PEPPERDINE QUARTET HEADS FOR HONORS IN DRAKE RELAYS

THEY'LL BE HARD TO DEFEAT—Here's the record-breaking four-man two-mile relay team from little George

Pepperdine College which will be shooting for honors in the Drake Relays next week. Breaking the tape from left

to right are Jack Russell, "Froggy" Lovvorn, Stanley Summers and Wally Simpson.

It was 1939 and this was the Drake Relays, one of America's premier track meets. The stadium announcer introduced competing teams, then called the runners to their marks.

Much had been made about the little, second-year California school, its relatively modest collection of sprinters and the team's chances against some of the nation's finest athletes. But, here it was, time to perform. Time to go. Time to win.

Pepperdine College's Jack Russell led off and took the lead that was maintained by Wally Simpson, Stanley Summers and Froggie Lovvorn, who followed. Lovvorn hit the tape first, just a fraction ahead of a runner from Emporia State.

The stadium announcer proclaimed the GPC men had established a record time of 7:43.4 for the two-mile relay, a mark that would stand for 15 years. He announced their names; he called them champions.

One observer called the race "as sensational as any ever run at Drake" and Bert McGrane, writing in the Des Moines Register, said it "was as great a show of courage as this writer has ever seen in track."

Iowa track fans would remember five names from that great day. Four were sprinters from Pepperdine College who won hearts and races. The fifth? The Drake Relays stadium announcer went on to win some races of his own: Ronald Reagan.
