PRESIDENT BRIAN O. HEMPHILL, PH.D.

Brian O. Hemphill, Ph.D., Old Dominion University's ninth president effective July 1, 2021, is an unwavering champion for access and opportunity, as well as innovation and research, with a deep commitment to forward-focused leadership. President Hemphill is proud to lead ODU with a steadfast dedication to excellence, a firm commitment to accountability and transparency, and — most importantly — a strong focus on diversity, equity, and inclusion, as well as student success.

President Hemphill's road to ODU has taken him from the University of Arkansas-Fayetteville, a flagship university, where he served as Associate Vice Chancellor and Dean of Students; to Northern Illinois University, a large, public, research university, where he served as Vice President for Student Affairs and Enrollment Management and Associate Professor for eight years; West Virginia State University, a public, land-grant, research university, where he served as the 10th President and Professor for four years; and, most recently, Radford University, a comprehensive university, where he served as

the seventh President and Professor for five years.

President Hemphill earned a Ph.D. in Higher Education Administration and Policy Studies from the University of Iowa, a Master of Science degree in Journalism and Mass Communication from Iowa State University of Science and Technology, and a Bachelor of Arts degree in Organizational Communication from Saint Augustine's University. President Hemphill is a published author with a multitude of writings covering topics related to gun violence and threat preparedness on college campuses; emerging financial concerns affecting the collegiate sphere; STEM (Science, Technology, Engineering, and Mathematics) and economic-related issues pertaining to education; and a myriad of additional scholarly perspectives pertinent to the higher education environment. President Hemphill co-edited a book, titled "College in the Crosshairs: An Administrative Perspective on Prevention of Gun Violence." He is a highly sought-after keynote speaker, guest presenter, and panelist with frequent appearances across the country.

President Hemphill's passion for life and unparalleled commitment to excellence begins at home where he shares his life with his loving and supportive wife, Dr. Marisela Rosas Hemphill, who proudly serves as ODU's First Lady. The Hemphills are the proud parents of energetic twins, Catalina and Cruz. President Hemphill also has two adult children, Jada, a public school teacher in Fort Worth, Texas, and Jordan, assistant director of athletics development at the University of Iowa. Above all else, President Hemphill cherishes the time he spends with his children who are so very precious to him. The Hemphill family resides in the Jacobson House. President and First Lady Hemphill, as well as their entire family, actively engage both on the campus and in the community by attending a variety of activities and events in support their fellow Monarchs!

Old Dominion University began its tradition of excellence when it was founded in 1930 by the College of William and Mary, the second oldest university in the United States. Established as an extension of William and Mary in Williamsburg, Virginia, and Virginia Polytechnic Institute in Blacksburg, Virginia, Old Dominion began educating teachers and engineers. The two-year school rapidly evolved into a four-year institution, and was granted independence in 1962 as Old Dominion College.

Considerable growth in enrollment, the expansion of research facilities and preparation for the addition of graduate programs led the Board of Visitors to approve the name change to Old Dominion University. Now Old Dominion is a powerhouse for higher education with six colleges: Arts and Letters, Business and Public Administration, Education, Engineering and Technology, Health Sciences and Sciences. Old Dominion has offered master's degrees since 1964 and Ph.D.s since 1971. The University has achieved designation as a Research University (high research activity) from the Carnegie Foundation for the Advancement of Teaching.

Proud of its past, Old Dominion constantly looks to the future and prides itself on its continually expanding research and teaching programs. An ever-evolving university, Old Dominion is an agent of change for its students, for the region and the nation it serves. Old Dominion is Virginia's forward-focused, public doctoral research university for students from around the world who want a rigorous academic experience in a profoundly multicultural community. Our nationally recognized faculty use real-world expertise and innovative teaching methods to challenge students to achieve their highest goals. Our determined entrepreneurial approach to problem-solving drives cutting-edge research, eminent scholarship and strategic partnerships with government, business, industry, organizations and the arts.

The Monarchs are an official member of the Sun Belt Conference, while also serving as affiliate members to the Big East (field hockey), American Athletic Conference (women's lacrosse, rowing), and CCSA (men's swimming).

ODU Athletics owns a rich winning tradition that includes 28 team national championships and four individual national titles. The ODU women's basketball program is responsible for three of those national titles, including the 1979 and 1980 AIAW Championships and the 1985 NCAA Championship.

Old Dominion has particularly been trailblazers in women's collegiate athletics, as ODU was the first school in the Commonwealth of Virginia to initiate scholarship offers for women, doing so in August of 1974. The women's basketball and field hockey programs are the most notable amongst ODU's female programs, as the two programs have combined for 12 national titles.

Not only do the Monarch athletic teams shine, but so do the facilities that they call home. With recent renovations across several facilities and the construction of the Mitchum Basketball Performance Center, Old Dominion boasts some of the top athletic facilities among Power-5 schools.

The L.R. Hill Sports Complex, the home of the ODU football, lacrosse and field hockey programs, has hosted several NCAA and conference field hockey championships, including the 2016 NCAA Field Hockey Championship. The ODU Soccer Complex has hosted the Conference USA Tournament in two of the past four seasons and the Folkes-Stevens Tennis Center has also played host to conference tournaments, as well as several ITA events.

Old Dominion University heralds itself as being a diverse community and the ODU Athletics program follows directly in that path. Across all sports, there are over 50 international student-athletes, representing 30 different nationalities.

In addition, the Old Dominion University Sports Hall of Fame was established to honor outstanding achievements by former student athletes and outstanding contributions by coaches and athletic administrators, while at ODU. The Hall is to exist for the purpose of honoring those individuals and recognizing the importance of their achievements and contributions to the overall enhancement of the reputation of Old Dominion University.

ATHLETIC DIRECTOR DR. WOOD SELIG

Dr. Camden Wood Selig is in his 14th year as Director of Athletics at Old Dominion University, where his "Championship Effort" philosophy has helped guide the department as one of the most respected and successful intercollegiate programs in the nation. Of the 133 FBS Athletic Directors, Selig is the 13th longest FBS tenured in the country. He is in his 25th year as a Division I AD.

During his tenure, Selig has directed the University's move through two FBS conferences and has Old Dominion positioned strongly in the Sun Belt Conference. He has overseen the transition of a startup FCS football program to the FBS level, led major athletic facility expansion and enhancement for virtually all 18 programs, and added women's volleyball in 2019.

One needs only to visit the ODU campus to see Selig's contributions to the growth and improvement of Monarch athletic venues with well over \$100 million invested in Intercollegiate athletic facilities since his arrival. Projects completed and initiated under Selig include:

- •ODU opened the \$67.5 million Kornblau Field at S.B. Ballard Stadium on Saturday, August 31, 2019 against Norfolk State. The stadium rebuilding was completed in nine months.
- •A \$20 million baseball renovation began in the fall of 2022. The new stadium, which should be complete for the 2026 season, will be called the Ellmer Family Baseball Complex.
- •The Bernett & Blanche Mitchum Basketball Performance Center, a privately funded \$8.4 million stateof-the-art facility, is complete and is the new training center for the ODU men's and women's basketball
- •The \$3.5 million repurposing of the arena in the Jim Jarrett Athletic building is now the brand-new 900 seat home of the ODU women's volleyball program.
- •A \$3.5 million expansion of L.R. Hill support facility for football, women's field hockey, and women's

lacrosse, including a new state-of-the-art weight room.

- •The addition of a \$2.3 million video replay scoreboard, LED ribbon panels, and digital tables at Chartway Arena.
- •The \$600,000 Paul A. Keyes Indoor Hitting Complex, which opened in the fall of 2014.

As collegiate athletic costs continue to rise, Selig has placed a premium on increasing privately generated revenue. Since his arrival in 2010:

- •Total ODAF philanthropic gifts for athletics have surpassed \$140 million.
- •Corporate sponsorship revenue has surpassed \$33 million.
- *Staff giving to the Old Dominion Athletic Foundation (ODAF) has remained at 100% for thirteen consecutive years.

And, in ODU's first year in the Sun Belt Conference, they led in attendance for men's and women's basketball and set a single-season ODU record for football.

One of the most dramatic and gratifying accomplishments for Selig has been the academic success of the 18 teams. Highlights from 2022-23 include:

- •An ODU record 197 student athletes (49%) earned Dean's List honors with a 3.4 or higher GPA.
- •An ODU record 3.26 cumulative GPA for all 475 student-athletes.
- •At least a 3.0 GPA recorded by 71% of student-athletes.
- •A 3.0 GPA or higher for 16 of 18 teams.

Monarch teams have performed well on the playing fields under Selig, highlighted by:

- •Fifteen Conference Championships since 2010, including back-to-back championships for women's soccer and three straight conference championships for women's tennis.
- •ODU's three Sun Belt Conference Championships in 2022-23 were the second most in the league and the most of the four new arrivals (ODU, James Madison, Marshall, Southern Miss).

In Selig's tenure there have also been numerous firsts and achievements that haven't been accomplished in many years, including:

- ·Linebacker Jason Henderson in 2022 became the first ODU football player to earn All-America honors at the FBS level.
- •In 2016, ODU participated in its first bowl game in the Bahamas. In 2021, went to its 2nd bowl game in Myrtle Beach.
- •Women's soccer won its first C-USA Championship in 2022 and first conference championship since 2006.
- •In June 2022, baseball first baseman Matt Coutney was named C-USA Player of the Year and honored on four All-American teams. Additionally, he earned CoSIDA Academic All-American honors becoming the first baseball player in 17 years to be named an Academic All-Ameri-
- •In May 2021, the women's tennis team won the Conference USA Championship for the first time, its first conference championship since 2001. They have since won three-straight conference championships and have won an NCAA first round Tournament match three-straight years, including wins over Arkansas and South Carolina, and has advanced to the final 32 each of the last three seasons.
- *Over the 2021 and 2022 baseball seasons, ODU was one of just 11 schools in the country and the only school in Virginia to have back to back 40+ win seasons.
- •ODU baseball has the 17th best winning percentage in the country since 2021.
- •The baseball team won its first C-USA Championship, earned a No. 1 seed at the NCAA Regionals and received its highest final ranking in July 2021 of No. 16 in the Top-25 poll.
- •Nineteen baseball players have been drafted under current head coach Chris Finwood, who Selig hired in 2010.

ATHLETIC DIRECTOR DR. WOOD SELIG

Hampton Roads Community outreach and support has been a staple under Selig's leadership:

•Selig spearheaded the return of the annual Khedive Shriners' Oyster Bowl game to Foreman Field at S.B. Ballard Stadium in 2011 and helped raise over \$250,000 for the Shriners' Children's Burn Hospital since that time.

•In 2022-23, ODU student-athletes were ranked #9 in the country with 5,321 total community service hours in the NCAA TeamWorks Challenge for all Division 1 schools.

Selig spent 11 years directing the Western Kentucky University Hilltopper athletic program, which won 70 Sun Belt Conference Championships from 2000-2010 and a national record 19 crowns in two seasons, 2008-2010. He also led WKU from FCS to FBS and is the only AD in the country to lead two institutions in this transition.

Prior to his stint at WKU, Selig served as the Senior Associate Athletic Director at the University of Virginia from 1988-1999, overseeing external operations his last five years. He began his athletic career as the Director of Ticketing at VCU, where he served from 1985-1988, finishing his stint as Assistant to the Athletic director.

Selig was a four-year member (2006-2010) of the NCAA Women's Basketball Committee and served as Chair of the Final Four site selection committee. He served as Chair for both the Sun Belt Conference Athletic Directors and the Men's Basketball Committees during his tenure at WKU. He has served on the prestigious Division I Championships/Sports Management Cabinet representing the CAA and is currently on the Elizabeth River Trail Board of Directors and serves on the executive committee for the Norfolk Forum and was recently named the groups secretary. He is a two-time winner of the Tom Fergusson Metropolitan Person of the Year award by the Norfolk Sports Club (2014, 2023), symbolic of his impact on the region's sports profile.

Selig was born in Chapel Hill, North Carolina, and raised in Norfolk, Virginia, where he attended Norfolk Collegiate School, He holds a bachelor's degree in psychology from Washington and Lee University, a master's degree in sports administration from Ohio University and a doctorate in educational leadership from the University of Virginia, with a minor in business from the UVA Darden School of Business. His dissertation "The Study of Donor Predictability Among Alumni Athletes", won the 2002 CASE Outstanding Doctoral Dissertation.

Selig and his wife Ellen of Annapolis, MD, have three children, Lex, 26, Nick, 24 and Julianna, 19.

NORFOLK, VIRGINIA

Located in southeastern Virginia, Norfolk is a city of approximately 247,000 residents and is the second biggest city in the state, behind neighboring Virginia Beach. SUN BELT

The Sun Belt Conference (SBC) has established itself as a leader among intercollegiate athletics leagues since its move to the Football Bowl Subdivision (FBS) in 2001.

Founded in 1976, the Sun Belt now features 14 dynamic member institutions across 10 contiguous states. The Sun Belt boasts broad-based excellence across its 20 sponsored sports, in the classroom and in the communities across the league's footprint.

In the College Football Playoff era (since 2014), the Sun Belt paces the FBS with a .614 bowl winning percentage.

The 2022 campaign—the conference's first as a 14-team football league—was a banner year for the Sun Belt, which defeated four autonomy five programs, hosted ESPN's College GameDay for the second time in conference history and produced a conference-record seven Bowl Season participants—tied for the most among non-autonomy conferences and trailing only the SEC, ACC, Big Ten and Big 12.

- Since 2020, just 10 FBS programs have won more than 75 percent of their games. The Sun Belt is tied with the SEC, Big Ten and Big 12 with two teams on that list—Coastal Carolina (31-7, .816) and Louisiana (29-9, .763).
- The Sun Belt has had multiple 10-win teams for five-straight seasons.
- The Sun Belt has had a team listed in the final College Football Playoff rankings for four-straight seasons.
- The Sun Belt boasted a 53 percent increase in All-American honors in 2022, with 26 student-athletes combining to earn 53 All-America honors.
- The Sun Belt was home to the last two unbeaten teams from a non-autonomy conference, the last one-loss team from a non-autonomy conference and 1-of-2 two-loss teams from a non-autonomy conference in 2022.
- The Sun Belt had the long conference championship game to feature a pair of teams with two-or-fewer losses in 2022 and won the lone bowl game to feature a pair of conference champions.
- The Sun Belt has had at least one selection in 15 consecutive NFL Drafts and has claimed multiple picks in 20-of-22 since it began sponsoring football in 2001. Three of the Sun Belt's five highest NFL Draft totals have come over the past four seasons with seven selections in 2020, six picks in 2022 and a conference-record nine draftees in 2023.

SUN BELT

The Sun Belt's success extends far beyond the football field and into a number of team and individual successes in each of its sports:

- The Sun Belt was a multi-bid league in men's soccer, men's golf, softball and baseball in 2022.
- Two Sun Belt men's soccer teams reached the Sweet Sixteen, one softball team reached NCAA Super Regionals and one baseball team reached NCAA Super Regionals in 2022.
- The Sun Belt was 1-of-5 conferences—joining the ACC, Big 12, Pac-12 and SEC—to produce a Super Regional team in both baseball and softball in 2022.

The Sun Belt Conference is showcased nationwide through a media rights partnership with ESPN that runs through the 2030-31 academic year. The Sun Belt enjoyed a viewership of 25 million during the 2022 football season. For the 12th consecutive year in 2022, every Sun Belt home football game will appear on an ESPN platform or another linear network.

The Sun Belt Conference has transitioned to a neutral-site model for many of its championship events to provide an enhanced experience for student-athletes and fans. Pensacola, Fla., will serve as home for the Sun Belt Men's and Women's Basketball Championships through the 2024-25 season. Cross country (Foley, Ala.), women's soccer (Foley, Ala.), volleyball (Foley, Ala.), men's tennis (Rome, Ga.), women's tennis (Rome, Ga.) and baseball (Montgomery, Ala.) have also established long-term agreements.

As part of the Sun Belt's commitment to racial justice, the conference launched BE THE CHANGE during the summer of 2020 - focusing attention on American civil rights, promoting civic engagement, and creating dialogue with law enforcement. The conference also established and encouraged its teams and fans to visit the Sun Belt Conference Civil Rights Trail, which highlights historic sites and landmarks found within the league's geographic footprint.

The Sun Belt supports more than 6,700 student-athletes in sponsoring 20 NCAA sports.

The Sun Belt's 14 member institutions are App State, Arkansas State, Coastal Carolina, Georgia Southern, Georgia State, James Madison, Louisiana, ULM, Marshall, Old Dominion, South Alabama, Southern Miss, Texas State and Troy.

The Chartway Arena, an 8,600 seat facility, is the home for the Old Dominion University basketball programs.

Building Location

Hampton Boulevard, across from the Batten Arts and Letters Building. The Center is the cornerstone for a 67-acre University Village that features shopping centers, restaurants, a variety of retail shops, research labs and residents.

Number of Seats

The center has 8,600 fixed seats, including a super box with mini-suite for entertaining 40 to 50 guests and club level priority seating. In addition, there are 16 suites with 12 seats each, a group box on the private concourse level and 85 barrier free seats with 85 companion seats in the facility. When seating is added on the floor, capacity is about 10,000.

Building Size

The center has 215,000 gross square-feet and consists of four parts- the seating bowl, multiple spaces for support functions for patrons, "back of the house" spaces to support center operations and a 10,000 square foot area of multi-purpose rooms that can be used for conferences, meetings, pre-and post activity gatherings, etc.

The bowl has been designed to allow 'downsizing' for a variety of University events ranging in size from 1,500 to 2,000 attendees and up. Retractable seating allows for events such as concerts, lectures and commencements.

Technology

The Chartway Arena is alive with a new center-hung HD video scoreboard, LED ribbon displays and digital signage, and a newly branded 4400 Club premium seating area, all designed to provide entertaining game experiences for Monarch fans. Highlighting the video package are four main video displays, four centerhung corner displays, a lower center-hung ring display, two end wall ribbon displays, two side wall ribbon displays, four vomitory displays, 16 scorer's tables and a three-sided outside marquee. Old Dominion University is committed to providing state-of-the-art facilities for student athletes that support dual goals for academic and athletic success.

MITCHUM PERFORMANCE CENTER

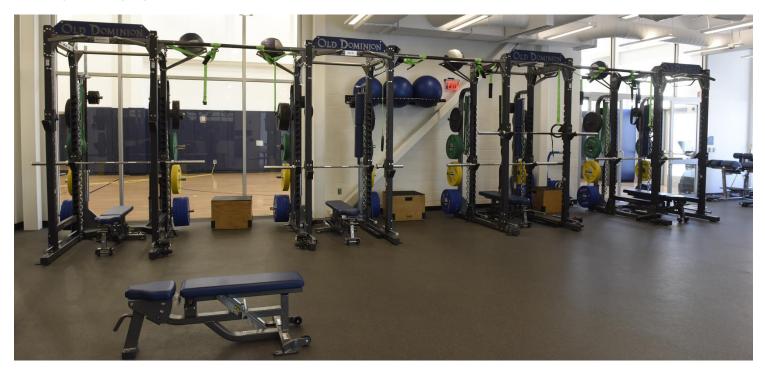

Part of the long-term campus master plan, the new Bernett and Blanche Mitchum Basketball Performance Center, informally known as "The Mitch," reflects this shared focus and prepares both the men's and women's Division I NCAA basketball programs for a bright future.

The Mitch is a \$8.5 million dollar state-of-the-art practice facility for both the ODU men's and women's basketball programs. The 24,000-square foot performance center opened in the Spring of 2017 and now currently serves as the home facility for the Monarch basketball players and coaches with locker rooms, offices and much more.

It puts ODU at the "top of the food chain" of facilities in Conference USA, AD Wood Selig said. "It screams commitment," Selig said during the dedication for the facility in May of 2017.

Standing at the corner of 43rd Street and Monarch Way, The Mitch is adjacent to the Chartway Arena, providing players and coaches easy, walkable access between their practice facility and their home on gameday.

Located on a small site next to Chartway Arena, the desired programming called for the design team to reimagine how these spaces could work together, ultimately delivering a remarkably comprehensive facility despite the tiny footprint. The Mitch features a dedicated strength and conditioning room, sports medicine suite complete with hydrotherapy pools, hydration room, film room, men's and women's players' suites, office space, a main court with three cross courts, and a shooting court. Notably, the facility allots the exact same number of square feet to both the men's and women's programs, reflecting ODU's emphasis on equality.

MITCHUM PERFORMANCE CENTER

The facility's exterior aligns with its surrounding context, with materiality reflective of Chartway, while the Monarch Way façade is reminiscent of the mixed-use storefronts of University Village. The use of glazing supports goals for transparency on the interior of the facility, bringing natural light into the corridor and coaches' office suites.

On the interior, the coaches' offices provide direct visual connection to the practice court, promoting a collaborative environment between coaching staff and student athletes. The players' suites offer both traditional locker room amenities as well as lounge space where players can bond over gaming consoles or focus on academics.

The Basketball Performance Center advances ODU toward its goals to attract, retain, and support the highest level of academic and athletic talent. The Clark Nexsen/AECOM team partnered on the building design, sharing a vision for an environment of transparency and collaboration. The Basketball Performance Center is designed to LEED Silver certification.

\$8.5 million state-of-the-art facility was completed in Spring of 2017.

24,000 square-foot facility includes a strength and conditioning room, sports medicine suite complete with hydrotherapy pools, hydration room, film room, men's and women's players' suites, office space, a main court with three cross courts and a shooting court.

2023-24 COACHING STAFF

ODU WOMEN'S BASKETBALL

HEAD COACH DELISHA MILTON-JONES

FOURTH YEAR AT ODU | SIXTH YEAR OVERALL

DeLisha Milton-Jones, a 2022 Women's Basketball Hall of Fame Inductee, a two-time Olympic gold medalist with a decorated professional career in the WNBA and overseas and former head coach at Pepperdine University, was announced as the new head coach of the Old Dominion women's basketball program by Director of Athletics Dr. Camden Wood Selig on April 17, 2020.

Milton-Jones was part of an eight-person class that was inducted into the Women's Basketball Hall of Fame on June 11, 2022 in Knoxville, Tennessee. She became the second Monarch coach in the Hall of Fame joining Marianne Stanley and joins former ODU standouts Inge Nissen, Nancy Lieberman, Ticha Penicheiro and Anne Donovan.

Year three marked ODU's return to the Sun Belt Conference as the Monarchs went 22-12 overall and 12-6 in conference play in 2022-23. The team reached the semifinals of the 2023 Sun Belt Championship tournament as the No. 5 seed, falling to eventual champion and top seed James Madison, 70-64. Amari Young represented ODU on the All-Sun Belt Second Team as well as on the All-Tournament Team. The Monarchs put together a six-game win streak in non-conference action and another six-game run in conference play, securing Sun Belt series sweeps of Georgia Southern, Georgia State and Marshall. With a 13-2 (.867) record when playing at Chartway Arena, the Monarchs owned the best home record in the league and landed on CollegeInsider.com's Mid-Major Top 25 poll four times during the season, ranking as high as No. 18 on December 20. Milton-Jones also earned her 50th win at ODU with the team's 73-70 win at Georgia State on January 21.

The offseason saw Milton-Jones add her seventh gold medal to her trophy case. An assistant coach with Team USA's U-19 squad, the team edged Spain 69-66 to win the FIBA U-19 Women's Basketball World Cup on July 23 in Madrid. Additionally, Brenda Fontana made her debut with Argentina's senior team as she represented her home country in the FIBA AmeriCup tournament, held in León, Mexico.

In her second season, the Monarchs finished with a 24-10 overall record and a Conference USA ledger of 12-6 in 2021-22. ODU opened by splitting its first four games with a pair of wins at home, including a Power 5 win over SEC member Auburn. The Monarchs then closed out 2021 with eight straight wins that saw them register another Power 5 win by knocking off Texas Tech in the Van Chancellor Classic en route to winning its bracket there. That streak went to nine to start 2022 as they opened conference play winning at UTSA. ODU also scored a road win over eventual Conference USA Champion Charlotte in late January.

The Monarchs did close their C-USA tenure with a feat only accomplished by the first team in the C-USA as Iggy Allen and Ajah Wayne earned First Team All-C-USA honors. The last time that was done was in 2013-14, the first year the Monarchs were members. Allen was also a First Team All-VaSID choice as ODU ended its season in the second round of the WNIT after scoring a road win at Towson.

Milton-Jones guided the Monarchs to a 13-11 overall mark and a Conference USA Tournament Semifinals appearance in 2020-21. She notched her first win on the Monarchs' bench on Dec. 3 with a 70-47 result over William & Mary in ODU's home opener. Just three days later, she picked up another win over an in-state opponent – beating eventual Atlantic 10 champion VCU 81-76 in overtime. The Monarchs closed out the regular season with four wins in their last five games, including a 74-57 triumph on the road at C-USA Champions Middle Tennessee. Milton-Jones' Monarchs carried that momentum with them to Frisco, Texas for the C-USA Tournament. ODU won three games in as many days, including a pair of overtime victories, to reach the semifinals as the No. 6 seed out of the east. ODU took Rice, the west's top seed, to the brink before eventually falling 62-60. In all, the Monarchs were 7-2 in their final nine games.

Under the tutelage of Milton-Jones, three Monarchs earned significant accolades in 2020-21. Victoria Morris and Amari Young both placed on the all-conference second team. Young was also on the C-USA All-Defensive Team and the VaSID All-State Second Team. Wayne played her way on to the C-USA All-Tournament Team and the all-state second team. ODU also found success in the classroom in 2020-21 with nine players featured on the Conference USA Commissioner's Honor Roll.

Milton-Jones has excelled at every stop of her basketball career. She started her college coaching career as an assistant at Pepperdine in 2016-17. After one season, she moved into the head coaching role and led the program to unprecedented success. In the 2017-18 season, she guided Pepperdine to 10 wins, the most at the Malibu school since 2012. In her second year, the Waves finished 22-10, winning 12 more games than the previous year in one of the best turnarounds in the country. The Waves' 22 victories in 2018-19 also marked the program's most since 2002. Pepperdine earned a WNIT bid for the program's first postseason tournament appearance, and then advanced to the

Sweet 16 with wins over St. Mary's and Cal Baptist.

She left Pepperdine for the assistant coaching role at Syracuse following the 2019 WNIT run. Milton-Jones joined the staff of veteran head coach Quentin Hillsman. With Milton-Jones on the bench, the Orange put together a 16-15 mark, highlighted by wins over No. 5 Louisville and No. 8 Florida State.

Milton-Jones is the eighth head coach in ODU's storied women's basketball history, replacing Nikki McCray-Penson, who left to become the head coach at Mississippi State. Milton-Jones and McCray were both members of the USA team that won the gold medal in the 2000 Olympics.

Milton-Jones's coaching career followed a long and successful professional and international basketball career. Drafted fourth in the 1999 WNBA draft, she played 17 years in the league, retiring from the WNBA in 2016 after setting the record for most games played in league history with 499, which was later broken by WNBA great Sue Bird. She helped lead the Los Angeles Sparks to back-to-back WNBA Championships in 2001 and 2002. She was selected to the WNBA All-Star team in 2000 and 2007 and represented the U.S. Olympic Team in The Game at Radio City in 2004, an exhibition between the U.S. Olympic Team and a roster of WNBA stars that took the place of a traditional allstar game. In all, Milton-Jones played for Atlanta, New York, Washington and San Antonio, in addition to Los Angeles. Her 5,571 career points rank 16th in WNBA history. She also made stops in Spain, Italy, Turkey, South Korea, the Czech Republic and Russia to play professionally.

On the international stage, Milton-Jones helped the United States win Olympic gold medals in 2000 and 2008. In the latter, she was coached by former ODU legend, Anne Donovan. She missed the 2004 Olympics with an injury. While playing for the national team, Milton-Jones also helped Team USA win FIBA Championships in 1998 and 2002.

Milton-Jones's first venture into coaching came when she was named interim coach of the Los Angeles Stars midway through the 2005 American Basketball Association. She became just the second woman to coach a men's professional basketball team.

Milton-Jones, who played for four years for Carol Ross at Florida, had one of the most remarkable college careers at Florida, capped off her senior year when she was named the 1997 Wade Trophy Winner, the 1997 SEC Player of the Year and a First Team All-American selection amongst other highly-touted accolades. She scored 1,858 points during her career, helping the Gators to four straight NCAA tournament appearances. Ironically, her final collegiate game was a 53-51 loss to Old Dominion in the 1997 NCAA Elite Eight. She was named to the Florida Gator Hall of Fame in 2007.

Milton-Jones takes over a program with a storied history that has returned to the national spotlight in recent years. The Monarchs' 1,084 wins ranks top-10 in the NCAA all-time wins category. ODU also owns three national championships, 25 NCAA Tournament appearances, 17 conference championships and 55 All-Americans.

WHAT THEY'RE SAYING

"To coach DeLisha, both at the University of Florida and later with the LA Sparks was one of the great honors of my career. Her passion, dedication and competitive spirit were a gift to the game and a coach's dream."

- Carol Ross, Former Florida Head Coach

"DeLisha has proven to be successful as a player at the highest level and as a head coach at the collegiate level. Her contagious enthusiasm and ability to forge strong relationships with players and colleagues are important strengths. She knows what it takes to be successful and will continue the proud tradition of Old Dominion University's women's basketball program."

- Carol Callan, USA Women's Basketball Team Director

"I can't think of anyone else who would be better for Old Dominion than DeLisha. With what Nikki has done with the program, you had to hire someone with credentials. You had to hire someone with cachet and DeLisha has that. Google her name. Her record speaks for itself. She's going to do great things at ODU."

- Nancy Lieberman, Two-time Wade Trophy winner and All-American at ODU

I had the pleasure to play with DeLisha during my career. Besides being one of the most competitive, talented and hardest working players I've ever played with, D was also a super caring teammate. She always made sure everybody around her was happy and taken care of! DeLisha has won at every level, and I have no doubt that she will be successful at Old Dominion. Her passion for the game and the connection she will have with the players will translate into many successful seasons.

- Ticha Penicheiro, Former ODU standout & Wade Trophy Winner LA Sparks teammates in 2010 & 2011

DeLisha is a home run hire for ODU. She has been a champion at every level of the game and will bring the championship mindset to ODU. Her team will be a reflection of her work ethic and competitive spirit. Monarch fans will enjoy her infectious energy as she continues to expand ODU's winning culture. Kudos to ODU for their hire of DeLisha - today we add another minority woman to the Division I coaching level.

- Dawn Staley, Current Head Coach at South Carolina & USA Women's Basketball Teammate of Milton-Jones

"I think this is a great hire for Old Dominion and the WBB program." DeLisha has a stellar background as Olympian, veteran WNBA player and now as a college coach at several universities. She's clearly ready for this next stop. Her passion for the game of basketball and her enthusiasm for the people with home she's in the trench is unmatched. I'm excited and know that she'll continuing the winning culture that is hallmark of ODU women's basketball."

- Marianne Stanley, Indiana Fever head coach, former ODU women's basketball coach (1977-87)

2023 SUN BELT CHAMPIONSHIP

2023 HERCULES TIRES WOMEN'S BASKETBALL CHAMPIONSHIP

Pensacola Bay Center | Pensacola, Fla. | Tuesday, February. 28 - Monday, March 6

MONARCHS IN THE COMMUNITY

The Old Dominion women's basketball team takes pride in helping the community and sharing experiences with fans of all ages. From visiting children at CHKD to running clothing and shoe drives, the Monarchs strive to improve the ODU community and its surrounding area.

Around campus, the ODU women's basketball squad is consistently one of the most visible organizations on campus and can commonly be found supporting their fellow student-athletes at their respective sporting events, helping out on move-in days, instructing and inspiring at various clinics and camps, making it out to several meet and greets with various organizations and much more. The Monarchs are also present throughout many area elementary schools, visiting and talking to classes throughout the year. The Monarchs have engaged with James Monroe Elementary, Larchmont Elementary, the Achievable Dream Academy, Williams Middle School and many more.

In 2011, the progam began what has become a household tradition for ODU Athletics, the Annual Education Day Game. Bringing in students from a majority of the Norfolk Public Elementary Schools, the game has become a consistent sellout over the years and, in 2016-17, the game broke the Ted Constant Center attendance record for basketball with a crowd of 8,563. This year, the Monarchs are expanding on the Education Day idea, and will now have a second Education Day Game. This contest will bring in students from local schools outside of Norfolk.

Another annual tradition is the the Survivor's Walk at Susan G. Komen Tidewater Race for the Cure in Virginia Beach, Virginia. Usually in the month of October, the women's basketball team leads the walk features of thousands of participants and hundreds of survivors. Making the event even more special is that Coach McCray is a cancer survivor. Up to 75 percent of the funds raised at the Race remain in Tidewater to provide breast health research, diagnostics, screening, treatment, services and education for uninsured or underinsured women. The remaining 25 percent funds national research.
