LEADING OFF

- Northwestern State picked up its first win of the season, and the first for new head coach Jenny Fuller, this past weekend in its home opener. A wild pitch in the bottom of the 10th allowed Brynn Daniel to score the winning run to give the Demons a 4-3 win over Memphis.
- Two more players on the young Demon roster earned the first offensive stats of their careers on Sunday. **Tori Clayton** picked up her first career hits, one against Jacksonville State and another against Memphis, and **Cash Herber** drove in her first career runs with a 2-run single against Memphis that gave NSU the lead.
- Sophomore transfer **Riley Schwisow** had a pair of two-hit games, both coming against Memphis, where she went 4-for-8 with a run scored in those games.
- Freshman **Brynn Daniel** had a hand in all four runs the Demons scored in their 4-3 win over Memphis on Saturday. She drove in two on a single to right in the first, another on a hit up the middle in the third and scored the winning run on a wild pitch in the 10th inning.
- In Sunday's finale against Memphis, all nine batters in the starting lineup got at least one hit in the game. They ended with a season-high 10 hits in the game. Schwisow had two hits in the game.
- NSU has started at least five freshmen in all but one game this year. The one game they did not, against Jacksonville State on Feb. 15, they had four freshmen start the game.

NEW TEAM, NEW COACH, NEW DEMONS

- The Northwestern State softball program looks marketedly different in 2025 than it has the past several years.
- First-year head coach Jenny Fuller has brought in an entirely new coaching staff and 13 of the 18 players on the roster are brand new to NSU and Natchitoches.
- Fuller and the Demon staff retained six of the freshman signees from its November 2024 signing class through the coaching change and added six more freshmen after accepting the job for a total of 11 true and one redshirt freshmen (Cash Herber) on this year's team.
- The 11 true freshmen on this year's team the most in a season in more than 25 years. Only one other time during that stretch have the Demons had double-digit true freshmen on a team was in 2017 when they had 10.
- NSU has the youngest team in the Southland Conference with 17 of the 18 players on the roster classified as a freshman or sophomore.
- **Bailie Ragsdale** is the lone upperclassman on the team and is also its only senior. She has started 132 games in her career at NSU at either second base or in the outfield.
- The Demons have the third fewest number of returning innings pitched from a season ago. Only Texas Tech (0.0), Washington (0.0) and Kent State (3.1) had fewer returning innings pitched from 2024.
- NSU's overall team makeup consists of the highest percentage of underclassman (.944) in the country, at 17 of 18 players. New Mexico (20-of-28), South Dakota State (22-of-32) and East Tennessee (20-of-31) have more underclassmen but a lower total percentage of players.

A WEEKEND OF FIRSTS

- Opening weekend at the South Alabama Invitational presented a lot of firsts for the 2025 Demons.
- Not only was it the first games for new head coach Jenny Fuller and her staff but the first career starts for 10 true freshmen and the one redshirt freshman on this year's roster.
- Six players got their first career hits during the weekend, with Brynn Daniel (2B), DJ Lynch (2B) and Peyton Peck (HR) each coming in the extra-base variety. Sophomore transfer Riley Schwisow also got her first hit as a Demon with a single on Saturday against Murray State.
- In the circle, freshmen Brooklyn Stohler and Kaymie Chandler, as well as sophomore Aly Delafield all made their first career starts. Stohler threw a pair of complete games, including one against Murray State in the first game of the season, although she suffered the tough-luck loss in both outings.

NO...SLEEP...FOR BROOKLYN

- With just one returning pitcher from last year, the Demons will be relying on some new and fresh arms for the 2025 season, led by touted freshman hurler Brooklyn Stohler.
- The true freshman from Pryor, Okla. was named district pitcher of the year in each of her final three high school seasons and was named All-Oklahoma after her senior season. She had a 1.26 ERA and struck out more than 1,000 batters in her prep career and threw four perfect games and 34 career shutouts.
- Stohler has thrown two complete games in each of the first two tournament weekends, including all 10 innings in her, coach Jenny Fuller's and the team's first win of the season.
- She leads the Southland in complete games (4), games started (6) and inning pitched (35.0) so far this year and ranks in the top 10 in the country in all three categories.
- The last true freshman to pitch significant innings for the Demons was Sage Hoover in 2022. She tossed 134.0 that year and went on to be named Southland Freshman of the Year. Hoover has the most innings by a true freshman for NSU in more than 15 seasons.

MEDIA AVAILABILITY

Player and coach media availability varies throughout the week. Please contact Brad Welborn (welbornb@nsula.edu) in the Sports Information Office to check for availability. Media requests should be made at least 24 hours in advance.

CREDENTIALS

Credential requests for both home and away matches must be made 48 hours prior to match time by emailing Brad Welborn (welbornb@nsula.edu).

POSTGAME PROCEDURE

Head coach Jenny Fuller and selected players will be available to the media on the field near the third base dugout following the game and a minimum 10-minute cooling-off period.

STAY READY SO YOU DON'T HAVE TO GET READY

- Through nine games this season head coach Jenny Fuller has used nine unique starting defensive lineups.
- Only Camryn Becnel at short stop has started all nine games at one position. Third baseman Riley Schwisow and center-fielder Sophia Livers have started eight of the nine games at those positions.
- All but one game this season has had five true freshmen in the starting lineup with every game featuring at least four.
- Against Memphis on Feb. 16 every player that appeared in the game was either a freshman or sophomore, with six of the 10 total starters freshmen.

SHINE BRIGHT LIKE A DIAMOND

- Prior to the 2025 season NSU softball's home field, the Lady Demon Diamond, underwent its targets renovation since the 2012 installation of the partially-covered grandstand, press box and concession stand.
- The old dirt infield and grass outfield were fully replaced with brand new field turf and installed by the Louisiana-based company GeoSurfaces in the fall of 2024.
- Thanks to the largest one-time gift in Northwestern State athletics' history from Dr. Jennifer and David Thornton and their family new fields were installed at the Lady Demon Diamond and at baseball's Brown-Stroud Field.
- In addition to turfing the fields, the donation also helped overhaul the lighting system with new LED fixtures.

MADE A GOOD CHOICE

- First-year head coach Jenny Fuller was named as one of the Top 10 best new head coaching hires by D1softball.com.
- She was named the 10th best hire on the list that also included Gerry Glasco (Texas Tech) at number one, Ashley Chastain (South Carolina) at No. 2 and Alyson Habetz (UL Lafayette) at No. 3.
- She was one of 50 new head coaching hires across the country this past offseason, including four at Power Four schools.
- This is the second year in a row that Northwestern State has a first-year coach named to the D1softball.com ranking. Lacy Prejean received the honor prior to the 2024 season.

THE DELAFIELD LEGACY

- Aly Delafield has had NSU's Purple and White running through her veins since she was born.
- Her grandfather, Sammy Joe Odom, is a member of the N-Club Hall of Fame at NSU. He was a 1963 All-American on the defensive line for the Demon football team. He also played two seasons for the Houston Oilers and is one of the Top 100 Demons of the Century.
- She is also the younger sister of former Demon softball pitcher and outfielder E.C. Delafield who was an all-conference player for Northwestern from 2018-20. She had a 28-14 record with over 200 strikeouts in the circle and hit .277 at the plate with 34 extra-base hits and 64 RBI.
- Delafield comes from a highly successful athletic family with her father Wil spending time playing in the New York Yankees organization, her uncle Bo Odom a longtime and state champion baseball coach in DeSoto Parish and her younger brother Luke is one of the top rated quarterbacks in Louisiana.

10-YEAR ANNIVERSARY OF LAST SLC TITLE

- The 2025 season marks the 10-year anniversary of Northwestern State's last softball conference championship.
- The Demons went 36-18 overall with an impressive 22-3 mark in Southland play. NSU won its first 10 conference games of the season and won all nine of its conference series.
- After dropping the first game of the conference tournament 6-1 to Lamar, the Demons worked their way back through the loser's bracket to earn a spot in the championship game. After taking a 2-0 lead in the first inning, three unearned runs gave Central Arkansas the lead they held on to an ultimately win the tournament title and trip to NCAA Tournament.
- The Demons set the single-season runs (328), home runs (82), batting average (.309), slugging percentage (.551) with the second-best on-base percentage (.380) record in 2015, all of which still stand today.
- NSU had six first-team all-conference players that year, the second most for a single year in program history. The honorees were Cassandra Barefield (DP), Micaela Bouvier (P), Mikayla Brown (P), Brittney Jones (1B), Kellye Kincannon (RF), Brittany Virgoe (3B).

JENNY FULLER

Jenny Fuller was named the 13th head softball coach at Northwestern State on July 24, 2024.

Fuller spent the past three seasons at Pittsburg State where she won more than 100 games, produced four all-Americans, six academic all-Americans, seven all-region players and 18 all-conference players during her tenure.

In 2024 the Gorillas claimed a share of the MIAA regular season crown for just the second time in program history, coming 30 years after their first title, and set a program record with 53 wins, including an impressive 23-3 mark in conference play. Fuller, along with her staff, were named the MIAA Coach of the Year following the historic season.

Fuller increased Pittsburg State's win total by 10 from the previous season in her first year (2022), led them to their first winning season in six years the next and became the first head coach to win 50 games in a season. The Gorillas also hosted an NCAA Division II National Tournament regional for the first time in program history in 2024.

The Gorillas led the conference in six offensive categories on the year, including ranking fifth nationally with a .348 team batting average and 11th nationally with a .409 on-base percentage. Gorilla pitchers also led the league in strikeouts and ranked in the top five in the conference in four other categories.

PSU produced a pair individual award winners on the season with Heather Arnett, a consensus first-team all-American, being named Regional Player of the Year and MIAA Co-Player of the Year. Fuller used her expertise as a pitcher at Baylor for former NSU assistant Glenn Moore to guide freshman Ava Laurent to a 19-1 record, 8.3 strikeout/7 rate and MIAA Freshman of the Year honors as well.

In her three seasons at PSU, the Gorillas batted over .300 each year, improving by nearly 50 points from year one to year three. They also saw notable decreases in team ERA from the pitching staff, dropping by nearly

three full runs per game with a 66-point drop in opponent batting average.

The team records set at Pittsburg State were just the latest in a list of program records established under Fuller's direction.

Prior to her time with the Gorillas, she spent three seasons at Northern State in Aberdeen, S.D., where 17 different single game, season or career records were broken by players under her guidance. In 2020, the Wolves won their first 10 games of the season and had a program-best 15-4 record before the season was canceled due to Covid-19.

In her first season there, Northern State finished with the second highest team batting average in program history at the time, and the first average over .300 in two decades.

Fuller's first head coaching job came at NAIA-member Cardinal Stritch in Milwaukee, Wis., in 2016. There she compiled a 59-36 record in two seasons including a 30-13 mark in her first season.

She began her coaching career as an assistant and pitching coach at her junior college alma mater McLennan Community College in Waco, Texas. She helped coach a pair of first-team all-conference pitchers and six other all-conference players. McLennan advanced to the 2011 NJCAA National Championship and in 2014 won the Region V North Conference title with a record of 46-8.

As a player for the Highlanders, Fuller was an NFCA First-Team All-American and NJCAA Second-Team All-American during her two seasons. She tallied a 29-6 record with a 0.97 ERA and 285 strikeouts during her sophomore season to earn Region V Pitcher of the Year honors.

In her final two playing seasons at Baylor, Fuller set a top 10 mark for single-season winning percentage with an 11-3 record during 2008 and has the second highest career winning percentage in program history at .813.

Fuller earned her associate degree in arts and business from McLennan and a bachelor of science in education and master of science in
