ALL-IVY NOTATIONS

*Due to incomplete records, it is unclear what year the Ivy League began awarding second team All-Ivy honors. A second team is first notated in 1983, therefore, only a first team All-Ivy is listed through 1982.

*From 1983-97, the first five Ivy finishers were named first team All-Ivy and the second five Ivy finishers were named second team All-Ivy.

*Beginning in 1998, the top seven Ivy finishers were named first team All-Ivy and the second seven Ivy finishers were named second team All-Ivy.
