MEDIA INFORMATION

OVERVIEW

The Sports Information Department provides a variety of services to the Department of Intercollegiate Athletics and the news media. Sports Information duties include keeping accurate statistical data of each athletic event and providing publications for each team such as media guides, game programs, schedule posters, schedule cards and press releases. The department has won numerous awards for its media guides in recent years.

In addition, the Sports Information Department organizes game-day operations and provides information to the local and national news media and to student-athletes' hometown newspapers. A member of the NSU sports information staff will be present at all home games and will travel with NSU teams for road contests.

ATHLETICS WEB SITE

The Sports Information Department maintains, creates and manages all editorial, statistical and biographical content for the official NSU Athletics Web site. The NSU Athletics Web site can be accessed on the Internet at <http://nsuathletics.nova.edu>. The NSU Athletics Web site also provides cutting-edge multimedia features such as live audio broadcasts of select NSU athletic events and functions as well as live statistical information during select home games. A complete audio broadcast schedule, as well as archived broadcasts of past events, can be viewed on the NSU Athletics Web site through the following link: <http://nsuathletics.nova.edu/statistics/liveaudio.cfm>.

SHARK ALERT

The Sports Information Department also publishes SHARK ALERT, a free, weekly NSU Department of Athletics email newsletter that can be subscribed to on the official NSU Athletics Web site. SHARK ALERT provides NSU fans with interesting, informative and timely weekly headlines; player/coach features; game recaps; game previews; information on upcoming special events and promotions; and many other newsworthy items.

ESCORES

Fans also can receive up-to-date scores and information directly to their cell phones via text message, by email or both by signing up for eScores. eScores is a free one-of-a-kind fan messaging service, and fans can sign up by clicking the eScores link on the NSU Athletics Web site.

CREDENTIALS

Members of the working press, electronic media and other news agencies can request credentials to cover NSU athletic events by calling the NSU Sports Information Department at least 24 hours prior to game time. Accredited photographers and Electronic News Gathering (ENG) crews may shoot from designated areas at all events.

STATISTICS/MEDIA SERVICES

Media guides, programs, fact sheets and cumulative statistics will be furnished to the working media prior to game time. Complete statistical information will be available to the media at the conclusion of all NSU home athletic events. Telephones and a fax machine are available for use in the athletics offices and in the University Center Press Room. Please contact a member of the sports information staff to request use of this service.

INTERVIEWS

All one-on-one interviews with Nova Southeastern University players and coaches should be scheduled through the NSU Sports Information Department. Please provide at least 24 hours advance notice to allow interview arrangements to be made. Interviews at the conclusion of all home games will be held after a brief cooling-off period. Any requests for visiting team interviews should be made through the visiting team's sports information representative. If one is not present, the NSU sports information staff will assist with visiting team interview needs.

AUDIO BROADCAST INFORMATION/SCHEDULE

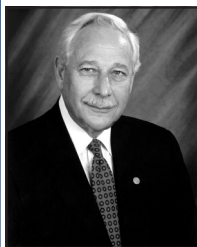

The NSU Athletics Website provides cutting-edge multimedia features such as live audio broadcasts of select NSU athletic events. A complete audio broadcast schedule, as well as archived broadcast of past events, can be viewed on the NSU Athletics Web site through the following link: <http://nsuathletics.nova.edu/statistics/liveaudio.cfm>

PRESIDENT & ADMINISTRATION

RAY FERRERO, JR., J.D.**PRESIDENT, NOVA SOUTHEASTERN UNIVERSITY/CHIEF EXECUTIVE OFFICER**

Ray Ferrero has served as President/CEO of Nova Southeastern University since January 1, 1998. Prior thereto, he served as a member of the Board of Trustees from 1984 to 1988, as Chairman of the Board of Trustees from 1988 to 1995, and as Vice-Chairman from 1995 to 1997. He also served as Chairman of the Finance Committee from 1995 to 1997.

Prior to joining the University as President, he was a practicing trial attorney from 1960 through 1997. He received a B.B.A. degree from St. John's University, and a J.D. degree from the University of Florida. He was President of The Florida Bar 1987-1988, and the American Bar Association Florida State Delegate 1989-1998. He is also a member of the Broward County Bar Association and Broward County Trial Lawyers Association.

In 1995, he was appointed by Governor of the state of Florida to serve as Chairman of the Committee of Inquiry – 15th Judicial Circuit Nominating Commission, to investigate alleged improprieties in the judicial nominating process, and is currently serving as a member of the Board of Governors of the Tower Club, National Conference for Community and Justice, Broward Workshop and Broward Alliance, and on the Board of Directors of the United Way. Ray Ferrero has also lectured extensively through the United States to legal, business and civic groups.

GEORGE L. HANBURY II, PH.D.**EXECUTIVE VICE PRESIDENT FOR ADMINISTRATION/CHIEF OPERATING OFFICER**

On September 1, 1998, George L. Hanbury II became the executive vice president for administration of Nova Southeastern University. Prior to his appointment as executive vice president, he had a career in municipal administration totaling more than 30 years and was the chief executive officer (city manager) to Fort Lauderdale, Fla.; Portsmouth, Va.; and Virginia Beach, Va. In addition, he was an assistant city manager in the cities of Norfolk and Virginia Beach.

Hanbury received his Ph.D. in public administration from Florida Atlantic University. He also holds a master's degree in public administration from Old Dominion University and a bachelor of science degree in business administration with a major in public administration from Virginia Polytechnic Institute and State University (Virginia Tech).

He has been certified through the Senior Executive Institute at the University of Virginia and was inducted into Pi Alpha Alpha, the national honor society for the field of public affairs and public administration.

FRANK DEPIANO, PH.D.**VICE PRESIDENT FOR ACADEMIC AFFAIRS**

Frank DePiano received his Ph.D. from the University of South Carolina in 1980. During his 25-plus years of academic experience, DePiano has participated in a number of national leadership roles including serving on the American Psychological Association's Board of Educational Affairs' Executive Committee, president of the Society of Psychological Hypnosis and chair of numerous accreditation site visits and national education task forces. Scholarly contributions include the publication of a book, book chapters and articles in referred journals. He has served as the editor-in-chief of three referred journals and as an editorial review board member for several journals. Currently, he serves as a book review editor for Haworth Press.

While at Nova Southeastern University, DePiano has served as the initial dean of the Center for Psychological Studies, the chair of the University Council of Deans, an associate dean in the recently formed College of Dental Medicine and the initial chair of the Criminal Justice Institute. He also participated in the launching of the day division undergraduate program. In working with the undergraduate program, DePiano assisted in the development of NSU Athletics and served as one of the inaugural coaches.

DePiano is now involved in developing the Academic Review at Nova Southeastern University, a rigorous degree review procedure that is intended to assist academic programs in attaining preeminence within their academic fields.

OVERVIEW & HISTORY

1960s

- Originally named Nova University of Advanced Technology, the university was chartered by the state of Florida in 1964 as a graduate institution in the physical and social sciences.
- The land occupied by the university was previously a naval training airfield during World War II named Forman Field. After World War II, the federal government had promised the Forman family, from whom the land was purchased, that the land would only be used for educational purposes. This led the land to be used for the creation of the South Florida Education Center of which Nova Southeastern University is now a part.
- First class of 17 graduate students enrolled on Monday, September 25, 1967, on the main campus in Davie, Fla. They had been selected from 250 applicants from all over the country. They were all doctoral students and had been given free tuition, as well as stipends of up to \$5,000 for living expenses. On top of that, it took 68 staff members, 17 faculty members and an annual budget of \$1.7 million to run the university that year.

1970s

- On June 23, 1970, the board of trustees voted to enter into a federation with the New York Institute of Technology. Alexander Schure, president of NYIT, became chancellor of Nova University. Abraham S. Fischler became president. The university charter was amended and "of Advanced Technology" was dropped from its corporate name.
- In 1971, Nova University was accredited by the Southern Association of Colleges and Schools (SACS).
- In 1972, the university introduced its first off-campus course of study, in education.
- The school was renamed Nova University in 1974.
- On campus, undergraduate evening programs began for adults, while the law school was opened in 1974.
- In 1976, the university received a \$16 million gift from the estate of Leo Goodwin Sr., and began extensive campus and program expansion. Shortly after this, NSU dissolved its relationship with NYIT and began to create a board of trustees filled by South Florida community leaders, putting the stewardship of Nova back in the hands of its own local board.

1980s

- The Nova University that emerged in 1985 was committed to incorporating new educational technologies, made possible by computers and telecommunications, into the teaching and learning process and into its delivery of education.
- In 1989, celebrating its 25th year, Nova University was enrolling more than 8,000 students and had nearly 25,000 graduates, with revenues of nearly \$70 million.
- Over the next five years, three new buildings were constructed and a campus-wide beautification campaign added landscaping that greatly changed the look of the campus.

1990s

- In 1994, Nova University merged with Southeastern University of the Health Sciences to form Nova Southeastern University (NSU), adding the Colleges of Osteopathic Medicine, Pharmacy, Optometry and Allied Health to the university. The university continued its expansion of building projects and added new academic, clinical and community service programs.
- By 1999, at the 35th anniversary, the university was enjoying an era of sustained growth, facilitated by a healthy infusion of endowment funds and a nearly 1,000-student increase in enrollment between fall 1998 and fall 1999.
- NSU's enrollment had increased approximately 42 percent; full-time members of the faculty, staff and administration expanded to almost 2,600; and minority representation among faculty and staff members and students continued to expand.

2000s

- The William and Norma Horvitz Administration Building, a 62,000-square-foot structure that houses the office of the president and numerous other administration departments for the university was constructed.
- The Alvin Sherman Library, Research, and Information Technology Center was completed in 2001 and is the largest public library facility in the state of Florida.
- The Carl DeSantis Building, housing the H. Wayne Huizenga School of Business and Entrepreneurship, opened its doors in 2004. This \$33-million building is a 261,000-square-foot, five-story facility, that is also home to the Graduate School of Computer and Information Sciences.
- The state-of-the-art, 366,000-square-foot University Center, which opened on August 24, 2006, features three NCAA competition courts in the main arena, as well as two intramural courts, group fitness and instruction rooms, cardio and weight training areas, squash courts, a rock climbing wall, and The Flight Deck.
- In addition, five residence halls on the main campus serve undergraduate, graduate, health professions, and law students, with a capacity for housing up to 720 students in approximately 207,000 square feet of living space. The Commons, a new, 525-bed residence hall, opened for the Fall 2007 semester.

Key Facts

- Nova Southeastern University's field-based programs are located in 32 other Florida cities, 21 other U.S. states and several international sites.
- NSU is well known for innovation and quality in both traditional and distance education. The university serves large numbers of adult students and a growing population of traditional undergraduates. To date, the institution has produced approximately 90,000 alumni.
- NSU is the largest independent institution of higher education in the Southeast and the sixth largest independent university nationally, with a fall 2004 enrollment of more than 26,000. It is the largest of the 67 independent institutions in Florida, with an operating budget of approximately \$355 million. To date, the institution has produced more than 90,000 alumni. Courses of study lead to associate's, bachelor's, master's, specialist and doctoral degrees. The university's programs are administered through academic centers that offer courses at the Fort Lauderdale campus, as well as at locations throughout Florida; across the nation; and at selected international sites in the Bahamas, Canada, the Dominican Republic, Greece, Jamaica, Mexico, Puerto Rico, the United Kingdom and Venezuela.

2008 SHARKS

BONEÉ

Lesa Boneé Head Coach Sixth Season

Going into her sixth season as head coach of the NSU Sharks' softball team, Lesa Boneé finished the 2007 season with a 33-30 overall record and a 10-14 record in Sunshine State Conference play. In addition to eclipsing the previous season's win total, Boneé collected her 300th career win on March 10, 2007 with a win over Mars Hill College in Bradenton, Fla. In addition, Boneé guided senior utility player Katie Veltri, whose magical 2007 season earned Veltri an NFCA First Team All-American selection, the first NCAA All-American in the history of NSU softball.

The 2006 Sharks started the season on a roll as they captured victories in their first four home games of the season. NSU then headed on the road to take part in the University of West Georgia tournament, in which the Sharks finished 2-1 for the weekend.

Guided by 10 years of collegiate coaching experience, Boneé helped guide the Sharks through a tough regional and conference schedule in 2006 that included contests against top NCAA Division II opponents, including No. 19 Alabama-Huntsville and No. 2 Florida Southern College.

Boneé guided the Sharks to a 25-29 mark during the 2005 season after facing one of the toughest schedules in program history. In its first season of eligible competition in the Sunshine State Conference, NSU finished with a 9-15 mark, tied with two other institutions for sixth in the league.

1997-98	Assistant Coach Carolina Diamonds
2000-02	Head Coach University of Missouri-St. Louis
2002-	Head Coach Nova Southeastern University

During her second season with the Sharks, Boneé guided her squad to a 32-26-1 record, earning the team's first NCAA Division II South Region Top-10 ranking, since becoming members of the NCAA Division II in 2002.

In 2003, Boneé led a squad of only nine players for three quarters of the season to a 25-22 record during the first year of NCAA competition. The Sharks played nine nationally ranked teams and lost a total of 10 games by only one run.

Coach Boneé has amassed an overall record of 319-263-1 in 11 seasons of collegiate coaching experience. Her programs have produced 17 All-Conference, six All-Region and two All-American selections during that period.

Boneé came to the Sharks after serving three seasons as head softball coach at the University of Missouri-St. Louis. She guided the Riverwomen to a 90-67 mark, overall, during her tenure at UM-St. Louis. Her 2001 squad fashioned a 16-game winning streak, while knocking off two top-20 teams and four regionally ranked opponents.

Prior to that, Boneé was the head softball coach at Southern Wesleyan University in Central, South Carolina. Over three seasons, she led the Warriors to a 92-61 record, a southeast regional semifinal appearance and the Georgia-Alabama-Carolina Conference Tournament Championship in 1999.

Boneé was an assistant coach for the Carolina Diamonds women's professional fastpitch softball team in Gastonia, North Carolina, from 1997 to 1998. She is also a member of the National Fastpitch Coaches Association.

From 1995 to 1996 she was varsity head softball coach for Venice High School (Fla.), leading them to regional and district championships in 1995.

She has served as the Great Lakes Valley Conference chair and frequently speaks at camps and clinics throughout the United States. Boneé also has been a clinician for the National Fastpitch Coaches Association, Higher Ground, the Ohio High School Coaches Association and the University of California at Los Angeles.

Boneé holds a bachelor of science degree in physical education from Middle Tennessee State University and a master of arts degree in educational leadership from the University of Sarasota.

**MARTIN**

Robin Martin Assistant Coach First Season

Fort Lauderdale, Fla. (January 14, 2008) - With Kristen Atkinson taking the head coaching post at Flagler College, NSU Softball Head Coach Lesa Bonee' has announced the hiring of Robin Martin as the program's new assistant coach.

Martin joins NSU after a four-year career at Division I Auburn where she appeared in 135 games. After her fourth and final year of eligibility, she stayed on as a Student-Assistant Coach for the Tigers. During her collegiate playing career, Martin helped Auburn to three NCAA Tournament appearances while the Tigers were also ranked in the Top 25, including a #12 ranking. During her senior season, Martin helped lead Auburn to the Regional Championship where they lost to eventual National Champion Arizona.

Martin also excelled in the classroom, earning Auburn University Top Tiger Award honors from 2004 to 2007 while being named to the SEC Academic Honor Roll from 2004 to 2006. In 2006, she was also named an NSCA Strength and Conditioning All-American.

Prior to joining NSU, Martin was the Head Strength and Conditioning Coach for Jensen Beach High School softball as well as the Assistant Varsity and Junior Varsity softball coach. She was also the Head Coach of the Treasure Coast Splash 16 and under travel softball team in 2007.

The 2007 cum laude graduate of Auburn University holds a bachelor's degree in Journalism with a double minor in criminology and sport coaching.

OUTLOOK

In its fourth season of full membership in the Sunshine State Conference, the Nova Southeastern University Softball program will look to make its first postseason appearance. In pursuit of that goal, sixth-year head coach Lesa Bonee' has compiled perhaps her most talented roster yet. With star returnees Ashley Baker (Sr., Lake Worth, Fla.) and Noemi Luciani (So., Miami, Fla.) united with electrifying newcomers Rachel Talenfeld (Fr., Fort Lauderdale, Fla.) and Jessica Rockwell (Jr., Middleburg, Fla.), the Sharks look to make the 2008 season its most accomplished to date.

Infielders

Returning to guard second base is sophomore Dana Bergner. In 2007, Bergner teamed with Valen Eberhard to turn the most double plays in the SSC. While the coaching staff hopes to get the same level of defense out of Bergner, they also hope that she will improve at the plate.

"Dana has really matured from last year," says Bonee'. "She has really worked hard on her offensive game and has improved her barrel control. She needs to be more aggressive at the plate and is working toward that."

Defensively, the biggest adjustment for Bergner will be the arrival of Brittney Lamb (So., West Palm Beach, Fla.), who missed all of 2007 due to injury, at shortstop. After coming to the Sharks last January, Lamb, and her coaching staff, looks forward to finally having her on the field.

"Brittney is our shortstop. She has earned it," Bonee' says. "We're thankful that she's even able to play this year. She has worked so hard at rehab and, everyday, is playing with more confidence, more freedom."

An aggressive contact hitter, Lamb's playing time will be chosen judiciously as she continues to recover from her injury.

Manning the corners will be newcomers April Donachie (Jr., Orlando, Fla.) and Jessica Rockwell. Donachie can play first and third while the majority of Rockwell's time will be at the hot corner even though she will see some time behind the plate.

"April is a very good baserunner. It's not that she's very fast; she's just an aggressive baserunner. We will need her speed and her bat this season."

At Seminole Community College, Donachie showed her baserunning prowess by stealing 47 bases in 50 attempts in 2007. For Rockwell, the word "intensity" holds the meaning of her presence on this team.

"Rock' is a firecracker. She will definitely help offensively and defensively. The challenge will be her mental game; she can be high-strung at times but she attacks on defense and is a great kid."

In addition to Rockwell, Coach Bonee' will have Brooke Mitchell (Fr., Clearwater, Fla.) and Kelly Brookins (Sr., Bristol, Fla.) as options at backstop.

"Brooke has a lot of offensive potential. Defensively, she has room for improvement but has the desire and the want to get better. She'll need a full year to develop her baserunning and defense but she has the potential to really hit the ball."

Mitchell may also be used at first base and the outfield but comes to NSU as a catcher. Brookins, who saw the majority of her time at first base and designated player in 2007 has begun to make the transition to catcher. While it is a new position for her, it is her arm strength that makes her an asset behind the plate. Still, after hitting four homeruns in 29 games for NSU last season, Brookins' key contribution will be with the bat.

"Kelly is strong as an ox, has lost weight and has toned up. She can be an offensive powerhouse. We are happy with her willingness to be flexible defensively."

Outfielders

Ashley Baker returns for her second and final season in an NSU uniform. The unquestioned, charismatic leader of the Sharks led the team in doubles (15) and triples (5) in 2007.

"Baker sets the tone for the team and she is great at holding her teammates accountable on and off the field. She is extremely self-disciplined and can be hard on herself. She's one of those players that you must have on the field."

With the ability to hit for average and power and an aggressive baserunning style, Baker looks to end her career on a very high note.

As a junior, Katie Pepper (St. Louis, Mo.) comes into 2008 as the longest-tenured player on the NSU roster. Once again, Pepper will be called on to patrol centerfield.

"She is the commander of the outfield," proclaims Bonee'. "She's like having a coach out there in the outfield. She also has good speed and rarely makes bad baserunning decisions."

New to the NSU roster will be Brittany Phillips (Fr., Seminole, Fla.). A left-handed hitter, Phillips will need the 2008 season as a springboard towards developing into the player the coaching staff knows she can become.

"Brittany has an aggressive, natural lefty swing. She needs to develop her baserunning skills but wants to get better in all facets, wants to play. She will be a different kid as a senior."

Utility Players

Returning after a sensational freshman year is Noemi Luciani, who was one of only two rookies in the league to earn All-SSC honors. Although she started every game at third base in 2007, Luciani will be called upon to live up to her utility label and will see considerable time in right field, among other places.

"We expect big things from Noemi. If she performs like she is capable of, then she can continue to be an All-Conference player. This season, we need her to be more consistent in conference play but so far she is doing a great job on and off the field and is only a sophomore."

Another versatile player is Megan Burke (Sr., Orlando, Fla.). Having missed all of 2007, Burke is chomping at the bit for her first taste of softball at the NCAA level. Despite her relative inexperience, Burke's maturity makes her a key component to the Sharks' success.

"Maturity is her strength, in the [pitcher's] circle, everywhere. She is one of our leaders. She works well with the younger players and is like a coach on the field."

New to the fold will be speedster Rachel Talenfeld. While hitting .592 and stealing 37 bases as a senior at Stoneman Douglas High School, the slapper was touted as a Florida Top Prospect by Ultimate College Softball Forum.

"Rachel has been Ms. Consistency since Day One. She has gotten better everyday, especially with strength and conditioning. She finds ways to get it done. She has so much potential; she will be a big factor over the next four years. She is a freshman that needs to be watched in this conference. You can play her just about anywhere."

Be that as it may, the coaching staff anticipates using Talenfeld primarily in the outfield and at shortstop.

Pitchers

Returning after a serviceable freshman season will be Dani Caron (So., Wellington, Fla.); a player who's reserved demeanor belies her ability in the circle. In leading the Sharks in wins and strikeouts in 2007, Caron proved her worth. Still, Coach Bonee' knows that the key to Caron's success in '08 will be the mental game.

"She has worked hard on that. The biggest thing from last year is getting her to commit to the pitch. Last year, she'd throw a pitch but wasn't sure if she wanted to throw it. This year, she's more committed to the pitch."

Providing power as the perfect complement to Caron's chicanery will once again be Ashley Baker. Although primarily used as an outfielder in 2007, Baker led the Sharks in winning percentage, compiling a 10-5 win/loss record. Whereas she may have been reluctant in '07, Baker has an invigorated sense of purpose in the circle for the 2008 campaign.

New to the Sharks is Lexi Sarradet (Fr., Miami, Fla.). Sarradet comes to NSU as a decorated pitcher from Miami Sunset High School where she became just the third pitcher in Miami-Dade County high school history to strikeout over 250 batters in a single-season. With that superlative notwithstanding, Sarradet has had to reinvent herself as more of a finesse pitcher.

"Lexi has a great deal of potential and I believe that she has the talent to do well in this conference. She's had to make an adjustment from high school because I think now she realizes that she won't be able to just strike everybody out at this level. The challenge for her will be the mental part of the game; she needs to continue to mature."

Of course, seeking her first bit of game action in the circle is Megan Burke who will be used as a hurler in addition to a corner infielder.

Despite a relatively young roster, one in which two freshmen and three sophomores may be prominent starters, the Sharks are prepared to compete in the SSC and make a run toward its first NCAA Tournament appearance.

"We've added depth, power and speed. The level that this program is at now compared to where it was when I started is tremendous. It's not a question of 'if' anymore but 'when'. This team wants it bad. They have bought in. The key will be for us not to push them too hard, too fast. The key will be keeping them grounded."

The Schedule

As always, NSU will be challenged as it delves into its 63-game schedule. In addition to playing 24 games in the ever-competitive SSC, the Sharks will face eight non-conference opponents that made NCAA Tournament appearances in 2007. NSU will begin the year on February 1 by co-hosting a three-day tournament with Barry in which the Sharks will play six games, including the season-opener against Lynn and two tilts with Valdosta State, an NCAA Tournament participant from a year ago.

Tournaments will once again be the norm rather than the exception as the Sharks will compete in the Eckerd Triton Invitational and the Rebel Games for the second consecutive season and will participate in three new tournaments this season. In March, NSU will travel to Clermont, Fla. following the Rebel Games to take part in the NTC Dot Richardson Tournament before traveling to Atlanta, Ga. to play in the Clark-Atlanta Tournament. The stretch could prove physically and mentally challenging as the Sharks will play in at least 13 games, all on the road, in eight days. Additionally, there is a new twist on the Eckerd Triton Invitational, one in which the third day of the tournament will feature single-elimination bracket play.

"I like the idea of a single-elimination tournament," says Coach Bonee'. "It gives the team something new to fight and push for."

Following the spring break trip, NSU will travel to Miami Shores, Fla. where they will participate in the Barry Tournament which will feature many teams from the PSAC (Pa.) conference. The Sharks will then dive into their SSC schedule, beginning with Tampa on March 20 at the AD Griffin Sports Complex.

2007 SEASON REVIEW

The 2007 Nova Southeastern University Softball season was a building block in which the Sharks went 33-30 and 10-14 in conference play, reaching their highest overall and conference win totals since becoming full members of the Sunshine State Conference in 2004-05.

Further illustrating NSU's improvement was the fact that they scored 0.40 more runs per game in 2007 than they did in 2006 while they allowed 0.80 less runs per game in '07.

**KATIE VELTRI**

In her senior season, Katie Veltri had a magical year, one that culminated in being named NSU's first-ever SSC Softball Player of the Year. Veltri became just the second SSC player to hit for the Triple Crown in the past six years, leading the conference in batting average, homeruns, and RBI while also leading the SSC in hits, runs scored, slugging percentage and on-base percentage.

While senior leadership came from Veltri and Adrian Tuttle, who became the Sharks' workhorse in the pitcher's circle down the stretch, leading the team with a 2.54 ERA, a lot of attention was paid to NSU's recruiting class, one that brought to the program seven newcomers.

At the top of that recruiting class were true freshman Noemi Luciani and junior transfer Ashley Baker.

Luciani, a utility player that started and played in all 63 games at third base was one of only two freshmen named to the All-SSC team, receiving Honorable Mention. Luciani asserted herself as one of the league's top table-setters as the lefty slapper finished second on the team and in the SSC in runs scored and led the Sharks with 19 stolen bases.

Veltri, Luciani, and Baker finished 1-2-3 in the SSC in runs scored as the transfer from the University of Central Florida completed the trio with a versatile approach at the plate. Baker led the team in doubles and triples and finished second on the team in homeruns. Additionally, Baker walked 26 times, good for second on the team, and led the Sharks with 16 sacrifice bunts. She also utilized her speed, swiping 14 bases in 16 attempts.

Moreover, Baker appeared in 24 games in the pitcher's circle, leading the team in winning percentage while turning in a 10-5 record and threw the team's only no-hitter of the season on March 3 against Salem International.

NSU's middle infield, sophomore Valen Eberhard and freshman Dana Bergner combined to turn the most double plays in the SSC while freshman pitcher Dani Caron led the team in strikeouts and wins.

Junior transfer Kelly Brookins showed a flair for the dramatic, along with Veltri, as the two combined to collect five game-clinching hits, three of which were homeruns.

Veltri's three-run walk-off blast on March 3 clinched a 6-4 victory over SSC power Saint Leo while Brookins' two-run shot in the top of the seventh on April 28 led NSU to a 5-3 victory over SSC rival Barry.

Freshman Leslie Buchmann proved to be versatile in her rookie season, playing three positions while finishing second on the team with three triples.

Valerie Dickson, Tranell Mesa, and Katie Pepper all made contributions to the team as all 12 available members of the team appeared in at least 29 games.

SUNSHINE STATE CONFERENCE INFORMATION

Mike Marcil
Commissioner

Sunshine State Conference

Currently one the most competitive and respected conferences in NCAA Division II, the Sunshine State Conference (SSC) was founded in 1975. SSC schools captured five national championships in 2006-07 and have earned a total of 67 national championships overall.

The Sunshine State Conference has developed from a basketball organization into the NCAA Division II "Conference of National Champions." Since its inception, the conference has grown steadily in sports played, membership and national prominence.

Sunshine State Conference teams have won NCAA Division II national championships in baseball, men's basketball, men's and women's golf, men's and women's soccer, softball, men's and women's tennis and volleyball and receive national recognition in women's basketball, women's rowing and men's and women's cross country.

The SSC sponsors championships in 14 sports for men and women: baseball, men's and women's basketball, men's and women's cross country, men's and women's golf, men's and women's soccer, softball, men's and women's tennis, women's rowing and volleyball.

Nova Southeastern University was officially granted membership status in the Sunshine State Conference in August 2002. Other SSC members—all in Florida—are Barry University (Miami Shores), Eckerd College (St. Petersburg), Florida Tech (Melbourne), Florida Southern College (Lakeland), Lynn University (Boca Raton), Rollins College (Winter Park), Saint Leo University (Saint Leo) and the University of Tampa (Tampa).

Numerous All-Americans, Academic All-Americans and future professional athletes have attended conference institutions. The SSC is respected for its academic foresight, setting standards that were later adopted by the NCAA.

NCAA DIVISION II INFORMATION

The National Collegiate Athletic Association (NCAA) is the organization through which the nation's colleges and universities speak and act on athletic matters at the national level. It is a voluntary association of approximately 1,200 institutions, conferences, organizations and individuals devoted to the sound administration of intercollegiate athletics.

Through the NCAA, member colleges consider any athletics problem that crosses regional or conference lines and has become national in character. The association strives to maintain intercollegiate athletics as an integral part of the educational program and the athlete as an integral part of the student body. The NCAA also stands for good conduct in intercollegiate athletics and serves as the colleges' national athletics accrediting agency.

The NCAA has grown dramatically in the past 50 years, with more than 600 new members since 1950.

NCAA DIVISION II

Division II institutions have to sponsor at least four sports for men and four for women, with two team sports for each gender and each playing season represented by each gender. There are contest and participant minimums for each sport, as well as scheduling criteria—football and men's and women's basketball teams must play at least 50 percent of their games against Division II or I-A or I-AA opponents.

For sports other than football and basketball, there are no scheduling requirements. There are no attendance requirements or arena game requirements for basketball. There are maximum financial aid awards for each sport that a Division II school must not exceed. Division II teams usually feature a number of local or in-state student-athletes. Many Division II student-athletes pay for school through a combination of scholarship money, grants, student loans and employment earnings. Division II athletics programs are financed in the institution's budget like academic departments on campus. Traditional rivalries with regional institutions dominate schedules of many Division II athletics programs.

RAZOR

At 5'10", 150 lbs, RAZOR is a formidable sight on the field during the game. While he is playful with children, RAZOR has no tolerance for opposing teams. He defends the "AD Griffin Sports Complex", on the campus of NSU. Many tooth and fins enemy legions try to invade his waters, but few succeed; thanks to RAZOR.

NSU DEPARTMENT OF ATHLETICS

MISSION STATEMENT

Nova Southeastern University recognizes, values and supports intercollegiate athletics as an integral part of the educational mission of the university. Central to the program's mandate and in accord with the stated goals of the university, the NSU Department of Athletics commits itself to fostering leadership, lifelong learning and service to the community among its student-athletes.

The department is dedicated to sponsoring a competitive program of intercollegiate athletics for men and women. Valuing deeply the physical, social and emotional welfare of those who participate, the department and the university express this commitment through membership in the NCAA and the Sunshine State Conference, both of which exemplify the principles of amateur athletics. These include diversity, sportsmanship, fair play and equitable opportunity for all. Athletic department staff members will manifest these values in clearly discernible conduct.

The intercollegiate athletics program at Nova Southeastern University is committed to the recruitment, preparation and welfare of highly qualified and gifted men and women.

Michael Mominey
Director of Athletics/
Head Baseball Coach

Michael Mominey was named Director of Intercollegiate Athletics at Nova Southeastern University on January 2, 2002. He has led the NSU Department of Athletics into a historic and defining era, as NSU began their first year of competition in NCAA Division II in 2002 and in the Sunshine State Conference in 2004. In addition to leading the athletic program in their transition into the NCAA, Mominey has added five intercollegiate programs during his tenure (women's rowing, women's tennis, men's cross country and men's and women's outdoor track) as the student-athlete population has increased from 160 in 2002 to over 250 projected this academic year. The departmental grade point average for all NSU student-athletes has been above 3.00 for the last eight consecutive years, including a cumulative student-athlete GPA of 3.13 for the 2006-07 school-year.

2006-07 was a banner season for NSU Athletics, both on and off the fields of play. The Sharks captured Sunshine State Conference team championships in men's golf and women's rowing, and individually produced three SSC Players of the Year and three Freshman of the Year

honorees and one NCAA National Player of the Year. In addition, nine NSU student-athletes were chosen as NCAA All-Americans, five were named Academic All-Americans and two received National Scholar Athlete recognition. The Sharks men's and women's Cross Country squads were both named Academic All-American Teams. Four NSU teams finished their seasons ranked in the Top-10 nationally, while the Sharks Women's Golf team had the highest GPA among all NCAA DII programs.

Mominey has been instrumental in the design, development, planning and programming phases for the University Center, which opened its doors in August 2006. The 90 million dollar, 300,000 square-foot facility serves as a home for the intercollegiate athletic program, student recreation and wellness programs and performing arts program. The venue serves as the home to the men's and women's basketball and women's volleyball programs. Also included in the building are a sports medicine and rehab center, a weight room/fitness room, team specific locker rooms, a student-athlete lounge, student union, cafeteria and a performing arts theater with rehearsal rooms. "We have been very fortunate to have had the success with our program at such early stages of our membership in the NCAA and the Sunshine State Conference. We have great support from our administration, which has allowed us to progress so quickly, always maintaining the ideals of developing the student-athlete" said Mominey. "I look forward to continuing to challenge our student-athletes, coaches and staff to be the best they can be, in hopes of building the traditions that serve as the foundation of a well respected and nationally recognized athletic program."

Mominey is also a member of the Orange Bowl Committee (elected November 2004), and serves as the vice chair of the football host committee as well as the game officials committee. He also serves on various committees throughout the community and on campus, as well as on the Sunshine State Conference marketing and officials committees. Mominey is also the Division II representative on the NIKE Baseball Advisory Board. With more than 15 years of experience in athletic administration in the professional, collegiate and scholastic ranks, Mominey served as the athletic director at Chaminade-Madonna College Preparatory in Hollywood, Florida from 1996–2000. He also served as the assistant director of athletics at St. Thomas University from 1992–1996.

Prior to relocating to South Florida, Mominey was the assistant to player development and scouting for the Cleveland Indians Baseball Club from 1990–1992 and worked as an associate scout for the Tribe from 1993–1996. While working in the front office of the major league club and was directly involved in the day to day operations of the scouting and player development departments under Major League general managers John Hart (Cleveland Indians & Texas Rangers) and Dan O'Dowd (Colorado Rockies).

Mominey is also the head coach of NSU's nationally ranked baseball program, where he originally was employed at NSU on August 1, 2000. In 2007, the NSU baseball team posted a program-best 36-19 NCAA mark. Since joining the NCAA six years ago, the Sharks have averaged over 30 wins per season and have consistently been ranked in the top 25 nationally, ranking as high as number seven.

Mominey graduated from St. Thomas University in 1994 with a master's degree in Sports Administration and from Bowling Green University (Ohio) in 1990 with a bachelor's degree in Education/Sport Management.

He resides in Davie, Florida with his wife Denise and children Tyler and Alexa.

Director of Athletics, Michael Mominey (C) along with 2006-07 NSU Female Athlete of the Year Katie Veltro (L) and 2006-07 NSU Male Athlete of the Year Diego Aguiar (R).

Mark Cavanaugh PhD
Faculty Athletic Representative

Mark Cavanaugh is an associate professor in the Division of Social and Behavioral Sciences at NSU and has served as faculty athletic representative since 1989. He holds a bachelor's degree in literature from Iona College in New Rochelle, New York, as well as master's and doctoral degrees in Sociology and Social Psychology from the University of Notre Dame.

During NSU's membership in the NAIA, Cavanaugh served as eligibility chairperson for the Florida Sun Conference for 10 years, overseeing the academic eligibility of athletes from all member schools. Along with former Director of Athletics Corey Johnson, Cavanaugh initiated the process that resulted in NSU's affiliation with the NCAA.

He is a past president of the Faculty Athletic Representatives' Association of the NAIA, where he also served as secretary. A former member of the National Association of Academic Advisers for Athletics (N4A), Cavanaugh chaired that organization's Committee on Student-Athlete Concerns for four years, beginning in 1993.

He has published and spoken widely on the personal development of collegiate student-athletes. His research areas include the study of consciousness, as well as human performance factors, especially as they relate to highly skilled activities such as athletics and music.

A musician himself, Cavanaugh is an arranger, conductor, pianist and composer, regularly writing for collegiate bands, choral groups and professional symphony orchestras.

He has recently conducted and recorded with the Bohuslav Martinu Philharmonic Orchestra in the Czech Republic and is the composer and lyricist of the NSU school songs, which include the NSU Fight Song and University Anthem.

On campus, Cavanaugh is the host of the popular "Life 101" series, which brings noteworthy people to NSU for the purpose of sharing their insights and experiences with the university community. A popular master of ceremonies, he also hosts the annual Student Life Achievement Awards, at which the university recognizes campus-wide excellence and service. Cavanaugh lives in Plantation, Florida.

LIFE 101...PERSONALLY SPEAKING

Dwayne "The Rock" Johnson with Professor and Faculty Athletic Representative, Dr. Mark Cavanaugh during the "Life 101" lecture series

The overall goal of "Life 101" is to bring leaders from business, entertainment, politics and athletics to our campus. By meeting these guest speakers, the NSU community is educated and inspired by their life accomplishments and "life lessons" learned along the way. The interactive, 60-minute interview program is hosted by a faculty member and allows students and the University community to ask questions directly to the guest at the end of the program.

Past "Life 101...Personally Speaking," Lecture Series Guests:

- Vince Papale
- Dwayne "The Rock" Johnson
- Jason Taylor
- Vanessa Williams
- H. Wayne Huizenga
- Dan Abrams
- Max Weinberg
- Michael Phelps
- James Earl Jones
- Mo Rocca

ATHLETICS' HISTORY

1980 –

- To boost the limited undergraduate enrollment at its Davie Campus, Nova president, Abraham S. Fischler, and the Board of Trustees looked to try something new: build a sports program. Nova University had a graduate school enrollment of about 7,000 students, with nontraditional, field-based programs scattered in 22 states, offering limited graduate and undergraduate degree programs on campus.

1982 –

- Charles "Sonny" Hansley is named director of athletics for the first-ever athletic department at Nova University. The first program to field a team was men's basketball, which began competition during the 1982-83 school-year. Hansley served as the head coach for the Nova University men's basketball team, which played as an independent program, not affiliated with a conference.
- Nova University finds an athletics nickname. A contest, which was open to the general public, was held to come up with a nickname for the new athletic program at Nova University. The nickname "Knights" was chosen, after being deemed the most popular submission by contest participants.

1983 –

- The Nova's men's basketball team goes 11-12 in their second season, still competing as an independent program.

1984 –

- Nova University adds men's soccer, women's volleyball and men's and women's cross country. Nova University becomes a member of the National Little College Athletic Association (NLCAA)

1985 –

- Nova University joins the National Association of Intercollegiate Athletics (NAIA). Undergraduate enrollment at this time is 222.
- The Nova University women's volleyball team finishes 9-4, and wins District 25 Championship.

1986 –

- Dag Cohen, a midfielder for Nova University's men's soccer team, is named a First Team All-American by the National Soccer Coaches Association. Cohen is the first Nova athlete, in any sport, to be so honored, as he helped the men's soccer team to a 13-5-0 record and NAIA District 7 Championship.
- The Nova University women's volleyball team repeats as District 25 Champions with a 16-12 season.

1987 –

- Nova University adds baseball, women's tennis and men's golf, offering three women's and five men's athletic teams.
- With a record of 19-7, the Nova University women's volleyball team wins their third straight District 25 Championship.
- Men's soccer player Jonas Westher is named an NAIA Second Team All-American and NSCAA Honorable Mention All-American, as the Knights finish 9-8-2 and qualify for the District 25 Tournament.

1988 –

- Men's soccer player Richard Carlsson is an NAIA Third Team All-American and NSCAA Honorable Mention All-American, as the Nova University men's soccer team again finishes 13-5-0 and makes its first NAIA National Tournament appearance.
- The women's volleyball team wins their fourth District 25 Championship with a 17-8 mark.

1989 –

- The women's volleyball team records their fifth consecutive District 25 Championship.

1990 –

- Nova University joins with seven other NAIA schools (Flagler College, Webber College, St. Thomas University, Embry-Riddle Aeronautical University, Palm Beach Atlantic College, Warner Southern College and Florida Memorial College) to form the FIAC (Florida Intercollegiate Athletic Conference).
- Jonas Westher is named an NAIA First Team All-American as he helped the men's soccer team win their first-ever FIAC championship, earning a berth in the District 25 Tournament for the sixth straight year.

1991 –

- The men's soccer team finishes 11-5-3 as Alex Acosta, Michael Manning and Christian Perez all earn NSCAA All-American Honorable Mention.
- Knights' baseball player Rich Pumbo is selected as an NAIA First-Team All-American, the first in program history, as Nova goes 42-14.

1992 –

- The Florida Intercollegiate Athletic Conference is changed to the Florida Sun Conference (FSC) and Nova University is now a member of District 7.
- The men's soccer team finishes 11-5-3 under new head coach Thomas Rongen, while Rohan Jackson is named an NAIA Second Team All-American and Jorgen Hegdal is named an NAIA Third Team All-American.

1993 –

- Christian Perez is named Nova's first Florida Sun Conference Player of the Year in men's soccer and an NAIA Honorable Mention All-American.
- The Nova University women's volleyball team finishes 30-9, while winning the program's first Florida Sun Conference Championship and first NAIA Southeast Regional Championship.
- The Knights baseball team wins their first-ever Florida Sun Conference Championship after posting a 43-12 record.
- Men's golfer Kit Larson becomes the first Nova University golfer to be named Florida Sun Conference Player of the Year.

1994 –

- Nova University and Southeastern University of the Health Sciences merge to form Nova Southeastern University.
- Men's basketball wins FSC Championship and reaches NAIA Sweet 16 with 22-12 overall record. David Riley is named FSC Men's Basketball Player of the Year and a NAIA Third Team All-American.
- Baseball player Claude Love named NAIA First-Team All-American, and 40-15 Knights are FSC Tourney Champs.
- Nova University adds softball as its fourth intercollegiate women's sport.
- Kit Larson becomes the first men's golfer to be named a NAIA All-American.
- Knights' volleyball player Vanessa Gutierrez is a NAIA Third Team All-American, first in program history.

1995 –

- NSU adds women's soccer as its fifth intercollegiate women's sport.
- The NSU men's golf team captures their second consecutive Florida Sun Conference Championship, and makes a second straight NAIA National Tournament appearance.

1996 –

- For the second straight season, Bev Young is named FSC Women's Soccer Player of the Year.
- NSU volleyball player Sherri Waddell is named Florida Sun Conference Player of the Year, as the Knights go 27-6 and make an NAIA South Regional Tournament appearance.
- Men's golfer David Cooke is named an NAIA All-American.
- NSU baseball player Felipe Suarez is named FSC Player of the Year, as the Knights win FSC Championship.
- Softball wins FSC Championship and first NAIA Southeast Region Championship, while Heidi Wickham is named as an NAIA Second Team All-American.

1997 –

- Men's soccer player Jason Morris is named Florida Sun Conference Player of the Year after leading the Knights to a 14-8-1 record, the Florida Sun Conference Championship and an NAIA South Regional Tournament appearance.
- With a 49-7-0 record, the NSU softball team wins their third Florida Sun Conference Championship and second NAIA Southeast Region XIV Championship.
- NSU softball player Kim Eason is named FSC Softball Player of the Year.

1998 –

- Ray Ferrero, Jr., is named president of Nova Southeastern University.
- Women's basketball is added as NSU's sixth women's sport.
- Softball wins program-record 53 games, captures fourth straight FSC and third consecutive NAIA Southeast Region XIV Championship. Shannon Sawyer is FSC Softball Player of the Year and NAIA First Team All-American, while teammate Jennifer Ridenoure is NAIA Second Team All-American.

1999 –

- Softball player Cheryl Bond is honored as an NAIA First Team All-American as the Knights captured the Florida Sun Conference and NAIA Southeast Region XIV Championships.
- Women's golf is added to bring the total number of women's sports to seven.

2000 –

- Teofilo Cubillas is named NAIA First Team All-American, and FSC Men's Soccer Player of the Year, after leading the Knights to their second consecutive NAIA South Regional Championship.
- Cheryl Bond is named a NAIA First Team All-American and teammate Stephanie Schaefer is named to the NAIA All-American Second Team.
- The Knights softball team captures their sixth FSC title and fifth NAIA Southeast Region XIV Championship.

2001 –

- NSU women's basketball player Jessie Pate is named FSC Player of the Year and Freshman of the Year.
- Men's soccer is NAIA South Regional Champion for the third year in a row and makes NAIA South Regional Tournament appearance.
- NSU men's soccer goalkeeper Jeremy Flint is named FSC Player of the Year.

DIVISION OF MATH, SCIENCE AND TECHNOLOGY**
What is an ATC?

The Certified Athletic Trainer (ATC) is a highly educated and skilled professional who specializes in health care for those engaged in physical activity. Athletic trainers are vital to the prevention, treatment and rehabilitation of athletic injuries. The athletic trainer works closely with physicians, coaches and other medical and allied health personnel to help provide the highest quality of health care to athletes in clinics, high schools, colleges, universities and professional sports teams.

The Academic Program

Nova Southeastern University's Farquhar College of Arts and Sciences offers a compelling undergraduate curriculum in athletic training. The dedicated faculty and staff members become excellent role models for athletic training students, while providing athletic training service to an NCAA Division II athletics program. The athletic training major, established in 2003, is accredited by the Commission on Accreditation of Athletic Training Education (CAATE), effective March 2007. Athletic training students will graduate with a bachelor of science degree in athletic training and will be eligible to sit for the Board of Certification (BOC) examination. This dynamic athletic training curriculum balances class instruction and clinical experience. NSU incorporates the intimacy of a small college education with the resources of the largest private university in the Southeast. In this dynamic, state-of-the-art program, qualified students earning a bachelor of science degree in athletic training may continue into a professional degree program for physician assistants, occupational therapy or physical therapy.

Clinical Experience

Athletic training students will work closely with certified athletic trainers to gain clinical experience with Nova Southeastern University athletics, sports clinics, high schools and professional sports venues in South Florida. These hands-on clinical opportunities apply and refine skills learned in the classroom. Other medical professionals, such as physicians, physician assistants and physical therapists from Nova Southeastern University's Health Professions Division are also involved in this academic clinical experience.

Admission

To enter the athletic training program, you must first be admitted to Nova Southeastern University in good standing and register for Introduction to Athletic Training (ATTR 1100) during the fall semester. This course will guide you through the application process and appropriate deadlines. ATHLETIC FACILITIES

UNIVERSITY CENTER ARENA "THE SHARK TANK"

Nova Southeastern's newest construction project, the University Center, was completed in July of 2006. The revolutionary 300,000 square-foot, multi-use facility serves as a central hub for the NSU student community. The main arena, which seats 4,500, is the home for NSU's intercollegiate athletic program, and will host all of NSU's volleyball and men's and women's basketball home games. With one main game court, the arena also has two practice/game-ready courts on the upper level. The arena also has the state-of-the-art capabilities to host concerts, lectures, special events and more for NSU and the surrounding community.

The main arena features 5,500 seats, each with a seat back. The main court provides for over 1,200 permanent chair-back seats, while the upper level has over 4,000 seats. The upper level houses the world's largest automated telescopic seating system, which adds over 2,000 chair-back seats on either side when extended. The main arena also features 66 cushioned club seats overlooking the court, just outside of the donor/booster room. Shark Club members and guest enjoy the comforts of a catered suite and a unique baseline view of the court.

ATHLETIC TRAINING/HYDROWORX POOL

- ♦ 2,500 square-foot athletic training suite
- ♦ Totally equipped with state-of-the-art electrical modalities for treatment and rehabilitation
- ♦ three offices for athletic training staff and a totally equipped physician's examination room
- ♦ hydro-therapy area that includes a state-of-the-art HydroWorx 2000 aquatic rehabilitation pool, the only one in the tri-county area

SPORT SPECIFIC LOCKER ROOMS

- ♦ Individual lockers
- ♦ Spacious shower and restroom facility
- ♦ Key-card access to locker rooms
- ♦ Pool-side access from locker rooms

OTHER AMENITIES

Two-court multipurpose Rec Plex gym for basketball, volleyball and special events; Three multipurpose studios to house yoga, pilates, spinning classes and more; Three indoor racquetball courts (one convertible squash court); Outdoor Swimming Pool (heated for the winter months); Indoor two-story rock climbing wall; Personal training and massage therapy; Individual saunas for women and men

TEAM LOUNGE

- ♦ Private meeting area for teams and student-athletes
- ♦ Quiet place to study or complete homework
- ♦ Great place to relax or hang-out before or after practice

NSU SOCCER COMPLEX

The NSU Soccer Complex consists of two practice fields and one game field. The game field is home for both the men's and women's soccer teams. All three fields come equipped with lights that allow for night practices and games. The game field features state-of-the-art grandstand seating with a capacity of 1,000 spectators. The stadium style seating is the newest addition to the complex, which was built prior to the 2000 season. The U.S. Women's National Soccer Team as well as several MLS teams, including the Miami Fusion have used NSU's complex as their training site.

The Orange Bowl Committee has entered into an agreement to use the NSU Soccer Complex as its official training site for one of its participants, which began with the 2003 FedEx Orange Bowl.

NSU BASEBALL COMPLEX

The NSU Baseball Complex is considered by many to be one of the finest baseball facilities in South Florida. This fully lit complex features an immaculate playing field with two outdoor batting cages.

Prior to the 2001 season, NSU added grandstand seating that accommodates 500 people and a fully functional press box.

The Baseball Complex is the site of The Frontier Independent Baseball League's annual player combine and tryouts.

A.D. GRIFFIN SPORTS COMPLEX

The AD Griffin Sports Complex is home to the NSU Softball team. This complex features two practice fields and one game field. All fields are equipped with lights that allow for night practice and games.

The main game field overlooks NSU's Health Professions Building. Located in the middle of the three fields is the press box area.

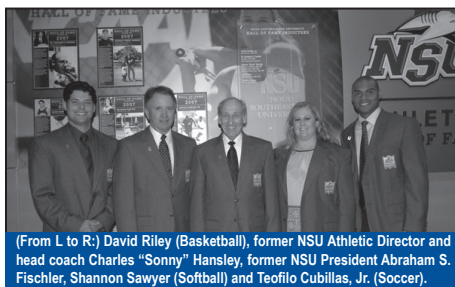

The AD Griffin Sports Complex was named in honor of Mr. A.D. Griffin, Sr.

MIAMI DOLPHINS TRAINING FACILITY

The Miami Dolphins Training Facility is located on the Nova Southeastern University main campus. Bow string trusses and a profile reminiscent of classic athletic facilities define this state of the art training facility of the Miami Dolphins football team, which includes one of the largest weight rooms in the NFL, training rooms, locker rooms, a therapy swimming pool, a cold plunge pool and whirlpools, numerous administrative offices, and a practice field. It also has a bleacher building, which can accommodate 2,000 spectators. The 56,000 square foot facility is frequently used as a prototype for other professional football teams.

ATHLETICS' HALL OF FAME

INAUGURAL NSU ATHLETICS HALL OF FAME CLASS
ENSHRINED AT GALA UNIVERSITY CENTER EVENT

(From L to R:) David Riley (Basketball), former NSU Athletic Director and head coach Charles "Sonny" Hansley, former NSU President Abraham S. Fischler, Shannon Sawyer (Softball) and Teofilo Cubillas, Jr. (Soccer).

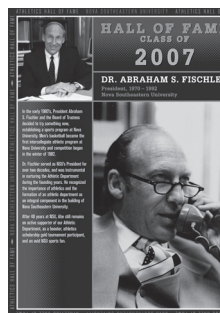

The Inaugural NSU Athletics Hall of Fame Class of 2007 was enshrined in a gala ceremony on May 2, 2007, in the University Center Arena at Nova Southeastern University.

The invitation-only event featured the induction of three former student-athletes and two former administrators. Former NSU student-athletes Shannon Sawyer (Softball), Teofilo Cubillas, Jr. (Soccer), and David Riley (Basketball) joined former NSU President Abraham S. Fischler and former NSU Athletic Director and head coach Charles "Sonny" Hansley in the first-ever NSU Athletics Hall of Fame Class.

Tony Segreto, NBC6 News Anchor, was the master of ceremonies at the event, which drew over 200 attendees. The evening kicked off with a cocktail hour in the club room, overlooking the UC Arena basketball/volleyball court. Dinner followed on the north auxiliary court, after a special video tribute to the inductees from NSU President Ray Ferrero Jr., and a welcome from NSU Executive Vice President Dr. George Hanbury.

NSU Director of Athletics Michael Mominey bestowed each inductee with a Hall of Fame jacket, ring, and plaque to commemorate their enshrinement.

Hansley was presented by his daughter Michelle and son Kenny, Cubillas was presented by NSU men's soccer coach Giuseppe DePalo, Dr. Fischler was presented by his son Bruce, while Sawyer and Riley were both presented by NSU Associate Professor of Social and Behavioral Sciences and Faculty Athletic Representative Dr. Mark Cavanaugh.

In addition, the Athletics Hall of Fame Wall was unveiled in the atrium of the University Center's main entrance. The Athletics Hall of Fame Wall honors the current Hall of Fame

Class as well as each of NSU's all-time team sport championships and NSU's all-time award winners including All-Americans and Conference Players of the Year.

In the fall of 2007, phase II of the NSU Athletics Hall of Fame was unveiled to complete the exhibit. The NSU Athletics Hall of Fame chronicles three decades of NSU Athletics with a timeline documenting key moments in the history of the program.

The central point of the exhibit features wood-crafted trophy cases displaying artifacts from NSU's "Knights" and "Sharks" eras. Story panels highlight the department's leadership history, the national prominence of its programs and the evolution of the Universities mascot are all built into the custom cases.

Plaques recognizing the accomplishments of NSU Athletics Hall of Fame Inductees showcase the Hall of Fame Wall, along side beautiful tempered-glass plaques detailing all-time team successes.

In addition, names of All-American and Conference Players of the Year, and Conference Championship teams are permanently etched onto plaques that adorn the Athletics Hall of Fame wall.

The NSU Athletics Hall of Fame Committee is represented by:

Michael Mominey (NSU Director of Athletics), Robert Prior (Associate Director of Communications and External Ops.), Dr. Mark Cavanaugh (Associate Professor of Social and Behavioral Sciences and Faculty Athletic Representative), Gary Tuell (Head Coach, NSU Men's Basketball), CA Tolchinsky (Head Coach, NSU Cheerleading), Tom Dietters, (Comerica Bank Vice President Charitable Services Group), Lynne Cawley (Director of Alumni Affairs, Osteopathic Medicine), Dr. Gay Holliday, (Associate Dean of Student Affairs), Joe Pineda (Asst. Dean of External Affairs, H. Wayne Huizenga School of Business & Entrepreneurship), Tony Segreto (NBC 6 News Anchor), Nancy Olson (Executive Director, Florida Marlins Community Foundation) and Anthony Bruno (Owner, Anthony's Runway 84)

CHAMPS/LIFE SKILLS PROGRAM

The mission of the NCAA is to maintain intercollegiate athletics as an integral part of the campus educational program and the athlete as an integral part of the student body. With this in mind, the CHAMPS/Life Skills Program was created to support the student development initiatives of its member institutions and to enhance the quality of the student-athlete experience within the university setting.

The NSU CHAMPS/Life Skills Program strives to:

Support efforts of every student-athlete toward intellectual development and graduation.

Use athletics as preparation for success in life.

Meet the changing needs of student-athletes.

Promote respect for diversity among student-athletes.

Assist student-athletes in building positive self-esteem.

Encourage the development of leadership skills.

STUDENT-ATHLETE ADVISORY COMMITTEE (SAAC)

In accordance with NCAA policy, the NSU Department of Intercollegiate Athletics has a Student-Athlete Advisor Committee. The Nova Southeastern University Student-Athlete Advisory Committee (NSU-SAAC) is made up of one member from each athletic team and one alternate. The purpose of this committee is to streamline and promote communication between the student-athlete and the athletic department administration, to encourage more student-athlete involvement within the campus community and to design and implement programs which will encourage academic achievement, health promotion, social responsibility, and general awareness.

COMPLIANCE

Compliance with NCAA rules is of utmost importance to Nova Southeastern University and its athletics department. Nova Southeastern University is responsible for the actions of its coaches, student-athletes, faculty and staff, alumni, donors, boosters and friends. As such, please take a few moments to familiarize yourself with these important items concerning NCAA rules and always remember to ASK BEFORE YOU ACT.
