first-

STRENGTH AND CONDITIONING

The NAU weight room is located in the Walkup Skydome. It features 30 tons of free weights, 10 Olympic training platforms with modernized sport-specific training and high-tech motion analysis cameras. In the summer of 2005, the weightroom received a facelift with new platforms and interior paint, as well as a complete enclosure of the complex.

The student-athletes work to improve themselves under a philosophy based on performance enhancement and safe participation.

Andy Williams teaches free weight training utilizing Olympic movements and plyometrics to prevent injury and produce the best athlete in the competitive arena.

The strength and conditioning facilities at Northern Arizona University are among the best in the West. The 6,500-square-foot facility has been utilized by the likes of Olympians Pablo Morales, Summer

Sanders, Jenny Thompson and Wes Barnett, as well as a host of foreign athletes and teams preparing for a variety of international competitions. The German bobsled team trained in the facility prior to winning a gold medal at the 2002 Salt Lake Olympics.

ACADEMIC PROGRAM

Academics in the athletics department have taken on a new meaning at Northern Arizona University. The academic services are under the direction of academic services coordinator Pam Lowie and offer numerous programs to help the student-athletes throughout their academic careers.

The results have been impressive. During the spring semester of 2009, NAU student-athletes achieved a cumulative grade-point average of 3.11, the 20th semester with a cumulative GPA above 3.0 in the last 11 years (22 semesters). During the 2007-08 academic year, the Lumberjacks garnered a school-record 164 Golden Eagle Awards and 37 student-athletes took part in spring commencement ceremonies on the NAU campus and were commissioned degrees as part of the Class of 2009.

The emphasis of the academic programs have been to build programs that provide students with the critical support services that supplement their educations. All of the programs have a common theme. They are intended to allow student-athletes to build partnerships on campus that will increase their chances of academic and personal success and prepare them for life after college.

The following programs are in place to help athletes attain their academic goals.

PROACTIVE PROGRAM

Students work one-on-one with mentors on a multitude of transitional issues including academics, athletics and the university environment. The program is designed to enhance the success as a college student-athlete.

EPS 199

Academic and Personal Development is a course developed by the NAU School of Education. The course is designed to assist student-athletes with study skills development, career planning and personal

development as the student makes the transition into the university environment.

COMMUNITY OUTREACH

NAU student-athletes give back to the community and explore potential career paths in a unique program that includes participation in a variety of programs within the elementary schools such as "Read Across America" and "Be a Student Athlete for a Day." The department contributed more than 4,000 service hours last year.

One of the most popular community outreach events is Red Ribbon Week, which features student-athletes and coaches visiting area schools to speak about and promote a drug-free lifestyle.

ACADEMIC AWARDS

Two of the most prestigious events on the NAU athletics calendar recognize student-athletes for their academic accomplishments. The annual Golden Eagle banquet recognizes students for their overall grade-point average while the Athletics Director's Honor Roll recognizes academic achievements based on semester success.

SUPPLEMENTAL RESOURCES

SAAC

Leaders from all NAU varsity squads meet bimonthly to discuss student-athlete issues that are both local and national in scale. The Student Athlete Advisory Committee (SAAC) plays a large part in

the development of new programs and policies for the NAU athletics department.

Academic Enrichment

Student-athletes interact with support services on a weekly basis as they progress toward their degrees. Student-athletes utilize tutors, attend study-skills workshops and conduct Internet research at the Learning Assistance Centers, Cline Library and the Writing Lab.

DR. JOHN D. HAEGER, PRESIDENT

John D. Haeger leads Northern Arizona University in its commitment to undergraduate education—a commitment enhanced by the university's ongoing efforts in research, graduate education and distance learning.

Dr. Haeger has been NAU president since November 2001 after joining the university to serve as NAU provost in June 2000.

During his term as president, Dr. Haeger has guided the university to new heights in student enrollment. He also has ushered the university into its largest building boom since the 22-year term of former NAU President J. Lawrence Walkup.

Further, he has fully endorsed a national effort to increase institutional accountability, explaining that NAU must perform on a level that demonstrates its significance to students and to society.

Among university achievements under his leadership:

*** Tuition guarantee.** Dr. Haeger instituted a "block tuition" plan that guarantees first-time, full-time freshmen and transfer students the same tuition rate for eight semesters.

*** 'Finish in Four' guarantee.** NAU promises to provide students the advisement help and courses necessary to obtain their degree within four years.

*** Expansion of nursing and the health professions.** The university has placed emphasis on graduating more students in nursing and developing or expanding programs in occupational therapy, athletic training and physicians assistant.

*** Commitment to research.** President Haeger has instituted NAU's first office of Vice President for Research. In Yuma, ground has been broken on a 12,225-square-foot building that will provide research four-year degree opportunities.

*** High Country Conference Center.** Dr. Haeger initiated a joint partnership to build a 42,000-square-foot conference center and an adjoining hotel and parking structure. Consultants have estimated the economic benefit to northern Arizona to be about \$7 million annually.

*** Largest gift in university history.** The College of Business Administration was able to acquire the largest gift in university history, a \$25 million donation from prominent business leader William Franke. The college was renamed The W.A. Franke College of Business.

*** Arizona Cardinals partnership.** The Cardinals agreed to continue their training camp in Flagstaff. About \$2 million will be added to the northern Arizona economy as

a result.

*** Yuma branch campus.** NAU received approval from the Arizona Board of Regents to designate NAU-Yuma as a branch campus. The designation allows NAU to build programming and resources at its Arizona Western College site.

*** 'Going green.'** The university is home to one of the three greenest buildings in the world after receiving a "Platinum" rating for its Applied Research and Development building. It also earned "Gold" ratings for buildings that house Engineering and Business.

Dr. Haeger is a member Arizona Board of Education, the Governor's P-20 Council, the board of directors of the Translational Genomics Research Institute, is former chair of the United Way of Northern Arizona board, serves as commissioner for the Western Interstate Commission for Higher Education, and is past chair of the Council of Presidents of the Big Sky Conference.

WAYNE SJOBERG, FACULTY REPRESENTATIVE

Dr. Wayne Sjoberg (shoo-berg) is in his 11th year as the faculty athletics representative at NAU. In his role as faculty representative Sjoberg works closely with athletic department personnel on issues related to academic

integrity, rules compliance, and student-athlete welfare.

A professor of psychology in the College of Social and Behavioral Sciences until his retirement in May of 2006, Sjoberg has been associated with NAU for more than 30 years, since obtaining his Ph.D. in psychology from Oklahoma State in 1967.

A longtime NAU booster and athletics fan, he has been involved with youth sports for many years, including Little League baseball, girls softball and youth soccer. He is a certified soccer referee.

In his spare time, he enjoys outdoor

Under his direction, the 300-plus Lumberjack student-athletes have maintained 3.00 or better cumulative mark in nine of the 10 semesters under his direction. Eleven of the 15 squads posted a 3.0 or higher cumulative GPA last year led by the soccer team which posted a department-best 3.45 in 2008-09. A school-record one hundred seventy-eight student-athletes were recognized in 2008 at the Golden Eagle Awards for significant contributions to the Lumberjack athletics program while maintaining a minimum of a 3.0 GPA. He also established the Athletic Director's Honor Roll to recognize student-athletes with a 3.5 or better GPA, recognizing more than 70 recipients last spring. Outside the classroom, the department staff and student-athletes contributed 4,000-plus community service hours in Flagstaff and around the state of Arizona each of the last three years.

NAU has ranked among the top 100 athletic departments in the United States Sports Academy Directors Cup standings three times under Fallis, while winning 20 Big Sky Conference titles and recording 15 Top-40 national finishes and six individual national titles. NAU has won the Big Sky Conference Men's All-Sports title two times.

The Lumberjacks had a stellar season in 2008-09, winning six Big Sky Conference team title and finishing among the Top 100 in the Directors Cup for the second consecutive season. The men's cross country team led the charge by finishing sixth nationally with the women ranking 23rd overall. The soccer and golf teams both earned NCAA Championships berths after claiming post-season conference tournament titles.

In 2007-08, the Lumberjacks ranked 98th overall in the United States Sports Academy Directors Cup standings aided by two top-10 national finishes in cross country and a 42nd-place national finish at the NCAA Outdoor Track and Field Championships.

The Lumberjacks posted two top-40 national finishes in 2006-07 behind a pair of national championships by sophomore standout Lopez Lomong. NAU won the Big Sky title in men's track and field, the regular season title in men's basketball and produced four All-Americans who earned a combined 10 All-America honors. The Lumberjacks won the Big Sky Conference Men's All-Sports title for the first time since 2003-04.

In 2005-06, the Lumberjacks had one of the most successful seasons in recent history, finishing 90th in the United States Sports Academy Directors Cup standings

aided by a 10th-place national finish by the women's indoor track and field team and a 12th-place showing at the NCAA Women's Cross Country championships. The campaign was highlighted by six Big Sky Championships including titles in cross country, as well as indoor and outdoor women's track and field. The men's basketball team won the conference regular season title, while the women captured the Big Sky Conference tournament title to advance to its first NCAA Tournament in school history. NAU finished second in golf and third in regular-season women's basketball, soccer and tennis. NAU highlighted the campaign by winning the 2005-06 Sterling Savings Bank Presidents Cup, which is unique to collegiate athletics in that it reinforces the Big Sky Conference's dedication to the academic side of being student-athletes.

NAU coaches garnered five Big Sky Conference Coach of the Year awards, eight student-athletes were honored as 2006 ESPN the Magazine Academic All-America District 8 selections and senior men's basketball player Kelly Golob became the first Lumberjack to earn NCAA Postgraduate Scholarship honors since 2000.

The Skydome also welcomed the installation of a removable REALGRASS™ Matrix system during the Spring of 2008, the first removable REALGRASS™ system to be installed in the United States. It marked the first accomplishment by the President's Task Force on Athletics Facilities.

In addition, the department built a computer technology room for use by student-athletes.

UNC won two Division II National Championships in football (1996, 1997) under his direction. At the time he left, athletics had over \$8 million in endowments and \$600,000 in reserves.
