AGGIE ATHLETIC CLUB

THE CORE MISSION OF THE AGGIE ATHLETIC CLUB IS TO COVER EXPENSES ASSOCIATED WITH PROVIDING AGGIE STUDENT-ATHLETES A WORLD-CLASS EDUCATIONAL EXPERIENCE AT NEW MEXICO STATE UNIVERSITY. OUR GOAL IS TO PREPARE AGGIE STUDENT-ATHLETES FOR LIFE DURING AND AFTER THEIR CAREER AT NM STATE THROUGH INSTILLING OUR THREE CORE VALUES:

ACADEMIC INTEGRITY • SOCIAL RESPONSIBILITY • COMPETITIVE INTENSITY

TO LEARN MORE ABOUT THE AAC OR TO SUPPORT, VISIT AGGIEATHLETICCLUB.COM OR CALL 575-646-5151

THIS IS NM STATE

Our objective is to "Make a Difference" in a student-athlete's life. In order to do this, we must help them improve their athletic performance and help them prevent injuries. We must take all of the individual parts of the body and get them to work at the highest possible level symmetrically. Along with this task, we must also get their mind to think at a level that allows them to achieve their goals and dreams.

We accomplish this by getting each athlete to function at their highest possible level in the following areas: posture, balance, stability, flexibility, mobility, speed, agility, power, strength, conditioning, nutrition and mental toughness.

In this process we use a wide variety of training methods from Olympic-style lifting to high-intensity machine training. We use chains, tires, sand bags, sleds, hills, medicine balls, bands and hurdles to help each athlete achieve their best.

SPORTS PERFORMANCE

"The Strength & Conditioning program is the most important piece to our football team right now. When you look at the first building block of success it starts in the weight room and with nutrition. The addition of Coach Eric Klein to our Strength & Conditioning program was a big step in the right direction. The commitment by our administration to really enhance the nutrition part of our program was a tremendous step for our program."

– Jerry Kill
Head Coach

ATHLETIC TRAINING

New Mexico State employs five full-time certified and licensed athletic trainers, six athletic training graduate assistants and supervised undergraduate athletic training students.

The athletic training staff oversees the daily care of more than 450 of NM State's student-athletes.

A certified athletic trainer is on-site for all NM State home events and most in-season practices/conditioning sessions.

The athletic training staff at NM State works closely with the sports and performance staff and local medical professionals in the prevention and care of injuries.

The staff also works in conjunction with the Athletic Training Education Program (ATEP), where students will earn a bachelor's degree in athletic training education. Students of the ATEP have the opportunity to receive hands-on experience working with student-athletes in all 16 varsity sports.

At the Fulton Center

The 11,873-square foot second floor of the Stan Fulton Athletic Center provides a shared space between the Aggie Athletic Training and the NM State Athletic Training Education Program staffs. The second floor of the Stan Fulton Athletics Center houses:

- Athletic staff offices
- ATEP staff offices
- Private exam rooms
- Classroom
- Treatment, taping, rehabilitation, hydrotherapy areas
- Schwinn spinning bikes
- Upper body ergometer
- Total Gym©
- Samson custom leg press
- Samson pulley systems
- Treatment modalities
- A range of rehabilitation tools
- State-of-the-art Swim-EX therapeutic pool with underwater treadmill and viewing portals

At the Football Fieldhouse

The football fieldhouse athletic training room is a satellite facility used during the football season. This facility has undergone renovations in the past several years to upgrade the athletic training room, locker room and meeting areas.

At the Pan American Center

The Pan American Center athletic training room is part of the new Pan American Center Annex that opened in the fall of 2006. This athletic training facility serves the men's and women's basketball teams along with the Aggie volleyball team. This room is equipped with treatment, taping, rehabilitation and hydrotherapy areas, a range of rehabilitation tools and a doctor's office.

History of Athletic Training at NM State

- In 1955, C.R. Bickerstaff was hired as the first Athletic Trainer.
- Bickerstaff opened the first athletic training room in Williams Gym.
- The Aggie Memorial Fieldhouse Athletic Training Room opened in the fall of 1978.
- In 2004, the new Athletic Training Facility opened at the Stan Fulton Athletic Center.
- In 2005, NM State celebrated 50 years of Athletic Training.
- In 2006, NM State opened a new Athletic Training Facility in the Pan American Center.

NM STATE FOOTBALL

AGGIE MEMORIAL STADIUM

OPENED: 1978 CAPACITY: 28,853

Since 1978, Aggie Memorial Stadium has been the home of New Mexico State football. Officially dedicated on Sept. 16, 1978, the Aggies christened the stadium with a 35-32 victory over rival Texas-El Paso. The top seven crowds in the history of Aggie Memorial Stadium, and eight of the top nine, have come in games against UTEP.

Aggie Memorial's capacity is 28,853, and was constructed at a cost of $4 million. The construction was funded by the New Mexico State Legislature as part of a capital outlay package. Presently valued at considerably more than the actual construction price, the stadium is one of the finest sports facilities in the Southwest.

Ahead of the 2023 season and NM State's transition into Conference USA, the Aggie Memorial playing surface was upgraded to FieldTurf Classic HD with CoolPlay infill.

In addition to replacing the playing surface inside of Aggie Memorial, NM State also added a turf practice field ahead of the 2023 campaign. The practice field replaces the previously natural grass playing surface on the west side of the stadium, adjacent to the NM State Soccer Complex.

Several additional upgrades to Aggie Memoral have been announced for the coming years. Soon, the facilities around Aggie Memorial will see a new operations center and locker room. Fans inside the stadium will also soon enjoy an improved fan experience stemming from a new state-of-the-art videoboard over the north end zone.

Previously, the playing field was a Hybrid Bermuda turf, and includes a quick-draining system beneath the playing surface, which was the first Hybrid Bermuda turf of its kind. The 2007 Super Bowl in Miami was played on the exact same Hybrid Bermuda turf.

Aggie Memorial's capacity, formerly just over 30,000, was reduced during the 2015 football season with the addition of Club 27. Club 27 allows for 92 fans to watch the Aggies in action.

The stadium was designed by NM State alumnus Craig Protz of Bohening-Protz Associates of Las Cruces and consultants Caudill-Rowlett-Scott of Houston.

The construction, completed in 18 months, was done by Ray Ward and Son Construction of El Paso, Texas.

The stadium features many unique qualities beginning with the 'berm' type of structure. The berm approach locates the field slightly below ground level with seats both above and below the natural ground level. Seats are arranged in a fan-pleasing curved pattern with an almost complete bowl shape by the seats below the concourse level. Non-smoking, chair-back, and handicapped seating areas are also provided within the seating scheme.

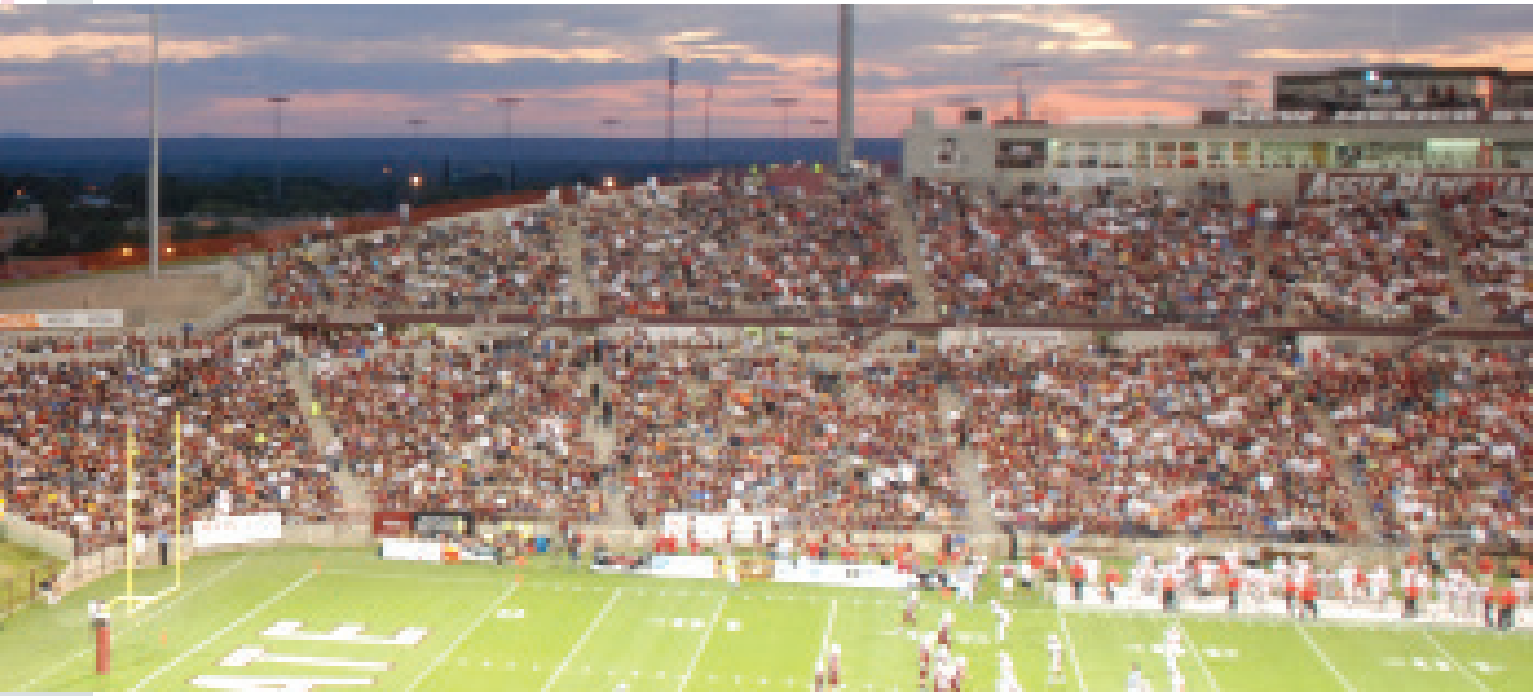

The playing field is a Hybrid Bermuda turf, and includes a quick-draining system beneath the playing surface, which was the first Hybrid Bermuda turf of its kind. The 2007 Super Bowl was played on the exact same Hybrid Bermuda turf.

Lighting for the stadium is provided by an eight-pole system, which affords excellent visibility for night games. The energy-saving sodium vapor lights sit atop four poles, which rise 110 feet above the berm and 175 feet above the playing field. In 2005, the lighting system received a major upgrade going from a four-pole system to an eight-pole system, costing approximately $300,000. The new lighting was an excellent upgrade to showcase Aggie football games on local and national television.

Auxiliary buildings, included in the stadium complex, offer the latest in modern locker room, press box, Aggie Athletics offices, football meeting rooms and strength and conditioning facilities. To the north is the Football Field House remodeling began shortly after spring football in 2006. The $2.2 million remodeling project will include new lockers and locker room area, a new coaches' locker room, larger team meeting rooms, a video room, new rubber flooring and a larger equipment room. The athletic training room will also receive a face lift, with a doctor's exam room, an X-Ray room, new equipment and better offices.

In addition the Aggies have new meeting rooms on the south end of the fieldhouse and a new walkway connecting the east and west sides of the stadium will be built as well.

On the west stands sits a functionally designed press

box, which has seating for nearly 100 working media and event staff. In 1992, a state-of-the-art 13,500-foot weight room was added to the stadium complex.

Aggie Memorial Stadium is located just west of Interstate 25 on the eastern edge of the main campus, directly south of NMSU's Pan American Center. The stadium is a short walk from campus dormitories and parking is available for more than 5,000 vehicles.

Upon completion in 1978, the new stadium retained the name Aggie Memorial.

The Board of Regents voted to retain the name to honor NMSU students who had served in the armed forces, including veterans of the Korean and Vietnam conflicts.

The original Memorial Stadium was dedicated on Sept. 16, 1950. Located just east of Hadley Hall, it was built on the site of Quesenberry Field, the Ags home since 1933. The name of the playing surface remained Quesenberry Field.

Memorial Stadium seated 6,800 and was a memorial to New Mexico A&M students who had served in the armed forces during World War I, World War II, and the Spanish-American War. Mr. and Mrs. Henry C. Gilbert donated a $50 war bond in memory of their son, Henry Jr., who died in service. The Gilbert's donation was the first of many during a 10-year fund drive that resulted in the new stadium's construction.

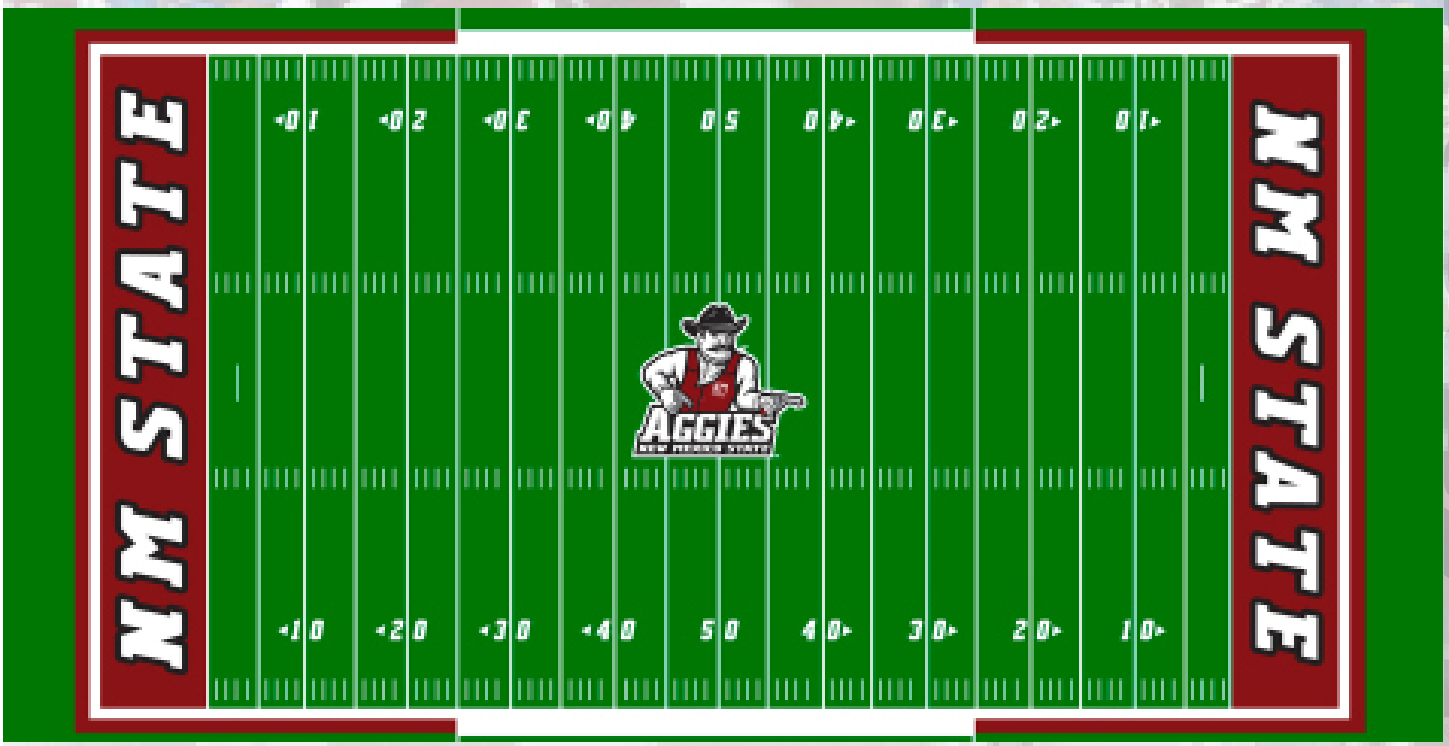

Memorial Stadium was home to Aggie football for 28 seasons, until 1978, when the new Aggie Memorial Stadium opened. Capacity at the original Memorial Stadium grew from an original 6,800 to 12,155, after a 1962 expansion added four sections.

The only remnant of the original Memorial Stadium that remains today is Memorial Tower, which served as a pressbox for media on game days. The structure also housed the Aggie Alumni Offices in its lower levels. Today, Memorial Tower serves as a restaurant and campus landmark.

From 1933 to 1949, A&M football was played at Quesenberry Field, at the same location where Memorial Stadium would later be built (east of Hadley Hall).

Prior to 1933, A&M squads competed at a field located between University Avenue, College Street and Espina Street. Originally known as 'College Field,' it was officially named 'Miller Field' in 1908, in honor of retired coach John O. Miller (1899, 1901-07).

NM STATE FOOTBALL RIVALRIES

NM STATE VS. NEW MEXICO

NM State and New Mexico first met on January 1, 1894 - eight years before the first Rose Bowl - in what may have been the first college football game ever played on New Year's Day. The two teams played six games against each other before New Mexico became a state in 1912.

THE MALOOF TROPHY

Though the in-state rivalry dates back to 1894, the New Mexico State - New Mexico football series has awarded a traveling trophy to the winning team. The Maloof Trophy, presented by First Security Bank to the winner of "The Big Game," originated in 1993. The trophy was discontinued in 2001.

RIO GRANDE RIVALRY TROPHY

The New Mexico State Athletics department, in a joint effort with the University of New Mexico Athletics department, announced in July of 2007 that with the help of Route 66 Casino as a title sponsor, they were starting a new traveling rivalry trophy between the two schools. The NM State versus New Mexico rivalry series, formally called the Rio Grande Rivalry, premiered in the 2007-2008 athletic calendar year and highlighted one of the most competitive rivalries in the nation. The competition of the rivalry series is based upon a point system devised to reward victories from athletic competition between the two schools. There is a possible 25.5 points to be earned from victories in various sports. If the schools face each other more than once in a certain sport, each individual game will have points on the line. At the end of the athletic year, the school that has accumulated the most points from Rio Grande Rivalry victories will hold the trophy for an entire year. The trophy will be presented to the winning school at the end of the year.

NM STATE VS. UTEP

The Aggie football team has renewed the program's second longest rivalry with the Miners of UTEP every year since 1914. The Miners and Aggies have met 94 times with UTEP leading the series 57-36-2. From 1935 to 2000 the two teams met every year until the streak was broken in 2001 and again in 2003 when no game between the schools was played. Over the course of the 92-year football rivalry between neighboring New Mexico State University and the University of Texas-El Paso, two traveling trophies have been created to honor the series victor:

THE SILVER SPADE

Since 1955, the winner of the New Mexico State versus UTEP football game has taken home the Silver Spade, a replica prospector's shovel. The origin of the Silver Spade dates back to 1947, when an old prospector's shovel was unearthed in an abandoned mine in the Organ Mountains near Las Cruces. The whereabouts of the original spade are a mystery, but the current spade (on which are engraved the score of each year's Aggie-Miner game) has been traded between the two schools since 1955. The relevance of the spade may be due to the fact that at the time of its discovery, the tool was related to the major field of study at both universities—agriculture at New Mexico A&M, and mining and metallurgy at the College of Mines.

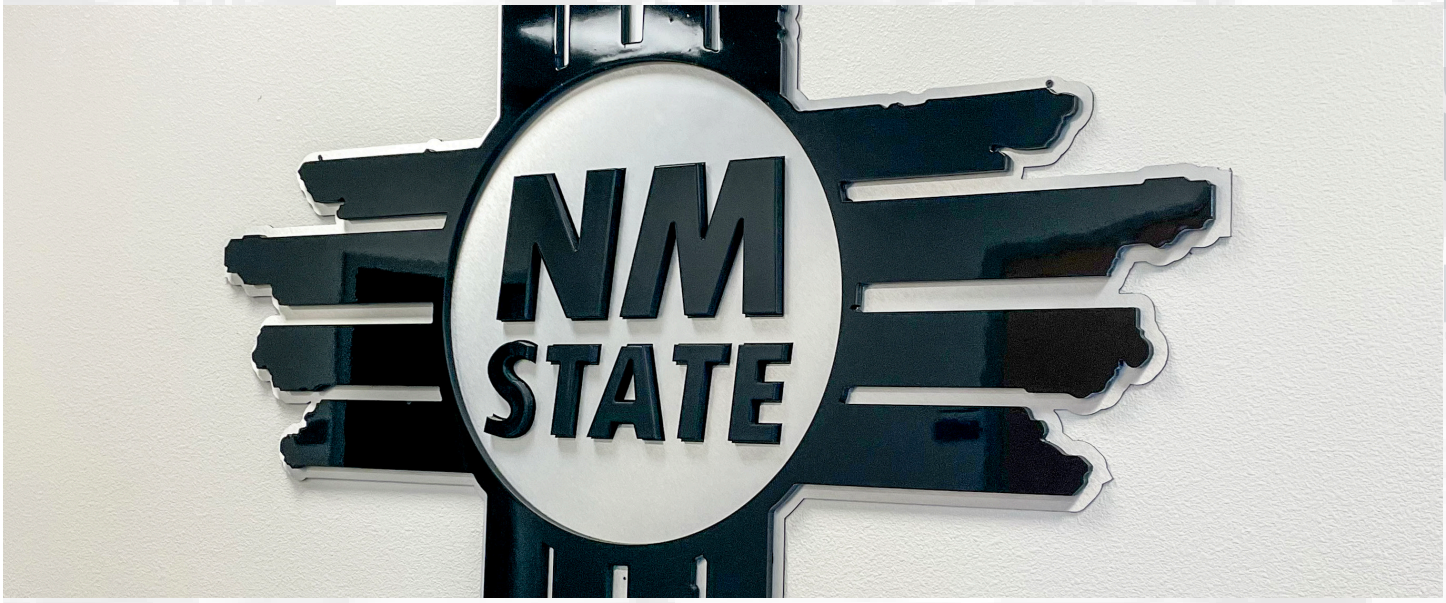

THE BRASS SPITTOON

The newest of the two traveling trophies in the New Mexico State - UTEP series is the 35-year-old Brass Spittoon, formally titled the Mayor's Cup. The Brass Spittoon came into existence in 1982, when former Las Cruces Mayor David Steinborn and former El Paso Mayor Jonathan Rogers agreed to present an additional trophy to the winner of the storied Aggie-Miner football rivalry.

HALL OF LEGENDS

THE HALL OF LEGENDS FEATURES FOUR MEETING ROOMS AND A PREGAME/ POSTGAME PATIO AREA FOR THE TEAM AND FAMILY MEMBERS, AN AUDITORIUM, TWO SMALLER MEETING ROOMS AND STATE-OF-THE-ART VIDEO EQUIPMENT.

NM STATE FOOTBALL AGGIE LEGENDS

PERVIS ATKINS

In July 2010, Atkins was selected to be inducted into the College Football Hall of Fame. He played for the Aggies from 1959-60 and his 9.7 second 100-yard dash led the way to his success at NM State as he was named an Associated Press First Team All-American in 1960.

Atkins led the collegiate ranks in 1959 in rushing (7.5 yards per carry), as well as scoring (107 points) and punt returns (17.7 yards). His 8.1 yards per carry for a career is still a school record, along with his career punt return average (15.1) and single-season punt return average (21.8 in 1960).

Atkins was a member of two Aggie bowl teams in 1959 and 1960 and was a vital part in the 1960 undefeated season that ended with a Sun Bowl win over Utah State, 20-13. Atkins went on to play four years of professional football, as he was drafted in 1960 by the Los Angeles Rams.

Currently, Atkins is pursuing his passion in the film industry as he is working with a few writers and expects to get his film off the ground shortly. One of his old friends, Mark Harris, who recently won the Oscar for best picture "Crash," attended the ceremonies.

Even though Atkins is officially retired, opportunities still continue to show, but he still finds time to visit with his five grandchildren.

WALT WILLIAMS

Williams, a native of Bedford Hills, N.Y. was inducted in 2010. He was a part of the NM State football program from 1975-76, where he was a First Team All-Missouri Valley honoree as a senior for his efforts on defense. During his final season in Crimson and White, the solid defender recorded 53 unassisted tackles, 44 assisted, three forced fumbles and seven pass break-ups.

After graduating from NM State, Williams was drafted to the NFL in 1977 to the Detroit Lions and eventually went on to play for the Minnesota Vikings and Chicago Bears. Williams retired as a Bear in 1984.

After retiring, Williams found himself back in Las Cruces and pursued a career in real estate development. Even though he had a stint in real estate, his dream was to open a restaurant using the recipes that were passed down to him from his mother.

Williams' dream came true in 1992, when he opened Sweet Georgia Brown, a restaurant in Dallas, Texas. It has become one of the most popular soul food restaurants throughout the greater Dallas area and has received numerous awards and accolades.

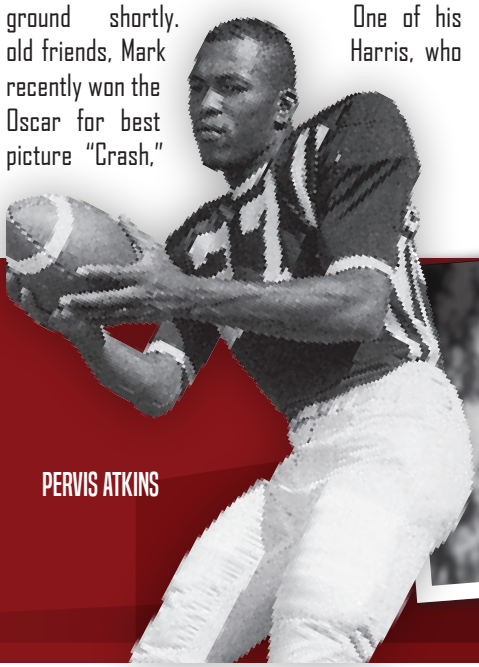

Due to the tremendous success of the restaurant, Williams decided to launch Sweet Georgia Mae frozen foods in 2004. The line of down home favorites is currently available in Texas and the southern region of the U.S.

Williams is also a mentor to inner-city children at local schools, along with sponsoring youth football at the local chapter of the YMCA. Each year during Thanksgiving and Christmas, Williams donates his services by feeding hundreds of homeless people at Sweet Georgia Brown.

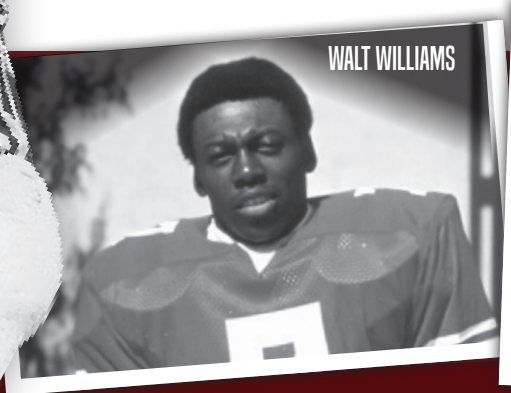

DENVIS MANNS

Manns, who hails from Lufkin, Texas, is one of the five players in NCAA Division I-A history to rush for at least 1,000 yards in four consecutive seasons, and he is NM State's all-time leading rusher with 4,692 yards.

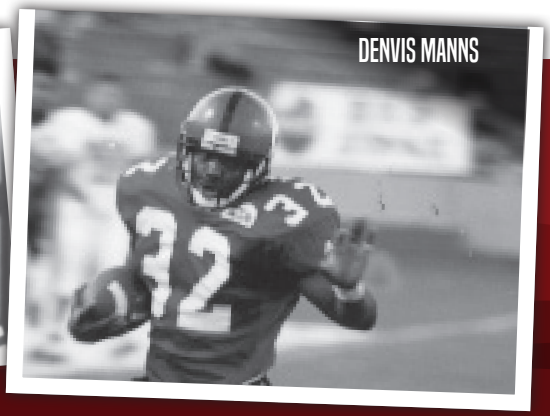

As a senior in 1998, Manns was the co-offensive Big West Conference MVP after rushing for a school record 1,469 yards. On Oct. 31, 1998, Manns ran for 131 yards against Utah State to become just the third player in NCAA Division I-A history at the time to surpass 1,000 yards in four consecutive seasons.

PERVIS ATKINS

WALT WILLIAMS

DENVIS MANNS

As a junior, Manns was a First Team All-League pick after rushing for 1,017 yards despite missing a game due to injury and playing hobbled in the final three games of the season. He ran for a career-high 221 yards in the Aggies' 28-18 win over Cal State Northridge. It was his third 200-yard game of his career, setting a school record.

During his sophomore season, Manns put together his second 1,000-yard season by rushing for Big West Conference leading 1,086 yards. His most productive game was a 205-yard day in a 52-21 win over Southern Utah. He was also a First Team All-Big West Conference pick.

In his debut season as an Aggie, Manns concluded the season with 1,120 rushing yards and seven touchdowns. He had the most yards rushing for any true freshman in the nation, led all freshmen by averaging 153 all-purpose yards per game and set a Big West Conference record for rushing yards by a freshman.

Manns also set the Big West Conference record for average yards per carry at 7.1. He was the first player at NM State to rush for over 1,000 yards in 21 years.

CHARLEY JOHNSON

Johnson is the most accomplished quarterback in the history of New Mexico State football. Johnson led the Aggies to back-to-back Sun Bowl victories and to their only undefeated season in 1960. Johnson is the only person ever named MVP of the Sun Bowl twice.

In 1960, he set a then-Sun Bowl record for passing accuracy, when he went 18-of-26 for a .692 completion percentage. After wrapping up a stellar Aggie career, Johnson was drafted by the NFL's St. Louis Cardinals in the 10th round. Johnson's 15-year NFL career included stops in Houston and Denver.

In 1964 with the Cardinals, Johnson ranked first in the league in pass attempts, pass completions and passing yards as well as fourth in passing touchdowns. During that season, Johnson was 223-of-420 for 3,045 yards and 21 touchdowns. During his career, Johnson threw for 170 touchdowns, which is still good for a 44th place tie all-time in NFL history. He was later inducted into the Denver Broncos Ring of Honor.

FREDD YOUNG

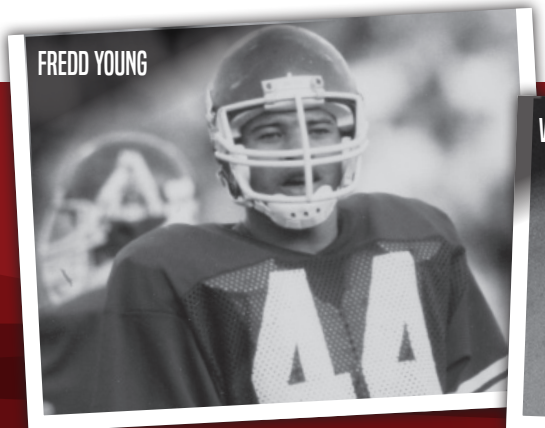

Young was a 6-1, 220-pound force as a linebacker and kick returner for the Aggies in the early 1980s. Young notched 159 tackles in his sophomore season in addition to snaring an interception. Young still holds the NM State school record for sacks in a game with six against Louisiana Tech in September 1983. Those six sacks were half of Young's total for the entire season as he finished the year with 12, the fourth highest single-season mark in school history.

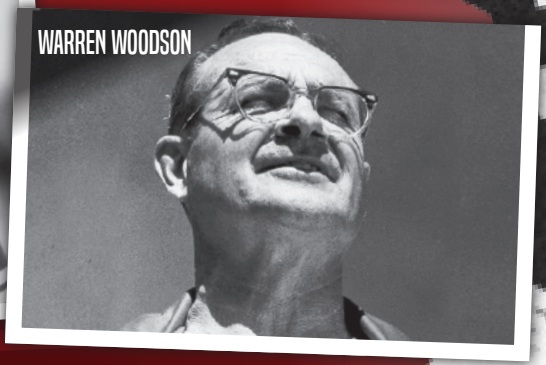

Young went on to a career with the Seattle Seahawks after being drafted in the third round of the 1984 NFL Draft, 76th overall. Young's impact was immediate as he made the Pro Bowl the first four years of his career, first as a special teams player and then as a linebacker. During his time in the NFL, Young started 79-of-101 games, while recording 21 sacks and three interceptions including one that he returned 50 yards for a score.

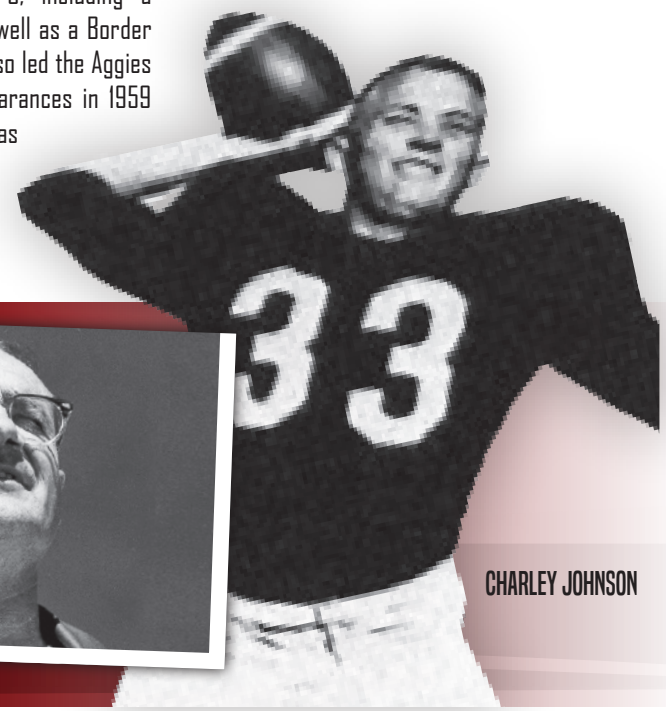

WARREN WOODSON

Woodson is the most accomplished coach in the history of New Mexico State football. In his 10 years as head coach (1958-67), Woodson collected a record of 63-36-3, including a perfect 11-0 season in 1960, as well as a Border Conference Championship. He also led the Aggies to back-to-back Sun Bowl appearances in 1959 and 1960, defeating North Texas State 28-8 in 1959 and Utah State 20-13 in 1960. Woodson was a very notable American football coach. He was inducted to the College Football Hall of Fame in 1989. His career record at four-year colleges stands 203-95-14 (.673) in 31 seasons, but he won an additional 52 games in junior college and 18 in high school.

Woodson received a degree from Baylor University in 1924, majoring in Bible and history, and earned a degree from Springfield College in 1926, majoring in physical education. He coached four sports at Texarkana College 1927-34 and, in three of the same years also coached three sports at a nearby high school. He then moved on to Conway Teachers College (now University of Central Arkansas) from 1935-1940. In his second year, his team had a perfect 8-0 season. Woodson accepted the head coaching job at Hardin-Simmons University in 1941, where his 1942 team went 8-0-1. During World War II, Woodson served for three years as a lieutenant commander in the United States Navy. The Hardin-Simmons football program was canceled from 1943-1945. After Woodson returned, his 1946 team went unbeaten with an 11-0 record. His 1948 team was in three bowls - the Grape Bowl, in Dec. 4, a 35-35 tie with College of the Pacific; the Shrine Bowl, Dec. 18, a 40-12 victory over Ouachita Baptist and the Camellia Bowl, Dec. 30, a 49-12 victory over Wichita. Woodson coached at the University of Arizona, 1952-56, and New Mexico State, 1958-67. His 1960 team went 11-0. He was head coach at Trinity University in San Antonio, Texas, 1972-73, and later was a consultant at New Mexico Highlands.

NM STATE FOOTBALL
ACADEMIC ALL-AMERICANS

ANDY WEILER
ARCADIA, CALIF. (1983-85)

Weiler came to the Aggies from Arcadia, Calif., where he spent two years as a place kicker at Pasadena City College. During his first season as an Aggie, Weiler was a perfect 7-of-7 on field goals less than 40 yards. Weiler was the first Aggie ever given a scholarship solely to kick. During his junior season, Weiler hit a 53-yard field goal against Iowa State to help the Aggies stun the Cyclones. Weiler holds the school record for the longest field goal with his 57-yard boot against UNLV. He helped the Aggies to a mid-season defeat of UTEP in his senior season, with a game-winning 32-yard boot as time expired to give NM State a 22-20 victory. Weiler was named a First Team CoSIDA Academic All-American.

TIM MAUCK
OVERLAND PARK, KAN. (1990-93)

Mauck was a tackling machine for the NM State football team in the early 1990s. In 1992, Mauck led the team with 113 total tackles, including 52 solo tackles. He recorded 10 or more tackles in eight games during that season. Also in 1992, Mauck had a 17-tackle, one-sack game against UTEP. Mauck was a First-Team Academic All-America selection with a 3.85 GPA as a pre-business major. He was a Second Team All-Big West selection in 1992. He was named Big West Defensive Player of the Week for his effort against UNLV, when he notched 10 tackles and two pass break-ups.

DAVID PATTERSON
ARTESIA, N.M. (1995-98)

Patterson came to the Aggies from Artesia, N.M., and he quickly left his mark all over the Aggies' record book. He was a three-time First-Team Academic All-American selection. Patterson finished his Aggie career fourth in career touchdowns with 14 and currently sits seventh all-time. Patterson was also awarded the NCAA Post-Graduate Scholarship.

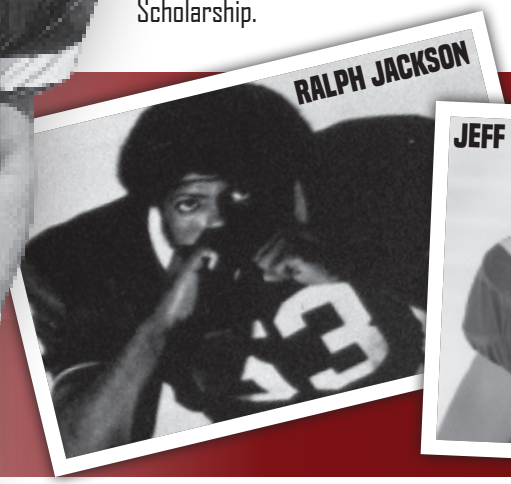

TODD CUTLER
ZEPHYR COVE, NEV. (1989-92)

Cutler was a four-year starter for the Aggies at tight end from 1988-92. A native of Zephyr Cove, Nev., Cutler set a record for consecutive games with a pass reception at 23 and in receiving yards in a game by a tight end with 133. Cutler was an All-Big West Conference selection his junior and senior seasons. He was named a First-Team Verizon/GTE Academic All-American in 1992 and second-team in 1991. As a junior, Cutler finished second in the nation in receiving yardage by a tight end (718).

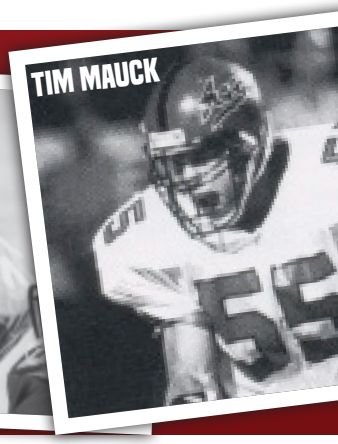

JIM BOHL
LOMPOC, CALIF. (1964-66)

Bohl led the Aggies in all-purpose yards for three-consecutive years (1964-66) and sits at seventh in the NM State record books for career all-purpose yards (3,726). A native of Lompoc, Calif., Bohl was named First-Team Verizon/GTE Academic All-American in 1966. The tailback places in the NM State top-10 for career rushing attempts (fourth) with 492, career rushing yardage (fifth) at 2,858, career rushing touchdowns (fifth) with 24, single-season rushing attempts (eighth) as

he had 218 carries in 1966, single-season rushing yardage (seventh and ninth) running for 1,192 yards in 1965 and 1,148 in 1966, single-season rushing yardage per game (seventh and ninth) notching 119.1 yards per game in 1965 and 114.8 in 1966, single-season rushing touchdowns (seventh) with 13 in in 1966 and he sits in fourth for 100-yard rushing game leaders (13).

SHANE HACKNEY
LAS CRUCES, N.M. (1988, 1990-92)

Las Cruces native Shane Hackney was a two-time Academic All-American, named first-team in 1992 and second-team in 1991. Hackney, a graduate of Mayfield High School, served as the Aggies' long snapper for three straight seasons. He did not play his sophomore season so that he could concentrate on academics.

JEFF THOMPSON
STEPHENVILLE, TEXAS (95-98)

Thompson was a solid contributor for the Aggies from 1995-98. The Stephenville, Texas, native earned Academic All-Big West honors three-consecutive seasons (1996-98), as well as being named a Second-Team Verizon/GTE Academic All-American. The 6-2 free safety saw time at several other positions, including cornerback and on the punt return team. In his junior season, Thompson finished fifth on the team with 61 tackles, adding four pass break-ups.

RALPH JACKSON
JASPER, FLA. (1973-75)

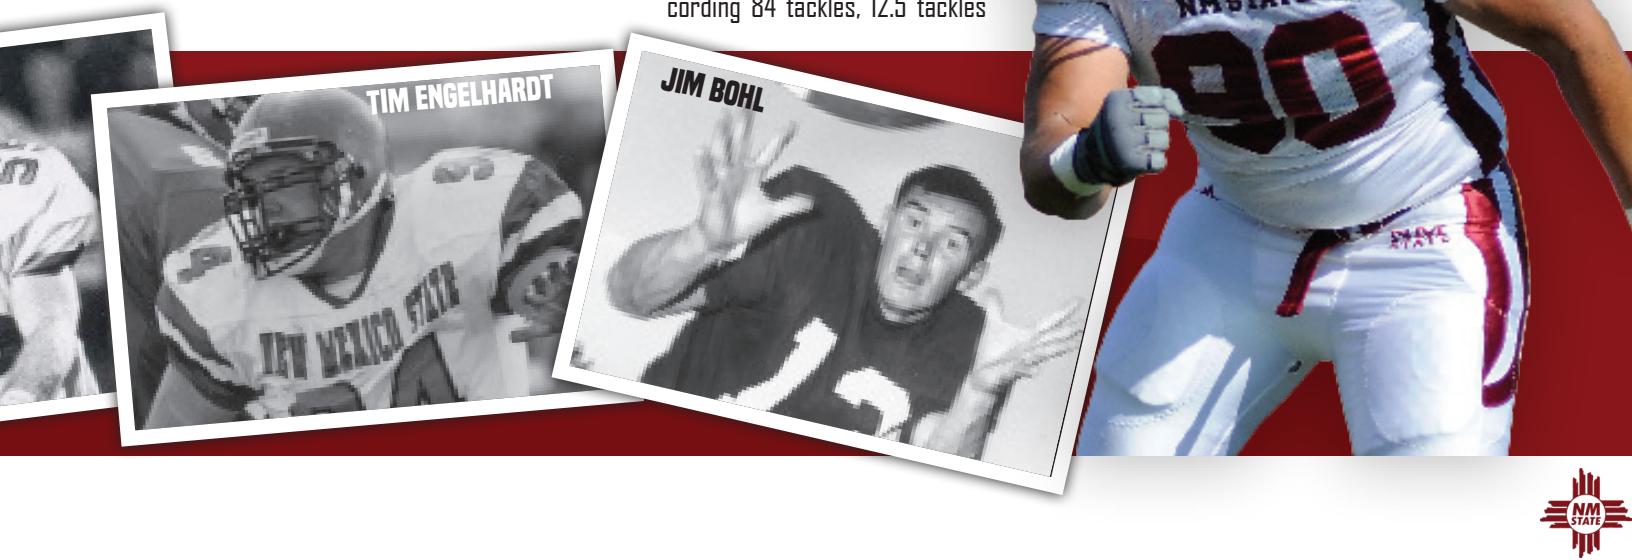

Ralph Jackson was a three-year starter at guard for the Aggies (1973-75). In his four years at NM State, the Jasper, Fla., native earned the NCAA Post Graduate Scholarship (1976), was one of 11 college seniors named a National Football Foundation and Hall of Fame Scholar-Athlete (1975), and was a two-time First Team Verizon/GTE Academic All-American.

TIM ENGELHARDT
ALAMOGORDO, N.M. (1996-99)

Tim Engelhardt, a three-time Big West Academic All-Conference honoree, excelled on the field as well as in the classroom. The Alamogordo, N.M., native started the 1999 season as a Lombardi Award candidate and as the preseason Big West Defensive Player of the Year. Engelhardt earned All-Big West honors three-consecutive seasons, 1997-99. In 1999, Engelhardt was named Second-Team Verizon/GTE Academic All-American. Engelhardt lettered all four years at NM State, graduating with an accounting degree.

DAVID NIUMATALOLO
KAHUKU, HAWAI'I (2008-11)

A native of Kahuku, Hawai'i, Niumatalolo graduated with a 4.0 GPA in biology. He became the first Academic All-American on the NM State football team since 1999 and the first football player to earn first-team honors since 1998. Niumatalolo was the 11th football player in school history to earn Academic All-America status. In 2011, Niumatalolo played in 13 games for the Aggies recording 84 tackles, 12.5 tackles for a loss, seven sacks, three quarterback hurries, two fumble recovery, two pass break-ups and a forced fumble. He finished the season ranked sixth in the WAC in sacks per game. His seven sacks ranks as the seventh most in a single-season in school history. He ended his career with 167 tackles, 18.5 tackles for a loss and eight sacks.

NM STATE FOOTBALL BOWL GAMES

New Mexico State (A&M)	14
Hardin-Simmons	14
January 1, 1936/Jones Stadium	**1936 SUN BOWL**

A fourth quarter hook and lateral play by New Mexico A&M gave the Aggies a 14-14 tie with Hardin-Simmons in the program's first-ever bowl appearance.

With the ball at midfield, Aggie quarterback Lem Pratt completed a pass to 'Hooky' Apodaca at the 35. Hooky then lateraled the ball to Lauro Apodaca, who ran in untouched for the score. Hooky made the extra point to tie the game.

Hardin-Simmons had missed the extra point following its second touchdown, but the Aggies were offsides on the play and HSC was successful on the second attempt.

The Aggies finished the season with a record of 7-1-2 under head coach Jerry Hines.

December 31, 1959/Kidd Field	**1959 SUN BOWL**

New Mexico State defeated North Texas State, 28-8, in the 1959 Sun Bowl, as the Aggies made their second-ever bowl appearance and first since 1936.

The Aggies took advantage of two North Texas State turnovers in the first quarter to mount a 14-0 lead. They added another touchdown in the second quarter to build the lead to 21-0 at halftime.

NM State scored its first touchdown when Sun Bowl MVP Charley Johnson hit Pervis Atkins for a 57-yard touchdown pass. At the end of the first quarter, Bob Kelly intercepted a Mean Green pass, but fumbled the ball at NTSU's 5-yard line. As the ball rolled into the end zone, Billy Ray Locklin pounced on it for an Aggie score.

North Texas had six fumbles, with four inside the 25-yard line.

1960 SUN BOWL

New Mexico State, making its second-consecutive appearance in the Sun Bowl, rallied from a 13-7 halftime deficit to defeat Utah State, 20-13.

NM State quarterback Charley Johnson threw for 190 yards and was tabbed the Sun Bowl's MVP for the second-straight year. Johnson is the only player to earn the Sun Bowl's MVP honor twice.

The NM State defense held the nation's top offense to just 268 total yards.Utah State's defense was equally impressive. USU, led by future Hall of Famer Merlin Olsen, held the NM State offense to only 224 yards, including just 44 rushing yards on 32 carries.

Utah State took a 7-0 lead in the first quarter, but Johnson connected with Pervis Atkins on a 3-yard pass to tie the game. Trailing 13-7, Bob Gaiters scampered 32 yards for a TD and Johnson hit E.A. Sims on a 7-yard pass for the final score.

2018 ARIZONA BOWL

On Friday Dec. 29, the New Mexico State football team made history in Arizona Stadium against Utah State. As head coach Doug Martin said, "It was poetic that Larry Rose scored that touchdown." That touchdown was the game-winner in overtime to take home the 2017 NOVA Home Loans Arizona Bowl title over Utah State, 26-20, effectively ending the 57-year bowl drought for the Aggies.

The game opened up with early scores for both sides. NM State struck first on its opening drive when Dylan Brown split the uprights on a 23-yard field goal attempt. The lead did not last long, however, as Utah State returned the ensuing kickoff for a touchdown to go up 7-3 just 3:59 into the game.

NM State erased that deficit in a hurry when Jason Huntley answered with a 100-yard kickoff return touchdown to give the Aggies a 10-7 advantage just 14 seconds later.

NM State sat behind by seven heading into the final 6:58 of action. A great pass from Tyler Rogers to Jaleel Scott saw the receiver haul it in and keep his foot inbounds for the score, which tied the game up at 20.

A missed field goal in overtime for Utah State gave NM State the opportunity to take home the trophy. The team did just that when Larry Rose III found the hole and broke off for a 21-yard score to secure the 2017 NOVA Home Loans Arizona Bowl for NM State with a final score of 26-20.

2022 QUICK LANE BOWL

The storybook ending to a storybook season came true for Aggies first year head coach Jerry Kill. The only undefeated FBS program in bowl games stays undefeated as NM State took down Bowling Green 24-19 in a thrilling Quick Lane Bowl.

For the first time in 2022, the Aggies held an FBS opponent scoreless in the opening half. Senior linebacker Trevor Brohard swung all of the momentum in NM State's favor with his first career interception in his final collegiate game.

The Aggies received some help in the form of a pair of missed first half field goals by the Bowling Green kicker. Missing from 51 and 41 yards, the Falcons left six significant points on the board.

NM State quarterback Diego Pavia was successful through the air in the first half, completing 11 of 18 pass attempts with two touchdowns sprinkled in. Pavia opened the scoring when he found Start Thomas for a 15-yard touchdown in the opening quarter.

Pavia went on to win Most Valuable Player honors from the Quick Lane Bowl with 167 passing yards, two touchdowns, and an additional 65 rushing yards.

Ahmonte Watkins was able to shine on offense. Backed by a season-high in carries, Watkins torched the Falcons for a 45-yard rushing touchdown, pushing the NM State lead to 45-7.

Bowling Green responded with 12 unanswered fourth quarter points but the Aggie defense stood strong late in the game.

NM STATE FOOTBALL
IN THE COMMUNITY

One of the most important aspects for head coach Jerry Kill and the NM State football team has been the team's involvement, not just in building a successful football program, but also in building a strong relationship with the community of Las Cruces.

Over the course of the year, the Aggie football team is visible in the community in many ways, such as the NM State Aggies are Tough Enough to Wear Pink campaign, volunteering at the Las Cruces Gun Show, Gus Macker Tournament, Mission of Mercy Dental Clinic, visiting elementary schools (Sonoma, Alameda, Valley View, Columbia, Sunrise and Mesilla Valley Christian), Kid's Clinics, Big Brother's Big Sister's, participating in the Relay for Life for breast cancer research and Literacy Night/Science Fair at East Picacho, volunteering at the Soup Kitchen, Benefit Car Show security, Southern New Mexico Correctional Facility and Greek Olympics.

"One of our major goals as a program is for the Las Cruces Community to really feel connected to this football team. The best way to do that is to get out into the community and make sure they get to know us as players and coaches. We are certainly off to a great start, as our players have been involved in numerous activities around the city. I hope we can continue to bridge that relationship."

MEET THE STAFF

NEW MEXICO STATE FOOTBALL

JERRY KILL

One of college football's most well-respected program rebuilders has been selected as the new leader of NM State football.

Monday, Nov. 29, 2021, NM State Director of Athletics Mario Moccia introduced Jerry Kill as the 35th head coach of the NM State football program.

"As the Director of Athletics and an alumni of New Mexico State University, I couldn't be more pleased to announce Jerry Kill as our new head football coach," Moccia remarked. "For our program to attract not only a proven winner at multiple levels of football, but also someone who has consistently turned programs around, makes this a very exciting day for Aggie Nation."

Over the course of his 23-year career as a head coach at the NCAA Division II, FCS and FBS levels, Kill has generated a 154-101 record while making six bowl game appearances.

Webb City High School

Following a playing career at Southwestern College, Kill signed on at Webb City High School in the mid-1980s. Before serving as its head coach for a period in the late 1980s and early 1990s, Kill was on staff at the institution and helped mentor quarterback Mike Gundy who is currently serving as the head coach at Oklahoma State.

Pittsburg State | 1985-87 (DC), 1991-93 (OC)

Three years after finishing his playing career as a linebacker at the NAIA level for Southwestern College in Winfield, Kan., Kill remained in his home state and took the position of defensive coordinator at NAIA program Pittsburg State in 1985.

A three-year run as the Gorillas' defensive play caller was followed by a three-year run as the head coach at Webb City High School in Missouri before Pittsburg State came calling again. After making the transition to the NCAA Division II ranks during the 1989 campaign, head coach Chuck Broyles tabbed Kill for the offensive coordinator position, a job he held from 1991-93. In Kill's first season in the offensive coordinator role, the Gorillas went 13-1-1 and claimed the NCAA Division II National Championship.

During Kill's three-year run as the program's offensive coordinator, the Gorillas took part in a pair of NCAA Division II title bouts.

Saginaw Valley State | 1994-98

Kill earned his first head coaching job when Saginaw Valley State in University Center, Mich., tabbed the then-33-year-old as its head coach prior to the start of the 1994 season.

During his half-decade in charge of the Cardinals, Kill directed his squad to five consecutive winning seasons which included successive 9-2 campaigns in 1997 and 1998. Through his final season in charge, Saginaw Valley State topped the NCAA Division II charts in scoring (42.5 points per game) while ranking second in total offense (498.3 yards per game). Under Kill, the ground game was a major strength of the Cardinals who led all NCAA Division II clubs in rushing in both 1997 and 1998.

Emporia State | 1999-00

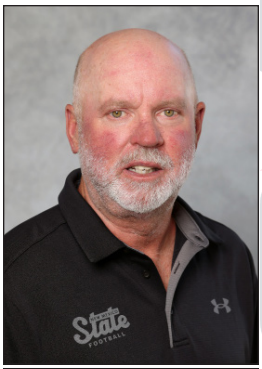

After his father's untimely passing, Kill made a return to his home state in order to be closer to his family. He remained in the NCAA Division II ranks by taking over the reins of Emporia State University. Over the course of his two-year stint in charge of the program, the Hornets compiled an 11-11 record.

Southern Illinois | 2001-07

Kill's rise began in earnest when he was plucked from the NCAA Division II ranks by Southern Illinois ahead of the 2001 season. Tasked with turning around a program which had produced just two winning seasons out of the 17 that had occurred after capturing the NCAA I-AA national championship in 1983, Kill slowly but surely transformed the Salukis back into a national power at the FCS level.

Following a 1-10 mark in his debut season in Carbondale, Ill., Kill's team hit the double-digit win mark for the first time in 20 years by going 10-2 in 2003. That season coincided with the Saluki's return to the FCS Playoffs and set off a five-year run of greatness for Kill's program.

One of Kill's best teams was the 2004 edition of Southern Illinois who constructed a perfect 9-0 mark against FCS

competition. That year, the Salukis generated a 7-0 mark in Gateway Conference action and held the number-one spot in the FCS national rankings for the final 10 weeks of the season. Kill's squad possessed one of the nation's best offenses, too, pounding opponents by an average of 30 points per game. His efforts that year resulted in Kill collecting the Eddie Robinson Award - a laurel handed out on an annual basis to the best head coach across all of FCS.

During 2007, Kill's final season in charge, the Salukis amassed the second-highest single-season win total in program history by going 12-2. Southern Illinois defeated a quartet of ranked teams that season and moved on to the semifinal round of the FCS Playoffs - the program's deepest postseason run since 1983. That season, Kill also became the first FCS coach in the history of the sport to be named the Liberty Mutual Coach of the Year. That laurel honors coaches who succeed on and off the field, displaying sportsmanship, integrity, responsibility and excellence.

Northern Illinois | 2008-10

Following his highly-successful run at the FCS level, an FBS program - Northern Illinois - came calling for Kill. Installed as the Huskies' head coach in December of 2007, Kill again wasted no time in bringing another program back to national relevance.

In the 12 years prior to Kill's arrival, Northern Illinois had reached a bowl game on just one occasion and were coming off a 2-10 campaign in 2007. Through his three seasons at the helm, though, the Huskies made their way to a trio of bowl games. That three-year bowl game run was capped by the team's appearance in the 2010 Humanitarian Bowl in which the Huskies hammered Fresno State, 40-17, in order to secure the program's first 10-win season since 2003.

All told, Kill compiled a 23-16 mark for the Huskies. During his final season as the program's leader, Northern Illinois constructed an 11-3 record which represented the highest win total in a single season in the history of the program. Kill's success with the Huskies set the stage for multiple memorable moments for the program, including an appearance in the 2013 Orange Bowl. By making the cut for that bowl game, the Huskies became the first MAC squad in the history of the league to appear in a BCS bowl.

Minnesota | 2011-15

Taking notice of Kill's reputation for resurrecting programs around the region, Minnesota decided to see if Kill could do the same for its Big Ten squad. Before Kill's arrival, the Golden Gophers had failed to reach the .500 mark in four of the last five seasons.

Named the Golden Gophers' head coach in December of 2010, Kill proved he could rebuild teams in the highest echelon of the sport by leading Minnesota to three-consecutive bowl game appearances (2012, 2013 and 2014) through his five-year run in The Land of 10,000 Lakes.

The 2013 and 2014 campaigns saw Minnesota produce identical 8-5 records after putting forth respective 4-1 and 5-1 starts. Kill's efforts in the 2014 season resulted in him

being named the Big Ten Coach of the Year while also leading the program to its first New Year's Day bowl game in 53 years. A number of notable victories also came Minnesota's way in 2014 including its first against Michigan since 2005. Kill's triumph over Nebraska in 2014 marked back-to-back wins for Minnesota over the Huskers since the 1950s while his victory over Nebraska in 2013 was Minnesota's first since 1960.

Kansas State | 2016 | Associate Athletics Director for Administration

A series of health issues caused Kill to retire from the position as Minnesota's head coach midway through the 2015 season and signaled the start of a year-long hiatus from coaching for Kill. In May of 2016, Kill made the move to athletic administration by accepting the position of Associate Athletics Director for Administration at Kansas State

As a member of Athletics Director John Currie's senior staff, Kill served as the chief administrator for K-State's football program.

Rutgers | 2017 | OC/Quarterbacks

Kill's first stint as a college athletics administrator lasted less than a year as he returned to the ranks of college football's coaches in December of 2016 when he accepted the position of offensive coordinator at Rutgers.

The Scarlet Knights operated with a run-heavy offense under Kill, which resulted in 147 rushing yards per game and played a major role in their 18 points per game average.

Southern Illinois | 2018-19 | University/ Athletic Administration

Kill returned to Carbondale, Ill., in 2018 as a special assistant to the chancellor. Kill then moved back into college athletics when he accepted the role of the Salukis' Director of Athletics in February of 2019.

Virginia Tech | 2019 | Assistant to the Head Coach

Three games into the Hokies' 2019 campaign, head coach Justin Fuente tabbed Kill to join his staff as a special assistant. Virginia Tech went 8-5 that year and made a trip to the Belk Bowl.

TCU | 2020-21 | Assistant to the Head Coach/Interim Head Coach

Longtime friend Gary Patterson convinced Kill to join his staff in Fort Worth in January of 2020 in a role similar to the one he was in at Virginia Tech.

After Patterson was dismissed as the Horned Frogs' head coach on Oct. 31, 2021, Kill stepped in as the interim head coach and has since directed TCU to a 2-2 record. The first of those victories was a 30-28 home win over 12th-ranked Baylor - TCU's first victory over a nationally-ranked opponent since 2019.

NM State | 2022-Pres. | Head Coach

Kill's first season in Las Cruces led to the Aggies first bowl win since 2017. After a six-win regular season, Kill led NM State to the Quick Lane Bowl in Detroit where the Aggies won 24-19.

Throughout the season, the Aggies saw a number of length streaks snapped under Kill's leadership. On October 29, NM State snapped a 1,498 day road losing streak with a 23-13 win at UMass. The Aggies first-year head ball coach also snapped a three-year skid to in-state rival New Mexico two weeks prior, winning 21-9 at Aggie Memorial Stadium.

Entering a late November road game at Liberty as 24-point underdogs, Kill and company went and completely flipped the script for a 49-14 victory, backed by six touchdowns from Diego Pavia.

With Kill at the helm, a flurry of upgrades are being made to Aggie Memorial Stadium and the surrounding football facilities. Ahead of the 2023 season, the turf inside Aggie Memorial Stadium and on the practice field were both replaced. NM State has also announced upgrades to the locker room.

PERSONAL LIFE

Much more than a football coach, Kill's civic honors are many as are his efforts as an advocate for epilepsy - a condition he has lived with for the majority of his adult life. Beginning with the formation of the Coach Kill Fund during his days at Southern Illinois, Kill also created the Chasing Dreams Coach Kill Epilepsy Fund during his time as Minnesota's head coach.

The National Football Foundation awarded Kill its Courage Award in 2009. In three successive years, Kill also secured the Cal Stoll Courage Award (2014), Bob McNamara

Memorial Legends Award (2015) and the FCA Power of Influence Award (2016).

To this day, Kill continues to assist in fundraising monies for research for the National Foundation of Epilepsy. Kill's experiences as a head coach while living with epilepsy were chronicled in his 2016 book, "Chasing Dreams: Living My Life One Yard at a Time."

Four institutions, which include Southern Illinois (2014), Southwestern College (2004) and Kansas Sports (2016), have inducted Kill into their respective Halls of Fame. Hailing from Cheney, Kan., Kill is the father of two daughters, Krystal and Tasha. A grandfather, too, Kill has one granddaughter, Emery.

Shortly after his hiring as the Aggies' head coach on Nov. 29, 2021, Jerry Kill announced Tim Beck has been installed as the Aggies' offensive coordinator and assistant head coach. Like Kill, Beck heads to New Mexico directly from TCU in Fort Worth, Texas, where he served as an offensive analyst for the Horned Frogs' football program.

Though Beck's most recent coaching stop prior to NM State was in Fort Worth, Texas, it was at the NCAA Division II level where he spent the vast majority of his career. From 1987-2019, Beck served in a coaching capacity for Pittsburg State in Pittsburg, Kan., where he helped lead the Gorillas to national prominence during his 30+ years affiliated with the program.

Putting 331 points on the board throughout his first season in Las Cruces, Beck's offense marked the highest points and points per game (25.2) among Aggie teams since the 2017 Arizona Bowl squad. Over the final four regular season games, Beck's offense produced 179 points (44.75/game) and led a late season charge to the Quick Lane Bowl.

Also overseeing the quarterback room, Beck helped develop Diego Pavia into a candidate who received Heisman Trophy votes. In his first season as an Aggie, Pavia led the Aggies in both passing and rushing, while adding 19 touchdowns (13 pass, six rush).

Through the last decade of his tenure at Pittsburg State (2010-19), Beck served as the program's head coach and made sure the Gorillas maintained their status as one of the nation's premier NCAA Division II programs. In that time, Beck compiled an 82-35 (.701) mark which included a 69-34 (.670) showing in Mid-American Intercollegiate Athletic Association (MIAA) tilts.

With Beck leading the way, the Gorillas generated three seasons of double-digit wins, the most memorable of those coming in 2011 when they went 13-1 and claimed the NCAA Division II National Championship. The Gorillas' national title that season came exactly 20 years after their last in 1991 - a season in which Beck patrolled the sidelines as the Gorillas' inside linebackers coach under head coach Jerry Kill.

The 2011 campaign featured a seven-game improvement from 2010 as well as the program's 13th MIAA regular-season title during Beck's tenure affiliated with the team. For his efforts, Beck hauled in a multitude of individual coaching awards including the Liberty Mutual NCAA Division II National Coach of the Year, the Don Hansen Football Committee Coach of the Year, the FieldTurf Coach of the Year and the first of his two MIAA Coach of the Year laurels.

A head coaching job at Pittsburg State seemed to be in the cards for the Kansas native who began his long tenure with the Gorillas as a student assistant coach in 1987. A one-year stint as a graduate assistant (1988) followed before Beck was elevated to the program's inside linebackers coach from 1989-91. Beck maintained his responsibility of overseeing the program's inside linebackers, too, during his time as its defensive coordinator (1992-93).

Beginning in 1994, Beck switched sides and was named the Gorillas' offensive coordinator - a position he held through the team's 2009 campaign. Pittsburg State's offenses were some of the best in the nation with Beck overseeing things as the Gorillas played their way to NCAA Division II runner-up finishes in 1995 and 2004. Pittsburg State's 2004 club made a name for itself across all NCAA divisions by amassing an all-division record in both rushing (5,320 yards) and total offense (8,976 yards).

Through the course of his 33-year tenure with Pittsburg State, the Gorillas went 314-85-2 (.786) and cemented themselves as one of the best NCAA Division II programs in the nation.

Beck coached 48 All-Conference players and 28 All-Americans at Pittsburg State, including NM State Defensive Coordinator Nate Dreiling.

After not serving in a coaching capacity in the 2020 season, Beck took on the role of offensive analyst for TCU at the start of the 2021 season. With Beck on their side, the Horned Frogs ranked 37th among all FBS programs in total offense, racking up 435.8 yards per game and claimed a 30-28 victory over 12th-ranked Baylor on Nov. 6.

A 1988 graduate of Pittsburg State, Beck and his wife, Gena, have four children - Derek, Sydney, Drew, and Samantha.

NATE DREILING

Nate Dreiling was named NM State's defensive coordinator on Dec. 2, 2021. A high-level recruiter with a track record of implementing new - and efficient - defensive game plans, Dreiling parlayed a star-studded NCAA Division II playing career into a coaching career which has so far spanned seven years and four collegiate institutions.

In Dreiling's first season in Las Cruces, the NM State defense turned heads across the nation. Dreiling inherited a defense that ranked 127th in total defense among FBS schools. The '22 Aggies were the most improved defensive unit in college football, climbing 98 spots to 29th in the nation.

The first Aggie team that Dreiling coaching had three players - Chris Ojoh, Trevor Brohard, and Lazarus Williams - earn invitations to NFL Rookie Mini Camps.

Most recently, Dreiling called Cape Girardeau, Mo., home while serving as the defensive run game coordinator and inside linebackers coach for FCS program Southeast Missouri State. The Redhawks collected a top-ten victory to cap off their 2021 campaign (a 31-14 home triumph over eighth-ranked UT Martin) to finish 4-2 in Ohio Valley Conference (OVC) action. With Dreiling on the sidelines, Southeast Missouri State held UT Martin to just 14 points - its lowest offensive output in over a year.

Under the direction of Dreiling, the Redhawks witnessed two members of their linebacking corps earn some gaudy accolades. Bryce Norman was one of 22 players among the FCS ranks placed on the 2021 Stats Perform FCS Jerry Rice Award which is presented on an annual basis to the National Freshman of the Year in college football's FCS ranks. Norman latched on to All-OVC Second Team accolades following the conclusion of his debut collegiate campaign while teammate Brandon Mincey - also developed by Dreiling - received All-OVC First Team laurels.

Dreiling arrived in Missouri directly after a one-and-a-half-year stint on head coach Mario Cristobal's staff at Oregon from January of 2020 through June of 2021. With Dreiling on staff, the Ducks were able to rope in the nation's sixth-best recruiting class for 2021 - a group of players who were named the Pac-12's best recruiting class that season. As a defensive analyst for Cristobal, Dreiling helped Oregon capture the 2020 Pac-12 title before it took part in the Fiesta Bowl.

Returning to the program that he helped lead as a player, Dreiling's first full-time coaching stop came at NCAA Division II Pittsburg State in Pittsburg, Kan. For three seasons, Dreiling served on the Gorillas' coaching staff first as a safeties coach (2017) prior to his elevation to the program's defensive coordinator (2018-19).

Through his first season back in Pittsburg, Kan., he helped the Gorillas force a total of 25 turnovers while ranking second in the land in fourth-down conversion percentage (.200) and 19th in fumble recoveries.

In the two seasons after Dreiling was elevated to the Gorillas' defensive coordinator, 17 players got their hands on All-MIAA honors while safety Morgan Selenaea earned honorable mention All-America honors in 2018. All told, Dreiling's defensive schemes allowed Pittsburg State to rank among the top two in the MIAA in 11 different statistical categories in 2018 and 2019.

His first coaching gig came in the Jayhawk State, too, as he signed on with Kansas as a graduate assistant from 2015-16. Helping oversee the Jayhawks' defensive line (2016) and linebackers (2015), Dreiling assisted in the development of three All-Big 12 performers including Dorance Armstrong - a fourth-round NFL Draft pick by the Dallas Cowboys in 2018.

One of the best NCAA Division II football players in the nation on either side of the ball, Dreiling terrorized opposing offenses through his four-year career (2010-13) at Pittsburg State. A four-time All-American, Dreiling led the Gorillas to the NCAA Division II National Championship in 2011 - a year in which he was named the NCAA Division II National Defensive Player of the Year by the Don Hansen Football Committee.

The 2011 MIAA Defensive Player of the Year amassed a trio of All-MIAA awards and was named a CoSIDA Academic All-American in 2013, too. His 491 career tackles top both the Pittsburg State and MIAA all-time charts.

At Pittsburg State, Dreiling played under Tim Beck, who is now the Offensive Coordinator at NM State.

Dreiling's success on the field caught the eye of numerous NFL teams once his collegiate career was a matter of record. The linebacker signed an undrafted free agent deal with the Green Bay Packers ahead of the 2014 season and also spent time on the Kansas City Chiefs' practice squad that same year. He wrapped up his playing career by signing on with the Omaha Mammoths of the now-defunct Fall Experimental Football League (FXFL) for the remainder of 2014.

Dreiling and his wife, Alexa, have a two daughters, Baylor and Baisley, and a son, Baker.

TYLER WRIGHT

Tyler Wright was announced as the Special Teams Coordinator and Tight Ends coach for NM State on December 10, 2021. Wright, like most of Kill's staff, has deep ties to the head coach.

Wright's first season as an Aggie saw tremendous success on special teams. NM State finished the year fifth nationally in punt return defense, allowing just 2.21 yards per return. Ranking 70th nationally in kick return defense, the Aggies also posted their highest ranking in the category in a decade.

The role with the Aggies sees Wright stepping into his first coaching role outside of the Lone Star State, Wright's previous stop was in Fort Worth, Texas, where he was an offensive graduate assistant at TCU from 2019 through 2021. Through Wright's three-year run on staff with the Horned Frogs, they amassed 16 victories - three of which came against opponents who were ranked 15th in then nation or higher.

During Wright's time in Fort Worth, the Horned Frogs saw 10 players get selected in the NFL Draft, including three first round picks. On the offensive side of the ball, Wright worked with two selections including wide receiver Jalen Reagor, the Philadelphia Eagles first round selection in 2020.

While with the Horned Frogs, Wright and company saw two tight ends in Pro Wells and Artayvious Lynn head to the NFL as undrafted free agents. TCU was one of just three schools to send two tight ends to the next level after the 2020 season, joining Notre Dame and Ohio State.

Wright's time at TCU came directly after a one-year stint as the quarterbacks coach and passing game coordinator at NCAA Division II institution UT Permian Basin in 2018. In addition to his on-field duties, Wright was a recruiter for the Falcons' Lone Star Conference program. Wright oversaw the development of Taylor Null while at UT Permian Basin, helping the Falcons' signal-caller establish single-season program record in passing yardage (2,145), touchdowns (16) and completions (176) as a true freshman.

His run in the city of Odessa, Texas, started in June of 2015 as the wide receivers coach and video coordinator at Odessa Permian High School. With Wright in their corner, the prep program compiled a 25-8 record thanks to a high-octane offense which averaged over 42 points per game. The Texas native was on the prep scene sidelines for three seasons, spanning from 2015-17.

Wright put together an impressive collegiate career at Tarleton State in Stephenville, Texas. Suiting, up for the Texans for four seasons as a wide receiver, Wright helped the then-NCAA Division II squad claim a share of the Lone Star Conference championship in 2013. Through his final semester as a student at Tarleton, Wright served as a student intern for the Texans' football team.

Wright boasts a pair of degrees - One from Texas Christian University and the other from Tarleton State University. While serving as a graduate assistant for the Horned Frogs, Wright completed the coursework for a Master's of Liberal Arts degree. As a student-athlete for the Texans, Wright successfully finished the necessary workload for a Bachelor's Degree in Kinesiology and Exercise Science.

Wright is a native of Granbury, Texas and a graduate of Granbury High School. In high school, Wright was a distinguished receiver and was named to the All-State team as a senior.

- Snow College (2006-08)
- Dixie State (2003)

Andrew Mitchell, who made coaching stops at a pair of Power Five institutions following a stellar playing career, will serve as the offensive line coach for the NM State football team.

Under Mitchell's leadership, the front five for the Aggies turned into a dominant crew in 2022. Behind the offensive line, NM State broke its single-season rushing touchdown record, finding the end zone 25 times. Rushing for 161.6 yards per game, the Aggies finished with their highest total since the 2016 season.

Like a number of other individuals on head coach Jerry Kill's staff, Mitchell matriculated to Las Cruces, N.M., following a run on staff at TCU. There, in 2021, Mitchell's second stint in Fort Worth, Texas, was in the role of an offensive analyst for the Horned Frogs. Mitchell helped TCU claim one victory over a nationally-ranked foe (#12 Baylor on Nov. 6, 2021) en route to a 5-7 mark.

Mitchell returned to the Lone Star State following a three-year run at one of the premier junior college programs in the nation. From February of 2017 until December of 2020, Mitchell held various positions at Snow College in Ephraim, Utah, most notably as the program's head coach in 2019 and 2020.

In addition to his role as head coach, Mitchell also sported the title of Associate AD for Advancement and helped spearhead private sector and state-level fundraising efforts which resulted in the creation of a $7 million football facility and an updated locker room.

During the 2017 and 2018 seasons, Mitchell was Snow College's offensive coordinator, offensive line and tight ends coach. With him calling plays, the Badgers' offense topped the junior college charts in scoring (50+ points per game) for each of those seasons.

Before returning to the site where he started his collegiate career, Mitchell was an offensive line coach at Indiana State (2016) and an assistant offensive line coach at TCU (January-June of 2016). His first stint at TCU featured Mitchell doubling as the Horned Frogs' tight ends coach.

Two institutions - North Carolina (2014-16 seasons) and Houston (2013 season) - had the benefit of Mitchell on their respective staffs as a graduate assistant for both the offensive line and tight ends. In each of Mitchell's seasons on staff at North Carolina, the Tar Heels ranked among the top 20 teams in the land in total offense and yards per play. While at Houston, Mitchell aided the Cougars in becoming one of the top 20 teams in the nation in terms of total offense, too.

A standout offensive lineman himself, Mitchell spent two seasons in an Oklahoma State uniform (2008-10). His time in Big 12 country came after a fine junior college career at Snow College. There, Mitchell secured NJCAA First Team All-American honors, JC Gridwire First Team All-American laurels, All-Region and All-Conference nods while helping Snow College make a trip to the 2007 NJCAA national title bout.

Mitchell's playing career began in 2003 at Dixie State University (now Utah Tech) in St. George, Utah. As a true freshman, Mitchell saw time at tight end as Dixie State had a stellar season, capping in a trip to the NJCCA National Championship game. Following his freshman year, Mitchell went on a two-year mission with The Church of Jesus Christ of Latter-day Saints before returning to collegiate athletics in 2006.

Upon the conclusion of his playing career, Mitchell spent time on either the offseason or practice squad of no fewer than three NFL clubs - the Cincinnati Bengals (2010-11), Seattle Seahawks (2012) and Jacksonville Jaguars (2012).

Mitchell secured his associate's degree in from Snow College in 2007 before obtaining a bachelor's degree in journalism & broadcasting from Oklahoma State in 2010.

Mitchell's wife, Kaitlin, was a former soccer player at the University of Houston. The two have two children, Drew, Russell, and Jace.

TONY SANCHEZ

Sanchez returns to the Land of Enchantment following a 2021 campaign in which he, Kill and a multitude of other member of the Aggies' coaching staff were at TCU in Fort Worth, Texas. There, Sanchez was an offensive analyst for the Horned Frogs and helped them pick up one victory over a nationally-ranked foe (#12 Baylor) through the team's 2021 campaign.

In Sanchez's return to NM State, his group of wide receivers put up impressive numbers in the first season. The receivers hauled in 105 passes for 1,599 yards (15.22 yds/reception) and ten touchdowns. Under Sanchez's watch, Justice Powers posted the third-highest single-season yards-per-reception mark (22.00) in NM State history.

Prior to his time at TCU, Sanchez had a five-year run (2015-19) as the head coach at Mountain West institution UNLV. In Las Vegas, Sanchez totaled 20 wins at the helm of UNLV while also taking part in numerous fundraising efforts which led to the construction of the $34 million Fertitta Football Complex.

It was Sanchez's high-level success rate at the prep level that turned the most heads and allowed him to secure a head coaching job at the FBS level. Upon exiting the borderland following the 2003 season, Sanchez was installed as the head coach at California High School in Ramon, Calif., and began an 11-year run as one of the nation's best high school head coaches.

From 2004-08, Sanchez amassed 35 wins as California High School's head coach. Finishing at or above the .500 mark in all but one campaign, Sanchez successfully transformed the Fighting Grizzlies from a less-than-mediocre program to one that was a power in the East Bay Athletic League. Sanchez's best team at CHS was the 2007 edition which went 11-2, claimed an East Bay Athletic League championship and made a run to the CIF North Coast Section Finals.

Taking notice of Sanchez's success in the Golden State, Bishop Gorman High School in Las Vegas, Nev., came calling and hired Sanchez as its head football coach prior to the start of the 2009 season. What followed over a span of six season was nothing short of complete and total domination by Sanchez and his troops.

Bishop Gorman piled up an 85-5 record during Sanchez's tenure which ran from 2009-14. Ranked as the top prep football program in the nation by such publications as USA Today and MaxPreps.com, Bishop Gorman never failed to capture the Nevada Interscholastic Activities Association (NIAA) 4A state title in each of Sanchez's six seasons at the helm of the program. In 2014, Sanchez was named the USA Today High School Football Coach of the Year.

Over the 25 seasons before Sanchez arrived in Las Vegas, Bishop Gorman had claimed just one state title. The Gaels had also ever been nationally ranked before Sanchez and company helped flip the history of Nevada high school football forever.

Sanchez spent a total of four seasons on staff at Oñate High School (now Organ Mountain High School) in Las Cruces, N.M. A wide receivers coach at that prep institution in 1998, he moved over to defensive backs coach in 2001 and 2002 before being named the defensive coordinator for the 2003 season. Irvin High School in El Paso, Texas, also employed Sanchez as its wide receivers coach in 2000.

Through his two-year tenure in an NM State uniform, Sanchez racked up 54 receptions for 741 yards and five touchdowns. Upon the conclusion of his collegiate career in the 1995 season, Sanchez served as an undergraduate assistant coach for the Aggies for their 1996 campaign.

Before coming to Las Cruces, Sanchez began his football career at Laney College in Oakland, California. A Bay Area native, Sanchez also began his head coaching career close to home at California High School in San Ramon.

For the first time since serving as an offensive graduate assistant at Missouri prior to the 2016 season, Muhammad-Lankford is back at the FBS level after NM State head football coach Jerry Kill named the St. Joseph, Mo., native the Aggies' running backs coach for the 2022 season and beyond.

Under Muhammad-Lankford, the Aggie backfield turned into a dominant crew in 2022. NM State broke its single-season rushing touchdown record that had stood since 1960, finding the end zone 25 times. Rushing for 161.6 yards per game, the Aggies finished with their highest total since the 2016 season.

Directly before signing on as a member of Kill's staff, Muhammad-Lankford spent three seasons in Normal, Ill., where he played the role of Illinois State's wide receivers coach. For the 2020 and 2021 seasons, he was the Redbirds' co-offensive coordinator.

Muhammad-Lankford's debut season in Normal, Ill., coincided with one of the Redbirds' best seasons in the history of the program. Illinois State went 10-5 in 2019, advancing all the way to the FCS quarterfinals where they fell 9-3 to eventual FCS champion North Dakota State. Throughout the 2019 season, Illinois State appeared in the FCS Top 25 poll every week, reaching as high as seventh.

Ranked opponents were commonplace throughout Muhammed-Lankford's three seasons with Illinois State. The Redbirds took down five ranked opponents, including a pair of top-ten teams - No. 4 South Dakota State and No. 9 Central Arkansas.

Another stop in the FCS ranks, this one at Southeast Missouri State in Cape Girardeau, Mo., preceded Muhammad-Lankford's tenure at Illinois State. From 2016-18, he served as the running backs coach and recruiting coordinator for the Redhawks. With Muhammad-Lankford on staff, Southeast Missouri State enjoyed the best season in the history of the program in 2018. That year the Redhawks collected a program-record nine wins while advancing to the second round of the FCS playoffs.

As the running backs coach, Muhammad-Lankford mentored Marquis Terry who earned multiple All-America honors in 2018. Terry was the Ohio Valley Conference Offensive Player of the Year, after leading the league in rushing yards (1,229), rushing touchdowns (14) and rushing yards per game (94.5). He ran for over 100 yards a league-high six times with an OVC and school record 311 at Southern Illinois (Sept. 15, 2018).

A stop at an SEC institution laid the groundwork for Muhammad-Lankford's success as the FCS level. For two seasons (2014 and 2015), he joined then-wide receivers coach Pat Washington's group at Missouri as an offensive graduate assistant. Opponent scouting, game planning and assisting with recruiting were just some of his roles with the Tigers.

Muhammad-Lankford played four years (2009-2012) at Wyoming. He was the Cowboys leading rusher before suffering a season-ending injury in 2011. A year later, he led Wyoming with 106 tackles, 10 tackles for loss and four fumble recoveries as a linebacker his senior season. Muhammad-Lankford's coaching journey began at his alma mater where he played the role of graduate assistant and assisted with the Cowboys' running backs in 2013.

CHUKA NDULUE

One of the best defensive linemen for Oklahoma in recent memory, Chuka Ndulue was tabbed as NM State's defensive line coach by head coach Jerry Kill in January of 2021.

Ndulue and company helped hold opponents to 23.92 points per game in 2022 - 16.5 points better than the '21 Aggies. Nationally, the Aggies improved by 82 slots in scoring defense in 2022, moving from 128th in '21 to 46th in '22.

From 2019-21, Ndulue called the FCS ranks home as he served as the defensive line coach at Southern Illinois for three seasons. Through his three seasons in Carbondale, Ill., the Salukis totaled 21 victories and advanced to the second round of the FCS playoffs in both 2020 and 2021.

In three seasons in Carbondale, Ndulue helped lead the Salukis to nine wins over ranked opponents. Four times, Ndulue and company managed to take down a top-five team - No. 1 North Dakota State, No. 2 South Dakota State, No. 3 Weber State, and No. 4 Northern Iowa. Throughout the 2020 and 2021 seasons, the Salukis found themselves in the top 25 all but one week.

During his time with the Salukis, three of the team's defensive linemen earned either All-Missouri Valley Football Conference (MVFC) First or Second Team honors.

Scott Frost, who was named the 2017 AFCA Coach of the Year while at UCF, selected Ndulue to serve on his staff at Nebraska in the 2018 season. That year, Ndulue was a graduate assistant coach with the Huskers.

Arguably the best defensive lineman in the Big 12 - and one of the finest in the country - during his playing career, Ndulue slipped on an Oklahoma jersey from 2010-14 and was a three-year starter for the Sooners. With Ndulue on their side, the Sooners put forth a 51-15 record, won a trio of bowl games and laid claim to two Big 12 regular-season titles. All told, Ndulue racked up 140 tackles, 17.0 tackles for loss and 12 sacks throughout his collegiate career. Twice he was named an All-Big 12 Second Team choice and he established an Oklahoma defensive lineman record with 15 tackles in a single game.

Directly after his playing days at Oklahoma, Ndulue took part in the NFLPA Collegiate Bowl, catching the eye of the Denver Broncos in the process. He wound up signing with the Broncos and spent three seasons in the ranks of the NFL before deciding to pursue a career in coaching.

Oklahoma welcomed Ndulue back in 2017 and 2018 where he was a volunteer assistant coach. He helped the Sooners win the 2017 Big 12 Conference title and play in a 2018 College Football Playoff semifinal.

Ndulue earned his bachelor's degree in sociology from Oklahoma in 2014. The defensive line coach comes from Nigerian descent and can speak three languages - English, French, and Ibo, a Nigerian dialect.

PLAYING EXPERIENCE
- Baylor, 2008-11

Cliff Odom made his return to the FBS coaching level in January of 2022 as NM State head coach Jerry Kill named the former Baylor player as the Aggies' defensive backs coach.

In his first season in Las Cruces, Odom's secondary sat inside the top 20 nationally in passing yards allowed (186.8) and passing yards per completion (13.83). The secondary powered the nation's most improved defense, jumping from 127 to 29 in total defense in just one year.

Prior to joining Kill's staff at NM State, Odom five other programs benefited from his services. Most recently, Eastern Illinois employed the former Baylor player for two seasons (2020 and 2021). At the FCS institution, Odom oversaw the Panthers' defensive backs group and produced a trio of All-Ohio Valley Conference honorees through his pair of seasons in Charleston, Ill.

Odom headed north to Illinois following a two-year stint as a special teams quality control coach at UCF from 2018-19. The Knights went an impressive 22-4 during Odom's tenure and appeared in a pair of bowl games. One of Odom's pupils earned All-AAC Second Team honors as a special teams performer.

While with the Knights, Odom helped oversee UCF's historic undefeated regular season in 2018. Throughout the year, Odom aided UCF to the seventh spot in the national rankings - The highest ranking to date in school history. During the 2019 campaign, UCF never dipped outside of the Top 25 nationally, debuting at No. 21 and continuing to climb. The Knights stormed through the regular season and took down No. 24 Cincinnati as College GameDay made its first trip to Orlando. The Knights claimed the American Conference championship with a 56-41 victory over Memphis before falling to Joe Burrow and No. 11 LSU in the Fiesta Bowl.

Another Florida post-secondary institution, Stetson, had Odom on staff in 2017. At the DeLand, Fla., university, Odom was the team's defensive backs coach and oversaw the development of Pioneer League Defensive Newcomer of the Year JJ Henderson.

Odom was a graduate assistant at a pair of Power Five clubs - Missouri (2016) and TCU (2015) - before heading to Florida. With Missouri, he worked exclusively with the team's brigade of cornerbacks and with Odom in that team room the Tigers topped the SEC charts in interceptions. At TCU, the Horned Frogs posted an 11-2 record and won the Alamo Bowl over No. 15 Oregon. With the Horned Frogs, Odom helped TCU take down No. 7 Baylor in a rivalry game.

In the three seasons preceding his run at the college level, Odom coached at Martin High School in Arlington, Texas. There, he was the team's secondary coach while also coordinating all strength & conditioning operations. The Martin High School track & field team also benefited from Odom's coaching services, too.

The Odom family's football lineage runs deep as Cliff's father, Cliff Odom Sr., logged 13 years of service in the NFL for the Cleveland Browns, Indianapolis Colts and Miami Dolphins from 1980-93.

Odom's brother, Chris, is a defensive end by trade and appeared on a trio of NFL rosters as well from 2017-19 (Atlanta Falcons, Green Bay Packers, Washington Redskins) before signing on with the CFL's Calgary Stampeders in February of 2021. In 2022, Chris signed with the Houston Gamblers of the USFL for the league's inaugural season. Odom was named the first Defensive Player of the Year in league history after a dominant season in Houston.

Odom obtained his bachelor's degree from Baylor in 2011 following a college football career in which he participated heavily in both SAAC and FCA.

BOBBY MCMILLEN

Bobby McMillen was chosen as NM State's inside linebackers coach by head coach Jerry Kill in January of 2022. It marks McMillen's first full-time role as a position coach at the collegiate level.

In his first season as the Aggies inside linebackers coach, McMillen saw tremendous success from Chris Ojoh and Trevor Brohard, who combined for 177 total tackles. Both linebackers earned invites to NFL Mini Camps by the New Orleans Saints and San Francisco 49ers, respectively.

In the 2022 Quick Lane Bowl, Brohard came up with a momentum shifting interception that led to NM State's first score. Late in the game, Ojoh forced a game-changing fumble inside the five yard line that helped secure NM State's first bowl win since 2017.

McMillen, like many of the members of Kill's coaching staff, comes to Las Cruces directly following a stint on TCU's coaching staff in Fort Worth, Texas. Through the 2021 season, McMillen served as a special teams analyst for the Horned Frogs with responsibilities ranging from formulating practice plans to evaluating recruits and creating scouting reports.

The former collegiate linebacker got his start at TCU as an offensive graduate assistant from March of 2020 until June of 2021. In that role, he worked primarily with the Horned Frogs' running backs while also assisting in the creation and completion of scouting reports for opposing special teams and defensive units.

While on staff with the Horned Frogs, McMillen helped propel TCU to upset victories over No. 9 Texas, No. 14 Baylor, and No. 19 Oklahoma State. McMillen and company finished the 2020 campaign on a three-game winning streak over Kansas, No. 19 Oklahoma State, and Louisiana Tech to finish the year bowl-eligible at 6-4.

A Naperville, Ill., native, McMillen suited up as a linebacker for Iowa State from 2015-19. Through his career, McMillen took part in 33 contests for the Cyclones and amassed 37 tackles, one sack and a pair of pass breakups. During McMillen's tenure in an Iowa State uniform, the Cyclones appeared in a trio of bowl games and defeated six top-25 teams. He graduated from Iowa State in 2019 with a degree in communications.

Football runs deep in the McMillen family as Bobby's father, Bob, is a member of the Arena Football League Hall of Fame. As a fullback, McMillen amassed 1,514 career rushing yards, 810 receiving yards, 95 total touchdowns, three running back of the year awards, a first team All-Arena selection in 2000, and was a three-time Arena Bowl Champion. After making the transition to the sidelines, McMillen added an AFL Coach of the Year nod in 2013.

Directly before agreeing to join Kill's staff, Rice called Philadelphia, Pa., home as he coached the cornerbacks at Temple University from 2020-21.

With Rice helping to head the defense, the NM State secondary was noticably improved in 2022. Rice inherited a defense that ranked 127th in total defense among FBS schools. The '22 Aggies were the most improved defensive unit in college football, climbing 98 spots to 29th in the nation.

Powered largely by the safeties, the NM State defense also shot up 112 spots in passing yards allowed per game in '22. In Rice's first season leading the NM State safeties, the Aggies allowed just 186.8 yards per game through the air, good for 16th nationally.

Rice's time at Temple continued his affiliation with Owls' head coach Rod Carey who he also served under during Carey's time as Northern Illinois' head coach. The Owls' defense reached new levels under Rice's watchful eye. Temple ranked eighth nationally in passing yards allowed in 2021 and seventh nationally in red zone defense in 2019. Under Rice, safety Benny Walls won the Bronko Nagurski Player of the Week in 2019 after intercepting a pass, returning a fumble for a touchdown, and recording six tackles in Temple's 24-2 win over Georgia Tech.

During Rice's tenure at NIU, the defense was very productive in the passing game averaging over a dozen interceptions and 43 PBUs. The cornerback unit tallied 11 picks, including two returned for scores from 2016-18. In 2018, NIU ranked in the top 50 in passing efficiency defense. In 2016, his star pupil, Shawun Lurry, tied the school record for interceptions in a career after making two, including a pick-six in the victory at Nebraska. Lurry, a 2015 All-American and two-time All-Conference selection, finished his career with 16 interceptions.

As a member of head coach Tom Matukewicz' staff at SEMO in 2015, Rice helped the Redhawks rank fourth in the Ohio Valley Conference in scoring defense and in interceptions. At SEMO, Rice mentored All-Conference cornerback Michael Ford, who led the OVC with five interceptions.

Between 2011 and 2014, Rice served as the defensive quality control assistant at Minnesota, Rice handled opponent scouting, self-scouting and day-to-day operations of the defensive staff as the Gophers played in three bowl games during his time there. With the Gophers, Rice made trips to three bowl games (Citrus, Texas, and the Meineke Car Care Bowl) in addition to a pair of eight win seasons.

After a successful playing career, Rice began to climb the collegiate coaching ranks a graduate assistant coach at NIU in 2010. Alongside head coach Jerry Kill, he was part of the staff that led the Huskies to an 11-3 record, NIU's first of what became six consecutive Mid-American Conference Championship game appearances and a victory in the Humanitarian (now Famous Idaho Potato) Bowl. The 11-win season by Rice and company was the first in Northern Illinois history. During that time, he also mentored all-conference CB Chris Smith.

As a student-athlete, Rice spent his final season playing under Coach Kill. A four-year letterwinner (2005-08) who started his final three seasons for the Huskies and played in two bowl games and the 2005 MAC Championship contest, Rice made 175 career tackles, with eight for loss, two interceptions, and 18 pass break-ups. He had a career-best 61 stops as a junior and was credited with 50 total tackles as a senior. He led the team in pass break-ups both of those seasons.

A 2009 graduate of NIU with a degree in sociology/criminology, Rice spent the 2009 season as an assistant coach at Morgan Park High School, helping the Mustangs to the conference championship and a berth in the state playoffs. As a prep player at Morgan Park, Rice was named first-team All-Public League and also earned all-state honors from the Chicago Sun-Times, Chicago Tribune, Champaign News-Gazette, and Illinois High School Football Coaches Association as a senior.

Rice and his wife, Gabrielle, have three sons, Macklin, Mackai, and Mackari and one daughter, Mackinnley.

ERIC KLEIN

A longtime associate of Coach Kill, the relationship between Klein and NM State's head coach stretches back to 1994 when the two were on the same football staff at Saginaw Valley State.

Klein's most recent collegiate stop came at UCONN in Storrs, Conn., where he was the director of football strength & conditioning for a period of time beginning in January of 2017.

From 2010 until the early stages of 2017, Klein's services were called upon by Minnesota of the Big Ten. As the head strength & conditioning coach for the Gophers' football team, the squad made significant strides in strength, agility and endurance which have positively impacted their competitive performances.

For three years prior to joining the Gopher staff, Klein served as the Director of Sports Performance at Northern Illinois, where he oversaw sports performance for all 17 sports.

Klein coached at Southern Illinois from 2001-07. During his time at Southern Illinois, Klein designed the strength and conditioning programs for the five-time Missouri Valley Conference Champion Saluki men's basketball team and the three-time Gateway Conference Champion football team. Klein also helped design a new strength and conditioning center while he was at Southern Illinois.

Prior to taking on the strength and conditioning program, Klein coached the defensive line at SIU in 2000 and 2001. Klein coached the defensive line and implemented the strength and conditioning program at Emporia (Kan.) State from 1999-2000.

The NCAA Division II level is where Klein started as he signed on with Saginaw Valley State to be the Cardinals' assistant coach for both football and track & field from 1994-99. Along with his coaching duties, Klein designed and created the strength & conditioning program for the University Center, Mich., institution.

Klein's certifications include a Strength and Conditioning Specialist from the National Strength and Conditioning Association, a USA Weightlifting Club Coach from USA Weightlifting and Speed and Explosion from the National Association of Speed and Explosion.

A native of Apple Valley, Minn., Klein earned his bachelor's degree from Carleton College in 1993 before secure his master's degree from Emporia State in 2000. He and his wife, Allison, have two daughters, Taegan and Torin.

JACK JARNIGAN

Jack Jarnigan brings coaching experience from the FCS, NAIA, and NCAA Divison III levels with him as he joined Coach Kill's staff with NM State in 2022.

Jarnigan was pivotal in developing an offensive line that carved the path for 25 rushing touchdowns - an NM State single season record. The Aggies averaged 4.6 yards per carry in 2022, totaling 2,344 yards on the ground.

Coming to Las Cruces from Wisconsin - River Falls (NCAA Div. III), Jarnigan flipped back to the other side of the ball as the Offensive Line coach. In addition to overseeing the line, Jarnigan became the Tight Ends and Running Backs coach for the Falcons. In the fall of 2021, UW - River Falls had an offense that led the WIAC and ranked third nationally. While at UW - River Falls, Jarnigan oversaw three All-Conference selections, including First Team All-American tight end Ben Beise, who inked a training camp deal with the Tampa Bay Buccaneers. Jarnigan also helped lead the Falcons to the first postseason win in program history.

Before his time in Wisconsin, Jarnigan served as the Defensive Line coach at Marian University in Indianapolis. While with the Crusaders, Jarnigan had the opportunity to oversee a recruiting territory, manage a position room, and oversee individual periods at practice. Jarnigan oversaw the development of Cam Harris and Dylan Roth, a pair of All-Conference First Team selection who anchored a defensive line that finished second in the NAIA in sacks per game through the 2021 spring season. Marian's defensive line finished tenth in the nation in total sacks (26), despite competing in just six regular season games.

Jarnigan began his coaching career at Southern Illinois University - Carbondale as a quality control coach and working with the offensive line.

Jarnigan was a four-year starter at center for Valparaiso University in Valparaiso, Indiana from. In the 2019 season, Jarnigan earned the honor of being the Crusaders' captain. Jarnigan also helped oversee the Valparaiso community service efforts from the spring of 2017 until he graduated with his master's degree in the fall of 2019.

ISAIAH WASHINGTON

Isaiah Washington begins his second season with NM State in 2023. While serving as an offensive graduate assistant for the Aggies, Washington will help oversee the wide receivers.

During Washington's first season in Las Cruces, the Aggies saw success through the air with receivers accumulating for 10 touchdowns on the season. The passing game was key in the Aggies' Quick Lane Bowl victory to cap off a 7-6 campaign.

Washington was a standout wide receiver himself, playing at the University of Central Oklahoma and Booker T. Washington High School in Tulsa, Oklahoma. While at Booker T., Washington helped lead the Hornets to the 2011 State Championship. In college, Washington and the Bronchos made a pair of appearances in bowl games.

To begin his coaching career, Washington returned to Tulsa and joined the staff at Union High School. At Union, Washington coach five wide receivers who have went on to play Division I football with the potential for additional commitments soon. Union continued their reign as an Oklahoma powerhouse under Washington, making three state championship game appearances.

Washington completed his degree from the University of Central Oklahoma, graduating with a degree in Biology. While at Union High School, Washington put his biology degree to use, teaching science classes.

AARON CHEATWOOD

Aaron Cheatwood joins the NM State staff for the 2022 season after serving as the Defensive Coordinator for Garden City Community College in Garden City, Kansas.

Initially, Cheatwood was added to the Garden City staff as a Defensive Line coach in 2019 before being elevated to the Defensive Coordinator in June of 2021.

Previously, Cheatwood was also a head coach at Yuma Catholic High School in Yuma, Arizona. Cheatwood was the Defensive Coordinator for Yuma Catholic from 2011 until June of 2016, when he was appointed to the head coach role.

After his tenure at Yuma Catholic, Cheatwood transitioned to Coach Gila Ridge High School in Yuma where he served as the Offensive Coordinator and Quarterbacks coach for two seasons.

From 2007-2011, Cheatwood worked on both sides of the line at Arizona Western College in Yuma. Cheatwood began his coaching career as the Defensive Line coach in 2007 before taking over the Offensive Line in 2009.

Cheatwood graduated from Ottawa University in Ottawa, Kansas in December of 2021 with a bachelor's degree in Leadership and Management.

Throughout his career, Cheatwood has coached or recruited a flurry of players with NFL experience. These players include Randy Gregory (Dallas Cowboys), Damien Williams (Chicago Bears ; Miami Dolphins), Jesse Williams (Seattle Seahawks), Zach Masch (Seattle Seahawks), and Myles Wade (Minnesota Vikings)

Spencer Jones comes to Las Cruces in 2023 after spending time with Charlotte as an offensive analyst.

Before entering the coaching field, Jones graduated from the University of Oklahoma. The Nashville, Tenn. native played six years of collegiate football, spanning from 2016-2021.

Jones appeared in 38 games for the Sooners on special teams, earning the Peter Mortell Holder of the Year award in 2020. Jones was also twice named to the Academic All-Big 12 First Team honoree.

Jones transferred to Oklahoma after spending two seasons at now-CUSA member Liberty University. Much like his time at Oklahoma, Jones was once again primarily used on special teams for Liberty. After beginning his collegiate career as a quarterback, Jones hauled in a touchdown pass against Baylor, helping the Flames to take down the Power Five foe.

RACHEL PHILLIPS

ASSISTANT ATHLETIC DIRECTOR OF FOOTBALL OPERATIONS

In January of 2021, NM State head football coach Jerry Kill named Rachel Phillips as the program's director of operations. In May of 2021, Phillips was elevated to Assistant Athletic Director of Football Operations.

Already familiar with Kill and other members of his staff, Phillips oversaw TCU's recruiting operations from 2017 through the 2021 season. In that role, she coordinated official visits, unofficial visits, numerous clinics and various aspects of the game day recruiting programming throughout the season.

Working hand-in-hand with TCU's compliance office, Phillips made sure transcripts, admissions processes and other forms of documentation were in line for the Horned Frogs present and future players.

The ins and outs of NCAA compliance were aspects Phillips became familiar with after serving as a compliance coordinator for Oklahoma State from July of 2016 until February of 2017.

For one year, from July of 2015 until July of 2016, Phillips served as a graduate assistant in TCU's compliance office. That position laid the groundwork for her future familiarity with the Horned Frogs' program.

Phillips' affiliation with TCU started long before her time with the Horned Frogs' football staff as she earned a bachelor's degree in film/television/digital media in 2015.

Fourth Team - Phil Steele

Huntley had another great season on the ground for New Mexico State. His junior season saw him go for 505 yards on the ground with seven touchdowns while hauling in 529 receiving yards for three touchdowns. In addition, the Arlington, Texas, product led the NCAA in kickoff return touchdowns with three, pushing his career total to five and tying him with Mike Carroll (1965-67) all-time. Huntley also recorded 373 all-purpose yards at Louisiana on Oct. 13, which was second-most in program history and highest total in the NCAA for 2018. His 13 total touchdowns during his junior campaign was a new season high for the versatile running back.

AGGIE TRADITIONS

AGGIES

Years ago in this region, the United States met its destiny in the west, Mexico affirmed its northern border along a great river and Native Americans lived with abundant pride and love for their land. Throughout this blend of cultures, brave men and women cultivated area lands to feed their families and support their communities, despite the unforgiving setting that is the desert southwest. In perfecting these abilities, they made themselves masters of agriculture, and thus, Aggies.

PISTOL PETE

A western gunman from the late 1800s named Frank Eaton is the inspiration for the mascot, Pistol Pete. According to legend, Eaton was a quick draw and marksman by age 15. Impressed by Eaton's shooting skill, a commanding officer at Fort Gibson reportedly gave to the young Eaton a medal and a nickname: Pistol Pete. In 1881, in Albuquerque, N.M., Eaton reportedly killed the last of the men responsible for robbing and killing his father. Eaton's wild-west adventures led him to be more than a cowboy, scout, trail rider and deputy U.S. Marshall – it made him a legend.

Today, a select NM State student wears a hat, mustache, vest and rodeo buckle, portraying the legendary Eaton, while spreading the Aggie spirit on and off campus.

CRIMSON & WHITE

One of the most basic symbols that trigger emotion, pride and a sense of identity is color; for an Aggie, those colors are crimson and white. Crimson, one of the most emotionally stimulating colors in the spectrum, represents power, vigor, strength and leadership. To many, white represents purity, innocence, prestige and good as well as springtime and summer, the season when crops are planted. In the education setting, white represents new beginnings.

THE "A"

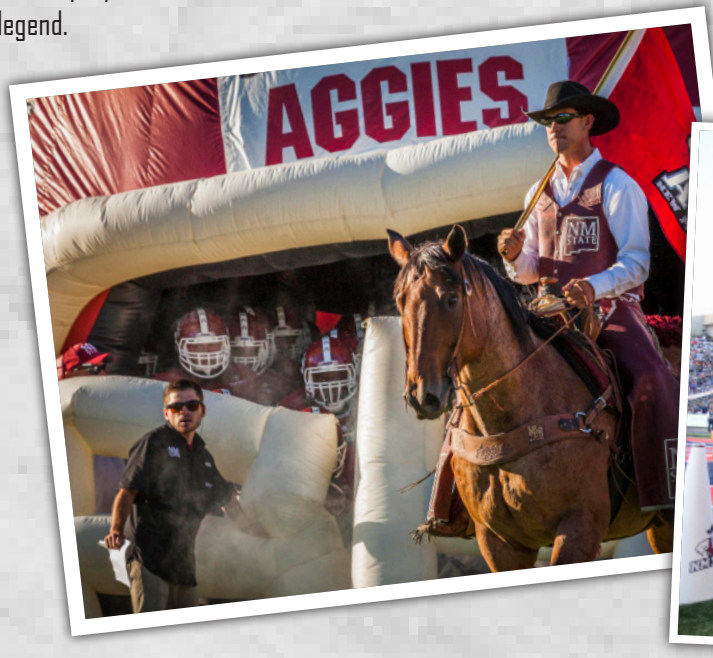

The "A" on Tortugas Mountain was the end result of a prank played by agriculture and mechanical arts (engineering) students. Around campus and in different locations, students would place giant "A"s on buildings. In the 1920s, a giant "A" found a permanent home on Tortugas Mountain. The symbol is made out of large stones and each stone is whitewashed. The tradition of painting the "A" continues as a part of Campus Service Day during Greek Week, and it is lit up for the football season and special events.

THE PRIDE MARCHING BAND

The Pride of New Mexico is the marching band at New Mexico State University. It is composed of approximately 150 of the finest musicians, dancers and auxiliary in the nation. The purpose of the Pride is to provide entertainment at football games, parades and almost any New Mexico State event. The Pride hosts a major marching band competition in the fall – the Tournament of Bands. The members and staff of the Pride make it their goal to be the best marching band in the nation. The Pride is not just an ensemble, it is a family with everlasting ties.

CHEERLEADERS

The NM State cheerleading program has two coed cheerleading squads – one large and one small – and, of course, our beloved mascot Pistol Pete. Before school starts in the fall, the squads attend National Cheerleading Association camp and practice for the upcoming season. In the fall, both squads cheer at the football and volleyball games. During the basketball season, the large squad

AGGIE TRADITIONS

cheers at men's basketball games and the small squad cheers at women's basketball games. In addition, the NM State cheerleaders are asked to make many public appearances throughout the year at other athletic events, as well as university and community events. In 2015, the New Mexico State cheerleading program swept USA Nationals in Anaheim, California, bringing home three national titles. The cheerleaders dedicate many hours of their time to practice, games and public appearances each year to represent the University.

VICTORY BELL

In the 1940s, the Victory Bell, a gift of the Class of 1939, was housed in an open-sided structure on the Horseshoe and rung to announce Aggie victories. In 1972, the bell was rededicated as the Engineer's Bell and for years sat on a platform near Goddard Hall. For many years, on game days, various school organizations took turns toting the ringing bell around Las Cruces prior to kickoff. Then it was moved inside the stadium to chime triumphantly during the game. In recent years, the bell was mounted permanently inside the stadium.

FIGHT SONG

Aggies, Oh Aggies!
The hills send back the cry,
We're here to do or die!
Aggies, Oh Aggies!
We'll win this game or know the reason why!

And when we win this game,
We'll buy a keg of booze,
And we'll drink it to the Aggies
'til we wobble in our shoes!

A-G-G-I-E-S
Aggies! Aggies!
Go Aggies!

ALMA MATER

Our Alma Mater, now to thee,
We lift our voice of praise,
We love thy walls, we love thy halls,
And all thy pleasant ways.
We love thy wisdom and thy strength,
Thy truth which makes men free.
Thine, Thine we are in peace or war,
Our own N.M.A.C.
Led by the banner's crimson folds,
We'll march the upward way.
As heroes of the common life
Thy sons would serve their day.
Through toil and triumph, peace and pain
With patience taught by thee,
We'll fight our fight beneath thy flag,
Our own N.M.A.C.
With hope and courage, faith and joy,
We face the future bright;
Thy ringing call is in our ears,
Thy strong hand gives us might.
As thy brave sons have ever done,
So in the years to be,
We'll guard thy honor with our lives,
Our own N.M.A.C.

ATHLETIC ACADEMIC PROGRAM

MISSION STATEMENT

New Mexico State University Academic Support Programs & Services Center is committed to providing quality educational services that achieve academic, personal and career success for all student-athletes. The ASPSC offers a full range of support and referral services to assist student-athletes in their holistic growth and development and the staff is dedicated to helping student-athletes develop the skills necessary to become independent and successful learners. The Associate Athletics Director, Sport Administrator & Student Development provides the overall leadership and day-to-day operational aspects to the unit with a highly qualified staff including: three full time Academic Advisors, Life Skills Coordinator, Lead Student Development Specialist, 10 Student Development Specialists, who serve as mentors, tutors and monitors, and four work study students who serve as administrative assistants.

GOAL

To create an equitable, diverse environment that supports student-athlete excellence in academics and athletics that engages the university, community and stakeholders in achieving and celebrating Aggies' success.

EARLY WARNING ACADEMIC SYSTEM

The following programs and services are a part of our Early Warning Academic System. This system provides our student-athletes a better connection for utilizing the various plans, programs and strategies offered to them through ASPSC and campus partnerships: Progress Reports (bi-weekly), New Student-Athlete Orientation: Student-Athlete Handbook, Class Attendance & Academic Appointment Policy, Study Hall, Internal Tutoring Program/Campus Tutoring Programs: Crimson Scholar, Math Success Center, Writing Lab, Departmental Tutoring, Academic Mentoring Program, Writing & Reading Comprehension Program, Pre Advising & Degree Progress (NCAA, WAC, NM State), Monitoring of Academic Progress & Athletic Eligibility, Bi-Weekly Mtgs. w/Head Coaches or Team Academic Liaison & Student-Athletes, CHAMPS Life Skills Program/Living Learning Community and Student-Athlete Annual Evaluation & Exit Interviews.

STUDY HALL

In conjunction with our Early Warning Academic System, student-athletes are required to complete 4-8 hours of study per week in the Academic Support Programs & Services Center. It has been shown that the correlation between actively participating in study hall, along with utilizing tutors and mentors both in the Academic Center and on campus, show a strong relationship to academic success. Academic Center Study Hall hours of operation: Monday – Thursday 8 a.m. - 9 p.m., Friday 8 a.m. - 5 p.m., Sunday 3 - 9 p.m.

A+ AGGIE PROGRAM

Teaches and promotes lifelong educational, personal and career skills for student-athletes with marginal academic profiles. Personalized attention is given to each student through a collaboration of individuals and services. The A+ Aggie Program's primary focus is to provide individual academic mentoring and course-specific tutoring sessions, as well as engage in direct services provided by Student Accessibility Office which may include: test and quiz preparation, time management skills, note-taking strategies, organization and study skills.

WRITING AND READING COMPREHENSION PROGRAM

Designed to support student-athletes in articulating ideas, acquiring strategies and learning the skills to engage effectively in their reading and writing habits. Provides intense individual guidance with assistance in the various aspects of the writing process such as brainstorming, outlining, revising, editing and proofreading. Establishes learning methods that will guide them from the early stages of a writing assignment to its final version. Helps them develop the critical reading and writing skills they need to succeed inside and outside of the classroom.

ATHLETIC ACADEMIC PROGRAM

Monitoring Student-Athletes in Pre-Advising

Highly trained athletic academic coordinators work in cooperation with college advisors to ensure the following:

- Monitoring eligibility requirements
- Degree progress
- Priority scheduling
- Travel schedules, in-and out-of-season demand
- Pre-advising services for all freshmen, transfer and continuing students
- Progress Reports
- By the end of the third week of each term, athletic academic coordinators are in contact with every faculty member through email and/or hand held progress reports that the student-athletes take to class
- Academic progress reports are submitted 3-4 times, or more, per term based on the academic performance of the student-athlete
- Eligibility monitoring reports
- Weekly study hall reports
- Tutor/Mentor reports
- Weekly academic update meetings or contact with head coaches or academic liaisons in each sport

Academic Highlights

- 36 Student-athletes received a PERFECT 4.00 grade point average after the spring 2018 semester
- 10 student-athletes maintained a perfect 4.00 cumulative grade point average
- The combined semester GPA for all student-athletes was 3.20
- 240 student-athletes maintained a 3.00 or higher cumulative GPA in Spring 2018

the academic success of all students. Tutoring is available to all student-athletes throughout the academic year. Student-athletes who request assistance with coursework are assigned a tutor. The tutor and the student-athlete establish a meeting schedule, working together to develop the independent thinking and learning skills necessary to achieve positive success in the classroom. A partnership with the Student Success Services on campus actively integrates campus support programs and ASPSC to offer students an avenue for academic assistance. All student-athletes are encouraged to actively participate in this program.

MENTORING PROGRAM

The Mentoring Program is designed to assist student-athletes with time management, organizational skills, goal setting, class attendance, note-taking, review and preparing properly for quizzes and exams, participating in class discussions, staying current with all assignments and strategies for confidence and success throughout each semester. A mentor's primary focus is always the student-athlete's academic performance. Mentors establish with each student-athlete a relationship of mutual respect with an attitude that is caring and nurturing for his or her psychological and social well-being. Mentors (professional staff and student staff) will normally spend 1-2 hours each week with an assigned student-athlete facilitating discussions to assist him or her to realize a high level of academic achievement, self-responsibility and overall success.

PARTNERSHIP WITH THE LAS CRUCES PUBLIC SCHOOL TEACHERS

As student-athletes adjust to the academic expectations of college, Academic Support Programs and Services Center noticed a need to accommodate student-athletes' different learning styles and challenges. By partnering with the Las Cruces Public School Teachers, ASPSC is able to bring in professional teachers that are trained in mentoring all types of students and identify learning strategies for students who benefit from more in-depth training. The partnership also brings an opportunity for student-athletes to give back to the community by providing community service in the schools in which their teacher/mentor works.

BOARD OF REGENTS

DINA CHACÓN-REITZEL, CHAIR

Dina Chacón-Reitzel is a native of northern New Mexico, hailing from Cebolla, New Mexico, where she grew up on her family's cow-calf ranch, Pinãvetal Ranch. She is a graduate of Española High School and proudly calls herself a "Valley Girl."

Seeking a "kinder, gentler" college experience that would give her a high-quality education with "personal attention," she turned to New Mexico State University, where she received two degrees. In 1978, she earned a Bachelor of Science in home economics in business from what was then called the College of Agriculture and Home Economics. In 1983, she earned a Master of Business Administration with an emphasis in marketing and management from the College of Business.

Chacón-Reitzel started her career as a home economist for NMSU's Cooperative Extension Service, serving for six years in Eddy County and Las Cruces. In 1989, she became the executive director of the New Mexico Beef Council, the marketing, research and education arm of the beef industry in New Mexico.

Throughout her esteemed career, she has maintained close ties to NMSU. For 30 years, she has worked to implement educational programs with the College of Agricultural, Consumer and Environmental Sciences, the Agricultural Experiment Station, the Cooperative Extension Service and 4-H youth development. Since 2003, she has served as the NMSU delegate to the Council for Agricultural Research Extension and Teaching. In this role, she advocates for federal funding for NMSU and other land-grant universities across the country.

Chacón-Reitzel and her husband, Jim Reitzel, have been married for 35 years and they have two children, Elizabeth and Matthew, both of whom are NMSU graduates.

AMMU DEVASTHALI, VICE CHAIR

Ammu Devasthali is a longtime artist, painter and philanthropist who has called Las Cruces home for more than 30 years. Originally from India, she and her husband, Rama, a physician, came to the United States in 1981 and lived in Chicago before relocating to Las Cruces in 1987.

As an undergraduate, she studied Russian language at Nehru University in New Delhi, earning a bachelor's degree. Later, she attended Moscow State University in Russia and earned a master's degree and a Ph.D. in Soviet literature.

While raising her family in Las Cruces, Devasthali began taking art classes at New Mexico State University. At first, she only took a couple of classes "here and there," she said. But eventually, she had accumulated enough credits to earn a Master of Arts in printmaking from NMSU's Department of Art. She later earned a second MFA in painting.

Soon after, Devasthali opened her own art studio, Art Ventures, in Las Cruces, giving artists a space to work and create. She then started a jewelry business, Designs by Ammu, which she operated for a number of years. At this time, she become involved in nonprofit work.

For more than 13 years, she served as a board member for the Community Foundation of Southern New Mexico, having served as president for two years and secretary for four years. During her time at the community foundation, she helped establish a women's fund, Springboard, which aims to improve the lives of women in southern New Mexico through scholarships that provide opportunities for advanced education.

Devasthali and her family have raised funds for many projects and scholarships in the southern New Mexico region. She spearheaded efforts to raise private funds to help build the ASNMSU Center for Performing Arts and NMSU's new visual arts facility, Devasthali Hall, slated to open in the fall.

Ammu and Rama have been married for 42 years and have two children, a daughter, Vidusha, who is an NMSU alumnae, and a son, Vikram, who graduated from University of Southern California.

Regent Devasthali serves as the chair of the Regents Audit and Risk Committee, member of the Regents Real Estate Committee, Position Director for Arrowhead Center Inc., and the Board of Regents liaison to NMSU Foundation.

LUKE SANCHEZ, SECRETARY/TREASUREER/STUDENT REGENT

Luke Sanchez came to New Mexico State University in 2016, following in the footsteps of his father and grandfather, who are both proud Aggies. The youngest of five children, Sanchez is from the small community of Puerto de Luna in Guadalupe County and attended St. Pius X High School in Albuquerque, where he played football and baseball and served as a senior retreat leader.

Sanchez is pursuing a Bachelor of Science in biology. He expects to graduate in 2020 and plans to pursue a master's degree at NMSU before applying to medical school. He also has a sister who is attending NMSU.

BOARD OF REGENTS

In January, he started a one-year, intensive research program at NMSU's Howard Hughes Medical Institute, studying eye development in drosophila. He has been working with Dr. Jennifer Curtiss, associate professor of cell and developmental biology, in the NMSU fly lab since spring 2018.

Sanchez is an active member of Sigma Chi Fraternity. He a former presidential ambassador, former director of Camp Kesem at NMSU and former technician and assistant facilitator for NMSU's Outdoor Leadership Program.

DEBRA P. HICKS, MEMBER

Regent Debra P. Hicks graduated from NMSU with a bachelor of science in civil engineering. After serving on both the New Mexico Transportation Commission and the New Mexico Tech Board of Regents, she returned to her alma mater being appointed in early 2015 by Governor Susana Martinez. In 2013, she was named New Mexico Woman of Influence by Albuquerque Business First.

In 1990, Hicks bought Pettigrew & Associates and proceeded to become the CEO and president. During her career, Hicks has gained experience in a variety of areas, including mining, multi-family housing projects, small and large-scale subdivisions.

Hicks has been involved with community outreach programs such as The Boys and Girls Club, Habitat for Humanity, Leadership New Mexico, New Mexico Junior College, Palmer Drug Abuse Program and many others. Her community outreach focuses on organizations that support children, education and the arts.

Regent Hicks served as president for the Academy of Civil, Agricultural, and Geological Engineering at NMSU, providing feedback to the administrative team of the College of Engineering. Regent Hicks serves on the Regents Audit and Risk Committee and the Regents Real Estate Committee. She is also a member of the Board of Directors of Aggie Development, Inc. and the Arrowhead Board of Directors.

MARIO MOCCIA

Mario Moccia returned to his alma mater on Jan. 5, 2015, as the 23rd Director of Athletics at New Mexico State University after serving for nine years as the Director of Athletics at Southern Illinois University in Carbondale, Ill., and eight years as the senior associate athletic director at the University of Missouri.

The 1989 graduate of NM State has already created an immediate impact in his years as Director of Athletics. From a national standpoint, he has guided New Mexico State to its top five finishes in the Learfield Director's Cup standings – including four years with 100-plus points (2014-15, 2015-16, 2017-18 and 2018-19).

Under his direction, the Aggies have won 47 championships (regular season and/or tournament) through 2018-19, including three-consecutive Western Athletic Conference Commissioner's Cup (2014-17). Moccia was recently rewarded for guiding the Aggies during a time of unprecedented success, earning a five-year contract extension that'll keep him at his alma mater through the 2023-24 athletic season.

In 2018-19, men's and women's basketball both had historic years in the win column amongst other things while both programs swept the regular-season and conference tournament and made appearances in the NCAA Tournament. Volleyball captured the conference tournament championship and took Oregon to the brink in the opening round of the NCAA Tournament. Women's tennis returned to the NCAA Tournament for just the second time in program history under the direction of second-year head coach Emily Wang. Women's golf also reclaimed its spot at the top, advancing to the NCAA Regionals while taking home both WAC Coach of the Year and Player of the Year. Baseball wrapped up another stellar season, earning a share of the regular-season title while Joey Ortiz became the program's highest draft pick ever after being selected in the fourth-round (108th overall) by the Baltimore Orioles. Sophomore sensation Nick Gonzales was nearly a unanimous All-American, earning first-team All-America accolades in in four of six publications.

The 2017-18 campaign was arguably the best athletic year in NM State history with the football team not only earning a bowl bid, but also bringing home the first bowl victory in 57 years when the Aggies defeated Utah State 26-20 in overtime to claim the 2017 NOVA Home Loans Arizona Bowl. Aggie fans came in full force to support their team to the tune of 25,000-plus Aggies in Tucson on Dec. 29.

In addition, New Mexico State joined Duke, Michigan State and Purdue as the only athletic departments that won a bowl game and had a men's basketball program that won 28 or more games. Heading into the spring championships, NM State was only one of 15 schools that sent its team to an FBS bowl game, NCAA Men's Basketball Tournament and NCAA Baseball Regional. Of those 15 schools, NM State, Houston and San Diego State were the only teams from a Group of 5 conference.

Overall, the athletic department finished 124th in the 2017-18 Learfield Director's Cup standings with 145.00 points, the second-highest in school history. The Aggies also finished second in the WAC Commissioner's cup standing with 81.25 points despite only sponsoring 15 of the 19 sports that qualify for points.

Excellence on the field continued to shine under Moccia's direction with four student-athletes taking home seven All-America honors in 2017-18. Current Washington Wizards forward Jemerrio Jones of men's basketball became just the ninth All-American in program history and fifth Aggie to earn Associated Press All-American distinction. Baseball had three players take home All-America honors in Kyle Bradish, Johnathan Groff and Nick Gonzales – who arguably had the best freshman season in program history after hauling in All-America honors from four different organizations.

In addition to the football's bowl championship, New Mexico State hauled in nine conference regular-season and tournament titles while sending women's cross country, men's basketball, men's tennis, softball and baseball to NCAA postseason play. NM State also had nine WAC Players of the Year with Jones (men's basketball) and Kelsey Horton (softball) being named the 2017-18 Joe Kearney Award recipients, which are given to the top male and female student-athletes in the WAC.

Moccia led NM State into a multi-million dollar multimedia rights agreement with Learfield in 2015, a first in the history of the University. He followed that up in 2016 as he obtained a new exclusive five-year footwear and apparel contract with Under Armor. This new agreement more than doubled the University's previous agreement.

With Moccia at the helm, the Aggies made several facility upgrades. Presley Askew Field installed a state-of-the-art synthetic grass infield. In addition, the baseball stadium saw renovations to its bullpens and batting cages as well as construction of a new press box and field turf. The swimming and diving team is enjoying the new Wanda Glass Swimming and Diving Locker Room as well as new coaches offices, while Aggie Memorial Stadium received a major upgrade with the addition of Club 27. In addition, football team locker room was renovated thanks to the generous donation of the Allen Family.

NM State has also continued to excel in the classroom since Moccia took the reigns as all athletics teams surpassed an Academic Progress Rate of 930. Three teams, women's tennis, men's tennis and men's basketball,

achieved a perfect 1,000 single-year APR while the women's tennis team recorded its eight-straight perfect 1,000 multi-year APR. The Aggies also registered a 3.0 GPA or better in 28-consecutive semesters through the spring semester of 2019.

Since taking over the reins of his alma mater, the Aggie Athletic Club has made tremendous strides. The AAC started at $168,623 in 2014-15 with just 671 members before jumping to 1,102 members with $667,827 raised in 2018-19.

In May of 2015, members of the Minority Opportunities Athletic Association (MOAA) elected Moccia the President of the Association for a two-year term. MOAA includes 1,000-plus minority athletic administrators nationwide and advocates for increased participation and administrative opportunities for minorities in athletics. Moccia recently received the 2019 Distinguished Service Award, the highest award given to individuals by the association. He also spent time serving as the Sun Belt Conference representative on the Leadl Board of Directors.

Moccia was named an Under Armour Athletic Director of the Year in 2013 by the National Association of Collegiate Directors of Athletics (NACDA) at SIU as he directed the program to new heights.

He played an important role in a $90 million dollar fundraising/capital improvement project to build a new football stadium, a new athletic support building and to renovate the university's basketball arena. He also negotiated media rights, footwear and apparel contracts.

Additionally, the Salukis were successful across the board during Moccia's tenure, winning conference championships in football, men's and women's basketball, women's golf, men's and women's cross country, men's tennis, softball, men's and women's track, and women's swimming and diving.

He has also served on the NCAA Division I Championships/Sports Management Cabinet, was the FCS representative for the NCAA's Administration Committee and served as liaison to Men's Basketball Committee.

Moccia was previously the Associate Athletic Director for External Operations and then Senior Associate Director of Athletics at the University of Missouri from 1998-2006. He also worked as the Associate Athletics Director for External Operations at Texas State University from 1997-1998 and Director of Sales/Lobo Club assistant director at the University of New Mexico from 1993-1997.

A member of the US Bank New Mexico State Hall of Fame inducted in 1998, Moccia was the captain of the Aggie baseball team. He was twice honored as the Aggies MVP and won a team triple crown (leader in batting average, home runs and RBI). He was selected by the Detroit Tigers in the 1989 Major League Baseball draft, and played two seasons in the Tigers minor league system before entering athletic administration.

In addition to his bachelor's degree in psychology from NM State, Moccia was awarded a master's degree in sports administration from the University of New Mexico in 1993.

Moccia and his wife, Heidi – a former All-American women's soccer player at UMass – are the parents of two children, Addie (11) and Gemma (6).

NEW MEXICO STATE FOOTBALL

MEDIA POLICIES

NM STATE MEDIA POLICIES

The New Mexico State University football team and the New Mexico State Athletic Media Relations office wish to thank you for your interest in and coverage of the 2023 Aggies.

OVERNIGHT MAILING ADDRESS

New Mexico State University
Fulton Center (Media Relations)
1815 Wells Street
Las Cruces, NM 88003-8001
New Mexico State University (575) 646-1658

CREDENTIALS

Credentials for New Mexico State home games are issued for working media **ONLY** and should be requested as early as possible due to space limitations.

All members of the media must request credentials at nmstatesports.com/credentials or through through Assistant Director of Media Relations Jon Opiela, at (575) 646-1823 (jopiela@nmsu.edu).

NOTE: Websites that sponsor message boards, message centers or chat rooms where people are allowed to post anonymous information will not be issued credentials. If a medium has an online site and they sponsor these anonymous forums, they may continue to request credentials under its traditional medium (newspaper, magazine, radio, television), but will not be granted additional passes for online staff.

PHOTO CREDENTIALS

New Mexico State Athletics will require **ALL** photographers (print & television) to wear a photo/tv arm band while on the sidelines. If you do not have an arm band, you will not be permitted on the sidelines.

Arm bands can be picked up in the press box beginning two hours before kick off. **NO** arm bands will be issued after the start of the game unless otherwise communited prior with NM State media relations staff.

ENTRANCE

The Aggie Memorial Stadium media entrance and media **Will Call** are located on the Northwest corner of the stadium. Field-level and press box access are available from this location only. No elevator access is currently available for the Aggie Memorial Stadium press box. Media will call opens two hours prior to kickoff.

PARKING

Please contact Michael Navarrette, Assistant AD of Media Relations, at (575) 646-4120 (micnav@nmsu.edu) for parking. The media parking lot is located on the southwest end of the stadium just west of the Fulton Center parking lot and next to the NM State practice fields.

SATELLITE TRUCK ACCESS

Media outlets requesting satellite truck access must request such, in advance, through Michael Navarrette or Jon Opiela in the Athletic Media Relations Office. Trucks must be in place at least three hours prior to kickoff. Parking is available outside the Fulton Athletics Center. Parking credentials in the media lot will be issued to other necessary accompanying vehicles.

PHOTO DECK

The Aggie Memorial Stadium photo deck is located above the press box. The deck area accommodates coaches' film crews and network television. Only those with appropriate passes will be granted access.

PRESS BOX

This area is reserved for print media and statistical operations. Phones are available for media use with advanced notification. Ethernet lines are also available.

SIDELINES

New Mexico State follows NCAA rules regarding media representatives on the sidelines. Photographers are not permitted to shoot between the 25-yard lines (team areas) and must wear an arm band credential at all times.

No credentials will be issued to freelance photographers, cut line writers, equipment carriers or radio station representatives, except for the teams' broadcast originating networks.

No one under 18 years of age will be issued a media credential for sideline access.

PRESS BOX SERVICES

Individual and team statistics, play-by-play and game facts will be distributed to members of the working media.

Press kits are provided 60 minutes prior to kickoff. Press kits include a program, flip card, updated statistics for each team and game day notes.

PROFESSIONAL SCOUTS

Pro scouts must contact the New Mexico State Athletic Media Relations office as soon as possible prior to each game for credentials as space is limited in the press box.

HEAD COACH JERRY KILL

All interview requests for Head Coach Jerry Kill will be coordinated by Assistant AD of Media Relations Michael Navarrette. Coach Kill will meet with the media each Tuesday immediately following practice (approximately 12 or 12:15 p.m. MT). The press conference will be held in the Hall of Legends located on the North end of Aggie Memorial Stadium. Each press conference will also be available for attendance via Zoom for any media members who are unable to make it in person. Zoom links will be sent out each Sunday before the beginning of the week.

PLAYER INTERVIEWS

All player interviews must be coordinated through the NM State Athletics Media Relations Office. Players will be available upon request on Wednesday's immediately following practice. Those interviews will take place on the NM State practice field.

Please submit your requests to Michael Navarrette via text (915-525-8627) or email (micnav@nmsu.edu) the Sunday before the week begins.

POSTGAME

New Mexico State provides equal access to all members of the working media.

At home games, Coach Kill will hold a postgame press conference in the Hall of Legends at the north end of Aggie Memorial Stadium. Access to this room can be found on the ramp leading to the field.

Requests for player interviews should be made to Assistant AD for Media Relations Michael Navarrette or the opposing SID no later than the eight-minute mark of the fourth quarter.

New Mexico State players will be brought to the meeting rooms for interviews. The opponent's coach will be available either on the field or outside the visitor's locker room at the discretion of the visiting SID.

Head Coach Jerry Kill will review **ALL** media requests for players after each game and reserves the right to select players from the submitted list.

AGGIES ON THE WEB

New Mexico State football information can be found on NM State's official athletics website www.NMStateSports.com.

Live stats for football games, updated individual and team statistics, news releases, phone numbers, e-mail addresses, access to radio and video broadcasts and more are available through our home page.

MEDIA PRESS CONFERENCE

New Mexico State will host a weekly news conference each Tuesday during the season. The weekly news conference will be held at a 12 p.m. in the Hall of Legends on the north end of the stadium. Please contact Michael Navarrette, Assistant AD of Media Relations, at (915) 525-8627 (micnav@nmsu.edu) or the New Mexico State Athletic Media Relations Department for more information on dates, times and locations.

AGGIE SPORTS NETWORK

The Aggie Sports Network is the only collegiate state-wide radio network in New Mexico with KXPZ 99.5 FM in Las Cruces, serving as the flagship station. All New Mexico State football games can also be heard on the internet on TuneIn Radio.

Broadcasts featuring play-by-play man Jack Nixon begin an hour prior to kickoff and conclude with a 30 minute postgame show.

Nixon, who broadcasts both Aggie football and men's basketball games, is in his 40th season as the 'Voice of the Aggies'.

AGGIEVISION

AggieVision is responsible for providing television editing and broadcasting services to the university, including athletic events. In addition to sports telecasts, it also supports other aspects and needs of the university, as well as instant replay and internet-based video feeds.

Launched in 2007, AggieVision has delivered approximately 100 live games to the region each year and is produced heavily by current NMSU students. AggieVision started broadcasting in full HD in 2014-15.

Reaching over 12 million homes, AggieVision can be seen on Comcast in the state of New Mexico, Bally Sports Arizona and KVIA sub-stations in El Paso. In addition, many AggieVision telecasts are distributed to other FOX/Bally Sports Regional Networks.

COLLEGEPRESSBOX.COM

CollegePressBox.com is the official media website for Division I football. Access and download weekly game notes, quotes, statistics, media guides, headshots, logos and more for each conference and its member schools. Register for access at collegepressbox.com/register.

NM STATE FOOTBALL | 2022 QUICK LANE BOWL CHAMPIONS

The New Mexico State (NM State) Athletics Department takes great pride in abiding by the National Collegiate Athletic Association (NCAA) rules and guidelines that govern Division I competition. For the benefit of the many alumni, fans and booster club members who are so active in supporting and assisting the Aggies throughout the year, we would like to remind everyone of a few definitions and rules that apply to all athletic representatives and boosters.

INSTITUTIONAL CONTROL

It is the responsibility of NM State to control its intercollegiate athletic program in compliance with the rules and regulations of the NCAA.

RESPONSIBILITY

NM State's responsibility for the conduct of its program includes responsibility for the actions of its staff members and for the actions of any other individual, booster or organization engaged in activities promoting the athletic interests of the institution.

COMPLIANCE

NM State must monitor its program to ensure compliance and to identify and report to the NCAA instances in which compliance has not been achieved. An institution found to have violated NCAA rules is subject to disciplinary and corrective actions as determined by the NCAA.

NCAA DEFINITIONS

Athletic Representative/Booster

You are considered to be a NM State athletic representative if you:

- Are a present or past member of a NM State booster club or agency that promotes the Aggies' intercollegiate athletic program.
- Have made financial contributions to the athletic department or to an athletic booster organization of NM State.
- Are or have been providing benefits (e.g., summer jobs, meals, etc.) to enrolled student-athletes, their family members or friends.
- Are or have been involved in any manner of promoting the NM State intercollegiate athletic program.

Please note: Once an individual is identified as an athletic representative, that person retains that identity indefinitely. NM State is ultimately responsible for the acts of all "representatives of athletic interest" in relation to NCAA rules and regulations.

PROSPECTIVE STUDENT-ATHLETE

A prospective student-athlete is a student who has started classes for the ninth grade or above, including students in prep school and junior colleges as well as students who have officially withdrawn from a four-year institution and plan to transfer to another institution. In addition, a student who has not started classes for the ninth grade becomes a prospective student-athlete if the institution or a booster provides the individual or the individual's relatives or friends with any financial assistance or benefits that the institution does not provide to prospective students in general. A good rule of thumb is to treat ALL STUDENTS as prospects.

STUDENT-ATHLETE

A student-athlete is a student whose enrollment was solicited by a member of the athletic staff or other representative of athletic interest with a view toward the student's ultimate participation in the intercollegiate athletic program.

CONTACT

Contact is any face-to-face encounter between a prospect, or the prospect's parent or legal guardian, and an institutional staff member or athletic representative during which any dialogue occurs.

RECRUITING

Recruiting is any solicitation of a prospect or a prospect's family member (or guardian) by an institutional staff member or by athletic representative of the institution for the purpose of securing the prospect's enrollment and ultimate participation in the institution's intercollegiate athletic program.

Guidelines and Reminders for Boosters

- A booster may not contact the prospect, prospect's coach, principal or counselor in an attempt to evaluate or recruit the prospect.
- A booster may not expend funds to entertain or provide transportation for a prospective student-athlete, family members or friends.
- A booster may not become directly or indirectly involved in making arrangements for a prospect, or the prospect's relatives or friends, to receive money or financial aid of any kind.
- A booster may not contact a prospective student-athlete through letter writing, telephone calling or other forms of communication.

However, here are a few ways that an Aggie booster may be involved:

- Do discuss summer employment opportunities with a prospect after he/she has signed a National Letter of Intent with NM State.
- Do attend high school athletic events without contacting prospective student-athletes.
- Do continue existing friendships with families and friends of prospective student-athletes.
- Do send recommendation letters, newspaper clippings or similar information about prospective student-athletes to Aggie coaches.

Here are a few ways that an Aggie booster may help:

- Do invite a student-athlete to participate in non-profit, charitable or educational events.
- Do invite a student-athlete into your home for an occasional meal.
- Do contact the NM State Athletic Compliance Office for approval prior to a student-athlete engaging in outside speaking or promotional activities.
- Do pay a student-athlete the commensurate rate for actual and legitimate employment.

PLEASE CALL THE AGGIE COMPLIANCE OFFICE IF YOU HAVE ANY QUESTIONS: 575-646-1028

AGGIE ATHLETIC CLUB

THE CORE MISSION OF THE AGGIE ATHLETIC CLUB IS TO COVER EXPENSES ASSOCIATED WITH PROVIDING AGGIE STUDENT-ATHLETES A WORLD-CLASS EDUCATIONAL EXPERIENCE AT NEW MEXICO STATE UNIVERSITY.
