## WHAT YOU SHOULD KNOW ABOUT PORTLAND STATE AND VIKING FOOTBALL

Portland State University, located in Portland, OR, has an enrollement of 21,040 students (fall 2023). It was founded in 1946 as Vanport College - a two-year institution.

Athletically, Portland State began as a junior college in 1946-47, but competed in the Oregon Collegiate Conference at the NAIA level from 1950 to 1964, winning three OCC football titles (1962, 1963, 1964). PSU became a four-year institution in 1955.

Portland State joined the NCAA in 1965 and competed at the College Division level (the forerunner of NCAA II). PSU was an NCAA 1-AA member from 1978-80, then moved back to Division II in 1981, where it competed through the 1995 season. The Vikings were members of the Western Football Conference from 1982 to 1992, winning six conference championships. PSU made eight NCAA II playoff appearances from 1987 to 1995 and played in the NCAA National Championship game in 1987 and 1988.

In 1996, Portland State moved to the Big Sky Conference and up to the NCAA 1-AA (now FCS) level. The Vikings made their first playoff appearance at their current level in 2000. In 2015, Portland State had its best season ever at the Division I level, compiling a 9-3 record and reaching the NCAA playoffs.

Portland State's football program has produced such legendary figures as Coach Mouse Davis, quarterbacks Neil Lomax and June Jones, Tom Oberg (the first Viking to play in the NFL), Coach Pokey Allen (who led the Vikings to two NCAA II National Championship appearances), and some 33 players who have appeared in the NFL.

In 2014, three former Vikings reached NFL Championship games: Julius Thomas with Denver, DeShawn Shead with Seattle and Jordan Senn with Carolina. Thomas and Shead went on to meet in Super Bowl XLVIII with their respective teams and Shead became a Super Bowl Champion - just the third former PSU Viking to do so (Clint Didier, Ted Popson). Shead made a return appearance to the Super Bowl in 2015, while Thomas was selected to his second Pro Bowl in as many years. He later signed a free agent contract with the Jacksonville Jaguars, making him the highest paid tight end in the NFL.

Portland State football plays at Hillsboro Stadium, west of downtown, a 7,600-seat stadium.

## WHAT'S IN A NAME? PORTLAND STATE VIKINGS

Portland State should always be referred to as "Portland State," NEVER by just "Portland." An acceptable alternative to "Portland State" is "PSU." The nickname for both the men's and women's teams at Portland State is "Vikings." An acceptable alternative to "Vikings" is "Viks."

# 2025 SEASON PREVIEW

## THE QUARTERBACK COMPETITION IS REAL

The Viking program comes off three seasons and 33 starts from former QB Dante Chachere (2022-24, 7,612 yards of total offense and 78 total touchdowns) and prior to that QB Davis Alexander played for four years and 37 starts (2017-21, 10,473 yards of total offense and 88 total touchdowns). So you could say there has been some stability at the position for a long time at Portland State.

Therefore, the most intriguing aspect of fall camp is the battle to be the new starting quarterback, replacing Chachere. Certainly, there is an intriguing array of candidates, including three transfers and two young players. Former Idaho and Northern Illinois QB CJ Jordan (SR, 6-2, 220) has Division I experience and is a native of Portland. The 2025 signing class includes another transfer in former Hawai'i QB John-Keawe Sagapolutele (SO, 6-1, 205).

Among the young players is SO QB Gabe Downing (6-0, 185, 1-2-0-10-0), who has seen brief action, and RS FRs Cru Newman (6-0, 185) and Tyrese Smith (6-2, 225).

Those five all took a lot of snaps during spring practice and all fared well, further complicating the challenge of choosing the new signal caller for Head Coach Bruce Barnum.

The Vikings' circumstance at quarterback is not unprecedented in the Big Sky Conference. Remarkably, only one starting signal caller returns among the 12 teams in the league this season.

## LOOKING FOR DEPTH AT TIGHT END

The evolution of JR TE Tanner Beaman (6-4, 235) and SO TE Kristian Ingman (6-5, 235) has the Vikings tight end corps in good shape heading into the 2025 season. Beaman (21-257-1) grew into a reliable pass catcher for the Vikings and earned second team All-Big Sky Conference honors in 2024 and is a preseason All-Big Sky selection in 2025. Ingman saw significant action as a redshirt freshman, and even moonlighted as the team long snapper.

Now, junior backups Brooks Ferguson (6-5, 240), Charlie White (6-2, 235) and Seth Lyon (6-3, 245) want to add to the depth at the position.

## THOMPSON IN THE SPOTLIGHT

The spotlight wasn't too bright for SO RB Delon Thompson (5-9, 200) in his rookie season. As a redshirt freshman he stepped up to carry the ball 139 times for 678 yards (5.3 pc) and seven touchdowns. His spotlight games were against top competition. Thompson's first game of the season at Washington State was a breakout with 15 carries for 96 yards. Later in the season, Thompson had 84 yards and two scores in a win at Sacramento State. Then, his marquee game was a 22-carry, 117-yard, one-TD effort at Montana that kept the Vikings in contention late into the fourth quarter against the 10th-ranked Griz. More performances like that from Thompson will be key to the Vikings' offensive success in 2025.

Backing him up will be burly veteran Jacques Badalato-Birdsell (SR, 5-10, 205, 8-30-1) and a pair of fleet redshirt freshmen in Micah Avery (5-10, 185) and Jordan Herron (5-10, 160). That group will be relied on in a Viking offense that routinely calls for multiple backs to produce.

## WIDE RECEIVER: A GOOD STARTING POINT AND A LOT OF YOUTH

The Vikings return a pair of starting wide receivers from 2024 in SR Branden Alvarez (5-11, 180, 36-480-5) and JR Jaylen Lynch (6-2, 185, 16-246-0). Also back is a player that was projected to possibly be the Vikings' best wideout in 2024 in JR Terence Loville (6-0, 185). Unfortunately, a hand injury in the first game cost Loville the entire season. He is back and healthy and, with the other two, gives PSU an excellent trio of talent and experience at wide receiver in 2025.

Returning letterwinners Chance Miller (SR, 6-0, 185) and Eddy Schultz (SO, 6-1, 195) give the Vikings more depth.

And it gets even better from there. Portland State has no fewer than four redshirt freshman wide receivers on its roster. Who among the five will step forward to become major contributors? Certainly, options abound. The Vikings have three lanky receivers in the group, including Ben Stevens (6-4, 220), Daulton Beard (6-5, 200) and Marcus Angiuli (6-3, 215). At slot receiver is the talented Andre Miller (6-0, 180).

**Delon Thompson runs against Montana State in 2024.**

SO WR Tini Tinitali (6-0, 180) and JR TR Zachary Dodson-Greene (6-1, 195) are also part of a deep wide receiving group and ready to make their mark.

## REBUILDING THE WALL

Portland State's offensive line will have a different look in 2025, but not without experience. The Vikings return two starters in SR OTs Pedro Timoteo (6-4, 320) and Jakob Belton (6-7, 320). However, three others have started games for the Vikings. RS FR OGs Pule Leatigaga (6-4, 335) and Shaun Torgeson (6-4, 290) combined for eight games and six starts at guard in 2024. They were limited in their playing time to maintain their redshirt status. That talented tandem should be strong favorites to start in 2025. JR OL Anthony Tena (6-4, 290) has actually played in the most games of anyone on the offense (26) and has a pair of starts in his past.

Other players with experience include SO OLs Pryce Roberts (6-5, 300) and Tristan Lewis (6-5, 305) and JR OL Hezephaniah Po Ching (6-2, 310). JR OL Braylon Cornell (6-6, 285) has been highly thought of in his time at PSU, but hasn't been able to get out of the training room due to injuries. He could be a wild card in the mix in 2025.

Three offensive line transfers will increase the competition. They include JRs Semisi Latu (6-2, 305) and James Minot (6-2, 290), both from College of San Mateo, and Kapeliele Hausia (6-4, 305), from Riverside CC.

## BATTLE IN THE TRENCHES

Portland State has a cadre of defensive linemen returning in 2025 - its largest position group prior to the season - ensuring heated competition for playing time. The Vikings have 10 returning letterwinners, three redshirts and two transfers.

SR DE Slade Shufelt (6-3, 255, 13T-2.5TFL) is the most experienced player in the group. But JRs Spencer Elliott (6-2, 235, 17T-2.5TFK-INT), Elias Sanders (6-2, 265, 8T-TFL) and Elijah Eason (6-5, 250, 16T-1.5TFL) also have significant field time. At defensive end, SR DE Jayden Brannan (6-3, 225, 5 tackles) is back after showing promise early in 2024. Unfortunately, an injury limited him to three games.

A big addition is actually a returning player. SR DT J'Querian Ladson (6-3, 300, 8T-TFL-FR) got a year of eligibility back from the NCAA due to his previous status as a junior college player. He is a favorite to be the Vikings nose tackle.

Other letterwinners trying to break through include SOs Bam Afalava (6-3, 260), Donte Hookfin (6-3, 250) and Austin Goetz (6-2, 245), and JRs Rob Silva (6-0, 300), Michael MacNeill (6-1, 275) and Jayden Sandusky (6-1, 265), as well as redshirt freshman Herbert Ware (6-4, 290).

Those players, along with transfers Tuaoa Tauili'ili (SO, 6-3, 330, Idaho

State) and Daniel Matagi (SO, 6-0, 285, Central Washington), should form a deep, veteran group up front for the Vikings.

## LOOKING FOR LINEBACKERS

Portland State lost its two starting linebackers from 2024 to the transfer portal. The good news is the Vikings return a pair of experienced players at the position. Junior linebackers Davin Beason (6-1, 235) and Jaxton Helmstetler (6-2, 220) will need to elevate their games in the coming year. Beason competed at middle linebacker, making 24 tackles in mostly a backup role last season. Helmstetler had two starts and made 15 tackles with two tackles for loss.

Nevada transfer Aedan Seiuli (6-3, 225) appears ready to take on a key role. He comes in after making eight starts and 45 tackles for the Wolfpack last season. Saddleback Community College transfer Henry Amposta (6-2, 225) will also get a chance to make an impact, as will JC transfer Lonnie Burt (6-0, 215).

After that, the Vikings will look for help from JR Jordan Allen (6-1, 225). He was expected to have an impact last year after transferring in from San Jose State but a knee injury wiped out his season. If he can get to full strength, Allen should see a lot of action. JR Solomon McDaniel (5-11, 225) is a local player who is a transfer from nearby Lewis & Clark College and had a solid spring practice session.

SR Keegan Stancato (6-4, 210) has experience and RS JR Deon Cavitt (6-1, 200) will bring depth at the position.

## DEFENSIVE BACKFIELD

The Vikings defensive backfield is young and hungry to make its mark. There is little experience beyond three returning sophomores. FS Isaiah Green (50T-3PBU-INT) and CB Bryson Ross (19T-3PBU in seven games) are athletic and evolved into starters as the 2024 season progressed. Green was named to the Big Sky's Preseason All-Conference team. Their success will be vital to the defensive backfield's overall performance.

The coaching staff is high on redshirt DBs Pierce Walker (FR, 5-10, 180), Carsten Mamaril (JR, 5-9, 180) and DaMari Washington (FR, 6-0, 185). Boise State transfer Dionte Thornton (SO, 6-0, 205) and Sacramento State transfer Jerome Roberts (5-10, 210) enter the mix this fall and are expected to take on key roles.

Three redshirt freshmen are ready to go in Theo Thompson (6-0, 195), Diontaye Moorman (6-0, 185) and Kenen Elder (6-0, 175).

How all those players sort themselves out will be as interesting as the battle at quarterback.

## GET ON THE GOOD FOOT

Coming off strong first seasons with the Vikings, SR K Mathias Uribe and SR P Tony Johnson should give PSU one of the better special teams units in the conference.

Uribe was an honorable mention All-Big Sky Conference choice and a Fred Mitchell Award finalist, given to the top placekicker at the FCS, Division II, III, NAIA or JC level. He was 11-12 on field goals and 37-38 on extra points in 2024.

Johnson averaged 41.0 yards per punt, and was a key to holding opponents to just 72 return yards all season (3.3 pr).

SO LS Kristian Ingman (6-5, 235) and RS FR LS Brock Fleming (6-1, 180) both return as well.

## REINFORCEMENTS

In the world of the NCAA Portal, it is always important to have quality transfers. Among Division I transfers, the Vikings have added SO QB John-Kea-we Sagapolutele (Hawai'i), SO CB Dionte Thornton (Boise State), SO DT Tuaoa Tauili'ili (Idaho State), FR S Jerome Roberts (Sacramento State), SR LB Aedan Seiuli (Nevada), JR WR Zachary Dodson-Greene (Montana State) and Division II transfer SO DT Daniel Matagi (Central Washington).

Portal transfers from last year that had a big impact included WR Branden Alvarez, DT Joe Moeaki, OL Jakob Belton and CB Jamal McMurrin - all starters. Also among last year's transfers who could be key this year are WR Terence Loville, QB CJ Jordan, RB Jacques Badolato-Birdsell and LB Jordan Allen.

## THE PORTAL GIVETH, THE PORTAL TAKETH AWAY

It is no secret that the NCAA transfer portal is having an outsized impact on college football and college athletics in general. The Vikings lost seven starters to the transfer portal in the off-season. That said, they picked up seven transfers, both from FBS and FCS schools.

## GOOD HEALTH

A team can amass all the talent in the world, but if it isn't healthy, the talent can mean very little. With that preface, the Vikings hope to have healthy seasons from a handful of players expected to be in the two-deep last year that missed significant time with injuries. They include:

JR WR Terence Loville (hand, one game), JR LB Jordan Allen (knee, DNP), JR DE Jayden Brannan (shoulder, 3 games), SO OL Braylon Cornell (knee, DNP for two seasons), SO TE Charlie White (knee, DNP).

## THE SCHEDULE

The 2025 Portland State Football schedule will be one of the most unique in school history, including a home game at Providence Park. Along the way the Vikings will face a first-time "zero week" opponent, opponents from 10 different states and four time zones, departure from the mainland, and of course, the usual difficulty of four playoff opponents and two FBS-level opponents.

PSU will have the earliest start in school history with a zero week home game against a first-time opponent Tarleton State on Aug. 23. The sixth-ranked Texans are members of the United Athletic Conference and were an FCS playoff team in 2024. Tarleton finished the year 10-4, winning an opening-round game to Drake before losing to fourth-ranked South Dakota.

The Vikings then have an extremely challenging three-game road stretch, including a pair of FBS opponents. PSU plays at BYU on Aug. 30. The Cougars were 11-2 in 2024, including 7-2 in the Mountain West Conference, and winners of the Alamo Bowl, 36-14, over Colorado. BYU ended the year ranked 17th in the nation. The teams have met once previously, a 20-6 PSU loss at BYU, in 2017.

A trip further east comes the following week (Sept. 6) with a game at North Dakota. PSU and North Dakota are former Big Sky Conference foes, but UND moved to the Missouri Valley Football Conference in 2020. North Dakota leads the all-time series 6-2. The Fighting Hawks had a 5-7 record in 2024.

On Sept. 13 the scenery will look completely different with Portland State playing at Hawai'i. The Warriors were also 5-7 last season, with a 3-4 mark in the Mountain West. Hawai'i leads the series with the Vikings, 5-1. The last meeting was a 49-35 Warriors win in 2021 at the Clarence T.C. Ching Complex on the Hawai'i campus in front of no fans due to COVID restrictions.

Big Sky Conference play opens with Northern Arizona at home on Sept. 27. The Lumberjacks were 8-5 in 2024, 6-2 in the Big Sky, and reached the FCS playoffs. The teams last met in 2023, a 45-21 Viking win in Flagstaff. PSU has won the last two meetings, but NAU leads the Big Sky series, 14-7.

Dam Cup competition returns on Oct. 4 with PSU traveling to Eastern Washington (4-8 in 2024). The Vikings have won the Dam Cup Rivalry Trophy in the past two meetings with the Eagles, and have actually held it for three

years as the teams did not play in 2024. The Vikings won 38-35 at Eastern Washington in 2022, then 47-35 at home in 2023. The all-time series is tied between the programs 22-22-1, so the 2025 game will be for the Trophy and to break the all-time tie.

Portland State will try to avenge last season's loss to Weber State when it hosts the Wildcats on Oct. 18. WSU beat PSU 43-16 early last fall in Ogden. The Wildcats hold a 24-15 all-time edge and 14-9 Big Sky Conference edge in the series.

The Vikings travel to Idaho on Oct. 25 to face a program transitioning with a new head coach. The Vandals were 10-4 and advanced to the quarterfinals of the FCS playoffs before they were knocked out by Montana State. Idaho leads the Big Sky series with Vikings, 4-1, including wins in the last three games. Of six Big Sky Conference matchups, this will be the fourth played in Moscow.

On Nov. 1, Portland State will play at Cal Poly. The Vikings and Mustangs last met in 2023, a 59-21 Viking win at Hillsboro Stadium. Cal Poly comes off a 3-8 season. The Mustangs lead the Big Sky series with the Vikings, 5-3.

After two games in a row on the road, PSU will have two in a row at home. Sacramento State comes to town on Nov. 8. Portland State leads the series with the Hornets, 24-14 all-time and 14-9 in Big Sky games. The Vikings picked up a 58-38 win at Hornets Stadium last November.

A long-awaited return to Providence Park in downtown Portland arrives on Nov. 15 when Portland State hosts no less an opponent than the Montana Grizzlies. The Vikings' former home, it marks PSU's first game in the venerable downtown stadium since Oct. 13, 2018. Montana comes off a 9-5 season in which it once again reached the FCS playoffs. The Grizzlies beat the Vikings, 28-17, in Missoula in November and have won four in a row in the series.

Snow could be a factor in the Vikings' regular-season finale as they travel to Northern Colorado. PSU will try to pick up a sixth straight win over the Bears. The Vikings beat UNC 45-13 in the 2024 finale and lead the all-time series 12-5.

## SCHEDULE NOTES

- 2025 will be the 79th season of Portland State Football and the 30th as a member of the Big Sky Conference.
- The Vikings face five teams that were on the schedule in 2024: Weber State, Idaho, Sacramento State, Montana and Northern Colorado. PSU was 2-3 against that group.
- Of the non-conference opponents, PSU has never played Tarleton State, faced BYU once (0-1), North Dakota eight times (2-6) and Hawai'i six times (1-5)... PSU's 45-20 win at Hawai'i in 2000 was the program's first-ever over an FBS-level program (the Vikings now have four such wins).
- PSU's two FBS-level opponents are BYU and Hawai'i. PSU is 4-48 all-time when playing "up" against FBS programs. Wins have come over Hawai'i (2000), New Mexico (2006), Washington State (2015) and North Texas (2015)… this marks the 11th consecutive season that Portland State has played two FBS opponents. PSU has done so a total of 15 times, including three in 2006.
- BYU was ranked 17th in the final 2024 FBS polls and won a bowl game over Colorado... Tarleton State (13th), Northern Arizona (22nd), Idaho (7th), and Montana (10th) were all ranked in the final 2024 FCS poll and competed in the 2024 FCS playoffs.
- Portland State last played at Providence Park on Oct. 13, 2018, a 35-14 win over Northern Colorado. The Vikings last played a full season at Providence Park in 2016... that was also the last time Portland State played its first game of the season at home. Since then, PSU has opened on the road seven straight times.
- Portland State has won the Dam Cup rivalry trophy game in the last two meetings with Eastern Washington (2022, 2023). The teams did not meet in 2024.
- The Vikings will play opponents from Washington, Idaho, Utah (2), North Dakota, Hawai'i, Arizona, California (2), Montana, Texas and Colorado.

# VIKINGS COACHING STAFF

## HEAD COACH BRUCE BARNUM

Portland State Head Coach Bruce Barnum will begin his 11th year at the helm of the Viking Ship in 2025. Barnum has been on campus since 2010 as the program's offensive coordinator and took over as head coach in 2015, leading that team to a 9-2 record, a top-10 ranking and the NCAA postseason. He was named FCS National Coach of the Year and Big Sky Conference Coach of the Year that season.

During his tenure as head coach at Portland State, Barnum has had 44 student-athletes earn 1st, 2nd or 3rd team All-Big Sky Conference honors, eight earn All-American honors, and 187 earn academic all-conference honors.

Highlights of the program over the years – in addition to an NCAA playoff appearance – have included: wins over FBS programs Washington State and North Texas; a first-ever Big Sky win at 14th-ranked Montana in 2018; a road win over nationally-ranked and defending Big Sky Champion Weber State in 2021; and more recently, Dam Cup rivalry game victories over Eastern Washington in 2022 and 2023.

Barnum's offenses over the years have been more than effective. He has proven the Vikings can win with the run and the pass. Over his first seven seasons at PSU, the Vikings averaged over 200 rushing yards per game each season. In recent seasons, Barnum coached the second-leading passer in Portland State history, Davis Alexander, to dynamic passing games and more than 10,000 yards of total offense. The 2023 season saw another dominant rushing performance as the Vikings ranked fifth in the nation, averaging 224.0 yards per game on the ground.

Alexander now plays professionally in Canada. He is the latest Barnum protege to enter the pro ranks. Others include former All-Pro tight end Julius Thomas, Buck Buchanan Award finalist safety Patrick Onwuasor and All-American long snapper Kameron Canaday among others.

In the rapidly changing world of college athletics, Barnum has also had the ability to adjust. In 2022, he chose to hire a full-time director of player personnel and recruiting specialist, Terry Davis, rather than another assistant coach. The results were immediate. PSU's 2023 national letter of intent signing class was ranked best in the Big Sky Conference and third best in the FCS according to 247Sports. In 2023, his offensive coordinator, AC Patterson, was named the top recruiter in the FCS and Big Sky Conference by 247Sports.

Barnum has espoused the idea that his program is preparing his student-athletes for not just the next four years, but the next 40 years. That, of course, has included a classroom education toward a meaningful degree. Portland State has had 19, 18, 32, 20, 17, 21 and 25 players, respectively, earn Academic All-Big Sky Conference honors over the past seven seasons. Those are the seven highest totals of honorees during PSU's 29 seasons in the Big Sky Conference.

His "40-year view" also includes the extra-curricular outside of school and football, and the opportunity for experiences on the road that his players may not have had anywhere else. These include annual beach trips to the Oregon coast, including a few days at Camp Rilea Armed Forces Training Center, and while on the road: sight-seeing tours of Alcatraz Island, a Criss Angel Las Vegas Show, Oregon Wildlife Safari, Hogle Zoo and Temple Square in Salt Lake City, an afternoon at the Pendleton Rodeo and a Montana Grizzly Bear Encounter among others.

Barnum has earned a reputation as a popular interview in the sports media, "best in the nation" said one FCS writer for Hero Sports. He is known to deliver the occasional (hilarious) malapropism or unique approach to a standard question. One such interview led to him buying a beer for every fan in the stadium that wanted one during a 2021 home game – a bill that exceeded $14,000.

### BARNYBALL COMES TO THE PARK BLOCKS

Bruce Barnum has seen the highs and lows of the coaching profession, taking his team to the NCAA Playoffs and earning National Coach of the Year honors in 2015, and dealing with the challenge of a winless 2017.

2015 was a remarkable year for Bruce Barnum and the Vikings. He went from interim

Head Coach to FCS National Coach of the Year in just a few months. It was a meteoric rise founded on more than two decades of hard work as an assistant coach at the collegiate level.

Barnum led his Viking team on a remarkable journey in 2015 - the best-ever season at the Division I level for PSU - while making a remarkable journey of his own in his first season as a head football coach.

2015 included victories over Washington State, North Texas, Montana, Montana State and others that nobody saw coming. Barnum led a program turnaround that was a six-game improvement over the previous season. He was also given a five-year contract after working under an interim tag the first five weeks of the year.

Unfortunately, 2016 was altogether different. It began with tragedy as Portland State lost not one, but two players to untimely deaths in the off-season, AJ Schlatter and Kyle Smith. Those two were important talents, but more than that they were on-field brothers to the teammates left behind. Portland State forged ahead, but found themselves to be the hard-luck team in the Big Sky Conference once the season began. PSU was extremely competitive, however the ranks thinned quickly as some 29 players lost 131 games to injuries. Five of their six league losses came after the Vikings had a chance to tie or score the go-ahead touchdown in the closing moments or overtime of games.

After a challenging 2017 season that saw the Vikings go winless, they turned the corner in 2018. PSU improved by four games, including a landmark win at nationally-ranked Montana - the first Big Sky win ever by the Vikings in Missoula.

PSU has won 19 games over the ensuing four full seasons. All-Americans Charlie Taumoepeau and Anthony Adams, and Alexander and wide receiver Beau Kelly have been among the stars of those seasons. In 2023, linebacker Michael Montgomery was named a freshman All-American by two media services.

## BECOMING THE HEAD COACH

Barnum was named Portland State's full-time head coach on Oct. 14, 2015. It came only five games into a season that turned out to be historic for PSU.

The Vikings' offensive coordinator for five seasons, Barnum was named interim Head Coach on Nov. 26, 2014. Within a week, he was given a one-year contract to run the program and no guarantees for the future. All Barnum did was take a 3-9 team that was an after-thought in the Big Sky Conference, as well as the city of Portland, and turn it into one of the best teams in the nation. He accomplished the task with virtually the same roster as 2014, save one key addition; quarterback Alex Kuresa.

Barnum guided PSU to a 9-3 record in 2015 - its best record ever at the Division I level. The Vikings beat two FBS programs in the same season for the first time in their history, including a first-ever win over a Pac-12 team. PSU went 5-1 against nationally-ranked teams and was ranked as high as fifth in the nation at the end of the season.

The Vikings made their first appearance in the NCAA Division I playoffs in 15 years, just their second ever, and hosted a Division I playoff game for the first time. PSU lost to Northern Iowa of the powerhouse Missouri Valley Conference, 29-17, but that didn't diminish a magical fall on the Park Blocks for the Viking team.

Most of all, using his "BarnyBall" style of tough, hard-nosed fundamental football sprinkled with remarkable team chemistry and unity, Barnum made Portland State football relevant again in the city of Portland, in the Big Sky Conference and on the national scene.

On Nov. 25, Barnum became the first Viking football coach ever selected as Big Sky Conference Coach of the Year. One week later has was named FCS Coach of the Year in a vote of media members from around the nation.

When he was first named interim Head Coach - despite the short term - Barnum was more than happy to take it, fulfilling his long-held desire to be a head coach. It was an unusual situation, no doubt. But one that Barnum, a native of nearby Vancouver, WA, relished.

"I look at it like I have a 12-month interview," Barnum said at the time. "This is a great opportunity to show what I can do as a Head Coach." And take advantage he did....

Barnum is the 14th head coach in the 78-year history of Portland State football and the fourth in PSU's 28-year history in the Big Sky Conference.

## BACKGROUND

Barnum came to the Viking program with more than two decades of coaching experience, including nearly a decade in the Big Sky Conference at Idaho State. Barnum was the offensive coordinator at Cornell, running a spread offense with the Big Red program, from 2007-09. In 2008,

five members of the Cornell offense earned All-Ivy League honors as the Big Red led the league in passing yards and ranked second in total offense. In 2007, Cornell scored the second-most points for the program in 58 years.

Familiar with the Big Sky Conference as a 1987 graduate and player at Eastern Washington, Barnum coached at Idaho State from 1998-2006. He was the offensive coordinator for the Bengals for six seasons.

Barnum had many successes with the ISU offense, averaging 30 points per game in 2001 and 2002. The Bengals were Big Sky Conference co-Champions with Montana in 2002. In 2003, the Bengal offense scored 394 points - second-most in school history.

Interestingly, Barnum also served on the defensive side of the ball at Idaho State. He was the ISU defensive coordinator in 2000, and worked with the defensive line in 1999 and 2000.

Barnum began his career as a high school coach at Columbia River HS in Vancouver and Central Valley HS in Spokane. He moved on to be offensive line coach at Western Washington in 1989-90. Barnum's first experience at Cornell came during the 1991 and 1992 seasons, working as an assistant offensive line coach and offensive coordinator for the freshman team.

Barnum was an offensive line coach and run game coordinator at American International in 1993. He served as offensive line coach and assistant head coach at the United States Coast Guard Academy from 1994-97. That team won a Freedom Conference Championship, advancing to the NCAA III playoffs.

**Honorable Mention**: Tyreese Shakir, DB

Bryant Thomas begins his first full season as Portland State's Defensive Coordinator. Thomas took on the role in game five of the 2024 season and immediately made an imprint with his approach.

This will be Bryant's third season overall with the Vikings. He began as Wide Receivers Coach and Recruiting Coordinator at Portland State in 2023.

Thomas came to PSU after a long stint as a head coach at two Washington high schools.

"Knowledge-wise and experience-wise, BT really impacts our program," said Vikings Coach Bruce Barnum.

"I have known him for many years and coached with him before. He is energetic, very knowledgeable and a players' coach. BT is also a great recruiter and I have tried to hire him back multiple times. Luckily, he is at a time in his life where he is all in on college coaching football."

In 2023, Thomas directed Jermaine Braddock to the best season of his collegiate career and honorable mention All-Big Sky Conference. Thomas also led the Vikings' recruiting efforts as they signed a 28-member national letter of intent class in 2024 that ranks among the best in the nation at the FCS level.

In 2024, linebacker Peyton Wing earned second team All-Big Sky honors and defensive back Tyreese Shakir was honorable mention All-Big Sky.

## BACKGROUND

Thomas spent a decade as a high school head coach, first at Auburn-Riverside (WA), then at Kamiak (WA) from 2013-22. He also spent five seasons as an offensive coordinator at Federal Way (WA) High School.

Thomas began his coaching career at Idaho State University, working as a receivers coach. He coached with the Bengals during the same time that Bruce Barnum was offensive coordinator (1998-2006) for ISU.

A 1998 graduate of Washington State University, Thomas played both wide receiver and defensive back for the Cougars.

Now in his 14th season as a coach at Portland State, Viking football alum Matt Leunen assumes the role of offensive coordinator as well as offensive line coach.

Leunen played a major role in the success of the running game in 2023 as the Vikings averaged 224.0 yards per game on the ground to rank fifth in the nation. The Vikings rushed for 203.2 yards per game in 2024.

In 2022, Leunen guided center Tyson Pauling to a first team All-Big Sky Conference selection. In 2023, Shiloh Ta'ase was named second team All-Big Sky. In 2024, Richard Estrella and Billy Lutui were each honorable mention All-Big Sky.

Leunen has spent most of his time coaching tight ends and tackles during his tenure at Portland State - the two positions he played as an undergraduate for the Vikings.

During his time as tight ends coach, Leunen produced a pair of All-Conference performers (Maximo Espitia, Charlie Taumoepeau). Taumoepeau went on to first team honors and was a second team All-American selection in 2018.

In 2016, Leunen had two players earn All-Big Sky Conference honors in tight end Maximo Espitia and left tackle Randin Crecelius.

Both of Leunen's starting tackles earned All-Big Sky Conference honors in 2015. Kyle Smith was named second team All-Big Sky and Mike Davis earned third team.

Leunen was an assistant coach at PSU from 2011-13, was away from the program for a year, then hired back by Bruce Barnum in 2015.

## BACKGROUND

Leunen's first coaching stint at PSU was 2011-13, when he coached tight ends. It came after spending the 2010 season as tight ends coach at Pacific University.

Leunen was a member of the Viking program from 2005-09. He started his career as a tight end, but moved to offensive tackle in 2007 when the tight-end-less Run-and-Shoot offense was installed. Leunen started at right tackle for two seasons on an offense that led the nation in passing. He was selected as an Honorable Mention All-Big Sky Conference performer in 2009.

An Oregon native, Leunen was a standout football and basketball player at Redmond High School, earning First Team All-Intermountain Conference and Second Team All-State honors at both tight end and punter.

Leunen earned his degree in Social Science from Portland State in 2010.

In previous seasons, Rhea has worked as Defensive Coordinator, Defensive Line Coach and Linebackers Coach. His players have won six All-Big Sky Conference awards.

As a co-Defensive Coordinator in 2023, he led the defense to marked improvement. The Vikings cut opponent total offense by 59 yards per game, and scoring by 4.4 points per game. After allowing 288.8 passing yards in 2022, the Vikings dropped that number to 226.3 in 2023.

Rhea had a successful first season in 2021, maximizing the efforts of a veteran defensive line. Defensive end VJ Malo earned All-Conference by compiling the most tackles for loss and sacks by a Viking in the program's Big Sky Conference history. Defensive tackle Semise Kofe also earned honorable mention All-Big Sky.

In 2022, defensive tackles earned second team All-Big Sky honors while Malo was honorable mention despite missing three games. His starting group compiled 114 tackles, 33 tackles for loss and 13 sacks.

## BACKGROUND

Rhea has experience coaching on the same staff as Viking Head Coach Bruce Barnum at the United States Coast Guard Academy (1996-97) and Idaho State (2000-06).

Among notable players that Rhea has either recruited or coached are Jared Allen, Julian Edelman, Evan Dietrich Smith and JP Bekasiak, the number four pick in the 2007 CFL Draft. More recently, linebacker protégé Jayden Pauling of Western Carolina led the nation in forced fumbles (5 in 2019).

Rhea is a 1992 graduate of the University of Toledo. He was a four-year starter at defensive end. Upon completion of his career, Rhea was among Toledo's all-time leaders in sacks and tackles for loss. Toledo was the Mid-American Conference co-Champion in 1990 and Rhea was named Outstanding Defensive Lineman in 1991.

Colin Fry begins his ninth season coaching at Portland State. This year he takes on a new role as Wide Receivers Coach. Previously, he has worked as co-Defensive Coordinator and defensive backs coach.

This season, Fry will have an experienced group to work with as all three starters return. He also has a talented group of redshirt freshmen ready to make an impact.

As co-Defensive Coordinator in 2023, the Viking defense showed marked improvement, particularly in pass defense. The Vikings cut opponent total offense by 59 yards per game, and scoring by 4.4 points per game. After allowing 288.8 passing yards in 2022, the Vikings dropped that number to 226.3 in 2023.

Over his tenure, Fry has developed a number of talented defensive backs. Notable among them is two-time All-American Anthony Adams, All-Conference pick Xavier Bell, and Donovan Olumba, who went on to sign a free agent contract in the NFL.

## BACKGROUND

Fry, formerly at California Berkeley, spent four seasons as a graduate assistant for defense with the Golden Bears. Fry coached the nickel and dime packages for the Cal defense, while assisting with the secondary and linebackers. Fry also specialized in recruiting defensive players.

Prior to his time at Cal, Fry was a defensive assistant at Nevada from 2010-13. There, he assisted with the coaching of the secondary, broke down game film, assisted with recruiting and was part of the 2010 WAC Champion Nevada squad.

In 2009, Fry was an assistant coach at Elsinore High School, working with the linebackers and the receivers. His team was the 2009 Sunbelt champions.

He was an assistant coach at Temecula Preparatory in 2008, coaching quarterbacks and defensive backs, while also assisting with fundraising.

Fry received his bachelor's degree in general studies from Nevada in 2011 and his master's degree in public health from Cal in 2015.

# LINEBACKERS COACH JOHN ELY

Megan Connelly

Now in his 16th season at Portland State, John Ely makes a return to field coaching full time as the Linebackers Coach. Ely has coached all over the field at PSU, including linebackers, safeties, special teams and running backs. In 2023-24, Ely took over as Director of Player Personnel as he led the drive to bring the top student-athletes to Portland State. He was also in charge of team travel.

Ely has spent the majority of his three-decade career coaching defense. He played a primary role in elevating the play of safety Patrick Onwuasor, who went from no honors in 2014 to first team All-Big Sky Conference, consensus All-American and second in National Defensive Player of the Year balloting in 2015. Onwuasor went on to an NFL career.

He also led Walter Santiago to honorable mention All-Big Sky honors. In addition, in 2015 the Viking defense doubled the number of turnovers forced (14 to 28), allowed 90 fewer passing yards per game, and cut nearly 12 points per game allowed.

Ely had great success working with Viking running backs in past seasons. PSU rushed for more than 2,000 yards in each season he coached the position.

The Vikings rushed for exactly 2,500 yards in 2014 with big contributions from Steven Long, Shaquille Richard and Nate Tago.

DJ Adams rushed for 1,600 yards (fourth-best in school history) in 2013 while leading a Viking running game to school records of 3,330 yards, 36 touchdowns and 6.0 yards per carry in 2013.

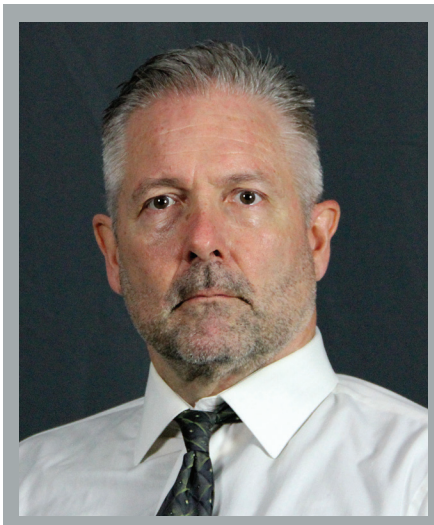

Portland State's rushing average of 277.7 yards per game that season marked the third time in four seasons that the Viking program had established a new record. It also ranked third-best in the nation.

In 2012, PSU averaged 216.5 rushing yards per game and, though the yardage was down from a then-school-record 247.8 yards per game in 2011, the Vikings carried the ball 90 fewer times and thus had a higher yard-per-carry average (5.3 to 5.0).

Ely's first year as running backs coach in 2011 was challenged by player injuries. But the remarkable production from his backs couldn't have been better. His star, Cory McCaffrey, went from leading the nation in rushing (731 yards in five games) to out for the season with a torn achilles. And, though Willie Griffin and Shaquille Richard also battled injuries, he had them ready when needed. Richard rushed for 90 yards in his first career start at TCU. Griffin went for 84 yards in his first start at Eastern Washington. Even Denzel Davis, who moved over from cornerback on game week because of numerous injuries, rushed for 76 yards in a primary role in the season finale.

In the end, it was about production. And Ely got it from a group of running backs as the Viking team set a then-school record for rushing yards (2,726 yards) in 2011.

Prior to coaching running backs at PSU, Ely spent his first year working as special teams coordinator. He coached two of the most talented specialists in the Big Sky Conference in 2010 in kicker Zach Brown and punter Thomas Duyndam.

Hauck is undoubtedly one of the young up-and-coming coaches in the Big Sky Conference. Coach Barnum elevated him to be Special Teams Coordinator in his second season. After coaching tight ends last season as well, Hauck moves back to the defensive side to coach his other specialty: safeties.

"We all know what a great background Robby has in coaching," said Barnum. "He has shown he is knowledgeable and ready to be a special teams coordinator. That speaks to who he is and his work ethic.

Hauck coached two All-Big Sky Conference performers in 2024. Included were tight end Tanner Beaman and kicker Mathias Uribe. Those two return, along with the other special teams starters.

Hauck is in his first coaching position, however he spent time working with the San Diego State program immediately following his time at Montana.

A multiple All-Big Sky Conference and All-American selection during his career with the Griz, Hauck was given the Doris Robinson Award this past season for being the Scholar-Athlete of the Year in FCS football. He was also a finalist for National Defensive Player of the Year. Hauck was a three-time Academic All-American as well.

# THE BIG SKY CONFERENCE

The Big Sky Conference enters its 63rd year and 37th year of women's competition during the 2025-26 academic year.

Four of the current league members – Idaho State University, The University of Montana, Montana State and Weber State – have been with the league since its birth.

Five members of the league have at least 50 years of continuous membership.

Fellow charter member the University of Idaho returned most of its sports to the Big Sky on July 1, 2014, then its football program moved from the FBS level to FCS in 2018, rejoining the Big Sky Conference.

Over the years, the Big Sky Conference has welcomed Eastern Washington University, the University of Northern Colorado, Portland State University (1996) and Sacramento State to its current membership. UC Davis and Cal Poly joined as football affiliate members in 2012.

In 2026, Southern Utah will rejoin the conference and Utah Tech will also be added as a member. Sacramento State will be leaving the conference.

The league has become one of the strongest Division I conferences in the West and is a national leader in the Football Championship Subdivision. Six times Big Sky teams have won the Division I National Championship, including Eastern Washington in 2010. A Big Sky team has played for the national championship in four of the past seven seasons.

The Big Sky is one of three conferences in the western United States playing Division I football.

The Big Sky Conference was established in 1963 by six charter members – Idaho, Idaho State, Gonzaga, Montana, Montana State and Weber State. Those six schools formed the foundation of the Big Sky before the league expanded in 1970 by adding Boise State and Northern Arizona. Gonzaga left the Sky in 1979 and was replaced by Nevada, which gave the league eight members. The conference grew to nine schools in 1987 with the addition of Eastern Washington.

The 1990s saw change in the makeup of the league, beginning in 1992 when Nevada departed and put the Big Sky back at eight teams. In 1996 Boise State and Idaho left and at the same time the conference added Portland State, Sacramento State and Cal State Northridge. The Big Sky maintained nine teams for five years before Cal State Northridge departed in the spring of 2001.

The Big Sky's full members represent nine states spanning from the Pacific Ocean to the Red River Valley of North Dakota. The league is represented along the entire west coast with institutions in Washington, Oregon and California. League schools also range up and down the Rocky Mountains with institutions in Montana, Idaho, Utah, Arizona and Colorado. It is "The Heart of the American West."

On Feb 25, 1963, the name Big Sky was adopted by the six presidents of the charter members as the name of the new conference. The name Big Sky originated in a novel written by the late A.B. (Bud) Guthrie of Great Falls, Mont., in 1947 entitled "The Big Sky." Jack Hollowell, a former Montana advertising director, promoted the Big Sky theme for the Treasure State. While on a track and field trip from Pocatello, Idaho, to Missoula, Mont., legendary Dubby Holt of Idaho State saw a "Welcome to Big Sky Country" sign as his team entered Montana. Holt, and his athletes thought "Big Sky" would be a perfect name for the new conference. Harry Missildine of the Spokane Spokesman-Review called for the newly formed league to be named the Big Sky Conference in his column dated Feb. 20, 1963.

The Big Sky sponsors championships in 16 sports, including men's and women's cross country, indoor and outdoor track and field, basketball and tennis. In addition, there are also championships in football, and women's volleyball, golf and soccer. The Big Sky sponsored softball for the first time in 2013. Men's golf returned as a championship sport in 2014 for the first time since 2002. The University of Hartford and Binghamton University joined the Big Sky as affiliate members in men's golf.

In 1988-89, the Big Sky Conference first began sponsoring women's sports. The former Mountain West Conference existed from 1982-88, sponsoring championships for women's sports at the same institutions the Big Sky had men's programs. The Big Sky merged with the Mountain West in 1988, forming one league for both men and women.

Tom Wistrcill was named the Big Sky Conference's new commissioner in late 2018. He replaced Andrea Williams. Prior to Williams, Doug Fullerton spent 20 years in the role. Fullerton had replaced former commissioner Ron Stephenson in 1995. Stephenson served the league for 14 years. Steve Belko was the commissioner from 1977-81, while John Roning held the post from 1971-77. The first league commissioner was Jack Friel, who served from 1963-71.

## PSU COMPLETES 2024 SEASON AT 3-8, 3-5 IN BIG SKY

Portland State completed its 2024 season with a 3-8 record overall, 3-5 in the Big Sky Conference. PSU faced its most challenging schedule in school history, facing five nationally-ranked FCS teams (four in the top 10), an FBS Playoff team (Boise State) and a second winning FBS program (Washington State).

## SEASON HIGHLIGHTS

- The Vikings were 3-8 overall, 3-5 in the Big Sky Conference. PSU was 1-3 at home, with three losses to top-10 programs. The Vikings were 2-5 on the road.
- Seven Vikings earned All-Big Sky Conference honors. SR QB Dante Chachere (all-purpose back), SO LB Peyton Wing and SO TE Tanner Beaman earned second team honors. Named to the honorable mention team were Chachere again (QB), SR OLs Billy Lutui and Richard Estrella, SR DB Tyreese Shakir and JR K Mathias Uribe.
- SR QB Dante Chachere turned in quite a senior season - and career. He was twice named Big Sky Conference Offensive Player of the Week, also earning National Player of the Week on one occasion. In a 42-38 win over Idaho State (10/12), Chachere posted a 200-200, six-touchdown game. He rushed 13 times for 202 yards and three touchdowns, and completed 12-26 passes for 216 yards and three touchdowns and was named Big Sky Conference Player of the Week. That performance also earned him Stats Perform National Player of the Week... in a 58-38 win over Sacramento State (11/2), Chachere completed 14-27 passes for 245 yards and one touchdown, and rushed 14 times for 165 yards and four scores. Once again, he was named Big Sky Player of the Week.
- Chachere completed his PSU career high on the all-time offensive lists. He had 78 total touchdowns (47 passing, 31 rushing, 3rd all-time), ranking seventh in passing touchdowns and fifth in rushing touchdowns. He completed 441-726 passes (9th all-time) for 5,511 yards (12th all-time). His 2,101 rushing yards were the 11th-most in school history and most ever by a quarterback. Chachere's 7,612 yards of total offense is fourth in school history.
- JR K Mathias converted 11-12 field goals, including his last nine in a row. The .917 kicking percentage set a new Portland State record... Uribe was a Fred Mitchell Award finalist and honorable mention All-Big Sky selection.
- FR RB Delon Thompson was named an FCS Football Central Freshman All-American. He was one of 69 players from around the nation named to the team. Thompson had 678 total rushing yards and seven touchdowns this season. He ranked 10th in the Big Sky in rushing yards.
- Eight members of the Viking Football team earned CSC Academic All-District honors: Senior defensive end Kennedy Freeman, junior defensive end Slade Shufelt, sophomore linebacker Peyton Wing, freshman safety Isaiah Green, senior wide receiver/defensive back Travis West, senior defensive tackle Joe Moeaki, freshman running back Delon Thompson and sophomore linebacker Jaxton Helmstetler.
- 25 members of the Viking Football team earned Academic All-Big Sky Conference honors as the team had a 3.09 cumulative GPA.

## SEVEN VIKINGS EARN ALL-BIG SKY HONORS

As a well-known dual-threat quarterback for the Portland State Vikings, perhaps it was no surprise that Dante Chachere earned recognition twice as the Big Sky Conference released its All-League honors as voted on by league coaches.

Chachere, along with tight end Tanner Beaman and linebacker Peyton Wing, were named second team All-Big Sky Conference. Meanwhile, Chachere appeared again on the honorable mention list with offensive linemen Billy Lutui and Richard Estrella, defensive back Tyreese Shakir and kicker Mathias Uribe.

Chachere, a 6-3, 200-pound senior from Fresno, CA, was named second team All-Big Sky as an all-purpose back, no doubt because of his running and passing abilities. He was also selected as an honorable mention quarterback, effectively earning recognition as the third-best quarterback in the league.

For the third year in a row, Chachere led the Vikings' offense. He completed 61% of his passes for a career-high 1,970 yards and 12 touchdowns, while also rushing for a team- and career-high 723 yards and 12 touchdowns in 11 games. Chachere ranked sixth in passing yards, seventh in rushing yards and was third in total offense in the Big Sky. He was twice named Big Sky Conference Offensive Player of the Week, and earned National Offensive Player of the Week honors after a 216-passing yard, 202 rushing-yard, six-touchdown game in a win over Idaho State.

One of Chachere's key targets was Beaman, a 6-3, 230-pound sophomore tight end from Vancouver's Skyview High School. Beaman emerged as a top pass catcher with 21 receptions for 257 yards and a touchdown, while also being a key blocking cog for a running game that averaged over 200 yards per outing.

Peyton Wing, a 6-foot, 225-pound sophomore linebacker from Sumner, WA, was one of the top tacklers in the Big Sky Conference. He ranked fourth in the Big Sky with 8.5 tackles per game. Wing's 93 total tackles and 7.5 tackles for loss led the Vikings on the season. He also had a sack and a pass breakup. Wing's 93 tackles were the most by a Viking in 10 seasons.

Also collecting Big Sky kudos on the honorable mention list were senior offensive linemen Billy

Lutui (6-1, 325, Corona, CA) and Richard Estrella (6-4, 325, Eugene, OR). Both started all 11 games and led an offensive that averaged 393.0 yards and 29.3 points. PSU rushed for 203.2 yards per game, the most in three years.

Defensive back Tyreese Shakir was also named to the honorable mention team. Shakir, a 5-10, 195-pound senior from Murrieta, CA, ranked third on the Vikings with 54 tackles, had 3.5 tackles for loss, four pass breakups, an interception and a forced fumble.

Junior kicker Mathias Uribe earned honorable mention as well. The 5-9, 200-pounder from San Dimas, CA, converted 11-12 field goals on the season with a long kick of 48 yards, while making 37-38 extra points. His field goal kicking percentage (.917) ranked second in the Big Sky and established a new PSU record. He had 23 touchbacks on 60 kickoffs.

## THOMPSON NAMED FCS FOOTBALL CENTRAL FRESHMAN ALL-AMERICAN

Portland State running back Delon Thompson picked up national recognition Tuesday as a member of the third annual FCS Football Central Freshman All-American team.

Thompson earned the honor after rushing for 678 yards on 4.9 yards per carry and seven touchdowns this past fall. He rushed for a career-high 117 yards on 22 carries and a touchdown in the Vikings' road game at Montana. He finished with 84 yards on 20 carries and two touchdowns in the team's 58-38 road win at Sacramento State.

Thompson ranked 10th in the Big Sky this season while averaging 61.6 yards per game. He ranked sixth among all freshmen in FCS football with that average, while he also ranked tied for sixth in rushing touchdowns and fifth in yards per carry among his classmates.

Additionally, Thompson contributed to a team rushing attack that ranked 11th nationally with 203.2 yards per game.

## URIBE AMONG 10 FINALISTS FOR THE FRED MITCHELL AWARD

Portland State kicker Mathias Uribe has been named as a finalist for the 2024 Fred Mitchell Award, presented annually to a collegiate kicker recognizing exceptional placekicking and community service.

Uribe, a junior from San Dimas, CA, finished the 2024 season for the Vikings converting 11-12 field goals and 37-38 extra points. He made his last nine straight field goals and was 6-6 from beyond 40 yards. Uribe also had 26 touchbacks on 60 kickoffs. He was named to the honorable mention All-Big Sky Conference team.

A first-year player for the Vikings, Uribe also participated as a volunteer coach at Camp Exceptional Youth Sports Camp this past summer in Portland.

The annual Fred Mitchell Outstanding Place-Kicker Award (also known as the Fred Mitchell Award) is provided to the nation's top collegiate place-kicker among more than 750 FCS, Division II, III, NAIA and NJCAA football teams. The selection committee is comprised of former NFL and college kickers, previous award winners, as well as prominent businessmen and community-minded individuals.

## EIGHT VIKINGS EARN ACADEMIC ALL-DISTRICT HONORS

Eight members of the Portland State Football team have been named to the College Sports Communicators (CSC) Academic All-District team for 2024.

Senior defensive end Kennedy Freeman, junior defensive end Slade Shufelt, sophomore linebacker Peyton Wing, freshman safety Isaiah Green, senior wide receiver/defensive back Travis West, senior defensive tackle Joe Moeaki, freshman running back Delon Thompson and sophomore linebacker Jaxton Helmstetler all received honors for their achievements in the classroom and on the field.

To qualify, a student-athlete must have completed at least one full year at their current institution, be a starter or important reserve, and have at least a 3.50 cumulative GPA (on a 4.0 scale). All-District selections are now eligible for Academic All-America honors, which will be announced on January 28.

Freeman, a senior from Aiea, HI, was a team co-captain and part-time starter who played in 42 games in his PSU career. He is a four-time Academic All-Big Sky Conference selection and is completing his MBA at Portland State.

Shufelt, a junior from Hillsboro, has been a starter the past two seasons for the Vikings. This year, he had 13 tackles, 2.5 tackles for loss and a sack.

Both Freeman and Shufelt were CSC Academic All-District choices in 2023.

Wing, a sophomore from Sumner, WA, was a second team All-Big Sky Conference selection this season after leading the Vikings in tackles and ranking among the league leaders. He had 93 stops, 7.5 tackles for loss, a sack and a pass breakup while starting every game.

Green, a redshirt freshman from Oxnard, CA, ranked fourth on the Vikings with 50 tackles. He added an interception and three pass breakups while starting seven of 11 games.

Thompson, a redshirt freshman from Newbury Park, CA, ranked 10th in the Big Sky in rushing. He had 139 carries for 678 yards (4.9 pc) and seven touchdowns, and caught seven passes for 87 yards.

West, a senior from Portland, lettered four seasons for the Vikings and is also a four-time Academic All-Big Sky honoree. This past year, he flipped between playing offense and defense. West had 10 tackles, three receptions for 50 yards, one running play for seven yards and returned one kickoff for 15 yards.

Moeaki, a senior from Portland, started at defensive tackle for the Vikings. In 10 games he had 17 tackles, one tackle for loss and a pass breakup.

Helmstetler, a sophomore from Seattle, played in all 11 games with two starts. For the season, he had 15 tackles with two tackles for loss.

### Game 1 • Aug. 31 • Gesa Field, Pullman, WA

## WASHINGTON STATE 70, PORTLAND STATE 30

**Pullman, WA –** Washington State filled the stat sheet with big plays in the first half then rolled on to a 70-30 season-opening win over the Portland State Vikings.

After being stopped on their initial series, the Cougars scored six straight touchdowns on offense, ranging from 30 to 58 yards in length. Four of the touchdowns were passes by quarterback John Mateer, who was making his first career start. That got WSU out to a 49-10 halftime lead and the Vikings could not recover.

Portland State moved the ball on offense, totaling 449 yards on the day, but could not stop the pass-heavy Washington State offense. The Cougars went for 637 yards, including 413 through the air.

"Coach Dickert has a good football team," said Vikings Coach Bruce Barnum of the Cougars. "They picked the right guy at quarterback. Mateer played well today. They played well and they played clean. We didn't tackle well, but they have good players.

"We have to clean some stuff up. I think I have a good football team but you can't play a team like that and have the multitude of mistakes that we had."

Portland State's defense got off to the best start possible, forcing the Cougars to a three-and-out in the first series of the game. Then, the offense put a score on the board quickly. Freshman running back Delon Thompson broke away on a 53-yard run. Two plays later, quarterback Dante Chachere scored on a five-yard scamper for a 7-0 Viking lead.

Washington came back behind Mateer. The Cougar signal-caller completed TD passes of 30, 39 and 58 yards on WSU's next three possessions for a 22-7 lead at the end of the first quarter.

Mathias Uribe kicked a 44-yard field goal to open the second quarter and get the Vikings within 22-10.

WSU tailback Wayshawn Parker scored on a 54-yard run and the Cougars were up 29-10. A few minutes later, Parker caught a 52-yard touchdown pass from Mateer. That made it 36-10 Cougs midway through the second quarter.

Later in the second quarter, the Vikings drove 14 plays and 71 yards. On a fourth-and-goal play from the four-yard line, Chachere was intercepted by Stephen Hall, who returned it 100 yards for a score.

In the final 90 seconds of the half, Chachere and then Will Haskell engineered another Viking scoring drive. Chachere moved PSU to the Wazzu 29, but came out of the game after being hit from behind. Haskell came in and completed two passes, the second was an 11-yard score to wide receiver Branden Alvarez.

At halftime it was 49-17 Washington State. The Cougars had 393 yards of total offense to 260 for the Vikings.

Portland State continued to move the football in the second half, a positive sign for the 2024 season. They scored two more touchdowns, with both coming on 75-yard drives. Eric Denham had a 40-yard TD reception from Chachere in the third quarter. Chachere scored a second rushing touchdown with a four-yard run on a fourth-down play in the fourth quarter.

However, the hole was too deep for the Vikings. WSU still had a 21-13 advantage after halftime.

PSU had 215 rushing yards and 234 passing yards for the game. Thompson came up just shy of 100 yards with 15 carries for 96 yards. Craig had 10 rushes for 54 yards, four receptions for 24 yards and completed a pass on a halfback option for 28 yards.

Chachere was 14-25 for 175 yards, a touchdown and a pick. Haskell completed 5-9 passes for 31 yards and a score.

Senior cornerback Tyreese Shakir made a team-high seven tackles. Sophomore linebacker Peyton Wing made five stops, including one tackle for loss.

## WEBER STATE 43, PORTLAND STATE 16

**Ogden, UT –** Weber State's defense came to play in the Big Sky Conference opener, shutting down Portland State and leading the 24th-ranked Wildcats to a 43-16 win at Stewart Stadium.

Weber State held a normally potent Viking offense to six series of three-and-out, including four straight at one point in the game, then came up with two late turnovers when PSU was in desperation mode. As a result, the Wildcats outgained the Vikings 535 yards to 240 and cruised to a 1-0 start in league play.

Portland State is 0-2 after two weeks of play and will host fifth-ranked South Dakota in a non-conference home opener next Saturday at Hillsboro Stadium.

The Vikings were matched with a team that has built its reputation on defense the past several seasons. Weber State held the Vikings to just 18 yards in the first quarter to set the tone.

But the Vikings offense eventually got a boost from the defense. PSU made a fourth-down stop against the Wildcats at the PSU 29 on the final play of the first quarter. The offense took over at the start of the second quarter and marched 71 yards downfield for a tying touchdown. Running back Quincy Craig dominated the series with 51 total yards. He had a 37-yard rushing burst in the middle of the drive, then wrapped it up by catching a four-yard pass from quarterback Dante Chachere for the score. That tied the game at 7-7.

The teams traded field goals to make it 10-10. PSU got a 42-yarder from Mathias Uribe, his second of the season.

A 61-yard run by the Wildcats' Clarence Butler sparked a late first-half score. The Wildcats went in on a one-yard run, but a two-point conversion attempt was intercepted by Peyton Wing. WSU led 16-10 at the break.

Each team ran 33 plays in the half, but the Wildcats stout run defense in the first quarter held the Vikings down. WSU had 227 yards, while the Vikings had only 132.

Weber State had the halftime lead, but took control of the game in the third quarter. The Wildcat defense forced the Vikings into three straight three-and-outs and -4 yards in the period.

A 25-yard Wildcat field goal to open the fourth quarter extended the lead to 22-10.

The Vikings finally got a first down in their first series of the fourth quarter, but were again stopped after five plays.

The Wildcats effectively put the game on ice with an 83-yard scoring drive on their first series of the fourth quarter. Quarterback Richie Munoz scrambled in from nine yards out and it as 29-10 Weber State with 10:41 remaining to be played.

Portland State finally got on the board in the second half after a 75-yard drive. Will Haskell hit Branden Alvarez on a five-yard toss to narrow the score to 29-16 with 5:36 to play. But Wildcats running back Damon Bankston finished off the Vikings with a 75-yard touchdown run on the ensuing series.

Bankston had 133 rushing yards and two touchdowns for Weber State, while Munoz passed for 219 yards, one passing TD and scored one rushing TD.

Craig led the Vikings with 93 total yards on 14 carries and five receptions. Chachere completed 10-22 passes for 61 yards, and rushed 15 times for 57 yards, which included three sacks.

On defense, linebacker Michael Montgomery had a career-high 16 tackles, including two for losses, and a sack. His linebacker mate Wing also had a career-high with 13 tackles and two tackles for loss.

**GAME NOTES**

- This was the earliest start, by date, to a Big Sky Conference season in Portland State history. The Vikings had a season-opening Big Sky Conference game back in 1998 at Eastern Washington (a 30-27 PSU overtime win), however that game was played on Sept. 12.
- For the fourth straight meeting with the Vikings, Weber State was nationally ranked, this time 24th. WSU has won three of those four games.
- Dante Chachere's second-quarter touchdown pass to Quincy Craig was the 37th of his career, tying him with Juston Wood for 10th all-time in PSU history.
- PSU is 12-16 all-time in Big Sky openers, 9-9 at home, 3-7 on the road.

**Game 3 • Sept. 21 • Albertsons Stadium, Boise, ID**

## BOISE STATE 56, PORTLAND STATE 14

**Boise, ID –** Boise State's backfield responded to an early challenge by Portland State and led the Broncos to a 56-14 win over the Vikings at Albertson Stadium.

Boise State rolled up 609 yards, including 342 on the ground, on their way to a victory and a 3-0 record. The Vikings dropped to 0-3 on the season.

Stopping Bronco running back and Heisman candidate Ashton Jeanty was always going to be a tall task for the Vikings. After all, Jeanty went into the game with 459 yards and nine(!) touchdowns in just two games against Georgia Southern and Oregon.

But, with a minute to play in the first quarter, Jeanty had only touched the ball one time. That was a minor victory for the Vikings.

Jeanty soon announced his presence though. A 68-yard run just before the end of the first quarter set up a go-ahead touchdown for Boise State. The Broncos finished that series on a short touchdown pass to take the lead for good at 14-7 early in the second quarter.

That set in a motion a second-quarter of dominance for the Broncos and turned a 7-7 first-quarter tie into a 28-7 halftime lead. The Vikings had 108 yards of offense in the first quarter, but only 46 in the second. Meanwhile, BSU quarterback Maddux Madsen threw two TD passes and rushed for a third in the second quarter. Jeanty had 127 yards on 11 carries by halftime.

"We wanted to limit their possessions and try to create turnovers and see what we could do," said Vikings Coach Bruce Barnum. "It worked for a little while, but then they unleashed number two (Jeanty). He's not the only guy. They rushed for a lot of yards. We lost the edge a couple times and they made us pay for it. You don't chase Jeanty down, but you don't chase the other guys down either."

In the interest of Jeanty's health and a three-TD lead, Boise State did not play their star back in the second half. In fact, it was Madsen who had the biggest performance of the day, throwing for three touchdowns and rushing for a fourth. And, other than Jeanty, six other Bronco backs combined for more than 200 yards on the ground.

The Vikings totaled 277 yards and had no turnovers, but the Boise State defense forced seven punts and blocked a pair of field goal attempts.

Portland State's first quarter performance was encouraging. PSU scored on its second offensive series. The Vikings went 12 plays and 73 yards, 36 on the ground and 37 through the air. Quarterback Dante Chachere was making a dash for the end zone when he was hit at the one-yard line and the ball came free. Running back Delon Thompson pounced on it in the end zone for a Viking touchdown. That tied the game at 7-7.

On the Broncos next series, safety Jaden Dacosta forced a fumble that was recovered by defensive tackle J'Querian Ladson. PSU drove with a chance to take the lead but a Mathias Uribe field goal attempt was blocked. Soon after came Jeanty's big run and the Broncos grabbed control of the game. They scored three times in the second quarter and never looked back.

Following their first score, the Vikings punted four times and had two field goals blocked before scoring again early in the fourth quarter. Chachere scampered in on a 10-yard run. He also completed 3-3 passes in the series for 64 yards. However, the Vikings were down 42-14 with just over 14 minutes to play.

Boise State added two late touchdowns for the 56-14 final.

Chachere led PSU with 202 yards of total offense, completing 12-18 passes for 126 yards and rushing 13 times for 76 yards and a score.

The Vikings had 147 yards rushing and 130 yards passing for the game.

Linebacker Peyton Wing led the defense with nine tackles, including one for loss. Cornerback Jamal McMurrin had seven tackles, one for loss and a pass breakup.

### GAME NOTES

- Delon Thompson's unorthodox touchdown was his first of the season and the second of his career.
- Dante Chachere scored his 59th career TD (22 rushing, 37 passing) in the game. That ties him with his QB Coach Kieran McDonagh who had 17 and 42 for 59 total from 2012-15. They are tied for fourth all-time at PSU (Neil Lomax 119, Davis Alexander 88, Jimmy Blanchard 69)… Chachere is 12th in career rushing touchdowns at PSU (22).
- The attendance at Albertson Stadium was 36,972, a sellout.

### Game 4 • Sept. 28 • Finley Stadium, Chattanooga, TN

## CHATTANOOGA 45, PORTLAND STATE 30

**Chattanooga, TN –** A hurricane passed through the southeast in recent days, with only remnants impacting the Chattanooga area. Rain and wind had mostly subsided by the time Portland State got to town. But the Vikings had to deal with an offensive hurricane from the Chattanooga Mocs, as the home team rolled over PSU, 45-30, at Finley Stadium.

Chattanooga's offense, which was slumbering through the first three games of the season, awoke against the Vikings. They scored on all four full possessions in the first half and never punted in the game. Chattanooga totaled 567 yards to 463 for the Vikings.

The loss dropped Portland State to 0-4 on the season, while Chattanooga, a playoff team in 2023, improved to 1-3.

"Chattanooga showed glimpses of doing things in their earlier games," said Vikings Coach Bruce Barnum. "Their offense came out with a spark tonight and was outstanding on third downs. It really won the game for them."

In the first quarter alone Chattanooga scored 21 points and gained 217 yards. The Vikings averaged nearly 11 yards per play in the quarter - more than the Mocs - but only ran half as many plays and committed one turnover. Dante Chachere scored on a three-yard run in the middle of the first, but the Vikings trailed 21-7 after 15 minutes.

By the closing seconds of the half, the Mocs only had the ball four times but they made the most of it. Chattanooga put together drives of 65, 62, 85 and 83 yards, all resulting in touchdowns. The Mocs out-gained the Vikings, 316-251, in the half, but with PSU committing one turnover and punting once, they trailed 28-14.

Perhaps the best example of the effectiveness of Chattanooga's offense was its third-down conversion rate. The Mocs were 8-8 on third down before the Vikings finally got a stop. That stop led to a field goal and a 31-14 Chattanooga lead with eight minutes remaining in the third quarter.

Late in the third, the Vikings completed a 50-yard scoring drive, set up by a big kickoff return by Christian Grubb. Quincy Craig completed the series with a one-yard scoring run. Still, the Vikings trailed, 38-20.

The Vikings finally got a key defensive stop on the first play of the fourth quarter. Jayden House pressured Mocs QB Chase Artopoeus, deflecting a pass out of his hands. Spencer Elliott picked off the ball as it fluttered in the air over the line of scrimmage. From, there PSU drove for a quick 35-yard field goal from Mathias Uribe. That cut the deficit to 38-23 with 10:12 to play.

Unfortunately, Chattanooga recovered an ensuing onside kick and was able to drive for another score.

PSU added another touchdown with 6:15 remaining in the game. Chachere was 5-6 passing in the 82-yard series, and completed a scoring toss of eight yards to Craig.

It was too little, too late though as Chattanooga finished with the 45-30 win.

Artopoeus finished with 396 yards passing and four touchdowns. For the Vikings, Chachere was 19-30 for a career-high 306 yards, one TD and two interceptions.

"I saw confidence grow on offense tonight, and that really showed in the last drive. Now they think they can go score against anyone and that's what we need going forward," said Barnum.

### GAME NOTES

- Dante Chachere went over 4,000 career passing yards in the game… with his two rushing TDs, Chachere now has 24 in his career, tying Jeff Salta for ninth in PSU history.
- Quincy Craig had the fourth 100-yard rushing game of his career in 14 total games played. Craig went for 103 rushing yards on 10 carries, and had four receptions for 24 yards, scoring two touchdowns.
- Peyton Wing led Viking tacklers with 10 stops, including one for a loss. Michael Montgomery made nine tackles.
- Portland State was playing on the second game in program history in the Eastern Time Zone (2000, at Delaware), and facing Chattanooga (or any Southern Conference team) for the first time in program history.
- The game also marked the first time since 1989 that PSU has played four games in a row on the road.

## #9 UC DAVIS 27, PORTLAND STATE 26

**Hillsboro, OR –** You never want a game to come down to the "official review," but Saturday's Portland State clash with ninth-ranked UC Davis did just that, and it didn't go the Vikings way as the Aggies won on the final play, 27-26, at Hillsboro Stadium.

As heart-breaking losses go, this one is at the top of the list. Portland State never trailed in the game and was ahead 23-14 heading into the fourth quarter.

UC Davis, behind the stellar play of quarterback Miles Hastings and running back Lan Larison, was able to come back with two fourth quarter scores. The Aggies got a three-yard scoring run by Hastings with 12:48 to go, narrowing PSU's lead to 23-21.

The Vikings then drove 80 yards over nearly seven minutes, but were stopped on a third-and-goal play from the six. They settled for a 23-yard field goal from Mathias Uribe and a 26-21 advantage with 5:47 to play.

The Aggies came back looking for a go-ahead touchdown and had moved 23 yards up field when PSU's defense came up with a big play. Hastings was picked off by Vikings safety Isaiah Green, who returned the ball to the Aggies 43 with 3:04 remaining.

Now with the football, the Vikings had a chance to put the game away. UCD's defense had other ideas and stuffed the Vikings on three plays, forcing a punt.

With 1:50 remaining, Hastings led the game's final march from the Aggies six-yard line. UCD was able to run off 13 plays in the final series. With five seconds remaining and the Aggies on the Vikings' 11-yard line, Hastings dropped back, moved right and tossed a ball to the back of the end zone to CJ Hutton. It was tipped and fell incomplete.

The scoreboard clock read 00:00 and the celebration was on for a Viking win… until it wasn't. The officials ruled that one second remained in the game, allowing the Aggies one more chance.

This time, Hastings rolled right again and zipped a ball to the right goal line pylon and wideout Trent Tompkins. Tompkins made the catch at the goal line and was simultaneously hit by cornerback Bryson Ross, who drove him back to the field of play. The official on the goal line signaled touchdown. Within a moment the play was under review as to whether the receiver had broken the plane of the goal line. After four tense minutes of review the referee stated the call was confirmed as the ball was caught in the end zone.

And with that, UC Davis took the come-from-behind victory, and the Vikings took one of the hardest losses possible.

"They said they reviewed the timing and the side judge said he still had a second on the clock (for the last play)," said Vikings Coach Bruce Barnum afterward. "I'm proud of my football team for how much they worked this week and fought. To see them not get any payoff is too bad. Welcome to life, nothing is easy… We just have to come back and get ready for next week."

A defense that struggled through the first month of the season had a makeover in the past week leading up to facing the ninth-ranked Aggies, and that led to a good start. The Vikings limited UC Davis to 13 yards on its first two possessions.

Given an opportunity to get a lead, the offense produced, with a pair of touchdown passes from Dante Chachere to Quincy Craig of 22 and 24 yards. The Vikings were ahead 14-0 with just over eight minutes to play in the first half.

The Aggies offense would not be held down for too long though. A rapid three-play drive – ignited by a 50-yard run from Larison – led to a UC Davis score.

After stopping the Vikings on a three-and-out for the first time in the game, the Aggies went on the march again. Their no huddle offense was quick and effective. An eight-play, 61-yard drive was completed on a Hastings to Larison six-yard scoring pass. With two minutes remaining in the half, the game was suddenly tied, 14-14.

Portland State could play fast too though. With 1:59 left in the second quarter, Chachere completed passes of 45 yards to Jaylen Lynch and 24 yards to Branden Alvarez. On first and goal from the five, Chachere found Alvarez in the end zone for a third passing TD. The extra point was blocked, but the Vikings led 20-14 at halftime.

It went to a two-score advantage for the Vikings early in the second half. Kicker Mathias Uribe completed a PSU drive with a 40-yard field goal for a 23-14 lead.

The Aggies then got two touchdowns in the final thrilling, heart-breaking quarter. UCD improved to 5-1 on the season, 2-0 in the Big Sky, and will look to move up in the top 10 rankings. The Vikings dropped to 0-5, 0-2 on the season.

Chachere finished the game 17-23 passing for 259 yards and three touchdowns while also rushing for 38 yards. Delon Thompson had 12 carries for 68 yards. Alvarez made a season-high seven receptions for 63 yards and a score. Craig made four catches for 66 yards and two TDs.

Cornerback Tyreese Shakir made 10 tackles, with three tackles for losses. Linebacker Michael Montgomery also made 10 stops.

In all, the Viking defense made seven tackles for loss, two sacks, three pass breakups and forced two turnovers.

Larison rushed 23 times for 124 yards and caught nine passes for 109 yards and a touchdown. Hastings completed 36-53 passes for 398 yards, three touchdowns and an interception.

### Game 6 • Oct. 12 • ICCU Dome, Pocatello, ID

## PORTLAND STATE 42, IDAHO STATE 38

**Pocatello, ID –** It looked like a bad case of déjà vu for the Vikings at the ICCU Dome on Saturday evening; a narrow lead late in the fourth quarter and having to punt the ball away in the final two minutes. That scenario turned into a nightmare last week, but Portland State got the job done this Saturday, beating Idaho State, 42-38.

PSU's defense, which struggled mightily through the first half, made the difference in the second half, stopping Idaho in six of seven possessions, including three three-and-outs. Then, when ISU took over at its own 21-yard line with 1:36 remaining to be played and needing a touchdown for the win, the Vikings "D" got the job done.

The Bengals moved into PSU territory, but the Vikings forced incompletions on Idaho State's final three plays, including a fourth-and-five game-decider at the PSU 36 with 29 seconds left.

Portland State's win was especially sweet after losing in a controversial finish to ninth-ranked UC Davis last Saturday.

"There is a lot to winning, but the defense made some great adjustments at halftime. That was critical," said Vikings Coach Bruce Barnum. "On a philosophical side, after that snake bite last week, I have a team that believes they can win that kind of game. The culture in the locker room changed last week."

By pulling out the win, PSU can also celebrate a tour de force performance by quarterback Dante Chachere. The senior signal caller passed for 216 yards and three touchdowns and rushed for 202 yards and three touchdowns. It marked the first time in PSU history that a Viking quarterback has had a 200-200 game.

"He was fantastic from that very first third down we had. They send six players at him and he runs for a (62-yard) touchdown. That stuff doesn't happen on EA Sports. To see him do that and bring his game. He got us out of a lot of trouble," said Barnum.

"The offense was efficient and explosive tonight and was able to burn up a lot of time late and force Idaho State to use their timeouts."

There was little resistance on defense for either side at the start of the game as the first three possessions went for scores. Idaho State opened with a field goal and a touchdown. Sandwiched in between was the 62-yard scoring run by Chachere – the longest of the season for the Vikings. ISU led 10-7 at the end of the first.

The Bengals had three more lengthy drives in the second quarter, all resulting in touchdowns. The Vikings got a second rushing touchdown from Chachere, and a 31-yard scoring pass from Chachere to Eric Denham. However, the Bengals' flawless half concluded with a 31-21 lead.

ISU dominated possession with five drives of 11, 11, eight, 11 and seven plays for scores. That amounted to 20:45 of the 30 minutes of first half possession time. ISU nearly doubled the Vikings in plays run, 47 to 24. In fact, PSU averaged 10.2 yards per play (11.9 rushing) to 7.0 yards per play for the Bengals.

Portland State got the momentum swing it needed to start the second half. Beginning with the ball at midfield due to a pair of Idaho State penalties, the Vikings scored almost immediately. Chachere hit Branden Alvarez on a crossing route and the junior wide receiver shook a tackle and went 50 yards for a score.

PSU's defense then got its first three-and-out of the game and the offense was back in business. On a third-and-long play near midfield, Chachere scrambled out of the pocket and raced 53 yards for a go-ahead score. PSU now had two TDs in just over four minutes of play in the third quarter and led 35-31.

On the Bengals next two series they were stopped again. The second time was on a fourth-and-five play from the Vikings 36. ISU completed a short pass, but linebackers Michael Montgomery and Peyton Wing were there to make the tackle a yard short of the first down.

PSU took over with under three minutes left in the third quarter but couldn't move the ball. That allowed ISU to take back the lead early in the fourth at 38-35.

Chachere wouldn't be stopped though. He engineered a drive that turned into the game winner. A 34-yard completion to Denham on a third-and-eight play moved the Vikings down to the ISU 24. Two plays later, Denham caught another pass, this time for 21 yards and a score. PSU led 42-38.

Portland State would hold that lead for the final 11:34 of the game. In Idaho State's final three possessions, PSU's defense got two three-and-outs, then the decisive stop in the closing seconds.

PSU finished the game with 300 yards rushing, 216 passing and outgained ISU, 516-503.

Denham had career-highs of five receptions, 127 yards and two touchdowns. Delon Thompson rushed 14 times for 72 yards.

On defense, safety Michael Hurst made a career-high 13 tackles, had two pass breakups, a tackle for loss and defended the final play.

Portland State is now 1-5 on the season, 1-2 in the Big Sky. Idaho State is 3-4 on the season, 1-2 in the Big Sky.

### GAME NOTES

- Cornerback Jamal McMurrin made a season-high nine tackles and a pass breakup… linebacker Michael Montgomery had eight tackles and three pass breakups… PSU's defense broke up eight passes on the game.

It was the fourth 100-yard rushing game, and first 200-yard rushing game of his career… Chachere's three rushing TDs give him 27 in his career, moving him into sixth in PSU history… his three touchdown passes give Chachere 44 in his career, tying him for seventh all-time at PSU… with 71 total TDs, he passed Jimmy Blanchard for third all-time behind Neil Lomax and Davis Alexander.
- Chachere's 202-yard rushing game was the second-most by a PSU quarterback. The only other time a Viking QB ran for 200 yards was Connor Kavanaugh with a 211-yard rushing game in a 42-35 win at Idaho State in 2011.
- Portland State has now played Idaho State 48 times in its history – the most of any opponent all-time… PSU leads the Big Sky Conference series, 14-13.

### Game 7 • Oct. 19 • Hillsboro Stadium, Hillsboro, OR

## #3 MONTANA STATE 44, PORTLAND STATE 14

**Hillsboro, OR –** Third-ranked Montana State left no question where it stands in the hierarchy of the Big Sky Conference and FCS Football nationally on Saturday at Hillsboro Stadium. The Bobcats, behind the nation's second-ranked running game and a top-10 defense, rolled over Portland State, 44-14.

The Bobcats rushed for 323 yards, had 607 yards total and held Portland State to a season-low 235 yards in maintaining their perfect season. MSU moves to 8-0 on the season, 4-0 in the Big Sky Conference, with the win. The Vikings are now 1-6 on the year, 1-3 in the Big Sky.

A methodical start by both teams left the score at only 7-0 MSU after the first quarter. But Montana State exploded for four second-quarter touchdowns and had the game out of reach at halftime, 35-0. At intermission, the Bobcats already had over 400 yards of offense to only 91 for the Vikings.

PSU played better in the second half, holding MSU to three field goals, and despite a 14-9 advantage, it was too little, too late.

Scottre Humphrey led a Bobcats running game that averaged 8.3 yards per carry with 160 yards and two touchdowns on 14 carries. Quarterback Tommy Mellott was efficient, completing 15-20 passes for 239 yards and three scores.

Vikings quarterback Dante Chachere was stymied by a Bobcats defense that leads the Big Sky in fewest yards allowed and fewest points allowed this season. Coming off a National Player of the Week honor, Chachere completed 11-18 passes for only 64 yards and was intercepted once. He netted only four rushing yards.

Delon Thompson was PSU's most effective offensive weapon, carrying the ball 12 times for 78 yards and a nine-yard touchdown run. The Vikings other score came from backup QB Will Haskell, who led the Vikings on a 75-yard scoring drive in the fourth quarter. Haskell rushed in from 12 yards out.

"That is a team that will go a long way in the playoffs," said Vikings Coach Bruce Barnum of the Bobcats. "They run it well and their defense stifled us. We're not bad on offense, but they got after us. They were physical early and we didn't answer the bell."

### GAME NOTES

- Isaiah Green led the defense with 10 tackles from his safety position. Michael Montgomery had eight tackles and Peyton Wing added seven stops.
- Montana State has beaten the Vikings five games in a row. PSU's last win in the series came in 2015.
- The game with Montana State is the first of four straight games against 2023 playoff teams. Coming up are Sacramento State, Idaho and Montana.

### Game 8 • Nov. 2 • Hornet Stadium, Sacramento, CA

## PORTLAND STATE 58, SACRAMENTO STATE 38

**Sacramento, CA –** Sometimes you have to show off a little for big bro.

That's the way Vikings quarterback Dante Chachere looked at it as he propelled his Viking team to a 58-38 Big Sky Conference win over Sacramento State at Hornet Stadium.

Chachere led an efficient and effective offense that totaled 544 yards - the most points in 15 games - was 11-15 on third-down, 1-1 on fourth down and 7-7 in the red zone. For his part, the senior quarterback rushed 14 times for 165 yards and four scores, and completed 14-27 passes for 245 yards and another touchdown. All in front of his big brother Andre… for the first time.

Andre, who has spent the past three seasons in the NFL, was in town to see little brother play a college football game for the very first time. His appearance only begs the question, 'maybe he should show up more often?'

"The whole week leading up, I kept asking 'are you going to make it?' I was telling the guys, my brother is coming and I'm going to ball out. He's only seen me play my junior in high school. So, I was very excited for that," a happy Dante said after the game.

The youngest Chachere totaled 410 yards and five touchdowns. That qualifies as "balling out." But he was far from the only star. To name just a few:

- Kick returner Christian Grubb had a 71-yard return setting up an early rushing touchdown by Chachere.
- The Viking defense got a key three-and-out in the third quarter, allowing the offense to score back-to-back touchdowns and take a two-score lead for the first time in the game.
- Senior nickelback Tyreese Shakir made an important interception in the fourth quarter, leading to another score and an insurmountable 20-point lead.
- Freshman running back Delon Thompson was solid in the backfield with 84 rushing yards and two touchdowns. Sophomore running back Quincy Craig added 84 yards rushing and receiving and also scored.
- Wide receiver Branden Alvarez had a career-high 105 yards on six receptions.

"In the end, we all came together: offense, defense, special teams… that's how you win the game," said Chachere.

After trailing by four points at halftime, PSU outscored the Hornets 41-17 in the second half, including three scores from Chachere.

"The consistency of the offense was outstanding," said Vikings Coach Bruce Barnum. "Particularly 'Chach' and Alvarez made some plays that kept the chains moving. Everybody had a damn good day on offense, but those two were great.

"The defensive staff's adjustments at halftime were unbelievable too. I think the kick return by Grubb was big, and we scored after the turnover. "I always tell the team, 'the game changes' and that's the way we played tonight. I told them we were going to change the game, start attacking more, and that's what I saw tonight with all those key plays.

The Hornets led 7-0, 14-7 and 21-17 in the first half, but PSU responded with their best offensive half of the season after intermission.

Chachere came out throwing in the second half. He hit wide receiver Eric Denham on a 37-yard completion, then three plays later found tight end Tanner Beaman up the right sideline for an 18-yard touchdown. The Vikings were on top 24-21.

Following a tying field goal by Sacramento State, the Vikings created some breathing room. A 12-play, 75-yard march culminated in a one-yard scoring run by Thompson. PSU's defense then stuffed the Hornets on three downs and forced a punt. This time, Chachere let his feet do the work. On a third-down-and-nine play near midfield, he broke out of the pocket on a 54-yard scoring sprint. The extra point failed due to a bad snap, but suddenly the Vikings led 37-24 with just over two minutes left in the third.

Again, the Hornets answered back with a score in the span of just 90 seconds. The Vikings would not be stopped, though. On their next series, Chachere completed a 48-yard bomb to Alvarez, who lost his balance just short of the goal. No worries, as Craig rushed it in from two yards out on the next play. The Vikings went back ahead 43-31 with 12:28 left to play.

Then came the defensive play of the game. Shakir picked off Conklin on the first play of the ensuing series, returning it to the Hornets 31-yard line.

PSU burned four minutes off the clock before Chachere picked up his fourth rushing TD of the night, a two-yard trot into the endzone. PSU led 51-31 with eight minutes to go and it was all over except for the shouting. Each team added a score in the final four minutes but the game was never in doubt.

The Vikings rushed for 299 yards and seven touchdowns, had 245 yards receiving with one score, and did not turn the ball over in the game.

Hornets quarterback Carson Conklin passed for 325 yards and four touchdowns with one interception.

The win improves the Vikings' record to 2-6 on the season, 2-3 in the Big Sky. Sacramento State is 3-6, 1-4.

### GAME NOTES

- Tyreese Shakir's interception with the sixth of his career… the Vikings got eight tackles each from safety Ezriel Vasquez, linebacker Peyton Wing and safety Jaden DaCosta.

### Game 9 • Nov. 9 • Hillsboro Stadium, Hillsboro HS

## #9 IDAHO 39, PORTLAND STATE 30

**Hillsboro, OR –** Portland State went toe-to-toe with Idaho, the nation's 9th-ranked team, for 55 minutes. But the Vandals were able to put the clinching touchdown on the board late to pull out a 39-30 Big Sky Conference win at Hillsboro Stadium.

The game was tied or a one score margin the entire game until Art Williams was able rush in a score from three yards with 1:56 remaining on the clock. A two-point conversion iced the game for the Vandals.

Ultimately, the game was won up front by Idaho. The Vandals rushed for 257 yards and totaled 462 yards on the day. The Vikings, normally a strong rushing team, were held to 134 on 44 carries, partially due to five quarterback sacks. PSU had just 314 yards of total offense.

"They took some things away from us up front," said Vikings Coach Bruce Barnum. "They ran the ball better than us and in a tight game that was the difference. Up front, they made more plays than we did.

"I saw some good things. It's a little frustrating, because I have freshmen and sophomore making a lot of plays. I've got a team coming back (next year). So, it shows me when we compete with a team this good, this close, we don't have far to go."

Idaho improved to 7-3, 4-2 in the Big Sky Conference. The loss dropped the Vikings to 2-7, 2-4 in the Big Sky.

Portland State's defense got a first-series' stop highlighted by a sack from Peyton Wing. However, on the ensuing punt, the ball was muffed and recovered by the Vandals at PSU's 24-yard line. From there, the Vandals were able to score within four plays. Williams rushed in from seven yards out for 7-0 Idaho lead.

The teams traded touchdowns in a rapidly played first half. PSU had drives of 70 and 79 yards. Delon Thompson scored on a one-yard run on the first series, then Dante Chachere tossed a 20-yard scoring pass to Quincy Craig. In between was another Idaho scoring pass. That had the game tied at 14-14 midway through the second quarter.

With 6:52 left in the half, Idaho rolled the dice on a 4th-and-three play from its own 47. PSU was ready as Michael Montgomery and Spencer Elliott sacked quarterback Jack Wagner.

PSU took over at the Idaho 44. Two runs by Delon Thompson gained 18 yards, then Chachere threw a play-action slant to Branden Alvarez for a 22-yard touchdown. The Vikings had their first lead at 21-14 with 5:40 to go in the half.

Idaho came back to score twice before intermission, each on a running play by Deshaun Buchanan of 22 and 13 yards. The Vandals had a halftime lead of 28-21.

PSU took its own gamble on the first possession of the third quarter. On 4th-and-two at the Viking 47, Chachere scrambled for two yards to keep the drive alive. The Vikings were able to convert a 44-yard field goal by Mathias Uribe to close the gap to 28-24.

Idaho added a field goal, then Uribe made another with 14:11 to play and it was 31-27 Vandals.

Idaho drove to the PSU 26 on the next series. On 4th-and-1 the Vandals tried a trick play with a tight end sneaking under center. However, they were flagged for a false start and had to attempt a 43-yard field goal. Cameron Pope's try went wide right though, and the Vikings took over with 8:29 to play.

PSU couldn't make anything happen on the next series and had to punt it away. That's when the Vikings got their own break. The punt hit Idaho's Jakhari Larmond as he was running back to block. The Viking snapper, Kristian Ingman recovered the ball and PSU was back in business. However, once again, they failed to get a first down. Uribe booted his third field goal of the game, from 48 yards, and narrowed the Idaho lead to 31-30.

The Vandals took over with 5:11 remaining in the game. Methodically, they moved downfield in eight plays, getting the final score from Williams.

Buchanan led the Idaho running game with 22 carries for 212 yards and two scores.

For Portland State, Thompson rushed 15 times for 71 yards and one score. Chachere completed 15-21 passes for 180 and two scores, but gained only 25 yards on the ground due to five Idaho sacks.

Wing led the defense with 13 tackles and a sack. Ezriel Vasquez made nine stops.

### GAME NOTES

- Idaho was the third straight top-10 opponent the Vikings have faced at home.
- SR QB Dante Chachere passed three milestones: 5,000 passing yards (5,173), 2,000 rushing yards (2,015 in his career) and 7,000 total yards of offense (7,188 - eighth all-time at PSU)... with 2,015 rushing yards, Chachere has passed Connor Kavanaugh (1,956) for most rushing yards ever by a Viking QB and is the 12th Viking in history to rush for 2,000 yards in a career.
- The game marked the 100th in Bruce Barnum's head coaching career. It was his 157th game at PSU overall.

**Game 10 • Nov. 16 • Washington-Grizzly Stadium, Missoula, MT**

## #10 MONTANA 28, PORTLAND STATE 17

**Missoula, MT –** Another game performance by the Portland State Vikings against a top-10 program came up short once again as Montana came back to defeat the Vikings, 28-17, at Washington-Grizzly Stadium.

The Vikings played great defense in the first half and ran the ball well, but a season-high five turnovers proved to be very costly, including three interceptions at the goal line when PSU was driving.

Two turnovers came in the first half when PSU was in Montana territory. A third came early in the fourth quarter at the PSU 30, and two plays later the Griz produced a touchdown that gave them their first two-score lead of the game. The fourth and fifth were interceptions near the goal line when the Vikings were threatening to come back in the fourth quarter.

The 10th-ranked Griz improved to 8-3 on the season, 5-2 in the Big Sky Conference, with the win. Portland State slipped to 2-8, 2-5.

It was a strange game with three total points in the first half, 35 in the third quarter, seven total turnovers and one major power outage.

"I've never seen a first half like that at Missoula, 3-0, but I like how my team played," said Vikings Coach Bruce Barnum. "You can't go anywhere, especially Missoula, make five turnovers, get down to the red zone and not cash in. It was a true bend-but-don't-break defense by the Griz today."

Portland State had an excellent first quarter but managed only three points. The Vikings had drives of 61 yards and 59 yards. The first resulted in a 40-yard field goal from Mathias Uribe. The second was terminated by a Montana interception at the goal line on a gadget play. Still, PSU out-gained the Griz 115-39 and was ahead 3-0 after one.

Montana returned the turnover favor on its first significant drive of the game. The Griz moved inside the Vikings 20 early in the second quarter. However, on a 2nd-and-8 play, quarterback Keali'i Ah Yat tossed a pass to the left sideline. Vikings nickelback Tyreese Shakir tipped the ball, then cornerback Michael Hurst scooped it up before going out of bounds at the PSU 5.

The defensive struggle continued through the second quarter. After PSU's initial field goal there were five punts and three turnovers between the teams. The Vikings held the 3-0 edge at halftime, out-gaining the Griz, 167-120. It could have been more but for the turnovers in Montana territory.

After no touchdowns in the first half, there were five straight touchdowns over the course of the third quarter.

Montana produced a quick five-play, one-penalty drive to pick up its first lead of the game. Logan Fife, who entered the game in the second quarter at quarterback, got the Griz the lead on a one-yard run.

The Viking running game had an answer though. On PSU's next series, Delon Thompson carried the ball four straight times for 46 yards. Then Quincy Craig put a cap on the drive with a 13-yard touchdown run. PSU was back on top, 10-7.

Fife came right back to complete an 81-yard pass to Sawyer Racanelli and Montana was ahead 14-10, with 10:10 to go in the third quarter.

Chachere had a big pass play in him as well. He hit tight end Tanner Beaman on a 56-yard pass down to the Griz 5. PSU was stuffed on three plays, but went for it on 4th-and-goal from the three. Thompson rambled in untouched and PSU was on top again, 17-14.

Then, the Griz put on a methodical 11-play, 70-yard drive that concluded in a Fife touchdown pass to Erik Barker. That made it 21-17 going into the fourth quarter.

A fumble on the first play of the fourth by the Vikings was big. Montana took over at the PSU 30-yard line. Fife quickly tossed his third TD pass of the second half and it was 28-17 Montana with just over 14 minutes to go.

Unfortunately, PSU's final two drives ended in interceptions and Montana held on to win.

The Griz out-gained the Vikings 446-401 in the game. PSU had an excellent ground game with 117 rushing yards and a touchdown from Thompson, and 90 yards and a score from Craig. Craig also had 48 yards receiving and 113 on kick returns for a total of 251 all-purpose yards.

Fife was 9-14 passing in the second half for 197 yards and three TDs. Eli Gillman rushed for 134 yards for Montana.

Linebacker Peyton Wing led the Vikings with 10 tackles, including one for loss. PSU got quarterback sacks from Michael Montgomery and Slade Shufelt.

### GAME NOTES

- Power went out in the stadium midway through the fourth quarter. The last 6:45 of the game was played without a functioning scoreboard or stadium lights.
- Montana State was Portland State's fourth top-10 opponent opponent, fifth nationally-ranked FCS opponent and seventh nationally-ranked opponent including FBS teams.
- Delon Thompson had his first 100-yard rushing game of the season.
- Mathias Uribe's 40-yard field goal was his 10th of the season.

# PORTLAND STATE 45, NORTHERN COLORADO 13

**Hillsboro, OR –** It's always good to go out on a winning a note… to play to your strengths… to reward your seniors… and the Vikings did all of that in a convincing 45-13 season-ending win over Northern Colorado at Hillsboro Stadium.

PSU did what it does best - run the football – to the tune of a season-high 358 yards and totaled 508 yards of offense. The defense allowed the fewest points of the year.

"That's what we are built for, to run the football," said Vikings Coach Bruce Barnum, as eight different players carried the football, including sophomore Quincy Craig, who had a career-high 137 yards and two touchdowns.

Along the way, a lot of seniors got the chance to shine while playing in their final game. Running back Christian Grubb and tight end Elias Spence scored touchdowns. Running back Jalynnee McGee rushed six times for 40 yards. Nickelback Tyreese Shakir forced a fumble that led to an eventual touchdown. And of course, quarterback Dante Chachere had 230 yards of total offense on just 21 plays.

The list goes on… but it all added up to a win as the Vikings ended their season at 3-8 overall, 3-5 in the Big Sky Conference. It was also nice that the Vikings didn't have to play a top-10 program – something they seemed to face almost weekly this season.

"That was a nice change up," said Barnum. "It's a great way to lead into the off-season and get the Vikings ranked (next year). That's the goal. The schedule we played showed this team where they have to be next year to get to the playoffs.

"I have a good football team. They are young. We only lose 14 seniors, so we have a lot to bring back and we need to keep them here."

In the first quarter, Portland State took advantage of a poor first punt from Northern Colorado and took over at the Bears' 32-yard line. The Vikings moved the ball only 17 yards but that was enough for a 33-yard field goal from Mathias Uribe. It was the lone score of the period as PSU led 3-0 and was driving heading into the second quarter.

That drive was completed on a one-yard run by Craig, putting the Vikings ahead 10-0.

At that point, the Bears running game began churning. They mounted a 75-yard drive. Seventy-seven rushing yards came on the ground as UNC had an unsportsmanlike penalty. David Afari scored on an eight-yard run narrowing the margin to 10-7 with 4:23 left in the half.

The Vikings wanted points before halftime and drove all the way to the UNC one, but fumbled the ball away. It nullified a brilliant running performance by Craig, who had five carries for 65 yards in the series. He was at a career-high 115 yards rushing by halftime.

The good news was the Bears fumbled the ball back to the Vikings four plays later at their own 32. PSU took over with 48 seconds left in the half. Chachere broke away on a 29-yard run. He was followed by a three-yard scoring run from Delon Thompson. PSU led 17-7 at halftime.

The second half started well behind a pair of senior running backs. McGee rushed twice for 23 yards, then a moment later Grubb rushed for an 18-yard touchdown. Suddenly, the Vikings had a three-score lead at 24-7.

Craig added a second rushing touchdown later in the third quarter. Then, Barnum gave one of his seniors a chance for final-game glory. Spence came out of the backfield for a four-yard TD run early in the fourth quarter. At that point, the Vikings were up 38-7 and cruised to victory with running back Jacques Badolato-Birdsell adding a late score.

PSU out-gained the Bears 508 to 401. The Vikings faced only five third-down plays the entire game, converting three. Craig finished with 150 total yards. Chachere had 80 yards rushing and 150 passing.

On defense, Davin Beason made a career-high 12 tackles, including one for loss, to lead the Vikings. Michael Hurst had two pass breakups and a fumble recovery.

### GAME NOTES

- Quincy Craig had the sixth 100-yard rushing game of his career. His previous career high was 107 yards, accomplished twice.
- The Vikings have beaten Northern Colorado five straight times – the longest win streak over any Big Sky school.
- Kicker Mathias Uribe ended the season 11-12 on field goals made.

# VIKING FOOTBALL HISTORY

## NAIA, NCAA II, All-Time Letterwinners and More

**Nothing about the founding, growth and development of Portland State University followed the traditional path of higher education. The same can be said about its athletics department and football program.**

**From Extension Center to NAIA to NCAA Division II and then Division I. From Lincoln High School to Multnomah Stadium/Civic Stadium/ PGE Park/JELD-WEN Field/Providence Park (and to Hillsboro Stadium twice and back again). From superstar athletes to NFL stars. From crazy promotions to postseason prominence. From Mouse to Pokey to Tim to Barny and all the others along the way, this is the story of Portland State Football.**

**PASS OR RUN?** Back in the Vikings' Division II days, there were a number of crazy promotions, including the fans calling plays for one possession each game. Here, in a game from the early '90s, the crowd definitely wants to pass.

The Vikings were Oregon Collegiate Conference Champions under Head Coach Jerry Lyons (second from right, dark jacket) in 1963. PSU went 4-0 to win its first conference championship of any kind. The Vikings won the OCC again in 1964.

# VIKINGS FOOTBALL HISTORY

Portland State University will embark on its 76th season of football in the year 2021. The previous 75 seasons have seen remarkable change and growth as the university itself blossomed from a two-year extension center in the 1940s to a four-year college in the 50s, reached university status in 60s and by the turn of the century became the state of Oregon's largest and most diverse institution of higher education.

Viking athletics began in a primitive form during the early days of the extension center in the 1940s, then grew to compete in the Oregon Collegiate Conference in the 1950s a PSU became an NCAA College Divisi member in the mid-1960s, then evol into a NCAA II program and finally a NCAA 1-AA program in the late 90s also competed at the 1-AA level fron 1978-80).

Portland State, which played as independent during much of its histo a member of the NCAA II Western Fo Conference from 1982 to 1992, then joined the Big Sky Conference in 199

All along the way, the growth of the Viking football program has paralleled that of the University and its Athletics Department.

**Don Read was Portland State's Head Football Coach - twice.**

## VANPORT: THE EARLY YEARS OF VIKING FOOTBALL

Although little is recorded from the early years of Viking football, the Vanport Extension Center (PSU in its formative years) first fielded a football team in 1947.

**Joe Holland, Vanport's first football coach.**

The Viking program, led by Athletic Director Joe Holland through the first eight years, competed mainly against small colleges, junior colleges and military bases. Vanport, a two-year school at the time, was 1-8 in its first season. Its first win came in the season's final game against Sand Point Naval Air Station, 36-7.

Vanport had its first winning season under Holland in 1949, going 5-4 with wins over Wenatchee, Clark and Olympic Junior Colleges, as well as Oregon Tech and Tongue Point Naval Station.

Vanport, which was originally located in the community of Vanport in North Portland, moved to its downtown location in 1952 and became a four-year degree granting institution in 1955. It also became known as Portland State College.

## SMALL COLLEGE FOOTBALL

Ralph Davis took over as head coach in 1955 as Portland State began competing exclusively at the small college level. The to a more consistent d tougher - schedule oved challenging to e emerging college letic program. The kings did not have a winning season from 954 to 1962 and had our different coaches.

Jerry Lyons was l coach for the 1963 n and led Portland College to its best record to date: 6-2. However, following a .500 season in 1964, Portland State did not see another winning year until 1969 under Don Read - the same year that the school achieved university status. At this point, PSU had become an NCAA member, playing a formidable - and regional - schedule, featuring teams from Washington, Idaho, Montana and California.

As the Viking program continued to move up its level of competition, it continued to struggle, managing just one more winning season through the mid-1970s. But, what Portland State University followers didn't know is they were about to witness a revolution in football and the fortunes of its football program.

## RUN AND SHOOT

In its first 28 seasons of football, Portland State had five winning seasons and two seasons at .500. In the following 27 years, PSU would have 19 winning seasons and prove to become one of the most innovative and explosive offensive football programs at any level.

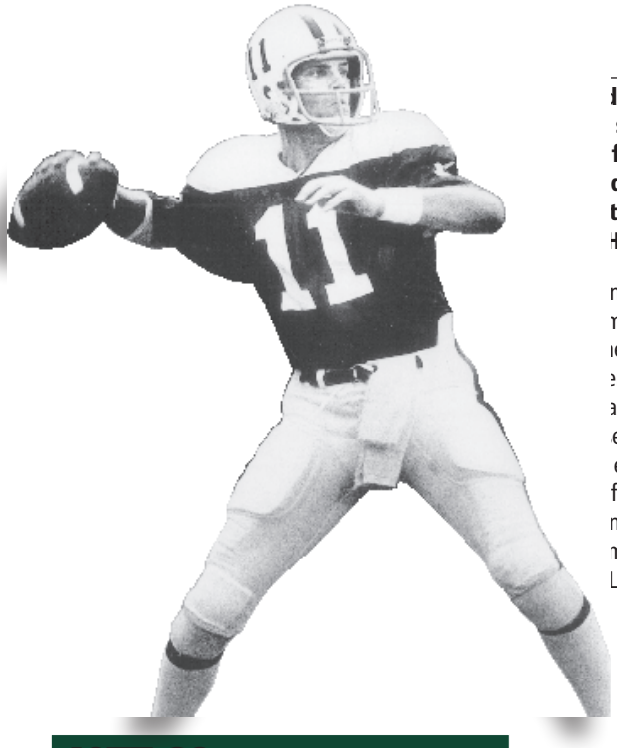

The transformation began with a man named Darrel "Mouse" Davis.

An assistant coach at Portland State, Davis took over as Head Coach in 1975 following the departure of Ron Stratten. Behind his revolutionary new "Run-and-Shoot" offense (developed in the late 1960s at Hillsboro (OR) HS) and a strong-armed quarterback named June Jones, Davis led the Viking program to new heights - an 8-3 record, including a perfect 5-0 home mark.

The Run-and-Shoot employed a pass-heavy, multiple-receiver offense that confused defenses. In 1975, PSU scored a school-record 366 points

**Mouse Davis' teams scored 50 or more points 16 times in six seasons. Mouse is seen here with Mike Bush.**

ngs were running up the score, consider nax only played half of that game, about ıe amount in similar blowouts. The innova- ense devised by Davis was simply more ny college defenses could handle. In easons, Mouse compiled a 42-24 record easily the best of the nine coaches during first 34 years of football.

nes, Lomax and Davis all took their narkable talents to the National Football League following their time at PSU. But they, more than anyone, put the Viking football program on the map.

Remarkably, Davis came back to be the Vikings offensive coordinator in 2007 and 2008, and to nobodies surprise, the Vikings' led the nation in passing both seasons.

(33.2 ppg) and passed for 3,979 yards - and that was just the beginning.

Under Davis, the Viking program churned out five straight seasons of more than 4,000 passing yards, with four more winning records, per game offensive numbers in the vicinity of 500 yards, and a pair of All-American quarterbacks. Jones and later Neil Lomax dazzled their opponents - and often humiliated them on the scoreboard - scoring over 50 points 14 times during those years.

In 1980 alone, PSU put up winning scores that boggled the mind: 93-7 vs. Cal Poly Pomona, 105-0 vs. Delaware State and 75-0 vs. Weber State. In the win over Delaware State, Lomax tossed a school-record seven touchdown passes - in the first quarter. Lest football observers think

## DEVELOPING A FIRM FOOTING AT DIVISION II

Although Portland State had become an NCAA member many years prior, the Mouse Davis era continued the transient, independent schedule of the Viking program.

Coinciding with Don Read's return as Head Coach at Portland State in 1981, the Viking program became ingrained as an NCAA II-level institution. Unfortunately, at that time, financial issues threatened many of PSU's athletic programs. Football was not immune.

While a number of lower-profile sports were dropped in 1981 as a cost-cutting measure, among those being considered for elimination were men's basketball and football. Finally, it was deemed that the struggling men's basketball program would be dropped (it was reinstated in 1996) and football would play on.

For Read, the challenges were once again great as Portland State tried to maintain its balance as an athletic program as well as a football program.

At the NCAA II level, PSU was somewhere in the middle. Not small college, but not quite big-time either. Then in 1982, Portland State made a move that helped recreate some identity for the program by joining the Western Football Conference. For the first time since the 1960s, PSU would compete in a conference, developing a consistent schedule and rivalries.

Although the member teams of the WFC morphed throughout the 1980s and into the early 90s, PSU had a home. In 1984, Read led the Vikings to its first winning season as a WFC member and since 1980 as the Vikings went 8-3.

Although Read moved on to coach at the University of Montana in 1986, he restarted a tradition of Viking football that would lead to six

## POKEY

Following the dissolution of the United States Football League (USFL) and the Portland Breakers franchise, Ernest "Pokey" Allen needed a job. As a coach with the Breakers' team and many previous seasons at the collegiate level, Pokey - with his offbeat, humorous personality - seemed to be a good fit at a less-than-conventional university like Portland State. Once the PSU administration hired him in 1986 he proved them correct.

Allen led the team to a respectable 6-5 record in his first season. But that was just an appetizer for the football-hungry Viking fans. Over the next six seasons, PSU would win five Western Football Conference titles, reach the NCAA II title

**Tony Mims set a Portland State record with 405 career tackles from 1974-77.**

**Pokey Allen was, well... a free spirit. He rode elephants, warned of impending meteor showers, offered red-hot football tickets, played a cowboy... and coached the Vikings to 63 wins and six playoff appearances in seven seasons from 1986 to 1992.**

game twice (1987 and 1988), complete three 11-win seasons and become one of the most dominant Division II football programs in the nation. The Vikings went 10-5 in playoff games during that era as Allen compiled a 63-26-2 record over seven seasons, establishing the best winning percentage of any coach at PSU (.708).

More than just the football though, Allen brought the Vikings attention through his quirky personality and PSU's goofy promotional stunts.

Allen could be seen riding elephants, making astronomical predictions, betting his paycheck against that of the school newspaper sports editor's paycheck, and allowing fans to call plays - all in the name of selling tickets.

It worked. Portland State football became a hot ticket as a result of its success on the football field and national prominence, Allen's crazy promotions and the lack of success during that time of the state's major college football programs.

PSU averaged over 10,000 fans per game for the first time in 1988. That trend continued over the next seven years as Portland State was one of the top-drawing schools in the nation at the NCAA II level.

## WALSH LEADS THE VIKINGS TO A NEW LEVEL OF PLAY

When Pokey Allen left PSU after the 1992 season to become Head Coach at Boise State, the Viking team was a top-ten caliber program. New Head Coach Tim Walsh (who was hired at Christmas of that year in part because of leading his Sonoma State program to a win over the Viking juggernaut the previous season) picked up the mantle successfully. Walsh took the Vikings right back to the playoffs in 1993, and again in '94 and '95, winning 25 games in his first three seasons.

By the mid-90s, however, the ever-changing status of Portland State University and its athletics program was at another crossroads. The Western Football Conference had disbanded after 1992 as member schools moved to other conferences. Again, the Vikings were an independent, an increasingly difficult position to be in in the world of collegiate athletics.

Portland State was traveling to all parts of the country for games and found it increasingly difficult to bring "name" schools to Portland for games against such a dominant team.

In 1995, the university and its athletic program determined that the best move for Portland State would be to the Division I level. An opening existed in the Big Sky Conference as Idaho and Boise State were moving out, and all of PSU's programs could benefit from playing a regional schedule against similar-sized schools at a "big-time" level. That meant 1-AA football for Portland State in 1996.

Walsh and his football program probably had the most challenging move to make of anyone at PSU. The Vikings scholarship level was in the mid-30s at that

**In 1987, Curtis Delgardo became the first Viking running back to rush for 1,000 yards in a season.**

**Chip Dunn left Portland State with 16 school records and more than 6,000 rushing yards.**

time, but they would be competing with schools that had in excess of 60 scholarships. Adding to the difficulty was Walsh's decision to redshirt a host of talented freshman in the first season (a move that would later reap great rewards), leaving the Vikings with an active team of approximately 20 scholarship players.

As expected, Portland State suffered in the early going, but gradually built the program up at the 1-AA level making progress each year. PSU was 3-8 in 1996, 4-7 in 1997, 5-6 in 1998, then leaped forward to 8-3, 8-4, 7-4 as the program - and those freshmen - matured. PSU made its first NCAA 1-AA playoff appearance in 2000 and narrowly missed bids in 1999 and 2001.

Walsh's steady hand at the helm of the Viking ship was a key. In 14 seasons as a head coach, Walsh was the longest tenured football coach in PSU history. He coached the most games (158) and won the most (90) of any coach in Viking football history, despite the rebuilding process at the 1-AA level.

In the 21 seasons that Pokey Allen and Tim Walsh led the Viking program, PSU had 17 winning teams. Portland State football had a 153-94-2 record during that span.

## "YOU'RE GONNA LOVE THIS..."

The addition of former NFL Head Coach Jerry Glanville as the Vikings' new head coach in 2007 brought a different spark to Portland State and the Park Blocks. Glanville's mantra of "You're gonna love this..." referred to the attitude he brought to Portland State upon his hire on Feb. 28, 2007 and the brand of football his Viking team would play.

Remarkably, Glanville brought back the excitement of Run-and-Shoot football as well, as former Head Coach Mouse Davis served as the offensive coordinator for two seasons. The Vikings moved the ball, but struggled to win. In fact, a 73-68 loss to Weber State on Oct. 27, 2007 set an NCAA record for most points (141) and touchdowns (20) in a regulation game. Freshman quarterback Drew Hubel even tied Viking legend Neil Lomax's record with nine touchdown passes in one game - and it was Hubel's first career start.

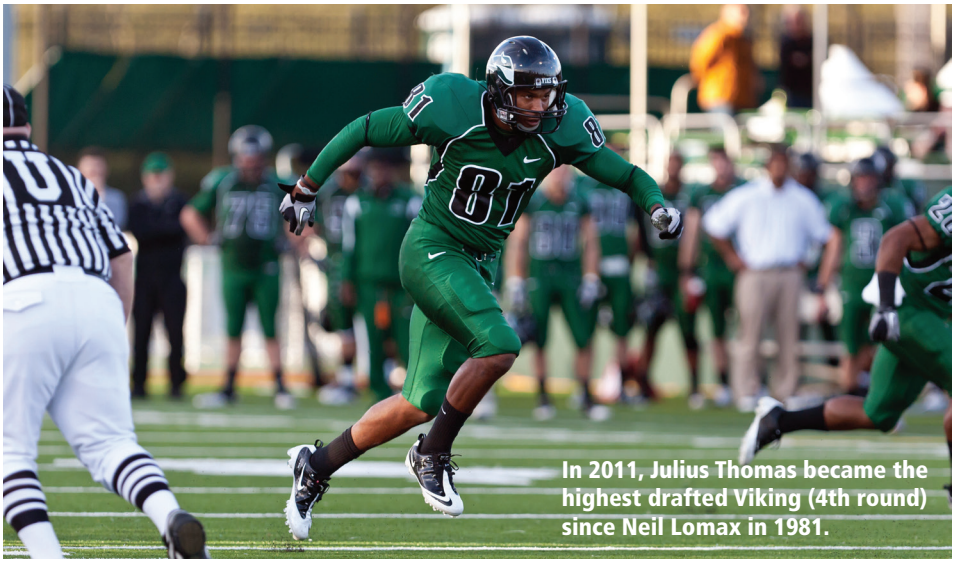

Unfortunately, the highlights of the Glanville era were limited. He lasted only three seasons as the Vikings went 9-24 - their worst stretch of football since 1981-83.

## BRINGING THE FAMILY BACK

Portland State hired Nigel Burton, a former Tim Walsh assistant in late 2009 to revitalize the program. Burton became the first African American Head Coach in the Big Sky Conference. His primary objectives - in addition to bringing a winning program back to Portland State - including re-integrating a proud and successful alumni back into the Viking "football family."

**Adam Hayward was named Big Sky Conference Defensive Player of the Year in 2006. He went on to a nine-year career in the NFL.**

In 2011, Julius Thomas became the highest drafted Viking (4th round) since Neil Lomax in 1981.

In his second season, Burton turned a struggling program that had four straight losing records to a 7-4 record. The five-game improvement in the win column was the best in the Big Sky and one of the best in the nation. Once again, Portland State was back on the map in NCAA I FCS football.

Burton's tenure lasted five seasons. He was fired after compiling a 21-36 overall record. However, he produced some of the top Vikings in program history, including All-Americans Zach Brown and Kyle Loomis, Rimington Award winner Cornelius Edison, NFL star tight end Julius Thomas and Super Bowl XLVIII Champion DeShawn Shead.

## BARNYBALL - WHAT EVERYONE WAS WAITING FOR

Bruce Barnum was given a one-year interim contract to replace Burton in 2015 and, frankly, not a lot was expected of the Viking football team. But Barnum instilled his version of "BarnyBall" on the Park Blocks and it worked like a charm.

BarnyBall was described as tough, blue-collar, fundamental football and that was exactly what the Vikings played, bringing tough defense, forcing turnovers, moving the offense efficiently and taking advantage of every opportunity.

The result was an amazing season - the best in Portland State's Division I history. But that didn't completely tell the tale. The Vikings were 9-3 overall, reaching the NCAA FCS playoffs for the first time in 15 seasons. The wins were epic: a first-ever victory over a Pac-12 school, 24-17 against Washington State; a 66-7 win over North Texas which was the largest margin in NCAA history by an FCS team over an FBS team; wins over Montana, Montana State, Cal Poly and Eastern Washington - all of which ended long losing streaks to those schools. In the end, PSU went 5-1 against nationally-ranked teams, 2-0 against FBS schools, had its first nine-win season in its FCS history, and an improvement of six games over the 2014 season.

By mid-season, Barnum's interim contract had morphed into a five-year deal at Portland State. At the end of the season, he was recognized by his peers and the media as the Big Sky Conference and the FCS National Coach of the Year. It marked the first time a Viking football coach had won either honor.

Barny brought his own unique flair to Viking football with his malpropisms, team bus trips and willingness to buy beer for fans that show up at home games.

The celebration was on after Portland State beat Washington State in 2015, igniting the Vikings' best Division I season in school history.

# VIKINGS POST-SEASON HISTORY

Portland State has made a total of 10 post-season appearances in its history - eight as an NCAA II member and two as an NCAA I FCS participant. The Vikings are 12-10 all-time in playoff games, including 12-5 at home, 0-3 on the road and 0-2 at neutral sites (both NCAA II national championship games in Florence, AL).

## NCAA 1 FCS

In just its fifth season as an NCAA 1 FCS competitor and third season eligible, the Portland State football program earned a berth in the post-season playoffs (2000).

PSU was selected as the number 15 seed in the 2000 playoffs and traveled to Delaware for a first round game. The playoff selection was the culmination of a building process Head Coach Tim Walsh started in 1996. The Vikings were 3-8, 4-7, 5-6, 8-3, 8-3 in their first five Division I seasons.

The Vikings returned to the playoffs in 2015, hosting their first FCS playoff game ever. The sixth-seeded Vikings lost to Northern Iowa, 29-17, in the second round.

## NCAA II

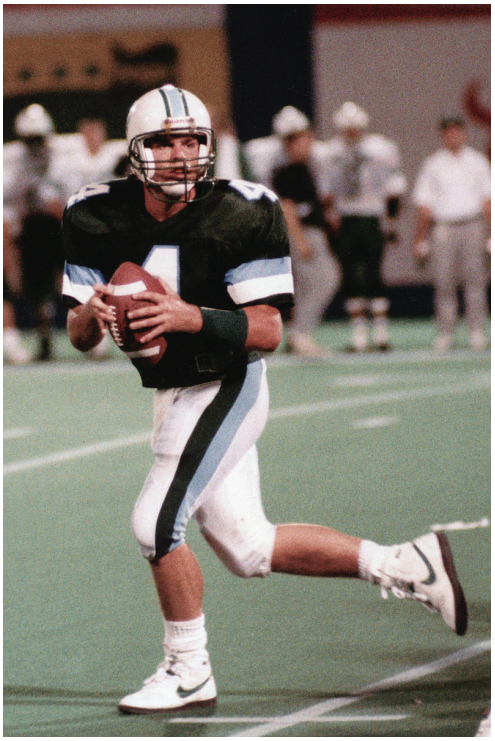

Portland State reached the playoffs eight times in the last nine years it was a Division II member, between 1987 and 1995. The Vikings reached the championship game in 1987 and 1988, the semifinals in 1991 and 1992, and led the nation in total offense in 1995.
