#### HANGIN' A HUNDRED...

ORU has been remarkably good when hitting 100 points. ORU has scored at least 100 in 115 games, and gone 108-7 in those contests. Six of those games have come since Coach Mills took over the program, and ORU holds a 17-1 record in contests since 2000 with the lone loss in triple OT on the road against IUPUI in 2004. The school record for points in a game is 155, scored in a 155-113 win over Union in 1972.

#### FRESH LOOK MABEE CENTER...

For the first time since opening in 1972, the home of the Golden Eagles will have a new look as blue seats were installed for the 2021-22 season. The building's exterior and concourse level also got a fresh look with new blue paint and glass along with updated branding elements. A 35-foot, HD video board was installed above center court and the ORU practice gym added a whole new floor in the last three years.

#### **FUTURE OF ORU ATHLETICS...**

ORU athletics broke ground Nov. 12, 2021, for the Mike Carter Athletic Center, a transformational project to push the Golden Eagles into the future. The multi-million-dollar facility will feature a new strength and conditioning area, two practice gyms for men's and women's basketball, an updated Eli Academic Center for all student-athletes and a state-of-the-art sports medicine space.
