AT THE GAMES...

Credentials are necessary for admittance to the Turpin Stadium press box and field house. Credentials also grant the bearer a meal in the press box, served well before kickoff. All requests for credentials (press or sideline) should be made to SID Jason Pugh, by fax (318-357-4515) or e-mail (pughj@nsula.edu). Credentials will be mailed if time permits. If not, credentials will be available in the Sports Information office on Fridays before home games, at the campus police station on game day or at the Will Call window in the southwest corner of Turpin Stadium's press box side on game day.

Photo deck space is limited. Northwestern's game taping crew has priority on the sixth level deck. There are two film decks on the fifth level, available on a first-come first-serve basis. Access to the top of the press box is available. There is usually space in the stands immediately below the press box. In the event of a televised game, the originating TV crew has priority.

Sideline passes are available on a limited basis. Use is restricted to outside the team areas on each sideline. Sideline credentials are good for press box admittance.

Parking passes are available on a limited basis. Press parking is between the track and fieldhouse at the southwest end (on the press-box side) of the stadium. Again, make requests by email prior to game day.

Press box services include the pregame meal served an hour before kickoff. Soft drinks and snacks are available throughout the game. Internet access is available by ethernet or wireless. If you will need to be near a phone in order to file, be sure to note that in your credential request. Quarterly, halftime and final statistics will be distributed along with play-by-play sheets. A pregame packet with a program, flip card, fact sheets, and updated notes will be available in the press area.

To ensure equal access for all media, the Demon locker room will be closed. Postgame interviews with NSU players and coaches for home night games are conducted on the field near the south end zone adjacent to the Clayton Plaza shortly after play ends. The Turpin Stadium elevator will be reserved for media use with 4 minutes left to play. Selected players and head coach Brad Laird will be available for postgame interviews. Laird and players will also be interviewed on the Demon Sports Network and that can be heard in the Turpin Stadium press box.

DURING THE WEEK...

Player interviews must be set up through SID Jason Pugh at least one day in advance to minimize demands on the student-athlete's busy schedule. Brief face-to-face post-practice interviews may be conducted if time permits.

BRAD LAIRD

HEAD COACH • FIFTH SEASON AS NSU HEAD COACH

The first four seasons of Brad Laird's tenure as the head coach at his alma mater have produced record-setting offenses, turnover-happy defenses and arguably the most challenging set of circumstances faced by a Northwestern State football team.

As Laird enters his fifth season at the helm of the Demon football program, he is ready to build on the promise shown in an abbreviated spring 2021 season.

In Laird's first three seasons, the Demon offense rewrote the school passing record book, including seeing Shelton Eppler overwrite Laird's career passing yardage mark of 6,037 yards which stood since 1995.

Despite playing just six games during the 2021 spring season, the Demons saw quarterback Bryce Rivers become the first Demon to surpass 400 yards passing in a game more than once, doing so in each of the final two games.

Individual honors have found their way to Natchitoches as NSU has produced three All-Americans, a pair of HERO Sports Sophomore All-Americans and two Freshman All-Americans under Laird.

Away from the field, offensive lineman Chris Zirkle was a Campbell Trophy semifinalist, a nominee for the American Football Coaches Association Allstate Good Works Team and a semifinalist for the Doris Robinson Award in 2019.

Because of the COVID-19 pandemic, wide receiver Gavin Landry was a two-time Campbell Trophy semifinalist, earning the distinction in 2020 and 2021.

Laird's first Northwestern State team in 2018 posted a one-win improvement from the 2017 season, but the feel around the program was one of effective nostalgia.

There was a record-setting offense that would have made Laird the quarterback smile. Making Laird equally happy were the strides the NSU defense made in his first season as the head coach.

A three-time defensive coordinator for a total of eight seasons at Northwestern State, Laird saw the Purple Swarm regain that moniker in 2018, collecting 32 sacks (its highest total since 2002) and forcing 26 turnovers. The Demons forced another 24 turnovers in 2019. Counting the 2017 season when Laird was the defensive coordinator, the Demons enter 2020 having forced 67 turnovers in their past 34 games.

From 2013-16, Laird was in charge at his high school alma mater, Ruston, where he averaged more than seven wins in four playoff seasons as head coach.

In 2017, Laird restored the "Purple Swarm" brand for the NSU defense, which had struggled in the past two seasons but showed flashes of brilliance, especially down the stretch. In the final month of the season, the Demons twice recorded 13 tackles for loss in wins over Houston Baptist and Abilene Christian, and staged a series of goal-line stands, two in the season-ending victory over Stephen F. Austin.

Linebacker Peyton Guidry was named the national FCS Defensive Player of the Week after making 18 tackles against the Lumberjacks.

Laird was running the Purple Swarm defense when NSU was second nationally in total defense (2004, 274.7 yards allowed per game) and ninth (2003, 287.3 ypg) and produced 75 turnovers from 2003-05. The Demons set three NCAA records and led the Southland Conference in total defense and rushing defense, also ranking highly in pass defense each season. The Demons won their most recent Southland championship and made their last FCS playoff appearance in 2004.

In 2004, the Demons tied an NCAA FCS record by notching two safeties vs. Texas Southern. A year earlier, his defense set FCS records by allowing only 1 first down and a net of minus 1-yard offense to Oklahoma Panhandle.

After a record-setting playing career at NSU, Laird joined coach Sam Goodwin's Demon staff in 1996, serving as the defensive graduate assistant coach working for then Demon defensive coordinator Peveto. He then worked for coach Don Shows at West Monroe High School in 1997, going on to coach at Ouachita High, Longview (Texas) High (under former FCS national champion coach Pat Collins) and Nashville (Ark.) High (under his father, Billy Laird) before joining Stoker's staff as defensive coordinator prior to spring practice in 2003 (Collins and Shows are in the Louisiana Sports Hall of Fame).

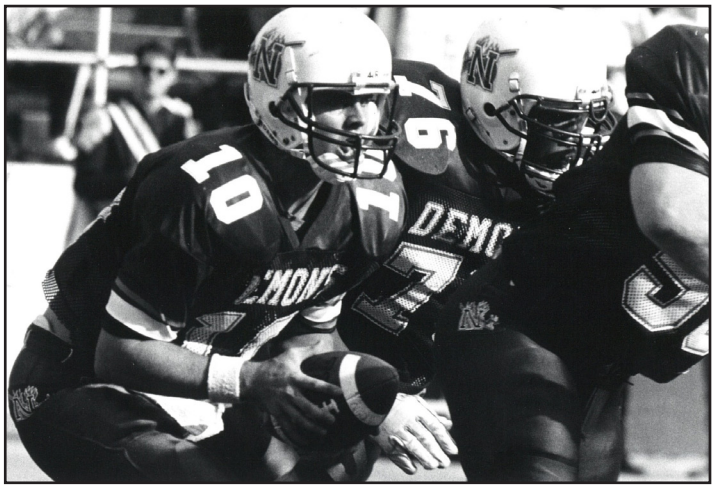

From 2005-06, Laird served as the director of Northwestern State's alumni office.

The Demons' all-time career passing leader (6,037 yards, 1991-95), he was a 2015 inductee in the N-Club Hall of Fame, the university's highest athletic honor.

An all-state quarterback in the state's largest classification at Ruston, Laird was the 1990 Superdome Classic MVP for the Bearcats' unbeaten team that finished ranked No. 1 nationally by USA Today. He was inducted in the Louisiana High School Sports Hall of Fame in 2010.

Brad and his wife, Renee, are both Northwestern State graduates and the parents of Brianna (19) and Brock (15).

Blair was elevated to offensive coordinator in August and will maintain his offensive line coaching responsibilities.

Blair came to Natchitoches after spending the 2021 season as the offensive coordinator and offensive line coach at New Mexico Highlands.

In his lone season there, Blair coordinated an offense that produced five all-conference players, including the Rocky Mountain Athletic Conference Offensive Player of the Year – wide receiver CJ Sims. Under Blair, the Cowboys offense led the RMAC in passing offense and was second in total offense, producing a top-25 season nationally.

Prior to his time at New Mexico Highlands, Blair spent two seasons as an offensive line coach at Incarnate Word. Blair helped mold a Cardinals offensive line into a unit that blocked for a top-20 FCS passing offense while helping UIW average 5.1 yards per carry and record a single-game school record 402 yards rushing.

Blair was a graduate assistant offensive line coach at Houston in 2018, helping the Cougars rank fourth nationally in scoring offense (46.4 ppg) and sixth in total offense (538.6 yards per game) despite ranking 128th of 130 teams in time of possession.

A Gilmer, Texas, native, Blair began his collegiate coaching career at Southeastern University in Lakeland, Florida, coaching tight ends and assisting with the offensive line. The Fire was the No. 1 NAIA scoring offense in 2017 and No. 2 in total offense while producing an all-conference tight end.

Blair spent two seasons as the offensive coordinator and offensive line coach at Jacksonville (Texas) High School where he also was the strength and conditioning coordinator and head powerlifting coach. With Blair on staff, Jacksonville broke an eight-year playoff drought and produced a quarterback who rushed for 2,150 yards. Blair also coached one offensive lineman who continued his career in college.

Beau Blair (right) with his fiancée, Lauren Twardowski.

Blair began his coaching career at Diboll (Texas) High School as the offensive line coach and strength and conditioning coordinator, helping Diboll improve from a 1-9 mark to 5-5 in his lone season.

A 2014 graduate of Stephen F. Austin in liberal studies, Blair also holds a master's degree in human performance and sport from New Mexico Highlands.

Blair and his fiancée, Lauren Twardowski, were engaged in June.

PLAYING HISTORY

2009..... Sam Houston

A youthful coach who already has coordinated a top Football Championship Subdivision defense, **Weston Glaser** is in his first season as Northwestern State's defensive coordinator after joining the staff in January 2022, marking a return to the Southland Conference where he began his college football coaching career.

Glaser came to Natchitoches after a four-season run at Campbell in which he was both the Camels' defensive coordinator and, in 2021, their assistant head coach.

A member of the 2019 American Football Coaches Association's 35 Under 35 Coaches Leadership institute, Glaser coordinated a Camel defense that was the No. 2-ranked pass defense in its abbreviated four-game 2020 season. That season, Campbell faced four Football Bowl Subdivision teams – Georgia Southern, Coastal Carolina, Appalachian State and Wake Forest – and surrendered 185.2 passing yards per game.

During his Campbell tenure, Glaser's defenses twice led the Big South in pass defense and helped the program post a 6-5 mark in 2019, marking the second of back-to-back winning seasons which had not been done at Campbell in the school's modern era (dating to 2008).

As the interim defensive coordinator for the final three games of 2018, Glaser's defense led FCS in fewest passing yards allowed (122.5) and ranked seventh nationally in pass efficiency defense (103.27). Included in that stretch was a single-game school record for fewest passing yards allowed as Campbell held Presbyterian to 12 yards in a 34-6 Camels' win.

Campbell defensive lineman Brevin Allen was named the 2021 Big South Defensive Player of the Year under Glaser's tutelage, giving Glaser nine all-conference and two all-American selections since the 2019 season.

A former Sam Houston quarterback, Glaser began his coaching career at his alma mater, spending three seasons (2010-12) on the Bearkat staff, helping Sam Houston post a 31-10 record, capture two Southland Conference titles and reach consecutive FCS National Championship Games.

The Glaser family: Laura, Weston, Deacon and Brooks.

The Waco, Texas, native worked with UTEP's linebackers and defensive backs from 2013-15 and served as an assistant pit crew coach for Hendrick Sports' NASCAR Sprint Cup Series teams, driven by Jimmie Johnson and Dale Earnhardt Jr. from August 2014-January 2015. During his time with Hendrick Motorsports, Glaser also worked for the Cleveland Browns scouting department.

PLAYING HISTORY

2003-04 .....National Indoor Football League
1999-02 .....Northwestern State

The longest-tenured member of the Northwestern State football coaching staff, **De'Von Lockett** enters his 13th season on the Demons staff, tutoring the Demons' cornerbacks and continuing to turn them into difference makers.

Shemar Bartholomew's second All-Southland Conference honor of his career in the fall of 2021 extended the run of all-league selections under Lockett to three straight seasons.

Even in the unusual six-game 2021 spring season, Lockett's tutelage paid dividends as junior William Hooper earned third-team All-Southland Conference honors, anchoring an NSU secondary that folded in several new faces, including All-Southland Conference safety PJ Herrington.

In 2019, Lockett helped develop sophomore Shemar Bartholomew into an honorable mention HERO Sports Sophomore All-American and a third-team All-Southland Conference selection while his group led the Southland Conference in fewest passing yards allowed per game (255.9).

In the 2018 season, Lockett's cornerbacks played a pivotal role in the Purple Swarm defense ranking among the national leaders in turnovers and turnover margin in a season in which Lockett added the assistant head coach title to his resume.

As a freshman, Bartholomew snared a pair of interceptions against Sam Houston State, marking the second time in three seasons a Demons defensive back produced a multi-pick game against the high-powered Bearkats.

All told, NSU cornerbacks hauled in four interceptions and broke up 21 additional passes despite seeing three freshmen – Bartholomew, Hooper and Trey Williams – make their debuts throughout the season.

It continued Lockett's legacy of productive corners in Purple and White.

With Lockett's input, Ike Warren intercepted three passes in the 2016 and 2017 seasons despite fighting injuries in his sophomore season of 2016. In 2017, touted junior college transfer Rashaun Croney was limited to seven games because of injuries, but Lockett's corners helped the Demons hold teams to almost 10 fewer yards passing per game from the season before.

In 2015, Lockett turned then-freshmen Warren and D'Ronne Littleton from signees into a strong, young starting duo on the outside of the Demons' defense.

Despite losing an NFL signee (Imoan Claiborne) and a multi-year starter (Fred Thomas) on the corners, Lockett's 2015 "Bad Boys" secondary helped the Demons allow less than one passing yard per game more than they did in 2014.

Led by Claiborne and emerging playmaker Adam Jones, the Demons snared 15 interceptions in 2014 after grabbing seven the previous season.

Under the tutelage of Lockett, a former standout receiver at Northwestern State, Jones made a seamless transition from linebacker to safety, resulting in Jones intercepting a team-high five passes. Claiborne, meanwhile, accounted for seven turnovers (four interceptions, three fumble recoveries) en route to earning All-American honors from the College Sporting News.

Lockett earned a promotion to secondary coach in 2014 after an outstanding job developing an NFL player and Super Bowl champion, Seattle's Jeremy Lane, and shaping a cornerback stable that measured up as well as any in the FCS ranks.

In his most recent season coaching strictly cornerbacks, Lockett's 2013 group helped the Demons' Purple Swarm rank second in the Southland Conference in total defense.

Rejoining his alma mater's coaching staff in time for the 2010 spring practice, Lockett's impact was apparent that fall. The corners became a strong unit in the second half of the 2010 season. In 2011, Lockett's cornerbacks sparkled throughout the season and Lane became the sixth-round pick of the Seattle Seahawks in the 2012 NFL Draft. The Demons were fourth in the rugged Southland Conference in total defense and led the league in red zone defense.

Lockett was the defensive backs coach in early 2010 at Bethel University before returning to his alma mater to join the Demons staff in time for 2010 spring practice. In the 2008 and 2009 seasons, Lockett was an assistant defensive backs coach and a quality control coach at Missouri Southern, where he also assisted with special teams.

Lockett coached at Bethel in McKenzie, Tennessee, from 2005-06 as a graduate assistant, coaching receivers and assisting with special teams. Five of his receivers made all-conference. He assisted with coaching receivers in the first-ever NAIA Senior All-Star Game in Platte City, Mo.

From 2003-05, he coached football, basketball and track and field at his alma mater, Franklin Senior High School. He coached receivers and defensive backs, was special teams coordinator, head boys track coach and an assistant basketball coach.

He returned to FSHS in 2007-08 and helped coach the track team to the 2008 state indoor and outdoor championships. His college coaching career began in spring 2003 as a student assistant at NSU.

Lockett played in the National Indoor Football League in 2003-04 for the Houma Bayou Bucks after finishing as a four-year letterman for the Demons from 1999-2002, playing for three different head coaches (Sam Goodwin, Steve Roberts and Scott Stoker).

In his career, Lockett had 55 catches for 881 yards and 3 touchdowns while playing on FCS playoff teams in 2001 and 2002.

As a junior, with future NFL QB Craig Nall setting school passing records, he was third on the team with career-best totals of 31 catches for 463 yards, and had a key 48-yard catch along with a 9-yard TD grab in the Demons' 27-24 win at TCU. His first collegiate catch was a 22-yarder at Central Florida as a sophomore in a hard-fought 19-7 loss.

He also competed in track and field for NSU. At Franklin Senior High School, he was a first-team All-District receiver and defensive back, and a second-team Coaches All-State defensive back, making 7 interceptions and 7 pass breakups as a senior.

He was also a state meet qualifier in track and field and was his team's MVP.

Lockett is the son of the late Kenneth Lockett, a legendary track and field coach, and mother Melanie Charles and has five siblings. He is married to ShaLawnda, and they have four sons — Seth, Dayson, Paxton and Titus.

Lockett graduated in psychology from NSU in 2002, then earned a master's in education from Bethel in 2007.

The Lockett family (back row): Titus, De'Von, ShaLawnda, and Seth. Front row: Dayson and Paxton.

In his second season on the Northwestern State staff, **Josh Jones** has added recruiting coordinator duties to his continued work with the Demons' safeties.

Under Jones' tutelage, veteran PJ Herrington became one of the top playmakers in the Southland Conference, finishing third on the team in tackles despite missing the final two games of the season with injuries. Additionally, Jones helped develop Keenan Leachman during Leachman's first season as a starter at the Division I level.

Jones comes to Natchitoches after a one-season stint at Arkansas-Pine Bluff where he quickly made his mark as the defensive passing game coordinator and defensive backs coach. Under Jones' tutelage, Jalon Thigpen led the Southwestern Athletic Conference in passes defensed, earning first-team All-SWAC honors.

Thigpen's development followed a trend that has typified Jones' career.

In three seasons coaching cornerbacks at South Alabama (2018-20), Jones helped Darian Mills earn All-Sun Belt Conference in honors after ranking second in the conference in pass breakups. A year later, Travis Reed was an All-Sun Belt honoree after breaking up 10 passes and intercepting three others.

Jones followed head coach Steve Campbell to South Alabama after spending two seasons with Campbell at Central Arkansas.

While on UCA's staff, Jones helped the Bears produced a 20-5 overall record and a 17-1 conference mark, capturing the 2017 Southland Conference title.

In each of his two seasons with the Bears, Jones produced an All-American as Tyler Williams garnered the honor in 2016 and Tremon Smith did so in 2017. Smith was a two-time, first-team All-Southland Conference selection and is entering his fourth season in the NFL. Williams was a first-team All-SLC pick in 2016 before signing with the Atlanta Falcons as an undrafted free agent.

Jones spent the 2015 season coaching cornerbacks at Henderson State, molding a defense that led all divisions of the NCAA with 29 interceptions. Tavares Garner earned first-team All-Great American Conference notoriety as the Reddies went 11-2 and reached the D-II playoffs.

Before joining the Henderson State staff, Jones was a graduate assistant at Troy, Missouri Western State and Arkansas Tech.

As a player, Jones was an All-American at both Minnesota State-Moorhead and Harding University. While at Harding, he was invited to play in the Cactus Bowl (D-II Senior All-Star Game) and was the Little Rock Touchdown Club Player of the Year.

At Minnesota State-Moorhead, Jones broke the school record for interceptions with 10 as a sophomore, tying him for second nationally. He also holds MSU-Moorhead's school record for longest punt return touchdown at 94 yards.

Northwestern State 14
North Texas 44

Sept. 4, 2021 • Denton, Texas
Apogee Stadium • 18,716

DENTON, Texas – There were plenty of big plays and turnovers in Northwestern State's season-opening football game at North Texas on Saturday night.

Unfortunately for the Demons, they had too many of one and not enough of the other.

Mean Green running back DeAndre Torrey rushed for a career-high 244 yards and three touchdowns and the Demons turned the ball over four times, allowing North Texas to pull away for a 44-14 victory at Apogee Stadium.

"It's frustrating when you look at the scoreboard at the end of the game," fourth-year head coach Brad Laird said. "The thing I told the guys, you look at the second half, coming out of the half, we get the interception, and we have the touchdown to Jay (Griffin) that gets called back. Those are things, when you're playing games like this, you can't have."

The Demons (0-1) matched the Mean Green punch for punch for most of the first half, thanks to a pair of big plays on offense and an opportunistic defense.

Down 7-0 after Torrey's first touchdown – a 24-yard run – Northwestern State answered with its first big play. Kaleb Fletcher hit Kendrick Price on a slant route, and Price broke through a one-on-one tackle, turning it into a 65-yard touchdown.

"That definitely put a spark in the team," said running back Scooter Adams, who ran for 92 yards on 12 carries and added 36 yards on a team-high seven catches. "That gave us some momentum. We've got to keep getting more explosive plays like that."

Adams had the Demons' other big offensive play in the first half.

Trailing 17-7, Adams took a second-down carry through a gaping hole 36 yards for his first touchdown of the season, cutting the NSU deficit to a field goal.

Adams' score was set up by a Cedric Anderson interception of Jace Ruder.

"That came off a free safety blitz," said Anderson, who also broke up a pass in the end zone in the second half. "I have to give credit to (PJ) Herrington. He came in on the blitz and hit the quarterback."

Northwestern State 10
Alcorn 13

Sept. 11, 2021 • Lorman, Mississippi
Spinks-Casem Stadium • N/A

LORMAN, Mississippi – Time and again Northwestern State's Purple Swarm defense bent but did not break Saturday night.

Then the north end of Spinks-Casem Stadium struck again.

Alcorn's Felix Harper spun into that end zone on a 1-yard touchdown run with 4:11 to play, capping a Braves' fourth-quarter rally that dropped Northwestern State, 13-10, in non-conference action.

"In that type of ball game – as well as we played defensively for four quarters – the opportunity they had – the one big play – puts you in a tough situation," fourth-year head coach Brad Laird said.

"Defensively, we played well. We played hard. We were able to get off the field. When you're in those tight games, it's often that one play."

While Harper's touchdown regained the lead for Alcorn (1-1), the one play the Demons (0-2) would like to have back came on third and 10 from the Braves 46.

Harper found Manny Jones for a field-flipping, 50-yard completion that gave Alcorn a first-and-goal at the NSU 4.

Even then, it took the Braves three cracks from the 4 before Harper twisted in for the go-ahead score.

"Last week, it's on film – we had 28 missed tackles," said senior linebacker Ja'Quay Pough, who finished with 12 tackles and a sack. "This game, we weren't letting it happen again."

The Purple Swarm limited Alcorn to 122 yards on 41 carries, an average of 3 yards per rush in a game where neither team found much running room.

NSU managed just 71 yards on 36 carries as Alcorn outgained the Demons, 326-293.

Still, Northwestern State made Kendrick Price's early 18-yard touchdown catch from Kaleb Fletcher stand up.

UT Martin 35
Northwestern State 10

Sept. 18, 2021 • Natchitoches, La.
Turpin Stadium • 9,146

NATCHITOCHES – One thing the Northwestern State football team did not lack for Saturday night was scoring opportunities.

Converting those chances was a little more difficult.

The Demons went 1-for-6 in the red zone against UT Martin in Northwestern State's home opener at Turpin Stadium, falling 35-10 to the visiting Skyhawks.

"When you look at this game, you go back to the first half," fourth-year head coach Brad Laird said. "The opportunities we had, four times plus-30 or in and not getting any points out of it. Fast forward to the second half, a great drive and a great call on fourth down for the touchdown to Jay (Griffin). Then get the ball back, driving down and have the turnover at the goal line.

"We got the momentum, but we weren't able to sustain it."

Toward the end of a first half in which UT Martin (2-1) built a 21-0 lead, the Demons (0-3) began to capture some of that momentum.

Eddie Godina's 27-yard field goal at the first-half buzzer capped a 10-play, 65-yard drive to get the Demons on the board at 21-3.

For the second straight week, Northwestern State took the second-half kickoff and drove down the field. Unlike a week ago at Alcorn, the Demons completed the drive as Kaleb Fletcher found Jay Griffin in the along the far sideline for a 21-yard touchdown on fourth and 9.

"I'm happy we got the offense moving more than in the first two weeks, but there are obviously things we have to get cleaned up during the off week," said Griffin, who finished with five catches for 33 yards. "Fixing our mental mistakes and not hurting ourselves in the red zone – that's what we've done."

The Skyhawks jumped to a 14-0 lead after a first quarter in which UT Martin racked up 229 yards offense. A strip sack by Isaiah Longino and ensuing fumble recovery by Jared Pedraza kept the Skyhawks from going 3-for-3 on scoring drives in the opening quarter.

UIW 38
Northwestern State 27

Oct. 2, 2021 • Natchitoches, La.

NATCHITOCHES – The Northwestern State football team checked off some of what it needed to do Saturday night against Incarnate Word.

The Demons won the turnover battle against the Cardinals inside Turpin Stadium, but UIW took better advantage of NSU's miscues as the visitors scored a 38-27 Southland Conference victory.

"I'm disappointed for the guys," fourth-year head coach Brad Laird said. "They deserved the opportunity to win the game. One thing we talked about today was finish – not necessarily finishing the game but finishing each play, doing your job. I thought our guys did that."

For the second straight week, the Demons (0-4, 0-1) found themselves down double digits in the first quarter as UIW (4-1, 2-0) used its quick-strike offense to build a 14-0 advantage less than seven minutes into the game.

From there, the Purple Swarm defense settled into the pattern it displayed against UT Martin on Sept. 18, playing more soundly in its assignments and cutting down on missed tackles.

After surrendering 28 first-half points, the Demons allowed just 10 in the second half, allowing NSU to slice an 18-point lead to eight late in the third quarter.

The deficit could have been even less had Northwestern State taken better advantage of the Cardinals' three turnovers.

NSU turned its three extra possessions into just seven points as Kaleb Fletcher hit Javonis Isaac for a 1-yard score with 5:01 to play in the third quarter, cutting UIW's lead to 28-20. It was Isaac's first career touchdown catch in a Demon uniform and part of a career-best 319-yard passing game for Fletcher on 36-of-48 passing.

"(Winning the turnover battle) was one of the big keys – us coming in minus-4 and them coming in plus-4 or plus-5," Laird said. "That was one thing we had to do. Now, we have to take the next step when we get those opportunities and turn them into points."

Northwestern State 21
Houston Baptist 17

Oct. 9, 2021 • Houston, Texas
Husky Stadium • 1,987

HOUSTON – Nearly a month ago, the Northwestern State football team had the chance to close out a road win and came up short.

Given a second chance Saturday night, the Demons finished the job.

Zachary Clement's 2-yard touchdown run with 7:17 remaining capped a back-and-forth fourth quarter as Northwestern State outlasted Houston Baptist, 21-17, in Southland Conference play at Husky Stadium.

"A big thing was (quarterbacks) coach (Joey) Fitz(gerald) made sure I knew what I was seeing, and (quarterback Kaleb) Fletch(er) made sure I knew what I was seeing too," said Clement, who entered the game late in the third quarter and drove the Demons to a touchdown on that drive.

"They really helped me execute tonight. It feels like the beginning. We want to build on this, get better every week and keep executing. We'll keep getting better as we go along."

Behind Clement and a pair of running backs who were late additions to its roster, Northwestern State (1-4, 1-1) grabbed a win in its Southland road opener for the second time in four seasons under Laird.

A week after struggling to convert three UIW turnovers into points, the Demons cashed in on their plus-2 turnover margin against the Huskies (0-5, 0-2).

Northwestern State recovered three fumbles, converting them into 14 points, including Clement's go-ahead score midway through the fourth quarter.

"We had the same scenario at Alcorn," fourth-year head coach Brad Laird said. "We score and get the momentum, and they score to take the lead back. Our guys, our sideline, never wavered from their belief. We had to punt, but the defense got a turnover and the offense punched it in. The work our guys put in, they deserve this moment tonight."

For the third straight week, the Demons found themselves facing a double-digit, first-quarter deficit as the Huskies struck first on Fudge Woods' 33-yard touchdown run and added a 37-yard Gino Garcia field goal after NSU's lone turnover of the game – a fumbled punt snap.

McNeese 35
Northwestern State 17

Oct. 16, 2021 • Natchitoches, La.

NATCHITOCHES – The Northwestern State football team did not suffer a sluggish start Saturday afternoon against McNeese.

The tough part of the Southland Conference game for the homestanding Demons came in the second quarter as the Cowboys took advantage of the wind and extremely favorable field position to set the tone for a 35-17 McNeese victory.

"I'm very disappointed," fourth-year head coach Brad Laird said. "We came out up 3-0 and went through a bad stretch in the second quarter. It all started when they pinned that punt at the 1. We were going into the wind, and their next three possessions were on the plus-24, the plus-42 and the plus-48. They converted two of those into touchdowns."

As the Demons (2-4, 1-2) fought the wind, the Cowboys (2-4, 1-2) took advantage.

Following a Callum Eddings punt that was downed at the 1, the Demons went three and out. A short punt gave the Cowboys the ball at the NSU 24, and three plays later, Josh Parker's 3-yard run started a 21-point second-quarter avalanche that put the Cowboys ahead to stay.

In a matchup between the Southland's top turnover-forcing defense (Northwestern State) and its stingiest offense in terms of giveaways (McNeese), the Demons did not produce enough extra possessions to change the momentum.

Instead, one came from the Cowboys as Corione Harris returned a Zachary Clement fumble 15 yards for the final of McNeese's three second-quarter touchdowns and a 21-3 lead.

"We had some big stops defensively," Laird said. "One came after the fake punt they had in the second half. There was another after the punt return to the 6. We got a stop when they turned it over out of the end zone, but we weren't able to get that big momentum takeaway that we have in the past. In times like that, whenever we can't get it going, that's when a big takeaway can change the momentum."

Northwestern State's offense managed just 254 yards on the game, 104 of which came in the first half.

No. 9 Southeastern 51
Northwestern State 14

NATCHITOCHES – For the first time this season, the Northwestern State football team scored first Saturday afternoon.

The Demons' fast start they had been seeking, unfortunately, did not last against visiting ninth-ranked Southeastern as the Lions pulled away after a breakeven first quarter for a 51-14 Southland Conference victory at Turpin Stadium.

"We knew we had to get off to a fast start," fourth-year head coach Brad Laird said. "Defensively, we did, forcing them to punt on two of the first three drives. Then offensively, our second drive we go down and score. When you have the opportunity – I say against Southeastern, but against any team in your conference – you have to sustain and finish drives."

Northwestern State (1-6, 1-3) finished their second drive behind quarterback Zachary Clement, who made his first career start.

The freshman capped an 11-play, 70-yard drive with a 10-yard run that gave the Demons a 7-0 lead and marked the first time NSU put the initial points of the game on the board this fall.

It appeared the momentum would stay affixed to the home sideline of Turpin Stadium in short succession.

Two plays after Clement's rushing touchdown – his fifth in the past four games – Taron Jones fumbled after an eight-yard gain and Nathalohn Nanai pounced on the loose ball at the Lion 33-yard line. After a video review, the fumble was overturned and the Lions (6-1, 4-0) maintained possession.

Seven plays later, reigning Walter Payton Award winner Cole Kelley bulled in from 9 yards out for the first of his four total touchdowns (three passing, one rushing) on the day.

"Sometimes things don't go as you plan, and you saw the outcome," said linebacker Jared Pedraza, who finished with a game-high 10 tackles. "(The overturned fumble) was bumming, because we thought we had it. We're on the sidelines, in the chairs, thinking we have the ball, and they get it back and end up scoring. Things like that happen, and we have to stop them."

HAMMOND – Early Saturday night, the Northwestern State Purple Swarm defense found success on early downs, keeping No. 13/14 Southeastern behind the chains.

Forcing the Lions into third-and-long situations did not work well for the Demons, however, as SLU answered every challenge with one big play after another, setting the tone for a 56-28 Southland Conference victory at Strawberry Stadium.

"Getting behind the eight-ball so quick, down 21-0, we were able to get a drive going at the end of the half," fourth-year head coach Brad Laird said. "We didn't have that many possessions offensively, especially in the first half. They scored five of their first six possessions, but I was proud of the guys who prepared the right way and continued to fight for 60 minutes."

The short-handed Demons (2-8, 2-5) surrendered 309 first-half passing yards to the Lions (8-2, 6-1), who tallied a pair of big-play touchdown passes from reigning Walter Payton Award winner Cole Kelley in the first 18 minutes of the game.

Northwestern State moved the ball well early in the first half but did not dent the scoreboard until quarterback Kaleb Fletcher, starting in place of injured Zachary Clement, capped a 10-play, 84-yard march with a 1-yard touchdown run at the 7:35 mark of the second quarter.

The score was one of four touchdowns Fletcher accounted for in his first start since Oct. 16. He added third-quarter touchdown passes of 35 yards to Kendrick Price Jr. and 6 yards to Robbie Williams III before capping NSU's offensive day with a 3-yard touchdown run in the fourth quarter.

Fletcher finished the game 22-for-36 for 226 yards, two touchdowns and two interceptions.

The Demons found themselves down 35-7 at the half after Southeastern executed a two-minute drill for a touchdown for the second time in as many meetings with Northwestern State this fall. This time, Kelley ended a quick-strike, eight-play, 76-yard drive with a 9-yard touchdown pass to Anthony Spurlock with 4 seconds before halftime.

NATCHITOCHES – Same result, a very different way of getting there.

The Northwestern State football team could not have scripted a better way to send off its seniors Saturday night, producing its highest-scoring quarter of the season to cap a come-from-behind, 28-24 Southland Conference victory against Houston Baptist at Turpin Stadium.

"It was kind of the same script when we went down there," said receiver Gavin Landry, who was one of 10 sixth-year seniors honored before the game. "We did it a little more through the air tonight. It's crazy to go out like this – fighting, clawing, scratching. We said we were going to play for the seniors and play for the man next to us."

The visiting Huskies (0-9, 0-6) looked poised to spoil Northwestern State's Senior Day, zipping to a 17-0 first-quarter lead during which they outgained the Demons 186-1.

From there, the Purple Swarm settled in and lived up to its nickname. The Demons (2-7, 2-4) surrendered 160 yards in the final three quarters and recorded nine tackles for loss for 40 yards in the game.

"A lot of the stuff we watched on film was different," said junior cornerback William Hooper, whose fourth-quarter interception helped launch NSU's 22-point, fourth-quarter barrage. "They had a totally different scheme this time. We had to take it into halftime and adjust. We decided to buckle down and play for the seniors."

NSU's seniors played for themselves as well.

With quarterback Zachary Clement's status uncertain for the game, the Demon coaching staff decided to use Landry, a former high school quarterback, in short-yardage situations.

It paid dividends in the fourth quarter as Landry scored the first two rushing touchdowns of his Demon career, a journey that began as a walk-on in 2016.

"Not knowing what our quarterback situation would be, we knew he had the ability in a goal-line situation," said fourth-year NSU coach Brad Laird. "He took advantage of it, not only the two rushing touchdowns but the big catch and run to get us in position for the go-ahead touchdown."

THIBODAUX – The Northwestern State football team went punch for punch with Nicholls for the first 27 minutes of Saturday's Southland Conference matchup.

The final three minutes of the first half, however, swung the momentum firmly toward the homestanding Colonels as Nicholls pulled away for a 42-21 victory at Manning Field at John L. Guidry Stadium.

"The last few minutes of the first half and the first six, seven, eight minutes of the second half told the tale of the game," fourth-year head coach Brad Laird said. "We weren't able to get anything going, and they scored two (third-quarter) touchdowns to make it 42-14, and we couldn't rebound."

With the game tied at 14, Devonta Jason hauled in a 13-yard touchdown pass from Lindsey Scott Jr. with 2:00 to play in the first half. Northwestern State (1-7, 1-4) went three-and-out offensively and got a field-flipping, 52-yard punt from Scotty Roblow, who averaged 49.5 yards per kick on six punts.

The Colonels (4-4, 3-2) overcame that punt, covering 66 yards in six plays as Scott hit Dai'Jean Dixon Jr. for a 16-yard touchdown pass with 17 seconds to play in the half.

Those late first-half touchdowns stunted the momentum the Demons built in the first 27 minutes.

Making his first career road start, quarterback Zachary Clement accounted for three touchdowns – two in the second quarter.

Each of Clement's second-quarter scores – a 3-yard rush and a beautifully thrown 67-yard touchdown pass on a wheel route to Jay Griffin IV – answered Nicholls' first two scores.

Buoyed by the catch-and-run score up the far sideline, Griffin became the first Demon to post a 100-yard receiving game this year, finishing with five catches for a career-high 101 yards.

"I saw it was man coverage, and I knew I had to beat him with my speed," Griffin said. "I trusted Zach would give me a great ball, and that's what he did."

Northwestern State 24
McNeese 20

Nov. 20, 2021 • Lake Charles, La.
Turpin Stadium • 8,412

LAKE CHARLES – Appropriately enough, it was No. 1 who ended another longstanding Northwestern State drought involving McNeese.

Sixth-year senior receiver Kendrick Price Jr. hauled in two touchdown catches in his final game, including the decisive 29-yarder in the fourth quarter, as the Demons emerged from Cowboy Stadium with a 24-20 Southland Conference victory – NSU's first win in Lake Charles since 1988.

"Last time we beat them it was Jazz (Ferguson's winning touchdown catch), so that makes it special," said Price, who finished his career with 11 touchdown catches, tied with Al Phillips for eighth in school history. "Quan Shorts texted me last night and said, 'You're going to score two touchdowns tomorrow. I can feel it.' Crazy enough it happened. I haven't scored two touchdowns in a game since 2019.

"It was the 1 connection, I guess. It made it happen. It's super special."

Price's touchdown grabs bookended the scoring for Northwestern State (3-8, 3-5), which got the fast start it sought for much of the season.

NSU entered Saturday's game having scored 17 points in the first quarter in its first 10 games this season. The Demons needed 14:35 of game time to do that Saturday.

Price started the scoring with a 7-yard grab that answered Deonta McMahon's 39-yard touchdown run on McNeese's opening drive. After Scotty Roblow's 25-yard field goal broke the early 7-all tie, Zachary Clement and Jay Griffin IV connected on a 56-yard wheel route to build the lead to 17-7 with 35 seconds left in the first half.

"We knew we have not been able to get out to a fast start the last couple of weeks," fourth-year head coach Brad Laird said. "That was one of our keys to victory. We were able to do that.

"To me, what's so special about this team is that second and third quarter, when it wasn't as easy, our guys stayed with it."

The Demons' permanent team captains each year are elected by their peers. At the annual football awards dinner, they are announced and receive an award named for the heroic Joe Delaney, the 1981 AFC Rookie of the Year who died in a 1983 attempt to rescue three drowning children. One survived. June 29 marked the 34th anniversary of Delaney's noble, unselfish effort. His teammates, and anyone who knew Joe Delaney, were not surprised about what he did. It was who he was, and it personifies why we will always treasure his memory.

DEMON FOOTBALL

Choosing the Top 100

To commemorate the Centennial Celebration of Demon Football for the 2007 season, a Top 100 Demon Football Players of the Century roster was selected. Fan voting conducted in May of 2007 was a primary component in the selection process, with a committee completing the selections. The Top 100 list was narrowed down from a group of 230 players nominated by a blue-ribbon panel comprised of former players, coaches and past and present administrators. The honorary captains were chosen by the committee as their stories emerged during the Top 100 selection process.

TURPIN Stadium

HOME OF THE NORTHWESTERN STATE DEMONS

Northwestern State is now in its fifth decade of playing home games in Turpin Stadium, named for Harry Turpin, the second all-time winningest coach in Demon football history.

Turpin, a four sport letterman at what was then Louisiana Normal in the mid-1920s, collected 98 victories during his 22 years as the Demons head coach. The stadium was renamed in his honor prior to the 1977 season.

Featuring an artificial playing surface, the 15,971-seat capacity stadium is the focal point of the NSU athletic complex, which also includes the NSU Fieldhouse.

The two deck west side of the stadium features a glassed-in area between decks which is reserved for members of the Demons Unlimited Foundation and other dignitaries. Also located on the west side are 5,000 comfortable chair back seats and a double-decked press box, complete with working press area, radio booths, and camera decks.

NSU students and the Spirit of Northwestern Marching Band sit on the east side of the field. Completing the complex is the NSU Fieldhouse, which opened in 1979. The Fieldhouse is home to administrative and coaching offices, dressing rooms, training rooms with up to date facilities, weight room, lounges, meeting areas, and film rooms. Other features include the plush Demon dressing room, equipment room, and laundry area with ample storage space.

DEMON FOOTBALL TRADITIONS

John Stephens

Demons in the NFL Draft

There have been 36 Northwestern State players chosen in the NFL Draft, including 10 in the last 14 seasons. Three Demons have gone in the top five rounds since 2002 (Craig Nall, 2002, 5th round, Packers; Terrence McGee, 2003, 4th round, Bills; David Pittman, 2006, 3rd round, Ravens). NSU's highest pick: RB John Stephens, 1988, 17th overall. The Demons' first-ever draft pick: OG Walter Ledet, Eagles, 2nd round, 1939; The busiest round for NSU players: 2nd, with 7 Demons selected. The busiest year: 1999, when 3 Demons were picked (cornerbacks Kenny Wright and Jermaine Jones, defensive end Robert Daniel). Defensive tackle Deon Simon was the latest Demon taken in the draft - selected in the 7th round by the New York Jets in 2015.

Rookies of the Year

Two Demon greats have won pro Rookie of the Year awards. Tailback Joe Delaney was the 1981 AFC Rookie of the Year when he earned a trip to the Pro Bowl and was named Chiefs MVP after establishing a then-franchise record with 1,121 rushing yards, leading Kansas City to its first winning season since 1973. Seven years later, after breaking Delaney's Demon career rushing record, tailback John Stephens won the Associated Press NFL Offensive Rookie of the Year honor after running for 1,168 yards for New England.

Joe Delaney

Demons with NFL Longevity

Among the dozens of former Demons to play pro ball, there are an elite group whose careers stretched for many years. Topping the list is Pro Football Hall of Fame tight end Jackie Smith, who played 16 years (1963-78). Pro Bowl quarterback Bobby Hebert played in the NFL from 1985-96 (11 seasons) after three years starring in the USFL, getting a total of 14 pro seasons. All-Pro receiver Mark Duper spent 11 seasons in the NFL (1982-1992), as did offensive lineman Marcus Spears (1995-2005). Receiver Floyd Turner got in 10 seasons (1989-1998) as did safety Mike Green (2000-2009). Linebacker Gary Reasons played 9 years (1984-1992), as did cornerback Randy Hilliard (1990-1998). Receiver Al Dodd (1967-74) had 8 NFL seasons, a long with offensive guard Petey Perot (1979-85), cornerback Kenny Wright (1999-2008). All-time AFL greats Charlie Hennigan and Charlie Tolar starred for the Houston Oilers for 7 years (1960-66), and Terrence McGee played 10 years (2003-12).

Marcus Spears

Bobby Hebert

The Cajun Cannon, Bobby Hebert

He came to Northwestern in 1978 as a T-formation quarterback with a difficult-to-understand, thick Cajun accent. At the end of his redshirt sophomore year, Bobby Hebert was an honorable mention All-America. Injuries slowed him in his final two seasons, but he went from NSU to the fledgling USFL and became an instant star, winning the championship game MVP award for the Michigan Panthers. That launched an incredible 14-year pro career highlighted by eight seasons when he led the New Orleans Saints to their greatest success. Hebert was 49-26 (.653) as the Saints starting QB, leading the club to its only division title and its best ever record. Today, he co-hosts the Big 870, WWL AM weeknights Sports Talk show in New Orleans and keeps close watch on his alma mater.

NFL Focused on NSU in the 1999 Draft

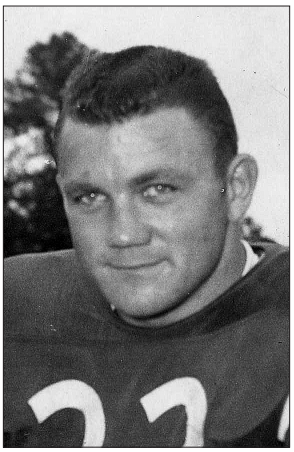

The 1998 Demons had three players (Kenny Wright, Jermaine Jones, Robert Daniel) chosen in the 1999 NFL Draft – more than were chosen from six of the Associated Press Top 25 major college teams, and as many or more than 12 of the AP Top 25, such as Penn State and UCLA. NSU led all Division FCS programs and Louisiana institutions with three selections. No other college in the country, at any level, had both starting cornerbacks selected.

Legends of the AFL, Hennigan and Tolar

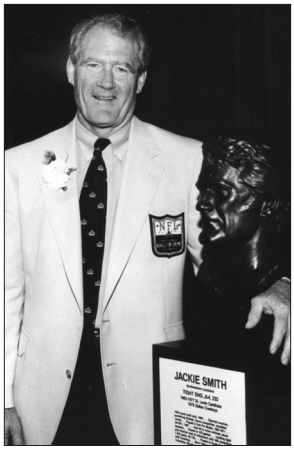

Charlie Hennigan

When the American Football League was created in 1960, former Demon track star and football player Charlie Hennigan was teaching biology and coaching at Jonesboro-Hodge High School, having been cut by the CFL's Edmonton Eskimos. Demon All-America fullback Charlie Tolar was drafted by Pittsburgh, but cut in 1959. They were among 160 hopefuls who participated in an AFL tryout camp for the Houston franchise, and both beat the odds to make the team. Each became instant All-AFL stars who made the Oilers' All-Time Team in the mid-1990s, voted by fans. Hennigan set pro records with 1,746 receiving yards in 1961 and 101 catches in 1964, marks that remained for 20-plus years. The 1,746 receiving yards still is third all-time, topped only by Jerry Rice and Isaac Bruce. Hennigan holds NFL records for consecutive 100-yard receiving games (7) and most 200-yard receiving games (3) in a season, and ranks second all-time with 10 100-yard receiving games in a season and four 200-yard career games. Tolar's 5-6, 220-pound frame earned him nicknames like "Tank" and "The Human Bowling Ball" and his bullish style made him a hero to future NFL star Larry Csonka while earning him a pair of All-AFL honors. His colorful lifestyle earned him a line in a Willie Nelson song: "Men like Charlie Tolar, when they made him, they broke the mold."

Jackie Smth

Big Red, Jackie Smith

For a track standout whose hurdling skills made him most attractive to the Demons coming out of Kentwood High School, Jackie Smith made the most of his opportunity at NSU from 1959-62. His stats in football were modest in the run-based offenses of the early 1960s, but his size and speed interested pro scouts. Few 10th-round draft picks have worked out so spectacularly. Smith's rugged style, combined with his speed and athleticism, redefined the positon of tight end in the NFL in the late 1960s. He made five straight Pro Bowl appearances for the St. Louis Cardinals from 1966-70 and retired after the 1978 season as the NFL's all-time leading tight end with 480 career catches for 7,918 yards. He played in 121 consecutive games. In 1994, Kentwood came to Canton. "Big Red" was inducted in the Pro Football Hall of Fame.

Last But Not Least, Mr. Irrelevant

Among the 34 Demons chosen in the NFL Draft, two hold a special distinction – they were the last players chosen in that year's draft. Receiver Mike Almond was the 330th and last selection in 1979, going to the Super Bowl champion Pittsburgh Steelers. Safety Mike Green went as the 248th choice in the 2000 draft, to Chicago. They were each the guests of honor for the "Irrelevant Week" celebration in Newport Beach, Calif., in June, making NSU the only program to have two "Mr. Irrelevants" in the history of the festivities. Almond made it to the last cut but the Steelers had receivers Lynn Swann and John Stallworth, both in the Pro Football Hall of Fame. Green not only made the Bears' roster, he was their second-leading tackler over his last six seasons and he was traded to NFC champion Seattle, where he played for two more years.

Mike Green

Rookie Star, Veteran Style

Along with winning the 1988 NFL Offensive Rookie of the Year award, former NSU tailback John Stephens was awarded the first Gale Sayers Humanitarian Citation in 1988. Stephens was the choice of a committee headed by Sayers, the Hall of Fame running back who starred for the Chicago Bears. The award is given to the National Football League rookie demonstrating the most outstanding commitment of time and effort toward a personally designated charitable organization, which in Stephens' case was the Roxbury (Mass.) Comprehensive Community Health Center.

The Turtle, All-Pro Terrence McGee

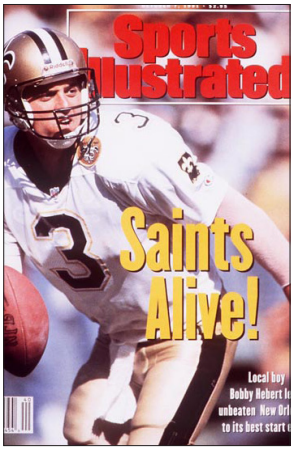

The Turtle came out of his shell in a big way. Cornerback Terrence McGee earned the nickname "Turtle" because of the way he wore his shoulder pads around his head until the last possible moment before preseason practices, to keep his head in the shade. McGee became a starter as a true freshman, and became a star a year later. He ran three punts back for touchdowns, broke the NCAA single-season record for punt return yardage and today stands as the Division I-AA all-time record holder for best career punt return average (17.6, 1999-2002). In his second pro season, 2004, he made the Pro Bowl as a return specialist and emerged as one of the NFL's better cover cornerbacks for Buffalo, in a 10-year NFL career.

Demons on the SI Cover

For musicians, it's the cover of the Rolling Stone. For athletes, being a Sports Illustrated cover boy is the ultimate. Three Demon greats have been there. All-Pro Mark Duper was the subject for the Nov. 19, 1984 issue showcasing the unbeaten Miami Dolphins, In the Oct. 7, 1991 edition, Saints quarterback Bobby Hebert was on the cover illustrating the "Saints Alive" story saluting their best start ever. Prior to his second straight Super Bowl appearance, cornerback Jeremy Lane was part of the Seattle defensive backfield nicknamed the "Legion of Boom" that graced the Feb. 2, 2015, cover. NSU products Jackie Smith, Joe Delaney and Hebert have been profiled inside the magazine, and in 2005, Marcus Spears provided the "Best Joke I Can Tell in Public" for SI readers.

Track and Football, a Demon Tradition

Dating to the 1930s, football and track have been intertwined at Northwestern. The Demons' first football All-American, Walter Ledet, was a track stalwart who became one of the great track coaches in state history, earning him a place in the Louisiana Sports Hall of Fame. His powerhouse track programs attracted future pro greats Charlie Hennigan and Jackie Smith to Northwestern. Since then, many outstanding Demon football players have been two-sport stars, including track All-Americans and future pro players Joe Delaney, Mark Duper, Victor Oatis, Al Edwards and Ronnie Powell. Duper had never played football until Delaney and Oatis teased and prodded him into giving it a try for his junior season, 1980. Two years later, Duper was a second-round NFL Draft pick on the way to three Pro Bowls. In 1981, Delaney, Oatis, and Duper ran on the NCAA Division I champion 4x100 meter relay team. NSU remains the only FCS program ever to win an NCAA relay championship men or women indoors or outdoors.

DEMON FOOTBALL TRADITIONS

All-Americans

In 116 seasons of intercollegiate football, 44 Northwestern players have earned first or second-team All-America honors. Offensive guard Walter "Cajun" Ledet, later a highly-successful Demon track and field coach and assistant football coach, was the school's first All-American in 1938. Only nine players — safety Al Dodd in 1965-66, tailback Joe Delaney in 1979-80, linebacker Gary Reasons in 1981-83, offensive tackle Marcus Spears in 1992-93, center William Broussard in 1998-99, safety Mike Green also in 1998-99, linebacker Jamall Johnson in 2003-04, defensive tackle Tory Collins in 2005-06, and linebacker Derek Rose 2010 and 2011 — won All-America honors in more than one season. Reasons became the first three-time All-American in Division I-AA history. In 1993, Marcus Spears became only the second I-AA player ever (along with Jerry Rice) to make the Football Writers Association of America All-America team. William Broussard and Mike Green, members of the memorable 1998 team which advanced to the national semi-finals for the first time in the program's history, are the only two teammates at Northwestern to earn All-America status in consecutive seasons.

Chief Caddo

At 7 feet, 6-inches tall and 320 pounds, Chief Caddo is the biggest trophy in college football. The wooden Indian statue was awarded to the winner of each year's Northwestern vs. Stephen F. Austin game. The stately Chief is symbolic of the kinship between the cities of Natchitoches and Nacogdoches, home of SFA. He was named "Chief Caddo" to honor the Indian tribe that not only first settled the two communities, but provided safety for the early white settlers in the area. The statue originated in 1960, when Northwestern and SFA decided the loser of their 1961 game would have a tree chopped down from its nearby forest to be sent to the winning school, who would have a statue carved. The Demons won that 1961 matchup 35-19 and SFA delivered a 2,000-pound black gum log to Northwestern. Harold Green of Logansport spent over 230 hours carving the statue.

Since the Demons and Lumberjacks have been playing for Chief Caddo, Northwestern holds a 31-20-1 advantage in the series. In the 55 years of the Chief's life, he's spent 37 in Natchitoches. The two teams did not play each other from 1965-68, in 1973 and since 2019.

To those who know the Chief best, that comes as no surprise. Even an SFA coach admitted a few years ago that the Chief seemed to like Natchitoches, blaming it on meat pies and Cajun cooking. But veteran Northwestern followers know his allegiance goes even deeper. After all, if you were a wooden statue, would you want to spend time around a bunch of Lumberjacks?

Flaming N logo

The distinctive Northwestern State athletic logo was designed in 1983 at new football coach Sam Goodwin's request, in a collaboration between former kicker Dale Quickel, former defensive back J.P. Dunbar and former Miss Northwestern Cheryl Purcell, an art teacher. The outline of Louisiana was added in 1999 at the suggestion of Demon baseball coach John Cohen.

Conference champions

Since World War II, the Demons have won or shared 11 conference titles. Northwestern won Gulf States Conference crowns outright in 1953, 1962 and 1966 and shared the title in 1957-58. The Demons won the Gulf South crown in 1972, then shared the Gulf Star Conference championship in 1984. Northwestern won the Southland Conference title in 1988 with a 20-17 victory at No. 1-ranked Stephen F. Austin in the final game of the regular season. In 1997, the Demons shared the title with McNeese State. In 1998, NSU made it back-to-back championships winning the title outright with a 6-1 conference mark and in 2004, NSU shared the title with Sam Houston State after posting a 4-1 league mark.

The Delaney Memorial

The Demons' spring practice ends each year with the Delaney Bowl, honoring the memory of heroic two-sport All-American Joe Delaney. It's one of several ways NSU honors his memory. There is a display underneath the west side of Turpin Stadium. His No. 44 jersey was retired at halftime of his final game as a Demon. The players elected as permanent team captains by their teammates receive the Joe Delaney Memorial Leadership Awards. Displays in the football offices on the Big John Evans Walk of Honor list those captains and showcase Delaney's achievements and impact. Each spring since 2012, the Delaney Distinguished Supporter Award is presented to an individual whose involvement with NSU athletics is dynamic.

Demon dressing room etiquette

Whatever you do, when visiting the Demon locker room, watch where you walk. Don't dare step on the white Demon head in the center of the room on the plush purple carpet. If you do, you risk the rath of the entire senior class.

The George Doherty Wing

The Demon football offices, as well as the offices for the track and baseball coaching staffs, are located on the second floor of the NSU Fieldhouse. On June 8, 1991, the area was named "The George Doherty Wing" in memory of the former Demon head coach and athletic director, who spearheaded planning of the ultramodern facility.

Fight song

When Jeff Matthews' Spirit of Northwestern Marching Band plays it, the music is called "Trio to British Eighth March" but the lyrics lend a distinct Demon flair:

Go, ye Demons, take the field
Northwestern Demons never yield
So fight Demons, win tonight
Victory is on our side

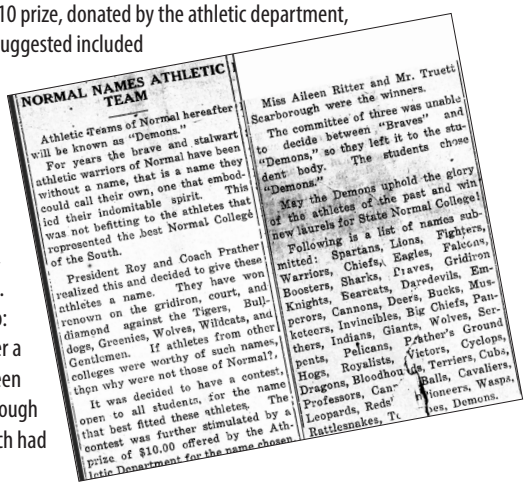

Purple and White shall ever reign
Filling the air with battle strain
So Demons forever stand
And fight for dear old Demonland!

All Northwestern players learn the fight song during their first week of preseason practice as Demons. The team sings the song after each win.

How we became the Demons

In 1923, when Northwestern was known as Louisiana Normal College, President V.L. Roy and Coach H. Lee Prather held a contest, open to students, to choose a nickname for Normal's athletic teams. A $10 prize, donated by the athletic department, was on the line. Names suggested included the Gridiron Knights, Daredevils, Boosters, Sharks, Cannons, Deers, Muskateers, Invicibles, Ground Hogs, Royalists, Cyclops, Bloodhounds, Professors, Cannon Balls, Wasps, and Rattlesnakes. A committee tabbed two: Braves and Demons. After a vote of the students, Aileen Ritter and Truett Scarborough split the $10 because each had suggested "Demons."

NORMAL NAMES ATHLETIC TEAM

Athletic Teams of Normal hereafter will be known as "Demons."

For years the brave and stalwart athletic warriors of Normal have been without a name, that is a name they could call their own, one that embodied their indomitable spirit. This was not befitting to the athletes that represented the best Normal College of the South.

President Roy and Coach Prather realized this and decided to give these athletes a name. They have won renown on the gridiron, court, and diamond against the Tigers, Bulldogs, Greenies, Wolves, Wildcats, and Gentlemen. If athletes from other colleges were worthy of such names, then why were not those of Normal?

It was decided to have a contest, open to all students, for the name that best fitted these athletes. The contest was further stimulated by a prize of $10.00 offered by the Athletic Department for the name chosen

Miss Aileen Ritter and Mr. Truett Scarborough were the winners.

The committee of three was unable to decide between "Braves" and "Demons," so they left it to the student body. The students chose "Demons."

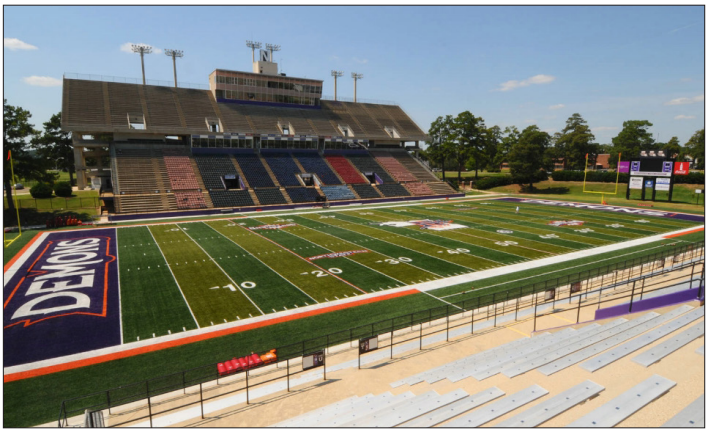

May the Demons uphold the glory of the athletes of the past and win new laurels for State Normal College!

Following is a list of names submitted: Spartans, Lions, Fighters, Warriors, Chiefs, Eagles, Falcons, Boosters, Sharks, Braves, Gridiron Knights, Bearcats, Daredevils, Emperors, Cannons, Deers, Bucks, Musketeers, Invincibles, Big Chiefs, Panthers, Indians, Giants, Wolves, Serpents, Pelicans, Panther's Ground Hogs, Royalists, Victors, Cyclops, Dragons, Bloodhounds, Terriers, Cubs, Professors, Cannon Balls, Cavaliers, Leopards, Reds' Pioneers, Wasps, Rattlesnakes, Tigers, Demons.

DEMON FOOTBALL

Stadium namesakes

At least four Demon coaches have stadiums named after them. NSU's Turpin Stadium for football honors 22-year head coach Harry "Rags" Turpin. NSU's Ledet Track Complex pays tribute to head track and assistant football coach Walter Ledet. NSU's Brown-Stroud Field baseball stadium pays tribute, in part, to longtime assistant football and head baseball coach Alvin "Cracker" Brown. Louisiana Tech's Aillet Stadium honors longtime head coach Joe Aillet, who grew up in Natchitoches, played for the Demons and was an assistant coach on the 1939 undefeated team before being hired as head coach of the rival Bulldogs. Brown replaced him on Turpin's staff, which also included Ledet.

Retired jerseys

Hundreds of players have worn the Purple and White in the nine decades of Northwestern football, but only five have had their jersey numbers permanently retired. Al Dodd (41), an All-American on the unbeaten 1966 team, was the first to receive this honor. Joe Delaney's No. 44 was retired at halftime of his final game in 1981. Gary Reasons' No. 34 was set aside after his career ended in 1983. Jackie Smith's No. 80 was retired at homecoming 1994. In 1997, the familiar No. 12 jersey worn by Bobby Hebert was retired during halftime ceremonies of homecoming.

The State Fair Classic

Gone, but not forgotten. For 40 years, old rivals Northwestern and Louisiana Tech played in Shreveport during the first weekend of the Louisiana State Fair. After the game, players and fans from both teams often made their way down the midway, enjoying the rides and carnival games. The series ended when Louisiana Tech withdrew after the 1987 meeting, halting what at the time was the South's oldest active Division I-AA rivalry. The teams played for "The Rag," a banner displaying names and colors of both schools which hung in the Student Union of the winning team for the next year.

Trident Test

Each spring and before fall practice, the Demon players go through a series of strength, speed and conditioning tests. Since three aspects of athleticism are being tested, they were named "Trident Tests" by the coaching staff. Each player is awarded an overall grade based on his combined ranking among all team members in every test. The winner receives the Kirt Straughter Memorial Award, named in honor of the 1989 Trident Test winner who drowned that year.

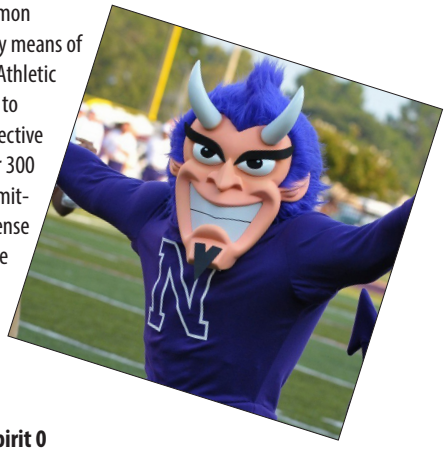

Spirit of Northwestern Marching Band

Nearly 300 strong, the dynamic Northwestern band has never lost a halftime show under the direction of director Bill Brent. The band's enthusiasm was a major factor, said Coach Sam Goodwin, as Northwestern's "Road Warriors" won key SLC games at North Texas and Stephen F. Austin to capture the 1988 SLC title. At home games, it's a treat to watch Brent's game day rehearsals, now led by Brent's successor Jeff Matthews.

How Vic became Vic

On September 22, 1984, the Demon mascot received his official name by means of another contest, sponsored by the Athletic Department. The contest was open to faculty, staff, and students. The objective to find a name for the Demon. Over 300 entries were submitted to the committee. The grand prize was an all expense paid weekend at the Louisiana State Fair Classic. Ray Carney, an alum of the University, was the official winner with "Vic" which is short for "Victory."

Vic the Demon 1, Chief Brave Spirit 0

Few events in Southland Conference history attracted as much attention as the Oct. 24, 1992, spontaneous scrap between Northwestern's mascot, Vic the Demon, and Northeast's Chief Brave Spirit. "The Tussle in Turpin" happened midway through the second quarter of the Homecoming game. KTBS-TV's Sam Schachter made it his "Play of the Day" and the footage was picked up by ESPN -- who declared Vic the victor. Even Monroe's News-Star newspaper and KNOE-TV conceded the decision to Vic, who rallied after the Chief knocked off his head. Scott Ostler of the San Francisco Chronicle called it "the fight of the year" and wrote, "Vic won a unanimous decision. It's been a long time since I've seen a fight where someone's head actually gets ripped off -- and yet he rallies to win!"

The footage made its way around the country, appearing on CNN Sports Tonight, ESPN College Gameday, NBC's Today Show, KNBC in Los Angeles, WUSA in Washington, D.C., and many other TV outlets. USA TODAY featured the mascot melee in its Oct. 28, 1992 issue. At year's end, the fight was named -- by viewer vote -- fourth on CNN's Plays of the Year" show. The frisky mascots met again, with plenty of fanfare but no altercation, when NLU visited for a Jan. 30 basketball game.

Shane Clabaugh, the senior social work major who served as Vic, explained: "After he tore my head off, that was it. That goes against the code of ethics for mascots." Clabaugh said he won: "I scored a takedown. I was mad because he knocked my head off. I wanted to take off his head -- his real one."

Northwestern's John Stephens was the NFL Draft's 17th overall pick to the New England Patriots in 1988. He went on to win Rookie of the Year.

A 10th round selection by the St. Louis Cardinals in 1963, Jackie Smith was the first Demon ever drafted. He surpassed anyone's expectations and was inducted into the Pro Football Hall of Fame in 1994.

Kenny Wright was a member of the class of 1999 which was the biggest draft year for NSU when three players were taken. All three played on the defensive side of the ball. Wright was the first taken,going in the fourth round to the Vikings.

Jerry Pierce

Vice President · External Affairs

Only a couple of people have served Northwestern State as long as alumnus **Jerry Pierce** has, and nobody has done so in a more understated manner.

In his 57th year on the university's staff, Pierce's impact on NSU and the city of Natchitoches is indelible. He's never wanted or gotten top billing, but consistently, he gets results to benefit the university.

He is in his 30th year as vice president of external affairs at Northwestern. A significant aspect of his job is oversight of intercollegiate athletics. Pierce works closely with athletic director Greg Burke and all NSU coaches and staff members to keep Northwestern athletics competing at a championship level week after week, month after month and year after year.

During NSU's 2018 Homecoming celebration, Pierce was honored at the N-Club Hall of Fame ceremony, becoming only the second person to receive the "Leadership Award" from the organization of former Northwestern athletic letterwinners.

Pierce, an avid tennis player, has been a member of USTA teams that have won more than a dozen state championships, five regional titles and one national championship.

Well before moving into the executive position, Pierce had already served his alma mater, adopted hometown and state with distinction. In his role as vice president, he oversees university operations in athletics, alumni and development, public and media relations and assists President Dr. Chris Maggio in governmental affairs activities. Many of those duties were his since the 1970s as he worked under six previous presidents as Northwestern advanced from NAIA to NCAA College Division to NCAA Division I athletic status in 1977.

A 1961 graduate of Northwestern, Pierce served as trainer/manager for the Demon football team during his college years, working closely with legendary coach Jack Clayton. After earning his journalism degree, Pierce went to work for the New Orleans Times Picayune, serving as a reporter and editor. He was named executive sports editor at the age of 24.

In 1965, he chose to raise his two sons in Natchitoches and returned to NSU as sports information director. He was promoted to news bureau director two years later and assumed additional responsibilities in athletics, alumni affairs and other areas through the years.

He created, in 1972, the Louisiana Sports Hall of Fame facility in Prather Coliseum on the NSU campus, providing a home for an entity founded by the Louisiana Sports Writers Association in 1958. He established annual induction activities that remain in place nearly five decades later, serving as director of the Hall for 19 years until his promotion to vice president in April 1990 forced him to step aside from the volunteer post.

He helped guide Northwestern into three athletic conferences (Trans America, 1979; Gulf Star, 1983; Southland, 1987) and NCAA Division I status in 1977. He is a past president of the Southland and has served the conference through other offices and committee positions.

In 1994, he was named one of Louisiana's 20 most influential sports figures by the Times-Picayune. Also on the list were New Orleans Saints owner Tom Benson, LSU athletic director Joe Dean and basketball coach Dale Brown, and Grambling football coaching legend Eddie Robinson.

His salesmanship and managerial skills were instrumental in convincing Tri-Star Productions to film the 1989 smash hit movie "Steel Magnolias," with an all-star cast including Julia Roberts, Sally Field and Dylan McDermott in Natchitoches and on the NSU campus. The movie's impact on tourism in Natchitoches continues to resonate nearly three decades later.

Pierce is regarded as one of the most effective legislative liaisons for Louisiana's higher education system. He has been also a master of ceremonies and speaker who has enlivened hundreds of events since 1965.

In addition to his administrative responsibilities, Pierce is a tenured member of the Journalism Department faculty. He is the author of one book and editor of two others and has written thousands of editorials, columns, features and other articles for newspapers and magazines.

Pierce and his wife Regina, a retired teacher and also a tennis buff, live on Cane River Lake in Natchitoches. He has two sons, Randy and Rick, both NSU graduates; three grandchildren, twins Evan and Amanda, and Miranda; and two great-grandchildren. He has two adult stepchildren, Nicholas and Natalie. He's a doting "Poppy" to Natalie's daughters.

Bostian secured the largest gift in Tennessee Tech athletics history, maintained a portfolio of more than 200 donors and increased total donor revenue by 80 percent, total number of donors by more than 77 percent and total number of major gifts by 58 percent.

Bostian spent nearly seven years at East Tennessee State in Johnson City, Tennessee, starting as a marketing, promotions, merchandise and licensing coordinator before moving into the director of corporate sales, marketing and regional athletic advancement position. He then spent three years as ETSU's assistant athletic director of corporate development and regional athletic advancement.

In his time as the assistant athletic director, Bostian increased corporate sponsorship cash revenue and total revenue all three years and overall boosted cash revenue by 69 percent and total revenue by 47.6 percent. A 2000 magna cum laude graduate of North Carolina State in business management, Bostian earned his master's of business administration and master's of sports administration from Ohio University in 2002.

He and his wife, Megan, have three children, Ayla, Zoe and Piper.

What they say about Kevin Bostian

"Kevin is a great relationship builder with a lot of hustle. Those two traits combined really equal success. He's hungry to build a team and achieve success. He's competitive, which is what you want to see in your athletic director. He wants to win."

— Beth Fischer, Vice Chancellor University Advancement, UNC Greensboro

"When I was searching for an athletics administration, right before COVID, I was looking for three things – one, someone who fit the values of the institutions and focused on being student-athlete centered and he met that. Two, good character. He met that. And three, a commitment to the student-athlete and he met that. He's ready because of the experiences he's had prior to accepting this position. He's passionate, authentic, no one will beat his work ethic. He is someone who will do whatever it takes to get the job done."

Along with four colleges -- Allied Health, Education, Science, Business and Technology and Arts and Sciences -- NSU is the home of the Louisiana Scholars' College, the state's designated honors college.

Consistent with its roots as Louisiana's first teacher instruction institution, Northwestern State pioneered aggressive ways to deliver to courses to students. Starting with distance education innovations in the later 20th century, Northwestern State's global campus of eNSU now serves students around the world with 31 fully on-line degree programs and hundreds of individual course offerings.

Enrollment at Northwestern State is more than 9,000 students with more than 80,000 alumni in all 50 states and 12 countries. Students come to NSU from every parish of the state of Louisiana.

Located in Natchitoches, the oldest settlement in the Louisiana Purchase, the university and community value history. Part of the university is entered in the National Register of Historic Places. The university is home to the National Center for Preservation Technology and Training, a unit of the National Park Service dedicated to promoting and enhancing the preservation and conservation of prehistoric and historic resources in the United States.

Northwestern State seeks to provide a well-rounded education for its students, allowing them to take part in a variety of extracurricular activities. More than 100 chartered organizations are available to enhance what is learned in the classroom.

CAMPUS LIFE

Students at Northwestern State enjoy a beautiful campus and surrounding community, with a commitment from the university and the city of Natchitoches to provide a friendly and fun home-away-from home during their time at NSU.

The Department of Student Activities delivers programs, services and activities that provide entertainment, learning experiences, and opportunities for leadership and campus and community service-related activities. Student organizations, including an active Greek system of fraternities and sororities along with the Student Alumni Association and the Student Government Association, have constant involvement with NSU Athletics. The Demon Rewards program gives NSU students incentives, including cash and prizes, for attending NSU athletic events.

CHAMPS/ LIFE SKILLS

The mission of the NCAA is to maintain intercollegiate athletics as an integral part of the campus educational program and the student-athlete as an integral part of the student body. With this in mind, the CHAMPS/Life Skills Program was created to support the student-athlete development initiatives of NCAA member institutions and to enhance the quality of the student-athlete experience within the context of higher education.

In the process of achieving this mission, the CHAMPS/Life Skills Program will:

- *Promote student-athletes' ownership of their academic, athletic, career, personal and community responsibilities.*
- *Meet the changing needs of student-athletes.*
- *Promote respect for diversity and inclusion among student-athletes.*
- *Assist student-athletes in identifying and applying transferable skills.*
- *Enhance partnerships between the NCAA, member institutions and their communities for the purpose of education.*
- *Foster an environment that encourages student-athletes to effectively access campus resources.*
- *Encourage the development of character, integrity and leadership skills.*

Participating members in the CHAMPS/Life Skills Program are provided with sample materials and supplemental resources which support a student-athlete's development in five areas: academics, athletics, personal development, career development and community service.

CHAMPS/Life Skills at NSU

PERSONAL DEVELOPMENT WORKSHOPS

The Personal Development piece is designed to cover many different subjects that student-athletes may not learn sitting in a classroom. Monthly workshops are held to teach student-athletes basic "life skills" that will be needed once they graduate. Some examples of areas which are covered include: personal finance, proper dining etiquette, personal nutrition, leadership, cooking tips, etc.

CAREER DEVELOPMENT

Career Development is the cornerstone for the NSU CHAMPS program. Career Development opportunities are offered to all NSU student-athletes to assist them in preparing for life after college athletics. The staff is highly trained to provide services including: major and career assessments, résumé-writing, and mock interviewing - complete with video equipment for instant replay. All of these services are geared to specifically highlight the unique transferrable skills that student-athletes possess and to help ensure a successful transition to the professional world.

COMMUNITY SERVICE

Community service is of high importance to NSU athletics. We believe that it is essential to give back to our community and teach the importance of being active citizens. NSU student-athletes totaled over 4,700 hours of community service in the 2010-11 academic year, bringing the total to nearly 10,000 hours in the last two years.
