2020-21 NAVY MEN'S TENNIS

Chris Garner
Head Coach
Seventh Season
Ohio State '07

2015, 2018, 2019 Patriot League Coach of the Year
2009, 2011 NESCAC Coach of the Year

Chris Garner enters his seventh season as the head coach of the Navy men's tennis team in the fall of 2020.

He has led the Mids to an overall record of 139-71, which includes a 25-3 record against Patriot League regular season opponents and a 13-2 record during the league tournament.

Navy made its second trip to the NCAA Tournament in as many years and the third NCAA appearance in Garner's five seasons in 2019. Navy ended the year with a 31-14 record, which included a 9-0 record against league foes. He was recognized as the coach of the year for the third time, while Andrew Ton was named the league's player of the year and Derrick Thompson received league rookie-of-the-year honors.

Garner's 2018 Mids also advanced to the NCAA Tournament. Navy posted an overall record of 28-11 and compiled a 10-1 record against Patriot League foes last year. The Mids entered the league tournament as the top-seeded team and made that seed hold up as Navy won the league championship for the second time in his four seasons. Garner himself was selected as the 2018 league coach of the year as well as the Wilson / ITA Atlantic Region Coach of the Year.

Navy has reached the title match of the league tournament in each of his first five seasons. The Mids also claimed the 2015 tournament crown.

The 2017 campaign saw Navy total a 22-18 record on the year and a combined 6-2 record in matches played against league competition. The Mids also dropped matches to a number of standout programs such as SMU, William & Mary and Penn.

Garner led the Mids to an overall record of 22-9 and a No. 1 seed in the 2016 Patriot League Tournament. Four of Navy's losses came in matches decided by the final score of 4-3, with two more defeats coming to No. 45 Princeton and No. 15 Columbia. Individually, Austin Jones capped his career by becoming just the third Mid to be tabbed as the Patriot League Player of the Year.

His inaugural 2015 season at Navy was a memorable one as he guided the Mids to an overall record of 20-11, the 2015 Patriot League Tournament title and a return to the NCAA Tournament. Six of Navy's 11 losses on the season came to teams that held a national ranking during the season: Old Dominion, UNC Wilmington, College of Charleston, San Francisco and Fresno State during the regular season, with a loss to Texas coming in the first round of the NCAA Tournament.

Garner was selected as the 2015 Patriot League Coach of the Year.

Garner arrived on The Yard fresh off of leading Amherst to the 2014 NCAA (DIII) Championship. The Lord Jeffs posted a 36-3 record during the 2013-14 season to win the program's second NCAA team crown in four years. Additionally that year, Joey Fritz won the NCAA singles title and Fritz teamed with Justin Reindel to advance to the semifinal round in doubles.

The 2014 crown capped Garner's seven-year stint as the head coach at Amherst. He guided the Lord Jeffs to an overall record of 199-43 (.822) — 134-16 (.893) over his last four seasons — and to at least the semifinal round of the NCAA Tournament in five of his years. Amherst won NCAA crowns in 2011 and '14, advanced to the NCAA finals in 2009 and '10, and won the third-place match in the 2013 edition of the tournament. The Lord Jeffs also reached the quarterfinal round in the 2012 edition of the event, which gave Garner a record of 24-4 in six seasons of NCAA Tournament play.

Amherst also compiled a 49-7 (.875) record in NESCAC regular season matches under Garner. The Lord Jeffs entered the conference tournament seeded no lower than second in each of his last six seasons, which included them earning the No. 1 seed in 2011, '12 and '13. The program would go on to claim three NESCAC Tournament titles (2011, '12, '14), reach the finals on two additional occasions (2009, '13) and post a 9-4 (.692) record in NESCAC Tournament play.

Nationally, Garner's players totaled 22 ITA All-America accolades. In addition to the 2014 run of success by Fritz and Reindel, Austin Chafetz and Luis Rattenhuber won the 2012 NCAA doubles title and Mark Kahan advanced to the 2013 singles final.

A native of Long Island, N.Y., Garner was a standout player in his own right. He was the No. 1 ranked player in the country in the 14-and-under age group in 1983, the No. 1 ranked player in the under 16's in 1984 and was the No. 3 player in the under 18's from 1985-86. He competed on the U.S. Junior Davis Cup team from 1985-87 and amassed 12 National Junior titles before entering the collegiate ranks.

Garner earned All-America honors at Georgia before joining the professional tour. He attained an ATP ranking of No. 120 in 1991, advanced to the Round of 16 at the 1993 Australian Open and recorded victories over some of the top players in the world during his pro career.

After his playing career ended in 1994, Garner served as a private tennis coach for both professional and junior players before becoming an assistant coach at Colorado for one season (2004-05). The Buffaloes ended his lone season at the school ranked 59th nationally by the Intercollegiate Tennis Association and with a 9-15 record. He would then spend two years as an assistant coach at Ohio State, during which time he also completed his undergraduate degree. The Buckeyes were a combined 26-0 against Big Ten competition, compiled an overall record of 58-4 — 28-2 in 2005-06; 30-2 in 2006-07 — advanced to the quarterfinal round of the NCAA Tournament in both seasons and ended the years ranked fifth and third, respectively, by the ITA.

A grandfather of his fought in the Navy during World War II and was stationed on the USS New Orleans and the USS Salt Lake City.

The Garner family, which includes wife Monika, daughter Gigi and sons Luke and Finn, resides in Annapolis.

Prior to his one-year stint in Columbus, Ohio, Laitta spent 19 seasons as a head coach with the Maryland tennis programs. While coaching the men's team for all 19 years in College Park, he also served as the head coach of the school's women's team for his first 11 years at the school.

When he arrived in College Park, neither tennis program received any scholarship funding. The women's team became fully funded in his eighth season while the men's program reached that level toward the end of his time at the school. Despite those limitations, Laitta led the women's team to a trio of NCAA Tournament appearances (1996, '98, '99) and saw the men's program earn a national ranking in each of his final three seasons. Individually, he was tabbed as the ACC Women's Coach of the Year in 1996.

A 1988 graduate of Eastern Kentucky, Laitta began his coaching career as an assistant coach for the Mississippi State women's team during the 1988-89 season. Mississippi State's doubles tandem of Claire Pollard and Jackie Holden won the NCAA national championship that season. He then was elevated to head coach for the 1989-90 campaign before departing for Maryland after the conclusion of the season.

Patriot League

Now in its fourth decade as an all-sport conference combining academic and athletic excellence, the Patriot League sponsors championships in 24 men and women's sports. Initially started as an NCAA Division I-AA football conference in 1986, the Patriot League became an all-sport conference in 1990 and includes American, Army West Point, Boston University, Bucknell, Colgate, Holy Cross, Lafayette, Lehigh, Loyola Maryland and Navy as full members, and Fordham, Georgetown, MIT and Richmond as associate members. These institutions are among the oldest and most prestigious in the nation and their alumni have and continue to play leadership roles in shaping our country.

The Patriot League's mission is simple: to provide successful competitive athletic experiences while maintaining high academic standards, and to prepare its student-athletes to be leaders in society. During the 2019-20 academic year, Patriot League student-athletes and teams accomplished the following:

- ★ 92 Patriot League teams (47 percent of League teams) earned NCAA Public Recognition Awards for ranking in the top 10 percent of their sport in Academic Progress Rate (APR), with 80 squads earning perfect scores.
- ★ The Patriot League ranked second among all conferences in Public Recognition Awards, and also placing second for the highest percentage of teams earning the honor at 47 percent.
- ★ The League's 94 percent graduation success rate (GSR) is the third-best mark in the nation, finishing in the top three in each year since the rating has been released in 2013. All 10 member schools were at 90 percent or higher, each exceeding the record-high national GSR of 89 percent. In addition the League's 83 percent Federal Graduation Rate (FGR) places it as the national leader for the sixth-consecutive year.
- ★ 14 student-athletes earned Google Cloud CoSIDA Academic All-America recognition including first-team accolades for Army West Point's Anthony Giachin (Baseball) and Serica Hallstead (Women's Swimming & Diving), Bucknell's Rick Mottram (Football), **Navy's Caddie Higginson (Women's Soccer)**, **Paige Miles (Women's Volleyball)** and **Micah Oh (Men's Swimming & Diving)**. Second-team honorees include Army West Point's Jacob Hurtubise (Baseball) and Benjamin Petrella (Men's Cross Country/Track & Field), Lehigh's Conor Gaffney (Men's Lacrosse) and **Navy's Jared Leins (Baseball)**. Third-team recipients include Loyola Maryland's Anne Hayburn (Women's Swimming & Diving), **Navy's Michael Coritz (Baseball)**, **Christian Daniel (Men's Lacrosse)**, and **Victoria Tran (Women's Soccer)**.
- ★ 47 Patriot League student-athletes received Google Cloud/CoSIDA Academic All-District recognition.
- ★ There were a Patriot League record 3,960 student-athletes named to the Patriot League Academic Honor Roll in 2019-20, besting the previous record, set in 2018-19, by 837 members.
- ★ Loyola Maryland's Anne Hayburn (Women's Swimming & Diving) and **Navy's Thomas Buffone (Men's Outdoor Track & Field)** both received 2019-20 NCAA Postgraduate Scholarships.

- ★ **Navy's Sydney Fortson (Women's Soccer)** was selected in nationwide balloting as the 2019 Senior CLASS Award winner in NCAA Division I women's soccer. Loyola Maryland's Ann Ernst (Women's Volleyball) received Senior CLASS Award Second Team honors in women's volleyball.
- ★ **Navy** won the Patriot League Presidents' Cup for the sixth-straight time and seventh in the last eight years following the 2018-19 academic year. Army West Point won the men's standings with a record 77 points, while Boston University topped the women's standings.
- ★ **Navy** and Loyola Maryland both qualified for the 2019 NCAA Women's Lacrosse Championships, marking the second time in as many years the League received two bids to the tournament. The Mids and Greyhounds both won their first-round matchups.

Academy Tennis Courts

The Naval Academy Athletic Association dedicated the Dyer Tennis Clubhouse in ceremonies held in November of 2000.

The facility is named to honor the late Vice Admiral George Dyer (Academy Class of 1919) by his daughter and her husband, Jo and Weston Burnett. Mr. Burnett is also an Academy graduate ('43) and retired with the rank of Commander. The Burnett's are longtime supporters of the Navy tennis program.

"This is a suitable facility for not only an excellent tennis team, but also a proper way to honor Vice Admiral George Dyer," said Mr. Burnett. "He was well known throughout Annapolis for his charitable works, and this will only add to his legacy."

The building includes coaches offices, a racquet stringing room, locker rooms for both coaches and players, a lounge, a public address system and a viewing deck overlooking the courts.

"We greatly appreciate the generosity of the Burnetts to the Navy tennis program," said then-Director of Athletics, Jack Lengyel. "The Dyer Tennis Clubhouse will only help to enhance and strengthen an already highly successful program."

"We are very grateful to the Dyer family for their contribution to the Navy tennis program," said longtime Navy head coach John Officer. "The Dyer Tennis Clubhouse is one of the finest facilities of its kind in the nation. It is a wonderful building the team will be able to enjoy for many years to come."

Navy also boasts six outdoor courts adjacent to the 8th Wing of Bancroft Hall.

Joe Hunt Court

The U.S. Naval Academy formally dedicated one of its tennis courts as the Joe Hunt Court during a ceremony held on Sept. 27, 2015, as part of the final day of competition at the inaugural Joe Hunt Invitational.

Hunt is considered one of the top athletes in USNA history. After winning the intercollegiate national title in doubles as a freshman at the University of Southern California (1938), Hunt transferred to the Naval Academy where he would win the 1941 intercollegiate national singles championship. Hunt also competed in doubles for the United States at the 1939 Davis Cup and was presented with a game ball following his efforts as a running back in helping the Mids win the 1940 Army-Navy football game.

Originally slated to graduate from the USNA in the spring of 1942, his class was instead commissioned two weeks after the bombing of Pearl Harbor in December, 1941.

Hunt's prowess on the tennis court continued after he graduated and served on active duty in the Navy. He used leave time from the service as an officer aboard a destroyer to enter the 1943 USTA National Championship, the precursor to the U.S. Open. Previously a quarterfinalist (1937, '38) and semifinalist (1939, '40) at the tournament, Hunt won the championship that year to become both the No. 1 ranked player in the U.S. and the fifth-ranked player in the world. A few weeks later, Bob Hope presented Hunt with the 1943 Outstanding Athlete-of-the-Year Award at the Los Angeles Times Sports Award Dinner.

After he became a naval aviator (fighter pilot) in the fall of 1944, Lt. Hunt lost his life in a training accident off the Florida coast in February, 1945, weeks prior to his 26th birthday and months before the end of World War II.

Hunt remains the lone player in the sport's history to have won U.S. boys (ages 15 and under), juniors (18 and under), collegiate and national / U.S. Open titles in singles. He was posthumously inducted into the International Tennis Hall of Fame (professional level) in 1966 and into the ITA Hall of Fame (college level) in 1986. In 2019, the USTA announced that its annual Military Appreciation Day, held on Labor Day at the U.S. Open, has been named in his honor: Lt. Joe Hunt U.S. Open Military Appreciation Day.

A plaque dedicated to Hunt was unveiled at the entrance to the tennis court — which was the court he played on during his Naval Academy career — located just inside Gate 1 at the USNA. In addition to listing Hunt's accolades and designating the court as Joe Hunt Court, it also includes the following testimonial to him:

"This court is dedicated to the memory and service of the most accomplished tennis player in U.S. Naval Academy history."

2020-21 NAVY MEN'S TENNIS

Tose Family Tennis Center

The U.S. Naval Academy dedicated and opened the Tose Family Tennis Center and the entire Thornton D. and Elizabeth S. Hooper Brigade Sports Complex during the fall of 2007. The tennis portion of the facility, named after Maurice ('78) and Terri Tose and their family, features six indoor and six outdoor tennis courts, with the indoor hard courts encompassing some 49,000 square feet. The outdoor courts include the Fluegel-Moore Tennis Stadium, named after Rick ('61) and Donna Fluegel and Bill ('61) and Sandra Moore, while one indoor court has been dedicated in the name of James ('58) and Rosemary Adkins.

"Our new indoor tennis facility will be a tremendous addition for our team training, as well as a draw for future recruits," said then Navy head coach John Officer. "The facility is first class and already has to be considered one of the finest in the country."

Located across the Severn River and adjacent to the Naval Academy Golf Course, the 150,000-square foot facility was privately funded and built at a cost of \$18.5 million. In addition to the tennis wing of the complex, it also includes hockey and rugby venues, an indoor hitting, chipping and putting facility for the golf team and club members, a fitness center, a restaurant, the pro shop for the golf course, athletic training rooms, numerous locker rooms for all of the Navy and visiting teams, office space for the various coaches and meeting rooms for each of the programs.
