It was also the first time in the school history that the Eagles posted back-to-back seasons with eight or more victories (8-2 in 2004). Along the way, NCCU captured the 2005 CIIA Championship, its first in 25 years, by rallying from a 17-0 halftime deficit to defeat Bowie State in the title game. The Eagles earned a No. 2 ranking in the final Southeast Regional poll, the highest in school history, and a first-round bye in the NCAA Division II Playoffs, their first postseason appearance since 1988. The Eagles also made history by becoming the highest scoring team in the school's record books, tallying 370 points for an average of 30.8 points per game.
