INTERVIEW POLICIES

The Northeastern University athletic communications office handles the publicity of all 18 varsity sports. Athletic communications staff members coordinate game-day media services, schedule interviews, conduct press conferences, produce publications, compile statistics and historical information and maintain the official website of Northeastern Athletics, NUhuskies.com.

Interviews

All interviews with student-athletes, coaches and administrative staff must be coordinated through the athletic communications office.

On game days, student-athletes will not be available for interviews until post-game. Members of the media wishing to speak to a player or coach should notify Scott MacDonald prior to the end of a contest. All Northeastern locker rooms are closed to the media.

On non-game days, interviews must be coordinated through the athletic communications office at least 24 hours in advance. A student-athlete's phone number and e-mail address will not be released unless that student-athlete gives permission. Student-athletes will not be asked to miss class time. The athletic communications office will do its best to provide an interview time that is mutually convenient for both the player / coach and the media representative.

ABOUT THE HUSKIES

The 2019-20 Huskies head into the season as the preseason third pick in the CAA. Northeastern lost tournament MVP, Lou Henson All-American and CAA Player of the Year runner-up Vasa Pusica and CAA Defensive Player of the Year Shawn Occeus.

The Huskies will look to former George Washington transfer Jordan Roland and senior Bolden Brace to help lead the offense. Roland set a new single-season school record last year with 99 triples and shot over 40 percent from behind the arc. The senior guard was named to the preseason All-CAA second team. Brace enters his fourth season for the Huskies and is seventh all-time in 3-pointers made entering 2019-20. He was named to the preseason CAA honorable mention team, and averaged just under 10 points per game and 6.1 rebounds per game last season.

A LOOK BACK AT 2018-19

10. THE OLE BARN

When the Huskies take on Harvard on Nov. 8 they will look to improve their home win streak to eight games at Matthews Arena. Northeastern finished the 2019 part of the season undefeated at the Old Barn, with the last loss coming in double OT on Dec. 30. For the second season in a row, NU dropped just two games at home, this time finishing with an 11-2 record, with those 11 victories coming by an average of 12.1 points.

9. COACH COEN'S HU(GH)GE ACCOMPLISHMENT

After another immensely successful season at the helm for the Huskies, coach Bill Coen was named as a Hugh Durham Coach of the Year candidate. The award recognizes the best coaches in the college basketball. In his 13th season at Northeastern the Huskies amassed a 23-11 record, winning the CAA Tournament championship and earned a trip to the NCAA Tournament for the second time in his tenure.

8 THE BAMA BEATDOWN

At the Charleston Classic, one of the premier regular season tournaments, the men's basketball team started the tournament taking on the Alabama Crimson Tide. The SEC giants, led by former NBA coach of the year Avery Johnson, were easily handled by the Huskies, thanks to strong outings from Vasa Pusica, Jeremy Miller, and Bolden Brace. The Huskies held Bama to just 22 first half points, earning their first ever victory against the Tide. The wire-to-wire 68-52 win was capped by nine treys.

7. ROCKIN' N ROLAND

In his first year on the court for the Huskies, Jordan Roland had a breakout season for NU during the 2018-19 season. He finished with a school record 99 made treys and during the Huskies' NCAA tournament game against Kansas, Roland popped two from beyond the arc to pass David Walker and cement his place in Husky history. Roland also had a pair of outstanding single game three point shooting performances this season tossing up eight against JMU and seven against Harvard, finishing the season shooting 40.2 percent from behind the arc, good enough for top-50 nationally.

6. WE'RE GOING STREAKING!

The 2018-19 season for the Huskies was one of the toughest schedules in all of college basketball. The team faced off against seven different teams that played in the 2018 NCAA tournament including AP ranked No. 16 Virginia Tech and No. 17 Kansas. The Huskies finished the season winning 13 of their last 15 games against CAA opponents, propelling themselves into the CAA Tournament and leading the team to another CAA championship.

5. VASA LA VISTA

In only 60 games in the 'Red and Black' there has not been another player that has captivated Matthews Arena quite like Vasa Pusica has in such a short amount of time. A two-time Lou Henson All-American, two-time First Team All-CAA honoree and two-time USBWA and NABC All-District honorre, he was also named the tournament MVP this past season after an impressive 21-point performance securing the CAA championship victory against Hofstra. Pusica leaves Northeastern placing 30th in the all-time scoring leaders book and fourth in average points per game, while no other two-year player in Northeastern history has scored more than his 1,061 points.

A LOOK BACK AT 2018-19

4. NOTHING NU

Domination is a word to describe Northeastern's success in conference play over the past two seasons. During this stretch, the Huskies compiled a 28-8 record while collecting a regular season and tournament championship. The recent successes mark a consistency within the program that shows the Huskies should be competing for the CAA championship for years to come

2. MAY WE HAVE THIS DANCE?

Last year, the Huskies made their eighth appearance in the NCAA tournament, receiving their bid by defeating Hofstra in the CAA Championship. The 13th seeded Huskies jetted of to Salt Lake City to take on the No. 4 Kansas Jay Hawks in the first ever meeting between the programs. The game marked the second in five seasons for Northeastern and the second under the direction of Bill Coen.

1. CHAMPS IN CHARLESTON

During the 2018-19 season, Northeastern played in seven different games in the city of Charleston, but none was more unforgettable than the thrilling 82-74 victory over Hofstra to capture the CAA Championship, the team's second in five seasons. The game was a nail-biter, featuring a tie score with just nine minutes left, but backed by Vasa Pusica's 21 point performance and the team's 14 made treys, the Huskies prevailed and headed back to the Big Dance.

3. THE 20/20 VISION

For the first time since the Jim Calhoun era, the Huskies strung together back-to-back twenty-win seasons, finishing the 2018-19 season with a

23-11 record. During the past two seasons the Huskies amassed a regular season CAA title, the CAA Tournament Championship and a NCAA March Madness appearance. The achievement marked the first time since the 1985-86, 86-87 seasons and was the fifth 20-win season under Bill Coen and 16th in program history.

THE COEN FILE

Reigning CAA Coach of the Year Bill Coen enters his 14th season as head coach of the Northeastern basketball program in 2019-20.

Coen is widely regarded for his ability to evaluate and develop talented players. In his 13 seasons at Northeastern, NU players have earned 32 All-CAA honors, including 10 First Team and seven All-Rookie selections. Nineteen of Coen's former players have earned professional contracts and eight Huskies remain active in professional basketball. Following the 2018-19 season, Coen had amassed 224 career wins in 13 seasons at Northeastern and ranks third on the CAA's list of all-time winningest coaches with 152 wins in conference regular season and tournament play. He is the lone current CAA coach to have cracked the top 10.

Coen's teams have proven that they are contenders in the CAA. The Huskies have finished .500 or better in 10 of Coen's 13 seasons at the helm, including back-to-back 14-win seasons in 2017-18 and 2018-19. Northeastern also has appeared in the CAA Tournament quarterfinals in all 13 seasons under Coen, advanced to the semifinals seven times, and to the title game four times, including back-to-back appearances and two Championship titles, one in 2014-15 and the other in 2018-19. Since Coen took the reins of the Northeastern men's basketball program 13 seasons ago, Northeastern has accomplished the best win percentage among current CAA teams in conference and CAA tournament play.

In 2018-19, Coen and the Huskies captured the CAA Tournament title for the second time in the last five seasons, returning to the NCAA Tournament. The Huskies finished with a 23-11 record, netting back-to-back 20-win seasons for the first time during Coen's tenure and the first time as a program since four-straight 20-win seasons from 1983-87. The Huskies brought a seven-game win-streak into the national tournament where they faced blue blood and No. 17 Kansas in the second round. Following these accomplishments, Coen was tabbed as a finalist for the Hugh Durham National Coach of the Year Award for the second time in his career (2013). Coen coached Vasa Pusica to All-CAA First team, NABC First Team All-Region and USBWA All-District honors while Jordan Roland earned a spot on the All-CAA Third Team.

- 15. Cameron Indoor Stadium Duke (Jan. 6, 1940)

List compiled by Tulane University athletic communications office

The original home of the Boston Bruins, the Celtics and the Beanpot, the Arena has served as the center of Northeastern hockey since the program's inception for the 1929-30 season.

The Matthews Arena chronology reads like a Who's Who in American sports, and starts with its groundbreaking on Oct. 11, 1909.

Today, the stately Victorian lobbies that welcomed the modest and the mighty for nearly a century cater to the academic and athletic needs of the University.

Convocations and a large portion of the intramural docket are conducted at the Arena, whose walls once echoed with the podium entreaties of Presidents Teddy Roosevelt, Franklin Delano Roosevelt and John F. Kennedy.

Past Arena dignitaries include Charles Lindbergh, Amelia Earhardt, James Michael Curley, Reverend Billy Graham, Admiral Chester Nimitz and General Dwight D. Eisenhower.

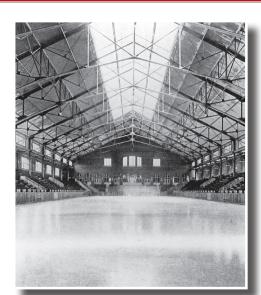

In the summer of 1993, the city of Boston and Northeastern paid tribute to one of its heroes when it held funeral services at the Arena for Reggie Lewis, Class of 1988.

The Arena has survived two crippling fires, one in 1918 and another in 1948, to prosper as a stationary jewel of the community.

Northeastern 's association with the Arena covers more than 50 years, since hockey became a varsity sport at the University in 1929.

Husky basketball adopted the Arena as its home in 1981, although the Huskies played a game there in 1936, losing to Rhode Island.

Home to Northeastern men's basketball program from 1981-82 until 1996-97, Matthews once again became the prime home of the Huskies beginning in the 2005-06 season.

A WHO'S WHO IN AMERICAN SPORTS

The Matthews Arena chronology reads like a Who's Who in American sports, and starts with its groundbreaking on Oct. 11, 1909.

- Legendary boxers Jack Dempsey, Gene Tunney & Joe Louis graced the ring
- Paavo Nurmi ran at the Arena in a BAA track meet
- Olympian Sonja Henie wove her magic-on-blades to phonograph music
- The Boston Bruins played their first home game in the building and defeated the Montreal Maroons, 2-1 on Dec. 1, 1924
- Less fortunate in their Arena debut were the Northesatern hockey Huskies, who lost, 2-1, to MIT on Jan. 17, 1930
- The Arena also has played host to such professional hockey teams as the Boston Olympics, Whalers, Tigers, and Cubs
- Even the great Babe Ruth, then a young left-handed pitcher for the Red Sox, was a frequent visitor to the Arena. The Sultan of Swat passed idle time in the winter by playing in hockey scrimmages with the Arena A.C. team
- Chuck Connors, alias The Rifleman, jumped center and smashed the glass backboard in the first-ever Boston Celtics game on Nov. 5, 1946
- The world-famous Texas Rangers also brought their rodeo in 1932, complete with outlaw horses and steers
- Eddie Shore and Bob Cousy mystified crowds in the 20s and 50s with the Boston Bruins and Boston Celtics, respectively
- In the first intercollegiate basketball and hockey games played at the Arena, Harvard edged MIT 4-3, on December 14, 1910, and Notre Dame tapped off with Holy Cross on the last day of 1934.

POSTSEASON HISTORY

1981 - El Paso, Texas (NCAA West Region, 11 Seed)

Northeastern earned its first trip to the NCAA tournament as Perry Moss put up a one-handed shot from half-court with two seconds remaining and hit nothing but net to send the ECAC North title game against Holy Cross into overtime, where the Huskies prevailed, 81-79.

March 13, 1981- El Paso, Texas

Tied at 53, the Huskies put the ball in Perry Moss' hands once more as they went for the win against Fresno State. Moss drove, the defense collapsed, and he dished to a streaking Chip Rucker, who collected the pass and laid it in with four seconds remaining to lift Northeastern past the heavily-favored Bulldogs.

POSTSEASON HISTORY

1982 - Uniondale, N.Y. (NCAA East Region, 11 seed)

Northeastern crushed Niagara, 82-59, for the ECAC North crown behind two-time tournament MVP Perry Moss, earning its second straight trip to the NCAA Tournament.

March 14. 1982 - Uniondale, N.Y.

In one of the longest and most amazing games in NCAA tournament history, the Huskies were defeated by Villanova, 76-72, in a triple overtime thriller. Dave Leitao put a hand in the face of 'Nova's Stewart Granger to alter his last second shot in regulation, then put up a shot with 10 seconds left in the first OT, grabbed his own rebound and nearly put it back in for the win as time expired. Eric Jefferson kept the Huskies alive in the second overtime, as he tipped in a Perry Moss miss. However, the Wildcats pulled away in the third overtime, as the two teams tied the record for longest NCAA tournament game.

POSTSEASON HISTORY

2013 - Tuscaloosa, Ala. (NIT)

March 11 - Northeastern earned its third postseason berth in five years after capturing the CAA regularseason title for the first time in program history. The Huskies advanced to their first CAA tournament championship game after completing an improbably 24-point comeback over George Mason in the semifinals on March 10. The rally was the largest in the history of the program. The Huskies lost in the championship game to James Madison on March 11.

March 19 - Playing in its second National Invitation Tournament in four seasons, Northeastern entered the Tuesday night game at No. 1 seed Alabama as a decided underdog. The Huskies, who endured a 20-hour trip to Tuscaloosa and were without the services of leading-scorer Joel Smith, who was sidelined with an injury, were slow out of the gate. But after a spirited first-half rally and four straight points from senior Jonathan Lee to open the second half, NU trailed by just one. Alabama then held the Huskies scoreless for nearly nine minutes to end the upset bid, defeating Northeastern 62-43.

COLONIAL ATHLETIC ASSOCIATION

COLONIAL ATHLETIC ASSOCIATION

The Colonial Athletic Association has established itself as one of the nation's top collegiate conferences both athletically and academically for more than 30 years.

The CAA encompasses many of the nation's largest metropolitan areas with a geographic footprint that stretches from Boston to Charleston, S.C. The conference has produced 18 national team champions in five different

sports, 33 individual national champions, 14 national players of the year, 14 national coaches of the year and 13 Honda Award winners. Just as impressive, however, are the honors accumulated away from competition, which include five Rhodes Scholars and 25 NCAA post-graduate scholars. In 2018-19, more than 2,400 of the league's student-athletes received the Commissioner's Academic Award after posting at least a 3.0 grade point average while lettering in a varsity sport. The conference had a league-record 47 teams in 17 different sports receive NCAA Public Recognition Awards based on the latest Academic Progress Report released in 2019.

The landscape of the conference stretches along the majority of the East Coast, and includes several of the nation's top media markets – New York (1), Philadelphia (4), Boston (7), Washington, D.C. (8) and Baltimore (27). The number of television homes in the CAA market exceeds 19 million.

The CAA conducts championships in 22 sports. Male athletes compete for championships in baseball, basketball, cross country, football, golf, lacrosse, soccer, swimming & diving, tennis and track & field. Female athletes battle for conference titles in basketball, cross country, field hockey, golf, lacrosse, rowing, soccer, softball, swimming & diving, tennis, track & field and volleyball. In 2018-19, 20 teams earned NCAA Tournament berths and 38 student-athletes received All-America honors in 11 different sports.

CAA schools have captured three national championships in the past three years. James Madison won the 2018 NCAA Women's Lacrosse Championship with a thrilling 16-15 victory over Boston College. In 2016, Delaware claimed its first NCAA Field Hockey Championship with a 3-2 win over North Carolina and James Madison defeated Youngstown State to take home the NCAA Division I Football Championship.

The conference has made its presence known nationally in men's basketball. CAA teams have combined to win 43 games in postseason play since 2006, including a pair of NCAA Final Four appearances. Northeastern captured its second CAA title in five years last season.

In women's basketball, Towson won the CAA championship for the first time in 2019 while James Madison made its 14th consecutive postseason appearance and Drexel earned a postseason berth for the 10th time in 11 years. CAA teams have recorded 33 victories in postseason play over the past seven years.

The CAA also excels in many other sports. The conference has sent multiple teams to the NCAA Men's Soccer Championship in eight of the past nine years with JMU advancing to the quarterfinals in 2018. Hofstra reached the second round of the NCAA Women's Soccer Championship in 2018 after claiming its second straight league title. In softball, JMU knocked off host Michigan to win the Ann Arbor Regional in 2019 and advanced to the Super Regionals for the second time in four years. UNCW won its sixth CAA baseball title in 2019 and played in the NCAA Regionals for the 10th time. William & Mary's men's cross country team extended its record streak of CAA championships to 19 last season. Towson reached the men's lacrosse Final Four in 2017. Northeastern long jumper Kyle Darrow earned first-team All-America accolades in track and field in 2018. Two CAA men's golfers – CofC's Will Rainey and JMU's Ryan Cole – advanced to the NCAA Men's Golf Championship in 2016 and C of C's Laura

Fuenfstueck reached the NCAA Women's Golf Championship in 2017. Towson's Jack Saunderson placed 7th in the 200 butterfly and 15th in the 100 butterfly at the 2019 NCAA

Swimming Championship to earn All-America accolades.
 For the first time in league history, two CAA volleyball teams – Charleston and James Madison – earned berths in the NCAA Volleyball Championship in 2017.

CAA member institutions are committed to excellence in the classroom. The Colonial Academic Alliance was created in 2002 by the league's presidents with a goal of expanding their partnership to all aspects of university education and life outside of intercollegiate athletics. The Alliance has facilitated leadership exchanges to promote professional development, developed an academic resource sharing program to support student athletes, and created opportunities for institutions to partner on a wide range of initiatives that enhance student success.

On July 1, 2016, Joseph D'Antonio began his tenure as only the second Commissioner in the history of the CAA. He replaced Thomas E. Yeager, who guided the CAA from its inception in 1985.

The conference traces its roots back to 1983 when two of its current members - James Madison University and the College of William and Mary - were aligned with East Carolina University, George Mason University, the United States Naval Academy and the University of Richmond as a basketball league (ECAC South). During the next two years, the league added 11 sports, acquired two new members (the University of North Carolina at Wilmington and American University) and decided to form a new conference. The transformation from ECAC South to CAA took place on June 6, 1985.

Old Dominion University joined the CAA in 1991 and was followed by Virginia Commonwealth University in 1995. The conference added the University of Delaware, Drexel University, Hofstra University and Towson University in 2001. Georgia State University and Northeastern University became members of the conference in 2005. College of Charleston began its first year as a CAA member in 2013 and Elon University joined the conference on July 1, 2014.
