^C - Factors in appearances in the CHA consolation (third-place) game.

^N - Prior to the start of the 2019-20 season, the AHA adopted new a overtime format, which replaced the previous format of games ending in ties after one 5-minute overtime period. Beginning in 2019-20, if a game was still tied at the end of the first 5-minute overtime (played 5-on-5), another 5-minute overtime of 3-on-3 would take place. If the game remained tied at the conclusion of the second overtime, the game then moved into a round-by-round sudden death shootout. Only extra period "bonus point victories" are accounted for in the fourth column of the conference results. Losses are only counted as ties, as they do not result in an additional bonus point in the standings.

^V - Due to the COVID-19 outbreak, the 2019-20 season was abandoned on March 12, 2020, prior to Niagara's best-of-three Atlantic Hockey quarterfinal series at Army West Point.
