Clay Calkins

Malone '95

Head Coach

It is not easy taking over for a legend but Ohio Head Track and Field and Cross Country Coach Clay Calkins has met the challenge with vast success in just his third year at the helm since replacing Elmore Banton in June 2003.

Calkins' men's and women's programs have seen a mark of steady improvement and feature several individual athletes who have made a splash on the national scene.

At the 2005 Mid-American Conference Cross Country Championships, the men and women, led by second-team All-MAC Jason Linton and first-team All-MAC Carime Reinhart, finished third and fourth, respectively. It was the men's best performance since 1996 and the women's top finish since 1998.

In the 2005 outdoor track season, three of Calkins' athletes competed in the NCAA Regionals in Bloomington, Ind. Ohio's Scott Mayle moved on to win the Mideast Regional in the long jump and place 17th at the NCAA Championships. Mayle and the distance runners are just some of the reasons why Calkins is looking for big results out of his squad.

While working primarily with the sprints, jumps and hurdles in 2002-03, Calkins guided five of the nine Bobcats who competed in the 2003 NCAA Mideast Regionals. Mayle – who claimed both the MAC indoor and outdoor long jump titles – finished fourth at the meet with a leap of 25-10, the second-best mark in school history. Accompanied by Calkins, Mayle finished 14th at the national meet as the second-highest placing freshman in the long jump.

Calkins began his coaching career as a graduate assistant with the Bobcats during the 1997-98 school year. After receiving his master's degree in athletic administration from Ohio in 1998, Calkins served as the assistant head coach for track and field at Hillsdale College in Hillsdale, Mich. During his three-and-a-half years at Hillsdale, he helped lead several Charger student-athletes to top-10 finishes at nationals in both jumps and throws. He returned to Ohio in 2002 as an assistant coach under Banton.

A native of East Sparta, Ohio, Calkins competed in the 110-meter high hurdles at the state high school championships. At Malone College in Canton, Ohio, he was a four-year decathlete who specialized in the hurdles, pole vault and jumps for the Pioneers. Calkins received a bachelor's degree in physical education from Malone in 1995.

Christi Smith Akron '02

Assistant Coach

Christi Smith began her stint as assistant track and field coach at Ohio University just prior to the start of the 2005 indoor season, but she arrived as no stranger to the Mid-American Conference.

A 2002 graduate of the University of Akron, Smith left as one of the most celebrated athletes in the program's history.

In 1999, Smith finished second at the NCAA Championships in the heptathlon. One year later, however, she took home the crown in the same event, becoming the first national champion in school history. In 2000, Smith finished tenth at the United States Olympic Trials.

She finished up her career at Akron with 11 MAC championships and a host of awards and honors. Smith was a three-time recipient of the Caroline J. Pardee Award, given

to the University of Akron's female athlete of the year. She was a finalist in 2000 for the James E. Sullivan Leadership Award and also participated in the Student-Athlete Advisory Council at Akron. Also in 2000, Smith served as president of Akron's Student-Athlete Advisory Council and became a member of the MAC's Student-Athlete Advisory Council.

Prior to arriving in Athens, she coached at the New World Track Club in Columbus. There she assisted with the field and combined events. At Ohio, she works with the high jump, short sprints and combined events.

2005-06 Bobcat captains (left to right) Dan Bailey, Jason Linton, Jeremy Keese, Jaclyn Lugaila, Melissa Gedeon and Lauren Birnie.

Mitch Bentley

Assistant Coach
Ohio '85

Mitch Bentley is in his third year as assistant coach at Ohio with both the cross country and track and field teams. He works with the distance runners. As a former Bobcat distance runner under Elmore Banton, Bentley earned four varsity letters in both cross country and track. He also earned All-MAC honors twice in cross country, indoor and outdoor track.

In 1984, Bentley set school records in the outdoor 10,000 meters (29:47.50) and in the indoor 5,000 meters. Those times are still second-best in school history.

After earning his bachelor's degree in geology from Ohio University in 1985, Bentley has been active in coaching both cross country and track since 1992, when he began coaching the Vinton County Junior High School boys' cross country team. He then went on to Athens High School, where he was the head track and field coach for five years and the head cross country coach for 10 years.

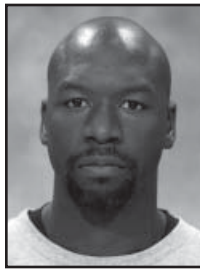

Nick Pero

Throws Coach
Ohio '02

Nick Pero is in his fourth year as the Ohio track and field throws coach. He focuses his energy on the five throwing events: shot put, discus, javelin, hammer and the indoor weight throw.

As a Bobcat student-athlete, Pero was one of the team's leading scorers in the shot put, discus, hammer and weight throws. He served as a tri-captain for the 2001 outdoor season. Pero credits his skills to long-time coach and mentor Jack Reichenbach.

Pero's athletic career began in Hartville, Ohio, where he attended Field High School and excelled in track and football. He graduated from Ohio University in 2002 with a degree in middle childhood education in the fields of math and science. Pero is currently an eighth-grade mathematics teacher at Trimble Middle School.

Adekunle Lawson

Graduate Assistant Coach
Lynchburg College '97, '05

Adekunle Lawson joins the team this season as a graduate assistant while working on his master's in coaching education. He spends his time training the Bobcats who are participating in horizontal jumps and throws.

He has both a B.S. in business management ('97) and exercise physiology ('05) from Lynchburg College, where he competed in the discus and shot-put for the Hornets. A two-time Old Dominion Athletic Conference champion in the discus, he finished his eligibility in 1997. He would remain with the team through 2003 as a coach specializing in throws. He still actively participates in the U.S. Masters Track and Field program.
