

OPC Bundle Basics

What's included?

- Each school has access to the OPC weight management system – **\$75 value**
- Each school has access to the Trackwrestling statistics program – **\$50 value**
- Unlimited use of Trackwrestling event management software for sanctioned in-season tournaments at no additional cost – **approx. \$100+ value per event**
- Use of Trackwrestling event management software for all postseason tournaments including enhanced support for setup and execution at no additional cost – **\$75+ value per event**
- Free NWCA membership which includes full access to a comprehensive technique library, student-athlete leadership course, coaching development tools and resources, FREE CEO Leadership Academies for boys/girls high school coaches, and an awards/recognition program – **\$50 value**

The OPC Bundle provides over \$250 in value for the price of \$100 per school for boys teams and \$25 per school for girls teams!

How does it work?

- Each school pays \$100 for boys and \$25 for girls. This can either be paid by the association or the individual schools
- Access is given to each school for the OPC and statistics program
- States that bundle boys get free Trackwrestling event management software usage for boys AND girls
 - Event are ordered normally and invoices for those events will not carry a charge
 - Dual or individual events
 - Each school can run unlimited sanctioned season events at no additional cost
 - Postseason qualifiers and State Championships are included

What are the benefits?

- One payment for the full suite of products
- Keeps all events, stats and results on one platform
- More results available to use in seeding and statistics
- Easy access to view rosters, schedules, results, brackets, stats, and more all in one place

What if I don't want to save by bundling?

- The best value is in bundling, but our new ala carte pricing is as follows:
 - Boys OPC - \$75 per team
 - Girls OPC - \$20 per team
 - Trackwrestling Statistics Program - \$50 per team
 - Trackwrestling Event Management - Approx. \$100+ per event
 - NWCA Membership - \$50 per coach

What are they saying?

- *“Nebraska started using Trackwrestling in 2011 when it wasn’t as well known. In 2018 we contracted with Trackwrestling as they created a bundle for our schools that included an NWCA coaches membership, access to the OPC, the stats program, and all high school hosted tournaments for one, prepaid price. At the conclusion of the first season, we conducted a survey with our member schools to gauge the satisfaction. The program received a 98% approval. From a state association perspective, it has streamlined all aspects of our regular and postseason events. I couldn’t give it a higher recommendation. It has been fantastic for us..”*

Ron Higdon
Assistant Director
NSAA (Nebraska)

- *“Having both the boys and girls teams all in the OPC as part of the bundle permits and encourages each of the member schools to host events without additional costs. The support from Trackwrestling has been excellent and quick for the schools and the state office. We look forward to seeing what else the OPC can do for our state and especially the schools and athletes representing our schools.*

Mark Lentz
Assistant Executive Director
KSHSAA (KS)
