Giving Guide

2026-2027

WOLVES CLUB MEMBERS

Thank you for showing up, believing in Northern, and continuing to invest in our more than 400 student-athletes. Because of you, they have the resources to compete at a high level while growing in the classroom and preparing for what comes next. Your support is tangible. It shows up every day in scholarships, travel, equipment, and the opportunities that shape their experience as Wolves.

What makes Northern Athletics special is simple: it's personal. Every gift matters. Every student-athlete is known. And every donor is part of the team. That connection is what sets us apart, and it's why we believe Northern is one of the best Division II programs in the country. Our student-athletes feel your support, and they know the people behind it.

Because of you, we are creating more championship opportunities, strengthening the student-athlete experience, and continuing the momentum behind Wolves Athletics. In 2025-26, Northern student-athletes earned eight individual NSIC Championships, 45 NSIC All-Conference honors, eight All-American selections, and broke multiple school records. Beyond competition, more than 150 student-athletes earned academic accolades, more than 85 graduated, and the department achieved its 18th consecutive year with a cumulative GPA of 3.0 or higher. Together, we are creating life-changing experiences for our student-athletes in a community that truly cares about their success. Thank you for being such an important part of the continued growth and future of Wolves Athletics.

“ My journey to NSU began in a gym class in the Netherlands, where my height and the thrill of trampoline dunking sparked my passion for basketball and led me to train at a specialized academy. A friend of mine had a connection to NSU and helped arrange a recruitment call for me. When I arrived in Aberdeen a few weeks after that call, I immediately felt welcomed, thanks to the close-knit community and supportive donors. Donor generosity is so important here. I'm deeply grateful for their support, which shapes every athlete's experience by providing opportunities and fostering a family-like atmosphere. Juggling academics and athletics isn't easy, but the support from donors motivates me to keep striving every single day. ”

Why I Give

NSU STAFF

"My journey with Northern began as a child, watching Wolves basketball. During that time, I also met an education major who inspired me to pursue a career in education. Now, I have the privilege of recruiting the next generation of students to this campus. I choose to give because scholarships changed my life, and they continue to empower our future leaders. Thank you for supporting Northern State University. Your generosity truly makes a difference."

– Eric Kline, Enrollment Management Officer

ALUMNI

"My four years of attending NSU and the amazing opportunity of playing basketball were some of the most transformative and fun years of my life! The opportunities it afforded me, personal growth, and longtime relationships are treasures. I am blessed to be able to continue to contribute to the program and it makes me happy knowing it will help others to hopefully have similar experiences that I did."

– Michelle (Cox) Hammer 1988

CORPORATE PARTNER

"I proudly support Northern State University because I've seen firsthand, through my work on the foundation board, the real and lasting impact every dollar makes on students and the community. Each contribution – no matter the size – helps create opportunities that truly change lives."

Go Wolves!"

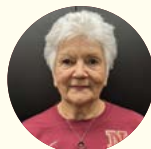

Greg Wieker,

NSU PARENT

"Northern State opened its doors to not one, but two of my sons to play college football. The college provided everything the boys needed to be successful both on and off the field. This school, this campus, this community has become a second home to our family, and we are more than happy to support Northern so others can enjoy the same experience our family did."

– Ken Van Landingham

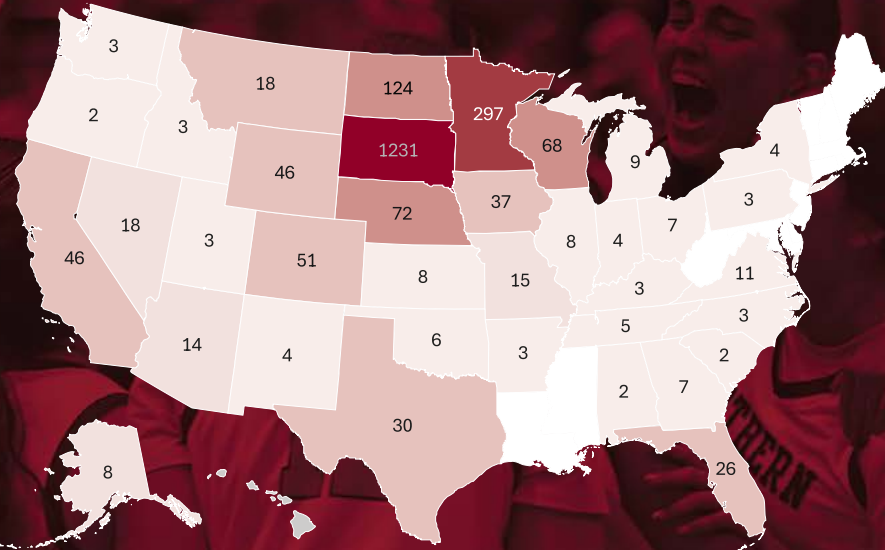

FRIEND

"From personal experience as the wife of a former NSU coach, I know how important the community support is to the success of the athletic teams. To have funds to provide scholarships is essential. If you have the means, please help with your financial support. It will be much appreciated by the coaches and the student-athletes. **Go Wolves!"**

– Carmen Meyer

“Being a student-athlete at Northern has been the ultimate balancing act, managing classes, research, and the demands of soccer, while still finding time for friends and family. Soccer has always been my anchor and escape, especially through tough moments like losing my dad. Every setback, like my ankle injury or the challenges of the COVID-19 pandemic, has just fueled my determination to get better for myself and my teammates. What keeps me here isn’t just the wins on the field or in the classroom, but the lifelong friendships, the support from my family and teammates, our donors, and all the small memories, like dance parties in the locker room or our quirky pregame rituals. The work you put in is the work you receive, and I’m grateful for every opportunity, every lesson, and every person who has helped shape this journey. Thank you to our donors for the scholarships that let me and others chase our dreams. Your generosity has made all of this possible.”
