The program finished the season ranked seventh in the nation ... Defeated Georgetown for the Forster Cup and Penn for the Callow Cup ... As a second-year leader of the lightweight program in **2014-15**, Bagnall once again had multiple crews qualify and race at the IRAs ... In 2015, Navy was represented with entries in the V8, V4+ and V4- events ... Navy's V8 crew finished eighth overall at the IRAs ... **2016** saw Bagnall and the Mids return to the IRAs with three crews: the V8, V4+ and V4- ... The 2016 Navy V8 boat finished seventh overall at the championship ... For the first time since 2008, Navy defeated Harvard for the Haines Trophy ... The Mids continued to hold the Forster Cup over Georgetown with the third straight win of Bagnall's tenure ... In his fourth season in **2017**, Bagnall and the Mids earned regular season wins over Princeton, Columbia and Georgetown before winning the 4V and 5V titles at the Eastern Sprints ... At the IRA National Championships, Navy entered V8, V4+ and V4- and collected the program's first individual boat title since 2012 when the V4+ finished in first place ... The program continued growing under Bagnall in **2018** as the Mids were victorious in the Callow and Forster Cup events before placing third in the Jope Cup team standings at the Eastern Sprints and later third in the team standings at the IRA National Championship ... Individually, the Mids V4- came in first at the IRAs ... In the final USRowing Collegiate poll of the year Navy ranked fifth ... Bagnall and the Mids hit even more goals in **2019** as the team was bestowed the EARC's Rusty Callow Award. The prestigious honor is presented each year by the EARC to the crew that best personified the virtues of "spirit, courage and unity." The Mids first varsity eight crew earned the Rusty Callow Award after their impressive effort at the Eastern Sprints. Navy's V8 was originally seeded seventh coming into the championship and outperformed those projections placing third in the grand final. The bronze marked the first varsity eight medal for Navy at the Eastern Sprints since 2006 ... As a program at the Sprints, Navy placed third in the Jope Cup standings as five of the Mids' six crews finished in the top-three of their respective classifications. The Mids' 3V8 came in first place overall in its event ... That success resulted in Navy finishing the regular season ranked second in the country ... In

the postseason, the Mids tied atop the team standings at both the Eastern Sprints and the IRA National Championship, unfortunately they dropped a tie-breaker to Yale at the Sprints and to Columbia at the IRAs. Navy's 4V and 5V won gold, while it's 1V and 2V took home silver at the Eastern Sprints. At the IRAs, Navy's 2V and V4 were victorious ... Additionally, the program was selected as the recipient of the 2019 Eastern Association of Rowing Colleges (EARC) Rusty Callow Award. Presented annually since 1963, the prestigious honor is presented each year by the EARC to the crew that best personified the virtues of "spirit, courage and unity." ... Six members of the 2019 varsity team were selected to participate and train with Navy's King's Cup team that represented the United States Armed Forces at the 2019 Royal Henley Regatta: Drew Bennett, Riki Gagnon, John Schoenewolf, Ben Skinner, Pat Urrutia and Chandler Washburn. Gagnon and Washburn raced with the top boat in the international King's Cup competition and walked away with the trophy as the top crew consisting solely of military athletes in the world. The King's Cup has only been raced for in 1919 and 2019. Bennett, Schoenewolf, Skinner and Urrutia competed against an international field in the Prince Albert Challenge Cup (4+) at the RHR.

2020

Navy was ranked sixth in the nation in the Preseason IRA/USRowing Coaches' Poll before the season was cancelled due to the COVID-19 pandemic in mid-March ... The program was recognized with the 2020 Academic Dean and Provost of the United States Naval Academy Team Sports Award for posting a cumulative team GPA of 3.47 ... Senior Kaden Dohm graduated as the USNA Class of 2020 Valedictorian.

2021

Navigating through a COVID-impacted season, the Mids went 4-1 in the regular season before dominating the field at the 2021 IRA National Championship where Navy swept the V8, 2V8 and V4- races ... The Mids' V8 captured the 1922 Trophy for the first time since 2004 ... With their program sweep, the Mids also captured the Men's Lightweight Points Trophy for the first time in the history of the award ... Riki Gagnon '21, Andy Laberee '22, Jack Ransick '22 and Jackson Fuller '23 were named IRCA First Team All-Americans; Connor Rex '23 was noted as an honorable mention (this was the first time that the IRCA named an A-A team) ... Shawn Bagnall was recognized as both the 2021 IRA and IRCA Lightweight Coach of the Year ... For the second straight year, Navy was honored with the Academic Dean and Provost of the United States Naval Academy Team Sports Award for posting a cumulative team GPA of 3.54

2022

Navy finished the regular season ranked second in the country ... In the postseason, the Mids tied atop the team standings at both the Eastern Sprints and the IRA National Championship, unfortunately they dropped a tie-breaker to Yale at the Sprints and to Columbia at the IRAs ... At the IRAs, Navy's 2V and V4 were victorious ... As a program, the team was recognized with the USNA's Provost Award for Academic Excellence for the third straight year with a combined GPA of 3.46 ... Additionally, Will Jarrett graduated as the Class of 2022 Valedictorian.
