Joel Greenlee

Head Coach
Northern Iowa '89
116-79-4 Career
29-21-1 MAC

Joel Greenlee completed his 10th season as head coach of the Bobcat wrestling program in 2006-07 with more dual meet wins than in any of his previous nine years.

The Bobcats posted a 16-8 overall record in dual meets in 2006-07, besting the 15 wins Greenlee's 1999-2000 Bobcats totaled. The win was a vast improvement from the 11-11 overall record Ohio finished with the season before.

In 10 years as head coach, Greenlee has compiled a 116-79-4 (.593) overall record and a 29-21-1 (.578) mark in the Mid-American Conference. He was hired as an assistant/interim head coach in 1997-98 due to an illness of then-head coach Harry Houska. Greenlee was then named the full-time head coach before the 1998-99 season.

Under Greenlee's tutilege in 2006-07, sophomore Jake Frerichs earned a wildcard birth to national competition and redshirt freshman Jacob Ison won 31 matches and was named a second alternate at 165 pounds. Senior Marcus Adelman went 21-9 in 2006-07, including 13-2 in his final 15 matches, under Greenlee's watch. All-in-all, the Bobcats had eight wrestlers post winning records while four wrestlers took second or third place at the 2007 MAC Championship.

Ohio suffered injuries throughout its lineup during the 2005-06 season and completed the year with an 11-11 record. Competing with a young and inexperienced squad, the Bobcats posted dual-meet victories over North Carolina State and Virginia Tech. With an 18-16 win over West Virginia on Feb. 10, Ohio gave Greenlee the 100th victory of his coaching career.

At the 2005 NCAA Championships, Greenlee guided Jake Percival to a third-place finish at 157 pounds. In the process, Percival became the first four-time All-American in MAC history. As a team, the Bobcats placed 26th in the nation with 21.5 points.

At the 2005 MAC Championships, Percival was named MAC Wrestler of the Year for the third straight time and Most Outstanding Wrestler of the MAC Tournament for the second year in a row after becoming just the third grappler in MAC history to win four individual titles.

Ohio managed a 10-12-1 record in 2004-05 despite competing with a depleted lineup at times. Eight of the Bobcats' 10 starters at the beginning of the year missed all or part of the season. The team still recorded wins over Ohio State, Virginia and Old Dominion, however, and posted a 3-2 record for a third-place finish in the MAC. Six of the squad's losses came to nationally ranked programs.

In 2003-04, Ohio went 8-6 overall and finished in a tie for third place in the MAC with a 2-3 record, finishing third at the MAC Championships. Two Bobcat wrestlers - Percival at 157 pounds and heavyweight Jeremiah Beltran - claimed MAC titles while a third, Joel Weimer, joined them at the NCAA Championships as a wild card entry in the 197-pound weight class.

During the 2002-03 season, Greenlee led a young Bobcat squad to a 9-8 record (2-3 in the MAC) and a third-place finish at the MAC Championships. Two wrestlers, Percival at 149 pounds and Anthony Carrizales at 133, qualified for the NCAA Tournament with Percival placing fifth for his second straight All-American finish.

In 2002, Greenlee guided three Ohio wrestlers into the national tournament with Percival placing fourth as a freshman. The year before, the Bobcats won their first MAC Tournament title under Greenlee's tenure and the 15th in the history of the program. As a result, he was named the 2001 MAC Coach of the Year.

Greenlee's accomplishments during his first season at Ohio earned him the NWCA National Assistant-Coach-of-the-Year award in 1998. His 1997-98 team finished ninth at the NCAA Tournament - the Bobcats' best finish since 1973 - and won the regular-season MAC title with a 5-0 record in the conference. He coached Dwight Gardner (158) to the school's first individual national title since 1978 and guided Shawn Enright (134) to a second-place national finish.

Prior to coming to Ohio, Greenlee was an assistant coach at the University of Northern Iowa from 1989-97. While at Northern Iowa, the Panthers compiled a 70-58 record.

Greenlee had a stellar wrestling career in his own right. While competing as a heavyweight at Northern Iowa, he was a two-time All-American, finishing second in 1989 and fourth in 1988. In 1989, Greenlee was champion at the prestigious Midlands Tournament and Midwest Championships and was named the Outstanding Wrestler at both meets. Greenlee still holds the highest winning percentage in school history with a 127-16-4 (.878) career record. He also holds the Panther records for dual victories (58) and dual victories in a season (20 in 1986-87).

Joel Greenlee

Greenlee has also enjoyed success at the international level. He finished second at the U.S. Olympic Team Trials in 1992 and was selected as a training partner for the Olympic Team. He won the Cerra Pelado Tournament in Cuba in 1993 and the Cuban All-Star Tournament in 1992. He placed third three times at the John E. du Post World Team Trials.

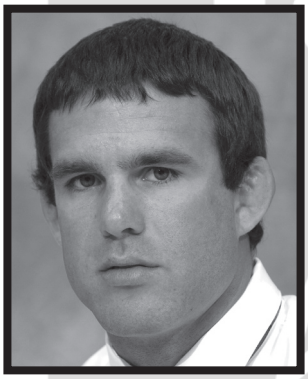

During his time at Northern Iowa, Greenlee was also the camp director for the Northern Iowa wrestling camps. He was assistant camp director for the Bruce Baumgartner Heavyweight Wrestling School from 1993-97.

He and his wife, Roxann, have an 10-year-old son, Walker, and an 8-year-old daughter, Madison.
