

Dear OSU Family,

As the leader of Cowgirl Golf, I can't thank you enough for your continued support of the Oklahoma State Golf Program. I would like to invite you to Karsten Creek for a great day of golf at the Cowgirl Pro-Am on April 15th.

The Cowgirl Pro-Am is a key component to the success and growth of our program. Your contributions have been vital over the years in turning dreams into reality. Your donation will allow our facilities to continue to set the standard of excellence in college golf and provide the very best resources to the girls on our team. The funds from the pro-am go directly to supporting the team and building our foundation. Please join us in making a difference in the lives of these young women.

We return 6 girls from last year's squad and added a new freshmen, Chih-Min Chen. Our team had a solid start to the year, finishing the fall season ranked 10th in the country and collecting the first team victory of the year at the Schooner Fall Classic. Their diligence also paid off in the classroom this fall semester with a team GPA of 3.44!

The spring championship season is full of potential. The Cowgirls will travel 17,620 miles this spring competing against great competition in destinations including Hawaii, California and South Carolina. The Big 12, Regional and National Championships are just a few months away and we strive to keep building momentum.

The future all around Oklahoma State appears brighter than ever. Thank you for being a part of our team, past, present, and future. I hope to see you in April at the Cowgirl Pro-Am and please feel free to contact me for any reason.

Go Pokes!
