Why Highlanders?

The home of NJIT, University Heights, was formerly known as the Newark Highlands and NJIT's mailing address used to be High Street, until the thoroughfare was renamed in memory of Dr. Martin Luther King, Jr.

In 2006-07, NJIT athletics, in keeping with its move to NCAA Division I, unveiled a new graphic identity, which included a new Highlanders logo. Developed by CN Foundry for NJIT, the logo depicts the traditional Highlander, whose ferocity and bravery against all odds are the stuff of legend.

NJIT is New Jersey's Science & Technology University. With roots going back to 1881, when it was founded as Newark Technical School, New Jersey Institute of Technology observed its 125th anniversary in 2006.

Located in University Heights, Newark, NJ, home to more than 30,000 college students, NJIT's campus is just 10 miles from New York City.

Playing a critical role in shaping New Jersey's future, NJIT, as a major public technological university, is an important pipeline for the flow of technology into society. The university's educational programs prepare students to be leaders in the technology-dependent economy of the 21st century. University researchers seek new knowledge to improve processes and products for industry. Through public and private partnerships and economic development efforts, the university helps to grow new business ventures that fuel the economy.

In recent years, NJIT has put tens of millions of dollars toward new and improved buildings and facilities on the 48-acre campus, including biomedical engineering labs and a campus center.

Instructional Programs

NJIT offers an ever-expanding array of educational programs, with many new programs added in the last five years and more to come. In 2014 NJIT lists 125 undergraduate and graduate degree programs through six schools:

- Newark College of Engineering
- College of Architecture and Design
- College of Science and Liberal Arts
- School of Management
- Albert Dorman Honors College
- College of Computing Sciences

NJIT has 277 tenured or tenure track faculty; 99 percent of whom hold doctoral degrees or the highest degree attainable in their field. The student-faculty ratio is 16:1, with over 7,000 undergraduate students and nearly 3,000 graduate students. Our students hail from 33 states and more than 100 countries to rank eighth in the nation for diversity.

Albert Dorman Honors College enrolls more than 500 students who take advantage of honors courses, research opportunities, advising and mentoring. Honors College students have SAT scores ranking in the top 10 percent nationally.

With nearly 50,000 alumni, NJIT is an acclaimed institution.

Research

NJIT's research expenditures totaled more than $110 million in FY2014 and faculty members welcome student collaboration on research projects.

As of September 1, 2014, NJIT had 185 issued U.S. Patents and 133 pending U.S. patent applications.

Economic Development

NJIT is committed to economic development for Newark and the region. The university operates several outreach centers that provide direct technical assistance to the state's businesses with the goal of helping small and medium-sized companies. NJIT is also the home of New Jersey's oldest and largest incubator facility, and was one of the first institutions in the nation to adopt economic development as a fourth mission element, together with instruction, research and community service.

The Enterprise Development Center (EDC) at NJIT is New Jersey's largest high technology and life science business incubator, and one of the largest in the nation. EDC resident companies have attracted more than $80 million in third-party funding since entering the incubator, and generated revenues of $50 million last year. The approximately 90 member companies employ roughly 500 people.

The Global Edge

The diversity in NJIT's student body and faculty prepares graduates to understand and succeed in the global marketplace.

The Career Edge

- NJIT was named in the top 1 percent for return on investment and 8th in alumni earning potential among public universities nationwide by *Payscale.com*.
- Students get a head start on their careers through cooperative education, salaried internships that relate specifically to their field of study.
- The 10 fastest-growing occupations for college graduates include NJIT's newest program areas—physician assistant and physical therapy—as well as computer-related occupations.
- Among the CEOs of the S&P 500 companies, engineering is the single most common undergraduate degree (22 percent of the group). More than half of the CEOs have undergraduate degrees in engineering, business management, science, math, or computing.

The Technology Edge

NJIT has been designated one of the nation's most technologically sophisticated universities by *Forbes.com* and a *Princeton Review* survey and the university has received major funding from the National Science Foundation and the National Security Agency in recent years.

The Academic Edge

- NJIT named a Most Wired College by *Princeton Review*.
- NJIT was the first recipient of the Excellence in Technology Education Award presented by New Jersey Technology Council (NJTC), which annually recognizes outstanding technology companies and individuals who contribute to "growth, achievement, and excellence in diverse technology sectors of New Jersey."
- *Forbes.com* and a *Princeton Review* survey designated NJIT as one of the nation's most technologically sophisticated universities based on factors such as the ratio of computers to students, campus-wide and wireless networks, and technology-enhanced learning.

- NJIT has received major National Science Foundation (NSF) funding to define the next generation of computing applications. Most notable is the creation of *SmartCampus*, a wireless peer-to-peer, location-aware community system that immerses students in a world of wearable computers.
- NJIT has been designated a Center of Academic Excellence in Information Assurance (Homeland Security) Education by the **National Security Agency**.
- NJIT partners with Iowa State University in the Center for Information Protection (Homeland Security), an NSF-supported cooperative research center in information assurance.

The Regional Edge

New Jersey, with America's highest concentration of pharmaceutical, hi-tech, biotech, and medical device companies is the place to study technology. It has the nation's highest per capita number of engineers and scientists as residents, while also leading in per capita rate of patents issued. Further, the Newark-New York region is a living laboratory for architecture and building sciences, environmental engineering and transportation.

The Research Edge

NJIT has been designated by the State of New Jersey as the Homeland Security Technology Systems Center and NJIT operates the world-renowned Big Bear Solar Observatory.

A HISTORY OF NJIT

From the Industrial Revolution to the Information Age, New Jersey Institute of Technology has a rich history with its beginnings developing from the industrial age.

In 1881, an act of the New Jersey State Legislature, recognizing an urgent need, sought a home for what would be the state's technical school. The efforts of Newark's public and private sectors resulted with the opening of Newark Technical School, addressing the state's need.

Over time, the university expanded its curriculum and mission. In 1919, the university established baccalaureate programs in three engineering fields. By the middle of the 20th century, Newark Technical School was transformed into the robust Newark College of Engineering.

The post-war period was one of enormous activity with regular expansion of the campus, as well as the introduction of doctoral level programs. In 1975, with the addition of the New Jersey School of Architecture, the institution had evolved into a technological university, emphasizing a broad range of degrees and dedication to significant research and public service. Newark College of Engineering, stronger than ever, remained intact, but a new university name -- New Jersey Institute of Technology – reflected the institution's expanded mission.

A broadened mission called for the creation of a residential campus and the opening of NJIT's first dormitory in 1980 began a period of steady growth that continues. Two new schools were established during the 1980s--the College of Science and Liberal Arts (1982) and the School of Industrial Management (1988). The Albert Dorman Honors College was established in 1994, and the College of Computing Sciences, was created in 2001. Beginning in 2009 the College of Architecture and Design was created to house the New Jersey School of Architecture and the new school of Art and Design.

NJIT and NCAA Division I

Beginning on September 1, 2009, the entire NJIT athletics program officially gained across-the-board active membership in NCAA Division I, completing a process that began officially in 2003.

NJIT, its teams and student-athletes enjoy the full benefits of Division I membership, including eligibility for Division I postseason championship competition and the inclusion of the Highlanders among the national Division I leaders in statistics maintained by the NCAA.

Tom Brady

Within months of NJIT's active Division I membership, the school won its first national Division I statistical championships, as women's volleyball player Sabrina Baby led the nation in digs per set and her teammates captured the team crown for digs, as well.

The NCAA's decision to make NJIT a full member of Division I completed a specific timetable that required NJIT and its Department of Athletics to meet a series of annual benchmarks before proceeding to the next step in the process.

NJIT, which competed in NCAA Division II beginning in 1997-98 and in NCAA Division III for more than two decades before that, made its first formal move toward Division I reclassification with men's soccer paving the way in 2003. That move grew out of November 2002 meetings among then-President Robert A. Altenkirch, then Vice President Joel Bloom (who would later succeed Altenkirch as NJIT's President) and Director of Athletics Lenny Kaplan. From there came a proposal for Dr. Altenkirch to the Board of Trustees, which unanimously approved in February 2003 a plan to reclassify men's soccer to Division I. Little more than two years later, the NCAA approved NJIT's proposal to begin advancing its entire program to Division I.

Men's soccer achieved active Division I status in 2005 and NJIT women's soccer became postseason-eligible in 2007. The remaining programs also began reclassifying in 2005, with active status taking longer for an entire athletics program than under the single-sport- per-gender track used for the two soccer programs.

In 2005-06 the lion's share of the competition for all but the men's soccer program came at the Division II level. In 2006-07, 2007-08, and 2008-09, NJIT's teams competed at the Division I level and fully complied with NCAA Division I rules, but were not eligible for championships at the top level.

Every facet of the program has been enhanced in the move to Division I with a special emphasis placed on student-athlete welfare. Facility upgrades have gone along with support staff expansion. NJIT has built a model NCAA Division I rules compliance regimen within its athletics program and across the entire university.

Further, the Board of Trustees embraced the transition to Division I

NJIT and NCAA Division I

as part of the University's strategic plan to enhance the quality of campus life for all students.

NJIT's teams compete throughout the United States, taking on opponents from schools that are instantly recognizable for their stature in academics and athletics.

NJIT student-athletes have faced opponents every Ivy League institution, as well as the Patriot League, including Army and Navy, Buckell, Lafayette, and Lehigh.

The Highlanders have also competed against teams from every Division I conference with teams either in the Northeast or Mid-Atlantic States, including the America East, American Athletic, Atlantic 10, Big East, Colonial Athletic Association, Metro Atlantic Athletic, Mid-Eastern Athletic, and Northeast.

The eighth New Jersey-based institution in Division I, NJIT has competed against all seven of its home state peers, including Rutgers and Seton Hall.

In addition, Highlander teams have taken on squads from power conferences such as the ACC, Big Ten, Big 12, and Pac-12.

NJIT joined its first Division I conference in 2009-10 when the Great West became an all-sports conference and women's tennis captured back-to-back league titles in 2011 and 2012. In 2012-13, the final year of the GWC, NJIT men's basketball was regular season champion and NJIT women's basketball was GWC Tournament champion.

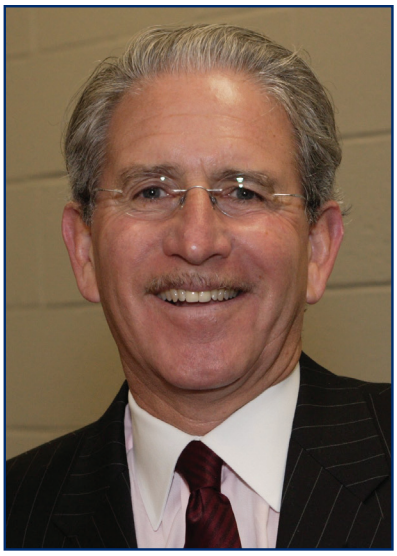

Moving on from the Great West, NJIT women's tennis joined the America East Conference in 2013-14 and finished as conference runner-up in 2014, the Highlanders' first try at the AEC title. NJIT men's soccer began play as a member of the Sun Belt Conference in 2014. Also in 2013-14, NJIT men's swimming became one of three new members in the Coastal Collegiate Swimming Association (CCSA).

In June 2015, NJIT and the Atlantic Sun Conference announced that the Highlanders would become the newest full member of the A-Sun. Founded in 1978 as the Trans America Athletic Conference, the conference took on its present name following the 2001 season.

The Atlantic Sun Conference will be the home of 13 of NJIT's varsity teams in 2015-16, with men's soccer moving over from the Sun Belt in 2016-17, bringing the total of A-Sun teams from NJIT to 14.

Brian Sondergard

DR. JOEL BLOOM

President, New Jersey Institute of Technology

Appointed President of New Jersey Institute of Technology on January 12, 2012 by unanimous vote of NJIT's Board of Trustees, Joel S. Bloom started his career in industry working as an economist.

He subsequently became an educator and administrator for the New York City public schools. Prior to coming to New Jersey, he worked as a research director and instructor at Teachers College, Columbia University.

In New Jersey, he managed state and federally-funded curriculum development and training centers for the state. From 1983 through 1990, Dr. Bloom served as assistant commissioner in the NJ Department of Education for the Division of General Academic Education. He was responsible for managing many of the education department's initiatives including competency testing, curriculum content standards, pre-school programs, establishment of 17 model effective schools, over 300 grants and contracts, and a $24 million budget.

Immediately prior to his appointment as President, he served as Interim President from September 2011 until January 2012. Prior to that, he was NJIT's Vice President for Academic and Student Services, as well as founding dean of the Albert Dorman Honors College.

Indeed, since joining NJIT in July 1990, Dr. Bloom has served the university in many capacities.

Promoted in 1996 to Vice President for Academic and Student Services, he was responsible for nine divisions of the university, including pre-college programs, enrollment management, continuing professional education, career development services, dean of student services, freshman studies, educational opportunity programs, library services, physical education and athletics.

Dr. Bloom was appointed as the first dean of the Albert Dorman Honors College in 1998, in addition to his vice president responsibilities. The Honors College enrolls over 650 students who come from 15 states and several foreign countries. The average SAT score is over 1340 and the majority of the incoming freshman class members graduated in the top 15 percent of their high school class. More than 50 percent of the Honors College students maintain a grade-point average higher than 3.5.

Dr. Bloom is chair of the Science Park Board, treasurer of the NJ President's Council, and treasurer of the NJEDge. Net Board. In addition, he serves as a member of the following boards: the Board for Communities and Schools, Newark Alliance, Philadelphia Alliance for Minority Participation, La Casa de Don Pedro, and the Association of Public and Land-grant Universities Presidents Council. Dr. Bloom has been the recipient of national and state education awards, as well as federal, foundation and corporate grant awards. He has published journal articles and presented papers on school improvement, curriculum development, college transition and student assessment.

Dr. Bloom holds a master's degree and a doctorate from Teachers College, Columbia University. He also earned master's and bachelor's degrees from Hunter College of the City University, New York City.

CHARLES J. FEY

Vice President for Academic and Student Services

Dr. Fey joined NJIT in September 2012 with 39 years of leadership experience in student services as Vice President of Academic Support and Student Affairs.

At NJIT, he continues his commitment to creating a campus climate that promotes student achievement and student success. His personal philosophy of student engagement extends to the development of innovative programs that inspire challenging and engaging student experiences and encourage each student to reach for his/her dream and work until it is achieved.

Dr. Fey's strong record of accomplishments demonstrates his deep understanding of emerging issues and trends that affect metropolitan campuses and the students who attend them. In addition to his direct involvement with students, Fey oversees numerous offices and departments at NJIT, including including Intercollegiate Athletics, Recreation and Intramurals, Physical Education.

Fey actively participates in student affairs business on a national level and holds or has held board positions in ACPA, NASPA, and APLU. He was the founding president of the Massachusetts College Personnel Association and was president of the Texas Association of College and University Personnel Association Fey has received numerous awards including the Esther Lloyd Jones Professional Service Award from ACPA; is a Diamond Honoree of ACPA's Foundation; twice received the Outstanding Service award from the Commission on Administrative Leadership of ACPA; and an exemplary service award from MCPA.

Fey earned his bachelor's degree in liberal arts and his masters of education degree in counselor education, college student personnel services, both from The Pennsylvania State University. He holds a doctorate in higher education administration from Texas A&M University.

Prior to NJIT, he was the Vice President for Student Affairs at The University of Akron; was Vice President for Student Affairs at University of Maryland, Baltimore County (UMBC); Dean of Students at the University of Texas at El Paso; served as Vice President and Dean of Student Life at Our Lady of the Lake University in San Antonio; Dean of Students at St. Mary's University, also in San Antonio; Associate Dean of Student Affairs at Keene (NH) State College; Director of Housing/Resident Life at Catholic University of America; and in numerous student affairs and other administrative posts at Newbury Junior College in Boston.

Married to Melba Ann Fey since 1985, Charlie and Melba have two daughters, Kelly Prestel, living in Boston, and Chelsea Fey, living in Arlington, VA and two sons, Lloyd Lopez and Matt Lopez, who live in San Antonio.

LENNY KAPLAN

Assistant Vice President/Director of Athletics

Since taking over as head of New Jersey Institute of Technology's division of physical education and athletics in August 2000, Lenny Kaplan has been instrumental in guiding the program's growth, first at the NCAA Division II level and, since late 2002, the successful reclassification to NCAA Division I.

The 2014-15 academic year saw momentous accomplishments and change for Highlander athletics.

In competition, two NJIT teams, men's soccer and men's basketball, scored victories over nationally-ranked opponents. Men's soccer defeated #22 Navy in late September 2014 and men's basketball became a national story when it upset #17/#16 Michigan in Ann Arbor on December 6. Later, the men's basketball team won its first three games in the national CollegeInsider.com postseason tournament, advancing to the semifinals.

Off the court, NJIT announced plans to build a new Wellness and Events Center, a $100 million on-campus facility with an opening targeted for 2017. And finally, the Highlanders, who had been the only Division I Independent in the nation, accepted an opportunity to become the eighth full member of the multisport Atlantic Sun Conference, effective July 1, 2015.

Along the way, Kaplan was promoted in 2014-15 to his new title of Assistant Vice President/Director of Athletics.

He has been a member of the Division I-AAA Athletics Directors Association (DI-AAA ADA) Executive Committee since 2012-13.The Division I-AAA Athletics Directors Association's mission is to enhance initiatives common to its Division I-AAA membership (the Division I institutions that do not sponsor football).

In September 2015, Lenny Kaplan was lauded at the annual Eastern College Athletic Conference (ECAC) Honors Luncheon. In a program that recognized student-athletes, administrators, institutions and officials, he was one of two named Division I Male Administrator of the Year.

Going back more than a decade to his arrival at NJIT, Kaplan helped stabilize and expand a program that was entering its fourth year in Division II. In late 2002, after discussions with then-university President Dr. Robert A. Altenkirch and Vice President (now President) Dr. Joel Bloom, Kaplan took on the task of steering NJIT's programs into Division I, an arduous process that reached fruition with the NCAA's granting active Division I status, with full championship eligibility effective September 1, 2009.

Throughout Kaplan's tenure, NJIT has enhanced the athletics program, particularly in areas that benefit the student-athletes directly. A hallmark in achieving that aim was the Highlanders Athletics Campaign, which announced in the summer of 2009 that it had raised $5.4 million, exceeding its original goal. In the $5 million goal, $3 million was for facilities, $1.5 million for athletic scholarships, and $500,000 for program support.

The sports offerings have expanded to the current 19 varsity programs. And since 2004, NJIT has renovated its two main on-campus venues—Lubetkin Field at Mal Simon Stadium at Lubetkin Field and the Estelle and Zoom Fleisher Athletic Center. Further, the Naimoli Family Recreation Center, a 25,600-square foot facility opened early in 2011 enhanced the recreational and intercollegiate opportunities on campus. The Naimoli Center is the home of both NJIT tennis teams.

The school also signed a 10-year partnership to play all home baseball in the professional Bears and Eagles Riverfront Stadium and later agreed to host select basketball home games in the Prudential Center, downtown Newark home of the NHL's New Jersey Devils. The NJIT club hockey team also plays all of its home contests in the AmeriHealth Pavilion, part of the Prudential Center that serves as the Devils practice rink.

Under Kaplan's leadership, many teams achieved regional and national Division II ranking. Success for several women's teams was unprecedented, with basketball, tennis and soccer all reaching postseason play for the first time in their existence under his administration.

Additionally, men's volleyball captured a divisional championship in the Eastern Intercollegiate Volleyball Association and the next year reached the EIVA playoff

Administration

semifinals hosted by eventual 2008 national champion Penn State.

In 2009-10, NJIT's first year as a full active member of Division I, the women's volleyball team and senior Sabrina Baby became the school's first Division I national statistical champions, as team and individual leaders, respectively, digs per set. Baby was honored as the school's first CoSIDA Academic All-America in the Division I era, earning third-team national honors.

Christian Baumbach made history in 2009 as NJIT's first individual DI conference champion, when he won the Great West Conference men's cross country race. He also won the prestigious IC4A University Division race in the 101st annual running of that contest.

In 2010-11, the Highlanders earned their first-ever Division I conference team championship when women's tennis captured the Great West title, a feat they repeated the following year. In 2012-13, both basketball teams won Great West Conference crowns. Individually, men's basketball players Isaiah Wilkerson (2011-12), Chris Flores (2012-13), and Damon Lynn (2014-15) have all been Associated Press All-America honorable mention recipients,

Marko Drljic became the first NJIT men's soccer player to be selected to the All-Region season honors from the NSCAA at the highest level, earning the honor in both 2013 and 2014. Cristian Marcel won similar honors in 2014. The duo were Sun Belt Conference Offensive Player of the Year (Marcel) and Defensive Player of Year (Drljic) in 2014, as well.

Men's tennis player Markus Schultz has achieved regional ranking in both 2013-14 and 2014-15.

John Porteous became the first NJIT track and field athlete to qualify to the 2014 NCAA Track and Field Regional, earning a spot in the men's 400-meter hurdles.

Julia Garcia, a freshman, was second in the epee at the 2015 NCAA Championships, becoming the school's first women's fencing All-America.

NJIT's growing success in Division I competition has been gone along with a continued commitment to excellence in the university's rigorous academic environment. The combined grade point average of Highlander student-athletes has been above 3.0 for 12 straight semesters through Spring 2015.

Before coming to NJIT, Lenny Kaplan served 11 years at Manhattan College, where he began as Manhattan's director of operations and was assistant athletics director from 1991-2000.

Kaplan, a 1988 graduate of St. John's University with a degree in athletics administration, resides in Merrick, NY, with his wife, Nancy. They are the parents of two sons, Michael, a student at Lafayette College, and Joshua, who is in high school.

SPORTS MEDICINE

NJIT sports medicine is moving forward with the growth of the Highlanders program. Head trainer Matt Koscs, MS/ATC, oversees the program, ably assisted by assistant trainers Paul Grayner, MEd/ATC; Melissa Maskery, MS, ATC; Brittany Vondran, MS/ATC; and, Kyle Tuohy, BS/ATC.

Matt Koscs, ATC, Head Athletic Trainer

Matt Koscs, who earned both his bachelor's and master's degrees from University of Delaware, has served NJIT as head trainer since July 2009, a year after he joined the staff as an assistant trainer.

As an undergraduate at Delaware, he was recipient of the Paris Delligatti Memorial Award for Excellence in Athletic Training. He earned his MS in Exercise Science from Delaware in 2008.

Prior to his arrival at NJIT, Matt served three years as the head athletic trainer at Hodgson Vocational Technical High School in Newark, DE, from 2005 to 2008.

In addition to his work at the high school level, he was head athletic trainer for the Delaware Dynasty semi-pro soccer team in Wilmington, as well as with the Kirkwood Soccer Club in New Castle in 2005 and 2006.

He was employed from 2005 to 2008 at Christiana Care Physical Therapy Plus, in Newark, DE, where he was an athletic trainer and was the Director of Athletic Training Services in a clinical setting.

He is a NATABOC certified athletic trainer, as well as holding additional certifications as a professional rescuer and in first aid.

He resides in Metuchen, NJ with his wife Kristin and daughters Eloise, Claire, and Madeleine.

Paul Grayner, ATC, Assistant Athletic Trainer

Paul Grayner, who joined the NJIT staff as an assistant athletic trainer late in the 2008 calendar year, has a diverse background in athletic training, having served at the college and professional levels, as well as in a fitness center setting.

A graduate of Saint Leo College in Florida and holder of a master's degree from American University in Washington, DC, Grayner has served as both a head and assistant trainer in the past.

From the mid-1970s to the mid-1980s, he was a trainer in the minor league systems of the New York Yankees and New York Mets from 1977 to 1985 and in 1984 he was assistant trainer with the Mets. He later worked with the Long Island Knights professional basketball team.

At the collegiate level, he was head trainer at Division I Fairleigh Dickinson University in Teaneck, NJ from 1989 to 1998 and he earlier worked as an assistant trainer at Hofstra (1982-85) and Adelphi (1985) on Long Island before joining FDU as an assistant (1986-89).

In addition to his work in athletic training, Grayner is a financial services representative and a life insurance sales representative.

He resides in Dumont, NJ.

Melissa Mackey, ATC, Assistant Athletic Trainer

Melissa Maskey, who joined the NJIT staff as an assistant athletic trainer in the summer of 2013, earned her bachelor's degree, majoring in athletic training and minoring in strength and conditioning, from the University of Delaware in 2011.

She earned her master's in athletic training at Temple University in May 2013.

As a graduate assistant, she worked in Philadelphia with several Division I teams at Drexel University and as an undergraduate, on the medical staff for Delaware's 2010 Division I Football Championship Series (formerly known as Division I-AA) national runner-up.

She has worked as a trainer at numerous summer camps and before coming to NJIT, she earned the 2013 Merit Award for Research in the College of Health Sciences & Social Work and was the recipient of Drexel University Dragon Award for Leadership.

She is married to Mark Mackey

Kyle Tuohy, ATC, Assistant Athletic Trainer

Kyle Tuohy, a 2014 summa cum laude graduate of East Stroudsburg (PA) University, joined the NJIT athletic training staff in September 2014.

Tuohy, who will attend graduate school while working at NJIT, won multiple awards from his alma mater, including the David Carylon Athletic Training Outstanding Student Award in May 2014.

He had varied clinical internship experience starting in the Fall Semester 2012 and continuing through his senior year.

His internships included stints with the East Stroudsburg women's basketball team; Parkland High School and Pen Argyl High School, both in Pennsylvania; the Tennessee Smokies professional baseball team, Class AA minor league affiliate of the Chicago Cubs; and Lafayette College in Easton, PA, where he worked closely with the Leopards football team in season and also worked with athletes from all in-season sports in the Fall Semester.

He holds several profession-related certifications, including from the National Athletic Trainers Association.

Catie Rose, ATC, Assistant Athletic Trainer

Catie Rose, who joined the NJIT staff as an assistant athletic trainer in the summer of 2016, earned her bachelor's degree, majoring in Athletic Training and Exercise Science from Sacred Heart.

She earned her master's of science in Kinesiology and Rehabilitation Science at University of Hawaii in August 2013.

Prior to her arrival at NJIT, she worked as the athletic trainer at Kalaheo High School in Kailua, Hawaii, providing treatment, rehabilitation and reconditioning of athletes injuries, in addition to offseason strength and conditioning workouts.

She has worked for the United State Tennis Association in Hawaii Pacific, Honolulu, Hawaii, Pac5 Athletics in Honolulu, Hawaii and for the WNBA Connecticut Sun in Uncasville, Connecticut.

As a student assistant at Sacred Heart University, she provided treatment for NCAA Division I football, men's basketball and men's lacrosse teams.

She holds several profession-related certifications, including from the National Athletic Trainers Association.

Louis Rizio, MD, Team Physician

Dr. Rizio is a board certified orthopedic surgeon and is fellowship trained in the field of sports medicine. He is a graduate of Rutgers and after earning his medical degree from the UMDNJ/New Jersey Medical School (recently reorganized and renamed Rutgers Biomedical and Health Sciences), Dr. Rizio completed his orthopaedic residency at Tufts University in Boston.

He then completed a sports medicine fellowship at the University of Miami. During his fellowship, he was assistant team physician of the Miami Dolphins, University of Miami Hurricanes, and the Florida Marlins.

Dr. Rizio, who specializes in sports-related injuries, practices at the Sports Medicine and Orthopaedic Center in Livingston, NJ. Prior to starting his own practice, Dr Rizio was the Chief of Sports Medicine at the NJ Medical School from 2000-2005. He currently is a professional, college, and high school team physician.

In 2013, Dr. Rizio was honored by the magazine New Jersey Monthly on its "Jersey Choice Top Doctors" list.

STRENGTH AND CONDITIONING

There are many ways to make a team better and a vital path to improvement comes with the mantra "bigger, stronger, faster".

It's how teams get better from within by maximizing individual and team performance in competition. The Strength and Conditioning staff also works closely with the Athletic Training Staff in the areas of injury prevention and rehabilitation.

In the summer and fall of 2014, NJIT's Strength and Conditioning took new direction with the appointment of Bobby Fisk as Head Strength and Conditioning Coach and Drew Culp as Fisk's Assistant Coach.

Bobby Fisk, Head Strength & Conditioning Coach

Bobby Fisk, who was a basketball player in his own college days and coached the sport after college, comes to NJIT from Xavier University in Cincinnati, where he was assistant coach of strength and conditioning for the entire Musketeers' program, which competes in the Big East Conference.

Fisk, a native of Schenectady, NY, spent over two years at Hobart and William Smith Colleges in Geneva, NY, where, as head strength and conditioning coach, he worked with successful teams, including women's soccer (William Smith College), which won the 2013 NCAA Division III National Championship; football (Hobart), which advanced to the 2012 Division III national quarterfinals and the regional finals in 2011 and 2013; and basketball, where Hobart reached the second round of the 2012 NCAA Tournament.

Moving to the Division I level with Xavier in 2013-14, Fisk worked with all 16 of the school's teams, with a primary assignment to women's basketball, men's and women's soccer, baseball, and men's and women's tennis.

He is a graduate of the State University of New York College at Oneonta (BS, Business Economics, 2008), Averett

University of Danville, VA (MBA, 2010), and California University of Pennsylvania (MS in Exercise Science, Performance Enhancement & Injury Prevention, 2013).

As a student-athlete, Fisk was a men's basketball player at NCAA Division I UMBC in Baltimore for three years before transferring to Oneonta, where he was on the team for two years, serving as captain as a senior and earning All-State University of New York Athletic Conference honorable mention.

As a senior for Oneonta's Red Dragons, he finished 16th in the nation in Division III in 3-point shooting percentage (.441) and 22nd in 3-pointers made per game (3.2) as a senior at Oneonta.

After graduation from Oneonta, he entered coaching while pursuing his master's degree at Averett, serving that program as assistant men's basketball coach (two years) and head strength and conditioning coach (one year).

Having received his master's degree from Averett in December 2010, he returned home to the Schenectady area and worked April 2011 to July 2011 as assistant strength and conditioning coach at nearby Siena College and with the minor professional basketball Albany Legends (head strength and conditioning coach).

Fisk holds multiple certifications and professional memberships.

Drew Culp, Assistant Strength & Conditioning

Drew Culp was named assistant strength and conditioning coach in September 2014.

Culp, who earned his bachelor's degree from Penn State University in 2010 and his master's degree from Penn State in 2012, most recently served as a volunteer assistant strength and conditioning coach at nearby Seton Hall prior to accepting his position with NJIT.

At Seton Hall, Culp worked with the school's Big East Conference men's and women's basketball teams, as well as with the men's soccer team.

Between college and coming to New Jersey, Culp worked at Velocity Sports Performance in Irvine, CA. He was a Sports Performance Coach and Assistant Sports Performance Director. Specifically, he was the Head Strength and Conditioning Coach for the El Toro High School football team and also assisted in training National Football League combine athletes. He also offered private training to athletes in a range of sports and age levels.

Drew Culp was a graduate assistant strength and conditioning coach at Penn State, working with the Nittany Lions football team for over a year through preseason 2012 and working with 11 Olympic Sports teams in his final semester.

He holds multiple certifications, including both strength and conditioning and first aid and CPR.

ACADEMIC ENRICHMENT

Sandra Taylor, Director of The Learning Center

Sandra Taylor was appointed as Director of The Learning Center in late September 2014 after serving as Interim Director for the previous 16 months.

She joined NJIT in January 2010 as Academic Advisor for Student-Athletes working in NJIT's Center for Academic and Personal Enrichment (CAPE), which has since been renamed as The Learning Center.

She mentored student-athletes in the areas of academic support, personal development, leadership, and community service. She was instrumental in bringing the Chi Alpha Sigma Honor Society for student-athletes to campus and has been individually certified from the N4A (National Association of Academic Advisors for Athletics) as an academic advisor for student-athletes.

In May 2013, she was elevated to Interim Director of CAPE and presided over its transition to the Learning Center in August of 2014. The Learning Center provides academic support to all students, mentoring and workshops, tutoring in areas outside of math and writing, and testing accommodations for students with disabilities. She has served on NJIT's Strategic Planning, Academic Advising, Retention and Persistence, Customer Service, Student Satisfaction, and Athletic Oversight Committees.

Prior to joining NJIT, Taylor spent 17 years as a key member of the Manhattan College Department of Athletics. She earned both her bachelor's degree in secondary education and her master's degree in special education from Manhattan College and is working on her doctorate in educational leadership at St. Mary's University in Winona, MN.

Working in the athletics department at Manhattan, a founding member of the Metro Atlantic Athletic Conference, Taylor was Associate Director of Athletics and Senior Woman Administrator, having filled those posts from 1996 until joining NJIT in 2010,

For much of her time on the Manhattan staff (1995 to 2003), she was Chief Athletic Department Compliance Officer, with responsibility for Manhattan's adherence to NCAA Division I, MAAC and college regulations. She began her service at Manhattan as Athletic Department Ticket Manager, serving in that capacity from 1993 to 2003.

In her time at Manhattan, she served on numerous NCAA, conference and internal college committees, including service on the NCAA Division I Management Council from 2004 to 2007 and as chair of the NCAA Women's Lacrosse Committee from 2002 to 2006.

At the conference level, she chaired the MAAC Women's Basketball Committee from 1997 to 2009 and also served on four other sport committees, as well as on the MAAC Committee on Athletic Administration, with service as vice-chair in 2008-09.

Internally at Manhattan, her assignments included service on the Middle States Review in 2000 and on the NCAA Certification Committee.

Sandra and her husband, Ken, who is Associate Athletics Director/ Development and Marketing at Monmouth University after many years as Associate Commissioner at the MAAC, reside in Monroe Township, NJ, with their daughters, Katherine, who was born in May 2004, and Samantha, who was born in July 2009.

Mike Spisto, Eligibility Certification Officer/Academic Advisor for Athletics

Mike Spisto moved to administration as NJIT's Eligibility Certification Office/ Academic Adviser for Athletics in the Spring of 2013, working in the Center for Academic and Personal Enrichment (CAPE), now named The Learning Center.

For the previous five years, he was the top assistant coach on the men's basketball staff, working with head coach Jim Engles in an association that culminated with the Highlanders capturing the 2013 regular season championship of the Great West Conference.

In addition to 14 years college coaching—five at NJIT—he served as Director of Athletics at the State University of New York at Delhi in the two years before he joined Engles' coaching staff with the Highlanders.

He had two stints as head coach at SUNY at Delhi sandwiched around three years as a Division I assistant with Rider and Albany (NY). He began his coaching career with two years an assistant at his alma mater, Division III SUNY Oneonta.

At Delhi, which is also an alma mater, he was head coach from 1999 to 2001, left to become a Division I assistant and then returned for another two-year stint as head coach from 2004 to 2006 before becoming AD at Delhi.

His head coaching record in four years at SUNY Delhi was 86-31 and both stints included championships and coaching awards. His first Division I coaching assignment came at Rider University in 2001-02, where he worked alongside Jim Engles as an assistant when Rider captured its first-ever Metro Atlantic Athletic Conference regular season championship.

Heading to the University at Albany (NY), he helped recruit the team that would win back-to-back America East Conference championships.

Spisto's coaching career began at Oneonta State following his 1997 graduation. In addition to his bachelor's degree from Oneonta, he earned an associate's degree from SUNY Delhi, as well as an MSS from United States Sports Academy.

He played at both Delhi and Oneonta and was all-region twice at Delhi, where he is the career assists leader. At Oneonta he was captain as a senior after winning an ECAC title his junior year.

Mike and his wife, Katie-Lynn, reside in Staten Island, NY, with their young children: sons Michael (10) and Christopher (7), and daughter Alyssa (3).

Brittany Vorndran, Academic Advisor for Student-Athletes

Brittany Vorndran, moved to administration as NJIT's Academic Advisor for Student-Athletes in Fall 2015, working in The Learning Center.

For the previous three years, she was an assistant on the NJIT Athletic Training staff, working with women's soccer and men's volleyball teams.

She earned her bachelor's degree, majoring in athletic training, from Bridgewater (MA) State University in 2010 and was the school's 2008-09 Athletic Training Student of the Year.

She earned her master's in Kinesiology at James Madison University in Harrisonburg, VA, in May 2012. At James Madison, she worked with the cross country, track and field, tennis and cheerleading teams.

Brittany resides with her fiancé Joe in Morristown, NJ.

COMING IN FALL 2017—
THE NJIT WELLNESS AND EVENTS CENTER

NJIT hosted a groundbreaking ceremony on Thursday, November 12 for the Wellness and Events Center (WEC), a sleek new building that has the promise to become the social centerpiece of a revamped campus.

The Wellness and Events Center (WEC) is a $102 million building that will be constructed on the site of the current Lubetkin Field at Mal Simon Stadium athletic field. WEC will extend across the length of the field, which will later be rebuilt on the north side of the building. The construction of WEC, which began after the groundbreaking, will be finished in the fall of 2017.

The WEC will accommodate the rapid growth of the school's athletic department, student body, and campus community. In addition to a number of conference, academic, and community facilities,the building will house a first-class basketball arena, natatorium, locker rooms, indoor track,concessions, suites, offices, and a fitness center.

The 3,500 seat basketball arena will compare favorably with many Division I mid-major facilities throughout the country, allowing NJIT to continue to grow their men's and women's basketball programs.

WEC will have many amenities, just some of which include:

- A 25-meter swimming pool with diving area
- A fitness center with cardio equipment and weights
- Lounges, study areas and multipurpose rooms
- An indoor 10,000 square feet turf space
- Two practice courts for intramural and intercollegiate sports
- A running track that will encircle the concourse of the first-floor arena
- The arena will seat 3,500 people, but the bleachers are designed to retract, allowing the floor space in the arena to triple in size.
- The expanded floor space will host campus events and professional conferences
- An inside path on the first floor will allow students to walk from the subway and other areas on Lock Street to the main campus quad
- A 30-foot-wide promenade between Tiernan Hall
- The outside steps and the open space on WEC's northside are designed for students to sit comfortably
- WEC will be three stories high and its north side will be all windows, through which natural light will flood into the building. The tall windows will overlook the new athletic field.

Athletics Facilities

With construction underway on-campus for the new Wellness and Events Center, which is scheduled to open in Fall 2017, the New Jersey Institute of Technology soccer and men's lacrosse teams play home games and practice in a combination of facilities off campus.

The on-campus facilities include the Estelle and Zoom Fleisher Athletic Center for indoor sports. In addition, NJIT in 2011 opened is the Naimoli Family Athletic and Recreational Facility, a multi-purpose indoor facility on the site of the former outdoor tennis courts.

Off-campus venues include Bears and Eagles Riverfront Stadium, a professional minor league stadium that is the home of NJIT baseball; the Prudential Center, home of the NHL Devils, which has hosted selected NJIT basketball games; and, Branch Brook Park in Newark and Van Cortlandt Park in the Bronx, home sites for NJIT cross country. All except for Van Cortlandt Park are less than two miles from the NJIT campus.

KEAN UNIVERSITY—EAST CAMPUS FACILITY

The new Wellness and Events Center is just another example of NJIT's commitment to building and expanding their athletic facilities in order to compete at the highest level. Until its completion in Fall 2017, the NJIT men's and women's soccer home field for the 2016 season will be in Union, NJ, on the campus of Kean University – East Campus Facility.

The East Campus Facility on the campus of Kean University has been the long-time home for the Kean's men's and women's soccer programs.

The facility, a grass stadium, has two practice fields and a 1,200 seat capacity at the East Campus.

Lubetkin Field at Mal Simon Stadium, the home of the NJIT Highlanders through Fall 2015 served as the host site for the first Great West Conference women's soccer tournament in November 2009 and previously, NJIT hosted the three-day ECAC Division II women's soccer championship tournament..

ESTELLE AND ZOOM FLEISHER ATHLETIC CENTER

The NJIT men's and women's basketball teams and men's and women's volleyball teams play their home games in the Fleisher Athletic Center gymnasium, while the swimming and diving team competes and practices in building's pool. The Fleisher Center also houses intercollegiate fencing, as well as all athletic department offices, varsity and general weight and fitness rooms, and the athletic training room.

In the summer of 2006, the gym underwent renovation to include installation of a new floor and baskets, new lighting, new sound system and new scoreboards, along with entirely new seating for approximately 1,500 spectators after the first phase of renovation. The back bay 'C gym' can be sectioned off from the main competition floor, making the facility useful for intramurals, physical education classes and campus recreation time, while being able to host multiple simultaneous events.

A six-lane swimming pool in Fleisher Athletic Center is home to the NJIT swimming team. Fencing has its own area on the second floor of the building.

In addition to all athletic department offices, the Fleisher Athletic Center also houses the sports medicine staff in the Athletic Training Room and the varsity weight room, supervised by the head strength and condition coach. The building's third floor is home to a fitness center, which is open for use by all students and staff.

Athletics Facilities

BRANCH BROOK PARK AND VAN CORTLANDT PARK

A hallmark of the NJIT cross country program under veteran coach Al Alonso is its ability to host cross country competition that have made Highlander-sponsored races a popular destination for schools from throughout the New York/New Jersey area.

In 2009, NJIT hosted the Great West Conference championships at Van Cortlandt Park in the Bronx, and the course, which is home to some of the most prestigious events in the sport, is also the home venue for other annual NJIT-hosted races. Branch Brook Park, which is a public park of Essex County, reaches into several towns, including Newark, with the park entrance less than a mile from the NJIT campus.

THE NAIMOLI FAMILY ATHLETIC & RECREATION FACILITY

Opened in 2011, the facility is approximately 25,600 square feet. The Naimoli Family Center will be a multi-purpose space for athletics, community recreation, and gatherings involving large numbers of people.

Built on top of the old outdoor tennis courts adjoining the Fleisher Athletic Center, construction of this new building has been made possible, in part, by a generous gift from Vincent Naimoli '62, Chairman and CEO of Anchor Industries International and Chairman Emeritus/Founder of the Tampa Bay Rays major league baseball team.

The facility houses courts for tennis and is available for other athletic and recreational activities, including practice for basketball and volleyball. It is heated and air conditioned, with flooring appropriate for the intended athletics and recreational activities.

Its indoor tennis courts offer vital year round practice and playing opportunities for NJIT's intercollegiate tennis teams, which have been consistently successful in the transition to Division I. In 2011, the women's tennis team became NJIT's first conference championship team in the Division I era.

TRACK FACILITIES

The NJIT men's and women's indoor track & field team trains at the Jersey City Armory which is home to a 6-lane indoor 200m track while the outdoor track & field team trains at the Nat Turner Park 6-lane outdoor 400m track.

NJIT Athletics Weight Room at Estelle and Zoom Fleisher Athletic Center

RED BULL ARENA

Located in Harrison, NJ, just across the Passaic River from Newark and less than three miles from the NJIT campus, the new home of the New York Red Bulls (opened in March 2010) sets the standard for soccer venues across North America.

The state-of-the-art soccer-specific facility is a major component of a multi-billion dollar development.

Red Bull Arena has a number of key design elements which give its seating bowl a close-to-the-action feeling and the unique stadium roof design extends from its leading edge over the entire seating bowl and then curve down to the concourse.

The overall seating capacity for soccer is 25,000, including 30 luxury suites (20 lower level and 10 upper level) and 1,116 club seats. Other amenities include three stadium clubs and two retail outlets.

BEARS AND EAGLES RIVERFRONT STADIUM

Bears and Eagles Riverfront Stadium, the $30 million state-of-the-art home of professional baseball and, since 2004, the home of NJIT Highlanders baseball, officially opened to the public on July 16, 1999. With a seating capacity of 6,200, "The Den" affords fans an up-close view of the action. The ballpark also has 20 luxury suites, a picnic area, a party deck, a concert stage situated behind the outfield wall and a major league-caliber press box.

In December 2005, NJIT and the Bears held a joint press conference to herald a new partnership that includes a 10-year deal that extends Bears and Eagles Riverfront Stadium as the home of NJIT Highlanders baseball.

NJIT and the Atlantic Sun Conference

July 1, 2015 will go down as one of the most important days in the history of athletics at New Jersey Institute of Technology.

On that day, NJIT formally became a full member of the Atlantic Sun Conference, giving a Division I conference home to 14 of the 19 Highlander intercollegiate sports. For NJIT, which began the transition to NCAA Division I in 2003-04, becoming a championship-eligible member of the NCAA's highest level on September 1, 2009, membership in the A-Sun offers the University's student-athletes the full Division I experience for the first time.

About the Atlantic Sun Conference

For 37 years, the Atlantic Sun Conference has supported its member institutions in providing intercollegiate athletics programs committed to Building Winners for Life. The A-Sun meets it mission by maintaining the highest standards in academic and athletic achievement, creating a balance between student and athlete. Adding an emphasis on sportsmanship in the competitive arena and fostering leadership opportunities through community service, the A-Sun, its member institutions and its student-athletes aim for an overall educational experience that is successful in Building Winners for Life.

The 2014-15 season was another bright spot for the A-Sun for a number of reasons, as the conference and its member institutions celebrated record levels of excellence both on and off the field:

BUILDING

The student-athletes of the A-Sun consistently achieve academic accolades at all levels...

- Three institutions set record highs in the 2014-15 A-Sun All-Academic honors. More than 68 percent of the student-athletes in the A-Sun posted a 3.0 grade point average or better, setting a new A-Sun record, including the nearly 86 percent of Lipscomb student-athletes honored as the Bisons claimed the league Academic Trophy for the second-straight year.
- For the sixth-consecutive year more than 60 percent of the A-Sun's teams were honored, a first for the conference. Also, for the third straight year at least three institutions recorded new highs in their final percentages of student-athletes honored academically.
- In addition to the institutional highs in the A-Sun All-Academic honors, a total of eight sports also recorded percentage highs and four sports also turned in totals of at least 80 percent of the teams recording a 3.0 GPA or better.
- Eleven total Atlantic Sun Conference male and female soccer programs received Team Academic honors from the NSCAA, and seven of eight A-Sun women's soccer teams were recognized by the NSCAA.
- A total of eleven A-Sun student athletes were honored with Capital One Academic All-District honors, with USC Upstate men's soccer player Marvin Schmiege earning All-American accolades based on his performance on and off the pitch.

WINNERS

... while performing at a high level in the competitive arena ...

- Three men's basketball teams earned invitations to postseason play with North Florida in the NCAA, while FGCU and USC Upstate both earned spots in the CIT. For the seventh-straight season, the conference earned a postseason victory as the Spartans defeated James Madison, 73-72 in the opening round.
- Ty Greene (USC Upstate) capped an exceptional career earning Player of the Year honors in the A-Sun, as well as national recognition by capturing the Lou Henson Award as the National Mid-Major Player of the Year.
- The 2015 A-Sun Men's Basketball Championship Final drew in a conference record 6,155 fans.
- FGCU women's basketball spent six weeks in the national rankings, en route to conference record-tying seventh seed in the NCAA Tournament. The Eagles posted the league's first women's basketball tournament victory since 1998 with a 75-67 opening round victory against Oklahoma State.
- Every A-Sun conference basketball game was aired on the ESPN family of networks. The Atlantic Sun accounted for 20 percent of ESPN3's college basketball inventory.
- USC Upstate softball advanced to the NCAA tournament for the third consecutive year, picking up a win against Fairfield. It marked the sixth consecutive time an A-Sun team has won an NCAA Regional match up.
- FGCU women's soccer hosted Auburn in the 2014 NCAA Tournament, marking the first time in school history an NCAA Championship event took place on campus and the first time an A-Sun women's soccer team hosted a tournament contest.
- For the first time in conference history two A-Sun Volleyball teams were awarded spots in the NCAA Tournament field of 64 with Jacksonville receiving the automatic bid and Lipscomb earning the league's first at large selection.

- Men's golf sent a record-tying four teams to the NCAA Regionals, giving the conference at least two teams in Regional play for eight-straight years.
- FGCU men's tennis head coach CJ Weber was named the Wilson/Intercollegiate Tennis Association Southeast Region Coach of the Year.
- North Florida's Donnie Dewees was selected in the second round by the Chicago Cubs, giving the A-Sun three players in the last three years selected in the first two rounds of the MLB First Year Player Draft (Max Pentecost, 2014 and Chris Anderson, 2013)

FOR LIFE!

...and preparing themselves to become valuable members of their community

.

- A total of 14 Atlantic Sun Conference teams posted perfect scores for the 2013-14 academic year and 98 percent cleared the NCAA's standard benchmark in the NCAA's 11th annual Academic Progress Rate report. A total of 67 A-Sun teams met or exceeded the most recent four-year Division I APR of 978. Additionally, 69 A-Sun teams in the 2013-14 measure posted at or above their sport-specific averages.
- The A-Sun also had 14 teams recognized by the NCAA for earning Public Recognition Awards, based on their most recent multi-year APR. These awards are given each year to teams with APRs in the top 10 percent in each sport. The A-Sun recorded at least 13 teams for the fourth straight year, and for the seventh consecutive year the A-Sun has had at least 10 teams earn the award. The A-Sun has totaled 124 Public Recognition Awards since they first were awarded in 2004-05.
- Jacksonville pitcher Brian Holcomb, a 17 year U.S. Navy veteran and wounded warrior, earned his first collegiate start at the age of 34 in 2015.
- The second annual A-Sun Winners for Life Team honored student-athletes from each of the eight member institutions who best represent the A-Sun's commitment to "Building Winners for Life." Those student-athletes maintain the highest standards in academic and athletic achievement; represent a true balance between student and athlete; exhibit and promote sportsmanship in the competitive experience; and exhibit leadership through community service on- and off-campus and at home.
- For the second consecutive year, seven Atlantic Sun Conference member institutions were named to the 2014 President's Higher Education Community Service Honor Roll, one with distinction.

The Atlantic Sun Conference is a NCAA Division I league with eight member institutions committed to Building Winners for Life. The A-Sun meets the challenge of maintaining the highest standards in academic and athletic achievement with a true balance between student and athlete. Headquartered in Macon, Ga., the A-Sun footprint reaches into seven of the top 50 media markets in the nation. The A-Sun includes a blend of the most prestigious and dynamic private and public institutions in the region: Florida Gulf Coast University, Jacksonville University, Kennesaw State University, Lipscomb University, New Jersey Institute of Technology, University of North Florida, University of South Carolina Upstate and Stetson University.

NJIT Athletics Mourns the Passing of Tim Camp

The New Jersey Institute of Technology Department of Athletics mourns the passing of Tim Camp, Assistant Athletic Director for Sports Information.

Camp joined the NJIT staff in August of 2005 following 16 years at Saint Peter's College in Jersey City, where he served as Assistant Director of Athletics for Sports Information.

He was inducted into the Saint Peter's Hall of Fame in 2008. He also received the Mike Cohen "Good Guy" Award at the 76th Annual Metropolitan Basketball Writers Association Awards Dinner on April 16, 2009.

The "Good Guy" award is honored annually to someone who has been especially friendly and helpful to the media, often going above and beyond to make their jobs easier and more pleasant.

At NJIT, Camp's responsibilities included, assisting in the administration of the athletics department, publicizing the activities of the Highlanders' 19 varsity teams, development and production of all the athletic publications, and overseeing the maintenance of the department's website.

Quotes from Colleagues

Lenny Kaplan Assistant Vice President/Director of Athletics, NJIT

"This is a loss for the entire NJIT community. I have known Tim for over 25 years, and knew him as a part-time consigliere, and always a friend. He had great recall, always with a story or bit of history – he was like a walking fact/history book, uncovering obscure facts. I can still see him sitting across from my desk or on the phone, and saying – 'Lenny I have an interesting fact for you…..' An old-time S.I.D. who could write game recaps or feature stories with the best of them. He will be missed."

William (Bill) Stein former Athletic Director at Saint Peter's University

"I feel very fortunate to have worked with Tim at Saint Peter's. He was a very special person, excellent writer, loved by all he met, student-athletes loved him and he loved them. I never heard him say anything negative about anyone. He is a true friend and I will miss seeing and talking with him."

Bill recalls a time that Father James N. Loughran read the Saint Peter's men's soccer story that Tim wrote when Peacocks beat Brown (at Brown) in the 2003 NCAA Division I Men's Soccer Tournament. Father Loughran thought it was "the best sports article" he ever read and felt like he was at the game.

Jeffrey Bernstein, Assistant Athletic Director for Sports Information at NYU

"Tim was loved and appreciated by so many people within the Intercollegiate Athletics and Sports Information communities. He didn't have a negative bone in his body and was a completely selfless individual. His passing is very sad, but so many of us are better off for having known him and having spent time with him."

BRIAN GUILIANA

Head Coach

Brian Guiliana has guided NJIT baseball with a steady hand since being named head coach ahead of the 2013 season.

He joined the NJIT coaching staff an assistant coach in 2010-11, filling that role for two seasons until being named to succeed Mike Cole as head coach in the summer of 2012.

His seasons on the Highlander coaching staff have included the program's most successful seasons since it began Division I competition in 2007.

In 2011, his first year as an assistant coach, the team reached 20 wins for the first time at the Division I level. The following year's team eclipsed that mark in a 25-27 overall finish that included a 16-12 record in the old Great West Conference, which was good for a second-place tie in the regular season.

In 2014, Guiliana's second season as head coach, NJIT reached 20 wins for a third consecutive season and one of the wins came over Central Arkansas, a program that had won 42 games the previous year and reached the NCAA Regional Final at Mississippi State

In 2015, the Highlanders secured a winning season for the first time at the NCAA Division I level, with a 24-23-1 overall record. NJIT posted a 7-0-1 record from March 27 through April 4, while also splitting eight and sweeping four doubleheaders over the course of the season.

He has coached three players with the Highlanders who are professional baseball players, including two taken in the last three Major League Baseball first-year player drafts (Mark Leiter, Jr., Phillies, 2013 and Ed Charlton, Reds, 2015).

Prior to joining the staff at NJIT in the fall of 2010, Guiliana was well known on the amateur baseball scene in New Jersey as a scout for the then-Florida Marlins, beginning in January 2006. In that role, he covered the entire state of New Jersey and assisted with the rest of the Northeast. As a scout, Guiliana fostered and maintained strong working relationships with high school and college coaches from throughout the state.

The resident of Rockaway, NJ, previously coached and gave private instruction since 1996 and was also active in summer baseball, organizing and managing teams in tournaments throughout the region and had players selected in the annual major league draft.

He is a graduate of The George Washington University in Washington, DC, where he was the recipient of both an academic and an athletic scholarship and was a captain of the GW baseball team, which he led in home runs as a senior.

Brian and his wife Sarah reside in Rockaway, NJ, with their daughters Angelina and Gianna.

NJIT

ROBBIE MCCLELLAN

Assistant Coach

Robbie McClellan, a former professional pitcher who has built a successful college coaching career, first joined the baseball program at NJIT as an assistant coach, in August of 2012.

In his first season with the Highlanders, McClellan helped guide the final seasons of two pitchers, Mark Leiter, Jr, and Tripp Davis, who would make the transition from college to professional baseball in the summer of 2013. Leiter, who made national news with 20 strikeouts against Chicago State, the most in any Division I game nationally in 2013, would be picked by the Philadelphia Phillies in that June's first-year player draft. And Davis signed as an undrafted free agent with the organization of the 2014 American League champion Kansas City Royals.

The following season, with three regular starting pitchers who had not been in the previous year's rotation, McClellan's pitching staff shaved nearly a full run off of its team earned run average, that despite the graduation loss of two ace pitchers who went on to pro ball.

The 2015 season posed even more of a challenge on paper, with freshmen accounting for 61 percent of the team's inning pitched. They responded with a better staff ERA than the season before and freshman Tommy Derer was the team ERA leader (2.17) and Johnny Malatesta and Sean Lubreski each matched the program records for wins in a season by a freshman (5).

McClellan, who pitched in the minor leagues for three seasons after being drafted in the 12th round of the 2003 Major League Baseball June Amateur Draft by the Kansas City Royals, made a quick transition into college coaching when his playing career ended prematurely due to injury.

After retiring from playing in the summer of 2007, he joined the coaching staff at Chandler Gilbert Community College in Arizona that September and was the program's pitching coach until signing on for the staff at NJIT. At Chandler Gilbert, a national-level two-year program, 27 of his pitching pupils have either moved on to NCAA Division I programs or to sign professional contracts.

"Coach McClellan is an experienced evaluator and tireless recruiter." head coach Guiliana stated when he hired his pitching coach. "Most importantly, he has a proven track record of developing players. In five years of coaching in junior college and summer leagues, 27 players have signed professional contracts and over 35 have gone on to play at the Division I level. Coach McClellan will be a major part of the NJIT baseball team's continued success."

McClellan, himself, pitched two years at Seward County Community College in his native Kansas before moving on to the top Division I program at Arizona State, where his teammates included current major league stars Dustin Pedroia (2007 American League Rookie of the Year and 2008 AL Most Valuable Player for the Red Sox) and Andre Ethier (two-time National League All-Star for the Dodgers).

McClellan was all-conference both of his years at Seward, ranking second in the nation in strikeouts per inning as a freshman (80 strikeouts in 51 innings). At Arizona State, he was a key part of the 2003 team that won 50 games, was ranked first in the nation at one point, advanced to the NCAA postseason Super Regional and ranked seventh in the final national poll, as he posted a 7-0 won-lost record. A year earlier, he was honorable mention all-Pac-10 Conference and earned Pac-10 and National Pitcher of the Week.

Drafted by the Royals, he won 14 games in two seasons in their organization before missing the 2005 season. Joining the independent minor league Traverse City club in Michigan in 2006, he won 12 more games before retiring in July 2007. His manager, Jon Cahill, said at the time: "Robbie has been a great competitor for us the past two seasons and is a first class individual on and off the field. I wish more players had the heart and soul for the game of baseball like he does."

In addition to his coaching at Chandler Gilbert Community College, McClellan served as pitching coach for teams in the famed Cape Cod Baseball League and in the Texas Collegiate League, two of the top summer circuits for college players. In three years on the summer scene, he coached 35 players who were drafted by major league baseball.

He is a 2011 graduate of Northern Arizona University.

GRANT NEARY

Assistant Coach

Grant Neary joined the NJIT baseball coaching staff in September 2012 as an assistant under head coach Brian Guiliana.

Prior to Neary's arrival at NJIT, he served as the Assistant Baseball coach at Bloomfield College, an NCAA Division II school. In 2012, Bloomfield advanced to the Quarterfinal of the Central Atlantic College Conference (CACC) Tournament and finished with a 22-21 overall record. Six players on the 2012 squad earned all-Conference honors, two garnered all-Region honors and two were Rawlings Gold Glove Award recipients under Neary's watch.

Neary served as the Associate Head Baseball Coach, Head Baseball Coach,

Assistant Athletic Director and Head Strength and Conditioning coach at the City College of New York from 2009-2011.

In 2010 and 2011, Neary led CCNY to the Quarterfinal Round of the CUNY Conference Playoffs. He coached 12 players to All-Conference honors and one National Strength and Conditioning All-American during his time at CCNY.

Before Neary's time at CCNY, he served as the Chief Operating Officer of Power Hitter Sports Performance LLC from 2006 to 2009. Prior to the opening of his business, he was an Assistant Baseball Coach at Watchung Hills Regional High School from 2005 to 2006.

He helped guide the 2005 Watchung Hills squad to a State Championship and led the Watchung Hills American Legion program to its first playoff berth in over a decade in the summer of 2006.

Neary began his coaching career as an Assistant Strength and Conditioning Coach at Stevens Institute of Technology from 2001-2003. He was a first-team all-state baseball player at Bridgewater-Raritan (NJ) High School and went on to become a two-sport athlete during his college years. Coach Neary won both a National and a World Championship in Powerlifting. His college baseball career ended prematurely due to reoccurring shoulder injuries.

Neary is a baseball instructor at the Demarini Top 96 College Recruiting Camp and was the head coach of the Freehold Clippers (ABCCL) in the summer of 2012 with a roster consisting of numerous Division I players from the Atlantic 10 and Big East Conferences and two athletes that competed in the 2012 Division II College World Series.

He is a graduate of Kean University with a degree in Physical Education/Adult Fitness and earned his Master's Degree in Exercise Science and Sport Studies from California University of Pennsylvania. Additionally, he has completed 15 credits toward a Master of Arts in teaching degree from New Jersey City University.

He resides in Rockaway with his wife, Kim, daughter, Finley and son, Jack.

JARED FABIAN

Volunteer Assistant Coach

Jared Fabian joined the NJIT baseball coaching staff in September 2016 as a volunteer assistant coach after spending the 2015 season as the baseball video coordinator at Ohio University.

The Buffalo, NY native began his coaching career as head coach for the West Virginia University club baseball team, where he had played for four seasons prior. While in graduate school, Fabian managed the team to a regional final appearance.

Prior to joining the NJIT staff, Fabian served as the head coach of the Litchfield Dolphins of the Beach Collegiate Baseball League in 2014.

After a successful first season, in which the Dolphins advanced to the league championship game, the Dolphins captured the Atlantic Division Championship, in the summer of 2015.

Fabian was instrumental in the Mid Atlantic Collegiate League's inaugural season (summer 2016) as he served as the league's Assistant General Manager in Virginia Beach, VA.

The young coach on the rise, has a passion for teaching and developing student-athletes to be successful on and off the field. "I am very excited to be joining the staff here at NJIT. This is an exciting time to be a Highlander," he says.

Fabian a 2011 graduate from West Virginia University with an undergraduate degree in Sport Management, received his master's degree in Sport Management in 2012.

JOHN SHERWOOD

Director of Baseball Operations

Making his college coaching debut with NJIT in 2011 as a volunteer, John Sherwood is a New Jersey product, having graduated from Bayley Ellard High School in Madison, NJ, in 1990.

He continued playing at Tusculum College in Tennessee under coach Tom Griffin, who is known as an expert at coaching catchers. Sherwood graduated from Rutgers in 1995 with a Criminal Justice degree and continued for a masters' degree from Seton Hall in Humans Resources Training and Development and two post graduate certificates.

He is employed as a sergeant with the Essex County (NJ) Sheriff's Department and is also the SWAT team leader for the Sheriff's Department.

He and his wife, Liz, are the parents of daughter, Sarah, and son, Jack, who has served as the bat boy for the Highlanders.

The Latest on Recent Ex-Highlanders in Professional Baseball

Mark Leiter, Jr, a starting pitcher for the Reading Fightin Phils of the Class AA Eastern League, while outfielder Ed Charlton and pitcher Tripp Davis are competing on different teams in the Rookie-Level Pioneer League. 2015 graduate Mike Rampone signed with the Tucson Saguaros in 2016.

Mark Leiter, Jr.

Mark Leiter, Jr.

Leiter, a hard-throwing right-hander who completed his college career at NJIT in 2013, made his Reading debut on June 19, allowing eight hits and three runs in seven innings.

Leiter, who was a regular in NJIT's starting rotation in all four years, was picked by the Phillies in the 22nd round of the 2013 first-year player draft after a senior year with the Highlanders that saw him strike out a school-record 106 in 94.2 innings. Included was a school-record 20 strikeouts on May 3, 2013 vs. Chicago State. The 20 strikeouts were the most in a Division I game nationally in 2013.

That feat earned national media coverage and Leiter was named Louisville Slugger National Player of the Week. He was a first-team All-Great West Conference honoree, as well as second-team Division I all-state as picked by the New Jersey College Baseball Association.

Leiter made 56 starts for NJIT during his four-year career and struck out 364 (school record) in 360.1 innings. He won 18 games and logged 15 complete games.

Ed Charlton

An outfielder, Charlton completed his NJIT career in 2015 and subsequently became the first non-pitcher for the Highlanders ever drafted when the Reds grabbed him in the 23rd round of the June 2015 first-year player draft.

Playing in the Rookie-level Pioneer League in Billings, Montana, Charlton has logged 54 games and is batting .267, including 17 doubles, two triples and five home runs.

Charlton had a stellar career with the Highlanders, starting all 187 games he appeared in during four seasons. His career batting average was .303, with 214 hits (2nd all-time for NJIT), 45 doubles, nine triples, 18 home runs and 127 runs batted in. His career slugging percentage was .468, with an on-base percentage of .383, for a career OPS of .851. He was also a threat on the bases, stealing 49 in his career and scoring 136 runs.

Charlton's senior year in 2015 was his best, as he produced career-highs in batting average (.319), runs (46), home runs (9), runs batted in (38), walks (22), and slugging percentage (.569). In addition, his 30 strikeouts were the lowest in his career, nearly a third below his high, done early in his college career.

Charlton was the subject a feature story in the Billings Gazette newspaper, which covers his team, the Billings Mustangs. The story includes Charlton discussing having played ball at NJIT, a university known more for its academics than for producing professional baseball players.

Charlton, however, notes that coming into the environment at NJIT as a consensus all-state high school baseball player, he started immediately and developed his skills against top competition in a college career that included nearly 200 games started.

Tripp Davis

Davis, who played on the same Highlander teams as Leiter, forming a co-ace, right-handed/left-handed combo, is in the same professional league as Charlton (Pioneer), pitching for the Idaho Falls Chukars, who are part of the Kansas City Royals organization.

Davis, who signed with the Royals in the summer of 2013 as an undrafted free agent, went 6-2 in eight games as a relief pitcher for Idaho Falls. In 32.0 innings pitched, Davis finished with a 2.81 ERA.

Signing in 2013, Davis has had five different pro homes with Royals affiliates with teams at Rookie, A, and AA levels. This is the first season that has seen him work strictly out of the bullpen, as he has relieved for Lexington (Full season A South Atlantic League) and Idaho Falls.

Davis completed his career as NJIT's Division I career leader in wins (19), innings pitched (382.1), and games started (58), while ranking second to Leiter in career strikeouts (309). Davis was the team leader in innings pitched each of the last three seasons and he led or shared the team lead for wins in all four of his seasons, with a high of six in his sophomore season when he finished 6-6.

An outstanding student who graduated from NJIT with a cumulative grade point average above 3.7, Davis was a Great West Conference All-Academic honoree in each of his last three seasons with the Highlanders.

Mike Rampone

Mike Rampone, who starred for the NJIT baseball program for four seasons ending in 2015, has signed a professional contract for 2016 with the Tucson Saguaros, a first-year team in the Pecos League.

Rampone, whose baseball style shows traces of the football/wrestling star he was in high school, ended his career with 197 games played and 197 games started, both school records.

"He's very deserving of signing a professional contract," said NJIT coach Brian Guiliana. "He is the true definition of a gamer and will continue to make strides towards fulfilling his dream. I am very grateful that the Tucson Saguaros are giving him this opportunity."

Rampone's career-best .317 average as a senior left him with a .295 career average in 753 college at-bats. His 222 career hits are a school record and he also scored 130 runs and hit 47 doubles, three triples and nine home runs, while producing 102 RBI. With 87 career walks and 16 hit-by-pitch, his on-base percentage was an impressive .377.

"I feel very grateful that I am in a position where I am able to continue playing baseball," said Ramapone on the day of his signing, who will report into preseason in March.

A graduate of Randolph High School, Rampone brought a championship background in three high school sports with him to NJIT, including the Star Ledger's all-State third-team honors in all three groups. He was also named first-team All-State in Group 4, first-team All-Morris and first-team All-Daily Record, batting .500 with five home runs and 31 RBI as a senior, while, posting a 2.23 ERA in 11 mound appearances.

"I want to thank my family, my teammates and coaches for everything they've done for me throughout my career," said the Highlander on the eve of his professional career. "I'm excited to get out there and show people what I can do."

The Pecos League, an independent minor league, begins its sixth season of operation with 10 teams, ranging from Tucson, Arizona in the West to Topeka, Kansas, in the East.

The Pecos League will have teams in Arizona, New Mexico, Texas, Kansas, and Colorado. Two teams were added this year. Joining Tucson as a newcomer will be the Salina (Kansas) Stockade.

Tucson will be in the Southern Division, along with Santa Fe (NM), White Sands (NM), Las Cruces (NM), Alpine (TX), and Trinidad (CO).
