Tim O'Donohue enters his fifth season as Navy's head men's soccer coach in 2020. O'Donohue enters the 2020 season with the 39th-highest all-time NCAA winning percentage across all divisions at .736 (189-58-31).

O'Donohue is the sixth head coach in the 100-year history of the Navy men's soccer program. He is 24-37-8 (.406) in four seasons at Navy.

Prior to arriving at Navy, O'Donohue spent five seasons (2011-2015) as the associate head coach at the University of Connecticut and 10 seasons (2001-10) as the head coach at Division III Stevens Institute of Technology.

In 2019, O'Donohue paced Navy to one of its best seasons in program history as the Midshipmen finished with a record 12-4-1 with the 12 wins being the second-most wins of the 12 wins being tied for the third-most wins in program history in a single-season. Navy also finished third in the Patriot League standings with a 5-3-1 mark and the Midshipmen host a Patriot League Tournament game for the first time since 2013.

O'Donohue guided Navy to its longest winning streak in program history since its national championship season in 1964 as Navy captured 15-straight wins over the end of the 2018 season and the start of the 2019 campaign. The Midshipmen's 11-0-0 start 2019 was the program's best since 1964 when Navy went 15-0-0 en route to the national total.

Throughout the 2019 season, he helped Navy post a top-five mark in shutout percentage (.588) and goals-against average (.574) with both ranking fourth in the country. Navy also ranked eighth in save percentage at .818 and ninth in shot accuracy with a mark of .484.

O'Donohue also coached the 2019 Patriot League Defensive Player of the Year in Matt Nocita and in total the Midshipmen had seven All-Patriot League honorees, which was second-most in the league. Nocita and Jacob Williams were named to the First Team All-Patriot League, Wyatt Millard, Tyler Collins and Ian Bramblett earned second team honors while Diego Manrique and Nicko West were third-team honorees.

Navy also set a program record for five United Soccer Coaches All-Region selections. Nocita (first team), Collins (second team), Bramblett (third team), Millard (third team) and Williams (third team) represented Navy on the All-Atlantic Region team.

During the 2018 season, O'Donohue coached Navy to a fifth-place finish in the Patriot League regular season standings after going 4-5-0 in league play. The Midshipmen finished the season with a record of 5-11-1 overall following a four-game winning streak to end the year. Over the final four games of the regular season, Navy outscored the opposition 9-2 and notched a pair of shutouts.

O'Donohue coached the Patriot League Rookie of the Year in Jacob Williams and coached Third Team All-Patriot League member Matt Nocita. Williams finished second the league with 0.50 goals per game and was fourth with 1.00 points per game. Williams' eight goals were second in the Patriot League. Nocita was the only player for the Midshipmen to play all 1,557 minutes of the 2018 season.

Navy was one of the least penalized teams in the country during the 2018 season as it ranked eighth overall in NCAA Division I with an average of just 9.06 fouls per game, which was also the best in the Patriot League.

In his second season at Navy in 2017, the Midshipmen battled rival Army West Point to a 0-0 double-overtime draw in the Star Game and Army-Navy Cup VI, which was played in front of 8,143 fans at Talen Energy Stadium in Chester, Pa. The Army-Navy game was the third-highest attended college men's soccer game in 2017.

As a team, Navy ranked first in the Patriot League and eighth in the NCAA in saves per game (5.47) in 2017, and senior goalkeeper Mac Burke ranked sixth in the country in saves per game (5.41) and eighth in total saves (92). Navy was 2-13-2 (0-7-2 PL) in 2017.

Despite having less than two months to prepare for Navy's 2016 season opener when he was hired, O'Donohue's first team showed great potential for his program in the coming years, and was resilient, spirited and composed. Navy battled in every contest and 12 games in 2016 were decided by one goal, while four more ended in ties. The Mids were 5-9-4 overall and 1-6-2 in the Patriot League.

Navy was 4-1-3 in games played at the Glenn Warner Soccer Facility in 2016. Navy also was ranked fifth in the NSCAA Northeast Region Poll on Sept. 6, 2016 after a 1-1-1 start to the season.

Messiah claimed the 2008 national title after advancing past Stevens in a penalty kick shootout. Stevens won the ECAC Championship in 2002 and O'Donohue led the Ducks to an unbeaten record of 18-0-3 in 2006.

O'Donohue led Stevens to nine conference championships during his tenure. On Nov. 9, 2001, the United States Naval Academy dedicated the new Glenn Warner Soccer Facility prior to the Navy men's soccer game against Bucknell.

The \$4.5 million Glenn Warner Soccer Facility is a prime example of one of the Naval Academy's latest accomplishments, while raising the bar of excellence.

One of the finest college soccer facilities in the nation, the Glenn Warner Soccer Facility was financed entirely by private contributions, designed by the architectural firm of Cochran, Stephenson & Donkervoet and constructed by Whiting-Turner, Inc. The 16,300-square-foot facility houses the Naval Academy's men's and women's varsity soccer teams.

The facility is named after Navy's legendary men's coach Glenn Warner, who guided the Midshipmen to nine NCAA Tournament appearances, four Final Four appearances, one national championship, 28 winning seasons and a record of 243-65-31 during his 30-year tenure. In a stretch from 1962-67, Warner's teams put together a string of 48 regular-season victories without a defeat (70-6-3) and qualified for five-straight NCAA Tournaments. Warner, who produced 26 All-Americans, was inducted into the NSCAA section of the U.S. Soccer Hall of Fame in 1992 and is a recipient of soccer's top award, The Honor Award. Warner passed away in 1997.

The cornerstone of the project is the Anders Hall of Honor, made possible by Maj. General William A. Anders, USAFR, and family, in appreciation of Warner and to recognize the leadership, character and commitment of former Naval Academy soccer players.

The Anders Hall of Honor features 13 trophy cases and display areas of cherry cabinetry that depict Navy's storied soccer history and tradition. From former Navy soccer players who achieved excellence in military service and leadership, to past Navy All-Americans and team captains, the "Hall of Honor" pays tribute to former Midshipmen and their military, civilian and athletic accomplishments. Designed by Murphy & Orr Exhibits, the 60-foot diameter lobby also features Navy's five men's soccer National Championships (1931, '43, '44, '45, '64). Warner's one and only unbeaten squad captured the 1964 National Championship. The floor of the lobby is terrazzo and features a 15-foot Naval Academy crest in the center. The Anders Hall of Honor gives the coaching staff a place to meet, greet and entertain recruits and midshipmen candidates, while experiencing the rich tradition of Navy soccer.

The home team wing highlights Navy's commitment to soccer and the future with two spacious team locker rooms, coaches offices and locker rooms, a fully-equipped training room, laundry and equipment rooms. The 1,300-square-foot men's and women's team locker rooms are equipped with custom-made wooden lockers for each athlete, a video projector and screen for viewing and analyzing of practice and game film. The 375-square-foot training room contains training tables, modern whirlpool, ultrasound and physical therapy equipment, and provides Navy's scholar-athletes with the most complete and advanced treatment in the country. Five equipment storage spaces provide 600-square feet for storage space and laundry service.

The visiting team wing of 4,300-square feet contains two spacious locker rooms, officials' locker room, ticket office, public restrooms and a concessions area.

The facility has a 120-yards by 75-yards flat bermuda-grass playing surface and a modern drainage system, allowing the field to withstand heavy rain. A state-of-the-art, scoreboard, funded by the Class of 1983, was erected at one end of the field. The stadium seats approximately 1,500 fans and provides fans with optimal viewing with room for further expansion.

Prior to the 2011 season, a 30-foot long, eight-foot deep press box was added to the top of the Glenn Warner bleachers. The press box is split into two booths and can accommodate up to 12 media members and game operations employees. The smaller of the two booths in the press box is used for television, radio and live streaming video broadcasts. The roof of the press box is enclosed by railings and is used for team filming.

In the summer leading up to the 2019 season, Navy hosted the United States Men's Soccer National Team at the Glenn Warner Soccer Facility for 11 days of training leading up to the 2019 Gold Cup. With the USMNT training at the facility, the grass at the Glenn Warner Soccer Facility received an upgrade that met the national federations standards.

Joseph Greenspan, a 2015 Naval Academy graduate, was a two-time NSCAA All-American at Navy and is the only Midshipman to play professionally in Major League Soccer.

Greenspan arrived at Navy in the summer of 2011 as a towering striker. The Westfield, N.J. native started in all 19 games as a freshman and ranked second on the team with four goals. He also broke Navy's single season school record for most shots (61). Greenspan had a breakout year in 2012, leading the team with six goals and 16 points. The forward scored Navy's first hat trick since 2007 and earned national team of the week honors following the achievement.

Prior to the 2013 season, Greenspan changed positions from forward to center back, where he had played during his club soccer days prior to Navy. The payoff was immediate as the junior anchored the defensive backline and led Navy to its best season in over 40 years.

Greenspan was named to the NSCAA All-America Third Team as a center back in 2013 and was tabbed as the Patriot League Defensive Player of the Year. He helped Navy post 11 shutouts and rank 15th in the nation in goals-against average (0.70). Navy went 16-4-2 overall and 9-0-0 in the Patriot League. Navy won the Patriot League Tournament and defeated VCU in the NCAA First Round, its first NCAA Tournament win since 1971.

Greenspan remained an offensive weapon on set pieces and had seven goals and 14 points in 2013. Greenspan scored the game-winning goal in double-overtime to lead Navy to a win over Army in the Star Match.

Greenspan entered his senior season in 2014 as a returning All-American and a legitimate professional soccer prospect. He remained a dominant center back and helped Navy post nine shutouts and a 0.65 goals-against average. Greenspan was selected to the NSCAA All-America First Team and was named the Patriot League Defensive Player of the Year for the second straight season.

Greenspan finished his college career as Navy's all-time leader in career games played with 78. He started 75 games, scored 42 points on 18 goals and six assists and played 6,627 minutes.

The Colorado Rapids drafted Greenspan in the second round of the 2015 Major League Soccer SuperDraft with the 26th overall pick. Greenspan became the first Navy soccer player to be drafted in the MLS.

The U.S. Navy assigned the surface warfare officer to a recruiting station in Denver and he was able to make his professional debut with the Colorado Rapids in the summer of 2015. In his first professional appearance, a U.S. Open Cup match against the Colorado Springs Switchbacks on June 16, Greenspan started at center back, played the entire game and even scored a first-half goal in a 4-1 victory.

Greenspan would later make his MLS debut on June 24 at Orlando City, becoming the first Midshipman to play in an MLS contest. Greenspan started against Orlando City and played the entire game. Greenspan played in three MLS matches in 2015 and two U.S. Open Cup matches.

Greenspan returned to the Rapids in 2016 after joining the Navy Reserves. He was loaned to the Colorado Springs Switchbacks FC of the USL for four games from July 7 to July 23. He was also loaned to the Charlotte Independence of the USL for seven games from Aug. 31 to Oct. 1.

Prior to the 2017 MLS season, Minnesota United FC, an expansion team, made a trade with Colorado to acquire Greenspan for its inaugural season. He was briefly loaned to the Pittsburgh Riverhounds of the USL for eight games from April 12 to May 24, where he was twice named to the USL Team of the Week.

Greenspan made his Minnesota United FC debut on June 14, 2017, starting a U.S. Open Cup match against Sporting KC. The first MLS Regular Season game he played for Minnesota FC was against Columbus Crew SC on July 4, 2017.

During the 2018 season, Greenspan earned First Team All-League honors in his second season with the Pittsburgh Riverhounds in the USL Championship and led the club with 162 clearances. He also scored three times in his 23 games played.

Greenspan resigned with the Pittsburgh Riverhounds for the 2019 season and went on to be selected as the USL Championship Defensive Player of the Year while also being named as First Team All-League in the USL Championship for the second-straight season.

Greenspan signed with the expansion club San Diego Loyal SC, which is managed by Landon Donovan.

2020-21 NAVY MEN'S SOCCER

Patriot League

Now in its fourth decade as an all-sport conference combining academic and athletic excellence, the Patriot League sponsors championships in 24 men and women's sports. Initially started as an NCAA Division I-AA football conference in 1986, the Patriot League became an all-sport conference in 1990 and includes American, Army West Point, Boston University, Bucknell, Colgate, Holy Cross, Lafayette, Lehigh, Loyola Maryland and Navy as full members, and Fordham, Georgetown, MIT and Richmond as associate members. These institutions are among the oldest and most prestigious in the nation and their alumni have and continue to play leadership roles in shaping our country.

The Patriot League's mission is simple: to provide successful competitive athletic experiences while maintaining high academic standards, and to prepare its student-athletes to be leaders in society. During the 2019-20 academic year, Patriot League student-athletes and teams accomplished the following:

- ★ 92 Patriot League teams (47 percent of League teams) earned NCAA Public Recognition Awards for ranking in the top 10 percent of their sport in Academic Progress Rate (APR), with 80 squads earning perfect scores.
- ★ The Patriot League ranked second among all conferences in Public Recognition Awards, and also placing second for the highest percentage of teams earning the honor at 47 percent.
- ★ The League's 94 percent graduation success rate (GSR) is the third-best mark in the nation, finishing in the top three in each year since the rating has been released in 2013. All 10 member schools were at 90 percent or higher, each exceeding the record-high national GSR of 89 percent. In addition the League's 83 percent Federal Graduation Rate (FGR) places it as the national leader for the sixth-consecutive year.
- ★ 14 student-athletes earned Google Cloud CoSIDA Academic All-America recognition including first-team accolades for Army West Point's Anthony Giachin (Baseball) and Serica Hallstead (Women's Swimming & Diving), Bucknell's Rick Mottram (Football), **Navy's Caddie Higginson (Women's Soccer)**, **Paige Miles (Women's Volleyball)** and **Micah Oh (Men's Swimming & Diving)**. Second-team honorees include Army West Point's Jacob Hurtubise (Baseball) and Benjamin Petrella (Men's Cross Country/Track & Field), Lehigh's Conor Gaffney (Men's Lacrosse) and **Navy's Jared Leins (Baseball)**. Third-team recipients include Loyola Maryland's Anne Hayburn (Women's Swimming & Diving), **Navy's Michael Coritz (Baseball)**, **Christian Daniel (Men's Lacrosse)**, and **Victoria Tran (Women's Soccer)**.
- ★ 47 Patriot League student-athletes received Google Cloud/CoSIDA Academic All-District recognition.
- ★ There were a Patriot League record 3,960 student-athletes named to the Patriot League Academic Honor Roll in 2019-20, besting the previous record, set in 2018-19, by 837 members.
- ★ Loyola Maryland's Anne Hayburn (Women's Swimming & Diving) and **Navy's Thomas Buffone (Men's Outdoor Track & Field)** both received 2019-20 NCAA Postgraduate Scholarships.

★ **Navy's Sydney Fortson (Women's Soccer)** was selected in nationwide balloting as the 2019 Senior CLASS Award winner in NCAA Division I women's soccer. Loyola Maryland's Ann Ernst (Women's Volleyball) received Senior CLASS Award Second Team honors in women's volleyball.

★ **Navy** won the Patriot League Presidents' Cup for the sixth-straight time and seventh in the last eight years following the 2018-19 academic year. Army West Point won the men's standings with a record 77 points, while Boston University topped the women's standings.

★ **Navy** and Loyola Maryland both qualified for the 2019 NCAA Women's Lacrosse Championships, marking the second time in as many years the League received two bids to the tournament. The Mids and Greyhounds both won their first-round matchups.
