Northwestern State Demon Baseball 2023

BOBBY BARBIER

Head Coach

12th Season at Northwestern State

(Seventh as head coach)

Northwestern State, 2006

Six seasons into his tenure as the head baseball coach at his alma mater, **Bobby Barbier** has left his imprint on Northwestern State baseball.

From leading the Demons to the first Southland Conference Tournament championship in 2018 to coaching the first single-season trio of All-Americans in Demon baseball history, Barbier has added his own layer of shine to the decorated NSU program.

Entering the 2023 season, a Northwestern State pitcher has been drafted in four straight seasons with the latest being Johnathan Harmon, who went in the 13th round to Cincinnati in 2022. Harmon followed Levi David (2021, New York Mets), Logan Hofmann (2020, Pittsburgh) and Nathan Jones (2019, New York Mets) as pitchers Barbier has helped guide to the MLB Draft. Overall, seven NSU players have been drafted under Barbier's watch while current Oakland A's right-hander Adam Oller spent two seasons with Barbier as his pitching coach.

In 2020, right-handed pitchers Hofmann (second-team Collegiate Baseball), Harmon (Collegiate Baseball Freshman) and Kyle Swanson (third-team CoSIDA Academic) earned All-American honors.

Despite the COVID-19 shortened season, Hofmann led the nation in ERA (0.00) and struck out 38 batters in 28 innings, becoming a fifth-round draft pick of the Pittsburgh Pirates, giving NSU consecutive seasons with the highest drafted Southland Conference player.

Behind that trio, the Demons ranked fifth nationally in team ERA (2.05), 10th in hits allowed per nine innings (5.97) and 12th in shutouts (3). All three totals led the Southland Conference.

One year after engineering the largest single-season turnaround in program history — a jump of 18 wins — the Demons returned to the Southland Conference Tournament and produced a pair of Major League Baseball draftees for the second straight season.

Right-handed pitcher Nathan Jones became the first top-five-round draft pick from Northwestern State since Mason Melotakis went in the second round in 2012. Junior short-stop Caleb Ricca then was tabbed by Seattle in the 23rd round, giving the Demons four draftees in the past two seasons.

Jones (second team), Ricca (third team) and outfielder Tyler Smith (third team) were named All-Southland Conference in 2019, giving NSU nine all-league players in the first three years of the Barbier era.

In 2018, en route to the Demons' first NCAA Regional appearance since Barbier's junior season of 2005, the Demons won 18 more games than they had the previous season and captured the first Southland Conference Tournament championship in program history. Northwestern State's 38 victories were its most since 2005 when it won 41 games.

Barbier's even-keeled leadership style helped mold a roster that had 17 newcomers into a cohesive unit that scored the first NCAA Regional shutout in school history, a 9-0 whitewashing of San Diego State.

The 2018 Demons enjoyed both team and individual success.

Three Demons earned individual acclaim from both the Southland Conference and the Louisiana Sports Writers Association. Barbier was both organization's Coach of the Year and earned the Central Region Coach of the Year award from the American Baseball Coaches Association.

Catcher/first baseman David Fry was the Southland Conference's Player of the Year and the LSWA's Hitter of the Year while right-handed pitcher Jerry Maddox was both the Southland and LSWA Newcomer of the Year.

Fry was named a third-team All-American by Collegiate Baseball Magazine, giving Northwestern State its second All-American in three seasons, joining Adam Oller, who earned the honor during Barbier's term as the Demons' pitching coach.

That role was one Barbier resumed in 2018, and his impact was immediately mea-

In addition to Maddox' first-team All-Louisiana and second-team All-Southland Conference selections, fellow junior Ridge Heisler was a third-team all-conference selection. Overall, the Demons shaved more than two and a half runs from their ERA, pitching to a 3.41 mark in 2018. That number ranked 18th nationally and was 2.65 lower than the previous season.

Following the Demons' run to the NCAA Corvallis Regional, half of the NSU senior class heard its name called in the Major League Baseball First-Year Player Draft. Fry was a seventh-round selection by the Milwaukee Brewers while center fielder Kwan Adkins, a third-team All-SLC pick, was nabbed by the San Francisco Giants in the 30th round.

Three-quarters of the NSU senior class reached professional baseball as pitcher Danny Hlad joined the Windy City Thunderbolts of the Frontier League following the season.

During Barbier's first season, Fry produced the first 20-double, 10-home run season in school history, earning first-team American Baseball Coaches Association/Rawlings All-South Central Region honors.

Before becoming the 12th coach in the more than 100 years of Demon baseball history, Barbier spent two stints as an assistant coach with the Demons.

He spent the 2015 and 2016 seasons helping the Demons craft two of the lowest

ERAs in recent Northwestern State baseball history.

The son of former Nicholls football coach Darren Barbier was an easy choice to succeed Lane Burroughs.

In addition to helping guide ace Adam Oller to a pair of All-American selections, Barbier's tutelage led the Demons staff to a 3.01 ERA that ranked ninth nationally.

Barbier directed Oller to a season in which he went 8-1, posted a 1.23 ERA (third-lowest nationally) and earned Southland Conference Pitcher of the Year honors, along with All-American nods from Louisville Slugger/Collegiate Baseball magazine and the American Baseball Coaches Association.

In his first season, Barbier helped the NSU staff post a 3.55 ERA while Josh Oller became the program's first 10-game winner in 11 years and Brandon Smith tied the program record for single-season saves (10). The overall ERA marked an improvement of more than one run from 2014 and was the lowest mark since 2002 (3.54).

Forming successful pitchers stood in opposition to what Barbier did while wearing a Demon uniform.

Barbier, the 2006 Southland Conference Scholar Athlete of the Year, played four seasons for the Demons, finishing his career ranked in the top 10 in eight offensive categories. He remains second in NSU history in hit by pitches.

Upon his arrival in Natchitoches that summer, Barbier began implementing and imparting his pitching system that debuted at Brown-Stroud Field that spring.

After spending the 2007 season as a student assistant and the following two seasons as an assistant coach, Barbier joined former NSU head coach Mitch Gaspard's staff at the University of Alabama, where he spent five seasons as the Crimson Tide's third base coach.

While at Alabama, Barbier coached five All-Southeastern Conference selections, including Academic All-American Taylor Dugas. Twelve Alabama players were selected in the Major League Baseball First-Year Player Draft during Barbier's Crimson Tide tenure.

Barbier was part of a Crimson Tide coaching staff that led Alabama to four regional appearances from 2010-

14, including the Atlanta Regional championship and a berth in the 2010 Clemson Super Regional.

Barbier's responsibilities at Alabama included coaching outfielders, assisting with catchers and infielders, directing camps and scouting and being heavily involved in recruiting. Barbier also was the staff's academic coordinator. Barbier was a key contributor on the field as Alabama's defense set a school record for fielding percentage in 2011.

During his first stint as a Demons assistant, Barbier coached NSU infielders and hitters as well as acting as the team's base running coordinator. Under his tutelage, NSU led the Southland Conference in stolen bases with 99. Barbier also coordinated travel, field maintenance and team academics as an NSU assistant.

During his Northwestern State playing career, Barbier epitomized the term student-athlete. In addition to being awarded the Southland's top individual academic honor, Barbier was a 2004 Academic All-American and part of the 2005 Southland Conference All-Academic Team.

On the field, Barbier saw the majority of his playing time at first base, earning honorable mention all-conference accolades in 2004 and first-team All-Southland honors in 2005, while helping lead NSU to the 2005 Southland Conference title and an NCAA Baton Rouge Regional berth.

Even though his playing career ended more than a decade ago, the left-handed-hitting Barbier still ranks in the career top 10 in hit by pitches (2nd, 44), RBIs (4th, 130), games played (7th, 209), doubles (T-10th, 33), hits (10th, 181) and total bases (10th, 267).

During his college career, Barbier laid the foundation for his future career, coaching American Legion ball for three years (2005-07) in Natchitoches and in Lafayette, directing each of his teams to regional tournament berths.

Barbier earned his bachelor's degree in health and human performance from Northwestern State in December 2006 and his master's degree in 2008. He is married to the former Kody Sprout and the couple has one daughter, Landry.

Northwestern State Demon Baseball 2023

CHRIS BERTRAND

Associate Head Coach

Seventh Season at Northwestern State

Louisiana College, 2005

There is little **Chris Bertrand** has not done in his first six years on the Northwestern State baseball coaching staff.

Pitching coach? "Coach Bert" has done that. Coaching infielders? Check. Recruiting coordinator? Place another checkmark there.

As he begins his seventh season with the Demons, Bertrand — the Demon's associate head coach since the summer of 2021 — continues to be the staff's jack of all coaching trades.

Bertrand's steady hand has impacted various facets of the Demon program, including his Swiss army knife-like coaching ability.

After two seasons coaching the Demon infielders, Bertrand shifted gears and took over tutoring the NSU catchers in 2020.

In his second season on staff, Bertrand worked alongside head coach Bobby Barbier as his bench coach while tightening up the Northwestern State infield defense.

Working with the NSU infielders for the first time, Bertrand helped craft a group that turned the second-most double plays in school history (70) and finished the season ranked second nationally in double plays per game (1.13) and third in total double plays.

Bertrand did so while shuffling two key members of the Demons infield between second and third base. He also helped junior pitcher Ridge Heisler earn the pitcher's spot on the Southland Conference All-Defensive Team as Heisler handled all 30 of his chances flawlessly while starting six double plays.

In his first season on staff, Bertrand was the Demons' pitching coach.

Under Bertrand's tutelage, senior right-hander Evan Tidwell worked a career-high 82 2-3 innings, allowing him to finish his career ninth in school history in innings pitched (241 2-3). Additionally, sophomore Cullen McDonald tossed two complete games, ranking 58th nationally.

Prior to joining the Demons staff, Bertrand spent four seasons as the head coach at Texas-Tyler.

In those four seasons, Bertrand guided the Patriots to a 119-69 record, three American Southwest Conference championships and three NCAA Division III Tournament appearances.

"Chris has been a part of championship programs at every stop and will help us develop that championship culture here at Northwestern State," head coach Bobby Barbier said.

As the Patriots head coach, Bertrand mentored six all-region players in his final two seasons, including four in 2015, led by American Southwest Conference Newcomer of the Year Jaime Paxton. He also coached and recruited a number of players on the Patriots' squad that captured the 2018 NCAA Division III College World Series championship.

For their efforts, which included a 34-12 record and ASC regular-season and tournament championships, Bertrand and his staff were named the 2015 ASC Coaching Staff of the Year.

Bertrand's Patriots teams were familiar with success on and off the diamond. In his first season, Bertrand had 13 players named Academic All-ASC while 12 of his players earned All-ASC East Division honors, including East Division Player of the Year Kevan House. House was a first-team All-Region selection that year while teammates Chance Cotton (second team) and Isaac Tijerina (third team) also earned all-region honors.

In all, Bertrand coached 41 all-conference and eight all-region selections at UT Tyler.

In addition to coaching at UT Tyler, Bertrand was the athletic department's director of external marketing where he enhanced the game day experience for all Patriots athletics and enhanced the exposure and aesthetics of the UT Tyler athletic facilities.

Prior to his tenure at UT Tyler, Bertrand spent seven seasons as the pitching coach and associate head coach at LSU-Shreveport, helping the Pilots reach the NAIA World Series in back-to-back seasons (2011, 2012). His 2012 staff held the school records for shutouts (13) and ERA (3.10) until 2015. It still owns the school mark for strikeouts (476).

Bertrand helped coach right-hander Jared Mortensen, a former Houston Astros farmhand, to first-team All-America honors in 2012 and tutored 10 first-team all-conference pitchers in his LSUS tenure.

Bertrand also spent the summer of 2010 as the pitching coach for the Alexandria Aces of the Texas Collegiate League and three years as an associate scout for the Kansas City Royals. Bertrand is a member of the American Baseball Coaches' Association, the Texas Baseball Coaches Association

NSU: A COACHES' PIPELINE TO SEC

Northwestern State baseball has enjoyed a tremendous run of success in the past three decades, molded by head coaches and assistants who have climbed the ladder to the highest levels of college baseball.

Entering the 2023 season, two of the 14 current head coaches in the Southeastern Conference, widely regarded as the toughest conference in college baseball, spent part of their careers on the Demons staff, including Ole Miss' Mike Bianco who led the Rebels to the 2022 College World Series championship. Additionally, former Demons skipper Jim Wells helped build Alabama into a national power, leading the Crimson Tide to the 1996 College World Series championship game and was succeeded by Mitch Gaspard, who spent time at both Alabama and Georgia. Van Horn led Nebraska to back-to-back CWS appearances in 2001 and 2002 before taking the Arkansas job between the 2002 and 2003 seasons. In two decades in Fayetteville, Van Horn has taken the Hogs to seven CWS berths, including a national runner-up finish in 2018.

Additionally, former Demons skipper John Cohen is in his first year as the Auburn director of athletics, overseeing the department after 12 years as Mississippi State's baseball coach and later director of athletics, while current Demon head coach Bobby Barbier spent five seasons on Gaspard's Alabama staffs.

Now in its seventh decade of service, the Southland Conference continues to be a model of innovation, stability and consistent achievement as it celebrates the academic and athletic accomplishments of its member institutions and more than 4,200 student-athletes.

The Southland operates within a structure of shared core values by its membership: Excellence, Student-Athlete Focused, Integrity, Diversity and Inclusion, Sportsmanship, and Fiscal Responsibility.

Now in its 59th year, the Southland Conference has transformed itself into a dynamic and respected consortium of eight comprehensive universities in Texas and Louisiana. Beginning with a historic meeting of five original institutions in Dallas on March 15, 1963, the Southland Conference set on an extraordinary course that has proven successful well into the 21st Century.

The members of the Southland Conference are Houston Baptist University, the University of the Incarnate Word, McNeese State University, University of New Orleans, Nicholls State University, Northwestern State University, Southeastern Louisiana University and Texas A&M University-Corpus Christi. All told, the membership of the Southland encompasses over 140,000 current students and an alumni base of nearly 900,000.

Southland cities encompass approximately 14 million people, and its geography covers many of the nation's top 100 television markets, including Dallas-Fort Worth, Houston, San Antonio, New Orleans, Shreveport and Baton Rouge.

League institutions, their locations, and many of their namesakes are significant to the history of the South Central and Southwest regions of the United States.

Southland institutions are annually positioned among the nation's best public and private universities, exemplified by superb undergraduate and graduate education rankings, and featuring unique and accomplished curriculums at the bachelor's, master's and doctoral levels. Member universities are frequently acknowledged for their superior standing in areas such

as college buy value and return on investment, student engagement, best-in-region status, favorable student-to-faculty ratios, service learning, military-friendly designations, honors programs, online learning, faith-based learning, and access to higher education for all income levels.

Numerous Southland alumni have earned acclaim as business, medical, education and government leaders and innovators, iconic entertainers such as filmmakers, musicians and television/film actors, and athletes that starred at the professional and Olympic levels to earn hall of fame distinction.

Athletically, the Southland Conference sponsors championship play in 18 NCAA Division I sports at the NCAA Division I level. Women's sports include basketball, beach volleyball, cross country, golf, soccer, softball, tennis, indoor and outdoor track and field, and volleyball. Men's sports include baseball, basketball, cross country, football, golf, tennis, and indoor and outdoor track and field. Since 2015, the Conference has also administered the Southland Bowling League, an affiliated women's sport that has produced NCAA national champions in three of the last four years.

The Conference boasts automatic qualification in all NCAA team sports, and league members have taken advantage of this access with recent wins in NCAA baseball, softball, football, and basketball championships. Additionally, Southland teams have won numerous contests in other national postseason events.

The Southland has also taken a lead role in the NCAA Division I Football Championship Subdivision by serving as the host conference for the annual DI national championship game in the league office's base of Frisco, Texas, since 2011.

Working with its partners, the City of Frisco and Hunt Sports Ventures, the Southland's hosting role has been reaffirmed three times since the initial game, that will remain at Frisco's Toyota Stadium at least through the 2025 game.

BROWN-STROUD Field

HOME OF THE NORTHWESTERN STATE DEMONS

BUILT IN 1939...

Named for the first two head baseball coaches in school history -- C.C. Stroud (1912-30) and H. Alvin "Cracker" Brown (1949-66) -- Brown-Stroud Field has been the home to nine Southland Conference championship teams. The facility has undergone significant changes in the past three seasons, culminating with the addition of two suites, a reconfigured press box and additional chairback seating for the 2019 season. Along with a grandstand that seats 1,200, there is hillside seating along both baselines, giving fans some of the best sightlines in the Southland Conference. Fitting for a program that relishes high-level competition, Brown-Stroud Field has hosted College World Series programs LSU, Alabama, Arkansas, TCU, UL Lafayette, Nebraska and Missouri State as well as Missouri, Houston, Kansas State, Oral Roberts. Brown-Stroud also was home to Brian Lawrence, who pitched for the Demons in the 1997 and 98 seasons before anchoring the San Diego Padres starting rotation in the early-to-mid-2000s.

Cracker Brown (second from right) is one of the stadium namesakes for Brown-Stroud Field. He is standing with three other namesakes (L-R) Walter P. Ledet (track complex), Harry Turpin (football stadium), H. Lee Prather (basketball coliseum)

NORTHWESTERN STATE BASEBALL:

All-Americans. Conference championships. NCAA Regional appearances.

All of the above have been part of the tradition that is Northwestern State baseball, a program that has made its share of headlines and memories in the last eight decades.

NSU's baseball tradition dates to 1912, when the first incarnation of the Louisiana Normal nine won 7 of its 11 games. With the exception of a 18-year gap from 1930-1948, the diamond Demons have written a legacy of success for the better part of a century.

Individual accomplishments have blended into team success, creating a program that has enjoyed a run as one of the best in the Southland Conference in the last three decades.

Numerous All-Americans have donned the Purple and White, beginning with Danny Turner in 1967 when the Demons competed at the NAIA level. Darryl Woods bridged the gap between the NCAA and NAIA eras, earning All-American honors after belting a school-record 19 home runs.

Outfielder Terry Joseph was a two-time Academic All-American (1993, 1995) and ranks 9th in career batting average. Pitcher Reggie Gatewood was named a second-team All-American by the National Collegiate Baseball Writers Association in 1994 after posting an 11-3 record and a 2.14 ERA. Shortstop Ryan Anholt earned third-team All-American honors from the American Baseball Coaches Association in 1998 when he batted .417 with 15 home runs and 71 RBIs in his junior season.

In recent years, pitcher Adam Oller (2016 ABCA, Collegiate Baseball), first baseman/catcher David Fry (2018 Collegiate Baseball) and pitcher Logan Hofmann (Collegiate Baseball) have added to the Demons' All-American legacy. Four Demons pitchers have earned Freshman All-American honors – Kyle Broughton and Dereck Cloeren in 2005, Oller in 2014 and Johnathan Harmon in 2020.

One of the most decorated runs in NSU baseball history began with its entrance into the Southland Conference, a league the Demons have called home for the past 32 seasons.

In that time, the Demons have accumulated 53 first-team All-Southland Conference selections, eight Coach of the Year awards, five Pitcher of the Year honors, five Player of the Year nods, two Hitter of the Year awardees, nine Newcomer or Freshman of the Year winners and one Relief Pitcher of the Year.

As a team, the Demons have captured 10 conference championships. Included in that grouping is a run of three straight SLC titles (1993-95) that has been accomplished by just two other Southland school.

In 1991, coach Jim Wells' Demons earned the first NCAA Regional berth in school history and were placed in the NCAA South II Regional in Baton Rouge. The Demons fell to eventual national champion LSU, 11-2, and were edged by UL Lafayette, 11-7.

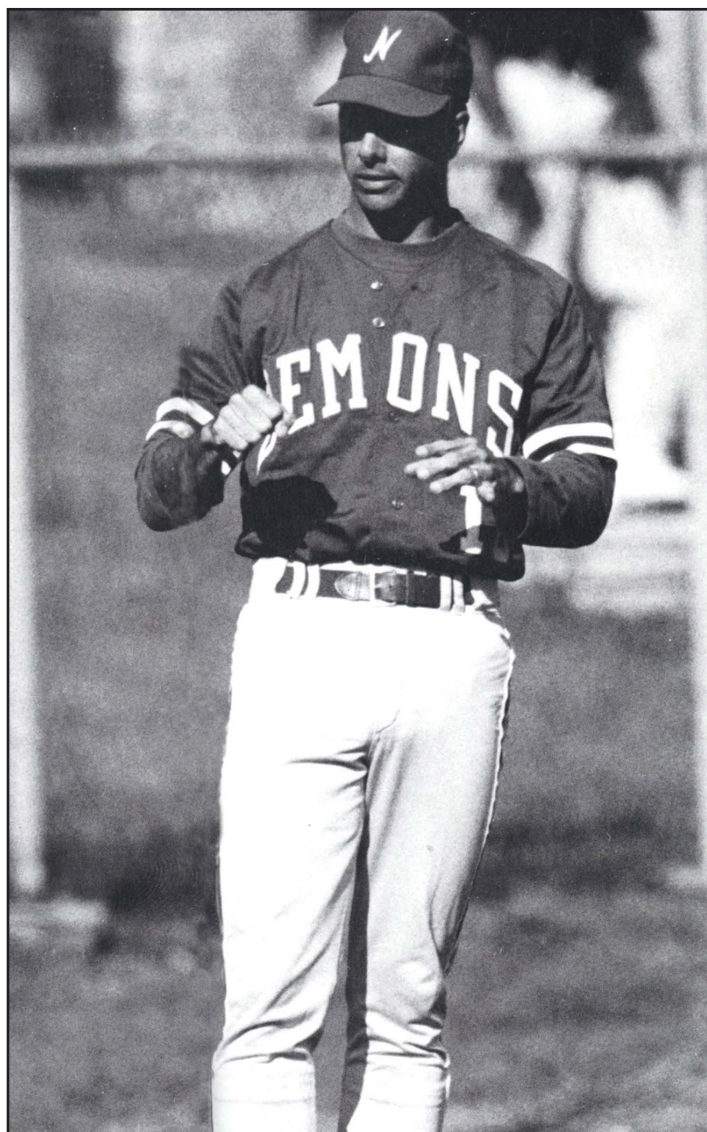

Three years later, Wells' Demons earned another at-large bid and were placed in the Midwest I Regional in Stillwater, Okla. After dropping the opener to perennial national power Cal State Fullerton, 11-3, NSU earned its first NCAA Regional victory, as Gatewood overpowered Illinois State, 8-2. NSU fell to Memphis, 14-9, ending its season with a school-record 45 victories.

Wells' success led him to become the head coach at Alabama, ushering in a flood of NSU coaches who took control of Southeastern Conference programs. Currently, former NSU coaches are head coaches at Arkansas (Dave Van Horn), Mississippi State (John Cohen), Ole Miss (Mike Bianco) and Texas A&M (Rob Childress).

The Demons' decade of dominance continued in 1996 with two wins at eventual national champion LSU. Two years later, NSU notched its sixth Southland title and fourth 40-win season of the 1990s.

NSU closed the decade with a 38-21 campaign in 1999. Included in that season were wins against LSU and UCLA. The Demons closed the decade with a .658 winning percentage, which ranked 23rd in the nation.

The 2000s brought continued success with a seventh Southland title in 2001. That season, NSU defeated LSU, 10-8, in front of a record crowd of 4,214 screaming Demons fans at Brown-Stroud Field. NSU repeated as Southland champions in 2002, winning 43 games in Gaspard's first season. The Demons cracked the national top 25 for the first

time in school history, reaching No. 23 in the Collegiate Baseball poll.

NSU's 2005 season was simply overpowering, as the Demons racked up 22 Southland wins and won the conference by five games, the largest margin in Southland history. NSU earned the third NCAA Regional trip in school history, traveling to Baton Rouge where it fell to nationally ranked Rice, 7-3, in its opening game before recovering to beat Marist, 4-3. NSU fell to state rival LSU, 12-4, in its next regional game.

In 2010, NSU tied its school record for conference wins with 22 and added victories against nationally ranked Southern Mississippi and Texas A&M. Four Demons earned first-team All-Southland Conference honors and the conference named Chad Sheppard its Relief Pitcher of the Year.

The next three seasons were uncharacteristically trying for the Demons, who nevertheless had three players drafted in 2012, including second-round pick Mason Melotakis (Minnesota).

The hiring of Lane Burroughs, a Mississippi State assistant under Cohen, signaled a return to form for the Demons program. After going 16-40 in his first season, Burroughs engineered a remarkable turnaround, winning 17 more games in his second season. NSU also authored the largest single-season turnaround in Southland Conference history, increasing its conference win total from 5 to 19.

The follow-up season included another improvement as NSU bumped its winning

A HIT SINCE 1912

percentage from .559 to .574 and saw outfielder Cort Brinson earn Southland Conference Hitter and Student-Athlete of the Year honors.

In 2016, Oller was one of three Demons drafted (Nick Heath, Daniel Garner) from an NSU team that won its final 10 Southland Conference games of the year, setting a school record for consecutive conference victories, one that remains active entering the 2017 season.

Former NSU Academic All-American Bobby Barbier took the reins of his alma mater's program prior to 2017 and began putting his stamp on the program. A tough 2017 season as a team had its highlights, including Fry's ABCA First-Team All-South Central Region selection.

A year later, Barbier's charges did what no other Demons team ever accomplished — winning the Southland Conference Tournament championship. NSU swept the event in four straight games behind an MVP performance from Fry and advanced to the Corvallis Regional where it went 1-2, notching the program's first NCAA Regional shutout, a 9-0 blanking of San Diego State.

Fry was named the Southland Conference Player of the Year and All-Louisiana Hitter of the Year while pitcher Jerry Maddox earned Southland and All-Louisiana Newcomer of the Year honors. Barbier picked up Southland and All-Louisiana Coach of the Year acclaim as well as the ABCA Central Region Coach of the Year award. In June, Fry (7th round, Milwaukee) and outfielder Kwan Adkins (30th round, San Francisco) became Major League Baseball draftees.

The 2018 Demons won 18 more games than the 2017 team, marking the largest single-season jump in program history.

Barbier continued to burnish Northwestern State's player development reputation, producing two more draft picks — right-handed pitcher Nathan Jones (5th round, New York Mets) and shortstop Caleb Ricca (23rd round, Seattle) — in 2019.

Even in a pandemic-shortened 2020 season, Barbier's Demons made school history.

Hofmann went 4-0 with a 0.00 ERA in 28 innings, earning second-team All-American honors before being drafted in the fifth round by the Pittsburgh Pirates. Hofmann was part of a trio of Demon pitchers who earned All-America honors, marking a first for the program.

Right-hander Johnathan Harmon was a Freshman All-American selection by Collegiate Baseball magazine while closer Kyle Swanson earned Third-Team CoSIDA Academic All-American honors, giving the Demons their first single-season All-American trifecta in program history.

In 2021, the Demons continued their draft success as right-hander Levi David was selected by the New York Mets in the ninth round. Second baseman Daunte Stuart extended the Demons' Freshman All-American streak to two, earning honors from Collegiate Baseball magazine.

Following the 2022 season, the Demons produced the Southland Conference's first draft pick for the fourth time in five seasons as the Cincinnati Reds nabbed right-handed pitcher Johnathan Harmon in the 13th round of the annual MLB First-Year Player Draft.

Kevin Bostian

Director of Athletics

Kevin Bostian took control of the Northwestern State athletic department in February 2022, three weeks after being named NSU's new Director of Athletics.

Regarded as a team builder with an innate ability to raise funds, Bostian came to Natchitoches after nearly two years at UNC Greensboro, serving as the

Spartans' executive associate athletic director for development.

While at UNCG, the 43-year-old Bostian had the athletic department on pace for its highest fundraising year in school history. In his final full year at UNCG, the athletic department raised \$1.8 million in funds, surpassing its goal by 50 percent.

Throughout his nearly two-decade long career in college athletic administration, Bostian has consistently surpassed his goals and currently has UNCG on pace for its highest fundraising year in school history in the 2022 fiscal year. In his first year with the Spartans, UNCG athletics raised \$1.8 million in funds for the department, surpassing their goal by 50 percent.

He also oversaw the UNCG athletics ticketing, marketing and promotions and athletics communications offices and was the sports administrator for the UNCG men's basketball team, which won the Southern Conference regular-season and tournament championships and reached the NCAA Tournament.

In addition to his role in the external operations department, Bostian served as the interim athletic director at UNCG from September 2021 through earlier this month.

Before coming to UNCG, Bostian was a major gifts officer at his alma mater, North Carolina State. As the officer in charge of gifts of more than \$50,000, Bostian secured nearly \$2.5 million in gifts in his 25 months with The Wolfpack Club.

Prior to his arrival at NC State, Bostian spent almost four years as Georgia Southern's senior associate athletic director and executive director of the athletic foundation where he increased the athletic department's revenue three straight years and helped cultivate a record number of donors four straight years. While at Georgia Southern, Bostian secured the second-largest cash gift in the department's history and helped GSU push its athletic revenue to \$3.909 million during the 2017 fiscal year.

A veteran of mid-major college athletics, Bostian spent more than three years at Tennessee Tech as its associate athletic director for development, serving as the department's chief fundraiser. Bostian secured the largest gift in Tennessee Tech athletics history, maintained a portfolio of more than 200 donors and increased total donor revenue by 80 percent, total number of donors by more than 77 percent and total number of major gifts by 58 percent.

Bostian spent nearly seven years at East Tennessee State in Johnson City, Tennessee, starting as a marketing, promotions, merchandise and licensing coordinator before moving into the director of corporate sales, marketing and regional athletic advancement position. He then spent three years as ETSU's assistant athletic director of corporate development and regional athletic advancement.

In his time as the assistant athletic director, Bostian increased corporate sponsorship cash revenue and total revenue all three years and overall boosted cash revenue by 69 percent and total revenue by 47.6 percent. He developed, implemented and solicited donors on a capital campaign for a new weight room and a phase of the baseball stadium project at ETSU.

Bostian began his athletic administration career as a marketing specialist at South Alabama and spent a year as the sports marketing coordinator at the Gwinnett County Sports Commission in metro Atlanta.

A 2000 magna cum laude graduate of North Carolina State in business management, Bostian earned his master's of business administration and master's of sports administration from Ohio University in 2002.

He and his wife, Megan, have three children, Ayla, Zoe and Piper.

Northwestern State Director of Athletics Kevin Bostian (second from right) poses with (from left) his father Mike, mother Patti, daughter Zoe, wife Megan, daughter Piper (front) and daughter Ayla following his introductory news conference in January.

What they say about Kevin Bostian

"Kevin is a great relationship builder with a lot of hustle. Those two traits combined really equal success. He's hungry to build a team and achieve success. He's competitive, which is what you want to see in your athletic director. He wants to win."

— Beth Fischer,

Vice Chancellor University Advancement, UNC Greensboro

"When I was searching for an athletics administration, right before COVID, I was looking for three things – one, someone who fit the values of the institutions and focused on being student-athlete centered and he met that. Two, good character. He met that. And three, a commitment to the student-athlete and he met that. He's ready because of the experiences he's had prior to accepting this position. He's passionate, authentic, no one will beat his work ethic. He is someone who will do whatever it takes to get the job done."

— Kim Record, former director of athletics, UNC Greensboro

"Kevin is a genuine, thoughtful, visionary leader who is the perfect fit for Northwestern State. His dedicated work and training focused on student-athlete success and experiences will allow building on the foundation of excellence established by Greg Burke over his numerous years of service. Congratulations to Northwestern State and the Bostian family!"

— Mark Wilson, Director of Athletics, Tennessee Tech

NORTHWESTERN STATE

DEDICATED TO ONE GOAL. **YOURS.**

We are Northwestern State, the oldest institution in the University of Louisiana System and a university with a long tradition of academic excellence in a student-centered environment.

Founded in 1884 as the State Normal School, Northwestern State grew into the leading four-year university of the region with satellite campus and learning locations serving northern and central Louisiana.

Northwestern State has nationally-recognized programs in computer information systems, creative and performing arts, nursing, educational technology and industrial technology. The university has put an emphasis on incorporating technology in the classroom, working to provide students with cutting-edge technology that is applicable to the workplace. Northwestern State also includes real-world experience through internships and workplace-oriented coursework. Along with four colleges -- Allied Health, Education, Science, Business and Technology and Arts and Sciences -- NSU is the home of the Louisiana Scholars' College, the state's designated honors college.

Consistent with its roots as Louisiana's first teacher instruction institution, Northwestern State pioneered aggressive ways to deliver to courses to students. Starting with distance education innovations in the later 20th century, Northwestern State's global campus of eNSU now serves students around the world with 31 fully on-line degree programs and hundreds of individual course offerings.

Enrollment at Northwestern State is more than 9,000 students with more than 80,000 alumni in all 50 states and 12 countries. Students come to NSU from every parish of the state of Louisiana.

Located in Natchitoches, the oldest settlement in the Louisiana Purchase, the university and community value history. Part of the university is entered in the National Register of Historic Places. The university is home to the National Center for Preservation Technology and Training, a unit of the National Park Service dedicated to promoting and enhancing the preservation and conservation of prehistoric and historic resources in the United States.

Northwestern State seeks to provide a well-rounded education for its students, allowing them to take part in a variety of extracurricular activities. More than 100 chartered organizations are available to enhance what is learned in the classroom.

CAMPUS LIFE

The \$8 million Wellness, Recreation and Activity Center (above) is the headquarters for NSU's extensive intramural sports offerings. NSU has its own 18-hole golf course and Olympic-sized swimming pool at the NSU Recreation Complex. There is a strong network of campus religious organizations, including the Fellowship of Christian Athletes NSU Huddle.

Students who enjoy outdoor sports are in a great location. Beginning with Chaplin's Lake bordering the campus, extending to Cane River Lake and Sibley Lake less than a mile away from campus, and with the Red River, Toledo Bend Lake and tremendous national forests nearby, those who pursue fishing, hunting, or water sports are in a virtual paradise. Natchitoches and the surrounding area embrace NSU and its student body.

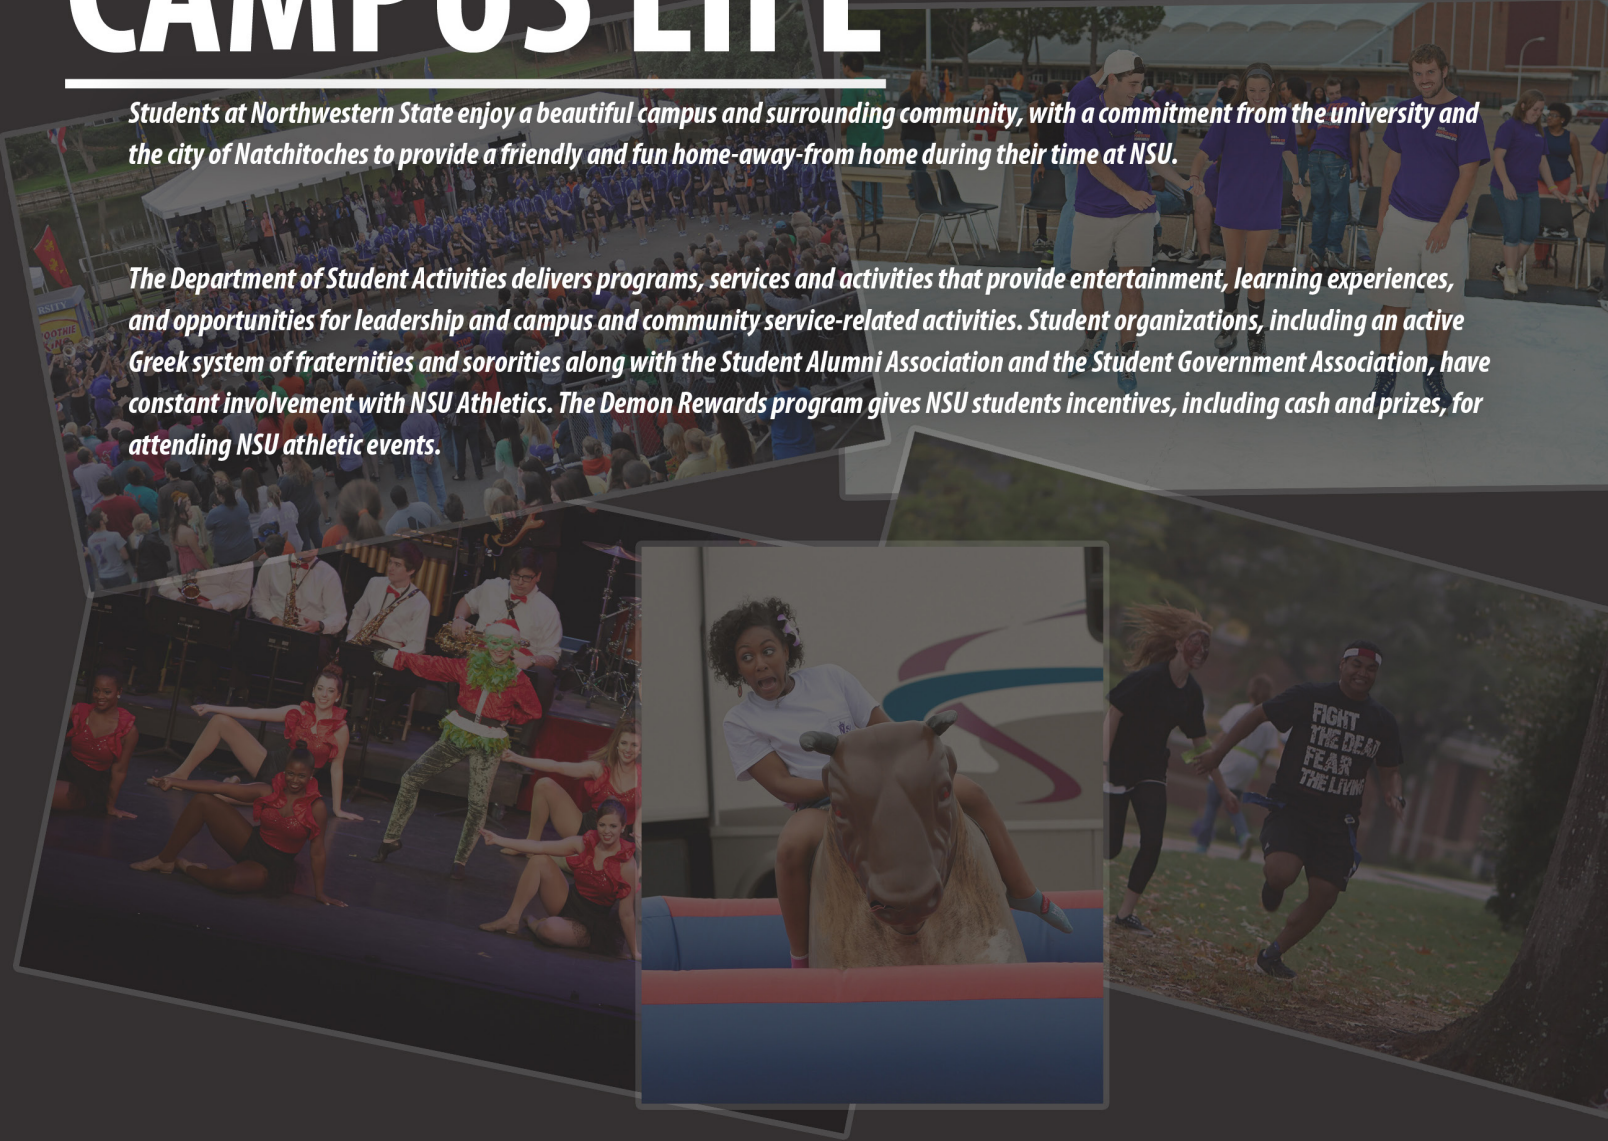

CAMPUS LIFE

Students at Northwestern State enjoy a beautiful campus and surrounding community, with a commitment from the university and the city of Natchitoches to provide a friendly and fun home-away-from home during their time at NSU.

The Department of Student Activities delivers programs, services and activities that provide entertainment, learning experiences, and opportunities for leadership and campus and community service-related activities. Student organizations, including an active Greek system of fraternities and sororities along with the Student Alumni Association and the Student Government Association, have constant involvement with NSU Athletics. The Demon Rewards program gives NSU students incentives, including cash and prizes, for attending NSU athletic events.

CHAMPS/ LIFE SKILLS

The mission of the NCAA is to maintain intercollegiate athletics as an integral part of the campus educational program and the student-athlete as an integral part of the student body. With this in mind, the CHAMPS/Life Skills Program was created to support the student-athlete development initiatives of NCAA member institutions and to enhance the quality of the student-athlete experience within the context of higher education.

In the process of achieving this mission, the CHAMPS/Life Skills Program will:

- *Promote student-athletes' ownership of their academic, athletic, career, personal and community responsibilities.*
- *Meet the changing needs of student-athletes.*
- *Promote respect for diversity and inclusion among student-athletes.*
- *Assist student-athletes in identifying and applying transferable skills.*
- *Enhance partnerships between the NCAA, member institutions and their communities for the purpose of education.*
- *Foster an environment that encourages student-athletes to effectively access campus resources.*
- *Encourage the development of character, integrity and leadership skills.*

Participating members in the CHAMPS/Life Skills Program are provided with sample materials and supplemental resources which support a student-athlete's development in five areas: academics, athletics, personal development, career development and community service.

CHAMPS/Life Skills at NSU

PERSONAL DEVELOPMENT WORKSHOPS

The Personal Development piece is designed to cover many different subjects that student-athletes may not learn sitting in a classroom. Monthly workshops are held to teach student-athletes basic "life skills" that will be needed once they graduate. Some examples of areas which are covered include: personal finance, proper dining etiquette, personal nutrition, leadership, cooking tips, etc.

CAREER DEVELOPMENT

Career Development is the cornerstone for the NSU CHAMPS program. Career Development opportunities are offered to all NSU student-athletes to assist them in preparing for life after college athletics. The staff is highly trained to provide services including: major and career assessments, résumé-writing, and mock interviewing - complete with video equipment for instant replay. All of these services are geared to specifically highlight the unique transferrable skills that student-athletes possess and to help ensure a successful transition to the professional world.

COMMUNITY SERVICE

Community service is of high importance to NSU athletics. We believe that it is essential to give back to our community and teach the importance of being active citizens. NSU student-athletes totaled over 4,700 hours of community service in the 2010-11 academic year, bringing the total to nearly 10,000 hours in the last two years.
